A BILL FOR

1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The State Employees Group Insurance Act of 1971
5 is amended by changing Section 6.6 as follows:

6 (5 ILCS 375/6.6)

7 Sec. 6.6. Contributions to the Teacher Health Insurance
8 Security Fund.

9 (a) Beginning July 1, 1995, all active contributors of the
10 Teachers' Retirement System (established under Article 16 of
11 the Illinois Pension Code) who are not employees of a
12 department as defined in Section 3 of this Act shall make
13 contributions toward the cost of annuitant and survivor health
14 benefits. These contributions shall be at the following rates:
15 until January 1, 2002, 0.5% of salary; beginning January 1,
16 2002, 0.65% of salary; beginning July 1, 2003, 0.75% of salary;
17 beginning July 1, 2005, 0.80% of salary; beginning July 1,
18 2007, a percentage of salary to be determined by the Department
19 of Central Management Services by rule, which in each fiscal
20 year shall not exceed 105% of the percentage of salary actually
21 required to be paid in the previous fiscal year.

22 These contributions shall be deducted by the employer and
23 paid to the System as service agent for the Department of

1 Central Management Services. The System may use the same
2 processes for collecting the contributions required by this
3 subsection that it uses to collect contributions received from
4 school districts and other covered employers under Sections
5 16-154 and 16-155 of the Illinois Pension Code.

6 An employer may agree to pick up or pay the contributions
7 required under this subsection on behalf of the teacher; such
8 contributions shall be deemed to have to have been paid by the
9 teacher. Beginning January 1, 2002, if the employer does not
10 directly pay the required member contribution, then the
11 employer shall reduce the member's salary by an amount equal to
12 the required contribution and shall then pay the contribution
13 on behalf of the member. This reduction shall not change the
14 amounts reported as creditable earnings to the Teachers'
15 Retirement System.

16 A person who purchases optional service credit under
17 Article 16 of the Illinois Pension Code for a period after June
18 30, 1995 must also make a contribution under this subsection
19 for that optional credit, at the rate provided in subsection
20 (a), based on the salary used in computing the optional service
21 credit, plus interest on this employee contribution. This
22 contribution shall be collected by the System as service agent
23 for the Department of Central Management Services. The
24 contribution required under this subsection for the optional
25 service credit must be paid in full before any annuity based on
26 that credit begins.

1 (a-5) Beginning January 1, 2002, every employer of a
2 teacher (other than an employer that is a department as defined
3 in Section 3 of this Act) shall pay an employer contribution
4 toward the cost of annuitant and survivor health benefits.
5 These contributions shall be computed as follows:

6 (1) Beginning January 1, 2002 through June 30, 2003,
7 the employer contribution shall be equal to 0.4% of each
8 teacher's salary.

9 (2) Beginning July 1, 2003, the employer contribution
10 shall be equal to 0.5% of each teacher's salary.

11 (3) Beginning July 1, 2005, the employer contribution
12 shall be equal to 0.6% of each teacher's salary.

13 (4) Beginning July 1, 2007, the employer contribution
14 shall be a percentage of each teacher's salary to be
15 determined by the Department of Central Management
16 Services by rule, which in each fiscal year shall not
17 exceed 105% of the percentage of each teacher's salary
18 actually required to be paid in the previous fiscal year.

19 These contributions shall be paid by the employer to the
20 System as service agent for the Department of Central
21 Management Services. The System may use the same processes for
22 collecting the contributions required by this subsection that
23 it uses to collect contributions received from school districts
24 and other covered employers under the Illinois Pension Code.

25 The school district or other employing unit may pay these
26 employer contributions out of any source of funding available

1 for that purpose and shall forward the contributions to the
2 System on the schedule established for the payment of member
3 contributions.

4 (b) The Teachers' Retirement System shall promptly deposit
5 all moneys collected under subsections (a) and (a-5) of this
6 Section into the Teacher Health Insurance Security Fund created
7 in Section 6.5 of this Act. The moneys collected under this
8 Section shall be used only for the purposes authorized in
9 Section 6.5 of this Act and shall not be considered to be
10 assets of the Teachers' Retirement System. Contributions made
11 under this Section are not transferable to other pension funds
12 or retirement systems and are not refundable upon termination
13 of service.

14 (c) On or before November 15 of each year, the Board of
15 Trustees of the Teachers' Retirement System shall certify to
16 the Governor, the Director of Central Management Services, and
17 the State Comptroller its estimate of the total amount of
18 contributions to be paid under subsection (a) of this Section
19 6.6 for the next fiscal year. The amount certified shall be
20 decreased or increased each year by the amount that the actual
21 active teacher contributions either fell short of or exceeded
22 the estimate used by the Board in making the certification for
23 the previous fiscal year. The certification shall include a
24 detailed explanation of the methods and information that the
25 Board relied upon in preparing its estimate. As soon as
26 possible after the effective date of this amendatory Act of the

1 92nd General Assembly, the Board shall recalculate and
2 recertify its certifications for fiscal years 2002 and 2003.

3 (d) Beginning in fiscal year 1996, on the first day of each
4 month, or as soon thereafter as may be practical, the State
5 Treasurer and the State Comptroller shall transfer from the
6 General Revenue Fund to the Teacher Health Insurance Security
7 Fund 1/12 of the annual amount appropriated for that fiscal
8 year to the State Comptroller for deposit into the Teacher
9 Health Insurance Security Fund under Section 1.3 of the State
10 Pension Funds Continuing Appropriation Act.

11 (e) Except where otherwise specified in this Section, the
12 definitions that apply to Article 16 of the Illinois Pension
13 Code apply to this Section.

14 (f) Notwithstanding any other law to the contrary, the
15 Teachers Health Insurance Security Fund is not subject to
16 sweeps, administrative charge-backs, or any other fiscal or
17 budgetary maneuver that would in any way transfer any amounts
18 from the Teachers Health Insurance Security Fund into any other
19 fund of the State. (Blank).
