09700SB1388sam001 LRB097 05716 CEL 52179 a 1 AMENDMENT TO SENATE BILL 1388 2 AMENDMENT NO. . Amend Senate Bill 1388 by replacing everything after the enacting clause with the following: 3 "Section 1. Findings; purpose; text and revisory changes; 4 5 validation; additional material. (a) The Illinois Supreme Court, in Lebron v. Gottlieb 6 7 Memorial Hospital, found that the limitations on noneconomic damages in medical malpractice actions that were created in 8 Public Act 94-677, contained in Section 2-1706.5 of the Code of 9 Civil Procedure, violate the separation of powers clause of the 10 11 Illinois Constitution. Because Public Act 94-677 contained an inseverability provision, the Court held the Act to be void in 12 13 its entirety. The Court emphasized, however, that "because the 14 other provisions contained in Public Act 94-677 are deemed invalid solely on inseverability grounds, the legislature 15 16 remains free to reenact any provisions it deems appropriate". (b) It is the purpose of this Act to reenact certain 17

1 provisions of Public Act 94-677 that did not involve 2 limitations on noneconomic damages in medical malpractice 3 actions, to validate certain actions taken in reliance on those 4 provisions, and to make certain additional changes to the 5 statutes.

6 (c) This Act reenacts Sections 7, 22, 23, 24, 24.1, and 36 7 of the Medical Practice Act of 1987. This Act does not reenact 8 any other provisions of Public Act 94-677.

9 In this Act, the base text of the reenacted Sections 10 includes the text as it existed at the time of the Supreme 11 Court's decision, including any amendments that occurred after 12 P.A. 94-677, and also includes amendments that occurred after 13 the decision. Striking and underscoring is used only to show 14 the changes being made by this Act to that base text.

15 (d) All otherwise lawful actions taken in reasonable 16 reliance on or pursuant to the Sections reenacted by this Act, as set forth in Public Act 94-677 or subsequently amended, by 17 any officer, employee, agency, or unit of State or local 18 government or by any other person or entity, are hereby 19 20 validated. The actions include, but are not limited to, 21 disciplinary actions, establishment of the physicians profile 22 under Section 24.1, and adoption of administrative rules under the Illinois Administrative Procedure Act. 23

With respect to actions taken in relation to matters arising under the Sections reenacted by this Act, a person is rebuttably presumed to have acted in reasonable reliance on and 09700SB1388sam001 -3- LRB097 05716 CEL 52179 a

pursuant to the provisions of Public Act 94-677, as those
 provisions had been amended at the time the action was taken.

With respect to their administration of matters arising under the Sections reenacted by this Act, officers, employees, agencies, and units of State and local government shall continue to apply the provisions of Public Act 94-677, as those provisions had been amended at the relevant time.

8 (e) This Act also contains material making new substantive9 changes.

Section 5. The Regulatory Sunset Act is amended by changing Sections 4.21 and 4.31 as follows:

Such person is hereinafter called the accused.

11 The Department shall, before suspending, revoking, placing on probationary status, or taking any other disciplinary action 12 13 as the Department may deem proper with regard to any license at least 30 days prior to the date set for the hearing, notify the 14 15 accused in writing of any charges made and the time and place 16 for a hearing of the charges before the Disciplinary Board, direct them to file their written answer thereto to the 17 Disciplinary Board under oath within 20 days after the service 18 on them of such notice and inform them that if they fail to 19 20 file such answer default will be taken against them and their 21 license may be suspended, revoked, placed on probationary 22 status, or have other disciplinary action, including limiting 23 the scope, nature or extent of their practice, as the 24 Department may deem proper taken with regard thereto.

25 Where a physician has been found, upon complaint and 26 investigation of the Department, and after hearing, to have performed an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed, the Department shall automatically revoke the license of such physician to practice medicine in Illinois.

Any such 16 review of individual patients' records shall be conducted by the Disciplinary Board in strict confidentiality, provided 17 that such patient records shall be admissible in a disciplinary 18 hearing, before the Disciplinary Board, when necessary to 19 20 substantiate the grounds for discipline alleged against the physician licensed under this Act, and provided further, that 21 22 nothing herein shall be deemed to supersede the provisions of 23 Part 21 of Article VIII of the "Code of Civil Procedure", as 24 now or hereafter amended, to the extent applicable.

The <u>Secretary</u> <del>Director</del>, and any member of the Disciplinary Board each have power to administer oaths at any hearing which
