1

AN ACT concerning State government.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Department of Public Health Powers and
Duties Law of the Civil Administrative Code of Illinois is
amended by changing Section 2310-643 as follows:

7 (20 ILCS 2310/2310-643)

8 Sec. 2310-643. Illinois State Diabetes Commission.

9 (a) Commission established. The Illinois State Diabetes 10 Commission is established within the Department of Public 11 Health. The Commission shall consist of members that are 12 residents of this State and shall include an Executive 13 Committee appointed by the Director. The members of the 14 Commission shall be appointed by the Director as follows:

15 (1) The Director or the Director's designee, who shall16 serve as chairperson of the Commission.

17 certified (2) Physicians who are board in endocrinology, with at least one physician with expertise 18 19 and experience in the treatment of childhood diabetes and 20 at least one physician with expertise and experience in the 21 treatment of adult onset diabetes.

(3) Health care professionals with expertise and
 experience in the prevention, treatment, and control of

HB2199 Enrolled

1 diabetes.

2 (4) Representatives of organizations or groups that
3 advocate on behalf of persons suffering from diabetes.

4 (5) Representatives of voluntary health organizations
5 or advocacy groups with an interest in the prevention,
6 treatment, and control of diabetes.

7 (6) Members of the public who have been diagnosed with8 diabetes.

9 The Director may appoint additional members deemed 10 necessary and appropriate by the Director.

Members of the Commission shall be appointed by June 1, 2010. A member shall continue to serve until his or her successor is duly appointed and qualified.

14 (b) Meetings. Meetings shall be held 3 times per year or at15 the call of the Commission chairperson.

16 (c) Reimbursement. Members shall serve without 17 compensation but shall, subject to appropriation, be 18 reimbursed for reasonable and necessary expenses actually 19 incurred in the performance of the member's official duties.

(d) Department support. The Department shall provide
 administrative support and current staff as necessary for the
 effective operation of the Commission.

23 (e) Duties. The Commission shall perform all of the 24 following duties:

(1) Hold public hearings to gather information from thegeneral public on issues pertaining to the prevention,

HB2199 Enrolled - 3 - LRB098 09307 RPM 39447 b

1 treatment, and control of diabetes.

2 (2) Develop a strategy for the prevention, treatment,
3 and control of diabetes in this State.

4 (3) Examine the needs of adults, children, racial and
5 ethnic minorities, and medically underserved populations
6 who have diabetes.

7 (4) Prepare and make available an annual report on the
8 activities of the Commission to the Director, the Speaker
9 of the House of Representatives, the Minority Leader of the
10 House of Representatives, the President of the Senate, the
11 Minority Leader of the Senate, and the Governor by June 30
12 of each year, beginning on June 30, 2011.

(f) Funding. The Department may accept on behalf of the Commission any federal funds or gifts and donations from individuals, private organizations, and foundations and any other funds that may become available.

17 (g) Rules. The Director may adopt rules to implement and 18 administer this Section.

(h) Report. By January 10, 2015 and January 10 of each
 odd-numbered year thereafter, the Commission shall submit a
 report to the General Assembly containing the following:

(1) the financial impact and reach that diabetes of all types is having on the State and the Department; this assessment shall include the number of people with diabetes impacted in this State or covered by the State Medicaid program, the number of people with diabetes and family HB2199 Enrolled - 4 - LRB098 09307 RPM 39447 b

1 members impacted by prevention and diabetes control 2 programs implemented by the Department, the financial toll 3 or impact diabetes and its complications places on the 4 Department's diabetes program, and the financial toll or 5 impact diabetes and its complications places on the 6 diabetes program in comparison to other chronic diseases 7 and conditions;

8 (2) an assessment of the benefits of implemented 9 programs and activities aimed at controlling diabetes and 10 preventing the disease; this assessment shall also 11 document the amount and source for any funding directed to 12 the Department from the General Assembly for programs and 13 activities aimed at reaching those with diabetes;

14 <u>(3) a description of the level of coordination that</u> 15 <u>exists between the Department and other entities on</u> 16 <u>activities, programs, and messaging on managing, treating,</u> 17 <u>or preventing all forms of diabetes and its complications;</u>

(4) the development or revision of a detailed action 18 19 plan for battling diabetes with a range of actionable items 20 for consideration by the General Assembly; the plan shall 21 identify proposed action steps to reduce the impact of diabetes, pre-diabetes, and related diabetes 22 23 complications; the plan shall also identify expected 24 outcomes of the action steps proposed for the 2 years 25 following the submission of the report while also 26 establishing benchmarks for controlling and preventing HB2199 Enrolled - 5 - LRB098 09307 RPM 39447 b

1	relevant forms of diabetes; and
2	(5) the development of a detailed budget blueprint
3	identifying needs, costs, and resources required to
4	implement the plan identified in item (4) of this
5	subsection (h); this blueprint shall include a budget range
6	for all options presented in the plan identified in item
7	(4) of this subsection (h) for consideration by the General
8	Assembly.
9	The Department of Healthcare and Family Services shall
10	provide cooperation to the Department of Public Health to
11	facilitate the implementation of this subsection (h).
