

## 99TH GENERAL ASSEMBLY

### State of Illinois

2015 and 2016

HB0294

by Rep. William Davis

#### SYNOPSIS AS INTRODUCED:

20 ILCS 3960/5.3

Amends the Illinois Health Facilities Planning Act. Provides that the annual report of capital expenditures submitted to the Health Facilities and Services Review Board by certain health care facilities shall include (i) whether the health care facility administered an affirmative action program for minority-owned, women-owned, veteran-owned, and small business enterprises and (ii) the percentage of the annual capital expenditure that was actually spent on minority-owned, women-owned, veteran-owned, and small business enterprises, respectively. Provides that the Board shall not consider that information when reviewing an application for a permit or exemption under the Act. Effective immediately.

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Health Facilities Planning Act is  
5 amended by changing Section 5.3 as follows:

6 (20 ILCS 3960/5.3)

7 (Section scheduled to be repealed on December 31, 2019)

8 Sec. 5.3. Annual report of capital expenditures. In  
9 addition to the State Board's authority to require reports, the  
10 State Board shall require each health care facility to submit  
11 an annual report of all capital expenditures in excess of  
12 \$200,000 (which shall be annually adjusted to reflect the  
13 increase in construction costs due to inflation) made by the  
14 health care facility during the most recent year. This annual  
15 report shall consist of a brief description of the capital  
16 expenditure, the amount and method of financing the capital  
17 expenditure, the certificate of need project number if the  
18 project was reviewed, and the total amount of capital  
19 expenditures obligated for the year. This annual report shall  
20 also include (i) whether the health care facility administered  
21 an affirmative action program for minority-owned, women-owned,  
22 veteran-owned, and small business enterprises and (ii) the  
23 percentage of the annual capital expenditure that was actually

1 spent on minority-owned, women-owned, veteran-owned, and small  
2 business enterprises, respectively; however, the Board shall  
3 not consider the information provided in items (i) and (ii)  
4 when reviewing an application for a permit or exemption under  
5 this Act. Data collected from health care facilities pursuant  
6 to this Section shall not duplicate or overlap other data  
7 collected by the Department and must be collected as part of  
8 the State Board's Annual Questionnaires or supplements for  
9 health care facilities that report these data.
