

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The School Code is amended by changing Sections 10-20.12a, 14-1.11, 14-1.11a, and 14-7.03 and by adding Section 14-7.05 as follows:

(105 ILCS 5/10-20.12a) (from Ch. 122, par. 10-20.12a)

Sec. 10-20.12a. Tuition for non-resident pupils.

(a) To charge non-resident pupils who attend the schools of the district tuition in an amount not exceeding 110% of the per capita cost of maintaining the schools of the district for the preceding school year.

Such per capita cost shall be computed by dividing the total cost of conducting and maintaining the schools of the district by the average daily attendance, including tuition pupils. Depreciation on the buildings and equipment of the schools of the district, and the amount of annual depreciation on such buildings and equipment shall be dependent upon the useful life of such property.

The tuition charged shall in no case exceed 110% of the per capita cost of conducting and maintaining the schools of the district attended, as determined with reference to the most recent audit prepared under Section 3-7 which is available at

the commencement of the current school year. Non-resident pupils attending the schools of the district for less than the school term shall have their tuition apportioned, however pupils who become non-resident during a school term shall not be charged tuition for the remainder of the school term in which they became non-resident pupils.

(b) Unless otherwise agreed to by the parties involved and where the educational services are not otherwise provided for, educational services for an Illinois student under the age of 21 (and not eligible for services pursuant to Article 14 of this Code) in any ~~a~~ residential program ~~designed to correct alcohol or other drug dependencies~~ shall be provided by the district in which the facility is located and financed as follows. The cost of educational services shall be paid by the district in which the student resides in an amount equal to the cost of providing educational services in the residential ~~a treatment~~ facility. Payments shall be made by the district of the student's residence and shall be made to the district wherein the facility is located no less than once per month unless otherwise agreed to by the parties.

The funding provision of this subsection (b) applies to all Illinois students under the age of 21 (and not eligible for services pursuant to Article 14 of this Code) receiving educational services in residential facilities, irrespective of whether the student was placed therein pursuant to this Code or the Juvenile Court Act of 1987 or by an Illinois public

agency or a court. Nothing in this Section shall be construed to relieve the district of the student's residence of financial responsibility based on the manner in which the student was placed at the facility. The changes to this subsection (b) made by this amendatory Act of the 95th General Assembly apply to all placements in effect on July 1, 2007 and all placements thereafter. For purposes of this subsection (b), a student's district of residence shall be determined in accordance with subsection (a) of Section 10-20.12b of this Code. The placement of a student in a residential facility shall not affect the residency of the student. When a dispute arises over the determination of the district of residence under this subsection (b), any person or entity, including without limitation a school district or residential facility, may make a written request for a residency decision to the State Superintendent of Education, who, upon review of materials submitted and any other items or information he or she may request for submission, shall issue his or her decision in writing. The decision of the State Superintendent of Education is final.

(105 ILCS 5/14-1.11) (from Ch. 122, par. 14-1.11)

Sec. 14-1.11. Resident district; parent; legal guardian. The resident district is the school district in which the parent or guardian, or both parent and guardian, of the student

reside when:

(1) the parent has legal guardianship of the student and resides within Illinois; or

(2) an individual guardian has been appointed by the courts and resides within Illinois; or

(3) an Illinois public agency has legal guardianship and the student resides either in the home of the parent or within the same district as the parent; or

(4) an Illinois court orders a residential placement but the parents retain any legal rights or guardianship and have not been subject to a termination of parental rights order.

In cases of divorced or separated parents, when only one parent has legal guardianship or custody, the district in which the parent having legal guardianship or custody resides is the resident district. When both parents retain legal guardianship or custody, the resident district is the district in which either parent who provides the student's primary regular fixed night-time abode resides; provided, that the election of resident district may be made only one time per school year.

When the parent has legal guardianship and lives outside of the State of Illinois, or when the individual legal guardian other than the natural parent lives outside the State of Illinois, the parent, legal guardian, or other placing agent is responsible for making arrangements to pay the Illinois school district serving the child for the educational services

provided. Those service costs shall be determined in accordance with Section 14-7.01.

(105 ILCS 5/14-1.11a) (from Ch. 122, par. 14-1.11a)

Sec. 14-1.11a. Resident district; student. The resident district is the school district in which the student resides when:

(3) the student is 18 years of age or older and no legal guardian has been appointed; or

(4) the student is legally an emancipated minor; or

(5) an Illinois public agency has legal guardianship and such agency or any court in this State has placed the student residentially outside of the school district in which the parent lives.

In cases where an Illinois public agency has legal guardianship and has placed the student residentially outside of Illinois, the last school district that provided at least 45 days of educational service to the student shall continue to be the district of residence until the student is no longer under guardianship of an Illinois public agency or until the student is returned to Illinois.

The resident district of a homeless student is the Illinois district in which the student enrolls for educational services. Homeless students include individuals as defined in the Stewart B. McKinney Homeless Assistance Act.

(105 ILCS 5/14-7.03) (from Ch. 122, par. 14-7.03)

Sec. 14-7.03. Special Education Classes for Children from Orphanages, Foster Family Homes, Children's Homes, or in State Housing Units. If a school district maintains special education classes on the site of orphanages and children's homes, or if children from the orphanages, children's homes, foster family homes, other State agencies, or State residential units for children attend classes for children with disabilities in which the school district is a participating member of a joint agreement, or if the children from the orphanages, children's homes, foster family homes, other State agencies, or State residential units attend classes for the children with disabilities maintained by the school district, then reimbursement shall be paid to eligible districts in accordance with the provisions of this Section by the Comptroller as directed by the State Superintendent of Education.

The amount of tuition for such children shall be determined by the actual cost of maintaining such classes, using the per capita cost formula set forth in Section 14-7.01, such program and cost to be pre-approved by the State Superintendent of

Education.

On forms prepared by the State Superintendent of Education, the district shall certify to the regional superintendent the following:

(1) The name of the home or State residential unit with the name of the owner or proprietor and address of those maintaining it;

(2) That no service charges or other payments authorized by law were collected in lieu of taxes therefrom or on account thereof during either of the calendar years included in the school year for which claim is being made;

(3) The number of children qualifying under this Act in special education classes for instruction on the site of the orphanages and children's homes;

(4) The number of children attending special education classes for children with disabilities in which the district is a participating member of a special education joint agreement;

(5) The number of children attending special education classes for children with disabilities maintained by the district;

(6) The computed amount of tuition payment claimed as due, as approved by the State Superintendent of Education, for maintaining these classes.

If a school district makes a claim for reimbursement under Section 18-3 or 18-4 of this Act it shall not include in any

claim filed under this Section a claim for such children. Payments authorized by law, including State or federal grants for education of children included in this Section, shall be deducted in determining the tuition amount.

Nothing in this Act shall be construed so as to prohibit reimbursement for the tuition of children placed in for profit facilities. Private facilities shall provide adequate space at the facility for special education classes provided by a school district or joint agreement for children with disabilities who are residents of the facility at no cost to the school district or joint agreement upon request of the school district or joint agreement. If such a private facility provides space at no cost to the district or joint agreement for special education classes provided to children with disabilities who are residents of the facility, the district or joint agreement shall not include any costs for the use of those facilities in its claim for reimbursement.

Reimbursement for tuition may include the cost of providing summer school programs for children with severe and profound disabilities served under this Section. Claims for that reimbursement shall be filed by November 1 and shall be paid on or before December 15 from appropriations made for the purposes of this Section.

The State Board of Education shall establish such rules and regulations as may be necessary to implement the provisions of this Section.

Claims filed on behalf of programs operated under this Section housed in a jail, detention center, or county-owned shelter care facility shall be on an individual student basis only for eligible students with disabilities. These claims shall be in accordance with applicable rules.

Each district claiming reimbursement for a program operated as a group program shall have an approved budget on file with the State Board of Education prior to the initiation of the program's operation. On September 30, December 31, and March 31, the State Board of Education shall voucher payments to group programs based upon the approved budget during the year of operation. Final claims for group payments shall be filed on or before July 15. Final claims for group programs received at the State Board of Education on or before June 15 shall be vouchered by June 30. Final claims received at the State Board of Education between June 16 and July 15 shall be vouchered by August 30. Claims for group programs received after July 15 shall not be honored.

Each district claiming reimbursement for individual students shall have the eligibility of those students verified by the State Board of Education. On September 30, December 31, and March 31, the State Board of Education shall voucher payments for individual students based upon an estimated cost calculated from the prior year's claim. Final claims for individual students for the regular school term must be received at the State Board of Education by July 15. Claims for

individual students received after July 15 shall not be honored. Final claims for individual students shall be vouchered by August 30.

Reimbursement shall be made based upon approved group programs or individual students. The State Superintendent of Education shall direct the Comptroller to pay a specified amount to the district by the 30th day of September, December, March, June, or August, respectively. However, notwithstanding any other provisions of this Section or the School Code, beginning with fiscal year 1994 and each fiscal year thereafter, if the amount appropriated for any fiscal year is less than the amount required for purposes of this Section, the amount required to eliminate any insufficient reimbursement for each district claim under this Section shall be reimbursed on August 30 of the next fiscal year. Payments required to eliminate any insufficiency for prior fiscal year claims shall be made before any claims are paid for the current fiscal year.

The claim of a school district otherwise eligible to be reimbursed in accordance with Section 14-12.01 for the 1976-77 school year but for this amendatory Act of 1977 shall not be paid unless the district ceases to maintain such classes for one entire school year.

If a school district's current reimbursement payment for the 1977-78 school year only is less than the prior year's reimbursement payment owed, the district shall be paid the amount of the difference between the payments in addition to

the current reimbursement payment, and the amount so paid shall be subtracted from the amount of prior year's reimbursement payment owed to the district.

Regional superintendents may operate special education classes for children from orphanages, foster family homes, children's homes or State housing units located within the educational services region upon consent of the school board otherwise so obligated. In electing to assume the powers and duties of a school district in providing and maintaining such a special education program, the regional superintendent may enter into joint agreements with other districts and may contract with public or private schools or the orphanage, foster family home, children's home or State housing unit for provision of the special education program. The regional superintendent exercising the powers granted under this Section shall claim the reimbursement authorized by this Section directly from the State Board of Education.

Any child who is not a resident of Illinois who is placed in a child welfare institution, private facility, foster family home, State operated program, orphanage or children's home shall have the payment for his educational tuition and any related services assured by the placing agent.

~~For Commencing July 1, 1992, for~~ each disabled student who is placed in a residential facility by an Illinois public ~~residentially by a State agency or by any court in this State~~ the courts for care or custody or both care and custody,

~~welfare, medical or mental health treatment or both medical and mental health treatment, rehabilitation, and protection, whether placed there on, before, or after July 1, 1992, the costs for educating the student are eligible for reimbursement under this Section providing the placing agency or court has notified the appropriate school district authorities of the status of student residency where applicable prior to or upon placement. Subject to appropriation, school districts shall be reimbursed under this Section for the eligible costs of educating all disabled students residentially placed by a State agency or the courts or placed and paid for by a State agency for any of the reasons listed in this paragraph. Reimbursements under this paragraph shall first be provided for claims made for the 2007-2008 school year payable in fiscal year 2008.~~

The district of residence of the ~~parent, guardian, or~~ disabled student as defined in Section ~~Sections 14-1.11 and 14-1.11a~~ is responsible for the actual costs of the student's special education program and is eligible for reimbursement under this Section when placement is made by a State agency or the courts. ~~Payments shall be made by the resident district to the district wherein the facility is located no less than once per quarter unless otherwise agreed to in writing by the parties.~~

When a dispute arises over the determination of the district of residence under this Section, the district or districts may appeal the decision in writing to the State

Superintendent of Education, who, upon review of materials submitted and any other items or information he or she may request for submission, shall issue a written decision on the matter. The decision of the State Superintendent of Education shall be final.

In the event a district does not make a tuition payment to another district that is providing the special education program and services, the State Board of Education shall immediately withhold 125% of the then remaining annual tuition cost from the State aid or categorical aid payment due to the school district that is determined to be the resident school district. All funds withheld by the State Board of Education shall immediately be forwarded to the school district where the student is being served.

When a child eligible for services under this Section 14-7.03 must be placed in a nonpublic facility, that facility shall meet the programmatic requirements of Section 14-7.02 and its regulations, and the educational services shall be funded only in accordance with this Section 14-7.03.

Sec. 14-7.05. Placement in residential facility; payment of educational costs. For any student with a disability in a residential facility placement made or paid for by an Illinois public State agency or made by any court in this State, the

school district of residence as determined pursuant to this Article is responsible for the costs of educating the child and shall be reimbursed for those costs in accordance with this Code. Payments shall be made by the resident district to the entity providing the educational services, whether the entity is the residential facility or the school district wherein the facility is located, no less than once per quarter unless otherwise agreed to in writing by the parties.

When a dispute arises over the determination of the district of residence under this Section, any person or entity, including without limitation a school district or residential facility, may make a written request for a residency decision to the State Superintendent of Education, who, upon review of materials submitted and any other items of information he or she may request for submission, shall issue his or her decision in writing. The decision of the State Superintendent of Education is final.

Section 10. The Juvenile Court Act of 1987 is amended by changing Section 5-710 as follows:

(705 ILCS 405/5-710)

(Text of Section before amendment by P.A. 95-337 and 95-642)

Sec. 5-710. Kinds of sentencing orders.

(1) The following kinds of sentencing orders may be made in

respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:

(i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

(iv) placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 13 years of age;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10

years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 13 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

(viii) put on probation or conditional discharge

and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law; or

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body.

(b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Juvenile Justice shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in

a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the

legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage

that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be

kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of

subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on

the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess

of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine

whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test

shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place

the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.
