2.3

- Sec. 3.5. Facilities maintained or operated by a State agency.
- 9 (a) Except for the requirements set forth in subsection (b), any construction, modification, establishment, or change 10 in categories of service of a health care facility funded 11 through an appropriation from the General Assembly and 12 maintained or operated by a State agency is exempt from the 13 14 requirements of this Act. A State agency is not exempt from this Act when that State agency discontinues a health care 15 16 facility or category of service.
  - (b) A State agency must notify the Board in writing of any appropriation by the General Assembly for the construction, modification, establishment or change in categories of service, excluding discontinuations of a health care facility or categories of service, maintained or operated by the State. The State agency must include with the written notification the following information: (i) the estimated service capacity of

- 1 the health care facility, (ii) the location of the project or 2 the intended location if not identified by law, and (iii) the 3 date the health care facility is estimated to be opened. The 4 State agency must also notify the Board in writing when the 5 facility has been licensed by the Department of Public Health 6 or any other licensing body. The State agency shall submit to 7 the Board, on behalf of the health care facility, any annual facility questionnaires as defined in Section 13 of this Act or 8 9 any requests for information by the Board.
- (c) This Section is repealed 5 years after the effective 10 11 date of this amendatory Act of the 98th General Assembly.
- Section 99. Effective date. This Act takes effect upon 12 13 becoming law.
