23 Section 25. Adjustments by the Secretary of State. For each
24 person included in a report received under Sections 15 and 20,

1 the Secretary of State shall determine the geographic units for
2 which population counts are reported in the federal decennial
3 census that contain the last address at which the person
4 resided before the person's incarceration according to the
5 report and, if that address is in this State:

6 (1) Adjust all relevant population counts reported in
7 the census, including populations by age, gender, and race,
8 as if the person resided at that address on the day for
9 which the census reports population.

23 the most recent adjusted population counts prepared by the
24 Secretary of State under Section 30 by more than 5%.

25 (b) A State governmental body, including the General
