1 AMENDMENT TO SENATE BILL 171

2 AMENDMENT NO. _____. Amend Senate Bill 171 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Public Utilities Act is amended by changing
5 Sections 19-105, 19-110, 19-115, 19-120, and 19-125 and by
6 adding Sections 19-111 and 19-112 as follows:

7 (220 ILCS 5/19-105)

8 Sec. 19-105. Definitions. For the purposes of this Article,
9 the following terms shall be defined as set forth in this
10 Section.

11 "Alternative gas supplier" means every person,
12 cooperative, corporation, municipal corporation, company,
13 association, joint stock company or association, firm,
14 partnership, individual, or other entity, their lessees,
15 trustees, or receivers appointed by any court whatsoever, that
16 offers gas for sale, lease, or in exchange for other value

1 received to one or more customers, or that engages in the
2 furnishing of gas to one or more customers, and shall include
3 affiliated interests of a gas utility, resellers, aggregators
4 and marketers, but shall not include (i) gas utilities (or any
5 agent of the gas utility to the extent the gas utility provides
6 tariffed services to customers through an agent); (ii) public
7 utilities that are owned and operated by any political
8 subdivision, public institution of higher education or
9 municipal corporation of this State, or public utilities that
10 are owned by a political subdivision, public institution of
11 higher education, or municipal corporation and operated by any
12 of its lessees or operating agents; (iii) natural gas
13 cooperatives that are not-for-profit corporations operated for
14 the purpose of administering, on a cooperative basis, the
15 furnishing of natural gas for the benefit of their members who
16 are consumers of natural gas; and (iv) the ownership or
17 operation of a facility that sells compressed natural gas at
18 retail to the public for use only as a motor vehicle fuel and
19 the selling of compressed natural gas at retail to the public
20 for use only as a motor vehicle fuel.

21 "Gas utility" means a public utility, as defined in Section
22 3-105 of this Act, that has a franchise, license, permit, or
23 right to furnish or sell gas or transportation services to
24 customers within a service area.

25 "Residential customer" means a customer who receives gas
26 utility service for household purposes distributed to a

1 dwelling of 2 or fewer units which is billed under a
2 residential rate or gas utility service for household purposes
3 distributed to a dwelling unit or units which is billed under a
4 residential rate and is registered by a separate meter for each
5 dwelling unit.

6 "Sales agent" means any employee, agent, independent
7 contractor, consultant, or other person that is engaged by the
8 alternative gas supplier to solicit customers to purchase,
9 enroll in, or contract for alternative gas service on behalf of
10 an alternative gas supplier.

11 "Service area" means (i) the geographic area within which a
12 gas utility was lawfully entitled to provide gas to customers
13 as of the effective date of this amendatory Act of the 92nd
14 General Assembly and includes (ii) the location of any customer
15 to which the gas utility was lawfully providing gas utility
16 services on such effective date.

17 "Small commercial customer" means a nonresidential retail
18 customer of a natural gas utility who consumed ~~is identified by~~
19 ~~the alternative gas supplier, prior to becoming a customer of~~
20 ~~the alternative gas supplier, as consuming~~ 5,000 or fewer
21 therms of natural gas during the previous year; provided that
22 any alternative gas supplier may remove the customer from
23 designation as a "small commercial customer" if the customer
24 consumes more than 5,000 therms of natural gas in any calendar
25 year after becoming a customer of the alternative gas supplier.
26 In determining whether a customer has consumed 5,000 or fewer

1 therms of natural gas during the previous year, usage by the
2 same commercial customer shall be aggregated to include usage
3 at the same premises even if measured by more than one meter,
4 and to include usage at multiple premises. Nothing in this
5 Section creates an affirmative obligation on a gas utility to
6 monitor or inform customers or alternative gas suppliers as to
7 a customer's status as a small commercial customer as that term
8 is defined herein. Nothing in this Section relieves a gas
9 utility from any obligation to provide information upon request
10 to a customer, alternative gas supplier, the Commission, or
11 others necessary to determine whether a customer meets the
12 classification of small commercial customers as that term is
13 defined herein.

14 "Tariffed service" means a service provided to customers by
15 a gas utility as defined by its rates on file with the
16 Commission pursuant to the provisions of Article IX of this
17 Act.

18 "Transportation services" means those services provided by
19 the gas utility that are necessary in order for the storage,
20 transmission and distribution systems to function so that

23 include, without limitation, standard metering and billing
24 services.

1 (220 ILCS 5/19-110)

2 Sec. 19-110. Certification of alternative gas suppliers.

3 (a) The provisions of this Section shall apply only to
4 alternative gas suppliers serving or seeking to serve
5 residential or small commercial customers and only to the
6 extent such alternative gas suppliers provide services to
7 residential or small commercial customers.

8 (b) An alternative gas supplier must obtain a certificate
9 of service authority from the Commission in accordance with
10 this Section before serving any customer or other user located
11 in this State. An alternative gas supplier may request, and the
12 Commission may grant, a certificate of service authority for
13 the entire State or for a specified geographic area of the
14 State. A person, corporation, or other entity acting as an
15 alternative gas supplier on the effective date of this
16 amendatory Act of the 92nd General Assembly shall have 180 days
17 from the effective date of this amendatory Act of the 92nd
18 General Assembly to comply with the requirements of this
19 Section in order to continue to operate as an alternative gas
20 supplier.

21 (c) An alternative gas supplier seeking a certificate of
22 service authority shall file with the Commission a verified
23 application containing information showing that the applicant
24 meets the requirements of this Section. The alternative gas
25 supplier shall publish notice of its application in the
26 official State newspaper within 10 days following the date of

1 its filing. No later than 45 days after the application is

3 published, the Commission shall issue its order granting or
4 denying the application.

5 (d) An application for a certificate of service authority
6 shall identify the area or areas in which the applicant intends
7 to offer service and the types of services it intends to offer.
8 Applicants that seek to serve residential or small commercial
9 customers within a geographic area that is smaller than a gas
10 utility's service area shall submit evidence demonstrating
11 that the designation of this smaller area does not violate
12 Section 19-115. An applicant may state in its application for
13 certification any limitations that will be imposed on the
14 number of customers or maximum load to be served. The applicant
15 shall submit as part of its application a statement indicating:

16 (1) Whether the applicant has been denied a natural gas

20 United States.

21 (3) Where, if any, other natural gas supplier license
22 applications are pending in the United States.

23 (4) Whether the applicant is the subject of any
24 lawsuits filed in a court of law or formal complaints filed
25 with a regulatory agency alleging fraud, deception or
26 unfair marketing practices, or other similar allegations,

1 identifying the name, case number, and jurisdiction of each
2 such lawsuit or complaint.

3 For the purposes of this subsection (d), formal complaints
4 include only those complaints that seek a binding determination
5 from a state or federal regulatory body.

6 (e) The Commission shall grant the application for a
7 certificate of service authority if it makes the findings set
8 forth in this subsection based on the verified application and
9 such other information as the applicant may submit.

10 (1) That the applicant possesses ~~possess~~ sufficient
11 technical, financial, and managerial resources and
12 abilities to provide the service for which it seeks a
13 certificate of service authority. In determining the level
14 of technical, financial, and managerial resources and
15 abilities which the applicant must demonstrate, the
16 Commission shall consider:

17 (A) the characteristics, including the size and
18 financial sophistication of the customers that the
19 applicant seeks to serve; ~~and shall consider~~

20 (B) whether the applicant seeks to provide gas
21 using property, plant, and equipment that it owns,
22 controls, or operates; and

23 (C) the applicant's commitment of resources to the
24 management of sales and marketing staff, through
25 affirmative managerial policies, independent audits,
26 technology, hands-on field monitoring and training,

1 and, in the case of applicants who will have sales
2 personnel or sales agents within the State of Illinois,
3 the applicant's managerial presence within the State.

4 (2) That the applicant will comply with all applicable
5 federal, State, regional, and industry rules, policies,
6 practices, and procedures for the use, operation, and
7 maintenance of the safety, integrity, and reliability of
8 the gas transmission system.

9 (3) That the applicant will comply with such
10 informational or reporting requirements as the Commission
11 may by rule establish.

12 (4) That the area to be served by the applicant and any
13 limitations it proposes on the number of customers or
14 maximum amount of load to be served meet the provisions of
15 Section 19-115, provided, that if the applicant seeks to
16 serve an area smaller than the service area of a gas
17 utility or proposes other limitations on the number of
18 customers or maximum amount of load to be served, the
19 Commission can extend the time for considering such a
20 certificate request by up to 90 days, and can schedule
21 hearings on such a request.

22 (5) That the applicant and the applicant's sales agents
23 will comply with all other applicable laws and rules.

24 (f) The Commission can extend the time for considering such
25 a certificate request by up to 90 days, and can schedule
26 hearings on such a request if:

1 (1) a party to the application proceeding has formally
2 requested that the Commission hold hearings in a pleading
3 that alleges that one or more of the allegations or
4 certifications in the application is false or misleading;
5 or

6 (2) other facts or circumstances exist that will
7 necessitate additional time or evidence in order to
8 determine whether a certificate should be issued.

9 (g) ~~(f)~~ The Commission shall have the authority to
10 promulgate rules to carry out the provisions of this Section.
11 Within 30 days after the effective date of this amendatory Act
12 of the 92nd General Assembly, the Commission shall adopt an
13 emergency rule or rules applicable to the certification of
14 those gas suppliers that seek to serve residential customers.
15 Within 180 days of the effective date of this amendatory Act of
16 the 92nd General Assembly, the Commission shall adopt rules
17 that specify criteria which, if met by any such alternative gas
18 supplier, shall constitute the demonstration of technical,
19 financial, and managerial resources and abilities to provide
20 service required by item (1) of subsection (e) of this Section,
21 such as a requirement to post a bond or letter of credit, from
22 a responsible surety or financial institution, of sufficient
23 size for the nature and scope of the services to be provided,
24 demonstration of adequate insurance for the scope and nature of
25 the services to be provided, and experience in providing
26 similar services in other jurisdictions.

1 (h) The Commission may deny with prejudice any application
2 that repeatedly fails to include the attachments,
3 documentation, and affidavits required by the application form
4 or that repeatedly fails to provide any other information
5 required by this Section.

8 Sec. 19-111. Material changes in business.

9 (a) The provisions of this Section shall apply only to
10 alternative gas suppliers serving or seeking to serve
11 residential or small commercial customers and only to the
12 extent such alternative gas suppliers provide services to
13 residential or small commercial customers.

14 (b) Alternative gas suppliers shall file with the
15 Commission a notification of any material change to the
16 information supplied in a certification application within 30
17 days of such material change.

18 (1) An alternative gas supplier shall file such notice
19 under the docket number assigned to the alternative gas
20 supplier's certification application, whichever is the
21 most recent. The supplier shall also serve such notice upon
22 the gas utility company serving customers in the service
23 area where the alternative gas supplier is certified to
24 provide service.

25 (2) After notice and an opportunity for a hearing, the

1 Commission may (i) suspend, rescind, or conditionally
2 rescind an alternative gas supplier's certificate if it
3 determines that the material change will adversely affect
4 the alternative gas supplier's fitness or ability to
5 provide the services for which it is certified or (ii)
6 require the alternative gas supplier to provide reasonable
7 financial assurances sufficient to protect their customers
8 and gas utilities from default.

9 (c) Material changes to the information contained in or
10 supplied with a certification application include, but are not
11 limited to, the following:

12 (1) Any significant change in ownership (an ownership
13 interest of 5% or more) of the applicant or alternative gas
14 supplier.

15 (2) An affiliation with any gas utility or change of an
16 affiliation with a gas utility in this State.

17 (3) Retirement or other long-term changes to the
18 operational status of supply resources relied upon by the
19 alternative gas supplier to provide alternative gas
20 service. Changes in the volume of supply from any given
21 supply resource replaced by a comparable supply resource do
22 not need to be reported.

23 (4) Revocation, restriction, or termination of any
24 interconnection or service agreement with a pipeline
25 company or natural gas company relied upon by an
26 alternative gas supplier to provide alternative retail

1 natural gas service, but only if such revocation,
2 restriction, or termination creates a situation in which
3 the alternative gas supplier does not meet the tariffed
4 capacity requirements of the relevant Illinois natural gas
5 utility or utilities.

6 (5) If the alternative gas supplier has a long-term
7 bond rating from Standard & Poor's or its successor, or
8 Fitch Ratings or its successor, or Moody's Investor Service
9 or its successor, and the alternative gas supplier's
10 long-term bond rating falls below BBB as reported by
11 Standard & Poor's or its successor or Fitch Ratings or its
12 successor or below Baa3 as reported by Moody's Investors
13 Service or its successor.

14 (6) The applicant or alternative gas supplier has or
15 intends to file for reorganization, protection from
16 creditors, or any other form of bankruptcy with any court.

17 (7) Any judgment, finding, or ruling by a court or
18 regulatory agency that could affect an alternative gas
19 supplier's fitness or ability to provide service in this
20 State.

21 (8) Any change in the alternative gas supplier's name
22 or logo, including without limitation any change in the
23 alternative gas supplier's legal name, fictitious names,
24 or assumed business names, except for logos and names the
25 alternative gas supplier provided as part of its original
26 certification process or that the alternative gas supplier

1 previously provided to the Commission under this Section.

2 (220 ILCS 5/19-112 new)

3 Sec. 19-112. Managerial resources.

4 (a) An alternative gas supplier must maintain sufficient
5 managerial resources and abilities to provide the service for
6 which it has a certificate of service authority. In determining
7 the level of managerial resources and abilities that the
8 alternative gas supplier must demonstrate, the Commission
9 shall consider, in addition to the requirements in
10 19-110(e) (1), the following:

11 (1) complaints to the Commission by consumers
12 regarding the alternative gas supplier, including those
13 that reflect on the alternative gas supplier's ability to
14 properly manage solicitation and authorization; and

15 (2) the alternative gas supplier's involvement in the
16 Commission's consumer complaint process, including the
17 resources the alternative gas supplier dedicates to the
18 process and the alternative gas supplier's ability to
19 manage the issues raised by complaints, and the resolutions
20 of the complaints.

21 (b) The provisions of this Section shall apply only to
22 alternative gas suppliers serving or seeking to serve
23 residential or small commercial customers and only to the
24 extent such alternative gas suppliers provide services to
25 residential or small commercial customers, unless otherwise

1 noted.

2 (220 ILCS 5/19-115)

3 Sec. 19-115. Obligations of alternative gas suppliers.

4 (a) The provisions of this Section shall apply only to
5 alternative gas suppliers serving or seeking to serve
6 residential or small commercial customers and only to the
7 extent such alternative gas suppliers provide services to
8 residential or small commercial customers.

9 (b) An alternative gas supplier shall:

10 (1) comply with the requirements imposed on public
11 utilities by Sections 8-201 through 8-207, 8-301, 8-505 and
12 8-507 of this Act, to the extent that these Sections have
13 application to the services being offered by the
14 alternative gas supplier; and

15 (2) continue to comply with the requirements for
16 certification stated in Section 19-110.

17 (3) comply with complaint procedures established by
18 the Commission;

19 (4) except as provided in subsection (h) of this
20 Section, file with the Chief Clerk of the Commission,
21 within 20 business days after the effective date of this
22 amendatory Act of the 95th General Assembly, a copy of bill
23 formats, standard customer contract and customer complaint
24 and resolution procedures, and the name and telephone
25 number of the company representative whom Commission

1 employees may contact to resolve customer complaints and
2 other matters. In the case of a gas supplier that engages
3 in door-to-door solicitation, the company shall file with
4 the Commission the consumer information disclosure
5 required by item (3) of subsection (c) of Section 2DDD the
6 Consumer Fraud and Deceptive Business Practices Act and
7 shall file updated information within 10 business days
8 after changes in any of the documents or information
9 required to be filed by this item (4); and

10 (5) maintain a customer call center where customers can
11 reach a representative and receive current information. At
12 least once every 6 months, each alternative gas supplier
13 shall provide written information to customers explaining
14 how to contact the call center. The average answer time for
15 calls placed to the call center shall not exceed 60 seconds
16 where a representative or automated system is ready to
17 render assistance and/or accept information to process
18 calls. The abandon rate for calls placed to the call center
19 shall not exceed 10%. Each alternative gas supplier shall
20 maintain records of the call center's telephone answer time
21 performance and abandon call rate. These records shall be
22 kept for a minimum of 2 years and shall be made available
23 to Commission personnel upon request. In the event that
24 answer times and/or abandon rates exceed the limits
25 established above, the reporting alternative gas supplier
26 may provide the Commission or its personnel with

1 explanatory details. At a minimum, these records shall
2 contain the following information in monthly increments:

3 (A) total number of calls received;

4 (B) number of calls answered;

5 (C) average answer time;

6 (D) number of abandoned calls; and

7 (E) abandon call rate.

8 Alternative gas suppliers that do not have electronic
9 answering capability that meets these requirements shall
10 notify the Manager of the Commission's Consumer Services
11 Division or its successor within 30 days following the
12 effective date of this amendatory Act of the 95th General
13 Assembly and work with Staff to develop individualized
14 reporting requirements as to the call volume and responsiveness
15 of the call center.

16 On or before March 1 of every year, each entity shall file
17 a report with the Chief Clerk of the Commission for the
18 preceding calendar year on its answer time and abandon call
19 rate for its call center. A copy of the report shall be sent to
20 the Manager of the Consumer Services Division or its successor.

21 (c) An alternative gas supplier shall not submit or execute
22 a change in a customer's selection of a natural gas provider
23 unless and until (i) the alternative gas supplier first
24 discloses all material terms and conditions of the offer to the
25 customer; (ii) the alternative gas supplier has obtained the
26 customer's express agreement to accept the offer after the

1 disclosure of all material terms and conditions of the offer;
2 and (iii) the alternative gas supplier has confirmed the
3 request for a change in accordance with one of the following
4 procedures:

5 (1) The alternative gas supplier has obtained the
6 customer's written or electronically signed authorization
7 in a form that meets the following requirements:

8 (A) An alternative gas supplier shall obtain any
9 necessary written or electronically signed
10 authorization from a customer for a change in natural
11 gas service by using a letter of agency as specified in
12 this Section. Any letter of agency that does not
13 conform with this Section is invalid.

14 (B) The letter of agency shall be a separate
15 document (or an easily separable document containing
16 only the authorization language described in item (E)
17 of this paragraph (1)) whose sole purpose is to
18 authorize a natural gas provider change. The letter of
19 agency must be signed and dated by the customer
20 requesting the natural gas provider change.

21 (C) The letter of agency shall not be combined with
22 inducements of any kind on the same document.

23 (D) Notwithstanding items (A) and (B) of this
24 paragraph (1), the letter of agency may be combined
25 with checks that contain only the required letter of
26 agency language prescribed in item (E) of this

1 paragraph (1) and the necessary information to make the
2 check a negotiable instrument. The letter of agency
3 check shall not contain any promotional language or
4 material. The letter of agency check shall contain in
5 easily readable, bold face type on the face of the
6 check a notice that the consumer is authorizing a
7 natural gas provider change by signing the check. The
8 letter of agency language also shall be placed near the
9 signature line on the back of the check.

10 (E) At a minimum, the letter of agency must be
11 printed with a print of sufficient size to be clearly
12 legible and must contain clear and unambiguous
13 language that confirms:

14 (i) the customer's billing name and address;

15 (ii) the decision to change the natural gas
16 provider from the current provider to the
17 prospective alternative gas supplier;

18 (iii) the terms, conditions, and nature of the
19 service to be provided to the customer, including,
20 but not limited to, the rates for the service
21 contracted for by the customer; and

22 (iv) that the customer understands that any
23 natural gas provider selection the customer
24 chooses may involve a charge to the customer for
25 changing the customer's natural gas provider.

26 (F) Letters of agency shall not suggest or require

1 that a customer take some action in order to retain the
2 customer's current natural gas provider.

3 (G) If any portion of a letter of agency is
4 translated into another language, then all portions of
5 the letter of agency must be translated into that
6 language.

7 (2) An appropriately qualified independent third party
8 has obtained, in accordance with the procedures set forth
9 in this paragraph (2), the customer's oral authorization to
10 change natural gas providers that confirms and includes
11 appropriate verification data. The independent third party
12 must (i) not be owned, managed, controlled, or directed by
13 the alternative gas supplier or the alternative gas
14 supplier's marketing agent; (ii) not have any financial
15 incentive to confirm provider change requests for the
16 alternative gas supplier or the alternative gas supplier's
17 marketing agent; and (iii) operate in a location physically
18 separate from the alternative gas supplier or the
19 alternative gas supplier's marketing agent. Automated
20 third-party verification systems and 3-way conference
21 calls may be used for verification purposes so long as the
22 other requirements of this paragraph (2) are satisfied. An
23 alternative gas supplier or alternative gas supplier's
24 sales representative initiating a 3-way conference call or
25 a call through an automated verification system must drop
26 off the call once the 3-way connection has been

1 established. All third-party verification methods shall
2 elicit, at a minimum, the following information:

3 (A) the identity of the customer;

4 (B) confirmation that the person on the call is
5 authorized to make the provider change;

6 (C) confirmation that the person on the call wants
7 to make the provider change;

8 (D) the names of the providers affected by the
9 change;

10 (E) the service address of the service to be
11 switched; and

12 (F) the price of the service to be provided and the
13 material terms and conditions of the service being
14 offered, including whether any early termination fees
15 apply.

16 Third-party verifiers may not market the alternative
17 gas supplier's services by providing additional
18 information. All third-party verifications shall be
19 conducted in the same language that was used in the
20 underlying sales transaction and shall be recorded in their
21 entirety. Submitting alternative gas suppliers shall
22 maintain and preserve audio records of verification of
23 customer authorization for a minimum period of 2 years
24 after obtaining the verification. Automated systems must
25 provide customers with an option to speak with a live
26 person at any time during the call.

1 (B) confirmation that the person on the call is
2 authorized to make the provider change;

3 (C) confirmation that the person on the call wants
4 to make the provider change;

5 (D) the names of the providers affected by the
6 change;

7 (E) the service address of the service to be
8 switched; and

9 (F) the price of the service to be supplied and the
10 material terms and conditions of the service being
11 offered, including whether any early termination fees
12 apply.

13 Submitting alternative gas suppliers shall maintain
14 and preserve the audio records containing the information
15 set forth above for a minimum period of 2 years.

16 (5) In the event that a customer enrolls for service
17 from an alternative gas supplier via an Internet website,
18 the alternative gas supplier shall obtain an
19 electronically signed letter of agency in accordance with
20 paragraph (1) of this subsection (c) and any customer
21 information shall be protected in accordance with all
22 applicable statutes and regulations. In addition, an
23 alternative gas supplier shall provide the following when
24 marketing via an Internet website:

25 (A) The Internet enrollment website shall, at a
26 minimum, include:

1 (i) a copy of the alternative gas supplier's
2 customer contract that clearly and conspicuously
3 discloses all terms and conditions; and

4 (ii) a conspicuous prompt for the customer to
5 print or save a copy of the contract.

6 (B) Any electronic version of the contract shall be
7 identified by version number, in order to ensure the
8 ability to verify the particular contract to which the
9 customer assents.

10 (C) Throughout the duration of the alternative gas
11 supplier's contract with a customer, the alternative
12 gas supplier shall retain and, within 3 business days
13 of the customer's request, provide to the customer an
14 e-mail, paper, or facsimile of the terms and conditions
15 of the numbered contract version to which the customer
16 assents.

17 (D) The alternative gas supplier shall provide a
18 mechanism by which both the submission and receipt of
19 the electronic letter of agency are recorded by time
20 and date.

21 (E) After the customer completes the electronic
22 letter of agency, the alternative gas supplier shall
23 disclose conspicuously through its website that the
24 customer has been enrolled, and the alternative gas
25 supplier shall provide the customer an enrollment
26 confirmation number.

1 (6) When a customer is solicited in person by the
2 alternative gas supplier's sales agent, the alternative
3 gas supplier may only obtain the customer's authorization
4 to change natural gas service through the method provided
5 for in paragraph (2) of this subsection (c).

6 Alternative gas suppliers must be in compliance with this
7 subsection (c) with 90 days after the effective date of this
8 amendatory Act of the 95th General Assembly.

9 (d) Complaints may be filed with the Commission under this
10 Section by a customer whose natural gas service has been
11 provided by an alternative gas supplier in a manner not in
12 compliance with subsection (c) of this Section. If, after
13 notice and hearing, the Commission finds that an alternative
14 gas supplier has violated subsection (c), then the Commission
15 may in its discretion do any one or more of the following:

19 natural gas provider.

20 (2) Require the violating alternative gas supplier to
21 pay to the customer's authorized natural gas provider the
22 amount the authorized natural gas provider would have
23 collected for natural gas service. The Commission is
24 authorized to reduce this payment by any amount already
25 paid by the violating alternative gas supplier to the
26 customer's authorized natural gas provider.

1 (3) Require the violating alternative gas supplier to
2 pay a fine of up to \$1,000 into the Public Utility Fund for

7 the violating alternative gas supplier's certificate of
8 service authority.

9 (e) ~~(e)~~ An alternative gas supplier shall obtain verifiable
10 authorization from a customer, in a form or manner approved by
11 the Commission, before the customer is switched from another
12 supplier.

13 (f) ~~(d)~~ No alternative gas supplier shall:

14 (1) enter into or employ any arrangements which have
15 the effect of preventing any customer from having access to

17 customer is located; ~~or~~

18 (2) charge customers for such access; ~~or~~

19 (3) bill for goods or services not authorized by the
20 customer; or

21 (4) bill for a disputed amount where the alternative
22 gas supplier has been provided notice of such dispute. The
23 supplier shall attempt to resolve a dispute with the
24 customer. When the dispute is not resolved to the
25 customer's satisfaction, the supplier shall inform the
26 customer of the right to file an informal complaint with

1 the Commission and provide contact information. While the
2 pending dispute is active at the Commission, an alternative
3 gas supplier may bill only for the undisputed amount until
4 the Commission has taken final action on the complaint.

5 (g) ~~(e)~~ An alternative gas supplier that is certified to
6 serve residential or small commercial customers shall not:

7 (1) deny service to a customer or group of customers
8 nor establish any differences as to prices, terms,
9 conditions, services, products, facilities, or in any
10 other respect, whereby such denial or differences are based
11 upon race, gender, or income; ~~or~~

12 (2) deny service based on locality, nor establish any
13 unreasonable difference as to prices, terms, conditions,
14 services, products, or facilities as between localities; ~~or~~

16 a customer to the terms of the agreement if the customer
17 (i) moves outside the State of Illinois; (ii) moves to a
18 location without a transportation service program; or
19 (iii) moves to a location where the customer will not
20 require natural gas service, provided that nothing in this
21 subsection precludes an alternative gas supplier from
22 taking any action otherwise available to it to collect a
23 debt that arises out of service provided to the customer
24 before the customer moved; or

25 (4) assign the agreement to any alternative natural gas
26 supplier, unless:

1 (A) the supplier is an alternative gas supplier
2 certified by the Commission;

3 (B) the rates, terms, and conditions of the
4 agreement being assigned do not change during the
5 remainder of the time covered by the agreement;

6 (C) the customer is given no less than 30 days
7 prior written notice of the assignment and contact
8 information for the new supplier; and

9 (D) the supplier assigning the contract provides
10 contact information that a customer can use to resolve

12 (h) ~~(f)~~ An alternative gas supplier shall comply with the
13 following requirements with respect to the marketing,
14 offering, and provision of products or services:

15 (1) Any marketing materials which make statements

19 (2) Before any customer is switched from another
20 supplier, the alternative gas supplier shall give the
21 customer written information that clearly and
22 conspicuously ~~adequately~~ discloses, in plain language, the
23 prices, terms, and conditions of the products and services
24 being offered and sold to the customer. Nothing in this
25 paragraph (2) may be read to relieve an alternative gas
26 supplier from the duties imposed on it by item (3) of

1 subsection (c) of Section 2DDD of the Consumer Fraud and
2 Deceptive Business Practices Act.

3 (3) The alternative gas supplier shall provide to the
4 customer:

5 (A) accurate, timely, and itemized billing
6 statements that describe the products and services
7 provided to the customer and their prices and that
8 specify the gas consumption amount and any service
9 charges and taxes; provided that this item (h) (3) (A)
10 ~~(f) (3) (A)~~ does not apply to small commercial
11 customers;

12 (B) billing statements that clearly and
13 conspicuously discloses the name and contact
14 information for the alternative gas supplier;

15 (C) an additional statement, at least annually,

19 (h) (3) (B) ~~(f) (3) (B)~~ does not apply to small commercial
20 customers;

21 (D) ~~(C)~~ refunds of any deposits with interest
22 within 30 days after the date that the customer changes
23 gas suppliers or discontinues service if the customer
24 has satisfied all of his or her outstanding financial
25 obligations to the alternative gas supplier at an
26 interest rate set by the Commission which shall be the

1 same as that required of gas utilities; and

2 (E) ~~(D)~~ refunds, in a timely fashion, of all
3 undisputed overpayments upon the oral or written
4 request of the customer.

6 shall refrain from any direct marketing or soliciting to
7 consumers on the gas utility's "Do Not Contact List", which
8 the alternative gas supplier shall obtain on the 15th
9 calendar day of the month from the gas utility in whose
10 service area the consumer is provided with gas service. If
11 the 15th calendar day is a non-business day, then the
12 alternative gas supplier shall obtain the list on the next
13 business day following the 15th calendar day of that month.

14 (5) Early Termination.

15 (A) Any agreement that contains an early
16 termination clause shall disclose the amount of the
17 early termination fee, provided that any early
18 termination fee or penalty shall not exceed \$50 total,
19 regardless of whether or not the agreement is a
20 multiyear agreement.

21 (B) In any agreement that contains an early
22 termination clause, an alternative gas supplier shall
23 provide the customer the opportunity to terminate the
24 agreement without any termination fee or penalty
25 within 10 business days after the date of the first
26 bill issued to the customer for products or services

1 provided by the alternative gas supplier. The
2 agreement shall disclose the opportunity and provide a
3 toll-free phone number that the customer may call in
4 order to terminate the agreement.

5 (6) Within 2 business days after electronic receipt of
6 a customer switch from the alternative gas supplier and
7 confirmation of eligibility, the gas utility shall provide
8 the customer written notice confirming the switch. The gas
9 utility shall not switch the service until 10 business days
10 after the date on the notice to the customer.

11 (7) The alternative gas supplier shall provide each
12 customer the opportunity to rescind its agreement without
13 penalty within 10 business days after the date on the gas
14 utility notice to the customer. The alternative gas
15 supplier shall disclose all of the following:

16 (A) that the gas utility shall send a notice
17 confirming the switch;

22 or the alternative gas supplier to rescind the switch;

4 more of the following:

5 (1) a maximum number of customers and maximum amount of
6 gas load to be served;

7 (2) time period during which the offering will be
8 available; or

9 (3) other comparable limitation, but not including the
10 geographic locations of customers within the area which the
11 alternative gas supplier is certificated to serve.

12 The alternative gas supplier shall file the terms and
13 conditions of such service offering including the applicable
14 limitations with the Commission prior to making the service
15 offering available to customers.

18 or which contracts with, (i) an industry or trade organization
19 or association, (ii) a membership organization or association
20 that exists for a purpose other than the purchase of gas, or
21 (iii) another organization that meets criteria established in a
22 rule adopted by the Commission from offering through the
23 organization or association services at prices, terms and
24 conditions that are available solely to the members of the

3 their gas supply options and their rights and responsibilities.
4 The Commission shall publish the consumer education
5 information on its World Wide Web site.

6 (a-10) To assist the Commission in developing consumer
7 education information, the Commission shall form a working
8 group that shall consist of representatives of gas utilities

21 (5) An alternative gas supplier engaging in
22 door-to-door solicitation of consumers shall provide the
23 information described in paragraph (3) of this subsection
24 (c) during all door-to-door solicitations that result in a
25 customer deciding to switch their supplier.

26 (d) Customer Authorization. An alternative gas supplier

6 offer after the disclosure of all material terms and conditions
7 of the offer; and (iii) the alternative gas supplier has
8 confirmed the request for a change in accordance with one of
9 the following procedures:

10 (1) The alternative gas supplier has obtained the
11 customer's written or electronically signed authorization
12 in a form that meets the following requirements:

13 (A) An alternative gas supplier shall obtain any
14 necessary written or electronically signed
15 authorization from a customer for a change in natural
16 gas service by using a letter of agency as specified in
17 this Section. Any letter of agency that does not

19 (B) The letter of agency shall be a separate

25 requesting the natural gas provider change.

26 (C) The letter of agency shall not be combined with

1 inducements of any kind on the same document.

2 (D) Notwithstanding items (A) and (B) of this
3 paragraph (1), the letter of agency may be combined
4 with checks that contain only the required letter of
5 agency language prescribed in item (E) of this
6 paragraph (1) and the necessary information to make the
7 check a negotiable instrument. The letter of agency
8 check shall not contain any promotional language or
9 material. The letter of agency check shall contain in
10 easily readable, bold face type on the face of the
11 check, a notice that the consumer is authorizing a
12 natural gas provider change by signing the check. The
13 letter of agency language also shall be placed near the
14 signature line on the back of the check.

15 (E) At a minimum, the letter of agency must be
16 printed with a print of sufficient size to be clearly

21 provider from the current provider to the
22 prospective alternative gas supplier;

23 (iii) the terms, conditions, and nature of the
24 service to be provided to the customer, including,
25 but not limited to, the rates for the service
26 contracted for by the customer; and

1 (iv) that the customer understands that any
2 natural gas provider selection the customer
3 chooses may involve a charge to the customer for
4 changing the customer's natural gas provider.

5 (F) Letters of agency shall not suggest or require
6 that a customer take some action in order to retain the
7 customer's current natural gas provider.

8 (G) If any portion of a letter of agency is
9 translated into another language, then all portions of
10 the letter of agency must be translated into that
11 language.

12 (2) An appropriately qualified independent third party
13 has obtained, in accordance with the procedures set forth
14 in this paragraph (2), the customer's oral authorization to
15 change natural gas providers that confirms and includes

17 must (i) not be owned, managed, controlled, or directed by
18 the alternative gas supplier or the alternative gas
19 supplier's marketing agent; (ii) not have any financial
20 incentive to confirm provider change requests for the
21 alternative gas supplier or the alternative gas supplier's
22 marketing agent; and (iii) operate in a location physically

24 alternative gas supplier's marketing agent. Automated
25 third-party verification systems and 3-way conference
26 calls may be used for verification purposes so long as the

1 other requirements of this paragraph (2) are satisfied. A
2 alternative gas supplier or alternative gas supplier's
3 sales representative initiating a 3-way conference call or
4 a call through an automated verification system must drop
5 off the call once the 3-way connection has been
6 established. All third-party verification methods shall
7 elicit, at a minimum, the following information:

8 (A) the identity of the customer;

9 (B) confirmation that the person on the call is
10 authorized to make the provider change;

11 (C) confirmation that the person on the call wants

16 switched; and

17 (F) the price of the service to be provided and the
18 material terms and conditions of the service being
19 offered, including whether any early termination fees
20 apply.

21 Third-party verifiers may not market the alternative
22 gas supplier's services. All third-party verifications
23 shall be conducted in the same language that was used in
24 the underlying sales transaction and shall be recorded in
25 their entirety. Submitting alternative gas suppliers shall
26 maintain and preserve audio records of verification of

1 customer authorization for a minimum period of 2 years
2 after obtaining the verification. Automated systems must
3 provide customers with an option to speak with a live
4 person at any time during the call.

5 (3) The alternative gas supplier has obtained the
6 customer's electronic authorization to change in natural
7 gas service via telephone. Such authorization must elicit
