1 AMENDMENT TO HOUSE BILL 299

2 AMENDMENT NO. _____. Amend House Bill 299 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The HIV/AIDS Registry Act is amended by
5 changing Section 4 as follows:

6 (410 ILCS 310/4) (from Ch. 111 1/2, par. 7354)

7 Sec. 4. (a) The Department shall establish and maintain an
8 HIV/AIDS Registry consisting of a record of all cases of HIV
9 and AIDS which occur in Illinois, and such information
10 concerning those cases as it deems necessary or appropriate in
11 order to conduct thorough and complete epidemiological surveys
12 of HIV and AIDS in Illinois, and to evaluate existing control
13 and prevention measures. Notwithstanding any other provision
14 of this subsection (a), the information concerning those cases
15 included in the Registry shall include all CD4 test results,
16 including counts and percentages of any value, and HIV viral

1 load test results, both detectable and undetectable. ~~Cases~~
2 ~~included in the Registry shall be identified by a code rather~~
3 ~~than by name.~~ To the extent feasible, the Registry shall be
4 compatible with other national models so as to facilitate the
5 coordination of information with other data bases.

6 (b) To facilitate the collection of information relating to
7 cases of HIV and AIDS, the Department shall have the authority
8 to require hospitals, laboratories and other facilities which
9 diagnose such conditions to report cases of HIV and AIDS to the
10 Department or a local health authority if the local health
11 authority serves a population of over 1,000,000 citizens or if
12 the local health authority has been designated by the
13 Department to collect such information, and to require the
14 submission of such other information pertaining to or in
15 connection with such reported cases as the Department deems
16 necessary or appropriate for the purposes of this Act,
17 including all CD4 and HIV viral load test results for those
18 cases included in the Registry. The Department may promulgate
19 rules or regulations specifying the types of information
20 required, requirements for follow up of patients, frequency of
21 reporting, methods of submitting such information and any other
22 details deemed by the Department to be necessary or appropriate
23 for the administration of this Act. Nothing in this Act shall
24 be construed to compel any individual to submit to a medical
25 examination or supervision.

26 (c) The Director shall by rule establish standards for

1 ensuring the protection of information made confidential or
2 privileged under law.
