1 AMENDMENT TO HOUSE BILL 5511

2 AMENDMENT NO. _____. Amend House Bill 5511 on page 2, by
3 replacing lines 9 through 14 with the following:

4 "(g) The Department shall recommend to the General Assembly
5 the circumstances under which a dental hygienist is prohibited
6 from using emerging scientific techniques or technology or,
7 alternatively, the training, experience, and supervision
8 required in order for a dental hygienist to use such techniques
9 or technology. Notwithstanding any other rulemaking authority
10 that may exist, neither the Governor nor any agency or agency
11 head under the jurisdiction of the Governor has any authority
12 to make or promulgate rules to implement or enforce the
13 provisions of this amendatory Act of the 95th General Assembly.
14 If, however, the Governor believes that rules are necessary to
15 implement or enforce the provisions of this amendatory Act of
16 the 95th General Assembly, the Governor may suggest rules to
17 the General Assembly by filing them with the Clerk of the House
18 and the Secretary of the Senate and by requesting that the

1 General Assembly authorize such rulemaking by law, enact those
2 suggested rules into law, or take any other appropriate action
3 in the General Assembly's discretion. Nothing contained in this
4 amendatory Act of the 95th General Assembly shall be
5 interpreted to grant rulemaking authority under any other
6 Illinois statute where such authority is not otherwise
7 explicitly given. For the purposes of this amendatory Act of
8 the 95th General Assembly, "rules" is given the meaning
9 contained in Section 1-70 of the Illinois Administrative
10 Procedure Act, and "agency" and "agency head" are given the
11 meanings contained in Sections 1-20 and 1-25 of the Illinois
12 Administrative Procedure Act to the extent that such
13 definitions apply to agencies or agency heads under the
14 jurisdiction of the Governor."
