

AN ACT concerning State government.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The Illinois Identification Card Act is amended by changing Sections 4 and 9 as follows:

(15 ILCS 335/4) (from Ch. 124, par. 24)

Sec. 4. Identification Card.

(a) The Secretary of State shall issue a standard Illinois Identification Card to any natural person who is a resident of the State of Illinois who applies for such card, or renewal thereof, or who applies for a standard Illinois Identification Card upon release as a committed person on parole, mandatory supervised release, final discharge, or pardon from the Department of Corrections by submitting an identification card issued by the Department of Corrections under Section 3-14-1 of the Unified Code of Corrections, together with the prescribed fees. No identification card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The card shall be prepared and supplied by the Secretary of State and shall include a photograph of the applicant. The applicant, upon receipt of a card and prior to

its use for any purpose, shall affix his signature thereon in the space provided therefor. The Illinois Identification Card may be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Disabled Person Identification Card, to any natural person who is a resident of the State of Illinois, who is a disabled person as defined in Section 4A of this Act, who applies for such card, or renewal thereof. No Disabled Person Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph of the applicant, a designation indicating that the card is an Illinois Disabled Person Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in

Section 4A of this Act. If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. The applicant, upon receipt of such a card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Disabled Person Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Disabled Person Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant who has been delegated the authority to make this determination by his or her supervising physician, a determination of disability from an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to make this determination, or any other documentation of disability whenever any State law requires that a disabled person provide such documentation of disability, however an Illinois Disabled Person Identification Card shall not qualify the cardholder to participate in any

program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Disabled Person Identification Card, or evidence that the Secretary of State has issued an Illinois Disabled Person Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a disabled person or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

When medical information is contained on an Illinois Disabled Person Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) Beginning January 1, 1986, the Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Disabled Person Identification Card issued to a person under the age of 21, shall be of a distinct nature from those Illinois Identification Cards or Illinois Disabled Person Identification Cards issued to individuals 21 years of age or older. The color designated for Illinois Identification Cards or Illinois Disabled Person Identification Cards for persons under the age of 21 shall be at the discretion of the Secretary of State.

(c-1) Beginning January 1, 2003, each original or renewal Illinois Identification Card or Illinois Disabled Person

Identification Card issued to a person under the age of 21 shall display the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(d) The Secretary of State may issue a Senior Citizen discount card, to any natural person who is a resident of the State of Illinois who is 60 years of age or older and who applies for such a card or renewal thereof. The Secretary of State shall charge no fee to issue such card. The card shall be issued in every county and applications shall be made available at, but not limited to, nutrition sites, senior citizen centers and Area Agencies on Aging. The applicant, upon receipt of such card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark.

(e) The Secretary of State, in his or her discretion, may designate on each Illinois Identification Card or Illinois Disabled Person Identification Card a space where the card holder may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the card holder has renewed his or her Illinois Identification Card or Illinois Disabled Person Identification Card.

A subsequent application filed by persons under this subsection, on or after their 21st birthday, shall be considered an application for a new card under Section 5 of this Act.

Any identification card renewed under this subsection shall be valid for 5 years after the expiration date of the identification card as originally issued under Section 5 of this Act. The Secretary of State, in his or her discretion, may provide that applications for the one-time renewal under this subsection (b) may be made by telephone, mail, or the Internet, subject to any eligibility criteria and other requirements that the Secretary of State deems appropriate.
