

AN ACT concerning taxation.

Be it enacted by the People of the State of Illinois,
represented in the General Assembly:

Section 3. The State Finance Act is amended by changing
Section 8.20 as follows:

(30 ILCS 105/8.20) (from Ch. 127, par. 144.20)

Sec. 8.20. Appropriations for the ordinary and
contingent expenses of the Illinois Liquor Control Commission
shall be paid from the Dram Shop Fund. Beginning June 30,
1990 and on June 30 of each subsequent year through June 29,
2003, any balance over \$5,000,000 remaining in the Dram Shop
Fund shall be credited to State liquor licensees and applied
against their fees for State liquor licenses for the
following year. The amount credited to each licensee shall
be a proportion of the balance in the Dram Shop Fund that is
the same as the proportion of the license fee paid by the
licensee under Section 5-3 of the Liquor Control Act of 1934,
as now or hereafter amended, for the period in which the
balance was accumulated to the aggregate fees paid by all
licensees during that period.

In addition to any other permitted use of moneys in the
Fund, and notwithstanding any restriction on the use of the
Fund, moneys in the Dram Shop Fund may be transferred to the
General Revenue Fund as authorized by Public Act 87-14. The
General Assembly finds that an excess of moneys existed in
the Fund on July 30, 1991, and the Governor's order of July
30, 1991, requesting the Comptroller and Treasurer to
transfer an amount from the Fund to the General Revenue Fund
is hereby validated.

Section 5. The Retailers' Occupation Tax Act is amended by changing Section 3 as follows:

(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;
4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;
5. Deductions allowed by law;
6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed;
7. The amount of credit provided in Section 2d of this Act;
8. The amount of tax due;
9. The signature of the taxpayer; and
10. Such other reasonable information as the

Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

A retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time

sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A copy of the monthly statement shall be sent to the retailer no later than the 10th day of the month for the preceding month during

which transactions occurred.

If a total amount of less than \$1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to \$1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers

required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the

Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as

provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the

place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer

shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but

without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a

transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period).

If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as

computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has

previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly

payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less

than \$20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%,

as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

Fiscal Year	Annual Specified Amount
1986	\$54,800,000
1987	\$76,650,000
1988	\$80,480,000
1989	\$88,510,000
1990	\$115,330,000
1991	\$145,470,000
1992	\$182,730,000
1993	\$206,520,000;

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an

amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget. If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the

amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project

Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not

less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to $\frac{1}{6}$ of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest

ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions

or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed \$250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 10. The Cigarette Tax Act is amended by changing Sections 3 and 29 as follows:

(35 ILCS 130/3) (from Ch. 120, par. 453.3)

Sec. 3. Affixing tax stamp; remitting tax to the Department. Payment of the taxes imposed by Section 2 of this Act shall (except as hereinafter provided) be evidenced by revenue tax stamps affixed to each original package of cigarettes. Each distributor of cigarettes, before delivering or causing to be delivered any original package of cigarettes in this State to a purchaser, shall firmly affix a proper stamp or stamps to each such package, or (in case of manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper) shall imprint the required language on the original package of cigarettes beneath such outside wrapper, as hereinafter provided.

No stamp or imprint may be affixed to, or made upon, any package of cigarettes unless that package complies with all requirements of the federal Cigarette Labeling and Advertising Act, 15 U.S.C. 1331 and following, for the placement of labels, warnings, or any other information upon a package of cigarettes that is sold within the United States. Under the authority of Section 6, the Department shall revoke the license of any distributor that is determined to have violated this paragraph. A person may not affix a stamp on a package of cigarettes, cigarette papers, wrappers, or tubes if that individual package has been marked for export outside the United States with a label or notice

in compliance with Section 290.185 of Title 27 of the Code of Federal Regulations. It is not a defense to a proceeding for violation of this paragraph that the label or notice has been removed, mutilated, obliterated, or altered in any manner.

The Department, or any person authorized by the Department, shall sell such stamps only to persons holding valid licenses as distributors under this Act. On and after July 1, 2003, payment for such stamps must be made by means of electronic funds transfer. The Department may refuse to sell stamps to any person who does not comply with the provisions of this Act. Beginning on the effective date of this amendatory Act of the 92nd General Assembly and through June 30, 2002, persons holding valid licenses as distributors may purchase cigarette tax stamps up to an amount equal to 115% of the distributor's average monthly cigarette tax stamp purchases over the 12 calendar months prior to the effective date of this amendatory Act of the 92nd General Assembly.

Prior to December 1, 1985, the Department shall allow a distributor 21 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 21 days thereafter: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 80% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$500,000, whichever is less. The Bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond

shall be conditioned upon the distributor's payment of amount of any 21-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

On and after December 1, 1985 and until July 1, 2003, the Department shall allow a distributor 30 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 30 days thereafter, and beginning on January 1, 2003 and thereafter, the draft shall be payable by means of electronic funds transfer: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 150% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$750,000, whichever is less, except that as to bonds filed on or after January 1, 1987, such additional bond shall be in an amount equal to 100% of such distributor's average monthly tax liability under this Act during the preceding calendar year or \$750,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 30-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's

failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

Every prior continuous compliance taxpayer shall be exempt from all requirements under this Section concerning the furnishing of such bond, as defined in this Section, as a condition precedent to his being authorized to engage in the business licensed under this Act. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax to be due that is not paid) to be delinquent or deficient in the paying of any tax under this Act, at which time that taxpayer shall become subject to the bond requirements of this Section and, as a condition of being allowed to continue to engage in the business licensed under this Act, shall be required to furnish bond to the Department in such form as provided in this Section. Such taxpayer shall furnish such bond for a period of 2 years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this Act, the Department may reinstate such person as a prior continuance compliance taxpayer. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

Any person aggrieved by any decision of the Department under this Section may, within the time allowed by law, protest and request a hearing, whereupon the Department shall give notice and shall hold a hearing in conformity with the

provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest filed within the time allowed by law, the Department's decision shall become final without any further determination being made or notice given.

The Department shall discharge any surety and shall release and return any bond or security deposited, assigned, pledged, or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) Such taxpayer becomes a prior continuous compliance taxpayer; or

(2) Such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed. If the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

The Department may authorize distributors to affix revenue tax stamps by imprinting tax meter stamps upon original packages of cigarettes. The Department shall adopt rules and regulations relating to the imprinting of such tax meter stamps as will result in payment of the proper taxes as herein imposed. No distributor may affix revenue tax stamps to original packages of cigarettes by imprinting tax meter stamps thereon unless such distributor has first obtained permission from the Department to employ this method of affixation. The Department shall regulate the use of tax meters and may, to assure the proper collection of the taxes imposed by this Act, revoke or suspend the privilege,

theretofore granted by the Department to any distributor, to imprint tax meter stamps upon original packages of cigarettes.

Illinois cigarette manufacturers who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, and similar out-of-State cigarette manufacturers who elect to qualify and are accepted by the Department as distributors under Section 4b of this Act, shall pay the taxes imposed by this Act by remitting the amount thereof to the Department by the 5th day of each month covering cigarettes shipped or otherwise delivered in Illinois to purchasers during the preceding calendar month. Such manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper, before delivering such cigarettes or causing such cigarettes to be delivered in this State to purchasers, shall evidence their obligation to remit the taxes due with respect to such cigarettes by imprinting language to be prescribed by the Department on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, in such place thereon and in such manner as the Department may designate. Such imprinted language shall acknowledge the manufacturer's payment of or liability for the tax imposed by this Act with respect to the distribution of such cigarettes.

A distributor shall not affix, or cause to be affixed, any stamp or imprint to a package of cigarettes, as provided for in this Section, if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the cigarettes has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any cigarettes manufactured by the

tobacco product manufacturer and sold in this State or otherwise failed to bring itself into compliance with subdivision (a)(2) of Section 15 of the Tobacco Product Manufacturers' Escrow Act.

(35 ILCS 130/29) (from Ch. 120, par. 453.29)

Sec. 29. All moneys received by the Department from the one-half mill tax imposed by the Sixty-fourth General Assembly and all interest and penalties, received in connection therewith under the provisions of this Act shall be paid into the Metropolitan Fair and Exposition Authority Reconstruction Fund. All other moneys received by the Department under this Act shall be paid into the General Revenue Fund in the State treasury. After there has been paid into the Metropolitan Fair and Exposition Authority Reconstruction Fund sufficient money to pay in full both principal and interest, all of the outstanding bonds issued pursuant to the "Fair and Exposition Authority Reconstruction Act", the State Treasurer and Comptroller shall transfer to the General Revenue Fund the balance of moneys remaining in the Metropolitan Fair and Exposition Authority Reconstruction Fund except for \$2,500,000 which shall remain in the Metropolitan Fair and Exposition Authority Reconstruction Fund and which may be appropriated by the General Assembly for the corporate purposes of the Metropolitan Pier and Exposition Authority. All monies received by the Department in fiscal year 1978 and thereafter from the one-half mill tax imposed by the Sixty-fourth General Assembly, and all interest and penalties received in connection therewith under the provisions of this Act, shall be paid into the General Revenue Fund, except that the Department shall pay the first \$4,800,000 received in fiscal years 1979 through 2001 from

that one-half mill tax into the Metropolitan Fair and Exposition Authority Reconstruction Fund which monies may be appropriated by the General Assembly for the corporate purposes of the Metropolitan Pier and Exposition Authority.

In fiscal year 2002 and each fiscal year 2003 thereafter, the first \$4,800,000 from the one-half mill tax shall be paid into the Statewide Economic Development Fund.

Section 15. The Cigarette Use Tax Act is amended by changing Section 3 as follows:

(35 ILCS 135/3) (from Ch. 120, par. 453.33)

Sec. 3. Stamp payment. The tax hereby imposed shall be collected by a distributor maintaining a place of business in this State or a distributor authorized by the Department pursuant to Section 7 hereof to collect the tax, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes or by an authorized substitute for such stamp imprinted on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, except as hereinafter provided. Each distributor who is required or authorized to collect the tax herein imposed, before delivering or causing to be delivered any original packages of cigarettes in this State to any purchaser, shall firmly affix a proper stamp or stamps to each such package, or (in the case of manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper) shall imprint the required language on the original package of cigarettes beneath such outside wrapper as hereinafter provided. Such stamp or stamps need not be affixed to the original package of any cigarettes

with respect to which the distributor is required to affix a like stamp or stamps by virtue of the Cigarette Tax Act, however, and no tax imprint need be placed underneath the sealed transparent wrapper of an original package of cigarettes with respect to which the distributor is required or authorized to employ a like tax imprint by virtue of the Cigarette Tax Act.

No stamp or imprint may be affixed to, or made upon, any package of cigarettes unless that package complies with all requirements of the federal Cigarette Labeling and Advertising Act, 15 U.S.C. 1331 and following, for the placement of labels, warnings, or any other information upon a package of cigarettes that is sold within the United States. Under the authority of Section 6, the Department shall revoke the license of any distributor that is determined to have violated this paragraph. A person may not affix a stamp on a package of cigarettes, cigarette papers, wrappers, or tubes if that individual package has been marked for export outside the United States with a label or notice in compliance with Section 290.185 of Title 27 of the Code of Federal Regulations. It is not a defense to a proceeding for violation of this paragraph that the label or notice has been removed, mutilated, obliterated, or altered in any manner.

Stamps, when required hereunder, shall be purchased from the Department, or any person authorized by the Department, by distributors. On and after July 1, 2003, payment for such stamps must be made by means of electronic funds transfer. The Department may refuse to sell stamps to any person who does not comply with the provisions of this Act. Beginning on June 6, 2002 ~~the effective date of this amendatory Act of the 92nd General Assembly~~ and through June 30, 2002, persons holding valid licenses as distributors may purchase cigarette tax stamps up to an amount equal to 115% of the distributor's average monthly cigarette tax stamp purchases over the 12

calendar months prior to June 6, 2002 ~~the-effective-date-of this-amendatory-Act-of-the-92nd-General-Assembly.~~

Prior to December 1, 1985, the Department shall allow a distributor 21 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 21 days thereafter: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 80% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$500,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 21-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

On and after December 1, 1985 and until July 1, 2003, the Department shall allow a distributor 30 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 30 days thereafter, and beginning on January 1, 2003 and thereafter, the draft shall be payable by means

of electronic funds transfer: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 150% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$750,000, whichever is less, except that as to bonds filed on or after January 1, 1987, such additional bond shall be in an amount equal to 100% of such distributor's average monthly tax liability under this Act during the preceding calendar year or \$750,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 30-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

Every prior continuous compliance taxpayer shall be exempt from all requirements under this Section concerning the furnishing of such bond, as defined in this Section, as a condition precedent to his being authorized to engage in the business licensed under this Act. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax to be due that is not paid) to be delinquent or deficient in the paying of any tax under

this Act, at which time that taxpayer shall become subject to the bond requirements of this Section and, as a condition of being allowed to continue to engage in the business licensed under this Act, shall be required to furnish bond to the Department in such form as provided in this Section. Such taxpayer shall furnish such bond for a period of 2 years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this Act, the Department may reinstate such person as a prior continuance compliance taxpayer. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

Any person aggrieved by any decision of the Department under this Section may, within the time allowed by law, protest and request a hearing, whereupon the Department shall give notice and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest filed within the time allowed by law, the Department's decision shall become final without any further determination being made or notice given.

The Department shall discharge any surety and shall release and return any bond or security deposited, assigned, pledged, or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) such Taxpayer becomes a prior continuous compliance taxpayer; or

(2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax

liability as determined by the Department under this Act. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed. If the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

At the time of purchasing such stamps from the Department when purchase is required by this Act, or at the time when the tax which he has collected is remitted by a distributor to the Department without the purchase of stamps from the Department when that method of remitting the tax that has been collected is required or authorized by this Act, the distributor shall be allowed a discount during any year commencing July 1 and ending the following June 30 in accordance with the schedule set out hereinbelow, from the amount to be paid by him to the Department for such stamps, or to be paid by him to the Department on the basis of monthly remittances (as the case may be), to cover the cost, to such distributor, of collecting the tax herein imposed by affixing such stamps to the original packages of cigarettes sold by such distributor or by placing tax imprints underneath the sealed transparent wrapper of original packages of cigarettes sold by such distributor (as the case may be): (1) Prior to December 1, 1985, a discount equal to 1-2/3% of the amount of the tax up to and including the first \$700,000 paid hereunder by such distributor to the Department during any such year; 1-1/3% of the next \$700,000 of tax or any part thereof, paid hereunder by such distributor to the Department during any such year; 1% of the next \$700,000 of tax, or any part thereof, paid hereunder by such distributor to the Department during any such year; and 2/3 of 1% of the amount of any additional tax paid hereunder by such

distributor to the Department during any such year or (2) On and after December 1, 1985, a discount equal to 1.75% of the amount of the tax payable under this Act up to and including the first \$3,000,000 paid hereunder by such distributor to the Department during any such year and 1.5% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year.

Two or more distributors that use a common means of affixing revenue tax stamps or that are owned or controlled by the same interests shall be treated as a single distributor for the purpose of computing the discount.

Cigarette manufacturers who are distributors under this Act, and who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, shall be required to remit the tax which they are required to collect under this Act to the Department by remitting the amount thereof to the Department by the 5th day of each month, covering cigarettes shipped or otherwise delivered to points in Illinois to purchasers during the preceding calendar month, but a distributor need not remit to the Department the tax so collected by him from purchasers under this Act to the extent to which such distributor is required to remit the tax imposed by the Cigarette Tax Act to the Department with respect to the same cigarettes. All taxes upon cigarettes under this Act are a direct tax upon the retail consumer and shall conclusively be presumed to be precollected for the purpose of convenience and facility only. Distributors who are manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper, before delivering such cigarettes or causing such cigarettes to be delivered in this State to purchasers, shall evidence their obligation to collect and remit the tax due with respect to such cigarettes by imprinting language to be prescribed by the Department on

each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, in such place thereon and in such manner as the Department may prescribe; provided (as stated hereinbefore) that this requirement does not apply when such distributor is required or authorized by the Cigarette Tax Act to place the tax imprint provided for in the last paragraph of Section 3 of that Act underneath the sealed transparent wrapper of such original package of cigarettes. Such imprinted language shall acknowledge the manufacturer's collection and payment of or liability for the tax imposed by this Act with respect to such cigarettes.

The Department shall adopt the design or designs of the tax stamps and shall procure the printing of such stamps in such amounts and denominations as it deems necessary to provide for the affixation of the proper amount of tax stamps to each original package of cigarettes.

Where tax stamps are required, the Department may authorize distributors to affix revenue tax stamps by imprinting tax meter stamps upon original packages of cigarettes. The Department shall adopt rules and regulations relating to the imprinting of such tax meter stamps as will result in payment of the proper taxes as herein imposed. No distributor may affix revenue tax stamps to original packages of cigarettes by imprinting meter stamps thereon unless such distributor has first obtained permission from the Department to employ this method of affixation. The Department shall regulate the use of tax meters and may, to assure the proper collection of the taxes imposed by this Act, revoke or suspend the privilege, theretofore granted by the Department to any distributor, to imprint tax meter stamps upon original packages of cigarettes.

The tax hereby imposed and not paid pursuant to this Section shall be paid to the Department directly by any

person using such cigarettes within this State, pursuant to Section 12 hereof.

A distributor shall not affix, or cause to be affixed, any stamp or imprint to a package of cigarettes, as provided for in this Section, if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the cigarettes has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any cigarettes manufactured by the tobacco product manufacturer and sold in this State or otherwise failed to bring itself into compliance with subdivision (a)(2) of Section 15 of the Tobacco Product Manufacturers' Escrow Act.

(235 ILCS 5/7-5) (from Ch. 43, par. 149)

Sec. 7-5. The local liquor control commissioner may revoke or suspend any license issued by him if he determines that the licensee has violated any of the provisions of this Act or of any valid ordinance or resolution enacted by the particular city council, president, or board of trustees or county board (as the case may be) or any applicable rule or regulations established by the local liquor control commissioner or the State commission which is not inconsistent with law. Upon notification by the Illinois Department of Revenue, the State Commission shall revoke any license issued by it if the licensee has violated the provisions of Section 3 of the Retailers' Occupation Tax Act.

In addition to the suspension, the local liquor control commissioner in any county or municipality may levy a fine on the licensee for such violations. The fine imposed shall not exceed \$1000 for a first violation within a 12-month period, \$1,500 for a second violation within a 12-month period, and \$2,500 for a third or subsequent violation within a 12-month period. Each day on which a violation continues shall constitute a separate violation. Not more than \$15,000 in fines under this Section may be imposed against any licensee during the period of his license. Proceeds from such fines shall be paid into the general corporate fund of the county or municipal treasury, as the case may be.

However, no such license shall be so revoked or suspended and no licensee shall be fined except after a public hearing by the local liquor control commissioner with a 3 day written notice to the licensee affording the licensee an opportunity to appear and defend. All such hearings shall be open to the public and the local liquor control commissioner shall reduce all evidence to writing and shall maintain an official record of the proceedings. If the local liquor control commissioner has reason to believe that any continued operation of a

particular licensed premises will immediately threaten the welfare of the community he may, upon the issuance of a written order stating the reason for such conclusion and without notice or hearing order the licensed premises closed for not more than 7 days, giving the licensee an opportunity to be heard during that period, except that if such licensee shall also be engaged in the conduct of another business or businesses on the licensed premises such order shall not be applicable to such other business or businesses.

The local liquor control commissioner shall within 5 days after such hearing, if he determines after such hearing that the license should be revoked or suspended or that the licensee should be fined, state the reason or reasons for such determination in a written order, and either the amount of the fine, the period of suspension, or that the license has been revoked, and shall serve a copy of such order within the 5 days upon the licensee.

If the premises for which the license was issued are located outside of a city, village or incorporated town having a population of 500,000 or more inhabitants, the licensee after the receipt of such order of suspension or revocation shall have the privilege within a period of 20 days after the receipt of such order of suspension or revocation of appealing the order to the State commission for a decision sustaining, reversing or modifying the order of the local liquor control commissioner. If the State commission affirms the local commissioner's order to suspend or revoke the license at the first hearing, the appellant shall cease to engage in the business for which the license was issued, until the local commissioner's order is terminated by its own provisions or reversed upon rehearing or by the courts.

If the premises for which the license was issued are located within a city, village or incorporated town having a

population of 500,000 or more inhabitants, the licensee shall have the privilege, within a period of 20 days after the receipt of such order of fine, suspension or revocation, of appealing the order to the local license appeal commission and upon the filing of such an appeal by the licensee the license appeal commission shall determine the appeal upon certified record of proceedings of the local liquor commissioner in accordance with the provisions of Section 7-9. Within 30 days after such appeal was heard the license appeal commission shall render a decision sustaining or reversing the order of the local liquor control commissioner. (235 ILCS 5/7-6) (from Ch. 43, par. 150)

Sec. 7-6. All proceedings for the revocation or suspension of licenses of manufacturers, distributors, importing distributors, non-resident dealers, foreign importers, non-beverage users, railroads, airplanes and boats shall be before the State Commission. All such proceedings and all proceedings for the revocation or suspension of a retailer's license before the State commission shall be in accordance with rules and regulations established by it not inconsistent with law. However, no such license shall be so revoked or suspended except after a hearing by the State commission with reasonable notice to the licensee served by registered or certified mail with return receipt requested at least 10 days prior to the hearings at the last known place of business of the licensee and after an opportunity to appear and defend. Such notice shall specify the time and place of the hearing, the nature of the charges, the specific provisions of the Act and rules violated, and the specific facts supporting the charges or violation. The findings of the Commission shall be predicated upon competent evidence. The revocation of a local license shall automatically result

in the revocation of a State license. Upon notification by the Illinois Department of Revenue, the State Commission shall revoke any license issued by it if the licensee has violated the provisions of Section 3 of the Retailers' Occupation Tax Act. All procedures for the suspension or revocation of a license, as enumerated above, are applicable to the levying of fines for violations of this Act or any rule or regulation issued pursuant thereto.

(235 ILCS 5/8-2) (from Ch. 43, par. 159)

Sec. 8-2. It is the duty of each manufacturer with respect to alcoholic liquor produced or imported by such manufacturer, or purchased tax-free by such manufacturer from another manufacturer or importing distributor, and of each importing distributor as to alcoholic liquor purchased by such importing distributor from foreign importers or from anyone from any point in the United States outside of this State or purchased tax-free from another manufacturer or importing distributor, to pay the tax imposed by Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic liquor is sold or used by such manufacturer or by such importing distributor other than in an authorized tax-free manner or to pay that tax electronically as provided in this Section.

Each manufacturer and each importing distributor shall make payment under one of the following methods: (1) on or before the 15th day of each calendar month, file in person or by United States first-class mail, postage pre-paid, with the Department of Revenue, on forms prescribed and furnished by the Department, a report in writing in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of

alcoholic liquor occurring during the preceding month. Payment of the tax in the amount disclosed by the report shall accompany the report or, (2) on or before the 15th day of each calendar month, electronically file with the Department of Revenue, on forms prescribed and furnished by the Department, an electronic report in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of alcoholic liquor occurring during the preceding month. An electronic payment of the tax in the amount disclosed by the report shall accompany the report. A manufacturer or distributor who files an electronic report and electronically pays the tax imposed pursuant to Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic liquor is sold or used by that manufacturer or importing distributor other than in an authorized tax-free manner shall pay to the Department the amount of the tax imposed pursuant to Section 8-1, less a discount of ~~1.75%~~ or \$1,250 per return, whichever is less, which is allowed to reimburse the manufacturer or importing distributor for the expenses incurred in keeping and maintaining records, preparing and filing the electronic returns, remitting the tax, and supplying data to the Department upon request.

The discount shall be in an amount as follows:

(1) For original returns due on or after January 1, 2003 through September 30, 2003, the discount shall be 1.75% or \$1,250 per return, whichever is less;

(2) For original returns due on or after October 1, 2003 through September 30, 2004, the discount shall be 2% or \$3,000 per return, whichever is less; and

(3) For original returns due on or after October 1, 2004, the discount shall be 2% or \$2,000 per return, whichever is less.

The Department may, if it deems it necessary in order to insure the payment of the tax imposed by this Article, require returns to be made more frequently than and covering periods of less than a month. Such return shall contain such further information as the Department may reasonably require.

It shall be presumed that all alcoholic liquors acquired or made by any importing distributor or manufacturer have been sold or used by him in this State and are the basis for the tax imposed by this Article unless proven, to the satisfaction of the Department, that such alcoholic liquors are (1) still in the possession of such importing distributor or manufacturer, or (2) prior to the termination of possession have been lost by theft or through unintentional destruction, or (3) that such alcoholic liquors are otherwise exempt from taxation under this Act.

The Department may require any foreign importer to file monthly information returns, by the 15th day of the month following the month which any such return covers, if the Department determines this to be necessary to the proper performance of the Department's functions and duties under this Act. Such return shall contain such information as the Department may reasonably require.

Every manufacturer and importing distributor shall also file, with the Department, a bond in an amount not less than \$1,000 and not to exceed \$100,000 on a form to be approved by, and with a surety or sureties satisfactory to, the Department. Such bond shall be conditioned upon the manufacturer or importing distributor paying to the Department all monies becoming due from such manufacturer or importing distributor under this Article. The Department shall fix the penalty of such bond in each case, taking into consideration the amount of alcoholic liquor expected to be sold and used by such manufacturer or importing distributor, and the penalty fixed by the Department shall be sufficient,

in the Department's opinion, to protect the State of Illinois against failure to pay any amount due under this Article, but the amount of the penalty fixed by the Department shall not exceed twice the amount of tax liability of a monthly return, nor shall the amount of such penalty be less than \$1,000. The Department shall notify the Commission of the Department's approval or disapproval of any such manufacturer's or importing distributor's bond, or of the termination or cancellation of any such bond, or of the Department's direction to a manufacturer or importing distributor that he must file additional bond in order to comply with this Section. The Commission shall not issue a license to any applicant for a manufacturer's or importing distributor's license unless the Commission has received a notification from the Department showing that such applicant has filed a satisfactory bond with the Department hereunder and that such bond has been approved by the Department. Failure by any licensed manufacturer or importing distributor to keep a satisfactory bond in effect with the Department or to furnish additional bond to the Department, when required hereunder by the Department to do so, shall be grounds for the revocation or suspension of such manufacturer's or importing distributor's license by the Commission. If a manufacturer or importing distributor fails to pay any amount due under this Article, his bond with the Department shall be deemed forfeited, and the Department may institute a suit in its own name on such bond.

After notice and opportunity for a hearing the State Commission may revoke or suspend the license of any manufacturer or importing distributor who fails to comply with the provisions of this Section. Notice of such hearing and the time and place thereof shall be in writing and shall contain a statement of the charges against the licensee. Such notice may be given by United States registered or certified

mail with return receipt requested, addressed to the person concerned at his last known address and shall be given not less than 7 days prior to the date fixed for the hearing. An order revoking or suspending a license under the provisions of this Section may be reviewed in the manner provided in Section 7-10 of this Act. No new license shall be granted to a person whose license has been revoked for a violation of this Section or, in case of suspension, shall such suspension be terminated until he has paid to the Department all taxes and penalties which he owes the State under the provisions of this Act.

Every manufacturer or importing distributor who has, as verified by the Department, continuously complied with the conditions of the bond under this Act for a period of 2 years shall be considered to be a prior continuous compliance taxpayer. In determining the consecutive period of time for qualification as a prior continuous compliance taxpayer, any consecutive period of time of qualifying compliance immediately prior to the effective date of this amendatory Act of 1987 shall be credited to any manufacturer or importing distributor.

Every prior continuous compliance taxpayer shall be exempt from the bond requirements of this Act until the Department has determined the taxpayer to be delinquent in the filing of any return or deficient in the payment of any tax under this Act. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

The Department shall discharge any surety and shall release and return any bond or security deposit assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after: (1) such taxpayer becomes a

prior continuous compliance taxpayer; or (2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act.

Section 99. Effective date. This Act takes effect upon becoming law.
