

AN ACT revise the law by combining multiple enactments and making technical corrections.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 1. Nature of this Act.

(a) This Act may be cited as the First 2010 General Revisory Act.

(b) This Act is not intended to make any substantive change in the law. It reconciles conflicts that have arisen from multiple amendments and enactments and makes technical corrections and revisions in the law.

This Act revises and, where appropriate, renumbers certain Sections that have been added or amended by more than one Public Act. In certain cases in which a repealed Act or Section has been replaced with a successor law, this Act may incorporate amendments to the repealed Act or Section into the successor law. This Act also corrects errors, revises cross-references, and deletes obsolete text.

(c) In this Act, the reference at the end of each amended Section indicates the sources in the Session Laws of Illinois that were used in the preparation of the text of that Section. The text of the Section included in this Act is intended to include the different versions of the Section found in the Public Acts included in the list of sources, but may not

include other versions of the Section to be found in Public Acts not included in the list of sources. The list of sources is not a part of the text of the Section.

(d) Public Acts 95-1004 through 96-856, with some exceptions because of other legislation pending action by the Governor, were considered in the preparation of the combining revisories included in this Act. Many of those combining revisories contain no striking or underscoring because no additional changes are being made in the material that is being combined.

Section 5. The Regulatory Sunset Act is amended by changing Sections 4.20 and 4.30 as follows:

(5 ILCS 140/6) (from Ch. 116, par. 206)

Sec. 6. Authority to charge fees.

(a) When a person requests a copy of a record maintained in an electronic format, the public body shall furnish it in the electronic format specified by the requester, if feasible. If it is not feasible to furnish the public records in the specified electronic format, then the public body shall furnish it in the format in which it is maintained by the public body, or in paper format at the option of the requester. A public body may charge the requester for the actual cost of purchasing the recording medium, whether disc, diskette, tape, or other medium. A public body may not charge the requester for the costs of any search for and review of the records or other personnel costs associated with reproducing the records. Except to the extent that the General Assembly expressly

provides, statutory fees applicable to copies of public records when furnished in a paper format shall not be applicable to those records when furnished in an electronic format.

(b) Except when a fee is otherwise fixed by statute, each public body may charge fees reasonably calculated to reimburse its actual cost for reproducing and certifying public records and for the use, by any person, of the equipment of the public body to copy records. No fees shall be charged for the first 50 pages of black and white, letter or legal sized copies requested by a requester. The fee for black and white, letter or legal sized copies shall not exceed 15 cents per page. If a public body provides copies in color or in a size other than letter or legal, the public body may not charge more than its actual cost for reproducing the records. In calculating its actual cost for reproducing records or for the use of the equipment of the public body to reproduce records, a public body shall not include the costs of any search for and review of the records or other personnel costs associated with reproducing the records. Such fees shall be imposed according to a standard scale of fees, established and made public by the body imposing them. The cost for certifying a record shall not exceed \$1.

(c) Documents shall be furnished without charge or at a reduced charge, as determined by the public body, if the person requesting the documents states the specific purpose for the request and indicates that a waiver or reduction of the fee is

in the public interest. Waiver or reduction of the fee is in the public interest if the principal purpose of the request is to access and disseminate information regarding the health, safety and welfare or the legal rights of the general public and is not for the principal purpose of personal or commercial benefit. For purposes of this subsection, "commercial benefit" shall not apply to requests made by news media when the principal purpose of the request is to access and disseminate information regarding the health, safety, and welfare or the legal rights of the general public. In setting the amount of the waiver or reduction, the public body may take into consideration the amount of materials requested and the cost of copying them.

(d) The imposition of a fee not consistent with subsections (6)(a) and (b) of this Act constitutes a denial of access to public records for the purposes of judicial review.

(e) ~~(d)~~ The fee for each abstract of a driver's record shall be as provided in Section 6-118 of "The Illinois Vehicle Code", approved September 29, 1969, as amended, whether furnished as a paper copy or as an electronic copy.

The Secretary of State shall report the number of delegates and alternate delegates to which Illinois will be entitled at the respective national nominating conventions to the State Board of Elections convened as aforesaid to be utilized by the State Board of Elections in calculating the number of delegates and alternates to be elected from each congressional district in the State at large or State convention, as the case may be.

Alternative A: The State Board of Elections shall allocate the number of delegates and alternate delegates to which the State is entitled among the congressional districts in the State.

1. Of the number of delegates to which the State is entitled, 10, plus those remaining unallocated under paragraph 2, shall be delegates at large. The State central committee of the appropriate political party shall determine whether the delegates at large shall be (a) elected in the primary from the State at large, (b) selected by the State convention, or (c) chosen by a combination of these 2 methods. If the State central committee determines that all or a specified number of the delegates at large shall be elected in the primary, the committee shall file with the Board a report of such determination at the same time it certifies the alternative it wishes to use in allocating its delegates.

2. All delegates other than the delegates at large shall be elected from the congressional districts. Two delegates shall

be allocated from this number to each district. After reserving 10 delegates to be delegates at large and allocating 2 delegates to each district, the Board shall allocate the remaining delegates to the congressional districts pursuant to the following formula:

(a) For each district, the number of remaining delegates shall be multiplied by a fraction, the numerator of which is the vote cast in the congressional district for the party's nominee in the last Presidential election, and the denominator of which is the vote cast in the State for the party's nominee in the last Presidential election.

(b) The Board shall first allocate to each district a number of delegates equal to the whole number in the product resulting from the multiplication procedure in subparagraph (a).

(c) The Board shall then allocate any remaining delegates, one to each district, in the order of the largest fractional remainder in the product resulting from the multiplication procedure in subparagraph (a), omitting those districts for which that product is less than 1.875.

(d) The Board shall then allocate any remaining delegates, one to each district, in the order of the largest fractional remainder in the product resulting from the multiplication procedure in subparagraph (a), among those districts for which that product is at least one but less than 1.875.

(e) Any delegates remaining unallocated shall be delegates at large and shall be selected as determined by the State central committee under paragraph 1 of this Alternative A.

3. The alternate delegates at large shall be allocated in the same manner as the delegates at large. The alternate delegates other than the alternate delegates at large shall be allocated in the same manner as the delegates other than the delegates at large.

Alternative B: the chairman of the State central committee shall file with the State Board of Elections a statement of the number of delegates and alternate delegates to which the State is entitled and the number of such delegates and alternate delegates to be elected from congressional districts. The State Board of Elections shall allocate such number of delegates and alternate delegates, as the case may be, among the congressional districts in the State for election from the congressional districts.

The Board shall utilize the sum of $1/3$ of each of the following formulae to determine the number of delegates and alternate delegates, as the case may be, to be elected from each congressional district:

(1) Formula 1 shall be determined by multiplying paragraphs (a) ~~a~~, (b), ~~b~~ and (c) ~~c~~ together as follows:

(a) The fraction derived by dividing the population of the district by the population of the State and adding to

that fraction the following: $1/2$ of the fraction calculated by dividing the total district vote for the party's candidate in the most recent presidential election by the total statewide vote for that candidate in that election, plus $1/2$ of the fraction calculated by dividing the total district vote for the party's candidate in the second most recent Presidential election by the total statewide vote for that candidate in that election;

(b) $1/2$;

(c) The number of delegates or alternate delegates, as the case may be, to which the State is entitled at the party's national nominating convention.

(2) Formula 2 shall be determined by multiplying paragraphs

(a) ~~a~~, (b), ~~b~~ and (c) ~~c~~ together as follows:

(a) The fraction calculated by dividing the total numbers of votes in the district for the party's candidate in the most recent Gubernatorial election by the total statewide vote for that candidate in that election, plus, the fraction calculated by dividing the total district vote for the party's candidate in the most recent presidential election by the total statewide vote for that candidate in that election;~~i~~

(b) $1/2$;

(c) The number of delegates or alternate delegates, as the case may be, to which the State is entitled at the party's national nominating convention.

(3) Formula 3 shall be determined by multiplying paragraphs (a) ~~a~~, (b), ~~b~~ and (c) ~~c~~ together as follows:

(a) $1/2$ of the fraction calculated by dividing the total district vote for the party's candidate in the most recent presidential election by the total statewide vote for that candidate in that election, plus $1/2$ of the fraction calculated by dividing the total district vote for the party's candidate in the second most recent presidential election by the total statewide vote for that candidate in that election. This sum shall be added to the fraction calculated by dividing the total voter registration of the party in the district by the total voter registration of the party in the State as of January 1 of the year prior to the year in which the national nominating convention is held;

(b) $1/2$;

(c) The number of delegates or alternate delegates, as the case may be, to which the State is entitled at the party's national nominating convention.

Fractional numbers of delegates and alternate delegates shall be rounded upward in rank order to the next whole number, largest fraction first, until the total number of delegates and alternate delegates, respectively, to be so chosen have been allocated.

The remainder of the delegates and alternate delegates shall be selected as determined by the State central committee

of the party and shall be certified to the State Board of Elections by the chairman of the State central committee.

Notwithstanding anything to the contrary contained herein, with respect to all aspects of the selection of delegates and alternate delegates to a national nominating convention under Alternative B, this Code shall be superseded ~~superceded~~ by the delegate selection rules and policies of the national political party including, but not limited to, the development of an affirmative action plan.

Section 40. The State Budget Law of the Civil Administrative Code of Illinois is amended by changing Section 50-5 as follows:

(15 ILCS 20/50-5)

Sec. 50-5. Governor to submit State budget. The Governor shall, as soon as possible and not later than the third Wednesday in March in 2009 (March 18, 2009) and the third Wednesday in February of each year beginning in 2010, except as otherwise provided in this Section, submit a State budget, embracing therein the amounts recommended by the Governor to be appropriated to the respective departments, offices, and institutions, and for all other public purposes, the estimated revenues from taxation, the estimated revenues from sources other than taxation, and an estimate of the amount required to be raised by taxation. The amounts recommended by the Governor for appropriation to the respective departments, offices and institutions shall be formulated according to the various functions and activities for which the respective department, office or institution of the State government (including the elective officers in the executive department and including the University of Illinois and the judicial department) is responsible. The amounts relating to particular functions and activities shall be further formulated in accordance with the object classification specified in Section 13 of the State Finance Act.

The Governor shall not propose expenditures and the General Assembly shall not enact appropriations that exceed the resources estimated to be available, as provided in this

Section.

For the purposes of Article VIII, Section 2 of the 1970 Illinois Constitution, the State budget for the following funds shall be prepared on the basis of revenue and expenditure measurement concepts that are in concert with generally accepted accounting principles for governments:

- (1) General Revenue Fund.
- (2) Common School Fund.
- (3) Educational Assistance Fund.
- (4) Road Fund.
- (5) Motor Fuel Tax Fund.
- (6) Agricultural Premium Fund.

These funds shall be known as the "budgeted funds". The revenue estimates used in the State budget for the budgeted funds shall include the estimated beginning fund balance, plus revenues estimated to be received during the budgeted year, plus the estimated receipts due the State as of June 30 of the budgeted year that are expected to be collected during the lapse period following the budgeted year, minus the receipts collected during the first 2 months of the budgeted year that became due to the State in the year before the budgeted year. Revenues shall also include estimated federal reimbursements associated with the recognition of Section 25 of the State Finance Act liabilities. For any budgeted fund for which current year revenues are anticipated to exceed expenditures, the surplus shall be considered to be a resource available for

expenditure in the budgeted fiscal year.

Expenditure estimates for the budgeted funds included in the State budget shall include the costs to be incurred by the State for the budgeted year, to be paid in the next fiscal year, excluding costs paid in the budgeted year which were carried over from the prior year, where the payment is authorized by Section 25 of the State Finance Act. For any budgeted fund for which expenditures are expected to exceed revenues in the current fiscal year, the deficit shall be considered as a use of funds in the budgeted fiscal year.

Revenues and expenditures shall also include transfers between funds that are based on revenues received or costs incurred during the budget year.

Appropriations for expenditures shall also include all anticipated statutory continuing appropriation obligations that are expected to be incurred during the budgeted fiscal year.

By March 15 of each year, the Commission on Government Forecasting and Accountability shall prepare revenue and fund transfer estimates in accordance with the requirements of this Section and report those estimates to the General Assembly and the Governor.

For all funds other than the budgeted funds, the proposed expenditures shall not exceed funds estimated to be available for the fiscal year as shown in the budget. Appropriation for a fiscal year shall not exceed funds estimated by the General

Assembly to be available during that year.

Section 45. The Attorney General Act is amended by changing Section 7 as follows:

(15 ILCS 205/7)

Sec. 7. Public Access Counselor.

(a) The General Assembly finds that members of the public have encountered obstacles in obtaining copies of public records from units of government, and that many of those obstacles result from difficulties that both members of the public and public bodies have had in interpreting and applying the Freedom of Information Act. The General Assembly further finds that members of the public have encountered difficulties in resolving alleged violations of the Open Meetings Act. The public's significant interest in access to public records and in open meetings would be better served if there were a central office available to provide advice and education with respect to the interpretation and implementation of the Freedom of Information Act and the Open Meetings Act.

(b) Therefore, there is created in the Office of the Attorney General the Office of Public Access Counselor. The Attorney General shall appoint a Public Access Counselor, who shall be an attorney licensed to practice in Illinois. The

Public Access Counselor's Office shall be comprised of the Public Access Counselor and such assistant attorneys general and other staff as are deemed necessary by the Attorney General.

(c) Through the Public Access Counselor, the Attorney General shall have the power:

(1) to establish and administer a program to provide free training for public officials and to educate the public on the rights of the public and the responsibilities of public bodies under the Freedom of Information Act and the Open Meetings Act;

(2) to prepare and distribute interpretive or educational materials and programs;

(3) to resolve disputes involving a potential violation of the Open Meetings Act or the Freedom of Information Act in response to a request for review initiated by an aggrieved party, as provided in those Acts, by mediating or otherwise informally resolving the dispute or by issuing a binding opinion; except that the Attorney General may not issue an opinion concerning a specific matter with respect to which a lawsuit has been filed under Section 3 of the Open Meetings Act or Section 11 of the Freedom of Information Act;

(4) to issue advisory opinions with respect to the Open Meetings Act and the Freedom of Information Act either in response to a request for review or otherwise;

(5) to respond to informal inquiries made by the public and public bodies;

(6) to conduct research on compliance issues;

(7) to make recommendations to the General Assembly concerning ways to improve access to public records and public access to the processes of government;

(8) to develop and make available on the Attorney General's website or by other means an electronic training curriculum for Freedom of Information officers;

(9) to develop and make available on the Attorney General's website or by other means an electronic Open Meetings Act training curriculum for employees, officers, and members designated by public bodies;

(10) to prepare and distribute to public bodies model policies for compliance with the Freedom of Information Act; and

(11) to promulgate rules to implement these powers.

(d) To accomplish the objectives and to carry out the duties prescribed by this Section, the Public Access Counselor, in addition to other powers conferred upon him or her by this Section, may request that subpoenas be issued by the Attorney General in accordance with the provisions of Section 9.5 of the Freedom of Information Act and Section 3.5 of the Open Meetings Act. Service by the Attorney General of any subpoena upon any person shall be made:

(1) ~~(i)~~ personally by delivery of a duly executed copy

thereof to the person to be served, or in the case of a public body, in the manner provided in Section 2-211 of the Code of Civil Procedure ~~Civil Practice Law~~; or

(2) ~~(ii)~~ by mailing by certified mail a duly executed copy thereof to the person to be served at his or her last known abode or, in the case of a public body, to its principal place of business.

(e) If any person or public body fails or refuses to obey any subpoena issued pursuant to this Section, the Attorney General may file a complaint in the circuit court to:

(1) ~~(i)~~ obtain compliance with the subpoena;

(2) ~~(ii)~~ obtain injunctive relief to prevent a violation of the Open Meetings Act or Freedom of Information Act; and

(3) ~~(iii)~~ obtain such other relief as may be required.

(f) The Attorney General has the authority to file an action in the circuit court of Cook or Sangamon County for injunctive or other relief to compel compliance with a binding opinion issued pursuant to Section 3.5 of the Open Meetings Act or Section 9.5 of the Freedom of Information Act, to prevent a violation of the Open Meetings Act or the Freedom of Information Act, and for such other relief as may be required.

(g) The Attorney General shall post his or her binding opinions issued pursuant to Section 3.5 of the Open Meetings Act or Section 9.5 of the Freedom of Information Act and any rules on the official website of the Office of the Attorney

General, with links to those opinions from the official home page, and shall make them available for immediate inspection in his or her office.

If the Department disagrees with the recommendations of the Board, it shall submit a written response outlining the reasons for not accepting the recommendations.

(B) were accepted for care, service and training by the Department prior to the age of 18 and whose best interest in the discretion of the Department would be

served by continuing that care, service and training because of severe emotional disturbances, physical disability, social adjustment or any combination thereof, or because of the need to complete an educational or vocational training program.

(2) "Homeless youth" means persons found within the State who are under the age of 19, are not in a safe and stable living situation and cannot be reunited with their families.

(3) "Child welfare services" means public social services which are directed toward the accomplishment of the following purposes:

(A) protecting and promoting the health, safety and welfare of children, including homeless, dependent or neglected children;

(B) remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children;

(C) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child's health and safety;

(D) restoring to their families children who have

been removed, by the provision of services to the child and the families when the child can be cared for at home without endangering the child's health and safety;

(E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not safe, possible or appropriate;

(F) assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At the time of placement, the Department shall consider concurrent planning, as described in subsection (1-1) of this Section so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child;

(G) (blank);

(H) (blank); and

(I) placing and maintaining children in facilities that provide separate living quarters for children under the age of 18 and for children 18 years of age and older, unless a child 18 years of age is in the last year of high school education or vocational training, in an approved individual or group treatment program, in a licensed shelter facility, or secure

child care facility. The Department is not required to place or maintain children:

- (i) who are in a foster home, or
- (ii) who are persons with a developmental disability, as defined in the Mental Health and Developmental Disabilities Code, or
- (iii) who are female children who are pregnant, pregnant and parenting or parenting, or
- (iv) who are siblings, in facilities that provide separate living quarters for children 18 years of age and older and for children under 18 years of age.

(b) Nothing in this Section shall be construed to authorize the expenditure of public funds for the purpose of performing abortions.

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months

operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. Advance disbursement authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this Act; and youth service programs receiving grant funds under Section 17a-4.

(e) (Blank).

(f) (Blank).

(g) The Department shall establish rules and regulations concerning its operation of programs designed to meet the goals of child safety and protection, family preservation, family reunification, and adoption, including but not limited to:

- (1) adoption;
- (2) foster care;
- (3) family counseling;
- (4) protective services;
- (5) (blank);
- (6) homemaker service;
- (7) return of runaway children;
- (8) (blank);

(9) placement under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 in accordance with the federal Adoption Assistance and Child Welfare Act of 1980; and

(10) interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol and drug abuse screening techniques approved by the Department of Human Services, as a successor to the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a ward and that no licensed private facility has an adequate and appropriate program or none agrees to accept the ward, the Department shall create an appropriate individualized, program-oriented plan for such ward. The plan may be developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

- (1) case management;
- (2) homemakers;
- (3) counseling;
- (4) parent education;
- (5) day care; and
- (6) emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

- (1) comprehensive family-based services;
- (2) assessments;
- (3) respite care; and
- (4) in-home health services.

The Department shall provide transportation for any of the services it makes available to children or families or for which it refers children or families.

(j) The Department may provide categories of financial assistance and education assistance grants, and shall establish rules and regulations concerning the assistance and grants, to persons who adopt physically or mentally handicapped, older and other hard-to-place children who (i) immediately prior to their adoption were legal wards of the Department or (ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have

died. The Department may continue to provide financial assistance and education assistance grants for a child who was determined eligible for financial assistance under this subsection (j) in the interim period beginning when the child's adoptive parents died and ending with the finalization of the new adoption of the child by another adoptive parent or parents. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were wards of the Department for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement

of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) The Department shall offer family preservation services, as defined in Section 8.2 of the Abused and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency, except that when a child is the subject of an action under Article II of the Juvenile Court Act

of 1987 and the child's service plan calls for services to facilitate achievement of the permanency goal, the court hearing the action under Article II of the Juvenile Court Act of 1987 may order the Department to provide the services set out in the plan, if those services are not provided with reasonable promptness and if those services are available.

The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary. The Department may also provide services to any child or family after completion of a family

assessment, as an alternative to an investigation, as provided under the "differential response program" provided for in subsection (a-5) of Section 7.4 of the Abused and Neglected Child Reporting Act.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. A minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except (i) a minor less than 15 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987, (ii) a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule, or (iii) a minor for whom the court has granted a supplemental petition to reinstate wardship pursuant to subsection (2) of Section 2-33 of the Juvenile Court Act of 1987. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency.

As soon as is possible after August 7, 2009 (the effective date of Public Act 96-134) ~~this amendatory Act of the 96th General Assembly~~, the Department shall develop and implement a special program of family preservation services to support intact, foster, and adoptive families who are experiencing extreme hardships due to the difficulty and stress of caring for a child who has been diagnosed with a pervasive developmental disorder if the Department determines that those services are necessary to ensure the health and safety of the child. The Department may offer services to any family whether or not a report has been filed under the Abused and Neglected Child Reporting Act. The Department may refer the child or family to services available from other agencies in the community if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of these services shall be voluntary. The Department shall develop and implement a public information campaign to alert health and social service providers and the general public about these special family preservation services. The nature and scope of the services offered and the number of families served under the special program implemented under this paragraph shall be determined by the level of funding that the Department annually allocates for this purpose. The term "pervasive developmental disorder" under this paragraph means a neurological condition, including but not limited to, Asperger's Syndrome and autism,

as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association.

(1-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement of the child occurs unless otherwise required, pursuant to the Juvenile Court Act

of 1987. At any time after the dispositional hearing where the Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

- (1) the likelihood of prompt reunification;
- (2) the past history of the family;
- (3) the barriers to reunification being addressed by the family;
- (4) the level of cooperation of the family;
- (5) the foster parents' willingness to work with the family to reunite;
- (6) the willingness and ability of the foster family to provide an adoptive home or long-term placement;
- (7) the age of the child;

(8) placement of siblings.

(m) The Department may assume temporary custody of any child if:

(1) it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if the child is not in the custody of either parent, or

(2) the child is found in the State and neither a parent, guardian nor custodian of the child can be located.

If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited custody, the Department, during the period of temporary custody and before the child is brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority, responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain

temporary custody of the child until the court orders otherwise. If a petition is not filed within the 10 day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10 day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.

(m-1) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designate prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m-1) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a ward who was placed under the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their

best interest. Payment for board, clothing, care, training and supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the estates of those children, or by both the Department and the parents or guardians, except that no payments shall be made by the Department for any child placed in a licensed child care facility for board, clothing, care, training and supervision of such a child that exceed the average per capita cost of maintaining and of caring for a child in institutions for dependent or neglected children operated by the Department. However, such restriction on payments does not apply in cases where children require specialized care and treatment for problems of severe emotional disturbance, physical disability, social adjustment, or any combination thereof and suitable facilities for the placement of such children are not available at payment rates within the limitations set forth in this Section. All reimbursements for services delivered shall be absolutely inalienable by assignment, sale, attachment, garnishment or otherwise.

(n-1) The Department shall provide or authorize child welfare services, aimed at assisting minors to achieve sustainable self-sufficiency as independent adults, for any minor eligible for the reinstatement of wardship pursuant to subsection (2) of Section 2-33 of the Juvenile Court Act of 1987, whether or not such reinstatement is sought or allowed, provided that the minor consents to such services and has not

yet attained the age of 21. The Department shall have responsibility for the development and delivery of services under this Section. An eligible youth may access services under this Section through the Department of Children and Family Services or by referral from the Department of Human Services. Youth participating in services under this Section shall cooperate with the assigned case manager in developing an agreement identifying the services to be provided and how the youth will increase skills to achieve self-sufficiency. A homeless shelter is not considered appropriate housing for any youth receiving child welfare services under this Section. The Department shall continue child welfare services under this Section to any eligible minor until the minor becomes 21 years of age, no longer consents to participate, or achieves self-sufficiency as identified in the minor's service plan. The Department of Children and Family Services shall create clear, readable notice of the rights of former foster youth to child welfare services under this Section and how such services may be obtained. The Department of Children and Family Services and the Department of Human Services shall disseminate this information statewide. The Department shall adopt regulations describing services intended to assist minors in achieving sustainable self-sufficiency as independent adults.

(o) The Department shall establish an administrative review and appeal process for children and families who request or receive child welfare services from the Department. Children

who are wards of the Department and are placed by private child welfare agencies, and foster families with whom those children are placed, shall be afforded the same procedural and appeal rights as children and families in the case of placement by the Department, including the right to an initial review of a private agency decision by that agency. The Department shall insure that any private child welfare agency, which accepts wards of the Department for placement, affords those rights to children and foster families. The Department shall accept for administrative review and an appeal hearing a complaint made by (i) a child or foster family concerning a decision following an initial review by a private child welfare agency or (ii) a prospective adoptive parent who alleges a violation of subsection (j-5) of this Section. An appeal of a decision concerning a change in the placement of a child shall be conducted in an expedited manner.

(p) There is hereby created the Department of Children and Family Services Emergency Assistance Fund from which the Department may provide special financial assistance to families which are in economic crisis when such assistance is not available through other public or private sources and the assistance is deemed necessary to prevent dissolution of the family unit or to reunite families which have been separated due to child abuse and neglect. The Department shall establish administrative rules specifying the criteria for determining eligibility for and the amount and nature of assistance to be

provided. The Department may also enter into written agreements with private and public social service agencies to provide emergency financial services to families referred by the Department. Special financial assistance payments shall be available to a family no more than once during each fiscal year and the total payments to a family may not exceed \$500 during a fiscal year.

(q) The Department may receive and use, in their entirety, for the benefit of children any gift, donation or bequest of money or other property which is received on behalf of such children, or any financial benefits to which such children are or may become entitled while under the jurisdiction or care of the Department.

The Department shall set up and administer no-cost, interest-bearing accounts in appropriate financial institutions for children for whom the Department is legally responsible and who have been determined eligible for Veterans' Benefits, Social Security benefits, assistance allotments from the armed forces, court ordered payments, parental voluntary payments, Supplemental Security Income, Railroad Retirement payments, Black Lung benefits, or other miscellaneous payments. Interest earned by each account shall be credited to the account, unless disbursed in accordance with this subsection.

In disbursing funds from children's accounts, the Department shall:

(1) Establish standards in accordance with State and federal laws for disbursing money from children's accounts. In all circumstances, the Department's "Guardianship Administrator" or his or her designee must approve disbursements from children's accounts. The Department shall be responsible for keeping complete records of all disbursements for each account for any purpose.

(2) Calculate on a monthly basis the amounts paid from State funds for the child's board and care, medical care not covered under Medicaid, and social services; and utilize funds from the child's account, as covered by regulation, to reimburse those costs. Monthly, disbursements from all children's accounts, up to 1/12 of \$13,000,000, shall be deposited by the Department into the General Revenue Fund and the balance over 1/12 of \$13,000,000 into the DCFS Children's Services Fund.

(3) Maintain any balance remaining after reimbursing for the child's costs of care, as specified in item (2). The balance shall accumulate in accordance with relevant State and federal laws and shall be disbursed to the child or his or her guardian, or to the issuing agency.

(r) The Department shall promulgate regulations encouraging all adoption agencies to voluntarily forward to the Department or its agent names and addresses of all persons who have applied for and have been approved for adoption of a

hard-to-place or handicapped child and the names of such children who have not been placed for adoption. A list of such names and addresses shall be maintained by the Department or its agent, and coded lists which maintain the confidentiality of the person seeking to adopt the child and of the child shall be made available, without charge, to every adoption agency in the State to assist the agencies in placing such children for adoption. The Department may delegate to an agent its duty to maintain and make available such lists. The Department shall ensure that such agent maintains the confidentiality of the person seeking to adopt the child and of the child.

(s) The Department of Children and Family Services may establish and implement a program to reimburse Department and private child welfare agency foster parents licensed by the Department of Children and Family Services for damages sustained by the foster parents as a result of the malicious or negligent acts of foster children, as well as providing third party coverage for such foster parents with regard to actions of foster children to other individuals. Such coverage will be secondary to the foster parent liability insurance policy, if applicable. The program shall be funded through appropriations from the General Revenue Fund, specifically designated for such purposes.

(t) The Department shall perform home studies and investigations and shall exercise supervision over visitation as ordered by a court pursuant to the Illinois Marriage and

Dissolution of Marriage Act or the Adoption Act only if:

(1) an order entered by an Illinois court specifically directs the Department to perform such services; and

(2) the court has ordered one or both of the parties to the proceeding to reimburse the Department for its reasonable costs for providing such services in accordance with Department rules, or has determined that neither party is financially able to pay.

The Department shall provide written notification to the court of the specific arrangements for supervised visitation and projected monthly costs within 60 days of the court order. The Department shall send to the court information related to the costs incurred except in cases where the court has determined the parties are financially unable to pay. The court may order additional periodic reports as appropriate.

(u) In addition to other information that must be provided, whenever the Department places a child with a prospective adoptive parent or parents or in a licensed foster home, group home, child care institution, or in a relative home, the Department shall provide to the prospective adoptive parent or parents or other caretaker:

(1) available detailed information concerning the child's educational and health history, copies of immunization records (including insurance and medical card information), a history of the child's previous placements, if any, and reasons for placement changes

excluding any information that identifies or reveals the location of any previous caretaker;

(2) a copy of the child's portion of the client service plan, including any visitation arrangement, and all amendments or revisions to it as related to the child; and

(3) information containing details of the child's individualized educational plan when the child is receiving special education services.

The caretaker shall be informed of any known social or behavioral information (including, but not limited to, criminal background, fire setting, perpetuation of sexual abuse, destructive behavior, and substance abuse) necessary to care for and safeguard the children to be placed or currently in the home. The Department may prepare a written summary of the information required by this paragraph, which may be provided to the foster or prospective adoptive parent in advance of a placement. The foster or prospective adoptive parent may review the supporting documents in the child's file in the presence of casework staff. In the case of an emergency placement, casework staff shall at least provide known information verbally, if necessary, and must subsequently provide the information in writing as required by this subsection.

The information described in this subsection shall be provided in writing. In the case of emergency placements when time does not allow prior review, preparation, and collection

of written information, the Department shall provide such information as it becomes available. Within 10 business days after placement, the Department shall obtain from the prospective adoptive parent or parents or other caretaker a signed verification of receipt of the information provided. Within 10 business days after placement, the Department shall provide to the child's guardian ad litem a copy of the information provided to the prospective adoptive parent or parents or other caretaker. The information provided to the prospective adoptive parent or parents or other caretaker shall be reviewed and approved regarding accuracy at the supervisory level.

(u-5) Effective July 1, 1995, only foster care placements licensed as foster family homes pursuant to the Child Care Act of 1969 shall be eligible to receive foster care payments from the Department. Relative caregivers who, as of July 1, 1995, were approved pursuant to approved relative placement rules previously promulgated by the Department at 89 Ill. Adm. Code 335 and had submitted an application for licensure as a foster family home may continue to receive foster care payments only until the Department determines that they may be licensed as a foster family home or that their application for licensure is denied or until September 30, 1995, whichever occurs first.

(v) The Department shall access criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory

and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and Family Services Act. The Department shall provide for interactive computerized communication and processing equipment that permits direct on-line communication with the Department of State Police's central criminal history data repository. The Department shall comply with all certification requirements and provide certified operators who have been trained by personnel from the Department of State Police. In addition, one Office of the Inspector General investigator shall have training in the use of the criminal history information access system and have access to the terminal. The Department of Children and Family Services and its employees shall abide by rules and regulations established by the Department of State Police relating to the access and dissemination of this information.

(v-1) Prior to final approval for placement of a child, the Department shall conduct a criminal records background check of the prospective foster or adoptive parent, including fingerprint-based checks of national crime information databases. Final approval for placement shall not be granted if the record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children, or

for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, or if there is a felony conviction for physical assault, battery, or a drug-related offense committed within the past 5 years.

(v-2) Prior to final approval for placement of a child, the Department shall check its child abuse and neglect registry for information concerning prospective foster and adoptive parents, and any adult living in the home. If any prospective foster or adoptive parent or other adult living in the home has resided in another state in the preceding 5 years, the Department shall request a check of that other state's child abuse and neglect registry.

(w) Within 120 days of August 20, 1995 (the effective date of Public Act 89-392), the Department shall prepare and submit to the Governor and the General Assembly, a written plan for the development of in-state licensed secure child care facilities that care for children who are in need of secure living arrangements for their health, safety, and well-being. For purposes of this subsection, secure care facility shall mean a facility that is designed and operated to ensure that all entrances and exits from the facility, a building or a distinct part of the building, are under the exclusive control of the staff of the facility, whether or not the child has the freedom of movement within the perimeter of the facility, building, or distinct part of the building. The plan shall

include descriptions of the types of facilities that are needed in Illinois; the cost of developing these secure care facilities; the estimated number of placements; the potential cost savings resulting from the movement of children currently out-of-state who are projected to be returned to Illinois; the necessary geographic distribution of these facilities in Illinois; and a proposed timetable for development of such facilities.

(x) The Department shall conduct annual credit history checks to determine the financial history of children placed under its guardianship pursuant to the Juvenile Court Act of 1987. The Department shall conduct such credit checks starting when a ward turns 12 years old and each year thereafter for the duration of the guardianship as terminated pursuant to the Juvenile Court Act of 1987. The Department shall determine if financial exploitation of the child's personal information has occurred. If financial exploitation appears to have taken place or is presently ongoing, the Department shall notify the proper law enforcement agency, the proper State's Attorney, or the Attorney General.

Sec. 34.11. Lou Jones Grandparent Child Care Program.

(a) The General Assembly finds and declares the following:

(1) An increasing number of children under the age of 18, including many children who would otherwise be at risk of abuse or neglect, are in the care of a grandparent or other nonparent relative.

(2) The principal causes of this increase include parental substance abuse, chronic illness, child abuse, mental illness, military deployment, poverty, homelessness, deportation, and death, as well as concerted efforts by families and by the child welfare service system to keep children with relatives whenever possible.

(3) Grandparents and older relatives providing primary care for at-risk children may experience unique resultant problems, such as financial stress due to limited incomes, emotional difficulties dealing with the loss of the child's parents or the child's unique behaviors, and decreased physical stamina coupled with a much higher incidence of chronic illness.

(4) Many children being raised by nonparent relatives experience one or a combination of emotional, behavioral, psychological, academic, or medical problems, especially those born to a substance-abusing mother or at risk of child abuse, neglect, or abandonment.

(5) Grandparents and other relatives providing primary care for children lack appropriate information about the

issues of kinship care, the special needs (both physical and psychological) of children born to a substance-abusing mother or at risk of child abuse, neglect, or abandonment, and the support resources currently available to them.

(6) An increasing number of grandparents and other relatives age 60 or older are adopting or becoming the subsidized guardians of children placed in their care by the Department. Some of these children will experience the death of their adoptive parent or guardian before reaching the age of 18. For most of these children, no legal plan has been made for the child's future care and custody in the event of the caregiver's death or incapacity.

(7) Grandparents and other relatives providing primary care for children lack appropriate information about future care and custody planning for children in their care. They also lack access to resources that may assist them in developing future legal care and custody plans for children in their legal custody.

(b) The Department may establish an informational and educational program for grandparents and other relatives who provide primary care for children who are at risk of child abuse, neglect, or abandonment or who were born to substance-abusing mothers. As a part of the program, the Department may develop, publish, and distribute an informational brochure for grandparents and other relatives who provide primary care for children who are at risk of child

abuse, neglect, or abandonment or who were born to substance-abusing mothers. The information provided under the program authorized by this Section may include, but is not limited to the following:

(1) The most prevalent causes of kinship care, especially the risk of (i) substance exposure, (ii) child abuse, neglect, or abandonment, (iii) chronic illness, (iv) mental illness, (v) military deployment, or (vi) death.

(2) The problems experienced by children being raised by nonparent caregivers.

(3) The problems experienced by grandparents and other nonparent relatives providing primary care for children who have special needs.

(4) The legal system as it relates to children and their nonparent primary caregivers.

(5) The benefits available to children and their nonparent primary caregivers.

(6) A list of support groups and resources located throughout the State.

The brochure may be distributed through hospitals, public health nurses, child protective services, medical professional offices, elementary and secondary schools, senior citizen centers, public libraries, community action agencies selected by the Department, and the Department of Human Services.

The Kinship Navigator established under the Kinship

Navigator Act shall coordinate the grandparent child care program under this Section with the programs and services established and administered by the Department of Human Services under the Kinship Navigator Act.

(c) In addition to other provisions of this Section, the Department shall establish a program of information, social work services, and legal services for any person age 60 or over and any other person who may be in need of a future legal care and custody plan who adopt, have adopted, take guardianship of, or have taken guardianship of children previously in the Department's custody. This program shall also assist families of deceased adoptive parents and guardians. As part of the program, the Department shall:

(1) Develop a protocol for identification of persons age 60 or over and others who may be in need of future care and custody plans, including ill caregivers, who are adoptive parents, prospective adoptive parents, guardians, or prospective guardians of children who are or have been in Department custody.

(2) Provide outreach to caregivers before and after adoption and guardianship, and to the families of deceased caregivers, regarding Illinois legal options for future care and custody of children.

(3) Provide training for Department and private agency staff on methods of assisting caregivers before and after adoption and guardianship, and the families of older and

ill caregivers, who wish to make future care and custody plans for children who have been wards of the Department and who are or will be adopted by or are or will become wards of those caregivers.

(4) Ensure that all caregivers age 60 or over who will adopt or will become guardians of children previously in Department custody have specifically designated future caregivers for children in their care. The Department shall document this designation, and the Department shall also document acceptance of this responsibility by any future caregiver. Documentation of future care designation shall be included in each child's case file and adoption or guardianship subsidy files as applicable to the child.

(5) Ensure that any designated future caregiver and the family of a deceased caregiver have information on the financial needs of the child and future resources that may be available to support the child, including any adoption assistance and subsidized guardianship for which the child is or may be eligible.

(6) With respect to programs of social work and legal services:

(i) Provide contracted social work services to older and ill caregivers, and the families of deceased caregivers, including those who will or have adopted or will take or have taken guardianship of children previously in Department custody. Social work services

to caregivers will have the goal of securing a future care and custody plan for children in their care. Such services will include providing information to the caregivers and families on standby guardianship, guardianship, standby adoption, and adoption. The Department will assist the caregiver in developing a plan for the child if the caregiver becomes incapacitated or terminally ill, or dies while the child is a minor. The Department shall develop a form to document the information given to caregivers and to document plans for future custody, in addition to the documentation described in subsection (b) (4). This form shall be included in each child's case file and adoption or guardianship subsidy files as applicable to the child.

(ii) Through a program of contracted legal services, assist older and ill caregivers, and the families of deceased caregivers, with the goal of securing court-ordered future care and custody plans for children in their care. Court-ordered future care and custody plans may include: standby guardianship, successor guardianship, standby adoption, and successor adoption. The program will also study ways in which to provide timely and cost-effective legal services to older and ill caregivers, and to families of deceased caregivers in order to ensure permanency

for children in their care.

(7) Ensure that future caregivers designated by adoptive parents or guardians, and the families of deceased caregivers, understand their rights and potential responsibilities and shall be able to provide adequate support and education for children who may become their legal responsibility.

(8) Ensure that future caregivers designated by adoptive parents and guardians, and the families of deceased caregivers, understand the problems of children who have experienced multiple caregivers and who may have experienced abuse, neglect, or abandonment or may have been born to substance-abusing mothers.

(9) Ensure that future caregivers designated by adoptive parents and guardians, and the families of deceased caregivers, understand the problems experienced by older and ill caregivers of children, including children with special needs, such as financial stress due to limited income and increased financial responsibility, emotional difficulties associated with the loss of a child's parent or the child's unique behaviors, the special needs of a child who may come into their custody or whose parent or guardian is already deceased, and decreased physical stamina and a higher rate of chronic illness and other health concerns.

(10) Provide additional services as needed to families

in which a designated caregiver appointed by the court or a caregiver designated in a will or other legal document cannot or will not fulfill the responsibilities as adoptive parent, guardian, or legal custodian of the child.

(d) The Department shall consult with the Department on Aging and any other agency it deems appropriate as the Department develops the program required by subsection (c).

(e) Rulemaking authority to implement Public Act 95-1040 ~~this amendatory Act of the 95th General Assembly~~, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Section 65. The Child Death Review Team Act is amended by changing Section 45 as follows:

(20 ILCS 515/45)

Sec. 45. Child Death Investigation Task Force; pilot program. The Child Death Review Teams Executive Council may, from funds appropriated by the Illinois General Assembly to the Department and provided to the Child Death Review Teams Executive Council for this purpose, or from funds that may

otherwise be provided for this purpose from other public or private sources, establish a 3-year pilot program in the Southern Region of the State, as designated by the Department, under which a special Child Death Investigation Task Force will be created by the Child Death Review Teams Executive Council to develop and implement a plan for the investigation of sudden, unexpected, or unexplained deaths of children under 18 years of age occurring within that region. The plan shall include a protocol to be followed by child death review teams in the review of child deaths authorized under paragraph (a)(5) of Section 20 of this Act. The plan must include provisions for local or State law enforcement agencies, hospitals, or coroners to promptly notify the Task Force of a death or serious life-threatening injury to a child, and for the Child Death Investigation Task Force to review the death and submit a report containing findings and recommendations to the Child Death Review Teams Executive Council, the Director, the Department of Children and Family Services Inspector General, the appropriate State's Attorney, and the State Representative and State Senator in whose legislative districts the case arose. The plan may include coordination with any investigation conducted under the Children's Advocacy Center Act. By January 1, 2010, the Child Death Review Teams Executive Council shall submit a report to the Director, the General Assembly, and the Governor summarizing the results of the pilot program together with any recommendations for statewide implementation of a

protocol for the investigation of ~~investigating~~ all sudden, unexpected, or unexplained child deaths.

The appropriation for the Office of Inspector General shall be separate from the overall appropriation for the Department.

(e) Powers and duties. The Inspector General shall investigate reports of suspected mental abuse, physical abuse, sexual abuse, neglect, or financial exploitation of

individuals in any mental health or developmental disabilities facility or agency and shall have authority to take immediate action to prevent any one or more of the following from happening to individuals under its jurisdiction: mental abuse, physical abuse, sexual abuse, neglect, or financial exploitation. Upon written request of an agency of this State, the Inspector General may assist another agency of the State in investigating reports of the abuse, neglect, or abuse and neglect of persons with mental illness, persons with developmental disabilities, or persons with both. To comply with the requirements of subsection (k) of this Section, the Inspector General shall also review all reportable deaths for which there is no allegation of abuse or neglect. Nothing in this Section shall preempt any duties of the Medical Review Board set forth in the Mental Health and Developmental Disabilities Code. The Inspector General shall have no authority to investigate alleged violations of the State Officials and Employees Ethics Act. Allegations of misconduct under the State Officials and Employees Ethics Act shall be referred to the Office of the Governor's Executive Inspector General for investigation.

(f) Limitations. The Inspector General shall not conduct an investigation within an agency or facility if that investigation would be redundant to or interfere with an investigation conducted by another State agency. The Inspector General shall have no supervision over, or involvement in, the

routine programmatic, licensing, funding, or certification operations of the Department. Nothing in this subsection limits investigations by the Department that may otherwise be required by law or that may be necessary in the Department's capacity as central administrative authority responsible for the operation of the State's mental health and developmental disabilities facilities.

(g) Rulemaking authority. The Inspector General shall promulgate rules establishing minimum requirements for reporting allegations as well as for initiating, conducting, and completing investigations based upon the nature of the allegation or allegations. The Inspector General shall have the power to subpoena witnesses and compel the production of all documents and physical evidence relating to his or her investigations and any hearings authorized by this Act. This subpoena power shall not extend to persons or documents of a labor organization or its representatives insofar as the persons are acting in a representative capacity to an employee whose conduct is the subject of an investigation or the documents relate to that representation. Any person who otherwise fails to respond to a subpoena or who knowingly provides false information to the Office of the Inspector

General by subpoena during an investigation is guilty of a Class A misdemeanor.

(k) Reporting allegations and deaths.

(1) Allegations. If an employee witnesses, is told of, or has reason to believe an incident of mental abuse, physical abuse, sexual abuse, neglect, or financial exploitation has occurred, the employee, agency, or facility shall report the allegation by phone to the Office of the Inspector General hotline according to the agency's or facility's procedures, but in no event later than 4 hours after the initial discovery of the incident, allegation, or suspicion of any one or more of the following: mental abuse, physical abuse, sexual abuse, neglect, or financial exploitation. A required reporter as defined in subsection (b) of this Section who knowingly or intentionally fails to comply with these reporting requirements is guilty of a Class A misdemeanor.

(2) Deaths. Absent an allegation, a required reporter shall, within 24 hours after initial discovery, report by phone to the Office of the Inspector General hotline each of the following:

(i) Any death of an individual occurring within 14 calendar days after discharge or transfer of the individual from a residential program or facility.

(ii) Any death of an individual occurring within 24 hours after deflection from a residential program or

facility.

(iii) Any other death of an individual occurring at an agency or facility or at any Department-funded site.

(3) Retaliation. It is a violation of this Act for any employee or administrator of an agency or facility to take retaliatory action against an employee who acts in good faith in conformance with his or her duties as a required reporter.

(1) Reporting criminal acts. Within 24 hours after determining that there is credible evidence indicating that a criminal act may have been committed or that special expertise may be required in an investigation, the Inspector General shall notify the Department of State Police or other appropriate law enforcement authority, or ensure that such notification is made. The Department of State Police shall investigate any report from a State-operated facility indicating a possible murder, sexual assault, or other felony by an employee. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal prosecution.

(m) Investigative reports. Upon completion of an investigation, the Office of Inspector General shall issue an investigative report identifying whether the allegations are substantiated, unsubstantiated, or unfounded. Within 10 business days after the transmittal of a completed

investigative report substantiating an allegation, or if a recommendation is made, the Inspector General shall provide the investigative report on the case to the Secretary and to the director of the facility or agency where any one or more of the following occurred: mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation. In a substantiated case, the investigative report shall include any mitigating or aggravating circumstances that were identified during the investigation. If the case involves substantiated neglect, the investigative report shall also state whether egregious neglect was found. An investigative report may also set forth recommendations. All investigative reports prepared by the Office of the Inspector General shall be considered confidential and shall not be released except as provided by the law of this State or as required under applicable federal law. Unsubstantiated and unfounded reports shall not be disclosed except as allowed under Section 6 of the Abused and Neglected Long Term Care Facility Residents Reporting Act. Raw data used to compile the investigative report shall not be subject to release unless required by law or a court order. "Raw data used to compile the investigative report" includes, but is not limited to, any one or more of the following: the initial complaint, witness statements, photographs, investigator's notes, police reports, or incident reports. If the allegations are substantiated, the accused shall be provided with a redacted copy of the investigative

report. Death reports where there was no allegation of abuse or neglect shall only be released pursuant to applicable State or federal law or a valid court order.

(n) Written responses and reconsideration requests.

(1) Written responses. Within 30 calendar days from receipt of a substantiated investigative report or an investigative report which contains recommendations, absent a reconsideration request, the facility or agency shall file a written response that addresses, in a concise and reasoned manner, the actions taken to: (i) protect the individual; (ii) prevent recurrences; and (iii) eliminate the problems identified. The response shall include the implementation and completion dates of such actions. If the written response is not filed within the allotted 30 calendar day period, the Secretary shall determine the appropriate corrective action to be taken.

(2) Reconsideration requests. The facility, agency, victim or guardian, or the subject employee may request that the Office of Inspector General reconsider or clarify its finding based upon additional information.

(o) Disclosure of the finding by the Inspector General. The Inspector General shall disclose the finding of an investigation to the following persons: (i) the Governor, (ii) the Secretary, (iii) the director of the facility or agency, (iv) the alleged victims and their guardians, (v) the complainant, and (vi) the accused. This information shall

include whether the allegations were deemed substantiated, unsubstantiated, or unfounded.

(p) Secretary review. Upon review of the Inspector General's investigative report and any agency's or facility's written response, the Secretary shall accept or reject the written response and notify the Inspector General of that determination. The Secretary may further direct that other administrative action be taken, including, but not limited to, any one or more of the following: (i) additional site visits, (ii) training, (iii) provision of technical assistance relative to administrative needs, licensure or certification, or (iv) the imposition of appropriate sanctions.

(q) Action by facility or agency. Within 30 days of the date the Secretary approves the written response or directs that further administrative action be taken, the facility or agency shall provide an implementation report to the Inspector General that provides the status of the action taken. The facility or agency shall be allowed an additional 30 days to send notice of completion of the action or to send an updated implementation report. If the action has not been completed within the additional 30 day period, the facility or agency shall send updated implementation reports every 60 days until completion. The Inspector General shall conduct a review of any implementation plan that takes more than 120 days after approval to complete, and shall monitor compliance through a random review of approved written responses, which may include,

but are not limited to: (i) site visits, (ii) telephone contact, and (iii) requests for additional documentation evidencing compliance.

(r) Sanctions. Sanctions, if imposed by the Secretary under Subdivision (p)(iv) of this Section, shall be designed to prevent further acts of mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation or some combination of one or more of those acts at a facility or agency, and may include any one or more of the following:

(1) Appointment of on-site monitors.

(2) Transfer or relocation of an individual or individuals.

(3) Closure of units.

(4) Termination of any one or more of the following:

(i) Department licensing, (ii) funding, or (iii) certification.

The Inspector General may seek the assistance of the Illinois Attorney General or the office of any State's Attorney in implementing sanctions.

(s) Health care worker registry.

(1) Reporting to the registry. The Inspector General shall report to the Department of Public Health's health care worker registry, a public registry, the identity and finding of each employee of a facility or agency against whom there is a final investigative report containing a substantiated allegation of physical or sexual abuse or

egregious neglect of an individual.

(2) Notice to employee. Prior to reporting the name of an employee, the employee shall be notified of the Department's obligation to report and shall be granted an opportunity to request an administrative hearing, the sole purpose of which is to determine if the substantiated finding warrants reporting to the registry. Notice to the employee shall contain a clear and concise statement of the grounds on which the report to the registry is based, offer the employee an opportunity for a hearing, and identify the process for requesting such a hearing. Notice is sufficient if provided by certified mail to the employee's last known address. If the employee fails to request a hearing within 30 days from the date of the notice, the Inspector General shall report the name of the employee to the registry. Nothing in this subdivision (s) (2) shall diminish or impair the rights of a person who is a member of a collective bargaining unit under the Illinois Public Labor Relations Act or under any other federal labor statute.

(3) Registry hearings. If the employee requests an administrative hearing, the employee shall be granted an opportunity to appear before an administrative law judge to present reasons why the employee's name should not be reported to the registry. The Department shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that the substantiated

finding warrants reporting to the registry. After considering all the evidence presented, the administrative law judge shall make a recommendation to the Secretary as to whether the substantiated finding warrants reporting the name of the employee to the registry. The Secretary shall render the final decision. The Department and the employee shall have the right to request that the administrative law judge consider a stipulated disposition of these proceedings.

(4) Testimony at registry hearings. A person who makes a report or who investigates a report under this Act shall testify fully in any judicial proceeding resulting from such a report, as to any evidence of abuse or neglect, or the cause thereof. No evidence shall be excluded by reason of any common law or statutory privilege relating to communications between the alleged perpetrator of abuse or neglect, or the individual alleged as the victim in the report, and the person making or investigating the report. Testimony at hearings is exempt from the confidentiality requirements of subsection (f) of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act.

(5) Employee's rights to collateral action. No reporting to the registry shall occur and no hearing shall be set or proceed if an employee notifies the Inspector General in writing, including any supporting documentation, that he or she is formally contesting an

adverse employment action resulting from a substantiated finding by complaint filed with the Illinois Civil Service Commission, or which otherwise seeks to enforce the employee's rights pursuant to any applicable collective bargaining agreement. If an action taken by an employer against an employee as a result of a finding of physical abuse, sexual abuse, or egregious neglect is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and if that employee's name has already been sent to the registry, the employee's name shall be removed from the registry.

(6) Removal from registry. At any time after the report to the registry, but no more than once in any 12-month period, an employee may petition the Department in writing to remove his or her name from the registry. Upon receiving notice of such request, the Inspector General shall conduct an investigation into the petition. Upon receipt of such request, an administrative hearing will be set by the Department. At the hearing, the employee shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that removal of the name from the registry is in the public interest. The parties may jointly request that the administrative law judge consider a stipulated disposition of these proceedings.

(t) Review of Administrative Decisions. The Department

shall preserve a record of all proceedings at any formal hearing conducted by the Department involving health care worker registry hearings. Final administrative decisions of the Department are subject to judicial review pursuant to provisions of the Administrative Review Law.

(u) Quality Care Board. There is created, within the Office of the Inspector General, a Quality Care Board to be composed of 7 members appointed by the Governor with the advice and consent of the Senate. One of the members shall be designated as chairman by the Governor. Of the initial appointments made by the Governor, 4 Board members shall each be appointed for a term of 4 years and 3 members shall each be appointed for a term of 2 years. Upon the expiration of each member's term, a successor shall be appointed for a term of 4 years. In the case of a vacancy in the office of any member, the Governor shall appoint a successor for the remainder of the unexpired term.

Members appointed by the Governor shall be qualified by professional knowledge or experience in the area of law, investigatory techniques, or in the area of care of the mentally ill or developmentally disabled. (1) Reporting criminal acts. Within 24 hours after determining that there is credible evidence indicating that a criminal act may have been committed or that special expertise may be required in an investigation, the Inspector General shall notify the Department of State Police or other appropriate law enforcement authority, or ensure that such notification is made. The Department of State Police shall investigate any report from a State-operated facility indicating a possible murder, sexual assault, or other felony by an employee. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal

prosecution.

(m) Investigative reports. Upon completion of an investigation, the Office of Inspector General shall issue an investigative report identifying whether the allegations are substantiated, unsubstantiated, or unfounded. Within 10 business days after the transmittal of a completed investigative report substantiating an allegation, or if a recommendation is made, the Inspector General shall provide the investigative report on the case to the Secretary and to the director of the facility or agency where any one or more of the following occurred: mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation. In a substantiated case, the investigative report shall include any mitigating or aggravating circumstances that were identified during the investigation. Death reports where there was no allegation of abuse or neglect shall only be released pursuant to applicable State or federal law or a valid court order.

(n) Written responses and reconsideration requests.

(1) Written responses. Within 30 calendar days from receipt of a substantiated investigative report or an investigative report which contains recommendations, absent a reconsideration request, the facility or agency shall file a written response that addresses, in a concise and reasoned manner, the actions taken to: (i) protect the individual; (ii) prevent recurrences; and (iii) eliminate the problems identified. The response shall include the implementation and completion dates of such actions. If the written response is not filed within the allotted 30 calendar day period, the Secretary shall determine the appropriate corrective action to be taken.

(2) Reconsideration requests. The facility, agency, victim or guardian, or the subject employee may request that the Office of Inspector General reconsider or clarify its finding based upon additional information.

The Inspector General shall disclose the finding of an investigation to the following persons: (i) the Governor, (ii) the Secretary, (iii) the director of the facility or agency, (iv) the alleged victims and their guardians, (v) the complainant, and (vi) the accused. This information shall include whether the allegations were deemed substantiated, unsubstantiated, or unfounded.

(p) Secretary review. Upon review of the Inspector General's investigative report and any agency's or facility's written response, the Secretary shall accept or reject the written response and notify the Inspector General of that determination. The Secretary may further direct that other administrative action be taken, including, but not limited to, any one or more of the following: (i) additional site visits, (ii) training, (iii) provision of technical assistance relative to administrative needs, licensure or certification, or (iv) the imposition of appropriate sanctions.

(q) Action by facility or agency. Within 30 days of the date the Secretary approves the written response or directs that further administrative action be taken, the facility or agency shall provide an implementation report to the Inspector General that provides the status of the action taken. The facility or agency shall be allowed an additional 30 days to send notice of completion of the action or to send an updated implementation report. If the action has not been completed

within the additional 30 day period, the facility or agency shall send updated implementation reports every 60 days until completion. The Inspector General shall conduct a review of any implementation plan that takes more than 120 days after approval to complete, and shall monitor compliance through a random review of approved written responses, which may include, but are not limited to: (i) site visits, (ii) telephone contact, and (iii) requests for additional documentation evidencing compliance.

(r) Sanctions. Sanctions, if imposed by the Secretary under Subdivision (p)(iv) of this Section, shall be designed to prevent further acts of mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation or some combination of one or more of those acts at a facility or agency, and may include any one or more of the following:

- (1) Appointment of on-site monitors.
- (2) Transfer or relocation of an individual or individuals.
- (3) Closure of units.
- (4) Termination of any one or more of the following:

(1) Reporting to the registry. The Inspector General shall report to the Department of Public Health's health care worker registry, a public registry, ~~MR/DD Community Care Act~~ the identity and finding of each employee of a facility or agency against whom there is a final investigative report containing a substantiated allegation of physical or sexual abuse or egregious neglect of an individual. ~~MR/DD Community Care Act~~

(2) Notice to employee. Prior to reporting the name of an employee, the employee shall be notified of the Department's obligation to report and shall be granted an opportunity to request an administrative hearing, the sole purpose of which is to determine if the substantiated finding warrants reporting to the registry. Notice to the employee shall contain a clear and concise statement of the grounds on which the report to the registry is based, offer the employee an opportunity for a hearing, and identify the process for requesting such a hearing. Notice is sufficient if provided by certified mail to the employee's last known address. If the employee fails to request a hearing within 30 days from the date of the notice, the Inspector General shall report the name of the employee to the registry. Nothing in this subdivision (s) (2) shall diminish or impair the rights of a person who is a member of a collective bargaining unit under the Illinois Public Labor Relations Act or under any other federal labor statute.

(3) Registry hearings. If the employee requests an administrative hearing, the employee shall be granted an opportunity to appear before an administrative law judge to present reasons why the employee's name should not be reported to the registry. The Department shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that the substantiated finding warrants reporting to the registry. After considering all the evidence presented, the administrative law judge shall make a recommendation to the Secretary as to whether the substantiated finding warrants reporting the name of the employee to the registry. The Secretary shall render the final decision. The Department and the employee shall have the right to request that the administrative law judge consider a stipulated disposition of these proceedings.

(4) Testimony at registry hearings. A person who makes a report or who investigates a report under this Act shall testify fully in any judicial proceeding resulting from such a report, as to any evidence of abuse or neglect, or the cause thereof. No evidence shall be excluded by reason of any common law or statutory privilege relating to communications between the alleged perpetrator of abuse or neglect, or the individual alleged as the victim in the report, and the person making or investigating the report. Testimony at hearings is exempt from the confidentiality

requirements of subsection (f) of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act.

(5) Employee's rights to collateral action. No reporting to the registry shall occur and no hearing shall be set or proceed if an employee notifies the Inspector General in writing, including any supporting documentation, that he or she is formally contesting an adverse employment action resulting from a substantiated finding by complaint filed with the Illinois Civil Service Commission, or which otherwise seeks to enforce the employee's rights pursuant to any applicable collective bargaining agreement. If an action taken by an employer against an employee as a result of a finding of physical abuse, sexual abuse, or egregious neglect is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and if that employee's name has already been sent to the registry, the employee's name shall be removed from the registry.

(6) Removal from registry. At any time after the report to the registry, but no more than once in any 12-month period, an employee may petition the Department in writing to remove his or her name from the registry. Upon receiving notice of such request, the Inspector General shall conduct an investigation into the petition. Upon receipt of such request, an administrative hearing will be set by the

Department. At the hearing, the employee shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that removal of the name from the registry is in the public interest. The parties may jointly request that the administrative law judge consider a stipulated disposition of these proceedings.

(t) Review of Administrative Decisions. The Department shall preserve a record of all proceedings at any formal hearing conducted by the Department involving health care worker registry hearings. Final administrative decisions of the Department are subject to judicial review pursuant to provisions of the Administrative Review Law.

The Board shall meet quarterly, and may hold other meetings on the call of the chairman. Four members shall constitute a quorum allowing the Board to conduct its business. The Board may adopt rules and regulations it deems necessary to govern its own procedures.

The Board shall monitor and oversee the operations, policies, and procedures of the Inspector General to ensure the prompt and thorough investigation of allegations of neglect and abuse. In fulfilling these responsibilities, the Board may do the following:

- (1) Provide independent, expert consultation to the Inspector General on policies and protocols for investigations of alleged abuse, neglect, or both abuse and neglect.

- (2) Review existing regulations relating to the operation of facilities.

- (3) Advise the Inspector General as to the content of training activities authorized under this Section.

- (4) Recommend policies concerning methods for improving the intergovernmental relationships between the

Office of the Inspector General and other State or federal offices.

The report shall detail the imposition of sanctions, if any, and the final disposition of any corrective or administrative action directed by the Secretary. The summaries shall not contain any confidential or identifying information of any individual, but shall include objective data identifying any trends in the number of reported allegations, the timeliness of the Office of the Inspector General's investigations, and their disposition, for each facility and Department-wide, for the most recent 3-year time period. The report shall also identify, by facility, the staff-to-patient ratios taking account of direct care staff only. The report shall also include detailed recommended administrative actions and matters for consideration by the General Assembly.

(w) Program audit. The Auditor General shall conduct a program audit of the Office of the Inspector General on an as-needed basis, as determined by the Auditor General. The audit shall specifically include the Inspector General's compliance with the Act and effectiveness in investigating reports of allegations occurring in any facility or agency. The

Auditor General shall conduct the program audit according to the provisions of the Illinois State Auditing Act and shall report its findings to the General Assembly no later than January 1 following the audit period.

(b) The Department, subject to appropriation or other funds made available for this purpose, shall develop and implement a 3-year pilot program to create and maintain a monogenic neonatal diabetes mellitus registry. The Department shall create an electronic registry to track the glycosylated hemoglobin level of each person with monogenic neonatal diabetes who has a laboratory test to determine that level performed by a physician or healthcare provider or at a clinical laboratory in this State. The Department shall facilitate collaborations between participating physicians and other healthcare providers and the Kovler Diabetes Center at the University of Chicago in order to assist participating physicians and other healthcare providers with genetic testing and follow-up care for participating patients.

The goals of the registry are as follows:

No duty to report under this Section exists if the patient's legal representative refuses written informed consent to report. Medical or epidemiological information may be released as follows:

(1) for statistical purposes in a manner that prevents identification of individuals, health care facilities, clinical laboratories, or health care practitioners;

(2) with the consent of each person identified in the information; or

(3) to promote diabetes mellitus research, including release of information to other diabetes registries and appropriate State and federal agencies, under rules adopted by the Department to ensure confidentiality as required by State and federal laws.

Maintain the list of all school districts, hospitals, airports, power plants, including nuclear power plants, lakes, dams, emergency response facilities of all types, and all other major public or private structures which are at the greatest risk of damage from earthquakes under circumstances where the damage would cause subsequent harm to the surrounding communities and residents.

(10) Disseminate all information, completely and without delay, on water levels for rivers and streams and any other data pertaining to potential flooding supplied by the Division of Water Resources within the Department of Natural Resources to all political subdivisions to the

maximum extent possible.

(11) Develop agreements, if feasible, with medical supply and equipment firms to supply resources as are necessary to respond to an earthquake or any other disaster as defined in this Act. These resources will be made available upon notifying the vendor of the disaster. Payment for the resources will be in accordance with Section 7 of this Act. The Illinois Department of Public Health shall determine which resources will be required and requested.

(11.5) In coordination with the Department of State Police, develop and implement a community outreach program to promote awareness among the State's parents and children of child abduction prevention and response.

(12) Out of funds appropriated for these purposes, award capital and non-capital grants to Illinois hospitals or health care facilities located outside of a city with a population in excess of 1,000,000 to be used for purposes that include, but are not limited to, preparing to respond to mass casualties and disasters, maintaining and improving patient safety and quality of care, and protecting the confidentiality of patient information. No single grant for a capital expenditure shall exceed \$300,000. No single grant for a non-capital expenditure shall exceed \$100,000. In awarding such grants, preference shall be given to hospitals that serve a significant number

of Medicaid recipients, but do not qualify for disproportionate share hospital adjustment payments under the Illinois Public Aid Code. To receive such a grant, a hospital or health care facility must provide funding of at least 50% of the cost of the project for which the grant is being requested. In awarding such grants the Illinois Emergency Management Agency shall consider the recommendations of the Illinois Hospital Association.

(13) Do all other things necessary, incidental or appropriate for the implementation of this Act.

(g) The Illinois Emergency Management Agency is authorized to make grants to various higher education institutions for safety and security improvements. For the purpose of this subsection (g), "higher education institution" means a public university, a public community college, or an independent, not-for-profit or for-profit higher education institution located in this State. Grants made under this subsection (g) shall be paid out of moneys appropriated for that purpose from the Build Illinois Bond Fund. The Illinois Emergency Management Agency shall adopt rules to implement this subsection (g). These rules may specify: (i) the manner of applying for grants; (ii) project eligibility requirements; (iii) restrictions on the use of grant moneys; (iv) the manner in which the various higher education institutions must account for the use of grant moneys; and (v) any other provision that the Illinois Emergency Management Agency determines to be necessary or useful for the

administration of this subsection (g).

Section 115. The Illinois State Agency Historic Resources Preservation Act is amended by changing Section 4 as follows:

(20 ILCS 3420/4) (from Ch. 127, par. 133c24)

Sec. 4. State agency undertakings.

(a) As early in the planning process as may be practicable and prior to the approval of the final design or plan of any undertaking by a State agency, or prior to the funding of any undertaking by a State agency, or prior to an action of approval or entitlement of any private undertaking by a State agency, written notice of the project shall be given to the Director either by the State agency or the recipients of its funds, permits or licenses. The State agency shall consult with the Director to determine the documentation requirements necessary for identification and treatment of historic resources. For the purposes of identification and evaluation of historic resources, the Director may require archaeological and historic investigations. Responsibility for notice and documentation may be delegated by the State agency to a local or private designee.

(b) Within 30 days after receipt of complete and correct documentation of a proposed undertaking, the Director shall

review and comment to the agency on the likelihood that the undertaking will have an adverse effect on a historic resource. In the case of a private undertaking, the Director shall, not later than 30 days following the receipt of an application with complete documentation of the undertaking, either approve that application allowing the undertaking to proceed or tender to the applicant a written statement setting forth the reasons for the requirement of an archaeological investigation. If there is no action within 30 days after the filing of the application with the complete documentation of the undertaking, the applicant may deem the application approved and may proceed with the undertaking. Thereafter, all requirements for archaeological investigations are waived under this Act.

(c) If the Director finds that an undertaking will adversely affect ~~effect~~ an historic resource or is inconsistent with agency policies, the State agency shall consult with the Director and shall discuss alternatives to the proposed undertaking which could eliminate, minimize, or mitigate its adverse effect. During the consultation process, the State agency shall explore all feasible and prudent plans which eliminate, minimize, or mitigate adverse effects on historic resources. Grantees, permittees, licensees, or other parties in interest and representatives of national, State, and local units of government and public and private organizations may participate in the consultation process. The process may involve on-site inspections and public informational meetings

pursuant to regulations issued by the Historic Preservation Agency.

(d) The State agency and the Director may agree that there is a feasible and prudent alternative which eliminates, minimizes, or mitigates the adverse effect of the undertaking. Upon such agreement, or if the State agency and the Director agree that there are no feasible and prudent alternatives which eliminate, minimize, or mitigate the adverse effect, the Director shall prepare a Memorandum of Agreement describing the alternatives or stating the finding. The State agency may proceed with the undertaking once a Memorandum of Agreement has been signed by both the State agency and the Director.

(e) After the consultation process, the Director and the State agency may fail to agree on the existence of a feasible and prudent alternative which would eliminate, minimize, or mitigate the adverse effect of the undertaking on the historic resource. If no agreement is reached, the agency shall call a public meeting in the county where the undertaking is proposed within 60 days. If, within 14 days following conclusion of the public meeting, the State agency and the Director fail to agree on a feasible and prudent alternative, the proposed undertaking, with supporting documentation, shall be submitted to the Historic Preservation Mediation Committee. The document shall be sufficient to identify each alternative considered by the Agency and the Director during the consultation process and the reason for its rejection.

(f) The Mediation Committee shall consist of the Director and 5 persons appointed by the Director for terms of 3 years each, each of whom shall be no lower in rank than a division chief and each of whom shall represent a different State agency. An agency that is a party to mediation shall be notified of all hearings and deliberations and shall have the right to participate in deliberations as a non-voting member of the Committee. Within 30 days after submission of the proposed undertaking, the Committee shall meet with the Director and the submitting agency to review each alternative considered by the State agency and the Director and to evaluate the existence of a feasible and prudent alternative. In the event that the Director and the submitting agency continue to disagree, the Committee shall provide a statement of findings or comments setting forth an alternative to the proposed undertaking or stating the finding that there is no feasible or prudent alternative. The State agency shall consider the written comments of the Committee and shall respond in writing to the Committee before proceeding with the undertaking.

(g) When an undertaking is being reviewed pursuant to Section 106 of the National Historic Preservation Act of 1966, the procedures of this law shall not apply and any review or comment by the Director on such undertaking shall be within the framework or procedures of the federal law. When an undertaking involves a structure listed on the Illinois Register of Historic Places, the rules and procedures of the Illinois

Historic Preservation Act shall apply. This subsection shall not prevent the Illinois Historic Preservation Agency from entering into an agreement with the Advisory Council on Historic Preservation pursuant to Section 106 of the National Historic Preservation Act to substitute this Act and its procedures for procedures set forth in Council regulations found in 36 C.F.R. Part 800.7. A State undertaking that is necessary to prevent an immediate and imminent threat to life or property shall be exempt from the requirements of this Act. Where possible, the Director shall be consulted in the determination of the exemption. In all cases, the agency shall provide the Director with a statement of the reasons for the exemption and shall have an opportunity to comment on the exemption. The statement and the comments of the Director shall be included in the annual report of the Historic Preservation Agency as a guide to future actions. The provisions of this Act do not apply to undertakings pursuant to the Illinois Oil and Gas Act, the Surface-Mined Land Conservation and Reclamation Act and the Surface Coal Mining Land Conservation and Reclamation Act.

"Total resource cost test" or "TRC test" means a standard that is met if, for an investment in energy efficiency or demand-response measures, the benefit-cost ratio is greater than one. The benefit-cost ratio is the ratio of the net present value of the total benefits of the program to the net present value of the total costs as calculated over the lifetime of the measures. A total resource cost test compares the sum of avoided electric utility costs, representing the benefits that accrue to the system and the participant in the delivery of those efficiency measures, as well as other quantifiable societal benefits, including avoided natural gas utility costs, to the sum of all incremental costs of end-use measures that are implemented due to the program (including both utility and participant contributions), plus costs to administer, deliver, and evaluate each demand-side program, to quantify the net savings obtained by substituting the demand-side program for supply resources. In calculating avoided costs of power and energy that an electric utility would otherwise have had to acquire, reasonable estimates shall be included of financial costs likely to be imposed by future regulations and legislation on emissions of greenhouse gases.

Sec. 1-58 ~~1-56~~. Clean coal SNG facility construction.

(a) It is the intention of the General Assembly to provide additional long-term natural gas price stability to the State and consumers by promoting the development of a clean coal SNG facility that would produce a minimum annual output of 30 Bcf of SNG and commence construction no later than June 1, 2013 on a brownfield site in a municipality with at least one million residents. The costs associated with preparing a facility cost report for such a facility, which contains all of the information required by subsection (b) of this Section, may be paid or reimbursed pursuant to subsection (c) of this Section.

(b) The facility cost report for a facility that meets the criteria set forth in subsection (a) of this Section shall be prepared by a duly licensed engineering firm that details the estimated capital costs payable to one or more contractors or suppliers for the engineering, procurement, and construction of the components comprising the facility and the estimated costs of operation and maintenance of the facility. The report must be provided to the General Assembly and the Agency on or before April 30, 2010. The facility cost report shall include all off the following:

(1) An estimate of the capital cost of the core plant based on a front-end engineering and design study. The core plant shall include all civil, structural, mechanical, electrical, control, and safety systems. The quoted

construction costs shall be expressed in nominal dollars as of the date that the quote is prepared and shall include:

(A) capitalized financing costs during construction;

(B) taxes, insurance, and other owner's costs; and

(C) any assumed escalation in materials and labor beyond the date as of which the construction cost quote is expressed;

(2) An estimate of the capital cost of the balance of the plant, including any capital costs associated with site preparation and remediation, sequestration of carbon dioxide emissions, and all interconnects and interfaces required to operate the facility, such as construction or backfeed power supply, pipelines to transport substitute natural gas or carbon dioxide, potable water supply, natural gas supply, water supply, water discharge, landfill, access roads, and coal delivery. The front-end engineering and design study and the cost study for the balance of the plant shall include sufficient design work to permit quantification of major categories of materials, commodities and labor hours, and receipt of quotes from vendors of major equipment required to construct and operate the facility.

(3) An operating and maintenance cost quote that will provide the estimated cost of delivered fuel, personnel, maintenance contracts, chemicals, catalysts, consumables,

spares, and other fixed and variable operating and maintenance costs. This quote is subject to the following requirements:

(A) The delivered fuel cost estimate shall be provided by a recognized third party expert or experts in the fuel and transportation industries.

(B) The balance of the operating and maintenance cost quote, excluding delivered fuel costs shall be developed based on the inputs provided by a duly licensed engineering firm performing the construction cost quote, potential vendors under long-term service agreements and plant operating agreements, or recognized third-party plant operator or operators.

The operating and maintenance cost quote shall be expressed in nominal dollars as of the date that the quote is prepared and shall include (i) taxes, insurance, and other owner's costs and (ii) any assumed escalation in materials and labor beyond the date as of which the operating and maintenance cost quote is expressed.

(c) Reasonable amounts paid or due to be paid by the owner or owners of the clean coal SNG facility to third parties unrelated to the owner or owners to prepare the facility cost report will be reimbursed or paid up to \$10 million through Coal Development Bonds.

(d) The Agency shall review the facility report and based on that report, consider whether to enter into long term

contracts to purchase SNG from the facility pursuant to Section 1-20 of this Act. To assist with its evaluation of the report, the Agency may hire one or more experts or consultants, the reasonable costs of which, not to exceed \$250,000, shall be paid for by the owner or owners of the clean coal SNG facility submitting the facility cost report. The Agency may begin the process of selecting such experts or consultants prior to receipt of the facility cost report.

(2) Adopt procedures for public notice and hearing on all proposed rules, regulations, standards, criteria, and plans required to carry out the provisions of this Act.

(3) (Blank).

(4) Develop criteria and standards for health care

(5) Coordinate with the Center for Comprehensive Health Planning and other state agencies having responsibilities affecting health care facilities, including those of licensure and cost reporting.

(6) Solicit, accept, hold and administer on behalf of the State any grants or bequests of money, securities or property for use by the State Board or Center for Comprehensive Health Planning in the administration of this Act; and enter into contracts consistent with the appropriations for purposes enumerated in this Act.

(7) The State Board shall prescribe procedures for review, standards, and criteria which shall be utilized to make periodic reviews and determinations of the appropriateness of

Such rules shall not abridge the right of the Center for Comprehensive Health Planning to make recommendations on the classification and approval of projects, nor shall such rules prevent the conduct of a public hearing upon the timely request of an interested party. Such reviews shall not exceed 60 days from the date the application is declared to be complete.

(9) Prescribe rules, regulations, standards, and criteria pertaining to the granting of permits for construction and modifications which are emergent in nature and must be undertaken immediately to prevent or correct structural deficiencies or hazardous conditions that may harm or injure persons using the facility, as defined in the rules and regulations of the State Board. (15) Establish a separate set of rules and guidelines for long-term care that recognizes that nursing homes are a different business line and service model from other regulated facilities. An open and transparent process shall be developed that considers the following: how skilled nursing fits in the continuum of care with other care providers, modernization of

nursing homes, establishment of more private rooms, development of alternative services, and current trends in long-term care services. The Chairman of the Board shall appoint a permanent Health Services Review Board Long-term Care Facility Advisory Subcommittee that shall develop and recommend to the Board the rules to be established by the Board under this paragraph (15). The Subcommittee shall also provide continuous review and commentary on policies and procedures relative to long-term care and the review of related projects. In consultation with other experts from the health field of long-term care, the Board and the Subcommittee shall study new approaches to the current bed need formula and Health Service Area boundaries to encourage flexibility and innovation in design models reflective of the changing long-term care marketplace and consumer preferences. The Board shall file the proposed related administrative rules for the separate rules and guidelines for long-term care required by this paragraph (15) by September 1, 2010. - (d) The availability of facilities which may serve as alternatives or substitutes;

- (e) The availability of personnel necessary to the operation of the facility;

- (f) Multi-institutional planning and the establishment of multi-institutional systems where feasible;

- (g) The financial and economic feasibility of proposed construction or modification; and

- (h) In the case of health care facilities established

by a religious body or denomination, the needs of the members of such religious body or denomination may be considered to be public need.

The health care facility plans which are developed and adopted in accordance with this Section shall form the basis for the plan of the State to deal most effectively with statewide health needs in regard to health care facilities.

(5) Coordinate with the Center for Comprehensive Health Planning and other state agencies having responsibilities affecting health care facilities, including those of licensure and cost reporting.

(6) Solicit, accept, hold and administer on behalf of the State any grants or bequests of money, securities or property for use by the State Board or Center for Comprehensive Health Planning in the administration of this Act; and enter into contracts consistent with the appropriations for purposes enumerated in this Act.

(7) The State Board shall prescribe procedures for review, standards, and criteria which shall be utilized to make periodic reviews and determinations of the appropriateness of any existing health services being rendered by health care facilities subject to the Act. The State Board shall consider recommendations of the Board in making its determinations.

(8) Prescribe, in consultation with the Center for Comprehensive Health Planning, rules, regulations, standards, and criteria for the conduct of an expeditious review of

applications for permits for projects of construction or modification of a health care facility, which projects are classified as emergency, substantive, or non-substantive in nature.

Six months after June 30, 2009 (the effective date of Public Act 96-31) ~~this amendatory Act of the 96th General Assembly~~, substantive projects shall include no more than the following:

(a) Projects to construct (1) a new or replacement facility located on a new site or (2) a replacement facility located on the same site as the original facility and the cost of the replacement facility exceeds the capital expenditure minimum; ~~or~~

(b) Projects proposing a (1) new service or (2) discontinuation of a service, which shall be reviewed by the Board within 60 days; or ~~or~~

(c) Projects proposing a change in the bed capacity of a health care facility by an increase in the total number of beds or by a redistribution of beds among various categories of service or by a relocation of beds from one physical facility or site to another by more than 20 beds or more than 10% of total bed capacity, as defined by the State Board, whichever is less, over a 2-year period.

The Chairman may approve applications for exemption that meet the criteria set forth in rules or refer them to the full Board. The Chairman may approve any unopposed application that

meets all of the review criteria or refer them to the full Board.

Such rules shall not abridge the right of the Center for Comprehensive Health Planning to make recommendations on the classification and approval of projects, nor shall such rules prevent the conduct of a public hearing upon the timely request of an interested party. Such reviews shall not exceed 60 days from the date the application is declared to be complete.

(9) Prescribe rules, regulations, standards, and criteria pertaining to the granting of permits for construction and modifications which are emergent in nature and must be undertaken immediately to prevent or correct structural deficiencies or hazardous conditions that may harm or injure persons using the facility, as defined in the rules and regulations of the State Board. This procedure is exempt from public hearing requirements of this Act.

(10) Prescribe rules, regulations, standards and criteria for the conduct of an expeditious review, not exceeding 60 days, of applications for permits for projects to construct or modify health care facilities which are needed for the care and treatment of persons who have acquired immunodeficiency syndrome (AIDS) or related conditions.

(11) Issue written decisions upon request of the applicant or an adversely affected party to the Board within 30 days of the meeting in which a final decision has been made. A "final decision" for purposes of this Act is the decision to approve

or deny an application, or take other actions permitted under this Act, at the time and date of the meeting that such action is scheduled by the Board. The staff of the State Board shall prepare a written copy of the final decision and the State Board shall approve a final copy for inclusion in the formal record.

(12) Require at least one of its members to participate in any public hearing, after the appointment of the 9 members to the Board.

(13) Provide a mechanism for the public to comment on, and request changes to, draft rules and standards.

(14) Implement public information campaigns to regularly inform the general public about the opportunity for public hearings and public hearing procedures.

(15) Establish a separate set of rules and guidelines for long-term care that recognizes that nursing homes are a different business line and service model from other regulated facilities. An open and transparent process shall be developed that considers the following: how skilled nursing fits in the continuum of care with other care providers, modernization of nursing homes, establishment of more private rooms, development of alternative services, and current trends in long-term care services. The Chairman of the Board shall appoint a permanent Health Services Review Board Long-term Care Facility Advisory Subcommittee that shall develop and recommend to the Board the rules to be established by the Board

under this paragraph (15). The Subcommittee shall also provide continuous review and commentary on policies and procedures relative to long-term care and the review of related projects. In consultation with other experts from the health field of long-term care, the Board and the Subcommittee shall study new approaches to the current bed need formula and Health Service Area boundaries to encourage flexibility and innovation in design models reflective of the changing long-term care marketplace and consumer preferences. The Board shall file the proposed related administrative rules for the separate rules and guidelines for long-term care required by this paragraph (15) by September 1, 2010. The Subcommittee shall be provided a reasonable and timely opportunity to review and comment on any review, revision, or updating of the criteria, standards, procedures, and rules used to evaluate project applications as provided under Section 12.3 of this Act prior to approval by the Board and promulgation of related rules.

Section 160. The State Prompt Payment Act is amended by changing Section 3-2 as follows:

(30 ILCS 540/3-2)

Sec. 3-2. Beginning July 1, 1993, in any instance where a State official or agency is late in payment of a vendor's bill or invoice for goods or services furnished to the State, as defined in Section 1, properly approved in accordance with rules promulgated under Section 3-3, the State official or agency shall pay interest to the vendor in accordance with the following:

(1) Any bill, except a bill submitted under Article V of the Illinois Public Aid Code, approved for payment under this Section must be paid or the payment issued to the

payee within 60 days of receipt of a proper bill or invoice. If payment is not issued to the payee within this 60 day period, an interest penalty of 1.0% of any amount approved and unpaid shall be added for each month or fraction thereof after the end of this 60 day period, until final payment is made. Any bill submitted under Article V of the Illinois Public Aid Code approved for payment under this Section must be paid or the payment issued to the payee within 60 days after receipt of a proper bill or invoice, and, if payment is not issued to the payee within this 60-day period, an interest penalty of 2.0% of any amount approved and unpaid shall be added for each month or fraction thereof after the end of this 60-day period, until final payment is made.

(1.1) A State agency shall review in a timely manner each bill or invoice after its receipt. If the State agency determines that the bill or invoice contains a defect making it unable to process the payment request, the agency shall notify the vendor requesting payment as soon as possible after discovering the defect pursuant to rules promulgated under Section 3-3; provided, however, that the notice for construction related bills or invoices must be given not later than 30 days after the bill or invoice was first submitted. The notice shall identify the defect and any additional information necessary to correct the defect. If one or more items on a construction related bill

or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved shall be paid.

(2) Where a State official or agency is late in payment of a vendor's bill or invoice properly approved in accordance with this Act, and different late payment terms are not reduced to writing as a contractual agreement, the State official or agency shall automatically pay interest penalties required by this Section to the appropriate vendor. Each agency shall be responsible for determining whether an interest penalty is owed and for paying the interest to the vendor. In the event an individual has paid a vendor for services in advance, the provisions of this Section shall apply until payment is made to that individual.

Section 165. The Public Construction Bond Act is amended by changing Sections 1 and 3 as follows:

(30 ILCS 550/1) (from Ch. 29, par. 15)

Sec. 1. Except as otherwise provided by this Act, all officials, boards, commissions, or agents of this State in making contracts for public work of any kind costing over \$50,000 to be performed for the State, and all officials,

boards, commissions, or agents of any political subdivision of this State in making contracts for public work of any kind costing over \$5,000 to be performed for the political subdivision, shall require every contractor for the work to furnish, supply and deliver a bond to the State, or to the political subdivision thereof entering into the contract, as the case may be, with good and sufficient sureties. The amount of the bond shall be fixed by the officials, boards, commissions, commissioners or agents, and the bond, among other conditions, shall be conditioned for the completion of the contract, for the payment of material used in the work and for all labor performed in the work, whether by subcontractor or otherwise.

If the contract is for emergency repairs as provided in the Illinois Procurement Code, proof of payment for all labor, materials, apparatus, fixtures, and machinery may be furnished in lieu of the bond required by this Section.

Each such bond is deemed to contain the following provisions whether such provisions are inserted in such bond or not:

"The principal and sureties on this bond agree that all the undertakings, covenants, terms, conditions and agreements of the contract or contracts entered into between the principal and the State or any political subdivision thereof will be performed and fulfilled and to pay all persons, firms and corporations having contracts with the principal or with

subcontractors, all just claims due them under the provisions of such contracts for labor performed or materials furnished in the performance of the contract on account of which this bond is given, when such claims are not satisfied out of the contract price of the contract on account of which this bond is given, after final settlement between the officer, board, commission or agent of the State or of any political subdivision thereof and the principal has been made.".

Each bond securing contracts between the Capital Development Board or any board of a public institution of higher education and a contractor shall contain the following provisions, whether the provisions are inserted in the bond or not:

"Upon the default of the principal with respect to undertakings, covenants, terms, conditions, and agreements, the termination of the contractor's right to proceed with the work, and written notice of that default and termination by the State or any political subdivision to the surety ("Notice"), the surety shall promptly remedy the default by taking one of the following actions:

(1) The surety shall complete the work pursuant to a written takeover agreement, using a completing contractor jointly selected by the surety and the State or any political subdivision; or

(2) The surety shall pay a sum of money to the obligee, up to the penal sum of the bond, that represents the

reasonable cost to complete the work that exceeds the unpaid balance of the contract sum.

The surety shall respond to the Notice within 15 working days of receipt indicating the course of action that it intends to take or advising that it requires more time to investigate the default and select a course of action. If the surety requires more than 15 working days to investigate the default and select a course of action or if the surety elects to complete the work with a completing contractor that is not prepared to commence performance within 15 working days after receipt of Notice, and if the State or any political subdivision determines it is in the best interest of the State to maintain the progress of the work, the State or any political subdivision may continue to work until the completing contractor is prepared to commence performance. Unless otherwise agreed to by the procuring agency, in no case may the surety take longer than 30 working days to advise the State or political subdivision on the course of action it intends to take. The surety shall be liable for reasonable costs incurred by the State or any political subdivision to maintain the progress to the extent the costs exceed the unpaid balance of the contract sum, subject to the penal sum of the bond.".

The surety bond required by this Section may be acquired from the company, agent or broker of the contractor's choice. The bond and sureties shall be subject to the right of reasonable approval or disapproval, including suspension, by

the State or political subdivision thereof concerned. In the case of State construction contracts, a contractor shall not be required to post a cash bond or letter of credit in addition to or as a substitute for the surety bond required by this Section.

When other than motor fuel tax funds, federal-aid funds, or other funds received from the State are used, a political subdivision may allow the contractor to provide a non-diminishing irrevocable bank letter of credit, in lieu of the bond required by this Section, on contracts under \$100,000 to comply with the requirements of this Section. Any such bank letter of credit shall contain all provisions required for bonds by this Section.

(30 ILCS 550/3)

Sec. 3. Builder or developer cash bond or other surety.

(a) A county or municipality may not require a cash bond, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company from a builder or developer to guarantee completion of a project improvement when the builder or developer has filed with the county or municipal clerk a current, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the

county or municipality accepting such security, in an amount equal to or greater than 110% of the amount of the bid on each project improvement. A builder or developer has the option to utilize a cash bond, irrevocable letter of credit, surety bond, or letter of commitment, issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the county or municipality, to satisfy any cash bond requirement established by a county or municipality. Except for a municipality or county with a population of 1,000,000 or more, the county or municipality must approve and deem a surety or insurance company good and sufficient for the purposes set forth in this Section if the surety or insurance company is authorized by the Illinois Department of Insurance to sell and issue sureties in the State of Illinois.

(b) If a county or municipality receives a cash bond, irrevocable letter of credit, or surety bond from a builder or developer to guarantee completion of a project improvement, the county or municipality shall (i) register the bond under the address of the project and the construction permit number and (ii) give the builder or developer a receipt for the bond. The county or municipality shall establish and maintain a separate account for all cash bonds received from builders and developers to guarantee completion of a project improvement.

(c) The county or municipality shall refund a cash bond to a builder or developer, or release the irrevocable letter of credit or surety bond, within 60 days after the builder or

developer notifies the county or municipality in writing of the completion of the project improvement for which the bond was required. For these purposes, "completion" means that the county or municipality has determined that the project improvement for which the bond was required is complete or a licensed engineer or licensed architect has certified to the builder or developer and the county or municipality that the project improvement has been completed to the applicable codes and ordinances. The county or municipality shall pay interest to the builder or developer, beginning 60 days after the builder or developer notifies the county or municipality in writing of the completion of the project improvement, on any bond not refunded to a builder or developer, at the rate of 1% per month.

(d) A home rule county or municipality may not require or maintain cash bonds, irrevocable letters of credit, surety bonds, or letters of commitment issued by a bank, savings and loan association, surety, or insurance company from builders or developers in a manner inconsistent with this Section. This Section supersedes ~~supercedes~~ and controls over other provisions of the Counties Code or Illinois Municipal Code as they apply to and guarantee completion of a project improvement that is required by the county or municipality, regardless of whether the project improvement is a condition of annexation agreements. This Section is a denial and limitation under subsection (i) of Section 6 of Article VII of the Illinois

Constitution on the concurrent exercise by a home rule county or municipality of powers and functions exercised by the State.

(Section scheduled to be repealed on June 30, 2010)

Sec. 4. Award of State contracts.

(a) Except as provided in subsections (b) and (c), not less
than 20% of the total dollar amount of State contracts, as
defined by the Secretary of the Council and approved by the
Council, shall be established as a goal to be awarded to
businesses owned by minorities, females, and persons with
disabilities; provided, however, that of the total amount of
all State contracts awarded to businesses owned by minorities,
females, and persons with disabilities pursuant to this
Section, contracts representing at least 11% shall be awarded
to businesses owned by minorities, contracts representing at

least 7% shall be awarded to female-owned businesses, and contracts representing at least 2% shall be awarded to businesses owned by persons with disabilities.

The above percentage relates to the total dollar amount of State contracts during each State fiscal year, calculated by examining independently each type of contract for each agency or university which lets such contracts. Only that percentage of arrangements which represents the participation of businesses owned by minorities, females, and persons with disabilities on such contracts shall be included.

(b) In the case of State construction contracts, the provisions of subsection (a) requiring a portion of State contracts to be awarded to businesses owned and controlled by persons with disabilities do not apply. Not less than 10% of the total dollar amount of State construction contracts is established as a goal to be awarded to minority and female owned businesses, and contracts representing 50% of the amount of all State construction contracts awarded to minority and female owned businesses shall be awarded to female owned businesses.

(c) In the case of all work undertaken by the University of Illinois related to the planning, organization, and staging of the games, the University of Illinois shall establish a goal of awarding not less than 25% of the annual dollar value of all contracts, purchase orders, and other agreements (collectively referred to as "the contracts") to minority-owned businesses or

businesses owned by a person with a disability and 5% of the annual dollar value the contracts to female-owned businesses. For purposes of this subsection, the term "games" has the meaning set forth in the Olympic Games and Paralympic Games (2016) Law.

(d) Within one year after April 28, 2009 (the effective date of Public Act 96-8), the Department of Central Management Services shall conduct a social scientific study that measures the impact of discrimination on minority and female business development in Illinois. Within 18 months after April 28, 2009 (the effective date of Public Act 96-8), the Department shall issue a report of its findings and any recommendations on whether to adjust the goals for minority and female participation established in this Act. Copies of this report and the social scientific study shall be filed with the Governor and the General Assembly.

(e) ~~(e)~~ Those who submit bids or proposals for State contracts shall not be given a period after the bid or proposal is submitted to cure deficiencies in the bid or proposal under this Act unless mandated by federal law or regulation.

Section 175. The State Property Control Act is amended by

changing Section 7.1 as follows:

(30 ILCS 605/7.1) (from Ch. 127, par. 133b10.1)

Sec. 7.1. (a) Except as otherwise provided by law, all surplus real property held by the State of Illinois shall be disposed of by the administrator as provided in this Section. "Surplus real property," as used in this Section, means any real property to which the State holds fee simple title or lesser interest, and is vacant, unoccupied or unused and which has no foreseeable use by the owning agency.

(b) All responsible officers shall submit an Annual Real Property Utilization Report to the Administrator, or annual update of such report, on forms required by the Administrator, by July 31 of each year. The Administrator may require such documentation as he deems reasonably necessary in connection with this Report, and shall require that such Report include the following information:

(1) A legal description of all real property owned by the State under the control of the responsible officer.

(2) A description of the use of the real property listed under (1).

(3) A list of any improvements made to such real property during the previous year.

(4) The dates on which the State first acquired its interest in such real property, and the purchase price and source of the funds used to acquire the property.

(5) Plans for the future use of currently unused real property.

(6) A declaration of any surplus real property. On or before October 31 of each year the Administrator shall furnish copies of each responsible officer's report along with a list of surplus property indexed by legislative district to the General Assembly.

This report shall be filed with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and shall be duplicated and made available to the members of the General Assembly for evaluation by such members for possible liquidation of unused public property at public sale.

(c) Following receipt of the Annual Real Property Utilization Report required under paragraph (b), the Administrator shall notify all State agencies by October 31 of all declared surplus real property. Any State agency may submit a written request to the Administrator, within 60 days of the date of such notification, to have control of surplus real property transferred to that agency. Such request must indicate the reason for the transfer and the intended use to be made of such surplus real property. The Administrator may deny any or all such requests by a State agency or agencies if the Administrator determines that it is more advantageous to the State to dispose of the surplus real property under paragraph (d). In case requests for the same surplus real property are

received from more than one State agency, the Administrator shall weigh the benefits to the State and determine to which agency, if any, to transfer control of such property. The Administrator shall coordinate the use and disposal of State surplus real property with any State space utilization program.

(d) Any surplus real property which is not transferred to the control of another State agency under paragraph (c) shall be disposed of by the Administrator. No appraisal is required if during his initial survey of surplus real property the Administrator determines such property has a fair market value of less than \$5,000. If the value of such property is determined by the Administrator in his initial survey to be \$5,000 or more, then the Administrator shall obtain 3 appraisals of such real property, one of which shall be performed by an appraiser residing in the county in which said surplus real property is located. The average of these 3 appraisals, plus the costs of obtaining the appraisals, shall represent the fair market value of the surplus real property. No surplus real property may be conveyed by the Administrator for less than the fair market value. Prior to offering the surplus real property for sale to the public the Administrator shall give notice in writing of the existence and fair market value of the surplus real property to the governing bodies of the county and of all cities, villages and incorporated towns in the county in which such real property is located. Any such governing body may exercise its option to acquire the surplus

real property for the fair market value within 60 days of the notice. After the 60 day period has passed, the Administrator may sell the surplus real property by public auction following notice of such sale by publication on 3 separate days not less than 15 nor more than 30 days prior to the sale in the State newspaper and in a newspaper having general circulation in the county in which the surplus real property is located. The Administrator shall post "For Sale" signs of a conspicuous nature on such surplus real property offered for sale to the public. If no acceptable offers for the surplus real property are received, the Administrator may have new appraisals of such property made. The Administrator shall have all power necessary to convey surplus real property under this Section. All moneys received for the sale of surplus real property shall be deposited in the General Revenue Fund, except that:

(1) Where moneys expended for the acquisition of such real property were from a special fund which is still a special fund in the State treasury, this special fund shall be reimbursed in the amount of the original expenditure and any amount in excess thereof shall be deposited in the General Revenue Fund.

(2) Whenever a State mental health facility operated by the Department of Human Services is closed and the real estate on which the facility is located is sold by the State, the net proceeds of the sale of the real estate shall be deposited into the Community Mental Health

Medicaid Trust Fund.

(3) Whenever a State developmental disabilities facility operated by the Department of Human Services is closed and the real estate on which the facility is located is sold by the State, the net proceeds of the sale of the real estate shall be deposited into the Community Developmental Disability Services Medicaid Trust Fund.

The Administrator shall have authority to order such surveys, abstracts of title, or commitments for title insurance as may, in his reasonable discretion, be deemed necessary to demonstrate to prospective purchasers or bidders good and marketable title in any property offered for sale pursuant to this Section. Unless otherwise specifically authorized by the General Assembly, all conveyances of property made by the Administrator shall be by quit claim deed.

(e) The Administrator shall submit an annual report on or before February 1 to the Governor and the General Assembly containing a detailed statement of surplus real property either transferred or conveyed under this Section.

Section 185. The Illinois Income Tax Act is amended by changing Sections 201, 606, and 807 and by setting forth, renumbering, and changing multiple versions of Section 507SS as follows:

(35 ILCS 5/201) (from Ch. 120, par. 2-201)

Sec. 201. Tax Imposed.

(a) In general. A tax measured by net income is hereby imposed on every individual, corporation, trust and estate for each taxable year ending after July 31, 1969 on the privilege of earning or receiving income in or as a resident of this State. Such tax shall be in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(b) Rates. The tax imposed by subsection (a) of this Section shall be determined as follows, except as adjusted by subsection (d-1):

(1) In the case of an individual, trust or estate, for taxable years ending prior to July 1, 1989, an amount equal to 2 1/2% of the taxpayer's net income for the taxable year.

(2) In the case of an individual, trust or estate, for taxable years beginning prior to July 1, 1989 and ending

after June 30, 1989, an amount equal to the sum of (i) 2 1/2% of the taxpayer's net income for the period prior to July 1, 1989, as calculated under Section 202.3, and (ii) 3% of the taxpayer's net income for the period after June 30, 1989, as calculated under Section 202.3.

(3) In the case of an individual, trust or estate, for taxable years beginning after June 30, 1989, an amount equal to 3% of the taxpayer's net income for the taxable year.

(4) (Blank).

(5) (Blank).

(6) In the case of a corporation, for taxable years ending prior to July 1, 1989, an amount equal to 4% of the taxpayer's net income for the taxable year.

(7) In the case of a corporation, for taxable years beginning prior to July 1, 1989 and ending after June 30, 1989, an amount equal to the sum of (i) 4% of the taxpayer's net income for the period prior to July 1, 1989, as calculated under Section 202.3, and (ii) 4.8% of the taxpayer's net income for the period after June 30, 1989, as calculated under Section 202.3.

(8) In the case of a corporation, for taxable years beginning after June 30, 1989, an amount equal to 4.8% of the taxpayer's net income for the taxable year.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such

income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile

imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all

credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code, equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5%

of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in

service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable

years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge

Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal

income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs

incurred after December 31, 2013, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2013.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its

share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the

property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been

allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(g) Jobs Tax Credit; Enterprise Zone, River Edge

Redevelopment Zone, and Foreign Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business in an enterprise zone or a High Impact Business designated by the Department of Commerce and Economic Opportunity or for taxable years ending on or after December 31, 2006, in a River Edge Redevelopment Zone conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of \$500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:

(A) the taxpayer must hire 5 or more eligible employees to work in an enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;

(B) the taxpayer's total employment within the enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone must increase by 5 or more full-time employees beyond the total employed in that zone at the end of the previous tax year for which a jobs tax credit under this Section was taken, or beyond the total employed by the taxpayer as of December 31, 1985, whichever is later; and

(C) the eligible employees must be employed 180

consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(A) Certified by the Department of Commerce and Economic Opportunity as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.

(B) Hired after the enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.

(C) Employed in the enterprise zone, River Edge Redevelopment Zone, or Foreign Trade Zone or Sub-Zone. An employee is employed in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the

credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in

subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The

credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h) (1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c) (2) (A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or

Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and

the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be

applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such

training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit.

For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures

for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5

taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(1) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed

eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being

a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of \$100,000 per site, except that the \$100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed \$40,000 per year with a maximum total of \$150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this

subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed \$500. In no event shall a

credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of \$250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax

credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9

of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of \$100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the

chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(iv) This subsection is exempt from the provisions of Section 250.

(27) A motor vehicle, as that term is defined in Section 1-146 of the Illinois Vehicle Code, that is donated to a corporation, limited liability company, society, association, foundation, or institution that is determined by the Department to be organized and operated exclusively for educational purposes. For purposes of this exemption, "a corporation, limited liability company, society, association, foundation, or institution organized and operated exclusively for educational purposes" means all tax-supported public schools, private schools that offer systematic instruction in useful branches of learning by methods common to public schools and that compare favorably in their scope and intensity with the course of study presented in tax-supported schools, and

vocational or technical schools or institutes organized and operated exclusively to provide a course of study of not less than 6 weeks duration and designed to prepare individuals to follow a trade or to pursue a manual, technical, mechanical, industrial, business, or commercial occupation.

(28) Beginning January 1, 2000, personal property, including food, purchased through fundraising events for the benefit of a public or private elementary or secondary school, a group of those schools, or one or more school districts if the events are sponsored by an entity recognized by the school district that consists primarily of volunteers and includes parents and teachers of the school children. This paragraph does not apply to fundraising events (i) for the benefit of private home instruction or (ii) for which the fundraising entity purchases the personal property sold at the events from another individual or entity that sold the property for the purpose of resale by the fundraising entity and that profits from the sale to the fundraising entity. This paragraph is exempt from the provisions of Section 3-90.

(29) Beginning January 1, 2000 and through December 31, 2001, new or used automatic vending machines that prepare and serve hot food and beverages, including coffee, soup, and other items, and replacement parts for these machines. If the equipment is leased in a manner that does not qualify for this exemption or is used in

any other nonexempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the nonqualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90.

(32) Beginning on the effective date of this amendatory Act of the 92nd General Assembly, personal property purchased by a lessor who leases the property, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a governmental body that has been issued an active sales tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the property is leased in a manner that does not qualify for this exemption or used in any other nonexempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair

market value of the property at the time the nonqualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90.

(33) On and after July 1, 2003 and through June 30, 2004, the use in this State of motor vehicles of the second division with a gross vehicle weight in excess of 8,000 pounds and that are subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code. Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For

purposes of this paragraph, the term "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise, whether for-hire or not.

(35) Beginning January 1, 2010, materials, parts, equipment, components, and furnishings incorporated into or upon an aircraft as part of the modification, refurbishment, completion, replacement, repair, or maintenance of the aircraft. This exemption includes consumable supplies used in the modification, refurbishment, completion, replacement, repair, and maintenance of aircraft, but excludes any materials, parts, equipment, components, and consumable supplies used in the modification, replacement, repair, and maintenance of aircraft engines or power plants, whether such engines or power plants are installed or uninstalled upon any such aircraft. "Consumable supplies" include, but are not limited to, adhesive, tape, sandpaper, general purpose lubricants, cleaning solution, latex gloves, and protective films. This exemption applies only to those organizations that

(i) hold an Air Agency Certificate and are empowered to operate an approved repair station by the Federal Aviation Administration, (ii) have a Class IV Rating, and (iii) conduct operations in accordance with Part 145 of the Federal Aviation Regulations. Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of either the selling price or the fair market value, if any, of the tangible personal property. In all cases where property functionally used or consumed is the same as the property that was purchased at retail, then the tax is imposed on the selling price of the property. In all cases where property functionally used or consumed is a by-product or waste product that has been refined, manufactured, or produced from property purchased at retail, then the tax is imposed on the lower of the fair market value, if any, of the specific property so used in this State or on the selling price of the property purchased at retail. For purposes of this Section "fair market value" means the price at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. The fair market value shall be established by Illinois sales by the taxpayer of the same property as that functionally used or consumed, or if there are no such sales by the taxpayer, then comparable sales or purchases of property of like kind and character in Illinois.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of gasohol is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 and (ii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel and biodiesel blends with more than 10% but no more than 99% biodiesel, the tax imposed

by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the proceeds of sales made thereafter.

With respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic

beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks⁷ and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act,

beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or

(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

If the property that is purchased at retail from a retailer is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a reasonable allowance for depreciation for the period of prior out-of-state use.

(35 ILCS 105/10) (from Ch. 120, par. 439.10)

Sec. 10. Except as to motor vehicles, aircraft, watercraft, and trailers, and except as to cigarettes as defined in the Cigarette Use Tax Act, when tangible personal property is purchased from a retailer for use in this State by a purchaser who did not pay the tax imposed by this Act to the retailer, and who does not file returns with the Department as a retailer under Section 9 of this Act, such purchaser (by the last day of the month following the calendar month in which such purchaser makes any payment upon the selling price of such property) shall, except as provided in this Section, file a return with the Department and pay the tax upon that portion of the selling price so paid by the purchaser during the preceding calendar month. When tangible personal property, including but not limited to motor vehicles and aircraft, is purchased by a lessor, under a lease for one year or longer, executed or in effect at the time of purchase to an interstate carrier for hire, who did not pay the tax imposed by this Act to the retailer, such lessor (by the last day of the month following the calendar month in which such property reverts to the use of such lessor) shall file a return with the Department and pay the tax upon the fair market value of such property on the date of such reversion. However, in determining the fair market value at the time of reversion, the fair market value of such property shall not exceed the original purchase price of the property that was paid by the lessor at the time of purchase.

Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. Such return and payment from the purchaser shall be submitted to the Department sooner than the last day of the month after the month in which the purchase is made to the extent that that may be necessary in order to secure the title to a motor vehicle or the certificate of registration for an aircraft. However, except as to motor vehicles and aircraft, and except as to cigarettes as defined in the Cigarette Use Tax Act, if the purchaser's annual use tax liability does not exceed \$600, the purchaser may file the return on an annual basis on or before April 15th of the year following the year use tax liability was incurred.

If cigarettes, as defined in the Cigarette Use Tax Act, are purchased from a retailer for use in this State by a purchaser who did not pay the tax imposed by this Act to the retailer, and who does not file returns with the Department as a retailer under Section 9 of this Act, such purchaser must, within 30 days after acquiring the cigarettes, file a return with the Department and pay the tax upon that portion of the selling price so paid by the purchaser for the cigarettes.

In addition with respect to motor vehicles, aircraft, watercraft, and trailers, a purchaser of such tangible personal property for use in this State, who purchases such tangible personal property from an out-of-state retailer, shall file with the Department, upon a form to be prescribed and supplied

by the Department, a return for each such item of tangible personal property purchased, except that if, in the same transaction, (i) a purchaser of motor vehicles, aircraft, watercraft, or trailers who is a retailer of motor vehicles, aircraft, watercraft, or trailers purchases more than one motor vehicle, aircraft, watercraft, or trailer for the purpose of resale or (ii) a purchaser of motor vehicles, aircraft, watercraft, or trailers purchases more than one motor vehicle, aircraft, watercraft, or trailer for use as qualifying rolling stock as provided in Section 3-55 of this Act, then the purchaser may report the purchase of all motor vehicles, aircraft, watercraft, or trailers involved in that transaction to the Department on a single return prescribed by the Department. Such return in the case of motor vehicles and aircraft must show the name and address of the seller, the name, address of purchaser, the amount of the selling price including the amount allowed by the retailer for traded in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the purchaser with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance if that is claimed to be

the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such return shall be filed not later than 30 days after such motor vehicle or aircraft is brought into this State for use.

For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

The return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such return, the purchaser shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register

the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

When a purchaser pays a tax imposed by this Act directly to the Department, the Department (upon request therefor from such purchaser) shall issue an appropriate receipt to such purchaser showing that he has paid such tax to the Department. Such receipt shall be sufficient to relieve the purchaser from further liability for the tax to which such receipt may refer.

A user who is liable to pay use tax directly to the Department only occasionally and not on a frequently recurring basis, and who is not required to file returns with the Department as a retailer under Section 9 of this Act, or under the "Retailers' Occupation Tax Act", or as a registrant with the Department under the "Service Occupation Tax Act" or the "Service Use Tax Act", need not register with the Department. However, if such a user has a frequently recurring direct use tax liability to pay to the Department, such user shall be required to register with the Department on forms prescribed by the Department and to obtain and display a certificate of registration from the Department. In that event, all of the provisions of Section 9 of this Act concerning the filing of regular monthly, quarterly or annual tax returns and all of the provisions of Section 2a of the "Retailers' Occupation Tax Act" concerning the requirements for registrants to post bond or

other security with the Department, as the provisions of such sections now exist or may hereafter be amended, shall apply to such users to the same extent as if such provisions were included herein.

(15) Computers and communications equipment utilized for any hospital purpose and equipment used in the diagnosis, analysis, or treatment of hospital patients purchased by a lessor who leases the equipment, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a hospital that has been issued an active tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the equipment is leased in a manner that does not qualify for this exemption or is used in any other non-exempt manner, the lessor shall be liable for the tax imposed under this Act or the Use Tax Act, as the case may be, based on the fair market value of the property at the time the non-qualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports

to reimburse that lessor for the tax imposed by this Act or the Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the selling price of tangible personal property transferred as an incident to the sale of service, but, for the purpose of computing this tax, in no event shall the selling price be less than the cost price of the property to the serviceman.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the selling price of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the selling price thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at

the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 and (ii) 100% of the proceeds of the selling price thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 but

applies to 100% of the selling price thereafter.

The tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, or the Child Care Act of 1969. The tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use. Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the selling price of tangible personal property transferred as an incident to the sale of service, but, for the purpose of computing this tax, in no event shall the selling price be less than the cost price of the property to the serviceman.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the selling price

of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the selling price thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1%

and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the selling price thereafter.

The tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the MR/DD Community Care Act, or the Child Care Act of 1969. beverages, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

"Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to

be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks⁷ and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by

prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or

(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the "selling price", as defined in Section 2 of the Service Use Tax Act, of the tangible personal property. For the purpose of computing this tax, in no event shall the "selling price" be less than the cost price to the serviceman of the tangible personal property transferred. The selling price of each item of tangible personal property transferred as an incident of a sale of service may be shown as a distinct and separate item on the serviceman's billing to the service customer. If the selling price is not so shown, the selling price of the tangible personal property is deemed to be 50% of the serviceman's entire billing to the service customer. When, however, a serviceman contracts to design, develop, and produce special order machinery or equipment, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the completion of the contract.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act shall apply to (i) 70% of the cost price of property transferred as an incident to the sale of

service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the cost price thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 and (ii) 100% of the proceeds of the selling price thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel material, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the selling price thereafter.

At the election of any registered serviceman made for each fiscal year, sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the sale of those services.

The tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, or the Child Care Act of 1969. The tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food

that has been prepared for immediate consumption and is not otherwise included in this paragraph) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to

be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks⁷ and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by

prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or

(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Sec. 2-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of gross receipts from sales of tangible personal property made in the course of business.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

Within 14 days after the effective date of this amendatory Act of the 91st General Assembly, each retailer of motor fuel and gasohol shall cause the following notice to be posted in a

prominently visible place on each retail dispensing device that is used to dispense motor fuel or gasohol in the State of Illinois: "As of July 1, 2000, the State of Illinois has eliminated the State's share of sales tax on motor fuel and gasohol through December 31, 2000. The price on this pump should reflect the elimination of the tax." The notice shall be printed in bold print on a sign that is no smaller than 4 inches by 8 inches. The sign shall be clearly visible to customers. Any retailer who fails to post or maintain a required sign through December 31, 2000 is guilty of a petty offense for which the fine shall be \$500 per day per each retail premises where a violation occurs.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the proceeds of

sales made thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 and (ii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the proceeds of sales made thereafter.

With respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human

use, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of

this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug"

label includes:

(A) A "Drug Facts" panel; or

(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

(35 ILCS 200/15-170)

(Text of Section before amendment by P.A. 96-339)

Sec. 15-170. Senior Citizens Homestead Exemption. An annual homestead exemption limited, except as described here with relation to cooperatives or life care facilities, to a maximum reduction set forth below from the property's value, as equalized or assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal,

equitable or as a lessee, and on which he or she is liable for the payment of property taxes. Before taxable year 2004, the maximum reduction shall be \$2,500 in counties with 3,000,000 or more inhabitants and \$2,000 in all other counties. For taxable years 2004 through 2005, the maximum reduction shall be \$3,000 in all counties. For taxable years 2006 and 2007, the maximum reduction shall be \$3,500 and, for taxable years 2008 and thereafter, the maximum reduction is \$4,000 in all counties.

For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a contract with the owner or owners of record of the facility, for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the management firm of

the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Sections 15-175, 15-176, and 15-177, "life care facility" means a facility, as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act.

When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act or the Nursing Home Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible

for the senior citizens homestead exemption under this Section must be granted a pro-rata exemption for the assessment year. The amount of the pro-rata exemption is the exemption allowed in the county under this Section divided by 365 and multiplied by the number of days during the assessment year the property is occupied as a residence by a person eligible for the exemption under this Section. The chief county assessment officer must adopt reasonable procedures to establish eligibility for this pro-rata exemption.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the

exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of \$5 to cover administrative costs to the supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department.

In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real estate taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications needed for deferral of real estate taxes, the address and telephone number of county collector, and a statement that applications for deferral of real estate taxes may be obtained from the county collector.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

(Text of Section after amendment by P.A. 96-339)

Sec. 15-170. Senior Citizens Homestead Exemption. An annual homestead exemption limited, except as described here with relation to cooperatives or life care facilities, to a maximum reduction set forth below from the property's value, as equalized or assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a

leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes. Before taxable year 2004, the maximum reduction shall be \$2,500 in counties with 3,000,000 or more inhabitants and \$2,000 in all other counties. For taxable years 2004 through 2005, the maximum reduction shall be \$3,000 in all counties. For taxable years 2006 and 2007, the maximum reduction shall be \$3,500 and, for taxable years 2008 and thereafter, the maximum reduction is \$4,000 in all counties.

For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a contract with the owner or owners of record of the facility,

for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Sections 15-175, 15-176, and 15-177, "life care facility" means a facility, as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act.

When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act, ~~or~~ the Nursing Home Care Act, ~~or~~ the MR/DD Community Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the senior citizens homestead exemption under this Section must be granted a pro-rata exemption for the assessment year. The amount of the pro-rata exemption is the exemption allowed in the county under this Section divided by 365 and multiplied by the number of days during the assessment year the property is occupied as a residence by a person eligible for the exemption under this Section. The chief county assessment officer must adopt reasonable procedures to establish eligibility for this pro-rata exemption.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied

under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of \$5 to cover administrative costs to the supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department.

In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual

application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real estate taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications needed for deferral of real estate taxes, the address and telephone number of county collector, and a statement that applications for deferral of real estate taxes may be obtained from the county collector.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Sec. 15-172. Senior Citizens Assessment Freeze Homestead Exemption.

(a) This Section may be cited as the Senior Citizens Assessment Freeze Homestead Exemption.

(b) As used in this Section:

"Applicant" means an individual who has filed an

application under this Section.

"Base amount" means the base year equalized assessed value of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.

"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant

applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base year the year with the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household" means the applicant, the spouse of the applicant, and all persons using the residence of the applicant as their principal place of residence.

"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:

- (1) \$35,000 prior to taxable year 1999;
- (2) \$40,000 in taxable years 1999 through 2003;
- (3) \$45,000 in taxable years 2004 through 2005;
- (4) \$50,000 in taxable years 2006 and 2007; and
- (5) \$55,000 in taxable year 2008 and thereafter.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. If the Chief County Assessment Officer has established a specific legal description for a portion of property constituting the residence, then that portion of property shall be deemed the residence for the purposes of this Section.

"Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) has a legal or equitable ownership interest in the property as lessee, and (iv) is liable for the payment of real property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the exemption for all taxable years is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount. In all other counties, the amount of the exemption is as follows: (i) through taxable year 2005 and for taxable year 2007 and thereafter, the amount of this exemption shall be the equalized assessed value of the residence in the taxable year for which

application is made minus the base amount; and (ii) for taxable year 2006, the amount of the exemption is as follows:

(1) For an applicant who has a household income of \$45,000 or less, the amount of the exemption is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount.

(2) For an applicant who has a household income exceeding \$45,000 but not exceeding \$46,250, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.

(3) For an applicant who has a household income exceeding \$46,250 but not exceeding \$47,500, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.6.

(4) For an applicant who has a household income exceeding \$47,500 but not exceeding \$48,750, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.4.

(5) For an applicant who has a household income exceeding \$48,750 but not exceeding \$50,000, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior year for the same residence for which an exemption under this Section has been granted, the base year and base amount for that residence are the same as for the applicant for the prior year.

Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property, and (iv) who is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption

only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act or the Nursing Home Care Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age, the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall

submit an application by February 15, 1995 to the Chief County Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this Section to verify that the taxpayer is

eligible to receive the exemption. Each application shall contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 1961. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.

Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3 months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the

applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, and that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using 1994, rather than 1993, as the base year,

(ii) the amount of any exemption denied to the applicant in taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or

sanction imposed by this Act or by any statute or ordinance imposing a State or local tax. Any person who divulges any such information in any manner, except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates in such a way that information contained in any individual claim shall not be disclosed.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Sec. 15-172. Senior Citizens Assessment Freeze Homestead

Exemption.

(a) This Section may be cited as the Senior Citizens Assessment Freeze Homestead Exemption.

(b) As used in this Section:

"Applicant" means an individual who has filed an application under this Section.

"Base amount" means the base year equalized assessed value of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.

"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that

reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base year the year with the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household" means the applicant, the spouse of the applicant, and all persons using the residence of the applicant as their principal place of residence.

"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:

- (1) \$35,000 prior to taxable year 1999;
- (2) \$40,000 in taxable years 1999 through 2003;
- (3) \$45,000 in taxable years 2004 through 2005;
- (4) \$50,000 in taxable years 2006 and 2007; and
- (5) \$55,000 in taxable year 2008 and thereafter.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. If the Chief County Assessment Officer has established a specific legal description for a portion of property constituting the residence, then that portion of

property shall be deemed the residence for the purposes of this Section.

"Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) has a legal or equitable ownership interest in the property as lessee, and (iv) is liable for the payment of real property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the exemption for all taxable years is the equalized assessed value of the residence in the taxable year for which

application is made minus the base amount. In all other counties, the amount of the exemption is as follows: (i) through taxable year 2005 and for taxable year 2007 and thereafter, the amount of this exemption shall be the equalized assessed value of the residence in the taxable year for which application is made minus the base amount; and (ii) for taxable year 2006, the amount of the exemption is as follows:

(1) For an applicant who has a household income of \$45,000 or less, the amount of the exemption is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount.

(2) For an applicant who has a household income exceeding \$45,000 but not exceeding \$46,250, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.

(3) For an applicant who has a household income exceeding \$46,250 but not exceeding \$47,500, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.6.

(4) For an applicant who has a household income exceeding \$47,500 but not exceeding \$48,750, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.4.

(5) For an applicant who has a household income exceeding \$48,750 but not exceeding \$50,000, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior year for the same residence for which an exemption under this Section has been granted, the base year and base amount for that residence are the same as for the applicant for the prior year.

Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property, and (iv) who is an owner of record of a

legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act, ~~or~~ the Nursing Home Care Act, ~~or~~ the MR/DD Community Care Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age, the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall submit an application by February 15, 1995 to the Chief County Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January

1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this Section to verify that the taxpayer is eligible to receive the exemption. Each application shall contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 1961. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.

Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3 months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the

Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, and that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of

determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using 1994, rather than 1993, as the base year, (ii) the amount of any exemption denied to the applicant in taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the

Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or sanction imposed by this Act or by any statute or ordinance imposing a State or local tax. Any person who divulges any such information in any manner, except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates in such a way that information contained in any individual claim shall not be disclosed.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the

implementation of any mandate created by this Section.

Sec. 18-185. Short title; definitions. This Division 5 may be cited as the Property Tax Extension Limitation Law. As used in this Division 5:

"Consumer Price Index" means the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor.

"Affected county" means a county of 3,000,000 or more inhabitants or a county contiguous to a county of 3,000,000 or more inhabitants.

"Taxing district" has the same meaning provided in Section 1-150, except as otherwise provided in this Section. For the 1991 through 1994 levy years only, "taxing district" includes only each non-home rule taxing district having the majority of its 1990 equalized assessed value within any county or counties contiguous to a county with 3,000,000 or more inhabitants. Beginning with the 1995 levy year, "taxing district" includes only each non-home rule taxing district subject to this Law

before the 1995 levy year and each non-home rule taxing district not subject to this Law before the 1995 levy year having the majority of its 1994 equalized assessed value in an affected county or counties. Beginning with the levy year in which this Law becomes applicable to a taxing district as provided in Section 18-213, "taxing district" also includes those taxing districts made subject to this Law as provided in Section 18-213.

"Aggregate extension" for taxing districts to which this Law applied before the 1995 levy year means the annual corporate extension for the taxing district and those special purpose extensions that are made annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before October 1, 1991; (c) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund those bonds issued before October 1, 1991; (d) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund bonds issued after October 1, 1991 that were approved by referendum; (e) made for any taxing district to pay interest or principal on revenue bonds issued before October 1, 1991 for payment of which a property tax levy or the full faith and credit of the unit of local government is pledged; however, a

tax for the payment of interest or principal on those bonds shall be made only after the governing body of the unit of local government finds that all other sources for payment are insufficient to make those payments; (f) made for payments under a building commission lease when the lease payments are for the retirement of bonds issued by the commission before October 1, 1991, to pay for the building project; (g) made for payments due under installment contracts entered into before October 1, 1991; (h) made for payments of principal and interest on bonds issued under the Metropolitan Water Reclamation District Act to finance construction projects initiated before October 1, 1991; (i) made for payments of principal and interest on limited bonds, as defined in Section 3 of the Local Government Debt Reform Act, in an amount not to exceed the debt service extension base less the amount in items (b), (c), (e), and (h) of this definition for non-referendum obligations, except obligations initially issued pursuant to referendum; (j) made for payments of principal and interest on bonds issued under Section 15 of the Local Government Debt Reform Act; (k) made by a school district that participates in the Special Education District of Lake County, created by special education joint agreement under Section 10-22.31 of the School Code, for payment of the school district's share of the amounts required to be contributed by the Special Education District of Lake County to the Illinois Municipal Retirement Fund under Article 7 of the Illinois Pension Code; the amount

of any extension under this item (k) shall be certified by the school district to the county clerk; (l) made to fund expenses of providing joint recreational programs for the handicapped under Section 5-8 of the Park District Code or Section 11-95-14 of the Illinois Municipal Code; (m) made for temporary relocation loan repayment purposes pursuant to Sections 2-3.77 and 17-2.2d of the School Code; (n) made for payment of principal and interest on any bonds issued under the authority of Section 17-2.2d of the School Code; and (o) made for contributions to a firefighter's pension fund created under Article 4 of the Illinois Pension Code, to the extent of the amount certified under item (5) of Section 4-134 of the Illinois Pension Code.

"Aggregate extension" for the taxing districts to which this Law did not apply before the 1995 levy year (except taxing districts subject to this Law in accordance with Section 18-213) means the annual corporate extension for the taxing district and those special purpose extensions that are made annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before March 1, 1995; (c) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund those bonds issued before March 1, 1995; (d) made for any taxing

issued pursuant to referendum and bonds described in subsection (h) of this definition; (j) made for payments of principal and interest on bonds issued under Section 15 of the Local Government Debt Reform Act; (k) made for payments of principal and interest on bonds authorized by Public Act 88-503 and issued under Section 20a of the Chicago Park District Act for aquarium or museum projects; (l) made for payments of principal and interest on bonds authorized by Public Act 87-1191 or 93-601 and (i) issued pursuant to Section 21.2 of the Cook County Forest Preserve District Act, (ii) issued under Section 42 of the Cook County Forest Preserve District Act for zoological park projects, or (iii) issued under Section 44.1 of the Cook County Forest Preserve District Act for botanical gardens projects; (m) made pursuant to Section 34-53.5 of the School Code, whether levied annually or not; (n) made to fund expenses of providing joint recreational programs for the handicapped under Section 5-8 of the Park District Code or Section 11-95-14 of the Illinois Municipal Code; (o) made by the Chicago Park District for recreational programs for the handicapped under subsection (c) of Section 7.06 of the Chicago Park District Act; (p) made for contributions to a firefighter's pension fund created under Article 4 of the Illinois Pension Code, to the extent of the amount certified under item (5) of Section 4-134 of the Illinois Pension Code; and (q) made by Ford Heights School District 169 under Section 17-9.02 of the School Code.

"Aggregate extension" for all taxing districts to which this Law applies in accordance with Section 18-213, except for those taxing districts subject to paragraph (2) of subsection (e) of Section 18-213, means the annual corporate extension for the taxing district and those special purpose extensions that are made annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before the date on which the referendum making this Law applicable to the taxing district is held; (c) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund those bonds issued before the date on which the referendum making this Law applicable to the taxing district is held; (d) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund bonds issued after the date on which the referendum making this Law applicable to the taxing district is held if the bonds were approved by referendum after the date on which the referendum making this Law applicable to the taxing district is held; (e) made for any taxing district to pay interest or principal on revenue bonds issued before the date on which the referendum making this Law applicable to the taxing district is held for payment of which a property tax levy or the full faith and credit of the unit of local

government is pledged; however, a tax for the payment of interest or principal on those bonds shall be made only after the governing body of the unit of local government finds that all other sources for payment are insufficient to make those payments; (f) made for payments under a building commission lease when the lease payments are for the retirement of bonds issued by the commission before the date on which the referendum making this Law applicable to the taxing district is held to pay for the building project; (g) made for payments due under installment contracts entered into before the date on which the referendum making this Law applicable to the taxing district is held; (h) made for payments of principal and interest on limited bonds, as defined in Section 3 of the Local Government Debt Reform Act, in an amount not to exceed the debt service extension base less the amount in items (b), (c), and (e) of this definition for non-referendum obligations, except obligations initially issued pursuant to referendum; (i) made for payments of principal and interest on bonds issued under Section 15 of the Local Government Debt Reform Act; (j) made for a qualified airport authority to pay interest or principal on general obligation bonds issued for the purpose of paying obligations due under, or financing airport facilities required to be acquired, constructed, installed or equipped pursuant to, contracts entered into before March 1, 1996 (but not including any amendments to such a contract taking effect on or after that date); (k) made to fund expenses of providing

joint recreational programs for the handicapped under Section 5-8 of the Park District Code or Section 11-95-14 of the Illinois Municipal Code; (l) made for contributions to a firefighter's pension fund created under Article 4 of the Illinois Pension Code, to the extent of the amount certified under item (5) of Section 4-134 of the Illinois Pension Code; and (m) made for the taxing district to pay interest or principal on general obligation bonds issued pursuant to Section 19-3.10 of the School Code.

"Aggregate extension" for all taxing districts to which this Law applies in accordance with paragraph (2) of subsection (e) of Section 18-213 means the annual corporate extension for the taxing district and those special purpose extensions that are made annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before the effective date of this amendatory Act of 1997; (c) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund those bonds issued before the effective date of this amendatory Act of 1997; (d) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund bonds issued after the effective date of this amendatory Act of 1997 if the bonds were approved by referendum after the effective date of this

amendatory Act of 1997; (e) made for any taxing district to pay interest or principal on revenue bonds issued before the effective date of this amendatory Act of 1997 for payment of which a property tax levy or the full faith and credit of the unit of local government is pledged; however, a tax for the payment of interest or principal on those bonds shall be made only after the governing body of the unit of local government finds that all other sources for payment are insufficient to make those payments; (f) made for payments under a building commission lease when the lease payments are for the retirement of bonds issued by the commission before the effective date of this amendatory Act of 1997 to pay for the building project; (g) made for payments due under installment contracts entered into before the effective date of this amendatory Act of 1997; (h) made for payments of principal and interest on limited bonds, as defined in Section 3 of the Local Government Debt Reform Act, in an amount not to exceed the debt service extension base less the amount in items (b), (c), and (e) of this definition for non-referendum obligations, except obligations initially issued pursuant to referendum; (i) made for payments of principal and interest on bonds issued under Section 15 of the Local Government Debt Reform Act; (j) made for a qualified airport authority to pay interest or principal on general obligation bonds issued for the purpose of paying obligations due under, or financing airport facilities required to be acquired, constructed, installed or equipped

pursuant to, contracts entered into before March 1, 1996 (but not including any amendments to such a contract taking effect on or after that date); (k) made to fund expenses of providing joint recreational programs for the handicapped under Section 5-8 of the Park District Code or Section 11-95-14 of the Illinois Municipal Code; and (l) made for contributions to a firefighter's pension fund created under Article 4 of the Illinois Pension Code, to the extent of the amount certified under item (5) of Section 4-134 of the Illinois Pension Code.

"Debt service extension base" means an amount equal to that portion of the extension for a taxing district for the 1994 levy year, or for those taxing districts subject to this Law in accordance with Section 18-213, except for those subject to paragraph (2) of subsection (e) of Section 18-213, for the levy year in which the referendum making this Law applicable to the taxing district is held, or for those taxing districts subject to this Law in accordance with paragraph (2) of subsection (e) of Section 18-213 for the 1996 levy year, constituting an extension for payment of principal and interest on bonds issued by the taxing district without referendum, increased each year, commencing with the 2009 levy year, by the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year, but not including excluded non-referendum bonds. For park districts (i) that were first subject to this Law in 1991 or 1995 and (ii) whose extension for the 1994 levy year for the payment of

principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds) was less than 51% of the amount for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds), "debt service extension base" means an amount equal to that portion of the extension for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds). The debt service extension base may be established or increased as provided under Section 18-212. "Excluded non-referendum bonds" means (i) bonds authorized by Public Act 88-503 and issued under Section 20a of the Chicago Park District Act for aquarium and museum projects; (ii) bonds issued under Section 15 of the Local Government Debt Reform Act; or (iii) refunding obligations issued to refund or to continue to refund obligations initially issued pursuant to referendum.

"Special purpose extensions" include, but are not limited to, extensions for levies made on an annual basis for unemployment and workers' compensation, self-insurance, contributions to pension plans, and extensions made pursuant to Section 6-601 of the Illinois Highway Code for a road district's permanent road fund whether levied annually or not. The extension for a special service area is not included in the

aggregate extension.

"Aggregate extension base" means the taxing district's last preceding aggregate extension as adjusted under Sections 18-135, 18-215, and 18-230. An adjustment under Section 18-135 shall be made for the 2007 levy year and all subsequent levy years whenever one or more counties within which a taxing district is located (i) used estimated valuations or rates when extending taxes in the taxing district for the last preceding levy year that resulted in the over or under extension of taxes, or (ii) increased or decreased the tax extension for the last preceding levy year as required by Section 18-135(c). Whenever an adjustment is required under Section 18-135, the aggregate extension base of the taxing district shall be equal to the amount that the aggregate extension of the taxing district would have been for the last preceding levy year if either or both (i) actual, rather than estimated, valuations or rates had been used to calculate the extension of taxes for the last levy year, or (ii) the tax extension for the last preceding levy year had not been adjusted as required by subsection (c) of Section 18-135.

"Levy year" has the same meaning as "year" under Section 1-155.

"New property" means (i) the assessed value, after final board of review or board of appeals action, of new improvements or additions to existing improvements on any parcel of real property that increase the assessed value of that real property

during the levy year multiplied by the equalization factor issued by the Department under Section 17-30, (ii) the assessed value, after final board of review or board of appeals action, of real property not exempt from real estate taxation, which real property was exempt from real estate taxation for any portion of the immediately preceding levy year, multiplied by the equalization factor issued by the Department under Section 17-30, including the assessed value, upon final stabilization of occupancy after new construction is complete, of any real property located within the boundaries of an otherwise or previously exempt military reservation that is intended for residential use and owned by or leased to a private corporation or other entity, and (iii) in counties that classify in accordance with Section 4 of Article IX of the Illinois Constitution, an incentive property's additional assessed value resulting from a scheduled increase in the level of assessment as applied to the first year final board of review market value. In addition, the county clerk in a county containing a population of 3,000,000 or more shall include in the 1997 recovered tax increment value for any school district, any recovered tax increment value that was applicable to the 1995 tax year calculations.

"Qualified airport authority" means an airport authority organized under the Airport Authorities Act and located in a county bordering on the State of Wisconsin and having a population in excess of 200,000 and not greater than 500,000.

"Recovered tax increment value" means, except as otherwise provided in this paragraph, the amount of the current year's equalized assessed value, in the first year after a municipality terminates the designation of an area as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, previously established under the Economic Development Project Area Tax Increment Act of 1995, or previously established under the Economic Development Area Tax Increment Allocation Act, of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. For the taxes which are extended for the 1997 levy year, the recovered tax increment value for a non-home rule taxing district that first became subject to this Law for the 1995 levy year because a majority of its 1994 equalized assessed value was in an affected county or counties shall be increased if a municipality terminated the designation of an area in 1993 as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, or previously established under the Economic Development Area Tax Increment Allocation Act, by an amount equal to the 1994 equalized

assessed value of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. In the first year after a municipality removes a taxable lot, block, tract, or parcel of real property from a redevelopment project area established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, the Industrial Jobs Recovery Law in the Illinois Municipal Code, or the Economic Development Area Tax Increment Allocation Act, "recovered tax increment value" means the amount of the current year's equalized assessed value of each taxable lot, block, tract, or parcel of real property removed from the redevelopment project area over and above the initial equalized assessed value of that real property before removal from the redevelopment project area.

Except as otherwise provided in this Section, "limiting rate" means a fraction the numerator of which is the last preceding aggregate extension base times an amount equal to one plus the extension limitation defined in this Section and the denominator of which is the current year's equalized assessed value of all real property in the territory under the jurisdiction of the taxing district during the prior levy year. For those taxing districts that reduced their aggregate extension for the last preceding levy year, the highest aggregate extension in any of the last 3 preceding levy years shall be used for the purpose of computing the limiting rate.

The denominator shall not include new property or the recovered tax increment value. If a new rate, a rate decrease, or a limiting rate increase has been approved at an election held after March 21, 2006, then (i) the otherwise applicable limiting rate shall be increased by the amount of the new rate or shall be reduced by the amount of the rate decrease, as the case may be, or (ii) in the case of a limiting rate increase, the limiting rate shall be equal to the rate set forth in the proposition approved by the voters for each of the years specified in the proposition, after which the limiting rate of the taxing district shall be calculated as otherwise provided.

Section 220. The Motor Fuel Tax Law is amended by changing Section 8 as follows:

(35 ILCS 505/8) (from Ch. 120, par. 424)

Sec. 8. Except as provided in Section 8a, subdivision (h)(1) of Section 12a, Section 13a.6, and items 13, 14, 15, and 16 of Section 15, all money received by the Department under this Act, including payments made to the Department by member jurisdictions participating in the International Fuel Tax Agreement, shall be deposited in a special fund in the State treasury, to be known as the "Motor Fuel Tax Fund", and shall

be used as follows:

(a) 2 1/2 cents per gallon of the tax collected on special fuel under paragraph (b) of Section 2 and Section 13a of this Act shall be transferred to the State Construction Account Fund in the State Treasury;

(b) \$420,000 shall be transferred each month to the State Boating Act Fund to be used by the Department of Natural Resources for the purposes specified in Article X of the Boat Registration and Safety Act;

(c) \$3,500,000 shall be transferred each month to the Grade Crossing Protection Fund to be used as follows: not less than \$12,000,000 each fiscal year shall be used for the construction or reconstruction of rail highway grade separation structures; \$2,250,000 in fiscal years 2004 through 2009 and \$3,000,000 in fiscal year 2010 and each fiscal year thereafter shall be transferred to the Transportation Regulatory Fund and shall be accounted for as part of the rail carrier portion of such funds and shall be used to pay the cost of administration of the Illinois Commerce Commission's railroad safety program in connection with its duties under subsection (3) of Section 18c-7401 of the Illinois Vehicle Code, with the remainder to be used by the Department of Transportation upon order of the Illinois Commerce Commission, to pay that part of the cost apportioned by such Commission to the State to cover the interest of the public in the use of highways, roads, streets, or pedestrian walkways in the county highway system, township

and district road system, or municipal street system as defined in the Illinois Highway Code, as the same may from time to time be amended, for separation of grades, for installation, construction or reconstruction of crossing protection or reconstruction, alteration, relocation including construction or improvement of any existing highway necessary for access to property or improvement of any grade crossing and grade crossing surface including the necessary highway approaches thereto of any railroad across the highway or public road, or for the installation, construction, reconstruction, or maintenance of a pedestrian walkway over or under a railroad right-of-way, as provided for in and in accordance with Section 18c-7401 of the Illinois Vehicle Code. The Commission may order up to \$2,000,000 per year in Grade Crossing Protection Fund moneys for the improvement of grade crossing surfaces and up to \$300,000 per year for the maintenance and renewal of 4-quadrant gate vehicle detection systems located at non-high speed rail grade crossings. The Commission shall not order more than \$2,000,000 per year in Grade Crossing Protection Fund moneys for pedestrian walkways. In entering orders for projects for which payments from the Grade Crossing Protection Fund will be made, the Commission shall account for expenditures authorized by the orders on a cash rather than an accrual basis. For purposes of this requirement an "accrual basis" assumes that the total cost of the project is expended in the fiscal year in which the order is entered, while a "cash basis" allocates the

cost of the project among fiscal years as expenditures are actually made. To meet the requirements of this subsection, the Illinois Commerce Commission shall develop annual and 5-year project plans of rail crossing capital improvements that will be paid for with moneys from the Grade Crossing Protection Fund. The annual project plan shall identify projects for the succeeding fiscal year and the 5-year project plan shall identify projects for the 5 directly succeeding fiscal years. The Commission shall submit the annual and 5-year project plans for this Fund to the Governor, the President of the Senate, the Senate Minority Leader, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives on the first Wednesday in April of each year;

(d) of the amount remaining after allocations provided for in subsections (a), (b) and (c), a sufficient amount shall be reserved to pay all of the following:

(1) the costs of the Department of Revenue in administering this Act;

(2) the costs of the Department of Transportation in performing its duties imposed by the Illinois Highway Code for supervising the use of motor fuel tax funds apportioned to municipalities, counties and road districts;

(3) refunds provided for in Section 13 of this Act and under the terms of the International Fuel Tax Agreement referenced in Section 14a;

(4) from October 1, 1985 until June 30, 1994, the

administration of the Vehicle Emissions Inspection Law, which amount shall be certified monthly by the Environmental Protection Agency to the State Comptroller and shall promptly be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund to the Vehicle Inspection Fund, and for the period July 1, 1994 through June 30, 2000, one-twelfth of \$25,000,000 each month, for the period July 1, 2000 through June 30, 2003, one-twelfth of \$30,000,000 each month, and \$15,000,000 on July 1, 2003, and \$15,000,000 on January 1, 2004, and \$15,000,000 on each July 1 and October 1, or as soon thereafter as may be practical, during the period July 1, 2004 through June 30, 2010, for the administration of the Vehicle Emissions Inspection Law of 2005, to be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund into the Vehicle Inspection Fund;

(5) amounts ordered paid by the Court of Claims; and

(6) payment of motor fuel use taxes due to member jurisdictions under the terms of the International Fuel Tax Agreement. The Department shall certify these amounts to the Comptroller by the 15th day of each month; the Comptroller shall cause orders to be drawn for such amounts, and the Treasurer shall administer those amounts on or before the last day of each month;

(e) after allocations for the purposes set forth in subsections (a), (b), (c) and (d), the remaining amount shall

be apportioned as follows:

(1) Until January 1, 2000, 58.4%, and beginning January 1, 2000, 45.6% shall be deposited as follows:

(A) 37% into the State Construction Account Fund,
and

(B) 63% into the Road Fund, \$1,250,000 of which shall be reserved each month for the Department of Transportation to be used in accordance with the provisions of Sections 6-901 through 6-906 of the Illinois Highway Code;

(2) Until January 1, 2000, 41.6%, and beginning January 1, 2000, 54.4% shall be transferred to the Department of Transportation to be distributed as follows:

(A) 49.10% to the municipalities of the State,

(B) 16.74% to the counties of the State having 1,000,000 or more inhabitants,

(C) 18.27% to the counties of the State having less than 1,000,000 inhabitants,

(D) 15.89% to the road districts of the State.

As soon as may be after the first day of each month the Department of Transportation shall allot to each municipality its share of the amount apportioned to the several municipalities which shall be in proportion to the population of such municipalities as determined by the last preceding municipal census if conducted by the Federal Government or Federal census. If territory is annexed to any municipality

subsequent to the time of the last preceding census the corporate authorities of such municipality may cause a census to be taken of such annexed territory and the population so ascertained for such territory shall be added to the population of the municipality as determined by the last preceding census for the purpose of determining the allotment for that municipality. If the population of any municipality was not determined by the last Federal census preceding any apportionment, the apportionment to such municipality shall be in accordance with any census taken by such municipality. Any municipal census used in accordance with this Section shall be certified to the Department of Transportation by the clerk of such municipality, and the accuracy thereof shall be subject to approval of the Department which may make such corrections as it ascertains to be necessary.

As soon as may be after the first day of each month the Department of Transportation shall allot to each county its share of the amount apportioned to the several counties of the State as herein provided. Each allotment to the several counties having less than 1,000,000 inhabitants shall be in proportion to the amount of motor vehicle license fees received from the residents of such counties, respectively, during the preceding calendar year. The Secretary of State shall, on or before April 15 of each year, transmit to the Department of Transportation a full and complete report showing the amount of motor vehicle license fees received from the residents of each

county, respectively, during the preceding calendar year. The Department of Transportation shall, each month, use for allotment purposes the last such report received from the Secretary of State.

As soon as may be after the first day of each month, the Department of Transportation shall allot to the several counties their share of the amount apportioned for the use of road districts. The allotment shall be apportioned among the several counties in the State in the proportion which the total mileage of township or district roads in the respective counties bears to the total mileage of all township and district roads in the State. Funds allotted to the respective counties for the use of road districts therein shall be allocated to the several road districts in the county in the proportion which the total mileage of such township or district roads in the respective road districts bears to the total mileage of all such township or district roads in the county. After July 1 of any year, no allocation shall be made for any road district unless it levied a tax for road and bridge purposes in an amount which will require the extension of such tax against the taxable property in any such road district at a rate of not less than either .08% of the value thereof, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the

road district, whichever is less. If any road district has levied a special tax for road purposes pursuant to Sections 6-601, 6-602 and 6-603 of the Illinois Highway Code, and such tax was levied in an amount which would require extension at a rate of not less than .08% of the value of the taxable property thereof, as equalized or assessed by the Department of Revenue, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such levy shall, however, be deemed a proper compliance with this Section and shall qualify such road district for an allotment under this Section. If a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least .08%, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such transfer, together with any such tax levy, shall be deemed a proper compliance with this Section and shall qualify the road district for an allotment under this Section.

In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law, road districts may retain their entitlement to a motor fuel tax allotment if, at the time the property tax extension limitation was imposed, the road district was levying a road and bridge tax at a rate sufficient to entitle it to a motor fuel tax

allotment and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. Any road district may in all circumstances retain its entitlement to a motor fuel tax allotment if it levied a road and bridge tax in an amount that will require the extension of the tax against the taxable property in the road district at a rate of not less than 0.08% of the assessed value of the property, based upon the assessment for the year immediately preceding the year in which the tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less.

As used in this Section the term "road district" means any road district, including a county unit road district, provided for by the Illinois Highway Code; and the term "township or district road" means any road in the township and district road system as defined in the Illinois Highway Code. For the purposes of this Section, "road district" also includes park districts, forest preserve districts and conservation districts organized under Illinois law and "township or district road" also includes such roads as are maintained by park districts, forest preserve districts and conservation districts. The Department of Transportation shall determine the mileage of all township and district roads for the purposes of making allotments and allocations of motor fuel tax funds for use in road districts.

Payment of motor fuel tax moneys to municipalities and counties shall be made as soon as possible after the allotment is made. The treasurer of the municipality or county may invest these funds until their use is required and the interest earned by these investments shall be limited to the same uses as the principal funds.

board of trustees and the marshal ~~marshal~~ or chief of its fire department or service, as the case may be; and in all the municipalities above designated 3 additional persons chosen from their active firefighters and one other person who has retired under the "Firemen's Pension Fund Act of 1919", or this Article. Notwithstanding any provision of this Section to the contrary, the term of office of each member of a board established on or before the 3rd Monday in April, 2006 shall terminate on the 3rd Monday in April, 2006, but all incumbent members shall continue to exercise all of the powers and be subject to all of the duties of a member of the board until all the new members of the board take office.

Beginning on the 3rd Monday in April, 2006, the board for each municipality or fire protection district shall consist of 5 members. No person shall cast more than one vote for each candidate for whom he or she is eligible to vote. In the elections for board members to be chosen from the active firefighters, all

active firefighters and no others may vote. In the elections for board members to be chosen from retired firefighters, the retired firefighters and no others may vote.

Each member of the board so elected shall hold office for a term of 3 years and until his or her successor has been duly elected and qualified.

The board shall canvass the ballots and declare which persons have been elected and for what term or terms respectively. In case of a tie vote between 2 or more candidates, the board shall determine by lot which candidate or candidates have been elected and for what term or terms respectively. The board shall elect annually from its members a president and secretary.

Board members shall not receive or have any right to receive any salary from a pension fund for services performed as board members.

Sec. 14-131. Contributions by State.

(a) The State shall make contributions to the System by appropriations of amounts which, together with other employer contributions from trust, federal, and other funds, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial

recommendations.

For the purposes of this Section and Section 14-135.08, references to State contributions refer only to employer contributions and do not include employee contributions that are picked up or otherwise paid by the State or a department on behalf of the employee.

(b) The Board shall determine the total amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board, using the formula in subsection (e).

The Board shall also determine a State contribution rate for each fiscal year, expressed as a percentage of payroll, based on the total required State contribution for that fiscal year (less the amount received by the System from appropriations under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act, if any, for the fiscal year ending on the June 30 immediately preceding the applicable November 15 certification deadline), the estimated payroll (including all forms of compensation) for personal services rendered by eligible employees, and the recommendations of the actuary.

For the purposes of this Section and Section 14.1 of the State Finance Act, the term "eligible employees" includes employees who participate in the System, persons who may elect to participate in the System but have not so elected, persons who are serving a qualifying period that is required for

participation, and annuitants employed by a department as described in subdivision (a) (1) or (a) (2) of Section 14-111.

(c) Contributions shall be made by the several departments for each pay period by warrants drawn by the State Comptroller against their respective funds or appropriations based upon vouchers stating the amount to be so contributed. These amounts shall be based on the full rate certified by the Board under Section 14-135.08 for that fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, the several departments shall not make contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The several departments shall resume those contributions at the commencement of fiscal year 2005.

(c-1) Notwithstanding subsection (c) of this Section, for fiscal year 2010 only, contributions by the several departments are not required to be made for General Revenue Funds payrolls processed by the Comptroller. Payrolls paid by the several departments from all other State funds must continue to be processed pursuant to subsection (c) of this Section.

(c-2) For State fiscal year 2010 only, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the fiscal

year 2010 General Revenue Fund appropriation to the System.

(d) If an employee is paid from trust funds or federal funds, the department or other employer shall pay employer contributions from those funds to the System at the certified rate, unless the terms of the trust or the federal-State agreement preclude the use of the funds for that purpose, in which case the required employer contributions shall be paid by the State. From the effective date of this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, the department or other employer shall not pay contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The department or other employer shall resume payment of contributions at the commencement of fiscal year 2005.

(e) For State fiscal years 2011 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For State fiscal years 1996 through 2005, the State

contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that (i) for State fiscal year 1998, for all purposes of this Code and any other law of this State, the certified percentage of the applicable employee payroll shall be 5.052% for employees earning eligible creditable service under Section 14-110 and 6.500% for all other employees, notwithstanding any contrary certification made under Section 14-135.08 before the effective date of this amendatory Act of 1997, and (ii) in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a): 9.8% in FY 1999; 10.0% in FY 2000; 10.2% in FY 2001; 10.4% in FY 2002; 10.6% in FY 2003; and 10.8% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2006 is \$203,783,900.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2007 is \$344,164,400.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable

employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2010 is \$723,703,100 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a

funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 14-135.08, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal

year 2011, the State is contributing at the rate otherwise required under this Section.

(f) After the submission of all payments for eligible employees from personal services line items in fiscal year 2004 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2004 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 93rd General Assembly had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2004 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2004 through payments under this Section and under Section 6z-61 of the State Finance Act. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2004 Shortfall" for purposes of this Section, and the Fiscal Year 2004 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2004 Overpayment" for purposes of this Section, and the Fiscal Year 2004 Overpayment shall be repaid by the System to the Pension Contribution Fund as soon as practicable after the certification.

(g) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(h) For purposes of determining the required State contribution to the System for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the System's actuarially assumed rate of return.

(i) ~~(g)~~ After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2010 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2010 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 96th General Assembly had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2010 in order to meet the

State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2010 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2010 Shortfall" for purposes of this Section, and the Fiscal Year 2010 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2010 Overpayment" for purposes of this Section, and the Fiscal Year 2010 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

The terms of all trustees holding office under this subsection (b) on June 30, 1995 shall terminate at the end of that day and the Board shall thereafter be constituted as provided in subsection (c).

(c) Beginning July 1, 1995, the Board of Trustees shall be

constituted as follows:

The Board shall consist of 9 trustees appointed by the Governor. Two of the trustees, designated at the time of appointment, shall be participants of the System. Two of the trustees, designated at the time of appointment, shall be annuitants of the System who are receiving retirement annuities under this Article. The 5 remaining trustees may, but need not, be participants or annuitants of the System.

The term of office of trustees appointed under this subsection (c) shall be 6 years, beginning on July 1. However, of the initial trustees appointed under this subsection (c), 3 shall be appointed for terms of 2 years, 3 shall be appointed for terms of 4 years, and 3 shall be appointed for terms of 6 years, to be designated by the Governor at the time of appointment.

The terms of all trustees holding office under this subsection (c) on the effective date of this amendatory Act of the 96th General Assembly shall terminate on that effective date. The Governor shall make nominations for appointment under this Section within 60 days after the effective date of this amendatory Act of the 96th General Assembly. A trustee sitting on the board on the effective date of this amendatory Act of the 96th General Assembly may not hold over in office for more than 90 days after the effective date of this amendatory Act of the 96th General Assembly. Nothing in this Section shall prevent the Governor from making a temporary appointment or

nominating a trustee holding office on the day before the effective date of this amendatory Act of the 96th General Assembly.

(d) Beginning on the 90th day after the effective date of this amendatory Act of the 96th General Assembly, the Board of Trustees shall be constituted as follows:

(1) The Chairperson of the Board of Higher Education, who shall act as chairperson of this Board.

(2) Four trustees appointed by the Governor with the advice and consent of the Senate who may not be members of the system or hold an elective State office and who shall serve for a term of 6 years, except that the terms of the initial appointees under this subsection (d) shall be as follows: 2 for a term of 3 years and 2 for a term of 6 years.

(3) Four active participants of the system to be elected from the contributing membership of the system by the contributing members, no more than 2 of which may be from any of the University of Illinois campuses, who shall serve for a term of 6 years, except that the terms of the initial electees shall be as follows: 2 for a term of 3 years and 2 for a term of 6 years.

(4) Two annuitants of the system who have been annuitants for at least one full year, to be elected from and by the annuitants of the system, no more than one of which may be from any of the University of Illinois

campuses, who shall serve for a term of 6 years, except that the terms of the initial electees shall be as follows: one for a term of 3 years and one for a term of 6 years.

For the purposes of this Section, the Governor may make a nomination and the Senate may confirm the nominee in advance of the commencement of the nominee's term of office.

(e) The 6 elected trustees shall be elected within 90 days after the effective date of this amendatory Act of the 96th General Assembly for a term beginning on the 90th day after the effective date of this amendatory Act. Trustees shall be elected thereafter as terms expire for a 6-year term beginning July 15 next following their election, and such election shall be held on May 1, or on May 2 when May 1 falls on a Sunday. The board may establish rules for the election of trustees to implement the provisions of this amendatory Act of the 96th General Assembly and for future elections. Candidates for the participating trustee shall be nominated by petitions in writing, signed by not less than 400 participants with their addresses shown opposite their names. Candidates for the annuitant trustee shall be nominated by petitions in writing, signed by not less than 100 annuitants with their addresses shown opposite their names. If there is more than one qualified nominee for each elected trustee, then the board shall conduct a secret ballot election by mail for that trustee, in accordance with rules as established by the board. If there is only one qualified person nominated by petition for each

elected trustee, then the election as required by this Section shall not be conducted for that trustee and the board shall declare such nominee duly elected. A vacancy occurring in the elective membership of the board shall be filled for the unexpired term by the elected trustees serving on the board for the remainder of the term.

(f) A vacancy on the board of trustees caused by resignation, death, expiration of term of office, or other reason shall be filled by a qualified person appointed by the Governor for the remainder of the unexpired term.

(g) Trustees (other than the trustees incumbent on June 30, 1995 or as provided in subsection (c) of this Section) shall continue in office until their respective successors are appointed and have qualified, except that a trustee appointed to one of the participant positions shall be disqualified immediately upon the termination of his or her status as a participant and a trustee appointed to one of the annuitant positions shall be disqualified immediately upon the termination of his or her status as an annuitant receiving a retirement annuity.

(h) Each trustee must take an oath of office before a notary public of this State and shall qualify as a trustee upon the presentation to the board of a certified copy of the oath. The oath must state that the person will diligently and honestly administer the affairs of the retirement system, and will not knowingly violate or wilfully permit to be violated

any provisions of this Article.

Each trustee shall serve without compensation but shall be reimbursed for expenses necessarily incurred in attending board meetings and carrying out his or her duties as a trustee or officer of the system.

(i) This amendatory Act of 1995 is intended to supersede the changes made to this Section by Public Act 89-4.

(40 ILCS 5/18-125) (from Ch. 108 1/2, par. 18-125)

Sec. 18-125. Retirement annuity amount.

(a) The annual retirement annuity for a participant who terminated service as a judge prior to July 1, 1971 shall be based on the law in effect at the time of termination of service.

(b) Effective July 1, 1971, the retirement annuity for any participant in service on or after such date shall be 3 1/2% of final average salary, as defined in this Section, for each of the first 10 years of service, and 5% of such final average salary for each year of service on excess of 10.

For purposes of this Section, final average salary for a participant who first serves as a judge before August 10, 2009 ~~(the effective date of Public Act 96-207) this amendatory Act of the 96th General Assembly~~ shall be:

(1) the average salary for the last 4 years of credited service as a judge for a participant who terminates service

before July 1, 1975.

(2) for a participant who terminates service after June 30, 1975 and before July 1, 1982, the salary on the last day of employment as a judge.

(3) for any participant who terminates service after June 30, 1982 and before January 1, 1990, the average salary for the final year of service as a judge.

(4) for a participant who terminates service on or after January 1, 1990 but before the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge.

(5) for a participant who terminates service on or after the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge, or the highest salary received by the participant for employment as a judge in a position held by the participant for at least 4 consecutive years, whichever is greater.

However, in the case of a participant who elects to discontinue contributions as provided in subdivision (a)(2) of Section 18-133, the time of such election shall be considered the last day of employment in the determination of final average salary under this subsection.

For a participant who first serves as a judge on or after August 10, 2009 (the effective date of Public Act 96-207) ~~this amendatory Act of the 96th General Assembly~~, final average salary shall be the average monthly salary obtained by dividing

the total salary of the participant during the period of: (1) the 48 consecutive months of service within the last 120 months of service in which the total compensation was the highest, or (2) the total period of service, if less than 48 months, by the number of months of service in that period.

The maximum retirement annuity for any participant shall be 85% of final average salary.

(c) The retirement annuity for a participant who retires prior to age 60 with less than 28 years of service in the System shall be reduced $1/2$ of 1% for each month that the participant's age is under 60 years at the time the annuity commences. However, for a participant who retires on or after the effective date of this amendatory Act of the 91st General Assembly, the percentage reduction in retirement annuity imposed under this subsection shall be reduced by $5/12$ of 1% for every month of service in this System in excess of 20 years, and therefore a participant with at least 26 years of service in this System may retire at age 55 without any reduction in annuity.

The reduction in retirement annuity imposed by this subsection shall not apply in the case of retirement on account of disability.

Section 230. The State Pension Funds Continuing Appropriation Act is amended by changing Section 1.2 as

follows:

(40 ILCS 15/1.2)

Sec. 1.2. Appropriations for the State Employees' Retirement System.

(a) From each fund from which an amount is appropriated for personal services to a department or other employer under Article 14 of the Illinois Pension Code, there is hereby appropriated to that department or other employer, on a continuing annual basis for each State fiscal year, an additional amount equal to the amount, if any, by which (1) an amount equal to the percentage of the personal services line item for that department or employer from that fund for that fiscal year that the Board of Trustees of the State Employees' Retirement System of Illinois has certified under Section 14-135.08 of the Illinois Pension Code to be necessary to meet the State's obligation under Section 14-131 of the Illinois Pension Code for that fiscal year, exceeds (2) the amounts otherwise appropriated to that department or employer from that fund for State contributions to the State Employees' Retirement System for that fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through the final payment from a department or employer's personal services line item for fiscal year 2004, payments to the State Employees' Retirement System that otherwise would have been made under this subsection (a) shall be governed by the provisions in

subsection (a-1).

(a-1) If a Fiscal Year 2004 Shortfall is certified under subsection (f) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2004 Shortfall.

(a-2) If a Fiscal Year 2010 Shortfall is certified under subsection (g) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2010 Shortfall.

(b) The continuing appropriations provided for by this Section shall first be available in State fiscal year 1996.

(c) Beginning in Fiscal Year 2005, any continuing appropriation under this Section arising out of an appropriation for personal services from the Road Fund to the Department of State Police or the Secretary of State shall be payable from the General Revenue Fund rather than the Road Fund.

(d) For State fiscal year 2010 only, a continuing appropriation is provided to the State Employees' Retirement System equal to the amount certified by the System on or before December 31, 2008, less the gross proceeds of the bonds sold in fiscal year 2010 under the authorization contained in

subsection (a) of Section 7.2 of the General Obligation Bond Act.

Section 235. The Emergency Telephone System Act is amended by changing Section 15.4 as follows:

(50 ILCS 750/15.4) (from Ch. 134, par. 45.4)

Sec. 15.4. Emergency Telephone System Board; powers.

(a) The corporate authorities of any county or municipality that imposes a surcharge under Section 15.3 shall establish an Emergency Telephone System Board. The corporate authorities shall provide for the manner of appointment and the number of members of the Board, provided that the board shall consist of not fewer than 5 members, one of whom must be a public member who is a resident of the local exchange service territory included in the 9-1-1 coverage area, one of whom (in counties with a population less than 100,000) must be a member of the county board, and at least 3 of whom shall be representative of the 9-1-1 public safety agencies, including but not limited to police departments, fire departments, emergency medical services providers, and emergency services and disaster agencies, and appointed on the basis of their ability or experience. In counties with a population of more than 100,000 but less than 2,000,000, a member of the county board may serve

on the Emergency Telephone System Board. Elected officials, including members of a county board, are also eligible to serve on the board. Members of the board shall serve without compensation but shall be reimbursed for their actual and necessary expenses. Any 2 or more municipalities, counties, or combination thereof, that impose a surcharge under Section 15.3 may, instead of establishing individual boards, establish by intergovernmental agreement a Joint Emergency Telephone System Board pursuant to this Section. The manner of appointment of such a joint board shall be prescribed in the agreement.

(b) The powers and duties of the board shall be defined by ordinance of the municipality or county, or by intergovernmental agreement in the case of a joint board. The powers and duties shall include, but need not be limited to the following:

- (4) Authorizing all disbursements from the fund.
- (5) Hiring any staff necessary for the implementation or upgrade of the system.

(c) All moneys received by a board pursuant to a surcharge imposed under Section 15.3 shall be deposited into a separate interest-bearing Emergency Telephone System Fund account. The treasurer of the municipality or county that has established the board or, in the case of a joint board, any municipal or county treasurer designated in the intergovernmental agreement, shall be custodian of the fund. All interest accruing on the fund shall remain in the fund. No expenditures may be made from such fund except upon the direction of the board by resolution passed by a majority of all members of the board. Expenditures may be made only to pay for the costs associated with the following:

- (1) The design of the Emergency Telephone System.
- (2) The coding of an initial Master Street Address Guide data base, and update and maintenance thereof.
- (3) The repayment of any moneys advanced for the implementation of the system.
- (4) The charges for Automatic Number Identification and Automatic Location Identification equipment, a computer aided dispatch system that records, maintains, and integrates information, mobile data transmitters equipped with automatic vehicle locators, and maintenance, replacement and update thereof to increase operational efficiency and improve the provision of emergency services.
- (5) The non-recurring charges related to installation

of the Emergency Telephone System and the ongoing network charges.

(6) The acquisition and installation, or the reimbursement of costs therefor to other governmental bodies that have incurred those costs, of road or street signs that are essential to the implementation of the emergency telephone system and that are not duplicative of signs that are the responsibility of the jurisdiction charged with maintaining road and street signs.

(7) Other products and services necessary for the implementation, upgrade, and maintenance of the system and any other purpose related to the operation of the system, including costs attributable directly to the construction, leasing, or maintenance of any buildings or facilities or costs of personnel attributable directly to the operation of the system. Costs attributable directly to the operation of an emergency telephone system do not include the costs of public safety agency personnel who are and equipment that is dispatched in response to an emergency call.

(8) In the case of a municipality that imposes a surcharge under subsection (h) of Section 15.3, moneys may also be used for any anti-terrorism or emergency preparedness measures, including, but not limited to, preparedness planning, providing local matching funds for federal or State grants, personnel training, and specialized equipment, including surveillance cameras as

needed to deal with natural and terrorist-inspired emergency situations or events.

Moneys in the fund may also be transferred to a participating fire protection district to reimburse volunteer firefighters who man remote telephone switching facilities when dedicated 9-1-1 lines are down.

(d) The board shall complete the data base before implementation of the 9-1-1 system. The error ratio of the data base shall not at any time exceed 1% of the total data base.

Section 240. The Counties Code is amended by changing Sections 5-1006.5, 5-1069.3, 5-1123, and 5-12020 as follows:

(55 ILCS 5/5-1006.5)

(Text of Section before amendment by P.A. 96-845)

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes

in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end

of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an

increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with

the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so

collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be

made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account

of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination,

in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The

amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county and (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an

allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998, the results of any election

authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public

Act 96-124) ~~this amendatory Act of the 96th General Assembly,~~
with any fire protection district located in the county. For
the purposes of this Section, "transportation" includes, but is
not limited to, the construction, maintenance, operation, and
improvement of public highways, any other purpose for which a
county may expend funds under the Illinois Highway Code, and
passenger rail transportation. For the purposes of this
Section, "public facilities purposes" includes, but is not
limited to, the acquisition, development, construction,
reconstruction, rehabilitation, improvement, financing,
architectural planning, and installation of capital facilities
consisting of buildings, structures, and durable equipment and
for the acquisition and improvement of real property and
interest in real property required, or expected to be required,
in connection with the public facilities, for use by the county
for the furnishing of governmental services to its citizens,
including but not limited to museums and nursing homes.

(j) The Department may promulgate rules to implement Public
Act 95-1002 ~~this amendatory Act of the 95th General Assembly~~
only to the extent necessary to apply the existing rules for
the Special County Retailers' Occupation Tax for Public Safety
to this new purpose for public facilities.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution

imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of

county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of

tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes

shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a

vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the

Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were

set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription

medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the

Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State

Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county and (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

A county may direct, by ordinance, that all or a portion of the taxes and penalties collected under the Special County Retailers' Occupation Tax For Public Safety or Transportation be deposited into the Transportation Development Partnership Trust Fund.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the

seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to

a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and

for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

(j) The Department may promulgate rules to implement Public Act 95-1002 ~~this amendatory Act of the 95th General Assembly~~ only to the extent necessary to apply the existing rules for the Special County Retailers' Occupation Tax for Public Safety to this new purpose for public facilities.

Sec. 5-1123. Builder or developer cash bond or other surety.

(a) A county may not require a cash bond, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company from a builder or developer to guarantee completion of a project improvement when the builder or developer has filed with the county clerk a current, irrevocable letter of credit,

surety bond, or letter of commitment, issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the county accepting such security, in an amount equal to or greater than 110% of the amount of the bid on each project improvement. A builder or developer has the option to utilize a cash bond, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the county, to satisfy any cash bond requirement established by a county. The county must approve and deem a surety or insurance company good and sufficient for the purposes set forth in this Section if the surety or insurance company is authorized by the Illinois Department of Insurance to sell and issue sureties in the State of Illinois.

(b) If a county receives a cash bond, irrevocable letter of credit, or surety bond from a builder or developer to guarantee completion of a project improvement, the county shall (i) register the bond under the address of the project and the construction permit number and (ii) give the builder or developer a receipt for the bond. The county shall establish and maintain a separate account for all cash bonds received from builders and developers to guarantee completion of a project improvement.

(c) The county shall refund a cash bond to a builder or developer, or release the irrevocable letter of credit or surety bond, within 60 days after the builder or developer

notifies the county in writing of the completion of the project improvement for which the bond was required. For these purposes, "completion" means that the county has determined that the project improvement for which the bond was required is complete or a licensed engineer or licensed architect has certified to the builder or developer and the county that the project improvement has been completed to the applicable codes and ordinances. The county shall pay interest to the builder or developer, beginning 60 days after the builder or developer notifies the county in writing of the completion of the project improvement, on any bond not refunded to a builder or developer, at the rate of 1% per month.

(d) A home rule county may not require or maintain cash bonds, irrevocable letters of credit, surety bonds, or other adequate securities from builders or developers in a manner inconsistent with this Section. This Section supersedes ~~supercedes~~ and controls over other provisions of this Code as they apply to and guarantee completion of a project improvement that is required by the county. This Section is a denial and limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by a home rule county of powers and functions exercised by the State.

Sec. 5-12020. Wind farms. A county may establish standards

for wind farms and electric-generating wind devices. The standards may include, without limitation, the height of the devices and the number of devices that may be located within a geographic area. A county may also regulate the siting of wind farms and electric-generating wind devices in unincorporated areas of the county outside of the zoning jurisdiction of a municipality and the 1.5 mile radius surrounding the zoning jurisdiction of a municipality. There shall be at least one public hearing not more than 30 days prior to a siting decision by the county board. Notice of the hearing shall be published in a newspaper of general circulation in the county. Counties may allow test wind towers to be sited without formal approval by the county board. Any provision of a county zoning ordinance pertaining to wind farms that is in effect before the effective date of this amendatory Act of the 95th General Assembly may continue in effect notwithstanding any requirements of this Section.

A county may not require a wind tower or other renewable energy system that is used exclusively by an end user to be setback more than 1.1 times the height of the renewable energy system from the end user's property line.

Section 245. The Illinois Municipal Code is amended by setting forth and renumbering multiple versions of Sections

1-1-11 and 11-20-15 and by changing Sections 7-1-1, 7-1-13, 7-3-1, 10-4-2.3, 11-15.1-2.1, 11-39-3, 11-74.4-3, 11-74.4-3.5, and 11-74.4-7 as follows:

(65 ILCS 5/1-1-11)

Sec. 1-1-12 ~~1-1-11~~. Americans with Disabilities Act coordinator; posting and publication.

(a) Within 90 days after the effective date of this amendatory Act of the 96th General Assembly, each municipality that maintains a website must post on the municipality's website the following information:

(1) the name, office address, and telephone number of the Americans with Disabilities Act coordinator, if any, employed by the municipality; and

(2) the grievance procedures, if any, adopted by the municipality to resolve complaints alleging a violation of

Title II of the Americans with Disabilities Act.

(b) If a municipality does not maintain a website, then the municipality must, within 90 days after the effective date of this amendatory Act of the 96th General Assembly, and at least once every other year thereafter, publish in either a newspaper of general circulation within the municipality or a newsletter published by the municipality and mailed to residents of the municipality the information required in item (1) of subsection (a) and either the information required in item (2) of subsection (a) or instructions for obtaining such information from the municipality.

(c) No home rule municipality may adopt posting or publication requirements that are less restrictive than this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(65 ILCS 5/7-1-1) (from Ch. 24, par. 7-1-1)

Sec. 7-1-1. Annexation of contiguous territory. Any territory that is not within the corporate limits of any municipality but is contiguous to a municipality may be annexed to the municipality as provided in this Article. For the purposes of this Article any territory to be annexed to a municipality shall be considered to be contiguous to the

municipality notwithstanding that the territory is separated from the municipality by a strip parcel, railroad or public utility right-of-way, or former railroad right-of-way that has been converted to a recreational trail, but upon annexation the area included within that strip parcel, right-of-way, or former right-of-way shall not be considered to be annexed to the municipality. For purposes of this Section, "strip parcel" means a separation no wider than 30 feet between the territory to be annexed and the municipal boundary.

Except in counties with a population of more than 600,000 but less than 3,000,000, territory which is not contiguous to a municipality but is separated therefrom only by a forest preserve district, federal wildlife refuge, or open land or open space that is part of an open space program, as defined in Section 115-5 of the Township Code, may be annexed to the municipality pursuant to Section 7-1-7 or 7-1-8, but only if the annexing municipality can show that the forest preserve district, federal wildlife refuge, open land, or open space creates an artificial barrier preventing the annexation and that the location of the forest preserve district, federal wildlife refuge, open land, or open space property prevents the orderly natural growth of the annexing municipality. It shall be conclusively presumed that the forest preserve district, federal wildlife refuge, open land, or open space does not create an artificial barrier if the property sought to be annexed is bounded on at least 3 sides by (i) one or more other

municipalities (other than the municipality seeking annexation through the existing forest preserve district, federal wildlife refuge, open land, or open space), (ii) forest preserve district property, federal wildlife refuge, open land, or open space, or (iii) a combination of other municipalities and forest preserve district property, federal wildlife refuge property, open land, or open space. It shall also be conclusively presumed that the forest preserve district, federal wildlife refuge, open land, or open space does not create an artificial barrier if the municipality seeking annexation is not the closest municipality within the county to the property to be annexed. The territory included within such forest preserve district, federal wildlife refuge, open land, or open space shall not be annexed to the municipality nor shall the territory of the forest preserve district, federal wildlife refuge, open land, or open space be subject to rights-of-way for access or services between the parts of the municipality separated by the forest preserve district, federal wildlife refuge, open land, or open space without the consent of the governing body of the forest preserve district or federal wildlife refuge. The changes made to this Section by Public Act 91-824 ~~this amendatory Act of 91st General Assembly~~ are declaratory of existing law and shall not be construed as a new enactment.

In counties that are contiguous to the Mississippi River with populations of more than 200,000 but less than 255,000, a

municipality that is partially located in territory that is wholly surrounded by the Mississippi River and a canal, connected at both ends to the Mississippi River and located on property owned by the United States of America, may annex noncontiguous territory in the surrounded territory under Sections 7-1-7, 7-1-8, or 7-1-9 if that territory is separated from the municipality by property owned by the United States of America, but that federal property shall not be annexed without the consent of the federal government.

For the purposes of this Article, any territory to be annexed to a municipality that is located in a county with more than 500,000 inhabitants shall be considered to be contiguous to the municipality if only a river and a national heritage corridor separate the territory from the municipality. Upon annexation, no river or national heritage corridor shall be considered annexed to the municipality.

When any land proposed to be annexed is part of any Fire Protection District or of any Public Library District and the annexing municipality provides fire protection or a public library, as the case may be, the Trustees of each District shall be notified in writing by certified or registered mail before any court hearing or other action is taken for annexation. The notice shall be served 10 days in advance. An affidavit that service of notice has been had as provided by this Section must be filed with the clerk of the court in which the annexation proceedings are pending or will be instituted

or, when no court proceedings are involved, with the recorder for the county where the land is situated. No annexation of that land is effective unless service is had and the affidavit filed as provided in this Section.

The new boundary shall extend to the far side of any adjacent highway and shall include all of every highway within the area annexed. These highways shall be considered to be annexed even though not included in the legal description set forth in the petition for annexation. When any land proposed to be annexed includes any highway under the jurisdiction of any township, the Township Commissioner of Highways, the Board of Town Trustees, the Township Supervisor, and the Township Clerk shall be notified in writing by certified or registered mail before any court hearing or other action is taken for annexation. In the event that a municipality fails to notify the Township Commissioner of Highways, the Board of Town Trustees, the Township Supervisor, and the Township Clerk of the annexation of an area within the township, the municipality shall reimburse that township for any loss or liability caused by the failure to give notice. If any municipality has annexed any area before October 1, 1975, and the legal description in the petition for annexation did not include the entire adjacent highway, any such annexation shall be valid and any highway adjacent to the area annexed shall be considered to be annexed notwithstanding the failure of the petition to annex to include the description of the entire adjacent highway.

Any annexation, disconnection and annexation, or disconnection under this Article of any territory must be reported by certified or registered mail by the corporate authority initiating the action to the election authorities having jurisdiction in the territory and the post office branches serving the territory within 30 days of the annexation, disconnection and annexation, or disconnection.

Failure to give notice to the required election authorities or post office branches will not invalidate the annexation or disconnection. For purposes of this Section "election authorities" means the county clerk where the clerk acts as the clerk of elections or the clerk of the election commission having jurisdiction.

No annexation, disconnection and annexation, or disconnection under this Article of territory having electors residing therein made (1) before any primary election to be held within the municipality affected thereby and after the time for filing petitions as a candidate for nomination to any office to be chosen at the primary election or (2) within 60 days before any general election to be held within the municipality shall be effective until the day after the date of the primary or general election, as the case may be.

For the purpose of this Section, a toll highway or connection between parcels via an overpass bridge over a toll highway shall not be considered a deterrent to the definition of contiguous territory.

When territory is proposed to be annexed by court order under this Article, the corporate authorities or petitioners initiating the action shall notify each person who pays real estate taxes on property within that territory unless the person is a petitioner. The notice shall be served by certified or registered mail, return receipt requested, at least 20 days before a court hearing or other court action. If the person who pays real estate taxes on the property is not the owner of record, then the payor shall notify the owner of record of the proposed annexation.

Sec. 7-1-13. Annexation.

(a) Whenever any unincorporated territory containing 60 acres or less, is wholly bounded by (a) one or more municipalities, (b) one or more municipalities and a creek in a county with a population of 400,000 or more, or one or more municipalities and a river or lake in any county, (c) one or more municipalities and the Illinois State boundary, (d) one or more municipalities and property owned by the State of Illinois, except highway right-of-way owned in fee by the State, (e) one or more municipalities and a forest preserve district or park district, (f) if the territory is a triangular parcel of less than 10 acres, one or more municipalities and an

interstate highway owned in fee by the State and bounded by a frontage road, or (g) one or more municipalities in a county with a population of more than 800,000 inhabitants and less than 2,000,000 inhabitants and either a railroad or operating property, as defined in the Property Tax Code (35 ILCS 200/11-70), being immediately adjacent to, but exclusive of that railroad property, that territory may be annexed by any municipality by which it is bounded in whole or in part, by the passage of an ordinance to that effect after notice is given as provided in subsection (b) of this Section. Land or property that is used for agricultural purposes or to produce agricultural goods shall not be annexed pursuant to item (g). Nothing in this Section shall subject any railroad property to the zoning or jurisdiction of any municipality annexing the property under this Section. ~~, and for land annexed pursuant to item (g), notice shall be given to the impacted land owners.~~ The ordinance shall describe the territory annexed and a copy thereof together with an accurate map of the annexed territory shall be recorded in the office of the recorder of the county wherein the annexed territory is situated and a document of annexation shall be filed with the county clerk and County Election Authority. Nothing in this Section shall be construed as permitting a municipality to annex territory of a forest preserve district in a county with a population of 3,000,000 or more without obtaining the consent of the district pursuant to Section 8.3 of the Cook County Forest Preserve District Act nor

shall anything in this Section be construed as permitting a municipality to annex territory owned by a park district without obtaining the consent of the district pursuant to Section 8-1.1 of the Park District Code.

(b) The corporate authorities shall cause notice, stating that annexation of the territory described in the notice is contemplated under this Section, to be published once, in a newspaper of general circulation within the territory to be annexed, not less than 10 days before the passage of the annexation ordinance, and for land annexed pursuant to item (g) of subsection (a) of this Section, notice shall be given to the impacted land owners. The corporate authorities shall also, not less than 15 days before the passage of the annexation ordinance, serve written notice, either in person or, at a minimum, by certified mail, on the taxpayer of record of the proposed annexed territory as appears from the authentic tax records of the county. When the territory to be annexed lies wholly or partially within a township other than the township where the municipality is situated, the annexing municipality shall give at least 10 days prior written notice of the time and place of the passage of the annexation ordinance to the township supervisor of the township where the territory to be annexed lies.

(c) When notice is given as described in subsection (b) of this Section, no other municipality may annex the proposed territory for a period of 60 days from the date the notice is

mailed or delivered to the taxpayer of record unless that other municipality has initiated annexation proceedings or a valid petition as described in Section 7-1-2, 7-1-8, 7-1-11 or 7-1-12 of this Code has been received by the municipality prior to the publication and mailing of the notices required in subsection (b).

Sec. 7-3-1. Within one year of the organization of any municipality under the provisions of Divisions 2 and 3 of Article 2 of this Code, any territory which has been included therein may be disconnected from such municipality if the territory sought to be disconnected is (1) upon the ~~the~~ border, but within the boundary of the municipality, (2) contains 20 or more acres, (3) if disconnected will not result in the isolation of any part of the municipality from the remainder of the municipality, and (4) if disconnected will not be a territory wholly bounded by one or more municipalities or wholly bounded by one or more municipalities and a river or lake, (5) if disconnected, the growth prospects and plan and zoning ordinances, if any, of such municipality will not be unreasonably disrupted, (6) if disconnected, no substantial disruption will result to existing municipal service facilities such as, but not limited to, sewer systems, street

lighting, water mains, garbage collection and fire protection, (7) if disconnected the municipality will not be unduly harmed through loss of tax revenue in the future. The procedure for disconnection shall be as follows:

A written petition directed to the circuit court of the county in which the territory proposed to be disconnected is located and if such territory is located in more than one county then to the circuit court of the county in which the greater part of such territory may be located, which petition shall be signed by a majority of the electors, if any, residing within the territory and also signed by a majority of the owners of record of land in such territory, and also representing a majority of the area of land in such territory, shall be filed with the clerk of the court within one year of the organization of any municipality under the provisions of Divisions 2 and 3 of Article 2 of this Code. The petition shall set forth the description of the territory to be detached from such municipality, shall allege the pertinent facts in support of the disconnection of such territory and shall pray the court to detach the territory from the municipality.

Sec. 10-4-2.3. Required health benefits. If a municipality, including a home rule municipality, is a self-insurer for purposes of providing health insurance

coverage for its employees, the coverage shall include coverage for the post-mastectomy care benefits required to be covered by a policy of accident and health insurance under Section 356t and the coverage required under Sections 356g, 356g.5, 356g.5-1, 356u, 356w, 356x, 356z.6, 356z.8, 356z.9, 356z.10, 356z.11, 356z.12, ~~and 356z.13, and 356z.14~~, and 356z.15 ~~356z.14~~ of the Illinois Insurance Code. The requirement that health benefits be covered as provided in this is an exclusive power and function of the State and is a denial and limitation under Article VII, Section 6, subsection (h) of the Illinois Constitution. A home rule municipality to which this Section applies must comply with every provision of this Section.

Rulemaking authority to implement Public Act 95-1045 ~~this amendatory Act of the 95th General Assembly~~, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Sec. 11-15.1-2.1. Annexation agreement; municipal jurisdiction.

(a) Except as provided in subsections (b) and (c), property that is the subject of an annexation agreement adopted under this Division is subject to the ordinances, control, and jurisdiction of the annexing municipality in all respects the same as property that lies within the annexing municipality's corporate limits.

(b) This Section shall not apply in (i) a county with a population of more than 3,000,000, (ii) a county that borders a county with a population of more than 3,000,000 or (iii) a county with a population of more than 246,000 according to the 1990 federal census and bordered by the Mississippi River, unless the parties to the annexation agreement have, at the time the agreement is signed, ownership or control of all property that would make the property that is the subject of the agreement contiguous to the annexing municipality, in which case the property that is the subject of the annexation agreement is subject to the ordinances, control, and jurisdiction of the municipality in all respects the same as property owned by the municipality that lies within its corporate limits.

(b-5) The limitations of item (iii) of subsection (b) do not apply to property that is the subject of an annexation agreement adopted under this Division within one year after the effective date of this amendatory Act of the 95th General

Assembly with a coterminous home rule municipality, as of June 1, 2009, that borders the Mississippi River, in a county with a population in excess of 258,000, according to the 2000 federal census, if all such agreements entered into by the municipality pertain to parcels that comprise a contiguous area of not more than 120 acres in the aggregate.

(c) Except for property located in a county referenced in subsection (b) of this Section, if property that is the subject of an annexation agreement ~~Champaign~~, is located more than 1.5 miles from the corporate boundaries of the annexing municipality, that property is subject to the ordinances, control, and jurisdiction of the annexing municipality unless the county board retains jurisdiction by the affirmative vote of two-thirds of its members.

(d) If the county board retains jurisdiction under subsection (c) of this Section, the annexing municipality may file a request for jurisdiction with the county board on a case by case basis. If the county board agrees by the affirmative vote of a majority of its members, then the property covered by the annexation agreement shall be subject to the ordinances, control, and jurisdiction of the annexing municipality.

Sec. 11-20-15. Lien for removal costs.

(a) If the municipality incurs a removal cost under Section 11-20-7, 11-20-8, 11-20-12, or 11-20-13 with respect to any underlying parcel, then that cost is a lien upon that underlying parcel. This lien is superior to all other liens and encumbrances, except tax liens and as otherwise provided in subsection (c) of this Section.

(b) To perfect a lien under this Section, the municipality must, within one year after the removal cost is incurred, file notice of lien in the office of the recorder in the county in which the underlying parcel is located or, if the underlying parcel is registered under the Torrens system, in the office of the Registrar of Titles of that county. The notice must consist of a sworn statement setting out:

(1) a description of the underlying parcel that sufficiently identifies the parcel;

(2) the amount of the removal cost; and

(3) the date or dates when the removal cost was incurred by the municipality.

If, for any one parcel, the municipality engaged in any removal activity on more than one occasion during the course of one year, then the municipality may combine any or all of the costs of each of those activities into a single notice of lien.

(c) A lien under this Section is not valid as to: (i) any purchaser whose rights in and to the underlying parcel arose after the removal activity but before the filing of the notice of lien; or (ii) any mortgagee, judgment creditor, or other

lienor whose rights in and to the underlying parcel arose before the filing of the notice of lien.

(d) The removal cost is not a lien on the underlying parcel unless a notice is personally served on, or sent by certified mail to, the person to whom was sent the tax bill for the general taxes on the property for the taxable year immediately preceding the removal activities. The notice must be delivered or sent after the removal activities have been performed, and it must: (i) state the substance of this Section and the substance of any ordinance of the municipality implementing this Section; (ii) identify the underlying parcel, by common description; and (iii) describe the removal activity.

(e) A lien under this Section may be enforced by proceedings to foreclose as in case of mortgages or mechanics' liens. An action to foreclose a lien under this Section must be commenced within 2 years after the date of filing notice of lien.

(f) Any person who performs a removal activity by the authority of the municipality may, in his or her own name, file a lien and foreclose on that lien in the same manner as a municipality under this Section.

(g) A failure to file a foreclosure action does not, in any way, affect the validity of the lien against the underlying parcel.

(h) Upon payment of the lien cost by the owner of the underlying parcel after notice of lien has been filed, the

municipality (or its agent under subsection (f)) shall release the lien, and the release may be filed of record by the owner at his or her sole expense as in the case of filing notice of lien.

(i) For the purposes of this Section:

"Lien cost" means the removal cost and the filing costs for any notice of lien under subsection (b).

"Removal activity" means any activity for which a removal cost was incurred.

"Removal cost" means a removal cost as defined under Section 11-20-7, 11-20-8, 11-20-12, or 11-20-13.

"Underlying parcel" means a parcel of private property upon which a removal activity was performed.

"Year" means a 365-day period.

(j) This Section applies only to liens filed after August 14, 2009 (the effective date of Public Act 96-462).

(k) This Section shall not apply to a lien filed pursuant to Section 11-20-15.1.

Sec. 11-20-16 ~~11-20-15~~. Retail food establishments.

(a) A municipality in a county having a population of 2,000,000 or more inhabitants must regulate and inspect retail food establishments in the municipality. A municipality must regulate and inspect retail food establishments in accordance

with applicable federal and State laws pertaining to the operation of retail food establishments including but not limited to the Illinois Food Handling Regulation Enforcement Act, the Illinois Food, Drug and Cosmetic Act, the Sanitary Food Preparation Act, the regulations of the Illinois Department of Public Health, and local ordinances and regulations. This subsection shall not apply to a municipality that is served by a certified local health department other than a county certified local health department.

A home rule unit may not regulate retail food establishments in a less restrictive manner than as provided in this Section. This Section is a limitation of home rule powers under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of the powers and functions exercised by the State.

(b) A municipality may enter into an intergovernmental agreement with a county that provides for the county's certified local health department to perform any or all inspection functions for the municipality. The municipality must pay the county's reasonable costs. An intergovernmental agreement shall not preclude a municipality from continuing to license retail food establishments within its jurisdiction.

(c) For the purpose of this Section, "retail food establishment" includes a food service establishment, a temporary food service establishment, and a retail food store as defined in the Food Service Sanitation Code, 77 Ill. Adm.

Code Part 750, and the Retail Food Store Sanitation Code, 77 Ill. Adm. Code Part 760.

Sec. 11-39-3. Builder or developer cash bond or other surety.

(a) A municipality may not require a cash bond, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company from a builder or developer to guarantee completion of a project improvement when the builder or developer has filed with the municipal clerk a current, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the municipality accepting such security, in an amount equal to or greater than 110% of the amount of the bid on each project improvement. A builder or developer has the option to utilize a cash bond, irrevocable letter of credit, surety bond, or letter of commitment, issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the municipality, to satisfy any cash bond requirement established by a municipality. Except for a municipality or county with a population of 1,000,000 or more, the municipality must approve and deem a surety or insurance company good and sufficient for

the purposes set forth in this Section if the surety or insurance company is authorized by the Illinois Department of Insurance to sell and issue sureties in the State of Illinois.

(b) If a municipality receives a cash bond, irrevocable letter of credit, or surety bond from a builder or developer to guarantee completion of a project improvement, the municipality shall (i) register the bond under the address of the project and the construction permit number and (ii) give the builder or developer a receipt for the bond. The municipality shall establish and maintain a separate account for all cash bonds received from builders and developers to guarantee completion of a project improvement.

(c) The municipality shall refund a cash bond to a builder or developer, or release the irrevocable letter of credit or surety bond within 60 days after the builder or developer notifies the municipality in writing of the completion of the project improvement for which the bond was required. For these purposes, "completion" means that the municipality has determined that the project improvement for which the bond was required is complete or a licensed engineer or licensed architect has certified to the builder or developer and the municipality that the project improvement has been completed to the applicable codes and ordinances. The municipality shall pay interest to the builder or developer, beginning 60 days after builder or developer notifies the municipality in writing of the completion of the project improvement, on any bond not

refunded to a builder or developer, at the rate of 1% per month.

(d) A home rule municipality may not require or maintain cash bonds, irrevocable letters of credit, surety bonds, or letters of commitment issued by a bank, savings and loan association, surety, or insurance company from builders or developers in a manner inconsistent with this Section. This Section supersedes ~~supercedes~~ and controls over other provisions of this Code as they apply to and guarantee completion of a project improvement that is required by the municipality, regardless of whether the project improvement is a condition of annexation agreements. This Section is a denial and limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by a home rule municipality of powers and functions exercised by the State.

(65 ILCS 5/11-74.4-3) (from Ch. 24, par. 11-74.4-3)

Sec. 11-74.4-3. Definitions. The following terms, wherever used or referred to in this Division 74.4 shall have the following respective meanings, unless in any case a different meaning clearly appears from the context.

(a) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act

91-478), "blighted area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "blighted area" means any improved or vacant area within the boundaries of a redevelopment project area located within the territorial limits of the municipality where:

(1) If improved, industrial, commercial, and residential buildings or improvements are detrimental to the public safety, health, or welfare because of a combination of 5 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part of the redevelopment project area:

(A) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

(B) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

(C) Deterioration. With respect to buildings,

defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(D) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

(E) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(F) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(G) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for

light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(H) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(I) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the

designation of an area as one exhibiting excessive land coverage are: (i) the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and (ii) the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(J) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(K) Environmental clean-up. The proposed redevelopment project area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of

hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(L) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(M) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the

Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(2) If vacant, the sound growth of the redevelopment project area is impaired by a combination of 2 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) Obsolete platting of vacant land that results in parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-ways for streets or alleys or that created inadequate right-of-way widths for streets, alleys, or other public rights-of-way or that omitted easements for public utilities.

(B) Diversity of ownership of parcels of vacant land sufficient in number to retard or impede the ability to assemble the land for development.

(C) Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last 5 years.

(D) Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

(E) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(F) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published

by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(3) If vacant, the sound growth of the redevelopment project area is impaired by one of the following factors that (i) is present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) is reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) The area consists of one or more unused quarries, mines, or strip mine ponds.

(B) The area consists of unused rail yards, rail tracks, or railroad rights-of-way.

(C) The area, prior to its designation, is subject to (i) chronic flooding that adversely impacts on real property in the area as certified by a registered professional engineer or appropriate regulatory agency or (ii) surface water that discharges from all or a part of the area and contributes to flooding within the same watershed, but only if the redevelopment project provides for facilities or improvements to contribute to the alleviation of all or part of the flooding.

(D) The area consists of an unused or illegal

disposal site containing earth, stone, building debris, or similar materials that were removed from construction, demolition, excavation, or dredge sites.

(E) Prior to November 1, 1999, the area is not less than 50 nor more than 100 acres and 75% of which is vacant (notwithstanding that the area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area), and the area meets at least one of the factors itemized in paragraph (1) of this subsection, the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

(F) The area qualified as a blighted improved area immediately prior to becoming vacant, unless there has been substantial private investment in the immediately surrounding area.

(b) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "conservation area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "conservation area" means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the

municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a blighted area but because of a combination of 3 or more of the following factors is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area:

(1) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

(2) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

(3) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(4) Presence of structures below minimum code

standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

(5) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(6) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(7) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence or inadequacy of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(8) Inadequate utilities. Underground and overhead

utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(9) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(10) Deleterious land use or layout. The existence of

incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(11) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(12) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project

area.

(13) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years for which information is available.

(c) "Industrial park" means an area in a blighted or conservation area suitable for use by any manufacturing, industrial, research or transportation enterprise, of facilities to include but not be limited to factories, mills, processing plants, assembly plants, packing plants, fabricating plants, industrial distribution centers, warehouses, repair overhaul or service facilities, freight terminals, research facilities, test facilities or railroad facilities.

(d) "Industrial park conservation area" means an area within the boundaries of a redevelopment project area located within the territorial limits of a municipality that is a labor surplus municipality or within 1 1/2 miles of the territorial limits of a municipality that is a labor surplus municipality if the area is annexed to the municipality; which area is zoned

as industrial no later than at the time the municipality by ordinance designates the redevelopment project area, and which area includes both vacant land suitable for use as an industrial park and a blighted area or conservation area contiguous to such vacant land.

(e) "Labor surplus municipality" means a municipality in which, at any time during the 6 months before the municipality by ordinance designates an industrial park conservation area, the unemployment rate was over 6% and was also 100% or more of the national average unemployment rate for that same time as published in the United States Department of Labor Bureau of Labor Statistics publication entitled "The Employment Situation" or its successor publication. For the purpose of this subsection, if unemployment rate statistics for the municipality are not available, the unemployment rate in the municipality shall be deemed to be the same as the unemployment rate in the principal county in which the municipality is located.

(f) "Municipality" shall mean a city, village, incorporated town, or a township that is located in the unincorporated portion of a county with 3 million or more inhabitants, if the county adopted an ordinance that approved the township's redevelopment plan.

(g) "Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the

Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located in a State Sales Tax Boundary during the calendar year 1985.

(g-1) "Revised Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located within the State Sales Tax Boundary revised pursuant to Section 11-74.4-8a(9) of this Act.

(h) "Municipal Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid to a municipality from the Local Government Tax Fund arising from sales by retailers and servicemen within the redevelopment project area or State Sales Tax Boundary, as the case may be, for as long as the redevelopment project area or State Sales Tax Boundary, as the case may be, exist over and above the aggregate amount of taxes as certified by the Illinois Department of Revenue and paid under the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act by retailers and servicemen, on transactions at places of business located in the redevelopment project area or State Sales Tax Boundary, as the case may be, during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation

financing. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall determine the Initial Sales Tax Amounts for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amounts". For purposes of determining the Municipal Sales Tax Increment, the Department of Revenue shall for each period subtract from the amount paid to the municipality from the Local Government Tax Fund arising from sales by retailers and servicemen on transactions located in the redevelopment project area or the State Sales Tax Boundary, as the case may be, the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act. For the State Fiscal Year 1989, this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, the

Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, to June 30, 1989, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending June 30 to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts, as the case may be.

(i) "Net State Sales Tax Increment" means the sum of the following: (a) 80% of the first \$100,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; (b) 60% of the amount in excess of \$100,000 but not exceeding \$500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; and (c) 40% of all amounts in excess of \$500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary. If, however, a municipality established a tax increment financing district in a county with a population in excess of 3,000,000 before

January 1, 1986, and the municipality entered into a contract or issued bonds after January 1, 1986, but before December 31, 1986, to finance redevelopment project costs within a State Sales Tax Boundary, then the Net State Sales Tax Increment means, for the fiscal years beginning July 1, 1990, and July 1, 1991, 100% of the State Sales Tax Increment annually generated within a State Sales Tax Boundary; and notwithstanding any other provision of this Act, for those fiscal years the Department of Revenue shall distribute to those municipalities 100% of their Net State Sales Tax Increment before any distribution to any other municipality and regardless of whether or not those other municipalities will receive 100% of their Net State Sales Tax Increment. For Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a State Sales Tax Boundary, the Net State Sales Tax Increment shall be calculated as follows: By multiplying the Net State Sales Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter.

Municipalities that issued bonds in connection with a

redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991, or that entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988, shall continue to receive their proportional share of the Illinois Tax Increment Fund distribution until the date on which the redevelopment project is completed or terminated. If, however, a municipality that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991 retires the bonds prior to June 30, 2007 or a municipality that entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988 completes the contracts prior to June 30, 2007, then so long as the redevelopment project is not completed or is not terminated, the Net State Sales Tax Increment shall be calculated, beginning on the date on which the bonds are retired or the contracts are completed, as follows: By multiplying the Net State Sales Tax Increment by 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter. Refunding of any bonds issued prior to July 29, 1991, shall not alter the Net State Sales Tax Increment.

(j) "State Utility Tax Increment Amount" means an amount

equal to the aggregate increase in State electric and gas tax charges imposed on owners and tenants, other than residential customers, of properties located within the redevelopment project area under Section 9-222 of the Public Utilities Act, over and above the aggregate of such charges as certified by the Department of Revenue and paid by owners and tenants, other than residential customers, of properties within the redevelopment project area during the base year, which shall be the calendar year immediately prior to the year of the adoption of the ordinance authorizing tax increment allocation financing.

(k) "Net State Utility Tax Increment" means the sum of the following: (a) 80% of the first \$100,000 of State Utility Tax Increment annually generated by a redevelopment project area; (b) 60% of the amount in excess of \$100,000 but not exceeding \$500,000 of the State Utility Tax Increment annually generated by a redevelopment project area; and (c) 40% of all amounts in excess of \$500,000 of State Utility Tax Increment annually generated by a redevelopment project area. For the State Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a redevelopment project area, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70%

in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for the State Fiscal Year 2008 and thereafter.

Municipalities that issue bonds in connection with the redevelopment project during the period from June 1, 1988 until 3 years after the effective date of this Amendatory Act of 1988 shall receive the Net State Utility Tax Increment, subject to appropriation, for 15 State Fiscal Years after the issuance of such bonds. For the 16th through the 20th State Fiscal Years after issuance of the bonds, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in year 16; 80% in year 17; 70% in year 18; 60% in year 19; and 50% in year 20. Refunding of any bonds issued prior to June 1, 1988, shall not alter the revised Net State Utility Tax Increment payments set forth above.

(l) "Obligations" mean bonds, loans, debentures, notes, special certificates or other evidence of indebtedness issued by the municipality to carry out a redevelopment project or to refund outstanding obligations.

(m) "Payment in lieu of taxes" means those estimated tax revenues from real property in a redevelopment project area derived from real property that has been acquired by a

municipality which according to the redevelopment project or plan is to be used for a private use which taxing districts would have received had a municipality not acquired the real property and adopted tax increment allocation financing and which would result from levies made after the time of the adoption of tax increment allocation financing to the time the current equalized value of real property in the redevelopment project area exceeds the total initial equalized value of real property in said area.

(n) "Redevelopment plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions the existence of which qualified the redevelopment project area as a "blighted area" or "conservation area" or combination thereof or "industrial park conservation area," and thereby to enhance the tax bases of the taxing districts which extend into the redevelopment project area. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean

camping and hunting. Each redevelopment plan shall set forth in writing the program to be undertaken to accomplish the objectives and shall include but not be limited to:

(A) an itemized list of estimated redevelopment project costs;

(B) evidence indicating that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise;

(C) an assessment of any financial impact of the redevelopment project area on or any increased demand for services from any taxing district affected by the plan and any program to address such financial impact or increased demand;

(D) the sources of funds to pay costs;

(E) the nature and term of the obligations to be issued;

(F) the most recent equalized assessed valuation of the redevelopment project area;

(G) an estimate as to the equalized assessed valuation after redevelopment and the general land uses to apply in the redevelopment project area;

(H) a commitment to fair employment practices and an affirmative action plan;

(I) if it concerns an industrial park conservation area, the plan shall also include a general description of any proposed developer, user and tenant of any property, a

description of the type, structure and general character of the facilities to be developed, a description of the type, class and number of new employees to be employed in the operation of the facilities to be developed; and

(J) if property is to be annexed to the municipality, the plan shall include the terms of the annexation agreement.

The provisions of items (B) and (C) of this subsection (n) shall not apply to a municipality that before March 14, 1994 (the effective date of Public Act 88-537) had fixed, either by its corporate authorities or by a commission designated under subsection (k) of Section 11-74.4-4, a time and place for a public hearing as required by subsection (a) of Section 11-74.4-5. No redevelopment plan shall be adopted unless a municipality complies with all of the following requirements:

(1) The municipality finds that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of the redevelopment plan.

(2) The municipality finds that the redevelopment plan and project conform to the comprehensive plan for the development of the municipality as a whole, or, for municipalities with a population of 100,000 or more, regardless of when the redevelopment plan and project was adopted, the redevelopment plan and project either: (i)

conforms to the strategic economic development or redevelopment plan issued by the designated planning authority of the municipality, or (ii) includes land uses that have been approved by the planning commission of the municipality.

(3) The redevelopment plan establishes the estimated dates of completion of the redevelopment project and retirement of obligations issued to finance redevelopment project costs. Those dates may not be later than the dates set forth under Section 11-74.4-3.5.

A municipality may by municipal ordinance amend an existing redevelopment plan to conform to this paragraph (3) as amended by Public Act 91-478, which municipal ordinance may be adopted without further hearing or notice and without complying with the procedures provided in this Act pertaining to an amendment to or the initial approval of a redevelopment plan and project and designation of a redevelopment project area.

(3.5) The municipality finds, in the case of an industrial park conservation area, also that the municipality is a labor surplus municipality and that the implementation of the redevelopment plan will reduce unemployment, create new jobs and by the provision of new facilities enhance the tax base of the taxing districts that extend into the redevelopment project area.

(4) If any incremental revenues are being utilized

under Section 8(a)(1) or 8(a)(2) of this Act in redevelopment project areas approved by ordinance after January 1, 1986, the municipality finds: (a) that the redevelopment project area would not reasonably be developed without the use of such incremental revenues, and (b) that such incremental revenues will be exclusively utilized for the development of the redevelopment project area.

(5) If the redevelopment plan will not result in displacement of residents from 10 or more inhabited residential units, and the municipality certifies in the plan that such displacement will not result from the plan, a housing impact study need not be performed. If, however, the redevelopment plan would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and no certification is made, then the municipality shall prepare, as part of the separate feasibility report required by subsection (a) of Section 11-74.4-5, a housing impact study.

Part I of the housing impact study shall include (i) data as to whether the residential units are single family or multi-family units, (ii) the number and type of rooms within the units, if that information is available, (iii) whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the

ordinance or resolution required by subsection (a) of Section 11-74.4-5 is passed, and (iv) data as to the racial and ethnic composition of the residents in the inhabited residential units. The data requirement as to the racial and ethnic composition of the residents in the inhabited residential units shall be deemed to be fully satisfied by data from the most recent federal census.

Part II of the housing impact study shall identify the inhabited residential units in the proposed redevelopment project area that are to be or may be removed. If inhabited residential units are to be removed, then the housing impact study shall identify (i) the number and location of those units that will or may be removed, (ii) the municipality's plans for relocation assistance for those residents in the proposed redevelopment project area whose residences are to be removed, (iii) the availability of replacement housing for those residents whose residences are to be removed, and shall identify the type, location, and cost of the housing, and (iv) the type and extent of relocation assistance to be provided.

(6) On and after November 1, 1999, the housing impact study required by paragraph (5) shall be incorporated in the redevelopment plan for the redevelopment project area.

(7) On and after November 1, 1999, no redevelopment plan shall be adopted, nor an existing plan amended, nor shall residential housing that is occupied by households of

low-income and very low-income persons in currently existing redevelopment project areas be removed after November 1, 1999 unless the redevelopment plan provides, with respect to inhabited housing units that are to be removed for households of low-income and very low-income persons, affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations under that Act, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. For purposes of this paragraph (7), "low-income households", "very low-income households", and "affordable housing" have the meanings set forth in the Illinois Affordable Housing Act. The municipality shall make a good faith effort to ensure that this affordable housing is located in or near the redevelopment project area within the municipality.

(8) On and after November 1, 1999, if, after the adoption of the redevelopment plan for the redevelopment project area, any municipality desires to amend its redevelopment plan to remove more inhabited residential units than specified in its original redevelopment plan, that change shall be made in accordance with the procedures in subsection (c) of Section 11-74.4-5.

(9) For redevelopment project areas designated prior

to November 1, 1999, the redevelopment plan may be amended without further joint review board meeting or hearing, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested party registry, to authorize the municipality to expend tax increment revenues for redevelopment project costs defined by paragraphs (5) and (7.5), subparagraphs (E) and (F) of paragraph (11), and paragraph (11.5) of subsection (q) of Section 11-74.4-3, so long as the changes do not increase the total estimated redevelopment project costs set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted.

(o) "Redevelopment project" means any public and private development project in furtherance of the objectives of a redevelopment plan. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting.

(p) "Redevelopment project area" means an area designated

by the municipality, which is not less in the aggregate than 1 1/2 acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or a combination of both blighted areas and conservation areas.

(p-1) Notwithstanding any provision of this Act to the contrary, on and after August 25, 2009 (the effective date of Public Act 96-680) ~~this amendatory Act of the 96th General Assembly~~, a redevelopment project area may include areas within a one-half mile radius of an existing or proposed Regional Transportation Authority Suburban Transit Access Route (STAR Line) station without a finding that the area is classified as an industrial park conservation area, a blighted area, a conservation area, or a combination thereof, but only if the municipality receives unanimous consent from the joint review board created to review the proposed redevelopment project area.

(q) "Redevelopment project costs", except for redevelopment project areas created pursuant to subsection (p-1), means ~~mean~~ and includes ~~include~~ the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan and a redevelopment project. Such costs include, without limitation, the following:

- (1) Costs of studies, surveys, development of plans,

and specifications, implementation and administration of the redevelopment plan including but not limited to staff and professional service costs for architectural, engineering, legal, financial, planning or other services, provided however that no charges for professional services may be based on a percentage of the tax increment collected; except that on and after November 1, 1999 (the effective date of Public Act 91-478), no contracts for professional services, excluding architectural and engineering services, may be entered into if the terms of the contract extend beyond a period of 3 years. In addition, "redevelopment project costs" shall not include lobbying expenses. After consultation with the municipality, each tax increment consultant or advisor to a municipality that plans to designate or has designated a redevelopment project area shall inform the municipality in writing of any contracts that the consultant or advisor has entered into with entities or individuals that have received, or are receiving, payments financed by tax increment revenues produced by the redevelopment project area with respect to which the consultant or advisor has performed, or will be performing, service for the municipality. This requirement shall be satisfied by the consultant or advisor before the commencement of services for the municipality and thereafter whenever any other contracts with those individuals or entities are executed

by the consultant or advisor;

(1.5) After July 1, 1999, annual administrative costs shall not include general overhead or administrative costs of the municipality that would still have been incurred by the municipality if the municipality had not designated a redevelopment project area or approved a redevelopment plan;

(1.6) The cost of marketing sites within the redevelopment project area to prospective businesses, developers, and investors;

(2) Property assembly costs, including but not limited to acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;

(3) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment; including any direct or indirect costs

relating to Green Globes or LEED certified construction elements or construction elements with an equivalent certification;

(4) Costs of the construction of public works or improvements, including any direct or indirect costs relating to Green Globes or LEED certified construction elements or construction elements with an equivalent certification, except that on and after November 1, 1999, redevelopment project costs shall not include the cost of constructing a new municipal public building principally used to provide offices, storage space, or conference facilities or vehicle storage, maintenance, or repair for administrative, public safety, or public works personnel and that is not intended to replace an existing public building as provided under paragraph (3) of subsection (q) of Section 11-74.4-3 unless either (i) the construction of the new municipal building implements a redevelopment project that was included in a redevelopment plan that was adopted by the municipality prior to November 1, 1999 or (ii) the municipality makes a reasonable determination in the redevelopment plan, supported by information that provides the basis for that determination, that the new municipal building is required to meet an increase in the need for public safety purposes anticipated to result from the implementation of the redevelopment plan;

(5) Costs of job training and retraining projects,

including the cost of "welfare to work" programs implemented by businesses located within the redevelopment project area;

(6) Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued hereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding 36 months thereafter and including reasonable reserves related thereto;

(7) To the extent the municipality by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project.

(7.5) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after November 1, 1999, an elementary, secondary, or unit school district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the

cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act, and which costs shall be paid by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units and shall be calculated annually as follows:

(A) for foundation districts, excluding any school district in a municipality with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita tuition cost as defined in Section 10-20.12a of the School Code less any increase in general State aid as defined in Section 18-8.05 of the School Code attributable to these added new students subject to the following annual limitations:

(i) for unit school districts with a district

average 1995-96 Per Capita Tuition Charge of less than \$5,900, no more than 25% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act;

(ii) for elementary school districts with a district average 1995-96 Per Capita Tuition Charge of less than \$5,900, no more than 17% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act; and

(iii) for secondary school districts with a district average 1995-96 Per Capita Tuition Charge of less than \$5,900, no more than 8% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act.

(B) For alternate method districts, flat grant districts, and foundation districts with a district average 1995-96 Per Capita Tuition Charge equal to or more than \$5,900, excluding any school district with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received

financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita tuition cost as defined in Section 10-20.12a of the School Code less any increase in general state aid as defined in Section 18-8.05 of the School Code attributable to these added new students subject to the following annual limitations:

(i) for unit school districts, no more than 40% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act;

(ii) for elementary school districts, no more than 27% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act; and

(iii) for secondary school districts, no more than 13% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance

assistance under this Act.

(C) For any school district in a municipality with a population in excess of 1,000,000, the following restrictions shall apply to the reimbursement of increased costs under this paragraph (7.5):

(i) no increased costs shall be reimbursed unless the school district certifies that each of the schools affected by the assisted housing project is at or over its student capacity;

(ii) the amount reimbursable shall be reduced by the value of any land donated to the school district by the municipality or developer, and by the value of any physical improvements made to the schools by the municipality or developer; and

(iii) the amount reimbursed may not affect amounts otherwise obligated by the terms of any bonds, notes, or other funding instruments, or the terms of any redevelopment agreement.

Any school district seeking payment under this paragraph (7.5) shall, after July 1 and before September 30 of each year, provide the municipality with reasonable evidence to support its claim for reimbursement before the municipality shall be required to approve or make the payment to the school district. If the school district fails to provide the information during this period in any year, it shall

forfeit any claim to reimbursement for that year. School districts may adopt a resolution waiving the right to all or a portion of the reimbursement otherwise required by this paragraph (7.5). By acceptance of this reimbursement the school district waives the right to directly or indirectly set aside, modify, or contest in any manner the establishment of the redevelopment project area or projects;

(7.7) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after January 1, 2005 (the effective date of Public Act 93-961), a public library district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act shall be paid to the library district by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units. This paragraph (7.7) applies only if (i) the library district is located in a county that is subject to the Property Tax Extension

Limitation Law or (ii) the library district is not located in a county that is subject to the Property Tax Extension Limitation Law but the district is prohibited by any other law from increasing its tax levy rate without a prior voter referendum.

The amount paid to a library district under this paragraph (7.7) shall be calculated by multiplying (i) the net increase in the number of persons eligible to obtain a library card in that district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by (ii) the per-patron cost of providing library services so long as it does not exceed \$120. The per-patron cost shall be the Total Operating Expenditures Per Capita as stated in the most recent Illinois Public Library Statistics produced by the Library Research Center at the University of Illinois. The municipality may deduct from the amount that it must pay to a library district under this paragraph any amount that it has voluntarily paid to the library district from the tax increment revenue. The amount paid to a library district under this paragraph (7.7) shall be no

more than 2% of the amount produced by the assisted housing units and deposited into the Special Tax Allocation Fund.

A library district is not eligible for any payment under this paragraph (7.7) unless the library district has experienced an increase in the number of patrons from the municipality that created the tax-increment-financing district since the designation of the redevelopment project area.

Any library district seeking payment under this paragraph (7.7) shall, after July 1 and before September 30 of each year, provide the municipality with convincing evidence to support its claim for reimbursement before the municipality shall be required to approve or make the payment to the library district. If the library district fails to provide the information during this period in any year, it shall forfeit any claim to reimbursement for that year. Library districts may adopt a resolution waiving the right to all or a portion of the reimbursement otherwise required by this paragraph (7.7). By acceptance of such reimbursement, the library district shall forfeit any right to directly or indirectly set aside, modify, or contest in any manner whatsoever the establishment of the redevelopment project area or projects;

(8) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or

State law or in order to satisfy subparagraph (7) of subsection (n);

(9) Payment in lieu of taxes;

(10) Costs of job training, retraining, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a

and 10-23.3a of The School Code;

(11) Interest cost incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

(A) such costs are to be paid directly from the special tax allocation fund established pursuant to this Act;

(B) such payments in any one year may not exceed 30% of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;

(C) if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;

(D) the total of such interest payments paid pursuant to this Act may not exceed 30% of the total (i) cost paid or incurred by the redeveloper for the redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act; and

(E) the cost limits set forth in subparagraphs (B) and (D) of paragraph (11) shall be modified for the financing of rehabilitated or new housing units for

low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act. The percentage of 75% shall be substituted for 30% in subparagraphs (B) and (D) of paragraph (11).

(F) Instead of the eligible costs provided by subparagraphs (B) and (D) of paragraph (11), as modified by this subparagraph, and notwithstanding any other provisions of this Act to the contrary, the municipality may pay from tax increment revenues up to 50% of the cost of construction of new housing units to be occupied by low-income households and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act. The cost of construction of those units may be derived from the proceeds of bonds issued by the municipality under this Act or other constitutional or statutory authority or from other sources of municipal revenue that may be reimbursed from tax increment revenues or the proceeds of bonds issued to finance the construction of that housing.

The eligible costs provided under this subparagraph (F) of paragraph (11) shall be an eligible cost for the construction, renovation, and rehabilitation of all low and very low-income housing units, as defined in Section 3 of the Illinois Affordable Housing Act, within the redevelopment

project area. If the low and very low-income units are part of a residential redevelopment project that includes units not affordable to low and very low-income households, only the low and very low-income units shall be eligible for benefits under subparagraph (F) of paragraph (11). The standards for maintaining the occupancy by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, of those units constructed with eligible costs made available under the provisions of this subparagraph (F) of paragraph (11) shall be established by guidelines adopted by the municipality. The responsibility for annually documenting the initial occupancy of the units by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, shall be that of the then current owner of the property. For ownership units, the guidelines will provide, at a minimum, for a reasonable recapture of funds, or other appropriate methods designed to preserve the original affordability of the ownership units. For rental units, the guidelines will provide, at a minimum, for the affordability of rent to low and very low-income households. As units become available, they shall be rented to income-eligible tenants. The municipality may modify these guidelines from time to

time; the guidelines, however, shall be in effect for as long as tax increment revenue is being used to pay for costs associated with the units or for the retirement of bonds issued to finance the units or for the life of the redevelopment project area, whichever is later.

(11.5) If the redevelopment project area is located within a municipality with a population of more than 100,000, the cost of day care services for children of employees from low-income families working for businesses located within the redevelopment project area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the redevelopment project area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80% of the municipal, county, or regional median income, adjusted for family size, as the annual income and municipal, county, or regional median income are determined from time to time by the United States Department of Housing and Urban Development.

(12) Unless explicitly stated herein the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

(13) After November 1, 1999 (the effective date of

Public Act 91-478), none of the redevelopment project costs enumerated in this subsection shall be eligible redevelopment project costs if those costs would provide direct financial support to a retail entity initiating operations in the redevelopment project area while terminating operations at another Illinois location within 10 miles of the redevelopment project area but outside the boundaries of the redevelopment project area municipality. For purposes of this paragraph, termination means a closing of a retail operation that is directly related to the opening of the same operation or like retail entity owned or operated by more than 50% of the original ownership in a redevelopment project area, but it does not mean closing an operation for reasons beyond the control of the retail entity, as documented by the retail entity, subject to a reasonable finding by the municipality that the current location contained inadequate space, had become economically obsolete, or was no longer a viable location for the retailer or serviceman.

(14) No cost shall be a redevelopment project cost in a redevelopment project area if used to demolish, remove, or substantially modify a historic resource, after August 26, 2008 (the effective date of Public Act 95-934), unless no prudent and feasible alternative exists. "Historic resource" for the purpose of this item (14) means (i) a place or structure that is included or eligible for

inclusion on the National Register of Historic Places or (ii) a contributing structure in a district on the National Register of Historic Places. This item (14) does not apply to a place or structure for which demolition, removal, or modification is subject to review by the preservation agency of a Certified Local Government designated as such by the National Park Service of the United States Department of the Interior.

If a special service area has been established pursuant to the Special Service Area Tax Act or Special Service Area Tax Law, then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act or Special Service Area Tax Law may be used within the redevelopment project area for the purposes permitted by that Act or Law as well as the purposes permitted by this Act.

(q-1) For redevelopment project areas created pursuant to subsection (p-1), "redevelopment project costs" are limited to those costs in paragraph (q) that are related to the existing or proposed Regional Transportation Authority Suburban Transit Access Route (STAR Line) station.

(r) "State Sales Tax Boundary" means the redevelopment project area or the amended redevelopment project area boundaries which are determined pursuant to subsection (9) of Section 11-74.4-8a of this Act. The Department of Revenue shall certify pursuant to subsection (9) of Section 11-74.4-8a the appropriate boundaries eligible for the determination of State

Sales Tax Increment.

(s) "State Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid by retailers and servicemen, other than retailers and servicemen subject to the Public Utilities Act, on transactions at places of business located within a State Sales Tax Boundary pursuant to the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, except such portion of such increase that is paid into the State and Local Sales Tax Reform Fund, the Local Government Distributive Fund, the Local Government Tax Fund and the County and Mass Transit District Fund, for as long as State participation exists, over and above the Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for such taxes as certified by the Department of Revenue and paid under those Acts by retailers and servicemen on transactions at places of business located within the State Sales Tax Boundary during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing, less 3.0% of such amounts generated under the Retailers' Occupation Tax Act, Use Tax Act and Service Use Tax Act and the Service Occupation Tax Act, which sum shall be appropriated to the Department of Revenue to cover its costs of administering and enforcing this Section. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of

Revenue shall compute the Initial Sales Tax Amount for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amount". For purposes of determining the State Sales Tax Increment the Department of Revenue shall for each period subtract from the tax amounts received from retailers and servicemen on transactions located in the State Sales Tax Boundary, the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax Amounts for the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act and the Service Occupation Tax Act. For the State Fiscal Year 1989 this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, until June 30, 1989, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified

Initial State Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending on June 30, to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts. Municipalities intending to receive a distribution of State Sales Tax Increment must report a list of retailers to the Department of Revenue by October 31, 1988 and by July 31, of each year thereafter.

(t) "Taxing districts" means counties, townships, cities and incorporated towns and villages, school, road, park, sanitary, mosquito abatement, forest preserve, public health, fire protection, river conservancy, tuberculosis sanitarium and any other municipal corporations or districts with the power to levy taxes.

(u) "Taxing districts' capital costs" means those costs of taxing districts for capital improvements that are found by the municipal corporate authorities to be necessary and directly result from the redevelopment project.

(v) As used in subsection (a) of Section 11-74.4-3 of this Act, "vacant land" means any parcel or combination of parcels of real property without industrial, commercial, and residential buildings which has not been used for commercial agricultural purposes within 5 years prior to the designation

of the redevelopment project area, unless the parcel is included in an industrial park conservation area or the parcel has been subdivided; provided that if the parcel was part of a larger tract that has been divided into 3 or more smaller tracts that were accepted for recording during the period from 1950 to 1990, then the parcel shall be deemed to have been subdivided, and all proceedings and actions of the municipality taken in that connection with respect to any previously approved or designated redevelopment project area or amended redevelopment project area are hereby validated and hereby declared to be legally sufficient for all purposes of this Act. For purposes of this Section and only for land subject to the subdivision requirements of the Plat Act, land is subdivided when the original plat of the proposed Redevelopment Project Area or relevant portion thereof has been properly certified, acknowledged, approved, and recorded or filed in accordance with the Plat Act and a preliminary plat, if any, for any subsequent phases of the proposed Redevelopment Project Area or relevant portion thereof has been properly approved and filed in accordance with the applicable ordinance of the municipality.

(w) "Annual Total Increment" means the sum of each municipality's annual Net Sales Tax Increment and each municipality's annual Net Utility Tax Increment. The ratio of the Annual Total Increment of each municipality to the Annual Total Increment for all municipalities, as most recently

calculated by the Department, shall determine the proportional shares of the Illinois Tax Increment Fund to be distributed to each municipality.

(x) "LEED certified" means any certification level of construction elements by a qualified Leadership in Energy and Environmental Design Accredited Professional as determined by the U.S. Green Building Council.

(y) "Green Globes certified" means any certification level of construction elements by a qualified Green Globes Professional as determined by the Green Building Initiative.

(d) For redevelopment project areas for which bonds were issued before July 29, 1991, or for which contracts were entered into before June 1, 1988, in connection with a redevelopment project in the area within the State Sales Tax Boundary, the estimated dates of completion of the redevelopment project and retirement of obligations to finance redevelopment project costs (including refunding bonds under Section 11-74.4-7) may be extended by municipal ordinance to December 31, 2013. The termination procedures of subsection (b) of Section 11-74.4-8 are not required for these redevelopment project areas in 2009 but are required in 2013. The extension allowed by Public Act 87-1272 shall not apply to real property tax increment allocation financing under Section 11-74.4-8.

(e) Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were adopted on or after December 16, 1986 and for which at least \$8 million worth of municipal bonds were authorized on or after December 19, 1989 but before January 1, 1990; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

(f) Those dates, for purposes of real property tax

increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were established on or after December 1, 1981 but before January 1, 1982 and for which at least \$1,500,000 worth of tax increment revenue bonds were authorized on or after September 30, 1990 but before July 1, 1991; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

(g) In consolidating the material relating to completion dates from Sections 11-74.4-3 and 11-74.4-7 into this Section, it is not the intent of the General Assembly to make any substantive change in the law, except for the extension of the completion dates for the City of Aurora, the Village of Milan, the City of West Frankfort, the Village of Libertyville, and the Village of Hoffman Estates set forth under items (67), (68), (69), (70), and (71) of subsection (c) of this Section.

(65 ILCS 5/11-74.4-7) (from Ch. 24, par. 11-74.4-7)

Sec. 11-74.4-7. Obligations secured by the special tax allocation fund set forth in Section 11-74.4-8 for the redevelopment project area may be issued to provide for redevelopment project costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of such obligations by the receipts of taxes levied as specified in Section 11-74.4-9 against the taxable property included in the area, by revenues as specified by Section 11-74.4-8a and other revenue designated by the municipality. A municipality may in the ordinance pledge all or any part of the funds in and to be deposited in the special tax allocation fund created pursuant to Section 11-74.4-8 to the payment of the redevelopment project costs and obligations. Any pledge of funds in the special tax allocation fund shall provide for distribution to the taxing districts and to the Illinois Department of Revenue of moneys not required, pledged, earmarked, or otherwise designated for payment and securing of the obligations and anticipated redevelopment project costs and such excess funds shall be calculated annually and deemed to be "surplus" funds. In the event a municipality only applies or pledges a portion of the funds in the special tax allocation

fund for the payment or securing of anticipated redevelopment project costs or of obligations, any such funds remaining in the special tax allocation fund after complying with the requirements of the application or pledge, shall also be calculated annually and deemed "surplus" funds. All surplus funds in the special tax allocation fund shall be distributed annually within 180 days after the close of the municipality's fiscal year by being paid by the municipal treasurer to the County Collector, to the Department of Revenue and to the municipality in direct proportion to the tax incremental revenue received as a result of an increase in the equalized assessed value of property in the redevelopment project area, tax incremental revenue received from the State and tax incremental revenue received from the municipality, but not to exceed as to each such source the total incremental revenue received from that source. The County Collector shall thereafter make distribution to the respective taxing districts in the same manner and proportion as the most recent distribution by the county collector to the affected districts of real property taxes from real property in the redevelopment project area.

Without limiting the foregoing in this Section, the municipality may in addition to obligations secured by the special tax allocation fund pledge for a period not greater than the term of the obligations towards payment of such obligations any part or any combination of the following: (a)

net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series bearing interest at such rate or rates as the corporate authorities of the municipality shall determine by ordinance. Such obligations shall bear such date or dates, mature at such time or times not exceeding 20 years from their respective dates, be in such denomination, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, contain such covenants, terms and conditions, and be subject to redemption as such ordinance shall provide. Obligations issued pursuant to this Act may be sold at public or private sale at such price as shall be determined by the corporate authorities of the municipalities. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Division except as provided in this Section.

In the event the municipality authorizes issuance of obligations pursuant to the authority of this Division secured by the full faith and credit of the municipality, which obligations are other than obligations which may be issued under home rule powers provided by Article VII, Section 6 of

the Illinois Constitution, or pledges taxes pursuant to (b) or (c) of the second paragraph of this section, the ordinance authorizing the issuance of such obligations or pledging such taxes shall be published within 10 days after such ordinance has been passed in one or more newspapers, with general circulation within such municipality. The publication of the ordinance shall be accompanied by a notice of (1) the specific number of voters required to sign a petition requesting the question of the issuance of such obligations or pledging taxes to be submitted to the electors; (2) the time in which such petition must be filed; and (3) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 30 days after the publication of the ordinance, the ordinance shall be in effect. But, if within that 30 day period a petition is filed with the municipal clerk, signed by electors in the municipality numbering 10% or more of the number of registered voters in the municipality, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying for redevelopment project costs, or of pledging taxes for the payment of such obligations, or both, be submitted to the electors of the municipality, the corporate authorities of the municipality shall call a special election in the manner provided by law to vote upon that question, or,

if a general, State or municipal election is to be held within a period of not less than 30 or more than 90 days from the date such petition is filed, shall submit the question at the next general, State or municipal election. If it appears upon the canvass of the election by the corporate authorities that a majority of electors voting upon the question voted in favor thereof, the ordinance shall be in effect, but if a majority of the electors voting upon the question are not in favor thereof, the ordinance shall not take effect.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Division, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Section secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of said monies available to the county clerk.

A certified copy of such ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the special tax allocation fund.

A municipality may also issue its obligations to refund in whole or in part, obligations theretofore issued by such municipality under the authority of this Act, whether at or prior to maturity, provided however, that the last maturity of the refunding obligations may not be later than the dates set forth under Section 11-74.4-3.5. ~~, or (NNN) if the ordinance was adopted on December 22, 1986 by the Village of Hoffman Estates~~

In the event a municipality issues obligations under home rule powers or other legislative authority the proceeds of which are pledged to pay for redevelopment project costs, the municipality may, if it has followed the procedures in conformance with this division, retire said obligations from funds in the special tax allocation fund in amounts and in such manner as if such obligations had been issued pursuant to the provisions of this division.

All obligations heretofore or hereafter issued pursuant to this Act shall not be regarded as indebtedness of the municipality issuing such obligations or any other taxing district for the purpose of any limitation imposed by law.

(70 ILCS 1505/26.10-4)

Sec. 26.10-4. Definitions. The following terms, whenever used or referred to in this Act, have the following meaning unless the context requires a different meaning:

"Delivery system" means the design and construction approach used to develop and construct a project.

"Design-bid-build" means the traditional delivery system used on public projects that incorporates the Local Government Professional Services Selection Act (50 ILCS 510/) and the principles of competitive selection.

"Design-build" means a delivery system that provides responsibility within a single contract for the furnishing of architecture, engineering, land surveying and related services as required, and the labor, materials, equipment, and other construction services for the project.

"Design-build contract" means a contract for a public project under this Act between the Chicago Park District and a design-build entity to furnish architecture, engineering, land surveying, landscape architecture, and related services as required, and to furnish the labor, materials, equipment, and

other construction services for the project. The design-build contract may be conditioned upon subsequent refinements in scope and price and may allow the Chicago Park District to make modifications in the project scope without invalidating the design-build contract.

"Design-build entity" means any individual, sole proprietorship, firm, partnership, joint venture, corporation, professional corporation, or other entity that proposes to design and construct any public project under this Act. A design-build entity and associated design-build professionals shall conduct themselves in accordance with the laws of this State and the related provisions of the Illinois Administrative Code, as referenced by the licensed design professionals Acts of this State.

Price may not be used as a factor in the evaluation of Phase I proposals.

"Proposal" means the offer to enter into a design-build contract as submitted by a design-build entity in accordance with this Act.

"Request for proposal" means the document used by the Chicago Park District to solicit proposals for a design-build contract.

"Scope and performance criteria" means the requirements for the public project, including but not limited to, the intended usage, capacity, size, scope, quality and performance standards, life-cycle costs, and other programmatic criteria that are expressed in performance-oriented and quantifiable specifications and drawings that can be reasonably inferred and are suited to allow a design-build entity to develop a proposal.

"Guaranteed maximum price" means a form of contract in which compensation may vary according to the scope of work involved but in any case may not exceed an agreed total amount.

Section 260. The School Code is amended by changing Sections 2-3.64, 2-3.117a, 10-20.21, 10-22.3f, 10-22.31, 10-22.39, 18-8.05, 19-1, 24-6, 27A-5, and 27A-8, by setting forth and renumbering multiple versions of Sections 2-3.148, 22-50, and 34-18.37, and by setting forth, renumbering, and changing multiple versions of Section 10-20.46 as follows:

(105 ILCS 5/2-3.64) (from Ch. 122, par. 2-3.64)

Sec. 2-3.64. State goals and assessment.

(a) Beginning in the 1998-1999 school year, the State Board of Education shall establish standards and periodically, in collaboration with local school districts, conduct studies of student performance in the learning areas of fine arts and physical development/health.

Beginning with the 1998-1999 school year until the 2004-2005 school year, the State Board of Education shall annually test: (i) all pupils enrolled in the 3rd, 5th, and 8th grades in English language arts (reading, writing, and English grammar) and mathematics; and (ii) all pupils enrolled in the 4th and 7th grades in the biological and physical sciences and the social sciences (history, geography, civics, economics, and government). Unless the testing required to be implemented no later than the 2005-2006 school year under this subsection (a) is implemented for the 2004-2005 school year, for the 2004-2005 school year, the State Board of Education shall test:

(i) all pupils enrolled in the 3rd, 5th, and 8th grades in English language arts (reading and English grammar) and mathematics and (ii) all pupils enrolled in the 4th and 7th grades in the biological and physical sciences. The maximum time allowed for all actual testing required under this paragraph shall not exceed 25 hours, as allocated among the required tests by the State Board of Education, across all grades tested.

Beginning no later than the 2005-2006 school year, the State Board of Education shall annually test: (i) all pupils enrolled in the 3rd, 4th, 5th, 6th, 7th, and 8th grades in reading and mathematics and (ii) all pupils enrolled in the 4th and 7th grades in the biological and physical sciences. In addition, the State Board of Education shall test (1) all pupils enrolled in the 5th and 8th grades in writing during the 2006-2007 school year; (2) all pupils enrolled in the 5th, 6th, and 8th grades in writing during the 2007-2008 school year; and (3) all pupils enrolled in the 3rd, 5th, 6th, and 8th grades in writing during the 2008-2009 school year and each school year thereafter. After the addition of grades and change in subjects as delineated in this paragraph and including whatever other tests that may be approved from time to time no later than the 2005-2006 school year, the maximum time allowed for all State testing in grades 3 through 8 shall not exceed 38 hours across those grades.

Beginning with the 2004-2005 school year, the State Board

of Education shall not test pupils under this subsection (a) in physical development and health, fine arts, and the social sciences (history, geography, civics, economics, and government). The State Board of Education shall not test pupils under this subsection (a) in writing during the 2005-2006 school year.

The State Board of Education shall establish the academic standards that are to be applicable to pupils who are subject to State tests under this Section beginning with the 1998-1999 school year. However, the State Board of Education shall not establish any such standards in final form without first providing opportunities for public participation and local input in the development of the final academic standards. Those opportunities shall include a well-publicized period of public comment, public hearings throughout the State, and opportunities to file written comments. Beginning with the 1998-99 school year and thereafter, the State tests will identify pupils in the 3rd grade or 5th grade who do not meet the State standards.

If, by performance on the State tests or local assessments or by teacher judgment, a student's performance is determined to be 2 or more grades below current placement, the student shall be provided a remediation program developed by the district in consultation with a parent or guardian. Such remediation programs may include, but shall not be limited to, increased or concentrated instructional time, a remedial

summer school program of not less than 90 hours, improved instructional approaches, tutorial sessions, retention in grade, and modifications to instructional materials. Each pupil for whom a remediation program is developed under this subsection shall be required to enroll in and attend whatever program the district determines is appropriate for the pupil. Districts may combine students in remediation programs where appropriate and may cooperate with other districts in the design and delivery of those programs. The parent or guardian of a student required to attend a remediation program under this Section shall be given written notice of that requirement by the school district a reasonable time prior to commencement of the remediation program that the student is to attend. The State shall be responsible for providing school districts with the new and additional funding, under Section 2-3.51.5 or by other or additional means, that is required to enable the districts to operate remediation programs for the pupils who are required to enroll in and attend those programs under this Section. Every individualized educational program as described in Article 14 shall identify if the State test or components thereof are appropriate for that student. The State Board of Education shall develop rules and regulations governing the administration of alternative tests prescribed within each student's individualized educational program which are appropriate to the disability of each student.

All pupils who are in a State approved transitional

bilingual education program or transitional program of instruction shall participate in the State tests. The time allotted to take the State tests, however, may be extended as determined by the State Board of Education by rule. Any student who has been enrolled in a State approved bilingual education program less than 3 cumulative academic years may take an accommodated Limited English Proficient student academic content assessment, as determined by the State Board of Education, if the student's lack of English as determined by an English language proficiency test would keep the student from understanding the regular State test. If the school district determines, on a case-by-case individual basis, that a Limited English Proficient student academic content assessment would likely yield more accurate and reliable information on what the student knows and can do, the school district may make a determination to assess the student using a Limited English Proficient student academic content assessment for a period that does not exceed 2 additional consecutive years, provided that the student has not yet reached a level of English language proficiency sufficient to yield valid and reliable information on what the student knows and can do on the regular State test.

Reasonable accommodations as prescribed by the State Board of Education shall be provided for individual students in the testing procedure. All test procedures prescribed by the State Board of Education shall require: (i) that each test used for

State and local student testing under this Section identify by name the pupil taking the test; (ii) that the name of the pupil taking the test be placed on the test at the time the test is taken; (iii) that the results or scores of each test taken under this Section by a pupil of the school district be reported to that district and identify by name the pupil who received the reported results or scores; and (iv) that the results or scores of each test taken under this Section be made available to the parents of the pupil. In addition, in each school year the scores attained by a student on the Prairie State Achievement Examination administered under subsection (c) of this Section and any Prairie State Achievement Awards received by the student shall become part of the student's permanent record and shall be entered on the student's transcript pursuant to regulations that the State Board of Education shall promulgate for that purpose in accordance with Section 3 and subsection (e) of Section 2 of the Illinois School Student Records Act. Beginning with the 1998-1999 school year and in every school year thereafter, scores received by students on the State assessment tests administered in grades 3 through 8 shall be placed into students' temporary records.

The State Board of Education shall establish a period of time, to be referred to as the State test window, in each school year for which State testing shall occur to meet the objectives of this Section. However, if the schools of a district are closed and classes are not scheduled during any

week that is established by the State Board of Education as the State test window, the school district may (at the discretion of the State Board of Education) move its State test window one week earlier or one week later than the established State test window, so long as the school district gives the State Board of Education written notice of its intention to deviate from the established schedule by December 1 of the school year in which falls the State test window established by the State Board of Education for the testing.

(a-5) All tests administered pursuant to this Section shall be academically based. For the purposes of this Section "academically based tests" shall mean tests consisting of questions and answers that are measurable and quantifiable to measure the knowledge, skill, and ability of students in the subject matters covered by tests. The scoring of academically based tests shall be reliable, valid, unbiased and shall meet the guidelines for test development and use prescribed by the American Psychological Association, the National Council of Measurement and Evaluation, and the American Educational Research Association. Academically based tests shall not include assessments or evaluations of attitudes, values, or beliefs, or testing of personality, self-esteem, or self-concept. Nothing in this amendatory Act is intended, nor shall it be construed, to nullify, supersede, or contradict the legislative intent on academic testing expressed during the passage of HB 1005/P.A. 90-296. Nothing in this Section is

intended, nor shall it be construed, to nullify, supersede, or contradict the legislative intent on academic testing expressed in the preamble of this amendatory Act of the 93rd General Assembly.

The State Board of Education shall monitor the use of short answer questions in the math and reading assessments or in other assessments in order to demonstrate that the use of short answer questions results in a statistically significant improvement in student achievement as measured on the State assessments for math and reading or on other State assessments and is justifiable in terms of cost and student performance.

(b) It shall be the policy of the State to encourage school districts to continuously test pupil proficiency in the fundamental learning areas in order to: (i) provide timely information on individual students' performance relative to State standards that is adequate to guide instructional strategies; (ii) improve future instruction; and (iii) complement the information provided by the State testing system described in this Section. To assist school districts in testing pupil proficiency in reading in the primary grades, the State Board shall make optional reading inventories for diagnostic purposes available to each school district that requests such assistance. Districts that administer the reading inventories may develop remediation programs for students who perform in the bottom half of the student population. Those remediation programs may be funded by moneys

provided under the School Safety and Educational Improvement Block Grant Program established under Section 2-3.51.5.

(c) Beginning with the 2000-2001 school year, each school district that operates a high school program for students in grades 9 through 12 shall annually administer the Prairie State Achievement Examination established under this subsection to its students as set forth below. The Prairie State Achievement Examination shall be developed by the State Board of Education to measure student performance in the academic areas of reading, writing, mathematics, science, and social sciences. Beginning with the 2004-2005 school year, however, the State Board of Education shall not test a student in the social sciences (history, geography, civics, economics, and government) as part of the Prairie State Achievement Examination unless the student is retaking the Prairie State Achievement Examination in the fall of 2004. In addition, the State Board of Education shall not test a student in writing as part of the Prairie State Achievement Examination during the 2005-2006 school year. The State Board of Education shall establish the academic standards that are to apply in measuring student performance on the Prairie State Achievement Examination including the minimum examination score in each area that will qualify a student to receive a Prairie State Achievement Award from the State in recognition of the student's excellent performance. Each school district that is subject to the requirements of this subsection (c) shall afford

all students one opportunity to take the Prairie State Achievement Examination beginning as late as practical during the spring semester of grade 11, but in no event before March 1. The State Board of Education shall annually notify districts of the weeks during which this test administration shall be required to occur. Every individualized educational program as described in Article 14 shall identify if the Prairie State Achievement Examination or components thereof are appropriate for that student. Each student, exclusive of a student whose individualized educational program developed under Article 14 identifies the Prairie State Achievement Examination as inappropriate for the student, shall be required to take the examination in grade 11. For each academic area the State Board of Education shall establish the score that qualifies for the Prairie State Achievement Award on that portion of the examination. Districts shall inform their students of the timelines and procedures applicable to their participation in every yearly administration of the Prairie State Achievement Examination. Students receiving special education services whose individualized educational programs identify the Prairie State Achievement Examination as inappropriate for them nevertheless shall have the option of taking the examination, which shall be administered to those students in accordance with standards adopted by the State Board of Education to accommodate the respective disabilities of those students. A student who successfully completes all other applicable high

school graduation requirements but fails to receive a score on the Prairie State Achievement Examination that qualifies the student for receipt of a Prairie State Achievement Award shall nevertheless qualify for the receipt of a regular high school diploma. In no case, however, shall a student receive a regular high school diploma without taking the Prairie State Achievement Examination, unless the student is exempted from taking the Prairie State Achievement Examination under this subsection (c) because (i) the student's individualized educational program developed under Article 14 of this Code identifies the Prairie State Achievement Examination as inappropriate for the student, (ii) the student is exempt due to the student's lack of English language proficiency under subsection (a) of this Section, (iii) the student is enrolled in a program of Adult and Continuing Education as defined in the Adult Education Act, (iv) the school district is not required to test the individual student for purposes of accountability under federal No Child Left Behind Act of 2001 requirements, or (v) the student is otherwise identified by the State Board of Education through rules as being exempt from the assessment.

(d) Beginning with the 2002-2003 school year, all schools in this State that are part of the sample drawn by the National Center for Education Statistics, in collaboration with their school districts and the State Board of Education, shall administer the biennial State academic assessments of 4th and

8th grade reading and mathematics under the National Assessment of Educational Progress carried out under Section 411(b)(2) ~~411(b)(2)~~ of the National Education Statistics Act of 1994 (20 U.S.C. 9010) if the Secretary of Education pays the costs of administering the assessments.

(e) Beginning no later than the 2005-2006 school year, subject to available federal funds to this State for the purpose of student assessment, the State Board of Education shall provide additional tests and assessment resources that may be used by school districts for local diagnostic purposes. These tests and resources shall include without limitation additional high school writing, physical development and health, and fine arts assessments. The State Board of Education shall annually distribute a listing of these additional tests and resources, using funds available from appropriations made for student assessment purposes.

(f) For the assessment and accountability purposes of this Section, "all pupils" includes those pupils enrolled in a public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, a charter school operating in compliance with the Charter Schools Law, a school operated by a regional office of education under Section 13A-3 of this Code, or a public school administered by a local public agency or the Department of Human Services.

Sec. 2-3.117a. School Technology Revolving Loan Program.

(a) The State Board of Education is authorized to administer a School Technology Revolving Loan Program from funds appropriated from the School Technology Revolving Loan Fund for the purpose of making the financing of school technology hardware improvements affordable and making the integration of technology in the classroom possible. School technology loans shall be made available to public school districts, charter schools, area vocational centers, laboratory schools, and State-recognized, non-public schools to purchase technology hardware for eligible grade levels on a 2-year rotating basis: grades 9 through 12 in fiscal year 2004 and each second year thereafter and grades K through 8 in fiscal year 2005 and each second year thereafter. However, priority shall be given to public school districts, charter schools, area vocational centers, and laboratory schools that apply prior to October 1 of each year.

The State Board of Education shall determine the interest rate the loans shall bear which shall not be greater than 50% of the rate for the most recent date shown in the 20 G.O. Bonds Index of average municipal bond yields as published in the most recent edition of The Bond Buyer, published in New York, New York. The repayment period for School Technology Revolving Loans shall not exceed 3 years. Participants shall use at least

90% of the loan proceeds for technology hardware investments for students and staff (including computer hardware, technology networks, related wiring, and other items as defined in rules adopted by the State Board of Education) and up to 10% of the loan proceeds for computer furniture. No participant whose equalized assessed valuation per pupil in average daily attendance is at the 99th percentile and above for all districts of the same type shall be eligible to receive a School Technology Revolving Loan under the provisions of this Section for that year.

The State Board of Education shall have the authority to adopt all rules necessary for the implementation and administration of the School Technology Revolving Loan Program, including, but not limited to, rules defining application procedures, prescribing a maximum amount per pupil that may be requested annually, requiring appropriate local commitments for technology investments, prescribing a mechanism for disbursing loan funds in the event requests exceed available funds, specifying collateral, prescribing actions necessary to protect the State's interest in the event of default, foreclosure, or noncompliance with the terms and conditions of the loans, and prescribing a mechanism for reclaiming any items or equipment purchased with the loan funds in the case of the closure of a non-public school.

(b) There is created in the State treasury the School Technology Revolving Loan Fund. The State Board shall have the

authority to make expenditures from the Fund pursuant to appropriations made for the purposes of this Section, including refunds. There shall be deposited into the Fund such amounts, including but not limited to:

- (1) Transfers from the School Infrastructure Fund;
- (2) All receipts, including principal and interest payments, from any loan made from the Fund;
- (3) All proceeds of assets of whatever nature received by the State Board as a result of default or delinquency with respect to loans made from the Fund;
- (4) Any appropriations, grants, or gifts made to the Fund; and
- (5) Any income received from interest on investments of money in the Fund.

(105 ILCS 5/2-3.148)

Sec. 2-3.148. Disability history and awareness campaign. The State Board of Education shall promote an annual campaign about disability history and awareness in this State. The campaign shall be designed to increase public awareness and respect for people with disabilities who comprise a substantial percentage of this State's population, teach future generations that people with disabilities have a rich history and have made valuable contributions throughout this State and

the United States, and teach future generations that disability is a natural part of life and that people with disabilities have a right to be treated with civil, legal, and human rights and as full human beings above all else.

Sec. 2-3.149 ~~2-3.148~~. Food allergy guidelines.

(a) Not later than July 1, 2010, the State Board of Education, in conjunction with the Department of Public Health, shall develop and make available to each school board guidelines for the management of students with life-threatening food allergies. The State Board of Education and the Department of Public Health shall establish an ad hoc committee to develop the guidelines. The committee shall include experts in the field of food allergens, representatives on behalf of students with food allergies, representatives from the several public school management organizations, which shall include school administrators, principals, and school board members, and representatives from 2 statewide professional teachers' organizations. The guidelines shall include, but need not be limited to, the following:

(1) education and training for school personnel who interact with students with life-threatening food allergies, such as school and school district administrators, teachers, school advisors and counselors,

school health personnel, and school nurses, on the management of students with life-threatening food allergies, including training related to the administration of medication with an auto-injector;

(2) procedures for responding to life-threatening allergic reactions to food;

(3) a process for the implementation of individualized health care and food allergy action plans for every student with a life-threatening food allergy; and

(4) protocols to prevent exposure to food allergens.

(b) Not later than January 1, 2011, each school board shall implement a policy based on the guidelines developed pursuant to subsection (a) of this Section for the management of students with life-threatening food allergies enrolled in the schools under its jurisdiction. Nothing in this subsection (b) is intended to invalidate school district policies that were implemented before the development of guidelines pursuant to subsection (a) of this Section as long as such policies are consistent with the guidelines developed pursuant to subsection (a) of this Section.

(Section scheduled to be repealed on January 16, 2013)

Sec. 2-3.150 ~~2-3.148~~. Textbook digital technology; pilot program.

(a) The General Assembly makes the following findings:

(1) The use of digital technologies in the kindergarten through grade 12 school environment is rapidly increasing in this State.

(2) There is a need for the State Board of Education to explore the expanded use of digital technologies in classrooms and the impact of technological innovation on both educational achievement and textbook weight.

(b) The State Board of Education shall implement a pilot program, subject to appropriation, to test digital technologies in 3 geographically diverse school districts on or before July 1, 2011. The pilot program shall examine the following issues:

(1) the development of alternative textbook formats, including various digital formats; and

(2) any possible adaptation of existing standard print textbooks that would be beneficial to the health and educational achievement of pupils in this State.

(c) The State Board of Education shall report the results of its findings on the pilot program and make recommendations to the Governor and the General Assembly on or before January 15, 2013 with regard to the success of digital technologies used in the pilot program. The State Board of Education may submit other reports as it deems appropriate.

(d) The pilot program is abolished on January 16, 2013. This Section is repealed on January 16, 2013.

(105 ILCS 5/2-3.151)

Sec. 2-3.151 ~~2-3.148~~. Green career and technical education programs.

(a) As used in this Section, "green industries" means industries that contribute directly to preserving or enhancing environmental quality by reducing waste and pollution or producing sustainable products using sustainable processes and materials and that provide opportunities for advancement along a career track of increasing skills and wages. Green industries include any of the following:

(1) Energy system retrofits to increase energy efficiency and conservation.

(2) The production and distribution of biofuels and vehicle retrofits for biofuels.

(3) Building design and construction that meet the equivalent of the best available technology in energy and environmental design standards.

(4) Organic and community food production.

(5) The manufacture of products from non-toxic, environmentally certified or recycled materials.

(6) The manufacture and production of sustainable technologies, including, but not limited to, solar panels, wind turbines, and fuel cells.

(7) Solar technology installation and maintenance.

(8) Recycling, green composting, and large-scale reuse of construction and demolition materials and debris.

(9) Water system retrofits to increase water efficiency and conservation.

(10) Horticulture.

(b) It is the purpose and intent of this Section to establish a State grant program that develops secondary programs that introduce students to developing green industries.

(c) Subject to appropriation, the State Board of Education shall establish a State grant program that develops, through a competitive process, 2-year pilot programs to assist in the creation and promotion of green career and technical education programs in public secondary schools in this State. Preference must be given to proposals that include the integration of academic and career and technical education content, arranged in sequences of courses that lead to post-secondary completion.

(d) The State Board of Education may adopt any rules necessary for the implementation of this Section.

(e) The State Board of Education may use up to 5% of the funds appropriated for the purposes of this Section for administrative costs, including the hiring of positions for the implementation and administration of the grant program, provided that if no appropriation is made to the State Board for a given fiscal year for the purposes of the grant program, then the State Board is not required to make any expenditures

in support of the program during that fiscal year.

(105 ILCS 5/2-3.152)

Sec. 2-3.152 ~~2-3.148~~. Community schools.

(a) This Section applies beginning with the 2009-2010 school year.

(b) The General Assembly finds all of the following:

- (1) All children are capable of success.
- (2) Schools are the centers of vibrant communities.
- (3) Strong families build strong educational communities.
- (4) Children succeed when adults work together to foster positive educational outcomes.
- (5) Schools work best when families take active roles in the education of children.
- (6) Schools today are limited in their ability to dedicate time and resources to provide a wide range of educational opportunities to students because of the focus on standardized test outcomes.
- (7) By providing learning opportunities outside of normal school hours, including programs on life skills and health, students are more successful academically, more engaged in their communities, safer, and better prepared to make a successful transition from school to adulthood.
- (8) A community school is a traditional school that

actively partners with its community to leverage existing resources and identify new resources to support the transformation of the school to provide enrichment and additional life skill opportunities for students, parents, and community members at-large. Each community school is unique because its programming is designed by and for the school staff, in partnership with parents, community stakeholders, and students.

(9) Community schools currently exist in this State in urban, rural, and suburban communities.

(10) Research shows that community schools have a powerful positive impact on students, as demonstrated by increased academic success, a positive change in attitudes toward school and learning, and decreased behavioral problems.

(11) After-school and evening programs offered by community schools provide academic enrichment consistent with the Illinois Learning Standards and general school curriculum; an opportunity for physical fitness activities for students, fine arts programs, structured learning "play" time, and other recreational opportunities; a safe haven for students; and work supports for working families.

(12) Community schools are cost-effective because they leverage existing resources provided by local, State, federal, and private sources and bring programs to the schools, where the students are already congregated.

Community schools have been shown to leverage between \$5 to \$8 in existing programming for every \$1 spent on a community school.

(c) Subject to an appropriation or the availability of funding for such purposes, the State Board of Education shall make grants available to fund community schools and to enhance programs at community schools. A request-for-proposal process must be used in awarding grants under this subsection (c). Proposals may be submitted on behalf of a school, a school district, or a consortium of 2 or more schools or school districts. Proposals must be evaluated and scored on the basis of criteria consistent with this Section and other factors developed and adopted by the State Board of Education. Technical assistance in grant writing must be made available to schools, school districts, or consortia of school districts through the State Board of Education directly or through a resource and referral directory established and maintained by the State Board of Education.

(d) In order to qualify for a community school grant under this Section, a school must, at a minimum, have the following components:

- (1) Before and after-school programming each school day to meet the identified needs of students.
- (2) Weekend programming.
- (3) At least 4 weeks of summer programming.
- (4) A local advisory group comprised of school

leadership, parents, and community stakeholders that establishes school-specific programming goals, assesses program needs, and oversees the process of implementing expanded programming.

(5) A program director or resource coordinator who is responsible for establishing a local advisory group, assessing the needs of students and community members, identifying programs to meet those needs, developing the before and after-school, weekend, and summer programming and overseeing the implementation of programming to ensure high quality, efficiency, and robust participation.

Sec. 10-20.21. Contracts.

(a) To award all contracts for purchase of supplies, materials or work or contracts with private carriers for transportation of pupils involving an expenditure in excess of \$25,000 or a lower amount as required by board policy to the lowest responsible bidder, considering conformity with specifications, terms of delivery, quality and serviceability, after due advertisement, except the following: (i) contracts for the services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part; (ii) contracts for the printing of finance committee reports and departmental reports; (iii) contracts for the printing or engraving of bonds, tax warrants and other evidences of indebtedness; (iv) contracts for the purchase of perishable foods and perishable beverages; (v) contracts for materials and work which have been awarded to the lowest responsible bidder after due advertisement, but due to unforeseen revisions, not the fault of the contractor for materials and work, must be revised causing expenditures not in excess of 10% of the contract price; (vi) contracts for the maintenance or servicing of, or

provision of repair parts for, equipment which are made with the manufacturer or authorized service agent of that equipment where the provision of parts, maintenance, or servicing can best be performed by the manufacturer or authorized service agent; (vii) purchases and contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, and services; (viii) contracts for duplicating machines and supplies; (ix) contracts for the purchase of natural gas when the cost is less than that offered by a public utility; (x) purchases of equipment previously owned by some entity other than the district itself; (xi) contracts for repair, maintenance, remodeling, renovation, or construction, or a single project involving an expenditure not to exceed \$50,000 and not involving a change or increase in the size, type, or extent of an existing facility; (xii) contracts for goods or services procured from another governmental agency; (xiii) contracts for goods or services which are economically procurable from only one source, such as for the purchase of magazines, books, periodicals, pamphlets and reports, and for utility services such as water, light, heat, telephone or telegraph; (xiv) where funds are expended in an emergency and such emergency expenditure is approved by 3/4 of the members of the board; (xv) State master contracts authorized under Article 28A of this Code; and (xvi) contracts providing for the transportation

of pupils with special needs or disabilities, which contracts must be advertised in the same manner as competitive bids and awarded by first considering the bidder or bidders most able to provide safety and comfort for the pupils with special needs or disabilities, stability of service, and any other factors set forth in the request for proposal regarding quality of service, and then price.

All competitive bids for contracts involving an expenditure in excess of \$25,000 or a lower amount as required by board policy must be sealed by the bidder and must be opened by a member or employee of the school board at a public bid opening at which the contents of the bids must be announced. Each bidder must receive at least 3 days' notice of the time and place of the bid opening. For purposes of this Section due advertisement includes, but is not limited to, at least one public notice at least 10 days before the bid date in a newspaper published in the district, or if no newspaper is published in the district, in a newspaper of general circulation in the area of the district. State master contracts and certified education purchasing contracts, as defined in Article 28A of this Code, are not subject to the requirements of this paragraph.

Under this Section, the acceptance of bids sealed by a bidder and the opening of these bids at a public bid opening may be permitted by an electronic process for communicating, accepting, and opening competitive bids. However, bids for

construction purposes are prohibited from being communicated, accepted, or opened electronically. An electronic bidding process must provide for, but is not limited to, the following safeguards:

(1) On the date and time certain of a bid opening, the primary person conducting the competitive, sealed, electronic bid process shall log onto a specified database using a unique username and password previously assigned to the bidder to allow access to the bidder's specific bid project number.

(2) The specified electronic database must be on a network that (i) is in a secure environment behind a firewall; (ii) has specific encryption tools; (iii) maintains specific intrusion detection systems; (iv) has redundant systems architecture with data storage back-up, whether by compact disc or tape; and (v) maintains a disaster recovery plan.

It is the legislative intent of Public Act 96-841 ~~this amendatory Act of the 96th General Assembly~~ to maintain the integrity of the sealed bidding process provided for in this Section, to further limit any possibility of bid-rigging, to reduce administrative costs to school districts, and to effect efficiencies in communications with bidders.

(b) To require, as a condition of any contract for goods and services, that persons bidding for and awarded a contract and all affiliates of the person collect and remit Illinois Use

Tax on all sales of tangible personal property into the State of Illinois in accordance with the provisions of the Illinois Use Tax Act regardless of whether the person or affiliate is a "retailer maintaining a place of business within this State" as defined in Section 2 of the Use Tax Act. For purposes of this Section, the term "affiliate" means any entity that (1) directly, indirectly, or constructively controls another entity, (2) is directly, indirectly, or constructively controlled by another entity, or (3) is subject to the control of a common entity. For purposes of this subsection (b), an entity controls another entity if it owns, directly or individually, more than 10% of the voting securities of that entity. As used in this subsection (b), the term "voting security" means a security that (1) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (2) is convertible into, or entitles the holder to receive upon its exercise, a security that confers such a right to vote. A general partnership interest is a voting security.

To require that bids and contracts include a certification by the bidder or contractor that the bidder or contractor is not barred from bidding for or entering into a contract under this Section and that the bidder or contractor acknowledges that the school board may declare the contract void if the certification completed pursuant to this subsection (b) is false.

(b-5) To require all contracts and agreements that pertain to goods and services and that are intended to generate additional revenue and other remunerations for the school district in excess of \$1,000, including without limitation vending machine contracts, sports and other attire, class rings, and photographic services, to be approved by the school board. The school board shall file as an attachment to its annual budget a report, in a form as determined by the State Board of Education, indicating for the prior year the name of the vendor, the product or service provided, and the actual net revenue and non-monetary remuneration from each of the contracts or agreements. In addition, the report shall indicate for what purpose the revenue was used and how and to whom the non-monetary remuneration was distributed.

(c) If the State education purchasing entity creates a master contract as defined in Article 28A of this Code, then the State education purchasing entity shall notify school districts of the existence of the master contract.

(d) In purchasing supplies, materials, equipment, or services that are not subject to subsection (c) of this Section, before a school district solicits bids or awards a contract, the district may review and consider as a bid under subsection (a) of this Section certified education purchasing contracts that are already available through the State education purchasing entity.

Sec. 10-20.48 ~~10-20.46~~. Radon testing.

(a) It is recommended that every occupied school building of a school district be tested every 5 years for radon pursuant to rules established by the Illinois Emergency Management Agency (IEMA).

(b) It is recommended that new schools of a school district be built using radon resistant new construction techniques, as shown in the United States Environmental Protection Agency document, Radon Prevention in the Design and Construction of Schools and Other Large Buildings.

(c) Each school district may maintain, make available for review, and notify parents and faculty of test results under this Section. The district shall report radon test results to the State Board of Education, which shall prepare a report every 2 years of the results from all schools that have performed tests, to be submitted to the General Assembly and the Governor.

(d) If IEMA exempts an individual from being required to be a licensed radon professional, the individual does not need to be a licensed radon professional in order to perform screening tests under this Section. A school district may elect to have one or more employees from the district attend an IEMA-approved, Internet-based training course on school testing in order to receive an exemption to conduct testing in that school district. These school district employees must perform the measurements in accordance with procedures approved by IEMA. If an exemption from IEMA is not received, the school district must use a licensed radon professional to conduct measurements.

(e) If the results of a radon screening test under this Section are found to be 4.0 pCi/L or above, the school district

may hire a licensed radon professional to perform measurements before any mitigation decisions are made. If radon levels of 4.0 pCi/L or above are found, it is recommended that affected areas be mitigated by a licensed radon mitigation professional with respect to both design and installation. IEMA may provide the school district with a list of licensed radon mitigation professionals.

(f) A screening test under this Section may be done with a test kit found in a hardware store, department store, or home improvement store or with a kit ordered through the mail or over the Internet. However, the kit must be provided by a laboratory licensed in accordance with the Radon Industry Licensing Act.

The salary compensation report shall include without limitation base salary, bonuses, pension contributions, retirement increases, the cost of health insurance, the cost of life insurance, paid sick and vacation day payouts, annuities, and any other form of compensation or income paid on behalf of the employee.

This report shall be presented at a regular school board meeting, subject to applicable notice requirements. In addition, each school district shall submit the completed report to the office of the district's regional superintendent of schools, which shall make copies available to any individual requesting them.

Per Section 10-20.40 of this Code, as added by Public Act 95-707, a school district must post the contract that a school board enters into with an exclusive bargaining representative. The school board must provide the terms of that contract online.

(105 ILCS 5/10-22.31) (from Ch. 122, par. 10-22.31)

Sec. 10-22.31. Special education.

(a) To enter into joint agreements with other school boards to provide the needed special educational facilities and to employ a director and other professional workers as defined in Section 14-1.10 and to establish facilities as defined in Section 14-1.08 for the types of children described in Sections 14-1.02 and 14-1.03a. The director (who may be employed under a contract as provided in subsection (c) of this Section) and other professional workers may be employed by one district, which shall be reimbursed on a mutually agreed basis by other districts that are parties to the joint agreement. Such agreements may provide that one district may supply professional workers for a joint program conducted in another district. Such agreement shall provide that any full-time professional worker who is employed by a joint agreement program and spends over 50% of his or her time in one school district shall not be required to work a different teaching schedule than the other professional worker in that district. Such agreement shall include, but not be limited to, provisions for administration, staff, programs, financing, housing, transportation, an advisory body, and the method or methods to be employed for disposing of property upon the withdrawal of a

school district or dissolution of the joint agreement and shall specify procedures for the withdrawal of districts from the joint agreement as long as these procedures are consistent with subsection (g) of this Section. ~~this Section and~~ Such agreement may be amended at any time as provided in the joint agreement or, if the joint agreement does not so provide, then such agreement may be amended at any time upon the adoption of concurring resolutions by the school boards of all member districts, provided that no later than 6 months after August 28, 2009 (the effective date of Public Act 96-783) ~~this amendatory Act of the 96th General Assembly~~, all existing agreements shall be amended to be consistent with Public Act 96-783 ~~this amendatory Act of the 96th General Assembly~~. Such an amendment may include the removal of a school district from or the addition of a school district to the joint agreement without a petition as otherwise required in this Section if all member districts adopt concurring resolutions to that effect. A fully executed copy of any such agreement or amendment entered into on or after January 1, 1989 shall be filed with the State Board of Education. Petitions for withdrawal shall be made to the regional board or boards of school trustees exercising oversight or governance over any of the districts in the joint agreement. Upon receipt of a petition for withdrawal, the regional board of school trustees shall publish notice of and conduct a hearing or, in instances in which more than one regional board of school trustees exercises oversight or

governance over any of the districts in the joint agreement, a joint hearing, in accordance with rules adopted by the State Board of Education. In instances in which a single regional board of school trustees holds the hearing, approval of the petition must be by a two-thirds majority vote of the school trustees. In instances in which a joint hearing of 2 or more regional boards of school trustees is required, approval of the petition must be by a two-thirds majority of all those school trustees present and voting. Notwithstanding the provisions of Article 6 of this Code, in instances in which the competent regional board or boards of school trustees has been abolished, petitions for withdrawal shall be made to the school boards of those districts that fall under the oversight or governance of the abolished regional board of school trustees in accordance with rules adopted by the State Board of Education. If any petition is approved pursuant to this subsection (a), the withdrawal takes effect as provided in Section 7-9 of this Act. The changes to this Section made by Public Act 96-769 ~~this amendatory Act of the 96th General Assembly~~ apply to all changes to special education joint agreement membership initiated after July 1, 2009.

(b) To either (1) designate an administrative district to act as fiscal and legal agent for the districts that are parties to the joint agreement, or (2) designate a governing board composed of one member of the school board of each cooperating district and designated by such boards to act in

accordance with the joint agreement. No such governing board may levy taxes and no such governing board may incur any indebtedness except within an annual budget for the joint agreement approved by the governing board and by the boards of at least a majority of the cooperating school districts or a number of districts greater than a majority if required by the joint agreement. The governing board may appoint an executive board of at least 7 members to administer the joint agreement in accordance with its terms. However, if 7 or more school districts are parties to a joint agreement that does not have an administrative district: (i) at least a majority of the members appointed by the governing board to the executive board shall be members of the school boards of the cooperating districts; or (ii) if the governing board wishes to appoint members who are not school board members, they shall be superintendents from the cooperating districts.

(c) To employ a full-time director of special education of the joint agreement program under a one-year or multi-year contract. No such contract can be offered or accepted for less than one year. Such contract may be discontinued at any time by mutual agreement of the contracting parties, or may be extended for an additional one-year or multi-year period at the end of any year.

The contract year is July 1 through the following June 30th, unless the contract specifically provides otherwise. Notice of intent not to renew a contract when given by a

controlling board or administrative district must be in writing stating the specific reason therefor. Notice of intent not to renew the contract must be given by the controlling board or the administrative district at least 90 days before the contract expires. Failure to do so will automatically extend the contract for one additional year.

By accepting the terms of the contract, the director of a special education joint agreement waives all rights granted under Sections 24-11 through 24-16 for the duration of his or her employment as a director of a special education joint agreement.

(d) To designate a district that is a party to the joint agreement as the issuer of bonds or notes for the purposes and in the manner provided in this Section. It is not necessary for such district to also be the administrative district for the joint agreement, nor is it necessary for the same district to be designated as the issuer of all series of bonds or notes issued hereunder. Any district so designated may, from time to time, borrow money and, in evidence of its obligation to repay the borrowing, issue its negotiable bonds or notes for the purpose of acquiring, constructing, altering, repairing, enlarging and equipping any building or portion thereof, together with any land or interest therein, necessary to provide special educational facilities and services as defined in Section 14-1.08. Title in and to any such facilities shall be held in accordance with the joint agreement.

Any such bonds or notes shall be authorized by a resolution of the board of education of the issuing district. The resolution may contain such covenants as may be deemed necessary or advisable by the district to assure the payment of the bonds or notes. The resolution shall be effective immediately upon its adoption.

Prior to the issuance of such bonds or notes, each school district that is a party to the joint agreement shall agree, whether by amendment to the joint agreement or by resolution of the board of education, to be jointly and severally liable for the payment of the bonds and notes. The bonds or notes shall be payable solely and only from the payments made pursuant to such agreement.

Neither the bonds or notes nor the obligation to pay the bonds or notes under any joint agreement shall constitute an indebtedness of any district, including the issuing district, within the meaning of any constitutional or statutory limitation.

As long as any bonds or notes are outstanding and unpaid, the agreement by a district to pay the bonds and notes shall be irrevocable notwithstanding the district's withdrawal from membership in the joint special education program.

(e) If a district whose employees are on strike was, prior to the strike, sending students with disabilities to special educational facilities and services in another district or cooperative, the district affected by the strike shall continue

to send such students during the strike and shall be eligible to receive appropriate State reimbursement.

(f) With respect to those joint agreements that have a governing board composed of one member of the school board of each cooperating district and designated by those boards to act in accordance with the joint agreement, the governing board shall have, in addition to its other powers under this Section, the authority to issue bonds or notes for the purposes and in the manner provided in this subsection. The governing board of the joint agreement may from time to time borrow money and, in evidence of its obligation to repay the borrowing, issue its negotiable bonds or notes for the purpose of acquiring, constructing, altering, repairing, enlarging and equipping any building or portion thereof, together with any land or interest therein, necessary to provide special educational facilities and services as defined in Section 14-1.08 and including also facilities for activities of administration and educational support personnel employees. Title in and to any such facilities shall be held in accordance with the joint agreement.

Any such bonds or notes shall be authorized by a resolution of the governing board. The resolution may contain such covenants as may be deemed necessary or advisable by the governing board to assure the payment of the bonds or notes and interest accruing thereon. The resolution shall be effective immediately upon its adoption.

Each school district that is a party to the joint agreement shall be automatically liable, by virtue of its membership in the joint agreement, for its proportionate share of the principal amount of the bonds and notes plus interest accruing thereon, as provided in the resolution. Subject to the joint and several liability hereinafter provided for, the resolution may provide for different payment schedules for different districts except that the aggregate amount of scheduled payments for each district shall be equal to its proportionate share of the debt service in the bonds or notes based upon the fraction that its equalized assessed valuation bears to the total equalized assessed valuation of all the district members of the joint agreement as adjusted in the manner hereinafter provided. In computing that fraction the most recent available equalized assessed valuation at the time of the issuance of the bonds and notes shall be used, and the equalized assessed valuation of any district maintaining grades K to 12 shall be doubled in both the numerator and denominator of the fraction used for all of the districts that are members of the joint agreement. In case of default in payment by any member, each school district that is a party to the joint agreement shall automatically be jointly and severally liable for the amount of any deficiency. The bonds or notes and interest thereon shall be payable solely and only from the funds made available pursuant to the procedures set forth in this subsection. No project authorized under this subsection may require an annual

contribution for bond payments from any member district in excess of 0.15% of the value of taxable property as equalized or assessed by the Department of Revenue in the case of districts maintaining grades K-8 or 9-12 and 0.30% of the value of taxable property as equalized or assessed by the Department of Revenue in the case of districts maintaining grades K-12. This limitation on taxing authority is expressly applicable to taxing authority provided under Section 17-9 and other applicable Sections of this Act. Nothing contained in this subsection shall be construed as an exception to the property tax limitations contained in Section 17-2, 17-2.2a, 17-5, or any other applicable Section of this Act.

Neither the bonds or notes nor the obligation to pay the bonds or notes under any joint agreement shall constitute an indebtedness of any district within the meaning of any constitutional or statutory limitation.

As long as any bonds or notes are outstanding and unpaid, the obligation of a district to pay its proportionate share of the principal of and interest on the bonds and notes as required in this Section shall be a general obligation of the district payable from any and all sources of revenue designated for that purpose by the board of education of the district and shall be irrevocable notwithstanding the district's withdrawal from membership in the joint special education program.

(g) A member district wishing to withdraw from a joint agreement may obtain from its school board a written resolution

approving the withdrawal. The withdrawing district must then present a written petition for withdrawal from the joint agreement to the other member districts within such timelines designated by the joint agreement. Upon approval by school board written resolution of all of the remaining member districts, the petitioning member district shall be withdrawn from the joint agreement effective the following July 1 and shall notify the State Board of Education of the approved withdrawal in writing.

(h) The changes to this Section made by Public Act 96-783 ~~this amendatory Act of the 96th General Assembly~~ apply to withdrawals from or dissolutions of special education joint agreements initiated after August 28, 2009 (the effective date of Public Act 96-783) ~~this amendatory Act of the 96th General Assembly~~.

Sec. 10-22.39. In-service training programs.

(a) To conduct in-service training programs for teachers.

(b) In addition to other topics at in-service training programs, school guidance counselors, teachers and other school personnel who work with pupils in grades 7 through 12 shall be trained to identify the warning signs of suicidal behavior in adolescents and teens and shall be taught

appropriate intervention and referral techniques.

(c) School guidance counselors, nurses, teachers and other school personnel who work with pupils may be trained to have a basic knowledge of matters relating to acquired immunodeficiency syndrome (AIDS), including the nature of the disease, its causes and effects, the means of detecting it and preventing its transmission, and the availability of appropriate sources of counseling and referral, and any other information that may be appropriate considering the age and grade level of such pupils. The School Board shall supervise such training. The State Board of Education and the Department of Public Health shall jointly develop standards for such training.

(d) In this subsection (d):

"Domestic violence" means abuse by a family or household member, as "abuse" and "family or household members" are defined in Section 103 of the Illinois Domestic Violence Act of 1986.

"Sexual violence" means sexual assault, abuse, or stalking of an adult or minor child proscribed in the Criminal Code of 1961 in Sections 12-7.3, 12-7.4, 12-7.5, 12-12, 12-13, 12-14, 12-14.1, 12-15, and 12-16, including sexual violence committed by perpetrators who are strangers to the victim and sexual violence committed by perpetrators who are known or related by blood or marriage to the victim.

At least once every 2 years, an in-service training program

for school personnel who work with pupils, including, but not limited to, school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, and school nurses, must be conducted by persons with expertise in domestic and sexual violence and the needs of expectant and parenting youth and shall include training concerning (i) communicating with and listening to youth victims of domestic or sexual violence and expectant and parenting youth, (ii) connecting youth victims of domestic or sexual violence and expectant and parenting youth to appropriate in-school services and other agencies, programs, and services as needed, and (iii) implementing the school district's policies, procedures, and protocols with regard to such youth, including confidentiality. At a minimum, school personnel must be trained to understand, provide information and referrals, and address issues pertaining to youth who are parents, expectant parents, or victims of domestic or sexual violence.

Sec. 18-8.05. Basis for apportionment of general State financial aid and supplemental general State aid to the common schools for the 1998-1999 and subsequent school years.

(A) General Provisions.

(1) The provisions of this Section apply to the 1998-1999 and subsequent school years. The system of general State financial aid provided for in this Section is designed to assure that, through a combination of State financial aid and required local resources, the financial support provided each pupil in Average Daily Attendance equals or exceeds a prescribed per pupil Foundation Level. This formula approach imputes a level of per pupil Available Local Resources and provides for the basis to calculate a per pupil level of general State financial aid that, when added to Available Local Resources, equals or exceeds the Foundation Level. The amount of per pupil general State financial aid for school districts, in general, varies in inverse relation to Available Local Resources. Per pupil amounts are based upon each school district's Average Daily Attendance as that term is defined in this Section.

(2) In addition to general State financial aid, school

districts with specified levels or concentrations of pupils from low income households are eligible to receive supplemental general State financial aid grants as provided pursuant to subsection (H). The supplemental State aid grants provided for school districts under subsection (H) shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

(3) To receive financial assistance under this Section, school districts are required to file claims with the State Board of Education, subject to the following requirements:

(a) Any school district which fails for any given school year to maintain school as required by law, or to maintain a recognized school is not eligible to file for such school year any claim upon the Common School Fund. In case of nonrecognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion which the Average Daily Attendance in the attendance center or centers bear to the Average Daily Attendance in the school district. A "recognized school" means any public school which meets the standards as established for recognition by the State Board of Education. A school district or attendance center not having recognition status at the end of a school term is entitled to receive State aid payments due upon a legal

claim which was filed while it was recognized.

(b) School district claims filed under this Section are subject to Sections 18-9 and 18-12, except as otherwise provided in this Section.

(c) If a school district operates a full year school under Section 10-19.1, the general State aid to the school district shall be determined by the State Board of Education in accordance with this Section as near as may be applicable.

(d) (Blank).

(4) Except as provided in subsections (H) and (L), the board of any district receiving any of the grants provided for in this Section may apply those funds to any fund so received for which that board is authorized to make expenditures by law.

School districts are not required to exert a minimum Operating Tax Rate in order to qualify for assistance under this Section.

(5) As used in this Section the following terms, when capitalized, shall have the meaning ascribed herein:

(a) "Average Daily Attendance": A count of pupil attendance in school, averaged as provided for in subsection (C) and utilized in deriving per pupil financial support levels.

(b) "Available Local Resources": A computation of local financial support, calculated on the basis of Average Daily Attendance and derived as provided pursuant to

subsection (D).

(c) "Corporate Personal Property Replacement Taxes": Funds paid to local school districts pursuant to "An Act in relation to the abolition of ad valorem personal property tax and the replacement of revenues lost thereby, and amending and repealing certain Acts and parts of Acts in connection therewith", certified August 14, 1979, as amended (Public Act 81-1st S.S.-1).

(d) "Foundation Level": A prescribed level of per pupil financial support as provided for in subsection (B).

(e) "Operating Tax Rate": All school district property taxes extended for all purposes, except Bond and Interest, Summer School, Rent, Capital Improvement, and Vocational Education Building purposes.

(B) Foundation Level.

(1) The Foundation Level is a figure established by the State representing the minimum level of per pupil financial support that should be available to provide for the basic education of each pupil in Average Daily Attendance. As set forth in this Section, each school district is assumed to exert a sufficient local taxing effort such that, in combination with the aggregate of general State financial aid provided the district, an aggregate of State and local resources are available to meet the basic education needs of pupils in the district.

(2) For the 1998-1999 school year, the Foundation Level of support is \$4,225. For the 1999-2000 school year, the Foundation Level of support is \$4,325. For the 2000-2001 school year, the Foundation Level of support is \$4,425. For the 2001-2002 school year and 2002-2003 school year, the Foundation Level of support is \$4,560. For the 2003-2004 school year, the Foundation Level of support is \$4,810. For the 2004-2005 school year, the Foundation Level of support is \$4,964. For the 2005-2006 school year, the Foundation Level of support is \$5,164. For the 2006-2007 school year, the Foundation Level of support is \$5,334. For the 2007-2008 school year, the Foundation Level of support is \$5,734. For the 2008-2009 school year, the Foundation Level of support is \$5,959.

(3) For the 2009-2010 school year and each school year thereafter, the Foundation Level of support is \$6,119 or such greater amount as may be established by law by the General Assembly.

(C) Average Daily Attendance.

(1) For purposes of calculating general State aid pursuant to subsection (E), an Average Daily Attendance figure shall be utilized. The Average Daily Attendance figure for formula calculation purposes shall be the monthly average of the actual number of pupils in attendance of each school district, as further averaged for the best 3 months of pupil attendance for each school district. In compiling the figures for the number

of pupils in attendance, school districts and the State Board of Education shall, for purposes of general State aid funding, conform attendance figures to the requirements of subsection (F).

(2) The Average Daily Attendance figures utilized in subsection (E) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated or the average of the attendance data for the 3 preceding school years, whichever is greater. The Average Daily Attendance figures utilized in subsection (H) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated.

(D) Available Local Resources.

(1) For purposes of calculating general State aid pursuant to subsection (E), a representation of Available Local Resources per pupil, as that term is defined and determined in this subsection, shall be utilized. Available Local Resources per pupil shall include a calculated dollar amount representing local school district revenues from local property taxes and from Corporate Personal Property Replacement Taxes, expressed on the basis of pupils in Average Daily Attendance. Calculation of Available Local Resources shall exclude any tax amnesty funds received as a result of Public Act 93-26.

(2) In determining a school district's revenue from local

property taxes, the State Board of Education shall utilize the equalized assessed valuation of all taxable property of each school district as of September 30 of the previous year. The equalized assessed valuation utilized shall be obtained and determined as provided in subsection (G).

(3) For school districts maintaining grades kindergarten through 12, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 3.00%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades kindergarten through 8, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 2.30%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades 9 through 12, local property tax revenues per pupil shall be the applicable equalized assessed valuation of the district multiplied by 1.05%, and divided by the district's Average Daily Attendance figure.

For partial elementary unit districts created pursuant to Article 11E of this Code, local property tax revenues per pupil shall be calculated as the product of the equalized assessed valuation for property within the partial elementary unit district for elementary purposes, as defined in Article 11E of this Code, multiplied by 2.06% and divided by the district's Average Daily Attendance figure, plus the product of the

equalized assessed valuation for property within the partial elementary unit district for high school purposes, as defined in Article 11E of this Code, multiplied by 0.94% and divided by the district's Average Daily Attendance figure.

(4) The Corporate Personal Property Replacement Taxes paid to each school district during the calendar year one year before the calendar year in which a school year begins, divided by the Average Daily Attendance figure for that district, shall be added to the local property tax revenues per pupil as derived by the application of the immediately preceding paragraph (3). The sum of these per pupil figures for each school district shall constitute Available Local Resources as that term is utilized in subsection (E) in the calculation of general State aid.

(E) Computation of General State Aid.

(1) For each school year, the amount of general State aid allotted to a school district shall be computed by the State Board of Education as provided in this subsection.

(2) For any school district for which Available Local Resources per pupil is less than the product of 0.93 times the Foundation Level, general State aid for that district shall be calculated as an amount equal to the Foundation Level minus Available Local Resources, multiplied by the Average Daily Attendance of the school district.

(3) For any school district for which Available Local

Resources per pupil is equal to or greater than the product of 0.93 times the Foundation Level and less than the product of 1.75 times the Foundation Level, the general State aid per pupil shall be a decimal proportion of the Foundation Level derived using a linear algorithm. Under this linear algorithm, the calculated general State aid per pupil shall decline in direct linear fashion from 0.07 times the Foundation Level for a school district with Available Local Resources equal to the product of 0.93 times the Foundation Level, to 0.05 times the Foundation Level for a school district with Available Local Resources equal to the product of 1.75 times the Foundation Level. The allocation of general State aid for school districts subject to this paragraph 3 shall be the calculated general State aid per pupil figure multiplied by the Average Daily Attendance of the school district.

(4) For any school district for which Available Local Resources per pupil equals or exceeds the product of 1.75 times the Foundation Level, the general State aid for the school district shall be calculated as the product of \$218 multiplied by the Average Daily Attendance of the school district.

(5) The amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements set forth in paragraph (4) of subsection (G) shall be increased by an amount equal to the general State aid that would have been received by the district for the 1998-1999 school year by utilizing the Extension Limitation Equalized Assessed

Valuation as calculated in paragraph (4) of subsection (G) less the general State aid allotted for the 1998-1999 school year. This amount shall be deemed a one time increase, and shall not affect any future general State aid allocations.

(F) Compilation of Average Daily Attendance.

(1) Each school district shall, by July 1 of each year, submit to the State Board of Education, on forms prescribed by the State Board of Education, attendance figures for the school year that began in the preceding calendar year. The attendance information so transmitted shall identify the average daily attendance figures for each month of the school year. Beginning with the general State aid claim form for the 2002-2003 school year, districts shall calculate Average Daily Attendance as provided in subdivisions (a), (b), and (c) of this paragraph (1).

(a) In districts that do not hold year-round classes, days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(b) In districts in which all buildings hold year-round classes, days of attendance in July and August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(c) In districts in which some buildings, but not all, hold year-round classes, for the non-year-round buildings,

days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May. The average daily attendance for the year-round buildings shall be computed as provided in subdivision (b) of this paragraph (1). To calculate the Average Daily Attendance for the district, the average daily attendance for the year-round buildings shall be multiplied by the days in session for the non-year-round buildings for each month and added to the monthly attendance of the non-year-round buildings.

Except as otherwise provided in this Section, days of attendance by pupils shall be counted only for sessions of not less than 5 clock hours of school work per day under direct supervision of: (i) teachers, or (ii) non-teaching personnel or volunteer personnel when engaging in non-teaching duties and supervising in those instances specified in subsection (a) of Section 10-22.34 and paragraph 10 of Section 34-18, with pupils of legal school age and in kindergarten and grades 1 through 12.

Days of attendance by tuition pupils shall be accredited only to the districts that pay the tuition to a recognized school.

(2) Days of attendance by pupils of less than 5 clock hours of school shall be subject to the following provisions in the compilation of Average Daily Attendance.

(a) Pupils regularly enrolled in a public school for

only a part of the school day may be counted on the basis of $\frac{1}{6}$ day for every class hour of instruction of 40 minutes or more attended pursuant to such enrollment, unless a pupil is enrolled in a block-schedule format of 80 minutes or more of instruction, in which case the pupil may be counted on the basis of the proportion of minutes of school work completed each day to the minimum number of minutes that school work is required to be held that day.

(b) Days of attendance may be less than 5 clock hours on the opening and closing of the school term, and upon the first day of pupil attendance, if preceded by a day or days utilized as an institute or teachers' workshop.

(c) A session of 4 or more clock hours may be counted as a day of attendance upon certification by the regional superintendent, and approved by the State Superintendent of Education to the extent that the district has been forced to use daily multiple sessions.

(d) A session of 3 or more clock hours may be counted as a day of attendance (1) when the remainder of the school day or at least 2 hours in the evening of that day is utilized for an in-service training program for teachers, up to a maximum of 5 days per school year, provided a district conducts an in-service training program for teachers in accordance with Section 10-22.39 of this Code; or, in lieu of 4 such days, 2 full days may be used, in which event each such day may be counted as a day required

for a legal school calendar pursuant to Section 10-19 of this Code; (1.5) when, of the 5 days allowed under item (1), a maximum of 4 days are used for parent-teacher conferences, or, in lieu of 4 such days, 2 full days are used, in which case each such day may be counted as a calendar day required under Section 10-19 of this Code, provided that the full-day, parent-teacher conference consists of (i) a minimum of 5 clock hours of parent-teacher conferences, (ii) both a minimum of 2 clock hours of parent-teacher conferences held in the evening following a full day of student attendance, as specified in subsection (F)(1)(c), and a minimum of 3 clock hours of parent-teacher conferences held on the day immediately following evening parent-teacher conferences, or (iii) multiple parent-teacher conferences held in the evenings following full days of student attendance, as specified in subsection (F)(1)(c), in which the time used for the parent-teacher conferences is equivalent to a minimum of 5 clock hours; and (2) when days in addition to those provided in items (1) and (1.5) are scheduled by a school pursuant to its school improvement plan adopted under Article 34 or its revised or amended school improvement plan adopted under Article 2, provided that (i) such sessions of 3 or more clock hours are scheduled to occur at regular intervals, (ii) the remainder of the school days in which such sessions occur are utilized for in-service

training programs or other staff development activities for teachers, and (iii) a sufficient number of minutes of school work under the direct supervision of teachers are added to the school days between such regularly scheduled sessions to accumulate not less than the number of minutes by which such sessions of 3 or more clock hours fall short of 5 clock hours. Any full days used for the purposes of this paragraph shall not be considered for computing average daily attendance. Days scheduled for in-service training programs, staff development activities, or parent-teacher conferences may be scheduled separately for different grade levels and different attendance centers of the district.

(e) A session of not less than one clock hour of teaching hospitalized or homebound pupils on-site or by telephone to the classroom may be counted as 1/2 day of attendance, however these pupils must receive 4 or more clock hours of instruction to be counted for a full day of attendance.

(f) A session of at least 4 clock hours may be counted as a day of attendance for first grade pupils, and pupils in full day kindergartens, and a session of 2 or more hours may be counted as 1/2 day of attendance by pupils in kindergartens which provide only 1/2 day of attendance.

(g) For children with disabilities who are below the age of 6 years and who cannot attend 2 or more clock hours

because of their disability or immaturity, a session of not less than one clock hour may be counted as 1/2 day of attendance; however for such children whose educational needs so require a session of 4 or more clock hours may be counted as a full day of attendance.

(h) A recognized kindergarten which provides for only 1/2 day of attendance by each pupil shall not have more than 1/2 day of attendance counted in any one day. However, kindergartens may count 2 1/2 days of attendance in any 5 consecutive school days. When a pupil attends such a kindergarten for 2 half days on any one school day, the pupil shall have the following day as a day absent from school, unless the school district obtains permission in writing from the State Superintendent of Education. Attendance at kindergartens which provide for a full day of attendance by each pupil shall be counted the same as attendance by first grade pupils. Only the first year of attendance in one kindergarten shall be counted, except in case of children who entered the kindergarten in their fifth year whose educational development requires a second year of kindergarten as determined under the rules and regulations of the State Board of Education.

(i) On the days when the Prairie State Achievement Examination is administered under subsection (c) of Section 2-3.64 of this Code, the day of attendance for a pupil whose school day must be shortened to accommodate

required testing procedures may be less than 5 clock hours and shall be counted towards the 176 days of actual pupil attendance required under Section 10-19 of this Code, provided that a sufficient number of minutes of school work in excess of 5 clock hours are first completed on other school days to compensate for the loss of school work on the examination days.

(G) Equalized Assessed Valuation Data.

(1) For purposes of the calculation of Available Local Resources required pursuant to subsection (D), the State Board of Education shall secure from the Department of Revenue the value as equalized or assessed by the Department of Revenue of all taxable property of every school district, together with (i) the applicable tax rate used in extending taxes for the funds of the district as of September 30 of the previous year and (ii) the limiting rate for all school districts subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law.

The Department of Revenue shall add to the equalized assessed value of all taxable property of each school district situated entirely or partially within a county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code (a) an amount equal to the total amount by which the homestead exemption allowed under Section 15-176 or 15-177 of the Property Tax Code for real property situated in

that school district exceeds the total amount that would have been allowed in that school district if the maximum reduction under Section 15-176 was (i) \$4,500 in Cook County or \$3,500 in all other counties in tax year 2003 or (ii) \$5,000 in all counties in tax year 2004 and thereafter and (b) an amount equal to the aggregate amount for the taxable year of all additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of \$30,000 or less. The county clerk of any county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code shall annually calculate and certify to the Department of Revenue for each school district all homestead exemption amounts under Section 15-176 or 15-177 of the Property Tax Code and all amounts of additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of \$30,000 or less. It is the intent of this paragraph that if the general homestead exemption for a parcel of property is determined under Section 15-176 or 15-177 of the Property Tax Code rather than Section 15-175, then the calculation of Available Local Resources shall not be affected by the difference, if any, between the amount of the general homestead exemption allowed for that parcel of property under Section 15-176 or 15-177 of the Property Tax Code and the amount that would have been allowed had the general homestead exemption for that parcel of property been determined under Section 15-175 of the Property Tax Code. It is further the intent of this

paragraph that if additional exemptions are allowed under Section 15-175 of the Property Tax Code for owners with a household income of less than \$30,000, then the calculation of Available Local Resources shall not be affected by the difference, if any, because of those additional exemptions.

This equalized assessed valuation, as adjusted further by the requirements of this subsection, shall be utilized in the calculation of Available Local Resources.

(2) The equalized assessed valuation in paragraph (1) shall be adjusted, as applicable, in the following manner:

(a) For the purposes of calculating State aid under this Section, with respect to any part of a school district within a redevelopment project area in respect to which a municipality has adopted tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, Sections 11-74.4-1 through 11-74.4-11 of the Illinois Municipal Code or the Industrial Jobs Recovery Law, Sections 11-74.6-1 through 11-74.6-50 of the Illinois Municipal Code, no part of the current equalized assessed valuation of real property located in any such project area which is attributable to an increase above the total initial equalized assessed valuation of such property shall be used as part of the equalized assessed valuation of the district, until such time as all redevelopment project costs have been paid, as provided in Section 11-74.4-8 of the Tax Increment Allocation

Redevelopment Act or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the purpose of the equalized assessed valuation of the district, the total initial equalized assessed valuation or the current equalized assessed valuation, whichever is lower, shall be used until such time as all redevelopment project costs have been paid.

(b) The real property equalized assessed valuation for a school district shall be adjusted by subtracting from the real property value as equalized or assessed by the Department of Revenue for the district an amount computed by dividing the amount of any abatement of taxes under Section 18-170 of the Property Tax Code by 3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a district maintaining grades kindergarten through 8, or by 1.05% for a district maintaining grades 9 through 12 and adjusted by an amount computed by dividing the amount of any abatement of taxes under subsection (a) of Section 18-165 of the Property Tax Code by the same percentage rates for district type as specified in this subparagraph (b).

(3) For the 1999-2000 school year and each school year thereafter, if a school district meets all of the criteria of this subsection (G) (3), the school district's Available Local Resources shall be calculated under subsection (D) using the district's Extension Limitation Equalized Assessed Valuation

as calculated under this subsection (G) (3) .

For purposes of this subsection (G) (3) the following terms shall have the following meanings:

"Budget Year": The school year for which general State aid is calculated and awarded under subsection (E) .

"Base Tax Year": The property tax levy year used to calculate the Budget Year allocation of general State aid.

"Preceding Tax Year": The property tax levy year immediately preceding the Base Tax Year.

"Base Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Base Tax Year multiplied by the limiting rate as calculated by the County Clerk and defined in the Property Tax Extension Limitation Law.

"Preceding Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate as defined in subsection (A) .

"Extension Limitation Ratio": A numerical ratio, certified by the County Clerk, in which the numerator is the Base Tax Year's Tax Extension and the denominator is the Preceding Tax Year's Tax Extension.

"Operating Tax Rate": The operating tax rate as defined in subsection (A) .

If a school district is subject to property tax extension limitations as imposed under the Property Tax Extension

Limitation Law, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation of that district. For the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the district's 1996 Equalized Assessed Valuation and the district's Extension Limitation Ratio. Except as otherwise provided in this paragraph for a school district that has approved or does approve an increase in its limiting rate, for the 2000-2001 school year and each school year thereafter, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of a school district as calculated under this subsection (G)(3) is less than the district's equalized assessed valuation as calculated pursuant to subsections (G)(1) and (G)(2), then for purposes of calculating the district's general State aid for the Budget Year pursuant to subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources under subsection (D). For the 2009-2010 school year and each school year thereafter, if a school district has approved or does approve an increase in its limiting rate, pursuant to Section 18-190 of the Property Tax

Code, affecting the Base Tax Year, the Extension Limitation Equalized Assessed Valuation of the school district, as calculated by the State Board of Education, shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid times an amount equal to one plus the percentage increase, if any, in the Consumer Price Index for all Urban Consumers for all items published by the United States Department of Labor for the 12-month calendar year preceding the Base Tax Year, plus the Equalized Assessed Valuation of new property, annexed property, and recovered tax increment value and minus the Equalized Assessed Valuation of disconnected property. New property and recovered tax increment value shall have the meanings set forth in the Property Tax Extension Limitation Law.

Partial elementary unit districts created in accordance with Article 11E of this Code shall not be eligible for the adjustment in this subsection (G)(3) until the fifth year following the effective date of the reorganization.

(4) For the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its general State financial aid apportionment for the 1998-1999 school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. This amount shall equal

the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of the school district as calculated under this paragraph (4) is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to paragraph (5) of subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources.

(5) For school districts having a majority of their equalized assessed valuation in any county except Cook, DuPage, Kane, Lake, McHenry, or Will, if the amount of general State aid allocated to the school district for the 1999-2000 school year under the provisions of subsection (E), (H), and (J) of this Section is less than the amount of general State aid allocated to the district for the 1998-1999 school year under these subsections, then the general State aid of the district for the 1999-2000 school year only shall be increased by the difference between these amounts. The total payments made under this paragraph (5) shall not exceed \$14,000,000. Claims shall be prorated if they exceed \$14,000,000.

(H) Supplemental General State Aid.

(1) In addition to the general State aid a school district is allotted pursuant to subsection (E), qualifying school districts shall receive a grant, paid in conjunction with a district's payments of general State aid, for supplemental general State aid based upon the concentration level of children from low-income households within the school district. Supplemental State aid grants provided for school districts under this subsection shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section. If the appropriation in any fiscal year for general State aid and supplemental general State aid is insufficient to pay the amounts required under the general State aid and supplemental general State aid calculations, then the State Board of Education shall ensure that each school district receives the full amount due for general State aid and the remainder of the appropriation shall be used for supplemental general State aid, which the State Board of Education shall calculate and pay to eligible districts on a prorated basis.

(1.5) This paragraph (1.5) applies only to those school years preceding the 2003-2004 school year. For purposes of this subsection (H), the term "Low-Income Concentration Level" shall be the low-income eligible pupil count from the most recently available federal census divided by the Average Daily Attendance of the school district. If, however, (i) the

percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count of a high school district with fewer than 400 students exceeds by 75% or more the percentage change in the total low-income eligible pupil count of contiguous elementary school districts, whose boundaries are coterminous with the high school district, or (ii) a high school district within 2 counties and serving 5 elementary school districts, whose boundaries are coterminous with the high school district, has a percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count and there is a percentage increase in the total low-income eligible pupil count of a majority of the elementary school districts in excess of 50% from the 2 most recent federal censuses, then the high school district's low-income eligible pupil count from the earlier federal census shall be the number used as the low-income eligible pupil count for the high school district, for purposes of this subsection (H). The changes made to this paragraph (1) by Public Act 92-28 shall apply to supplemental general State aid grants for school years preceding the 2003-2004 school year that are paid in fiscal year 1999 or thereafter and to any State aid payments made in fiscal year 1994 through fiscal year 1998 pursuant to subsection 1(n) of Section 18-8 of this Code (which was repealed on July 1, 1998), and any high school district that is affected by Public Act 92-28 is entitled to a recomputation of its supplemental general State aid grant or State aid paid in

any of those fiscal years. This recomputation shall not be affected by any other funding.

(1.10) This paragraph (1.10) applies to the 2003-2004 school year and each school year thereafter. For purposes of this subsection (H), the term "Low-Income Concentration Level" shall, for each fiscal year, be the low-income eligible pupil count as of July 1 of the immediately preceding fiscal year (as determined by the Department of Human Services based on the number of pupils who are eligible for at least one of the following low income programs: Medicaid, the Children's Health Insurance Program, TANF, or Food Stamps, excluding pupils who are eligible for services provided by the Department of Children and Family Services, averaged over the 2 immediately preceding fiscal years for fiscal year 2004 and over the 3 immediately preceding fiscal years for each fiscal year thereafter) divided by the Average Daily Attendance of the school district.

(2) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 1998-1999, 1999-2000, and 2000-2001 school years only:

(a) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for any school year shall be \$800 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the

grant for the 1998-1999 school year shall be \$1,100 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for the 1998-99 school year shall be \$1,500 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of 60% or more, the grant for the 1998-99 school year shall be \$1,900 multiplied by the low income eligible pupil count.

(e) For the 1999-2000 school year, the per pupil amount specified in subparagraphs (b), (c), and (d) immediately above shall be increased to \$1,243, \$1,600, and \$2,000, respectively.

(f) For the 2000-2001 school year, the per pupil amounts specified in subparagraphs (b), (c), and (d) immediately above shall be \$1,273, \$1,640, and \$2,050, respectively.

(2.5) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2002-2003 school year:

(a) For any school district with a Low Income Concentration Level of less than 10%, the grant for each school year shall be \$355 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income

Concentration Level of at least 10% and less than 20%, the grant for each school year shall be \$675 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for each school year shall be \$1,330 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for each school year shall be \$1,362 multiplied by the low income eligible pupil count.

(e) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for each school year shall be \$1,680 multiplied by the low income eligible pupil count.

(f) For any school district with a Low Income Concentration Level of 60% or more, the grant for each school year shall be \$2,080 multiplied by the low income eligible pupil count.

(2.10) Except as otherwise provided, supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2003-2004 school year and each school year thereafter:

(a) For any school district with a Low Income Concentration Level of 15% or less, the grant for each school year shall be \$355 multiplied by the low income

eligible pupil count.

(b) For any school district with a Low Income Concentration Level greater than 15%, the grant for each school year shall be \$294.25 added to the product of \$2,700 and the square of the Low Income Concentration Level, all multiplied by the low income eligible pupil count.

For the 2003-2004 school year and each school year thereafter through the 2008-2009 school year only, the grant shall be no less than the grant for the 2002-2003 school year. For the 2009-2010 school year only, the grant shall be no less than the grant for the 2002-2003 school year multiplied by 0.66. For the 2010-2011 school year only, the grant shall be no less than the grant for the 2002-2003 school year multiplied by 0.33. Notwithstanding the provisions of this paragraph to the contrary, if for any school year supplemental general State aid grants are prorated as provided in paragraph (1) of this subsection (H), then the grants under this paragraph shall be prorated.

For the 2003-2004 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.25 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2004-2005 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to

the product of 0.50 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2005-2006 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.75 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year.

(3) School districts with an Average Daily Attendance of more than 1,000 and less than 50,000 that qualify for supplemental general State aid pursuant to this subsection shall submit a plan to the State Board of Education prior to October 30 of each year for the use of the funds resulting from this grant of supplemental general State aid for the improvement of instruction in which priority is given to meeting the education needs of disadvantaged children. Such plan shall be submitted in accordance with rules and regulations promulgated by the State Board of Education.

(4) School districts with an Average Daily Attendance of 50,000 or more that qualify for supplemental general State aid pursuant to this subsection shall be required to distribute from funds available pursuant to this Section, no less than \$261,000,000 in accordance with the following requirements:

(a) The required amounts shall be distributed to the

attendance centers within the district in proportion to the number of pupils enrolled at each attendance center who are eligible to receive free or reduced-price lunches or breakfasts under the federal Child Nutrition Act of 1966 and under the National School Lunch Act during the immediately preceding school year.

(b) The distribution of these portions of supplemental and general State aid among attendance centers according to these requirements shall not be compensated for or contravened by adjustments of the total of other funds appropriated to any attendance centers, and the Board of Education shall utilize funding from one or several sources in order to fully implement this provision annually prior to the opening of school.

(c) Each attendance center shall be provided by the school district a distribution of noncategorical funds and other categorical funds to which an attendance center is entitled under law in order that the general State aid and supplemental general State aid provided by application of this subsection supplements rather than supplants the noncategorical funds and other categorical funds provided by the school district to the attendance centers.

(d) Any funds made available under this subsection that by reason of the provisions of this subsection are not required to be allocated and provided to attendance centers may be used and appropriated by the board of the district

for any lawful school purpose.

(e) Funds received by an attendance center pursuant to this subsection shall be used by the attendance center at the discretion of the principal and local school council for programs to improve educational opportunities at qualifying schools through the following programs and services: early childhood education, reduced class size or improved adult to student classroom ratio, enrichment programs, remedial assistance, attendance improvement, and other educationally beneficial expenditures which supplement the regular and basic programs as determined by the State Board of Education. Funds provided shall not be expended for any political or lobbying purposes as defined by board rule.

(f) Each district subject to the provisions of this subdivision (H) (4) shall submit an acceptable plan to meet the educational needs of disadvantaged children, in compliance with the requirements of this paragraph, to the State Board of Education prior to July 15 of each year. This plan shall be consistent with the decisions of local school councils concerning the school expenditure plans developed in accordance with part 4 of Section 34-2.3. The State Board shall approve or reject the plan within 60 days after its submission. If the plan is rejected, the district shall give written notice of intent to modify the plan within 15 days of the notification of rejection and then

submit a modified plan within 30 days after the date of the written notice of intent to modify. Districts may amend approved plans pursuant to rules promulgated by the State Board of Education.

Upon notification by the State Board of Education that the district has not submitted a plan prior to July 15 or a modified plan within the time period specified herein, the State aid funds affected by that plan or modified plan shall be withheld by the State Board of Education until a plan or modified plan is submitted.

If the district fails to distribute State aid to attendance centers in accordance with an approved plan, the plan for the following year shall allocate funds, in addition to the funds otherwise required by this subsection, to those attendance centers which were underfunded during the previous year in amounts equal to such underfunding.

For purposes of determining compliance with this subsection in relation to the requirements of attendance center funding, each district subject to the provisions of this subsection shall submit as a separate document by December 1 of each year a report of expenditure data for the prior year in addition to any modification of its current plan. If it is determined that there has been a failure to comply with the expenditure provisions of this subsection regarding contravention or supplanting, the

State Superintendent of Education shall, within 60 days of receipt of the report, notify the district and any affected local school council. The district shall within 45 days of receipt of that notification inform the State Superintendent of Education of the remedial or corrective action to be taken, whether by amendment of the current plan, if feasible, or by adjustment in the plan for the following year. Failure to provide the expenditure report or the notification of remedial or corrective action in a timely manner shall result in a withholding of the affected funds.

The State Board of Education shall promulgate rules and regulations to implement the provisions of this subsection. No funds shall be released under this subdivision (H) (4) to any district that has not submitted a plan that has been approved by the State Board of Education.

(I) (Blank) .

(J) Supplementary Grants in Aid.

(1) Notwithstanding any other provisions of this Section, the amount of the aggregate general State aid in combination with supplemental general State aid under this Section for which each school district is eligible shall be no less than the amount of the aggregate general State aid entitlement that

was received by the district under Section 18-8 (exclusive of amounts received under subsections 5(p) and 5(p-5) of that Section) for the 1997-98 school year, pursuant to the provisions of that Section as it was then in effect. If a school district qualifies to receive a supplementary payment made under this subsection (J), the amount of the aggregate general State aid in combination with supplemental general State aid under this Section which that district is eligible to receive for each school year shall be no less than the amount of the aggregate general State aid entitlement that was received by the district under Section 18-8 (exclusive of amounts received under subsections 5(p) and 5(p-5) of that Section) for the 1997-1998 school year, pursuant to the provisions of that Section as it was then in effect.

(2) If, as provided in paragraph (1) of this subsection (J), a school district is to receive aggregate general State aid in combination with supplemental general State aid under this Section for the 1998-99 school year and any subsequent school year that in any such school year is less than the amount of the aggregate general State aid entitlement that the district received for the 1997-98 school year, the school district shall also receive, from a separate appropriation made for purposes of this subsection (J), a supplementary payment that is equal to the amount of the difference in the aggregate State aid figures as described in paragraph (1).

(3) (Blank).

(K) Grants to Laboratory and Alternative Schools.

In calculating the amount to be paid to the governing board of a public university that operates a laboratory school under this Section or to any alternative school that is operated by a regional superintendent of schools, the State Board of Education shall require by rule such reporting requirements as it deems necessary.

As used in this Section, "laboratory school" means a public school which is created and operated by a public university and approved by the State Board of Education. The governing board of a public university which receives funds from the State Board under this subsection (K) may not increase the number of students enrolled in its laboratory school from a single district, if that district is already sending 50 or more students, except under a mutual agreement between the school board of a student's district of residence and the university which operates the laboratory school. A laboratory school may not have more than 1,000 students, excluding students with disabilities in a special education program.

As used in this Section, "alternative school" means a public school which is created and operated by a Regional Superintendent of Schools and approved by the State Board of Education. Such alternative schools may offer courses of instruction for which credit is given in regular school programs, courses to prepare students for the high school

equivalency testing program or vocational and occupational training. A regional superintendent of schools may contract with a school district or a public community college district to operate an alternative school. An alternative school serving more than one educational service region may be established by the regional superintendents of schools of the affected educational service regions. An alternative school serving more than one educational service region may be operated under such terms as the regional superintendents of schools of those educational service regions may agree.

Each laboratory and alternative school shall file, on forms provided by the State Superintendent of Education, an annual State aid claim which states the Average Daily Attendance of the school's students by month. The best 3 months' Average Daily Attendance shall be computed for each school. The general State aid entitlement shall be computed by multiplying the applicable Average Daily Attendance by the Foundation Level as determined under this Section.

(L) Payments, Additional Grants in Aid and Other Requirements.

(1) For a school district operating under the financial supervision of an Authority created under Article 34A, the general State aid otherwise payable to that district under this Section, but not the supplemental general State aid, shall be reduced by an amount equal to the budget for the operations of the Authority as certified by the Authority to the State Board

of Education, and an amount equal to such reduction shall be paid to the Authority created for such district for its operating expenses in the manner provided in Section 18-11. The remainder of general State school aid for any such district shall be paid in accordance with Article 34A when that Article provides for a disposition other than that provided by this Article.

(2) (Blank) .

(3) Summer school. Summer school payments shall be made as provided in Section 18-4.3.

(M) Education Funding Advisory Board.

The Education Funding Advisory Board, hereinafter in this subsection (M) referred to as the "Board", is hereby created. The Board shall consist of 5 members who are appointed by the Governor, by and with the advice and consent of the Senate. The members appointed shall include representatives of education, business, and the general public. One of the members so appointed shall be designated by the Governor at the time the appointment is made as the chairperson of the Board. The initial members of the Board may be appointed any time after the effective date of this amendatory Act of 1997. The regular term of each member of the Board shall be for 4 years from the third Monday of January of the year in which the term of the member's appointment is to commence, except that of the 5 initial members appointed to serve on the Board, the member who

is appointed as the chairperson shall serve for a term that commences on the date of his or her appointment and expires on the third Monday of January, 2002, and the remaining 4 members, by lots drawn at the first meeting of the Board that is held after all 5 members are appointed, shall determine 2 of their number to serve for terms that commence on the date of their respective appointments and expire on the third Monday of January, 2001, and 2 of their number to serve for terms that commence on the date of their respective appointments and expire on the third Monday of January, 2000. All members appointed to serve on the Board shall serve until their respective successors are appointed and confirmed. Vacancies shall be filled in the same manner as original appointments. If a vacancy in membership occurs at a time when the Senate is not in session, the Governor shall make a temporary appointment until the next meeting of the Senate, when he or she shall appoint, by and with the advice and consent of the Senate, a person to fill that membership for the unexpired term. If the Senate is not in session when the initial appointments are made, those appointments shall be made as in the case of vacancies.

The Education Funding Advisory Board shall be deemed established, and the initial members appointed by the Governor to serve as members of the Board shall take office, on the date that the Governor makes his or her appointment of the fifth initial member of the Board, whether those initial members are

then serving pursuant to appointment and confirmation or pursuant to temporary appointments that are made by the Governor as in the case of vacancies.

The State Board of Education shall provide such staff assistance to the Education Funding Advisory Board as is reasonably required for the proper performance by the Board of its responsibilities.

For school years after the 2000-2001 school year, the Education Funding Advisory Board, in consultation with the State Board of Education, shall make recommendations as provided in this subsection (M) to the General Assembly for the foundation level under subdivision (B)(3) of this Section and for the supplemental general State aid grant level under subsection (H) of this Section for districts with high concentrations of children from poverty. The recommended foundation level shall be determined based on a methodology which incorporates the basic education expenditures of low-spending schools exhibiting high academic performance. The Education Funding Advisory Board shall make such recommendations to the General Assembly on January 1 of odd numbered years, beginning January 1, 2001.

(N) (Blank).

(O) References.

(1) References in other laws to the various subdivisions of

Section 18-8 as that Section existed before its repeal and replacement by this Section 18-8.05 shall be deemed to refer to the corresponding provisions of this Section 18-8.05, to the extent that those references remain applicable.

(2) References in other laws to State Chapter 1 funds shall be deemed to refer to the supplemental general State aid provided under subsection (H) of this Section.

(P) Public Act 93-838 and Public Act 93-808 make inconsistent changes to this Section. Under Section 6 of the Statute on Statutes there is an irreconcilable conflict between Public Act 93-808 and Public Act 93-838. Public Act 93-838, being the last acted upon, is controlling. The text of Public Act 93-838 is the law regardless of the text of Public Act 93-808.

Sec. 19-1. Debt limitations of school districts.

(a) School districts shall not be subject to the provisions limiting their indebtedness prescribed in "An Act to limit the indebtedness of counties having a population of less than 500,000 and townships, school districts and other municipal

corporations having a population of less than 300,000", approved February 15, 1928, as amended.

No school districts maintaining grades K through 8 or 9 through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 6.9% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No school districts maintaining grades K through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 13.8% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No partial elementary unit district, as defined in Article 11E of this Code, shall become indebted in any manner or for any purpose in an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable

property of the entire district, to be ascertained by the last assessment for State and county taxes, plus an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes. Moreover, no partial elementary unit district, as defined in Article 11E of this Code, shall become indebted on account of bonds issued by the district for high school purposes in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, nor shall the district become indebted on account of bonds issued by the district for elementary purposes in the aggregate exceeding 6.9% of the value of the taxable property for that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes.

Notwithstanding the provisions of any other law to the contrary, in any case in which the voters of a school district have approved a proposition for the issuance of bonds of such school district at an election held prior to January 1, 1979, and all of the bonds approved at such election have not been issued, the debt limitation applicable to such school district during the calendar year 1979 shall be computed by multiplying the value of taxable property therein, including personal

property, as ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness, by the percentage limitation applicable to such school district under the provisions of this subsection (a).

(b) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, additional indebtedness may be incurred in an amount not to exceed the estimated cost of acquiring or improving school sites or constructing and equipping additional building facilities under the following conditions:

(1) Whenever the enrollment of students for the next school year is estimated by the board of education to increase over the actual present enrollment by not less than 35% or by not less than 200 students or the actual present enrollment of students has increased over the previous school year by not less than 35% or by not less than 200 students and the board of education determines that additional school sites or building facilities are required as a result of such increase in enrollment; and

(2) When the Regional Superintendent of Schools having jurisdiction over the school district and the State Superintendent of Education concur in such enrollment projection or increase and approve the need for such additional school sites or building facilities and the estimated cost thereof; and

(3) When the voters in the school district approve a

proposition for the issuance of bonds for the purpose of acquiring or improving such needed school sites or constructing and equipping such needed additional building facilities at an election called and held for that purpose. Notice of such an election shall state that the amount of indebtedness proposed to be incurred would exceed the debt limitation otherwise applicable to the school district. The ballot for such proposition shall state what percentage of the equalized assessed valuation will be outstanding in bonds if the proposed issuance of bonds is approved by the voters; or

(4) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if the school board determines that additional facilities are needed to provide a quality educational program and not less than 2/3 of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose; or

(5) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if (i) the school district has previously availed itself of the provisions of paragraph (4) of this subsection (b) to enable it to issue bonds, (ii) the voters of the school district have not defeated a proposition for the issuance of bonds since the referendum described in paragraph (4) of this subsection

(b) was held, (iii) the school board determines that additional facilities are needed to provide a quality educational program, and (iv) a majority of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose.

In no event shall the indebtedness incurred pursuant to this subsection (b) and the existing indebtedness of the school district exceed 15% of the value of the taxable property therein to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979.

The indebtedness provided for by this subsection (b) shall be in addition to and in excess of any other debt limitation.

(c) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, in any case in which a public question for the issuance of bonds of a proposed school district maintaining grades kindergarten through 12 received at least 60% of the valid ballots cast on the question at an election held on or prior to November 8, 1994, and in which the bonds approved at such election have not been issued, the school district pursuant to the requirements of Section 11A-10

(now repealed) may issue the total amount of bonds approved at such election for the purpose stated in the question.

(d) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in paragraphs (1) and (2) of this subsection (d) may incur an additional indebtedness in an amount not to exceed \$4,500,000, even though the amount of the additional indebtedness authorized by this subsection (d), when incurred and added to the aggregate amount of indebtedness of the district existing immediately prior to the district incurring the additional indebtedness authorized by this subsection (d), causes the aggregate indebtedness of the district to exceed the debt limitation otherwise applicable to that district under subsection (a):

(1) The additional indebtedness authorized by this subsection (d) is incurred by the school district through the issuance of bonds under and in accordance with Section 17-2.11a for the purpose of replacing a school building which, because of mine subsidence damage, has been closed as provided in paragraph (2) of this subsection (d) or through the issuance of bonds under and in accordance with Section 19-3 for the purpose of increasing the size of, or providing for additional functions in, such replacement school buildings, or both such purposes.

(2) The bonds issued by the school district as provided in paragraph (1) above are issued for the purposes of

construction by the school district of a new school building pursuant to Section 17-2.11, to replace an existing school building that, because of mine subsidence damage, is closed as of the end of the 1992-93 school year pursuant to action of the regional superintendent of schools of the educational service region in which the district is located under Section 3-14.22 or are issued for the purpose of increasing the size of, or providing for additional functions in, the new school building being constructed to replace a school building closed as the result of mine subsidence damage, or both such purposes.

(e) (Blank).

(f) Notwithstanding the provisions of subsection (a) of this Section or of any other law, bonds in not to exceed the aggregate amount of \$5,500,000 and issued by a school district meeting the following criteria shall not be considered indebtedness for purposes of any statutory limitation and may be issued in an amount or amounts, including existing indebtedness, in excess of any heretofore or hereafter imposed statutory limitation as to indebtedness:

(1) At the time of the sale of such bonds, the board of education of the district shall have determined by resolution that the enrollment of students in the district is projected to increase by not less than 7% during each of the next succeeding 2 school years.

(2) The board of education shall also determine by

resolution that the improvements to be financed with the proceeds of the bonds are needed because of the projected enrollment increases.

(3) The board of education shall also determine by resolution that the projected increases in enrollment are the result of improvements made or expected to be made to passenger rail facilities located in the school district.

Notwithstanding the provisions of subsection (a) of this Section or of any other law, a school district that has availed itself of the provisions of this subsection (f) prior to July 22, 2004 (the effective date of Public Act 93-799) may also issue bonds approved by referendum up to an amount, including existing indebtedness, not exceeding 25% of the equalized assessed value of the taxable property in the district if all of the conditions set forth in items (1), (2), and (3) of this subsection (f) are met.

(g) Notwithstanding the provisions of subsection (a) of this Section or any other law, bonds in not to exceed an aggregate amount of 25% of the equalized assessed value of the taxable property of a school district and issued by a school district meeting the criteria in paragraphs (i) through (iv) of this subsection shall not be considered indebtedness for purposes of any statutory limitation and may be issued pursuant to resolution of the school board in an amount or amounts, including existing indebtedness, in excess of any statutory limitation of indebtedness heretofore or hereafter imposed:

(i) The bonds are issued for the purpose of constructing a new high school building to replace two adjacent existing buildings which together house a single high school, each of which is more than 65 years old, and which together are located on more than 10 acres and less than 11 acres of property.

(ii) At the time the resolution authorizing the issuance of the bonds is adopted, the cost of constructing a new school building to replace the existing school building is less than 60% of the cost of repairing the existing school building.

(iii) The sale of the bonds occurs before July 1, 1997.

(iv) The school district issuing the bonds is a unit school district located in a county of less than 70,000 and more than 50,000 inhabitants, which has an average daily attendance of less than 1,500 and an equalized assessed valuation of less than \$29,000,000.

(h) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1998, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27.6% of the equalized assessed value of the taxable property in the district, if all of the following conditions are met:

(i) The school district has an equalized assessed valuation for calendar year 1995 of less than \$24,000,000;

(ii) The bonds are issued for the capital improvement, renovation, rehabilitation, or replacement of existing school buildings of the district, all of which buildings were originally constructed not less than 40 years ago;

(iii) The voters of the district approve a proposition for the issuance of the bonds at a referendum held after March 19, 1996; and

(iv) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(i) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1998, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27% of the equalized assessed value of the taxable property in the district, if all of the following conditions are met:

(i) The school district has an equalized assessed valuation for calendar year 1995 of less than \$44,600,000;

(ii) The bonds are issued for the capital improvement, renovation, rehabilitation, or replacement of existing school buildings of the district, all of which existing buildings were originally constructed not less than 80 years ago;

(iii) The voters of the district approve a proposition for the issuance of the bonds at a referendum held after December 31, 1996; and

(iv) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(j) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1999, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27% of the equalized assessed value of the taxable property in the district if all of the following conditions are met:

(i) The school district has an equalized assessed valuation for calendar year 1995 of less than \$140,000,000 and a best 3 months average daily attendance for the 1995-96 school year of at least 2,800;

(ii) The bonds are issued to purchase a site and build and equip a new high school, and the school district's existing high school was originally constructed not less than 35 years prior to the sale of the bonds;

(iii) At the time of the sale of the bonds, the board of education determines by resolution that a new high school is needed because of projected enrollment increases;

(iv) At least 60% of those voting in an election held after December 31, 1996 approve a proposition for the issuance of the bonds; and

(v) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(k) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in paragraphs (1) through (4) of this subsection (k) may issue bonds to incur an additional indebtedness in an amount not to exceed \$4,000,000 even though the amount of the additional indebtedness authorized by this subsection (k), when incurred and added to the aggregate amount of indebtedness of the school district existing immediately prior to the school district incurring such additional indebtedness, causes the aggregate indebtedness of the school district to exceed or increases the amount by which the aggregate indebtedness of the district already exceeds the debt limitation otherwise applicable to that school district under subsection (a):

(2) set rigorous levels of expected pupil achievement and demonstrate feasible plans for attaining those levels of achievement; and

(3) are designed to enroll and serve a substantial proportion of at-risk children; provided that nothing in

the Charter Schools Law shall be construed as intended to limit the establishment of charter schools to those that serve a substantial portion of at-risk children or to in any manner restrict, limit, or discourage the establishment of charter schools that enroll and serve other pupil populations under a nonexclusive, nondiscriminatory admissions policy.

(b) In the case of a proposal to establish a charter school by converting an existing public school or attendance center to charter school status, evidence that the proposed formation of the charter school has received majority support from certified teachers and from parents and guardians in the school or attendance center affected by the proposed charter, and, if applicable, from a local school council, shall be demonstrated by a petition in support of the charter school signed by certified teachers and a petition in support of the charter school signed by parents and guardians and, if applicable, by a vote of the local school council held at a public meeting. In the case of all other proposals to establish a charter school, evidence of sufficient support to fill the number of pupil seats set forth in the proposal may be demonstrated by a petition in support of the charter school signed by parents and guardians of students eligible to attend the charter school. In all cases, the individuals, organizations, or entities who initiate the proposal to establish a charter school may elect, in lieu of including any petition referred to in this

subsection as a part of the proposal submitted to the local school board, to demonstrate that the charter school has received the support referred to in this subsection by other evidence and information presented at the public meeting that the local school board is required to convene under this Section.

(c) Within 45 days of receipt of a charter school proposal, the local school board shall convene a public meeting to obtain information to assist the board in its decision to grant or deny the charter school proposal.

(d) Notice of the public meeting required by this Section shall be published in a community newspaper published in the school district in which the proposed charter is located and, if there is no such newspaper, then in a newspaper published in the county and having circulation in the school district. The notices shall be published not more than 10 days nor less than 5 days before the meeting and shall state that information regarding a charter school proposal will be heard at the meeting. Copies of the notice shall also be posted at appropriate locations in the school or attendance center proposed to be established as a charter school, the public schools in the school district, and the local school board office.

(e) Within 30 days of the public meeting, the local school board shall vote, in a public meeting, to either grant or deny the charter school proposal.

(f) Within 7 days of the public meeting required under subsection (e), the local school board shall file a report with the State Board granting or denying the proposal. Within 30 days of receipt of the local school board's report, the State Board shall determine whether the approved charter proposal is consistent with the provisions of this Article and, if the approved proposal complies, certify the proposal pursuant to Section 27A-6; provided that for any charter proposal submitted to the State Board within one year after July 30, 2009 (the effective date of Public Act 96-105) ~~this amendatory Act of the 96th General Assembly~~, the State Board shall have 60 days from receipt to determine such consistency and certify the proposal. Sec. 34-18.39 ~~34-18.37~~. Radon testing.

(a) It is recommended that every occupied school building of the school district be tested every 5 years for radon pursuant to rules established by the Illinois Emergency Management Agency (IEMA).

(b) It is recommended that new schools of the school district be built using radon resistant new construction techniques, as shown in the United States Environmental Protection Agency document, Radon Prevention in the Design and Construction of Schools and Other Large Buildings.

(c) The school district may maintain, make available for review, and notify parents and faculty of test results under this Section. The district shall report radon test results to the State Board of Education, which shall prepare a report every 2 years of the results from all schools that have performed tests, to be submitted to the General Assembly and the Governor.

(d) If IEMA exempts an individual from being required to be

a licensed radon professional, the individual does not need to be a licensed radon professional in order to perform screening tests under this Section. The school district may elect to have one or more employees from the district attend an IEMA-approved, Internet-based training course on school testing in order to receive an exemption to conduct testing in the school district. These school district employees must perform the measurements in accordance with procedures approved by IEMA. If an exemption from IEMA is not received, the school district must use a licensed radon professional to conduct measurements.

(e) If the results of a radon screening test under this Section are found to be 4.0 pCi/L or above, the school district may hire a licensed radon professional to perform measurements before any mitigation decisions are made. If radon levels of 4.0 pCi/L or above are found, it is recommended that affected areas be mitigated by a licensed radon mitigation professional with respect to both design and installation. IEMA may provide the school district with a list of licensed radon mitigation professionals.

(f) A screening test under this Section may be done with a test kit found in a hardware store, department store, or home improvement store or with a kit ordered through the mail or over the Internet. However, the kit must be provided by a laboratory licensed in accordance with the Radon Industry Licensing Act.

The salary compensation report shall include without limitation base salary, bonuses, pension contributions, retirement increases, the cost of health insurance, the cost of life insurance, paid sick and vacation day payouts, annuities, and any other form of compensation or income paid on behalf of the employee.

This report shall be presented at a regular board meeting, subject to applicable notice requirements. In addition, the board shall make copies of the completed report available to

any individual requesting them.

(a) In this Section, "association" means the Illinois High School Association.

(b) The association shall prohibit a student from participating in an athletic competition sponsored or sanctioned by the association unless the following conditions are met:

(1) the student agrees not to use any performance-enhancing substances on the association's most current banned drug classes list, and, if the student is enrolled in high school, the student submits to random testing for the presence of these substances in the student's body, in accordance with the program established under subsection (d) of this Section; and

(2) the association obtains from the student's parent a statement signed by the parent and acknowledging the following:

(A) that the parent's child, if enrolled in high school, may be subject to random performance-enhancing substance testing;

(B) that State law prohibits possessing, dispensing, delivering, or administering a performance-enhancing substance in a manner not allowed by State law;

(C) that State law provides that bodybuilding, muscle enhancement, or the increase of muscle bulk or strength through the use of a performance-enhancing

substance by a person who is in good health is not a valid medical purpose;

(D) that only a licensed practitioner with prescriptive authority may prescribe a performance-enhancing substance for a person; and

(E) that a violation of State law concerning performance-enhancing substances is a criminal offense punishable by confinement in jail or imprisonment.

(c) The association shall require that each athletic coach for an extracurricular athletic activity sponsored or sanctioned by the association at or above the 9th grade level complete an educational program on the prevention of abuse of performance-enhancing substances developed by the association. The association shall also require the person to complete an exam developed by the association showing a minimum proficiency of understanding in methods to prevent the abuse of performance-enhancing substances by students.

(d) The Department of Public Health shall provide oversight of the annual administration of a performance-enhancing substance testing program by the association under which high school students participating in an athletic competition sponsored or sanctioned by the association are tested at multiple times throughout the athletic season for the presence of performance-enhancing substances on the association's most current banned drug classes list in the students' bodies. The association may alter its current performance-enhancing

substance testing program to comply with this subsection (d).

The testing program must do the following:

(1) require the random testing of at least 1,000 high school students in this State who participate in athletic competitions sponsored or sanctioned by the association;

(2) provide for the selection of specific students described in subdivision (1) of this subsection (d) for testing through a process that randomly selects students from a single pool consisting of all students who participate in any activity for which the association sponsors or sanctions athletic competitions;

(3) be administered at approximately 25% of the high schools in this State that participate in athletic competitions sponsored or sanctioned by the association;

(4) provide for a process for confirming any initial positive test result through a subsequent test conducted as soon as practicable after the initial test, using a sample that was obtained at the same time as the sample used for the initial test;

(5) require the testing to be performed only by a performance-enhancing substance testing laboratory with current certification from the Substance Abuse and Mental Health Services Administration of the United States Department of Health and Human Services, the World Anti-Doping Agency, or another appropriate national or international-certifying organization; the testing

laboratory must be chosen following State procurement procedures;

(6) require that a trained observer, of the appropriate sex, witness the student provide the test sample;

(7) require that the student be chaperoned by a school-designated official from the time he or she is notified of the test until he or she has completed delivering the test sample;

(8) provide for a period of ineligibility from participation in an athletic competition sponsored or sanctioned by the association for any student with a confirmed positive test result or any student who refuses to submit to random testing;

(9) provide for a school or team penalty on a case-by-case basis, to be determined by the contribution of a student with a confirmed positive test result to the team or the school's lack of enforcement of the rules of the testing program or both;

(10) provide for a penalty for any coach who knowingly violates the rules of the testing program; and

(11) require that coaches be responsible for providing a copy of the association's most current banned drug classes list to every high school student participating in an athletic competition sponsored or sanctioned by the association.

The Department of Public Health may adopt rules for the

administration of this Section.

(e) Results of a performance-enhancing substance test conducted under subsection (d) of this Section are confidential and, unless required by court order, may be disclosed only to the student and the student's parent and the activity directors, principal, and assistant principals of the school attended by the student.

(f) The Performance-enhancing Substance Testing Fund is created as a special fund in the State treasury. All money in the Fund shall be used, subject to appropriation, by the Department of Public Health to distribute as grants to pay the costs of the performance-enhancing substance testing program established under subsection (d) of this Section. The General Assembly may appropriate additional funding for the testing program, to be distributed as grants through the Department of Public Health.

(g) Subdivision (1) of subsection (b) of this Section does not apply to the use by a student of a performance-enhancing substance that is dispensed, prescribed, delivered, or administered by a medical practitioner for a valid medical purpose and in the course of professional practice, and the student is not subject to a period of ineligibility under subdivision (8) of subsection (d) of this Section on the basis of that use as long as the student's coach has provided the student with a copy of the association's most current banned drug classes list, the student has consulted with his or her

medical practitioner to confirm the valid use of the substance, and the student has notified his or her coach or a school administrator of a prescription for the use of the substance for valid medical purposes. Students that are prescribed such a substance, after receiving a copy of the association's most current banned drug classes list, are required to provide notice of that prescription at the time the prescription is issued. Any information concerning a student's use of a performance-enhancing substance obtained by a coach or school administrator under this subsection (g) is confidential and may be disclosed only to those persons necessary to the determination of eligibility under this subsection (g).

(h) Neither the association nor any of its directors or employees shall be liable and no cause of action may be brought against the association or any of its directors or employees for damages in connection with the performance of the association's responsibilities under this Section, unless an act or omission involved willful or wanton conduct.

(i) This Section is repealed on July 1, 2011.

The program shall also provide course material and instruction to advise pupils of the Abandoned Newborn Infant Protection Act. The program shall include information about cancer, including without limitation types of cancer, signs and symptoms, risk factors, the importance of early prevention and detection, and information on where to go for help. Notwithstanding the above educational areas, the following areas may also be included as a basis for curricula in all elementary and secondary schools in this State: basic first aid (including, but not limited to, cardiopulmonary resuscitation and the Heimlich maneuver), heart disease, diabetes, stroke, the prevention of child abuse, neglect, and suicide, and teen dating violence in grades 8 through 12.

The school board of each public elementary and secondary school in the State shall encourage all teachers and other school personnel to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques, including without limitation the Heimlich maneuver and rescue breathing. The training shall be

in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization. A school board may use the services of non-governmental entities whose personnel have expertise in life-saving techniques to instruct teachers and other school personnel in these techniques. Each school board is encouraged to have in its employ, or on its volunteer staff, at least one person who is certified, by the American Red Cross or by another qualified certifying agency, as qualified to administer first aid and cardiopulmonary resuscitation. In addition, each school board is authorized to allocate appropriate portions of its institute or inservice days to conduct training programs for teachers and other school personnel who have expressed an interest in becoming qualified to administer emergency first aid or cardiopulmonary resuscitation. School boards are urged to encourage their teachers and other school personnel who coach school athletic programs and other extracurricular school activities to acquire, develop, and maintain the knowledge and skills necessary to properly administer first aid and cardiopulmonary resuscitation in accordance with standards and requirements established by the American Red Cross or another qualified certifying agency. Subject to appropriation, the State Board of Education shall establish and administer a matching grant program to pay for half of the cost that a school district incurs in training those teachers and other school personnel

who express an interest in becoming qualified to administer cardiopulmonary resuscitation (which training must be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization) or in learning how to use an automated external defibrillator. A school district that applies for a grant must demonstrate that it has funds to pay half of the cost of the training for which matching grant money is sought. The State Board of Education shall award the grants on a first-come, first-serve basis.

No pupil shall be required to take or participate in any class or course on AIDS or family life instruction if his parent or guardian submits written objection thereto, and refusal to take or participate in the course or program shall not be reason for suspension or expulsion of the pupil.

Curricula developed under programs established in accordance with this Act in the major educational area of alcohol and drug use and abuse shall include classroom instruction in grades 5 through 12. The instruction, which shall include matters relating to both the physical and legal effects and ramifications of drug and substance abuse, shall be integrated into existing curricula; and the State Board of Education shall develop and make available to all elementary and secondary schools in this State instructional materials and guidelines which will assist the schools in incorporating the instruction into their existing curricula. For purposes only of determining a Type 40 area vocational center's eligibility for an entity included in a school construction project grant or a school maintenance project

A Type 40 area vocational center that makes application for school construction funds after August 25, 2009 (the effective date of Public Act 96-731) ~~this amendatory Act of the 96th General Assembly~~ shall be placed on the respective application cycle list. Type 40 area vocational centers must be placed last on the priority listing of eligible entities for the applicable fiscal year.

(b) The Capital Development Board shall establish project standards for all school construction project grants provided pursuant to this Article. (110 ILCS 48/5)

Sec. 5. Purpose. The Grow Your Own Teacher preparation programs established under this Act shall comprise a major new statewide initiative, known as the Grow Your Own Teacher Education Initiative, to prepare highly skilled, committed teachers who will teach in hard-to-staff schools, including within the Department of Juvenile Justice School District, and hard-to-staff teaching positions and who will remain in these schools for substantial periods of time.

The Grow Your Own Teacher Education Initiative shall effectively recruit and prepare parent and community leaders and paraeducators to become effective teachers statewide in

The Grow Your Own Teacher Education Initiative shall ensure educational rigor by effectively preparing candidates in accredited bachelor's degree programs in teaching, through which graduates shall meet the requirements to secure an Illinois initial teaching certificate.

The goal of the Grow Your Own Teacher Education Initiative is to add 1,000 teachers to low-income, hard-to-staff Illinois schools by 2016.

(iii) 4 subacute care hospital alternative health care models in the demonstration program for rural areas.

In selecting among applicants for these licenses in rural areas, the Health Facilities and Services Review Board and the Department shall give preference to hospitals that may be unable for economic reasons to provide continued service to the community in which they are located unless the hospital were to receive an alternative health care model license.

(a-5) There shall be no more than the total number of postsurgical recovery care centers with a certificate of need for beds as of January 1, 2008.

(a-10) There shall be no more than a total of 9 children's respite care center alternative health care models in the demonstration program, which shall be located as follows:

(1) Two in the City of Chicago.

(2) One in Cook County outside the City of Chicago.

(3) A total of 2 in the area comprised of DuPage, Kane, Lake, McHenry, and Will counties.

(4) A total of 2 in municipalities with a population of

50,000 or more and not located in the areas described in paragraphs (1), (2), or (3).

(5) A total of 2 in rural areas, as defined by the Health Facilities and Services Review Board.

No more than one children's respite care model owned and operated by a licensed skilled pediatric facility shall be located in each of the areas designated in this subsection (a-10).

(a-15) There shall be 2 authorized community-based residential rehabilitation center alternative health care models in the demonstration program.

(a-20) There shall be an authorized Alzheimer's disease management center alternative health care model in the demonstration program. The Alzheimer's disease management center shall be located in Will County, owned by a not-for-profit entity, and endorsed by a resolution approved by the county board before the effective date of this amendatory Act of the 91st General Assembly.

(a-25) There shall be no more than 10 birth center alternative health care models in the demonstration program, located as follows:

(1) Four in the area comprising Cook, DuPage, Kane, Lake, McHenry, and Will counties, one of which shall be owned or operated by a hospital and one of which shall be owned or operated by a federally qualified health center.

(2) Three in municipalities with a population of 50,000

or more not located in the area described in paragraph (1) of this subsection, one of which shall be owned or operated by a hospital and one of which shall be owned or operated by a federally qualified health center.

(3) Three in rural areas, one of which shall be owned or operated by a hospital and one of which shall be owned or operated by a federally qualified health center.

There shall be no more than 2 birth centers authorized to operate in any single health planning area for obstetric services as determined under the Illinois Health Facilities Planning Act. If a birth center is located outside of a health professional shortage area, (i) the birth center shall be located in a health planning area with a demonstrated need for obstetrical service beds, as determined by the Health Facilities and Services Review Board or (ii) there must be a reduction in the existing number of obstetrical service beds in the planning area so that the establishment of the birth center does not result in an increase in the total number of obstetrical service beds in the health planning area.

(b) Alternative health care models, other than a model authorized under subsection (a-10) or ~~subsections (a-10) and~~ (a-20), shall obtain a certificate of need from the Health

Facilities and Services Review Board under the Illinois Health Facilities Planning Act before receiving a license by the Department. If, after obtaining its initial certificate of need, an alternative health care delivery model that is a community based residential rehabilitation center seeks to increase the bed capacity of that center, it must obtain a certificate of need from the Health Facilities and Services Review Board before increasing the bed capacity. Alternative health care models in medically underserved areas shall receive priority in obtaining a certificate of need.

(c) An alternative health care model license shall be issued for a period of one year and shall be annually renewed if the facility or program is in substantial compliance with the Department's rules adopted under this Act. A licensed alternative health care model that continues to be in substantial compliance after the conclusion of the demonstration program shall be eligible for annual renewals unless and until a different licensure program for that type of health care model is established by legislation, except that a postsurgical recovery care center meeting the following requirements may apply within 3 years after August 25, 2009 (the effective date of Public Act 96-669) ~~this amendatory Act of the 96th General Assembly~~ for a Certificate of Need permit to operate as a hospital:

- (1) The postsurgical recovery care center shall apply to the Illinois Health Facilities Planning Board for a

Certificate of Need permit to discontinue the postsurgical recovery care center and to establish a hospital.

(2) If the postsurgical recovery care center obtains a Certificate of Need permit to operate as a hospital, it shall apply for licensure as a hospital under the Hospital Licensing Act and shall meet all statutory and regulatory requirements of a hospital.

(3) After obtaining licensure as a hospital, any license as an ambulatory surgical treatment center and any license as a post-surgical recovery care center shall be null and void.

(4) The former postsurgical recovery care center that receives a hospital license must seek and use its best efforts to maintain certification under Titles XVIII and XIX of the federal Social Security Act.

The Department may issue a provisional license to any alternative health care model that does not substantially comply with the provisions of this Act and the rules adopted under this Act if (i) the Department finds that the alternative health care model has undertaken changes and corrections which upon completion will render the alternative health care model in substantial compliance with this Act and rules and (ii) the health and safety of the patients of the alternative health care model will be protected during the period for which the provisional license is issued. The Department shall advise the licensee of the conditions under which the provisional license

is issued, including the manner in which the alternative health care model fails to comply with the provisions of this Act and rules, and the time within which the changes and corrections necessary for the alternative health care model to substantially comply with this Act and rules shall be completed.

(d) Alternative health care models shall seek certification under Titles XVIII and XIX of the federal Social Security Act. In addition, alternative health care models shall provide charitable care consistent with that provided by comparable health care providers in the geographic area.

(d-5) The Department of Healthcare and Family Services (formerly Illinois Department of Public Aid), in cooperation with the Illinois Department of Public Health, shall develop and implement a reimbursement methodology for all facilities participating in the demonstration program. The Department of Healthcare and Family Services shall keep a record of services provided under the demonstration program to recipients of medical assistance under the Illinois Public Aid Code and shall submit an annual report of that information to the Illinois Department of Public Health.

(e) Alternative health care models shall, to the extent possible, link and integrate their services with nearby health care facilities.

(f) Each alternative health care model shall implement a quality assurance program with measurable benefits and at

reasonable cost.

Sec. 3-305. Penalties or fines. The license of a facility which is in violation of this Act or any rule adopted thereunder may be subject to the penalties or fines levied by the Department as specified in this Section.

(1) Unless a greater penalty or fine is allowed under subsection (3), a licensee who commits a Type "A" violation as defined in Section 1-129 is automatically issued a conditional license for a period of 6 months to coincide with an acceptable plan of correction and assessed a fine computed at a rate of \$5.00 per resident in the facility plus 20 cents per resident for each day of the violation,

commencing on the date a notice of the violation is served under Section 3-301 and ending on the date the violation is corrected, or a fine of not less than \$5,000, or when death, serious mental or physical harm, permanent disability, or disfigurement results, a fine of not less than \$10,000, whichever is greater.

(2) A licensee who commits a Type "B" violation or who is issued an administrative warning for a violation of Sections 3-401 through 3-413 or the rules promulgated thereunder is subject to a penalty computed at a rate of \$3 per resident in the facility, plus 15 cents per resident for each day of the violation, commencing on the date a notice of the violation is served under Section 3-301 and ending on the date the violation is corrected, or a fine not less than \$500, whichever is greater. Such fine shall be assessed on the date of notice of the violation and shall be suspended for violations that continue after such date upon completion of a plan of correction in accordance with Section 3-308 in relation to the assessment of fines and correction. (4) A licensee who fails to satisfactorily comply with an accepted plan of correction for a Type "B" violation or an administrative warning issued pursuant to Sections 3-401 through 3-413 or the rules promulgated thereunder shall be automatically issued a conditional license for a period of not less than 6 months. A second or subsequent acceptable plan of correction shall be filed. A fine shall be assessed in accordance with subsection (2) when cited for the repeat violation. In the case of a violation involving any action other than theft of money belonging to a resident, reimbursement shall be ordered only if a

provision of Article II has been violated with regard to that or any other resident of the facility within the 2 years immediately preceding the violation in question.

(7) For purposes of assessing fines under this Section, a repeat violation shall be a violation which has been cited during one inspection of the facility for which an accepted plan of correction was not complied with. In the event the defendant company's financial condition will not, in the judgment of the Director, support the full performance of all policy claims obligations during the appeal pendency period, the plan may prefer the claims of certain policyholders and claimants over creditors and interested parties as well as other policyholders and claimants, as the Director finds to be fair and equitable considering the relative circumstances of such policyholders and claimants. The circuit court shall examine the plan submitted by the Director and if it finds the plan to be in the best interests of the parties, the circuit court shall approve the plan. No action shall lie against the Director or any of his deputies, agents, clerks, assistants or attorneys by any party based on preference in an appeal pendency plan approved by the circuit court.

(2) The appeal pendency plan shall not supersede ~~supercede~~

Sec. 356z.14. Autism spectrum disorders.

(a) A group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed after the effective date of this amendatory Act of the 95th General Assembly must provide individuals under 21 years of age coverage for the diagnosis of autism spectrum disorders and for the treatment of autism spectrum disorders to the extent that the diagnosis and treatment of autism spectrum disorders are not already covered by the policy of accident and health insurance or managed care plan.

(b) Coverage provided under this Section shall be subject to a maximum benefit of \$36,000 per year, but shall not be subject to any limits on the number of visits to a service provider. After December 30, 2009, the Director of the Division of Insurance shall, on an annual basis, adjust the maximum benefit for inflation using the Medical Care Component of the United States Department of Labor Consumer Price Index for All Urban Consumers. Payments made by an insurer on behalf of a covered individual for any care, treatment, intervention, service, or item, the provision of which was for the treatment

of a health condition not diagnosed as an autism spectrum disorder, shall not be applied toward any maximum benefit established under this subsection.

(c) Coverage under this Section shall be subject to copayment, deductible, and coinsurance provisions of a policy of accident and health insurance or managed care plan to the extent that other medical services covered by the policy of accident and health insurance or managed care plan are subject to these provisions.

(d) This Section shall not be construed as limiting benefits that are otherwise available to an individual under a policy of accident and health insurance or managed care plan and benefits provided under this Section may not be subject to dollar limits, deductibles, copayments, or coinsurance provisions that are less favorable to the insured than the dollar limits, deductibles, or coinsurance provisions that apply to physical illness generally.

(e) An insurer may not deny or refuse to provide otherwise covered services, or refuse to renew, refuse to reissue, or otherwise terminate or restrict coverage under an individual contract to provide services to an individual because the individual or their dependent is diagnosed with an autism spectrum disorder or due to the individual utilizing benefits in this Section.

(f) Upon request of the reimbursing insurer, a provider of treatment for autism spectrum disorders shall furnish medical

records, clinical notes, or other necessary data that substantiate that initial or continued medical treatment is medically necessary and is resulting in improved clinical status. When treatment is anticipated to require continued services to achieve demonstrable progress, the insurer may request a treatment plan consisting of diagnosis, proposed treatment by type, frequency, anticipated duration of treatment, the anticipated outcomes stated as goals, and the frequency by which the treatment plan will be updated.

(g) When making a determination of medical necessity for a treatment modality for autism spectrum disorders, an insurer must make the determination in a manner that is consistent with the manner used to make that determination with respect to other diseases or illnesses covered under the policy, including an appeals process. During the appeals process, any challenge to medical necessity must be viewed as reasonable only if the review includes a physician with expertise in the most current and effective treatment modalities for autism spectrum disorders.

(h) Coverage for medically necessary early intervention services must be delivered by certified early intervention specialists, as defined in 89 Ill. Admin. Code 500 and any subsequent amendments thereto.

(3) Upon request of the reimbursing insurer, a provider of treatment of serious mental illness shall furnish medical records or other necessary data that substantiate that initial or continued treatment is at all times medically necessary. An insurer shall provide a mechanism for the timely review by a provider holding the same license and practicing in the same specialty as the patient's provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of kin or legal representative if the patient is unable to act for himself or herself), the patient's provider, and the

insurer in the event of a dispute between the insurer and patient's provider regarding the medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment. Future contractual or employment actions by the insurer regarding the patient's provider may not be based on the provider's participation in this procedure. Nothing prevents the insured from agreeing in writing to continue treatment at his or her expense. When making a determination of the medical necessity for a treatment modality for serious mental illness, an insurer must make the determination in a manner that is consistent with the manner used to make that determination with respect to other diseases or illnesses covered under the policy, including an appeals process.

(4) A group health benefit plan:

(A) shall provide coverage based upon medical necessity for the following treatment of mental illness in each calendar year:

(iii) for plans or policies delivered, issued for delivery, renewed, or modified after January 1, 2007

(the effective date of Public Act 94-906), 20 additional outpatient visits for speech therapy for treatment of pervasive developmental disorders that will be in addition to speech therapy provided pursuant to item (ii) of this subparagraph (A);

(B) may not include a lifetime limit on the number of days of inpatient treatment or the number of outpatient visits covered under the plan; and

(C) shall include the same amount limits, deductibles, copayments, and coinsurance factors for serious mental illness as for physical illness.

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(6) An issuer of a group health benefit plan may provide or offer coverage required under this Section through a managed care plan.

(7) This Section shall not be interpreted to require a group health benefit plan to provide coverage for treatment of:

(A) an addiction to a controlled substance or cannabis that is used in violation of law; or

(B) mental illness resulting from the use of a controlled substance or cannabis in violation of law.

(8) (Blank).

(c) This Section shall not be interpreted to require coverage for speech therapy or other habilitative services for those individuals covered under Section 356z.15 ~~356z.14~~ of this Code.

Section 415. The Public Utilities Act is amended by changing Sections 8-103, 19-105, and 19-112 and by setting forth, renumbering, and changing multiple versions of Section 16-111.8 as follows:

(220 ILCS 5/8-103)

Sec. 8-103. Energy efficiency and demand-response measures.

(a) It is the policy of the State that electric utilities are required to use cost-effective energy efficiency and demand-response measures to reduce delivery load. Requiring investment in cost-effective energy efficiency and demand-response measures will reduce direct and indirect costs to consumers by decreasing environmental impacts and by avoiding or delaying the need for new generation, transmission, and distribution infrastructure. It serves the public interest to allow electric utilities to recover costs for reasonably and prudently incurred expenses for energy efficiency and demand-response measures. As used in this Section, "cost-effective" means that the measures satisfy the total resource cost test. The low-income measures described in subsection (f)(4) of this Section shall not be required to meet the total resource cost test. For purposes of this Section, the terms "energy-efficiency", "demand-response", "electric utility", and "total resource cost test" shall have the

meanings set forth in the Illinois Power Agency Act. For purposes of this Section, the amount per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this Section, the total amount paid for electric service includes without limitation estimated amounts paid for supply, transmission, distribution, surcharges, and add-on-taxes.

(b) Electric utilities shall implement cost-effective energy efficiency measures to meet the following incremental annual energy savings goals:

(1) 0.2% of energy delivered in the year commencing June 1, 2008;

(2) 0.4% of energy delivered in the year commencing June 1, 2009;

(3) 0.6% of energy delivered in the year commencing June 1, 2010;

(4) 0.8% of energy delivered in the year commencing June 1, 2011;

(5) 1% of energy delivered in the year commencing June 1, 2012;

(6) 1.4% of energy delivered in the year commencing June 1, 2013;

(7) 1.8% of energy delivered in the year commencing June 1, 2014; and

(8) 2% of energy delivered in the year commencing June 1, 2015 and each year thereafter.

(c) Electric utilities shall implement cost-effective demand-response measures to reduce peak demand by 0.1% over the prior year for eligible retail customers, as defined in Section 16-111.5 of this Act, and for customers that elect hourly service from the utility pursuant to Section 16-107 of this Act, provided those customers have not been declared competitive. This requirement commences June 1, 2008 and continues for 10 years.

(d) Notwithstanding the requirements of subsections (b) and (c) of this Section, an electric utility shall reduce the amount of energy efficiency and demand-response measures implemented in any single year by an amount necessary to limit the estimated average increase in the amounts paid by retail customers in connection with electric service due to the cost of those measures to:

(1) in 2008, no more than 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(2) in 2009, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2008 or 1% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(3) in 2010, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009 or 1.5% of the amount paid per

kilowatthour by those customers during the year ending May 31, 2007;

(4) in 2011, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2010 or 2% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007; and

(5) thereafter, the amount of energy efficiency and demand-response measures implemented for any single year shall be reduced by an amount necessary to limit the estimated average net increase due to the cost of these measures included in the amounts paid by eligible retail customers in connection with electric service to no more than the greater of 2.015% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007 or the incremental amount per kilowatthour paid for these measures in 2011.

No later than June 30, 2011, the Commission shall review the limitation on the amount of energy efficiency and demand-response measures implemented pursuant to this Section and report to the General Assembly its findings as to whether that limitation unduly constrains the procurement of energy efficiency and demand-response measures.

(e) Electric utilities shall be responsible for overseeing the design, development, and filing of energy efficiency and demand-response plans with the Commission. Electric utilities

shall implement 100% of the demand-response measures in the plans. Electric utilities shall implement 75% of the energy efficiency measures approved by the Commission, and may, as part of that implementation, outsource various aspects of program development and implementation. The remaining 25% of those energy efficiency measures approved by the Commission shall be implemented by the Department of Commerce and Economic Opportunity, and must be designed in conjunction with the utility and the filing process. The Department may outsource development and implementation of energy efficiency measures. A minimum of 10% of the entire portfolio of cost-effective energy efficiency measures shall be procured from units of local government, municipal corporations, school districts, and community college districts. The Department shall coordinate the implementation of these measures.

The apportionment of the dollars to cover the costs to implement the Department's share of the portfolio of energy efficiency measures shall be made to the Department once the Department has executed grants or contracts for energy efficiency measures and provided supporting documentation for those grants and the contracts to the utility.

The details of the measures implemented by the Department shall be submitted by the Department to the Commission in connection with the utility's filing regarding the energy efficiency and demand-response measures that the utility implements.

A utility providing approved energy efficiency and demand-response measures in the State shall be permitted to recover costs of those measures through an automatic adjustment clause tariff filed with and approved by the Commission. The tariff shall be established outside the context of a general rate case. Each year the Commission shall initiate a review to reconcile any amounts collected with the actual costs and to determine the required adjustment to the annual tariff factor to match annual expenditures.

Each utility shall include, in its recovery of costs, the costs estimated for both the utility's and the Department's implementation of energy efficiency and demand-response measures. Costs collected by the utility for measures implemented by the Department shall be submitted to the Department pursuant to Section 605-323 of the Civil Administrative Code of Illinois and shall be used by the Department solely for the purpose of implementing these measures. A utility shall not be required to advance any moneys to the Department but only to forward such funds as it has collected. The Department shall report to the Commission on an annual basis regarding the costs actually incurred by the Department in the implementation of the measures. Any changes to the costs of energy efficiency measures as a result of plan modifications shall be appropriately reflected in amounts recovered by the utility and turned over to the Department.

The portfolio of measures, administered by both the

utilities and the Department, shall, in combination, be designed to achieve the annual savings targets described in subsections (b) and (c) of this Section, as modified by subsection (d) of this Section.

The utility and the Department shall agree upon a reasonable portfolio of measures and determine the measurable corresponding percentage of the savings goals associated with measures implemented by the utility or Department.

No utility shall be assessed a penalty under subsection (f) of this Section for failure to make a timely filing if that failure is the result of a lack of agreement with the Department with respect to the allocation of responsibilities or related costs or target assignments. In that case, the Department and the utility shall file their respective plans with the Commission and the Commission shall determine an appropriate division of measures and programs that meets the requirements of this Section.

If the Department is unable to meet incremental annual performance goals for the portion of the portfolio implemented by the Department, then the utility and the Department shall jointly submit a modified filing to the Commission explaining the performance shortfall and recommending an appropriate course going forward, including any program modifications that may be appropriate in light of the evaluations conducted under item (7) of subsection (f) of this Section. In this case, the utility obligation to collect the Department's costs and turn

over those funds to the Department under this subsection (e) shall continue only if the Commission approves the modifications to the plan proposed by the Department.

(f) No later than November 15, 2007, each electric utility shall file an energy efficiency and demand-response plan with the Commission to meet the energy efficiency and demand-response standards for 2008 through 2010. Every 3 years thereafter, each electric utility shall file, no later than October 1, an energy efficiency and demand-response plan with the Commission. If a utility does not file such a plan by October 1 of an applicable year, it shall face a penalty of \$100,000 per day until the plan is filed. Each utility's plan shall set forth the utility's proposals to meet the utility's portion of the energy efficiency standards identified in subsection (b) and the demand-response standards identified in subsection (c) of this Section as modified by subsections (d) and (e), taking into account the unique circumstances of the utility's service territory. The Commission shall seek public comment on the utility's plan and shall issue an order approving or disapproving each plan within 3 months after its submission. If the Commission disapproves a plan, the Commission shall, within 30 days, describe in detail the reasons for the disapproval and describe a path by which the utility may file a revised draft of the plan to address the Commission's concerns satisfactorily. If the utility does not refile with the Commission within 60 days, the utility shall be

subject to penalties at a rate of \$100,000 per day until the plan is filed. This process shall continue, and penalties shall accrue, until the utility has successfully filed a portfolio of energy efficiency and demand-response measures. Penalties shall be deposited into the Energy Efficiency Trust Fund. In submitting proposed energy efficiency and demand-response plans and funding levels to meet the savings goals adopted by this Act the utility shall:

(1) Demonstrate that its proposed energy efficiency and demand-response measures will achieve the requirements that are identified in subsections (b) and (c) of this Section, as modified by subsections (d) and (e).

(2) Present specific proposals to implement new building and appliance standards that have been placed into effect.

(3) Present estimates of the total amount paid for electric service expressed on a per kilowatthour basis associated with the proposed portfolio of measures designed to meet the requirements that are identified in subsections (b) and (c) of this Section, as modified by subsections (d) and (e).

(4) Coordinate with the Department to present a portfolio of energy efficiency measures proportionate to the share of total annual utility revenues in Illinois from households at or below 150% of the poverty level. The energy efficiency programs shall be targeted to households

with incomes at or below 80% of area median income.

(5) Demonstrate that its overall portfolio of energy efficiency and demand-response measures, not including programs covered by item (4) of this subsection (f), are cost-effective using the total resource cost test and represent a diverse cross-section of opportunities for customers of all rate classes to participate in the programs.

(6) Include a proposed cost-recovery tariff mechanism to fund the proposed energy efficiency and demand-response measures and to ensure the recovery of the prudently and reasonably incurred costs of Commission-approved programs.

(7) Provide for an annual independent evaluation of the performance of the cost-effectiveness of the utility's portfolio of measures and the Department's portfolio of measures, as well as a full review of the 3-year results of the broader net program impacts and, to the extent practical, for adjustment of the measures on a going-forward basis as a result of the evaluations. The resources dedicated to evaluation shall not exceed 3% of portfolio resources in any given year.

(g) No more than 3% of energy efficiency and demand-response program revenue may be allocated for demonstration of breakthrough equipment and devices.

(h) This Section does not apply to an electric utility that on December 31, 2005 provided electric service to fewer than

100,000 customers in Illinois.

(i) If, after 2 years, an electric utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e), it shall make a contribution to the Low-Income Home Energy Assistance Program. The combined total liability for failure to meet the goal shall be \$1,000,000, which shall be assessed as follows: a large electric utility shall pay \$665,000, and a medium electric utility shall pay \$335,000. If, after 3 years, an electric utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e), it shall make a contribution to the Low-Income Home Energy Assistance Program. The combined total liability for failure to meet the goal shall be \$1,000,000, which shall be assessed as follows: a large electric utility shall pay \$665,000, and a medium electric utility shall pay \$335,000. In addition, the responsibility for implementing the energy efficiency measures of the utility making the payment shall be transferred to the Illinois Power Agency if, after 3 years, or in any subsequent 3-year period, the utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e). The Agency shall implement a competitive procurement program to procure resources necessary to meet the standards specified in this Section as modified by subsections (d) and (e), with costs for those resources to be recovered in the same manner as

products purchased through the procurement plan as provided in Section 16-111.5. The Director shall implement this requirement in connection with the procurement plan as provided in Section 16-111.5.

For purposes of this Section, (i) a "large electric utility" is an electric utility that, on December 31, 2005, served more than 2,000,000 electric customers in Illinois; (ii) a "medium electric utility" is an electric utility that, on December 31, 2005, served 2,000,000 or fewer but more than 100,000 electric customers in Illinois; and (iii) Illinois electric utilities that are affiliated by virtue of a common parent company are considered a single electric utility.

(j) If, after 3 years, or any subsequent 3-year period, the Department fails to implement the Department's share of energy efficiency measures required by the standards in subsection (b), then the Illinois Power Agency may assume responsibility for and control of the Department's share of the required energy efficiency measures. The Agency shall implement a competitive procurement program to procure resources necessary to meet the standards specified in this Section, with the costs of these resources to be recovered in the same manner as provided for the Department in this Section.

(k) No electric utility shall be deemed to have failed to meet the energy efficiency standards to the extent any such failure is due to a failure of the Department or the Agency.

Sec. 16-111.8. Automatic adjustment clause tariff; uncollectibles.

(a) An electric utility shall be permitted, at its election, to recover through an automatic adjustment clause tariff the incremental difference between its actual uncollectible amount as set forth in Account 904 in the utility's most recent annual FERC Form 1 and the uncollectible amount included in the utility's rates for the period reported in such annual FERC Form 1. The Commission may, in a proceeding to review a general rate case filed subsequent to the effective date of the tariff established under this Section, prospectively switch from using the actual uncollectible amount set forth in Account 904 to using net write-offs in such tariff, but only if net write-offs are also used to determine the utility's uncollectible amount in rates. In the event the Commission requires such a change, it shall be made effective at the beginning of the first full calendar year after the new rates approved in such proceeding are first placed in effect and an adjustment shall be made, if necessary, to ensure the change does not result in double-recovery or unrecovered uncollectible amounts for any year. For purposes of this Section, "uncollectible amount" means the expense set forth in Account 904 of the utility's FERC Form 1 or cost of net

write-offs as appropriate. In the event the utility's rates change during the period of time reported in its most recent annual FERC Form 1, the uncollectible amount included in the utility's rates during such period of time for purposes of this Section will be a weighted average, based on revenues earned during such period by the utility under each set of rates, of the uncollectible amount included in the utility's rates at the beginning of such period and at the end of such period. This difference may either be a charge or a credit to customers depending on whether the uncollectible amount is more or less than the uncollectible amount then included in the utility's rates.

(b) The tariff may be established outside the context of a general rate case filing and shall specify the terms of any applicable audit. The Commission shall review and by order approve, or approve as modified, the proposed tariff within 180 days after the date on which it is filed. Charges and credits under the tariff shall be allocated to the appropriate customer class or classes. In addition, customers who purchase their electric supply from an alternative retail electric supplier shall not be charged by the utility for uncollectible amounts associated with electric supply provided by the utility to the utility's customers, provided that nothing in this Section is intended to affect or alter the rights and obligations imposed pursuant to Section 16-118 of this Act and any Commission order issued thereunder. Upon approval of the tariff, the utility

shall, based on the 2008 FERC Form 1, apply the appropriate credit or charge based on the full year 2008 amounts for the remainder of the 2010 calendar year. Starting with the 2009 FERC Form 1 reporting period and each subsequent period, the utility shall apply the appropriate credit or charge over a 12-month period beginning with the June billing period and ending with the May billing period, with the first such billing period beginning June 2010.

(c) The approved tariff shall provide that the utility shall file a petition with the Commission annually, no later than August 31st, seeking initiation of an annual review to reconcile all amounts collected with the actual uncollectible amount in the prior period. As part of its review, the Commission shall verify that the utility collects no more and no less than its actual uncollectible amount in each applicable FERC Form 1 reporting period. The Commission shall review the prudence and reasonableness of the utility's actions to pursue minimization and collection of uncollectibles which shall include, at a minimum, the 6 enumerated criteria set forth in this Section. The Commission shall determine any required adjustments and may include suggestions for prospective changes in current practices. Nothing in this Section or the implementing tariffs shall affect or alter the electric utility's existing obligation to pursue collection of uncollectibles or the electric utility's right to disconnect service. A utility that has in effect a tariff authorized by

this Section shall pursue minimization of and collection of uncollectibles through the following activities, including, but not limited to:

- (1) identifying customers with late payments;
- (2) contacting the customers in an effort to obtain payment;
- (3) providing delinquent customers with information about possible options, including payment plans and assistance programs;
- (4) serving disconnection notices;
- (5) implementing disconnections based on the level of uncollectibles; and
- (6) pursuing collection activities based on the level of uncollectibles.

(d) Nothing in this Section shall be construed to require a utility to immediately disconnect service for nonpayment.

Sec. 16-111.9 ~~16-111.8~~. Rate relief; electricity suppliers. On and after August 14, 2009 (the effective date of Public Act 96-533) ~~this amendatory Act of the 96th General Assembly~~, any electric utility providing rate relief pursuant to Section 16-111.5A of this Act shall not deem any residential or non-residential customer to be ineligible to receive that relief solely based upon that customer's purchase of

electricity from a supplier other than that electric utility at the time the rate relief is to be credited to that customer. Nothing in this Section shall entitle customers of an electric utility that had been previously deemed ineligible prior to August 14, 2009 (the effective date of Public Act 96-533) ~~this amendatory Act of the 96th General Assembly~~ to become eligible for rate relief credits.

In determining whether a customer has consumed 5,000 or fewer therms of natural gas during the previous year, usage by the same commercial customer shall be aggregated to include usage at the same premises even if measured by more than one meter, and to include usage at multiple premises. Nothing in this Section creates an affirmative obligation on a gas utility to

monitor or inform customers or alternative gas suppliers as to a customer's status as a small commercial customer as that term is defined herein. Nothing in this Section relieves a gas utility from any obligation to provide information upon request to a customer, alternative gas supplier, the Commission, or others necessary to determine whether a customer meets the classification of small commercial customers as that term is defined herein.

"Tariffed service" means a service provided to customers by a gas utility as defined by its rates on file with the Commission pursuant to the provisions of Article IX of this Act.

(43) Repeated failure to adequately collaborate with a licensed advanced practice nurse.

Except for actions involving the ground numbered (26), all proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may

deem proper, with regard to a license on any of the foregoing grounds, must be commenced within 5 years next after receipt by the Department of a complaint alleging the commission of or notice of the conviction order for any of the acts described herein. Except for the grounds numbered (8), (9), (26), and (29), no action shall be commenced more than 10 years after the date of the incident or act alleged to have violated this Section. For actions involving the ground numbered (26), a pattern of practice or other behavior includes all incidents alleged to be part of the pattern of practice or other behavior that occurred or a report pursuant to Section 23 of this Act received within the 10-year period preceding the filing of the complaint. In the event of the settlement of any claim or cause of action in favor of the claimant or the reduction to final judgment of any civil action in favor of the plaintiff, such claim, cause of action or civil action being grounded on the allegation that a person licensed under this Act was negligent in providing care, the Department shall have an additional period of 2 years from the date of notification to the Department under Section 23 of this Act of such settlement or final judgment in which to investigate and commence formal disciplinary proceedings under Section 36 of this Act, except as otherwise provided by law. The time during which the holder of the license was outside the State of Illinois shall not be included within any period of time limiting the commencement of disciplinary action by the Department.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Departmental order based upon a finding by the Medical Disciplinary Board that they have been determined to be recovered from mental illness by the court and upon the Disciplinary Board's recommendation that they be permitted to resume their practice.

The Department may refuse to issue or take disciplinary action concerning the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied as determined by the Illinois Department of Revenue.

The Department, upon the recommendation of the Disciplinary Board, shall adopt rules which set forth standards to be used in determining:

- (a) when a person will be deemed sufficiently rehabilitated to warrant the public trust;

- (b) what constitutes dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud, or harm the public;

- (c) what constitutes immoral conduct in the commission

of any act, including, but not limited to, commission of an act of sexual misconduct related to the licensee's practice; and

(d) what constitutes gross negligence in the practice of medicine.

However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Medical Disciplinary Board, upon a showing of a possible violation, may compel any individual licensed to practice under this Act, or who has applied for licensure or a permit pursuant to this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physician or physicians shall be those specifically designated by the Disciplinary Board. The Medical Disciplinary Board or the Department may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communication between the licensee or applicant and the examining physician. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination, when directed, shall be grounds for suspension of his or her license

until such time as the individual submits to the examination if the Disciplinary Board finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause. If the Disciplinary Board finds a physician unable to practice because of the reasons set forth in this Section, the Disciplinary Board shall require such physician to submit to care, counseling, or treatment by physicians approved or designated by the Disciplinary Board, as a condition for continued, reinstated, or renewed licensure to practice. Any physician, whose license was granted pursuant to Sections 9, 17, or 19 of this Act, or, continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions, or to complete a required program of care, counseling, or treatment, as determined by the Chief Medical Coordinator or Deputy Medical Coordinators, shall be referred to the Secretary for a determination as to whether the licensee shall have their license suspended immediately, pending a hearing by the Disciplinary Board. In instances in which the Secretary immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Disciplinary Board within 15 days after such suspension and completed without appreciable delay. The Disciplinary Board shall have the authority to review the subject physician's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal

statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Disciplinary Board that they can resume practice in compliance with acceptable and prevailing standards under the provisions of their license.

The Department may promulgate rules for the imposition of fines in disciplinary cases, not to exceed \$10,000 for each violation of this Act. Fines may be imposed in conjunction with other forms of disciplinary action, but shall not be the exclusive disposition of any disciplinary action arising out of conduct resulting in death or injury to a patient. Any funds collected from such fines shall be deposited in the Medical Disciplinary Fund.

(B) The Department shall revoke the license or visiting permit of any person issued under this Act to practice medicine or to treat human ailments without the use of drugs and without operative surgery, who has been convicted a second time of committing any felony under the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, or who has been convicted a second time of committing a Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois Public Aid Code. A person whose license or visiting permit is revoked under this subsection B of Section 22 of this Act shall be prohibited from practicing medicine or treating human

ailments without the use of drugs and without operative surgery.

(C) The Medical Disciplinary Board shall recommend to the Department civil penalties and any other appropriate discipline in disciplinary cases when the Board finds that a physician willfully performed an abortion with actual knowledge that the person upon whom the abortion has been performed is a minor or an incompetent person without notice as required under the Parental Notice of Abortion Act of 1995. Upon the Board's recommendation, the Department shall impose, for the first violation, a civil penalty of \$1,000 and for a second or subsequent violation, a civil penalty of \$5,000.

(225 ILCS 95/7.5)

(Section scheduled to be repealed on January 1, 2018)

Sec. 7.5. Prescriptions; written supervision agreements; prescriptive authority.

(a) A written supervision agreement is required for all physician assistants to practice in the State.

(1) A written supervision agreement shall describe the working relationship of the physician assistant with the supervising physician and shall authorize the categories of care, treatment, or procedures to be performed by the physician assistant. The written supervision agreement shall be defined to promote the exercise of professional judgment by the physician assistant commensurate with his or her education and experience. The services to be provided by the physician assistant shall be services that the supervising physician is authorized to and generally provides to his or her patients in the normal course of his or her clinical medical practice. The written supervision agreement need not describe the exact steps that a

physician assistant must take with respect to each specific condition, disease, or symptom but must specify which authorized procedures require the presence of the supervising physician as the procedures are being performed. The supervision relationship under a written supervision agreement shall not be construed to require the personal presence of a physician at all times at the place where services are rendered. Methods of communication shall be available for consultation with the supervising physician in person or by telecommunications in accordance with established written guidelines as set forth in the written supervision agreement.

(2) The written supervision agreement shall be adequate if a physician does each of the following:

(A) Participates in the joint formulation and joint approval of orders or guidelines with the physician assistant and he or she periodically reviews such orders and the services provided patients under such orders in accordance with accepted standards of medical practice and physician assistant practice.

(B) Meets in person with the physician assistant at least once a month to provide supervision.

(3) A copy of the signed, written supervision agreement must be available to the Department upon request from both the physician assistant and the supervising physician.

(4) A physician assistant shall inform each

supervising physician of all written supervision agreements he or she has signed and provide a copy of these to any supervising physician upon request.

(b) A supervising physician may, but is not required to, delegate prescriptive authority to a physician assistant as part of a written supervision agreement. This authority may, but is not required to, include prescription of, selection of, orders for, administration of, storage of, acceptance of samples of, and dispensing over the counter medications, legend drugs, medical gases, and controlled substances categorized as Schedule III through V controlled substances, as defined in Article II of the Illinois Controlled Substances Act, and other preparations, including, but not limited to, botanical and herbal remedies. The supervising physician must have a valid, current Illinois controlled substance license and federal registration with the Drug Enforcement Agency to delegate the authority to prescribe controlled substances.

(1) To prescribe Schedule III, IV, or V controlled substances under this Section, a physician assistant must obtain a mid-level practitioner controlled substances license. Medication orders issued by a physician assistant shall be reviewed periodically by the supervising physician.

(2) The supervising physician shall file with the Department notice of delegation of prescriptive authority to a physician assistant and termination of delegation,

specifying the authority delegated or terminated. Upon receipt of this notice delegating authority to prescribe Schedule III, IV, or V controlled substances, the physician assistant shall be eligible to register for a mid-level practitioner controlled substances license under Section 303.05 of the Illinois Controlled Substances Act. Nothing in this Act shall be construed to limit the delegation of tasks or duties by the supervising physician to a nurse or other appropriately trained persons in accordance with Section 54.2 of the Medical Practice Act of 1987.

(3) In addition to the requirements of subsection (b) of this Section, a supervising physician may, but is not required to, delegate authority to a physician assistant to prescribe Schedule II controlled substances, if all of the following conditions apply:

(A) No more than 5 Schedule II controlled substances by oral dosage may be delegated.

(B) Any delegation must be controlled substances that the supervising physician prescribes.

(C) Any prescription must be limited to no more than a 30-day oral dosage, with any continuation authorized only after prior approval of the supervising physician.

(c) Nothing in this Act shall be construed to limit the delegation of tasks or duties by a physician to a licensed practical nurse, a registered professional nurse, or other

persons.

(a) (1) There is hereby established within the Department of Revenue an Illinois Gaming Board which shall have the powers and duties specified in this Act, and all other powers

necessary and proper to fully and effectively execute this Act for the purpose of administering, regulating, and enforcing the system of riverboat gambling established by this Act. Each member shall have a reasonable knowledge of the practice, procedure and principles of gambling operations. Each member shall either be a resident of Illinois or shall certify that he will become a resident of Illinois before taking office. At least one member shall be experienced in law enforcement and criminal investigation, at least one member shall be a certified public accountant experienced in accounting and auditing, and at least one member shall be a lawyer licensed to practice law in Illinois.

No person shall be a member of the Board who is not of good moral character or who has been convicted of, or is under indictment for, a felony under the laws of Illinois or any other state, or the United States.

(6) Any member of the Board may be removed by the Governor for neglect of duty, misfeasance, malfeasance, or nonfeasance in office.

(7) Before entering upon the discharge of the duties of his office, each member of the Board shall take an oath that he will faithfully execute the duties of his office according to the laws of the State and the rules and regulations adopted therewith and shall give bond to the State of Illinois, approved by the Governor, in the sum of \$25,000. Every such bond, when duly executed and approved, shall be recorded in the office of the Secretary of State. (1) To decide promptly and in reasonable order all license applications. Any party aggrieved by an action of the Board denying, suspending, revoking, restricting or refusing to renew a license may request a hearing before the Board. A request for a hearing must be made to the Board in writing within 5 days after service of notice of the action of the Board. Notice of the action of the Board shall be served either by personal delivery or by certified mail, postage prepaid, to the aggrieved party. Notice served by certified mail shall be deemed complete on the

business day following the date of such mailing. The Board shall conduct all requested hearings promptly and in reasonable order;

(2) To conduct all hearings pertaining to civil violations of this Act or rules and regulations promulgated hereunder;

(3) To promulgate such rules and regulations as in its judgment may be necessary to protect or enhance the credibility and integrity of gambling operations authorized by this Act and the regulatory process hereunder;

All such fines and penalties shall be deposited into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois;

(6) To be present through its inspectors and agents any time gambling operations are conducted on any riverboat for the purpose of certifying the revenue thereof, receiving complaints from the public, and conducting such other

investigations into the conduct of the gambling games and the maintenance of the equipment as from time to time the Board may deem necessary and proper;

(7) To review and rule upon any complaint by a licensee regarding any investigative procedures of the State which are unnecessarily disruptive of gambling operations. The need to inspect and investigate shall be presumed at all times. The disruption of a licensee's operations shall be proved by clear and convincing evidence, and establish that: (A) the procedures had no reasonable law enforcement purposes, and (B) the procedures were so disruptive as to unreasonably inhibit gambling operations;

(8) To hold at least one meeting each quarter of the fiscal year. In addition, special meetings may be called by the Chairman or any 2 Board members upon 72 hours written notice to each member. All Board meetings shall be subject to the Open Meetings Act. Three members of the Board shall constitute a quorum, and 3 votes shall be required for any final determination by the Board. The Board shall keep a complete and accurate record of all its meetings. A majority of the members of the Board shall constitute a quorum for the transaction of any business, for the performance of any duty, or for the exercise of any power which this Act requires the Board members to transact, perform or exercise en banc, except that, upon order of the Board, one of the Board members or an administrative law

judge designated by the Board may conduct any hearing provided for under this Act or by Board rule and may recommend findings and decisions to the Board. The Board member or administrative law judge conducting such hearing shall have all powers and rights granted to the Board in this Act. The record made at the time of the hearing shall be reviewed by the Board, or a majority thereof, and the findings and decision of the majority of the Board shall constitute the order of the Board in such case;

(9) To maintain records which are separate and distinct from the records of any other State board or commission. Such records shall be available for public inspection and shall accurately reflect all Board proceedings;

(10) To file a written annual report with the Governor on or before March 1 each year and such additional reports as the Governor may request. (11) (Blank);

(12) To assume responsibility for the administration and enforcement of the Bingo License and Tax Act, the Charitable Games Act, and the Pull Tabs and Jar Games Act if such responsibility is delegated to it by the Director of Revenue; and

(13) To assume responsibility for administration and enforcement of the Video Gaming Act.

(c) The Board shall have jurisdiction over and shall supervise all gambling operations governed by this Act. The Board shall have all powers necessary and proper to fully and effectively execute the provisions of this Act, including, but not limited to, the following:

(1) To investigate applicants and determine the eligibility of applicants for licenses and to select among competing applicants the applicants which best serve the interests of the citizens of Illinois.

(2) To have jurisdiction and supervision over all riverboat gambling operations in this State and all persons on riverboats where gambling operations are conducted.

(3) To promulgate rules and regulations for the purpose of administering the provisions of this Act and to prescribe rules, regulations and conditions under which all riverboat gambling in the State shall be conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of riverboat gambling, including rules and regulations regarding the inspection of such riverboats and the review of any permits or licenses necessary to operate a riverboat under any laws or regulations applicable to riverboats, and to impose penalties for violations thereof.

(4) To enter the office, riverboats, facilities, or other places of business of a licensee, where evidence of the compliance or noncompliance with the provisions of this Act is likely to be found.

(5) To investigate alleged violations of this Act or the rules of the Board and to take appropriate disciplinary action against a licensee or a holder of an occupational license for a violation, or institute appropriate legal action for enforcement, or both.

(6) To adopt standards for the licensing of all persons under this Act, as well as for electronic or mechanical gambling games, and to establish fees for such licenses.

(7) To adopt appropriate standards for all riverboats and facilities.

(8) To require that the records, including financial or other statements of any licensee under this Act, shall be kept in such manner as prescribed by the Board and that any such licensee involved in the ownership or management of gambling operations submit to the Board an annual balance sheet and profit and loss statement, list of the stockholders or other persons having a 1% or greater beneficial interest in the gambling activities of each licensee, and any other information the Board deems necessary in order to effectively administer this Act and all rules, regulations, orders and final decisions promulgated under this Act.

(9) To conduct hearings, issue subpoenas for the attendance of witnesses and subpoenas duces tecum for the production of books, records and other pertinent documents in accordance with the Illinois Administrative Procedure Act, and to administer oaths and affirmations to the witnesses, when, in the judgment of the Board, it is necessary to administer or enforce this Act or the Board rules.

(10) To prescribe a form to be used by any licensee involved in the ownership or management of gambling operations as an application for employment for their employees.

(11) To revoke or suspend licenses, as the Board may see fit and in compliance with applicable laws of the State regarding administrative procedures, and to review applications for the renewal of licenses. The Board may suspend an owners license, without notice or hearing upon a determination that the safety or health of patrons or employees is jeopardized by continuing a riverboat's operation. The suspension may remain in effect until the Board determines that the cause for suspension has been abated. The Board may revoke the owners license upon a determination that the owner has not made satisfactory progress toward abating the hazard.

(12) To eject or exclude or authorize the ejection or exclusion of, any person from riverboat gambling

facilities where such person is in violation of this Act, rules and regulations thereunder, or final orders of the Board, or where such person's conduct or reputation is such that his presence within the riverboat gambling facilities may, in the opinion of the Board, call into question the honesty and integrity of the gambling operations or interfere with orderly conduct thereof; provided that the propriety of such ejection or exclusion is subject to subsequent hearing by the Board.

(13) To require all licensees of gambling operations to utilize a cashless wagering system whereby all players' money is converted to tokens, electronic cards, or chips which shall be used only for wagering in the gambling establishment.

(14) (Blank).

(15) To suspend, revoke or restrict licenses, to require the removal of a licensee or an employee of a licensee for a violation of this Act or a Board rule or for engaging in a fraudulent practice, and to impose civil penalties of up to \$5,000 against individuals and up to \$10,000 or an amount equal to the daily gross receipts, whichever is larger, against licensees for each violation of any provision of the Act, any rules adopted by the Board, any order of the Board or any other action which, in the Board's discretion, is a detriment or impediment to riverboat gambling operations.

(16) To hire employees to gather information, conduct investigations and carry out any other tasks contemplated under this Act.

(17) To establish minimum levels of insurance to be maintained by licensees.

(18) To authorize a licensee to sell or serve alcoholic liquors, wine or beer as defined in the Liquor Control Act of 1934 on board a riverboat and to have exclusive authority to establish the hours for sale and consumption of alcoholic liquor on board a riverboat, notwithstanding any provision of the Liquor Control Act of 1934 or any local ordinance, and regardless of whether the riverboat makes excursions. The establishment of the hours for sale and consumption of alcoholic liquor on board a riverboat is an exclusive power and function of the State. A home rule unit may not establish the hours for sale and consumption of alcoholic liquor on board a riverboat. This amendatory Act of 1991 is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(19) After consultation with the U.S. Army Corps of Engineers, to establish binding emergency orders upon the concurrence of a majority of the members of the Board regarding the navigability of water, relative to excursions, in the event of extreme weather conditions, acts of God or other extreme circumstances.

(20) To delegate the execution of any of its powers under this Act for the purpose of administering and enforcing this Act and its rules and regulations hereunder.

(20.6) To appoint investigators to conduct investigations, searches, seizures, arrests, and other duties imposed under this Act, as deemed necessary by the Board. These investigators have and may exercise all of the rights and powers of peace officers, provided that these powers shall be limited to offenses or violations occurring or committed on a riverboat or dock, as defined in subsections (d) and (f) of Section 4, or as otherwise provided by this Act or any other law.

(20.7) To contract with the Department of State Police for the use of trained and qualified State police officers and with the Department of Revenue for the use of trained and qualified Department of Revenue investigators to conduct investigations, searches, seizures, arrests, and other duties imposed under this Act and to exercise all of the rights and powers of peace officers, provided that the powers of Department of Revenue investigators under this subdivision (20.7) shall be limited to offenses or violations occurring or committed on a riverboat or dock, as defined in subsections (d) and (f) of Section 4, or as otherwise provided by this Act or any other law. In the event the Department of State Police or the Department of Revenue is unable to fill contracted police or

investigative positions, the Board may appoint investigators to fill those positions pursuant to subdivision (20.6).

(21) To take any other action as may be reasonable or appropriate to enforce this Act and rules and regulations hereunder.

(d) The Board may seek and shall receive the cooperation of the Department of State Police in conducting background investigations of applicants and in fulfilling its responsibilities under this Section. Costs incurred by the Department of State Police as a result of such cooperation shall be paid by the Board in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400).

(e) The Board must authorize to each investigator and to any other employee of the Board exercising the powers of a peace officer a distinct badge that, on its face, (i) clearly states that the badge is authorized by the Board and (ii) contains a unique identifying number. Section 495. The Liquor Control Act of 1934 is amended by
changing Sections 3-12, 6-16.1, and 8-1 as follows:

(235 ILCS 5/3-12)

Sec. 3-12. Powers and duties of State Commission.

(a) The State commission shall have the following powers,
functions and duties:

(1) To receive applications and to issue licenses to
manufacturers, foreign importers, importing distributors,
distributors, non-resident dealers, on premise consumption
retailers, off premise sale retailers, special event
retailer licensees, special use permit licenses, auction

Except in the case of an action taken pursuant to a violation of Section 6-3, 6-5, or 6-9, any action by the State Commission to suspend or revoke a licensee's license may be limited to the license for the specific premises where the violation occurred.

In lieu of suspending or revoking a license, the commission may impose a fine, upon the State commission's determination and notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation. The fine imposed under this paragraph may not exceed \$500 for each violation. Each day that the activity, which gave rise to the original fine, continues is a separate violation. The maximum fine that may be levied against any licensee, for the period of the license, shall not exceed \$20,000. The maximum penalty that may be imposed on a licensee for selling a bottle of alcoholic liquor with a foreign object in it or serving from a bottle of alcoholic liquor with a foreign object in it shall be the destruction of that bottle of alcoholic

liquor for the first 10 bottles so sold or served from by the licensee. For the eleventh bottle of alcoholic liquor and for each third bottle thereafter sold or served from by the licensee with a foreign object in it, the maximum penalty that may be imposed on the licensee is the destruction of the bottle of alcoholic liquor and a fine of up to \$50.

(2) To adopt such rules and regulations consistent with the provisions of this Act which shall be necessary to carry on its functions and duties to the end that the health, safety and welfare of the People of the State of Illinois shall be protected and temperance in the consumption of alcoholic liquors shall be fostered and promoted and to distribute copies of such rules and regulations to all licensees affected thereby.

(5.2) To issue a cease and desist notice to persons shipping alcoholic liquor into this State from a point outside of this State if the shipment is in violation of this Act.

(5.3) To receive complaints from licensees, local officials, law enforcement agencies, organizations, and persons stating that any licensee has been or is violating any provision of this Act or the rules and regulations issued pursuant to this Act. Such complaints shall be in writing, signed and sworn to by the person making the complaint, and shall state with specificity the facts in relation to the alleged violation. If the Commission has reasonable grounds to believe that the complaint substantially alleges a violation of this Act or rules and regulations adopted pursuant to this Act, it shall conduct an investigation. If, after conducting an investigation, the Commission is satisfied that the alleged violation did

occur, it shall proceed with disciplinary action against the licensee as provided in this Act.

(6) To hear and determine appeals from orders of a local commission in accordance with the provisions of this Act, as hereinafter set forth. Hearings under this subsection shall be held in Springfield or Chicago, at whichever location is the more convenient for the majority of persons who are parties to the hearing.

(7) The commission shall establish uniform systems of accounts to be kept by all retail licensees having more than 4 employees, and for this purpose the commission may classify all retail licensees having more than 4 employees and establish a uniform system of accounts for each class and prescribe the manner in which such accounts shall be kept. The commission may also prescribe the forms of accounts to be kept by all retail licensees having more than 4 employees, including but not limited to accounts of earnings and expenses and any distribution, payment, or other distribution of earnings or assets, and any other forms, records and memoranda which in the judgment of the commission may be necessary or appropriate to carry out any of the provisions of this Act, including but not limited to such forms, records and memoranda as will readily and accurately disclose at all times the beneficial ownership of such retail licensed business. The accounts, forms, records and memoranda shall be available at all reasonable

times for inspection by authorized representatives of the State commission or by any local liquor control commissioner or his or her authorized representative. The commission, may, from time to time, alter, amend or repeal, in whole or in part, any uniform system of accounts, or the form and manner of keeping accounts.

(8) In the conduct of any hearing authorized to be held by the commission, to appoint, at the commission's discretion, hearing officers to conduct hearings involving complex issues or issues that will require a protracted period of time to resolve, to examine, or cause to be examined, under oath, any licensee, and to examine or cause to be examined the books and records of such licensee; to hear testimony and take proof material for its information in the discharge of its duties hereunder; to administer or cause to be administered oaths; for any such purpose to issue subpoena or subpoenas to require the attendance of witnesses and the production of books, which shall be effective in any part of this State, and to adopt rules to implement its powers under this paragraph (8).

Any Circuit Court may by order duly entered, require the attendance of witnesses and the production of relevant books subpoenaed by the State commission and the court may compel obedience to its order by proceedings for contempt.

(9) To investigate the administration of laws in relation to alcoholic liquors in this and other states and

any foreign countries, and to recommend from time to time to the Governor and through him or her to the legislature of this State, such amendments to this Act, if any, as it may think desirable and as will serve to further the general broad purposes contained in Section 1-2 hereof.

(10) To adopt such rules and regulations consistent with the provisions of this Act which shall be necessary for the control, sale or disposition of alcoholic liquor damaged as a result of an accident, wreck, flood, fire or other similar occurrence.

(11) To develop industry educational programs related to responsible serving and selling, particularly in the areas of overserving consumers and illegal underage purchasing and consumption of alcoholic beverages.

(11.1) To license persons providing education and training to alcohol beverage sellers and servers under the Beverage Alcohol Sellers and Servers Education and Training (BASSET) programs and to develop and administer a public awareness program in Illinois to reduce or eliminate the illegal purchase and consumption of alcoholic beverage products by persons under the age of 21. Application for a license shall be made on forms provided by the State Commission.

(12) To develop and maintain a repository of license and regulatory information.

(13) On or before January 15, 1994, the Commission

shall issue a written report to the Governor and General Assembly that is to be based on a comprehensive study of the impact on and implications for the State of Illinois of Section 1926 of the Federal ADAMHA Reorganization Act of 1992 (Public Law 102-321). This study shall address the extent to which Illinois currently complies with the provisions of P.L. 102-321 and the rules promulgated pursuant thereto.

As part of its report, the Commission shall provide the following essential information:

- (i) the number of retail distributors of tobacco products, by type and geographic area, in the State;

- (ii) the number of reported citations and successful convictions, categorized by type and location of retail distributor, for violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act and the Smokeless Tobacco Limitation Act;

- (iii) the extent and nature of organized educational and governmental activities that are intended to promote, encourage or otherwise secure compliance with any Illinois laws that prohibit the sale or distribution of tobacco products to minors; and

- (iv) the level of access and availability of tobacco products to individuals under the age of 18.

To obtain the data necessary to comply with the

provisions of P.L. 102-321 and the requirements of this report, the Commission shall conduct random, unannounced inspections of a geographically and scientifically representative sample of the State's retail tobacco distributors.

The Commission shall consult with the Department of Public Health, the Department of Human Services, the Illinois State Police and any other executive branch agency, and private organizations that may have information relevant to this report.

The Commission may contract with the Food and Drug Administration of the U.S. Department of Health and Human Services to conduct unannounced investigations of Illinois tobacco vendors to determine compliance with federal laws relating to the illegal sale of cigarettes and smokeless tobacco products to persons under the age of 18.

(14) On or before April 30, 2008 and every 2 years thereafter, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of the 95th General Assembly on the business of soliciting, selling, and shipping wine from inside and outside of this State directly to residents of this State. As part of its report, the Commission shall provide all of the following information:

(A) The amount of State excise and sales tax

revenues generated.

(B) The amount of licensing fees received.

(C) The number of cases of wine shipped from inside and outside of this State directly to residents of this State.

(D) The number of alcohol compliance operations conducted.

(E) The number of winery shipper's licenses issued.

(F) The number of each of the following: reported violations; cease and desist notices issued by the Commission; notices of violations issued by the Commission and to the Department of Revenue; and notices and complaints of violations to law enforcement officials, including, without limitation, the Illinois Attorney General and the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(15) As a means to reduce the underage consumption of alcoholic liquors, the Commission shall conduct alcohol compliance operations to investigate whether businesses that are soliciting, selling, and shipping wine from inside or outside of this State directly to residents of this State are licensed by this State or are selling or attempting to sell wine to persons under 21 years of age in violation of this Act.

(16) The Commission shall, in addition to notifying any

appropriate law enforcement agency, submit notices of complaints or violations of Sections 6-29 and 6-29.1 by persons who do not hold a winery shipper's license under this amendatory Act to the Illinois Attorney General and to the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(17) (A) A person licensed to make wine under the laws of another state who has a winery shipper's license under this amendatory Act and annually produces less than 25,000 gallons of wine or a person who has a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license under this Act and annually produces less than 25,000 gallons of wine may make application to the Commission for a self-distribution exemption to allow the sale of not more than 5,000 gallons of the exemption holder's wine to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, such person shall state (1) the date it was established; (2) its volume of production and sales for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its wine; and (5) that it will comply with the liquor and revenue laws of the

United States, this State, and any other state where it is licensed.

(C) The Commission shall approve the application for a self-distribution exemption if such person: (1) is in compliance with State revenue and liquor laws; (2) is not a member of any affiliated group that produces more than 25,000 gallons of wine per annum or produces any other alcoholic liquor; (3) will not annually produce for sale more than 25,000 gallons of wine; and (4) will not annually sell more than 5,000 gallons of its wine to retail licensees.

(D) A self-distribution exemption holder shall annually certify to the Commission its production of wine in the previous 12 months and its anticipated production and sales for the next 12 months. The Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or liquor law of Illinois, exceeded production of 25,000 gallons of wine in any calendar year, or become part of an affiliated group producing more than 25,000 gallons of wine or any other alcoholic liquor.

(E) Except in hearings for violations of this Act or amendatory Act or a bona fide investigation by duly sworn law enforcement officials, the Commission, or

its agents, the Commission shall maintain the production and sales information of a self-distribution exemption holder as confidential and shall not release such information to any person.

(F) The Commission shall issue regulations governing self-distribution exemptions consistent with this Section and this Act.

(G) Nothing in this subsection (17) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois distributor.

(H) It is the intent of this subsection (17) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system it is necessary to create an exception for smaller makers of wine as their wines are frequently adjusted in varietals, mixes, vintages, and taste to find and create market niches sometimes too small for distributor or importing distributor business strategies. Limited self-distribution rights will afford and allow smaller makers of wine access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(b) On or before April 30, 1999, the Commission shall present a written report to the Governor and the General

Assembly that shall be based on a study of the impact of this amendatory Act of 1998 on the business of soliciting, selling, and shipping alcoholic liquor from outside of this State directly to residents of this State.

As part of its report, the Commission shall provide the following information:

- (i) the amount of State excise and sales tax revenues generated as a result of this amendatory Act of 1998;

- (ii) the amount of licensing fees received as a result of this amendatory Act of 1998;

- (iii) the number of reported violations, the number of cease and desist notices issued by the Commission, the number of notices of violations issued to the Department of Revenue, and the number of notices and complaints of violations to law enforcement officials.

Sec. 6-16.1. Enforcement actions.

- (a) A licensee or an officer, associate, member, representative, agent, or employee of a licensee may sell, give, or deliver alcoholic liquor to a person under the age of 21 years or authorize the sale, gift, or delivery of alcoholic liquor to a person under the age of 21 years pursuant to a plan or action to investigate, patrol, or otherwise conduct a "sting

operation" or enforcement action against a person employed by the licensee or on any licensed premises if the licensee or officer, associate, member, representative, agent, or employee of the licensee provides written notice, at least 14 days before the "sting operation" or enforcement action, unless governing body of the municipality or county having jurisdiction sets a shorter period by ordinance, to the law enforcement agency having jurisdiction, the local liquor control commissioner, or both. Notice provided under this Section shall be valid for a "sting operation" or enforcement action conducted within 60 days of the provision of that notice, unless the governing body of the municipality or county having jurisdiction sets a shorter period by ordinance.

(b) A local liquor control commission or unit of local government that conducts alcohol and tobacco compliance operations shall establish a policy and standards for alcohol and tobacco compliance operations to investigate whether a licensee is furnishing (1) alcoholic liquor to persons under 21 years of age in violation of this Act or (2) tobacco to persons in violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act.

(c) The Illinois Law Enforcement Training Standards Board shall develop a model policy and guidelines for the operation of alcohol and tobacco compliance checks by local law enforcement officers. The Illinois Law Enforcement Training Standards Board shall also require the supervising officers of

such compliance checks to have met a minimum training standard as determined by the Board. The Board shall have the right to waive any training based on current written policies and procedures for alcohol and tobacco compliance check operations and in-service training already administered by the local law enforcement agency, department, or office.

(d) The provisions of subsections (b) and (c) do not apply to a home rule unit with more than 2,000,000 inhabitants.

(e) A home rule unit, other than a home rule unit with more than 2,000,000 inhabitants, may not regulate enforcement actions in a manner inconsistent with the regulation of enforcement actions under this Section. This subsection (e) is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(f) A licensee who is the subject of an enforcement action or "sting operation" under this Section and is found, pursuant to the enforcement action, to be in compliance with this Act shall be notified by the enforcement agency action that no violation was found within 30 days after the finding.

(235 ILCS 5/8-1)

Sec. 8-1. A tax is imposed upon the privilege of engaging in business as a manufacturer or as an importing distributor of

alcoholic liquor other than beer at the rate of \$0.185 per gallon until September 1, 2009 and \$0.231 per gallon beginning September 1, 2009 for cider containing not less than 0.5% alcohol by volume nor more than 7% alcohol by volume, \$0.73 per gallon until September 1, 2009 and \$1.39 per gallon beginning September 1, 2009 for wine other than cider containing less than 7% alcohol by volume, and \$4.50 per gallon until September 1, 2009 and \$8.55 per gallon beginning September 1, 2009 on alcohol and spirits manufactured and sold or used by such manufacturer, or as agent for any other person, or sold or used by such importing distributor, or as agent for any other person. A tax is imposed upon the privilege of engaging in business as a manufacturer of beer or as an importing distributor of beer at the rate of \$0.185 per gallon until September 1, 2009 and \$0.231 per gallon beginning September 1, 2009 on all beer manufactured and sold or used by such manufacturer, or as agent for any other person, or sold or used by such importing distributor, or as agent for any other person. Any brewer manufacturing beer in this State shall be entitled to and given a credit or refund of 75% of the tax imposed on each gallon of beer up to 4.9 million gallons per year in any given calendar year for tax paid or payable on beer produced and sold in the State of Illinois.

For the purpose of this Section, "cider" means any alcoholic beverage obtained by the alcohol fermentation of the juice of apples or pears including, but not limited to,

flavored, sparkling, or carbonated cider.

The credit or refund created by this Act shall apply to all beer taxes in the calendar years 1982 through 1986.

The increases made by this amendatory Act of the 91st General Assembly in the rates of taxes imposed under this Section shall apply beginning on July 1, 1999.

A tax at the rate of 1¢ per gallon on beer and 48¢ per gallon on alcohol and spirits is also imposed upon the privilege of engaging in business as a retailer or as a distributor who is not also an importing distributor with respect to all beer and all alcohol and spirits owned or possessed by such retailer or distributor when this amendatory Act of 1969 becomes effective, and with respect to which the additional tax imposed by this amendatory Act upon manufacturers and importing distributors does not apply. Retailers and distributors who are subject to the additional tax imposed by this paragraph of this Section shall be required to inventory such alcoholic liquor and to pay this additional tax in a manner prescribed by the Department.

The provisions of this Section shall be construed to apply to any importing distributor engaging in business in this State, whether licensed or not.

However, such tax is not imposed upon any such business as to any alcoholic liquor shipped outside Illinois by an Illinois licensed manufacturer or importing distributor, nor as to any alcoholic liquor delivered in Illinois by an Illinois licensed

manufacturer or importing distributor to a purchaser for immediate transportation by the purchaser to another state into which the purchaser has a legal right, under the laws of such state, to import such alcoholic liquor, nor as to any alcoholic liquor other than beer sold by one Illinois licensed manufacturer or importing distributor to another Illinois licensed manufacturer or importing distributor to the extent to which the sale of alcoholic liquor other than beer by one Illinois licensed manufacturer or importing distributor to another Illinois licensed manufacturer or importing distributor is authorized by the licensing provisions of this Act, nor to alcoholic liquor whether manufactured in or imported into this State when sold to a "non-beverage user" licensed by the State for use in the manufacture of any of the following when they are unfit for beverage purposes:

Patent and proprietary medicines and medicinal, antiseptic, culinary and toilet preparations;

Flavoring extracts and syrups and food products;

Scientific, industrial and chemical products, excepting denatured alcohol;

Or for scientific, chemical, experimental or mechanical purposes;

Nor is the tax imposed upon the privilege of engaging in any business in interstate commerce or otherwise, which business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State.

The tax herein imposed shall be in addition to all other occupation or privilege taxes imposed by the State of Illinois or political subdivision thereof.

If any alcoholic liquor manufactured in or imported into this State is sold to a licensed manufacturer or importing distributor by a licensed manufacturer or importing distributor to be used solely as an ingredient in the manufacture of any beverage for human consumption, the tax imposed upon such purchasing manufacturer or importing distributor shall be reduced by the amount of the taxes which have been paid by the selling manufacturer or importing distributor under this Act as to such alcoholic liquor so used to the Department of Revenue.

If any person received any alcoholic liquors from a manufacturer or importing distributor, with respect to which alcoholic liquors no tax is imposed under this Article, and such alcoholic liquor shall thereafter be disposed of in such manner or under such circumstances as may cause the same to become the base for the tax imposed by this Article, such person shall make the same reports and returns, pay the same taxes and be subject to all other provisions of this Article relating to manufacturers and importing distributors.

Nothing in this Article shall be construed to require the payment to the Department of the taxes imposed by this Article more than once with respect to any quantity of alcoholic liquor sold or used within this State.

No tax is imposed by this Act on sales of alcoholic liquor by Illinois licensed foreign importers to Illinois licensed importing distributors.

All of the proceeds of the additional tax imposed by Public Act 96-34 ~~this amendatory Act of the 96th General Assembly~~ shall be deposited by the Department into the Capital Projects Fund. The remainder of the tax imposed by this Act shall be deposited by the Department into the General Revenue Fund.

The provisions of this Section 8-1 are severable under Section 1.31 of the Statute on Statutes.

Section 500. The Illinois Public Aid Code is amended by changing Sections 4-2, 5-2, 5-5.4, 5-5, 12-4.11, and 12-4.201 and by setting forth and renumbering multiple versions of Section 12-4.37 as follows:

(305 ILCS 5/4-2) (from Ch. 23, par. 4-2)

Sec. 4-2. Amount of aid.

(a) The amount and nature of financial aid shall be determined in accordance with the grant amounts, rules and regulations of the Illinois Department. Due regard shall be given to the self-sufficiency requirements of the family and to the income, money contributions and other support and resources available, from whatever source. However, the amount and nature

of any financial aid is not affected by the payment of any grant under the "Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act" or any distributions or items of income described under subparagraph (X) of paragraph (2) of subsection (a) of Section 203 of the Illinois Income Tax Act. The aid shall be sufficient, when added to all other income, money contributions and support to provide the family with a grant in the amount established by Department regulation. ~~Beginning July 1, 2008, the Department of Human Services shall increase TANF grant amounts in effect on June 30, 2008 by 9%.~~

Subject to appropriation, beginning on July 1, 2008, the Department of Human Services shall increase TANF grant amounts in effect on June 30, 2008 by 15%. The Department is authorized to administer this increase but may not otherwise adopt any rule to implement this increase.

(b) The Illinois Department may conduct special projects, which may be known as Grant Diversion Projects, under which recipients of financial aid under this Article are placed in jobs and their grants are diverted to the employer who in turn makes payments to the recipients in the form of salary or other employment benefits. The Illinois Department shall by rule specify the terms and conditions of such Grant Diversion Projects. Such projects shall take into consideration and be coordinated with the programs administered under the Illinois Emergency Employment Development Act.

(c) The amount and nature of the financial aid for a child requiring care outside his own home shall be determined in accordance with the rules and regulations of the Illinois Department, with due regard to the needs and requirements of the child in the foster home or institution in which he has been placed.

(d) If the Department establishes grants for family units consisting exclusively of a pregnant woman with no dependent child or including her husband if living with her, the grant amount for such a unit shall be equal to the grant amount for an assistance unit consisting of one adult, or 2 persons if the husband is included. Other than as herein described, an unborn child shall not be counted in determining the size of an assistance unit or for calculating grants.

Payments for basic maintenance requirements of a child or children and the relative with whom the child or children are living shall be prescribed, by rule, by the Illinois Department.

Grants under this Article shall not be supplemented by General Assistance provided under Article VI.

(e) Grants shall be paid to the parent or other person with whom the child or children are living, except for such amount as is paid in behalf of the child or his parent or other relative to other persons or agencies pursuant to this Code or the rules and regulations of the Illinois Department.

(f) Subject to subsection (f-5), an assistance unit,

receiving financial aid under this Article or temporarily ineligible to receive aid under this Article under a penalty imposed by the Illinois Department for failure to comply with the eligibility requirements or that voluntarily requests termination of financial assistance under this Article and becomes subsequently eligible for assistance within 9 months, shall not receive any increase in the amount of aid solely on account of the birth of a child; except that an increase is not prohibited when the birth is (i) of a child of a pregnant woman who became eligible for aid under this Article during the pregnancy, or (ii) of a child born within 10 months after the date of implementation of this subsection, or (iii) of a child conceived after a family became ineligible for assistance due to income or marriage and at least 3 months of ineligibility expired before any reapplication for assistance. This subsection does not, however, prevent a unit from receiving a general increase in the amount of aid that is provided to all recipients of aid under this Article.

The Illinois Department is authorized to transfer funds, and shall use any budgetary savings attributable to not increasing the grants due to the births of additional children, to supplement existing funding for employment and training services for recipients of aid under this Article IV. The Illinois Department shall target, to the extent the supplemental funding allows, employment and training services to the families who do not receive a grant increase after the

birth of a child. In addition, the Illinois Department shall provide, to the extent the supplemental funding allows, such families with up to 24 months of transitional child care pursuant to Illinois Department rules. All remaining supplemental funds shall be used for employment and training services or transitional child care support.

In making the transfers authorized by this subsection, the Illinois Department shall first determine, pursuant to regulations adopted by the Illinois Department for this purpose, the amount of savings attributable to not increasing the grants due to the births of additional children. Transfers may be made from General Revenue Fund appropriations for distributive purposes authorized by Article IV of this Code only to General Revenue Fund appropriations for employability development services including operating and administrative costs and related distributive purposes under Article IXA of this Code. The Director, with the approval of the Governor, shall certify the amount and affected line item appropriations to the State Comptroller.

Nothing in this subsection shall be construed to prohibit the Illinois Department from using funds under this Article IV to provide assistance in the form of vouchers that may be used to pay for goods and services deemed by the Illinois Department, by rule, as suitable for the care of the child such as diapers, clothing, school supplies, and cribs.

(f-5) Subsection (f) shall not apply to affect the monthly

assistance amount of any family as a result of the birth of a child on or after January 1, 2004. As resources permit after January 1, 2004, the Department may cease applying subsection (f) to limit assistance to families receiving assistance under this Article on January 1, 2004, with respect to children born prior to that date. In any event, subsection (f) shall be completely inoperative on and after July 1, 2007.

(g) (Blank).

(h) Notwithstanding any other provision of this Code, the Illinois Department is authorized to reduce payment levels used to determine cash grants under this Article after December 31 of any fiscal year if the Illinois Department determines that the caseload upon which the appropriations for the current fiscal year are based have increased by more than 5% and the appropriation is not sufficient to ensure that cash benefits under this Article do not exceed the amounts appropriated for those cash benefits. Reductions in payment levels may be accomplished by emergency rule under Section 5-45 of the Illinois Administrative Procedure Act, except that the limitation on the number of emergency rules that may be adopted in a 24-month period shall not apply and the provisions of Sections 5-115 and 5-125 of the Illinois Administrative Procedure Act shall not apply. Increases in payment levels shall be accomplished only in accordance with Section 5-40 of the Illinois Administrative Procedure Act. Before any rule to increase payment levels promulgated under this Section shall

become effective, a joint resolution approving the rule must be adopted by a roll call vote by a majority of the members elected to each chamber of the General Assembly.

(2) persons whose screenings under the above program were funded in whole or in part by funds appropriated to the Illinois Department of Public Health for breast or cervical cancer screening.

"Medical assistance" under this paragraph 12 shall be identical to the benefits provided under the State's approved plan under Title XIX of the Social Security Act.

The Department must request federal approval of the coverage under this paragraph 12 within 30 days after the effective date of this amendatory Act of the 92nd General Assembly.

13. Subject to appropriation and to federal approval, persons living with HIV/AIDS who are not otherwise eligible under this Article and who qualify for services covered under Section 5-5.04 as provided by the Illinois Department by rule.

Medical coverage under this paragraph 14 may be provided for up to 24 continuous months from the initial eligibility date so long as an individual continues to satisfy the criteria of this paragraph 14. If an individual has an appeal pending

regarding an application for asylum before the Department of Homeland Security, eligibility under this paragraph 14 may be extended until a final decision is rendered on the appeal. The Department may adopt rules governing the implementation of this paragraph 14.

15. Family Care Eligibility.

(a) A caretaker relative who is 19 years of age or older when countable income is at or below 185% of the Federal Poverty Level Guidelines, as published annually in the Federal Register, for the appropriate family size. A person may not spend down to become eligible under this paragraph 15.

(b) Eligibility shall be reviewed annually.

(d) Premiums shall be billed by and payable to the Department or its authorized agent, on a monthly basis.

(e) The premium due date is the last day of the month preceding the month of coverage.

(f) Individuals shall have a grace period through the month of coverage to pay the premium.

(g) Failure to pay the full monthly premium by the

last day of the grace period shall result in termination of coverage.

(h) Partial premium payments shall not be refunded.

(i) Following termination of an individual's coverage under this paragraph 15, the following action is required before the individual can be re-enrolled:

(1) A new application must be completed and the individual must be determined otherwise eligible.

(2) There must be full payment of premiums due under this Code, the Children's Health Insurance Program Act, the Covering ALL KIDS Health Insurance Act, or any other healthcare program administered by the Department for periods in which a premium was owed and not paid for the individual.

(3) The first month's premium must be paid if there was an unpaid premium on the date the individual's previous coverage was canceled.

The Department is authorized to implement the provisions of this amendatory Act of the 95th General Assembly by adopting the medical assistance rules in effect as of October 1, 2007, at 89 Ill. Admin. Code 125, and at 89 Ill. Admin. Code 120.32 along with only those changes necessary to conform to federal Medicaid requirements, federal laws, and federal regulations, including but not

limited to Section 1931 of the Social Security Act (42 U.S.C. Sec. 1396u-1), as interpreted by the U.S. Department of Health and Human Services, and the countable income eligibility standard authorized by this paragraph 15. The Department may not otherwise adopt any rule to implement this increase except as authorized by law, to meet the eligibility standards authorized by the federal government in the Medicaid State Plan or the Title XXI Plan, or to meet an order from the federal government or any court.

16. ~~15.~~ Subject to appropriation, uninsured persons who are not otherwise eligible under this Section who have been certified and referred by the Department of Public Health as having been screened and found to need diagnostic evaluation or treatment, or both diagnostic evaluation and treatment, for prostate or testicular cancer. For the purposes of this paragraph 16 ~~15~~, uninsured persons are those who do not have creditable coverage, as defined under the Health Insurance Portability and Accountability Act, or have otherwise exhausted any insurance benefits they may have had, for prostate or testicular cancer diagnostic evaluation or treatment, or both diagnostic evaluation and treatment. To be eligible, a person must furnish a Social Security number. A person's assets are exempt from consideration in determining eligibility under this paragraph 16 ~~15~~. Such persons shall be eligible for medical assistance under this paragraph 16 ~~15~~ for so long as they

need treatment for the cancer. A person shall be considered to need treatment if, in the opinion of the person's treating physician, the person requires therapy directed toward cure or palliation of prostate or testicular cancer, including recurrent metastatic cancer that is a known or presumed complication of prostate or testicular cancer and complications resulting from the treatment modalities themselves. Persons who require only routine monitoring services are not considered to need treatment. "Medical assistance" under this paragraph 16 ~~15~~ shall be identical to the benefits provided under the State's approved plan under Title XIX of the Social Security Act. Notwithstanding any other provision of law, the Department (i) does not have a claim against the estate of a deceased recipient of services under this paragraph 16 ~~15~~ and (ii) does not have a lien against any homestead property or other legal or equitable real property interest owned by a recipient of services under this paragraph 16 ~~15~~.

In implementing the provisions of Public Act 96-20 ~~this amendatory Act of the 96th General Assembly~~, the Department is authorized to adopt only those rules necessary, including emergency rules. Nothing in Public Act 96-20 ~~this amendatory Act of the 96th General Assembly~~ permits the Department to adopt rules or issue a decision that expands eligibility for the FamilyCare Program to a person whose income exceeds 185% of the Federal Poverty Level as determined from time to time by

the U.S. Department of Health and Human Services, unless the Department is provided with express statutory authority.

The Illinois Department and the Governor shall provide a plan for coverage of the persons eligible under paragraph 7 as soon as possible after July 1, 1984.

The eligibility of any such person for medical assistance under this Article is not affected by the payment of any grant under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act or any distributions or items of income described under subparagraph (X) of paragraph (2) of subsection (a) of Section 203 of the Illinois Income Tax Act. The Department shall by rule establish the amounts of assets to be disregarded in determining eligibility for medical assistance, which shall at a minimum equal the amounts to be disregarded under the Federal Supplemental Security Income Program. The amount of assets of a single person to be disregarded shall not be less than \$2,000, and the amount of assets of a married couple to be disregarded shall not be less than \$3,000.

To the extent permitted under federal law, any person found guilty of a second violation of Article VIIIA shall be ineligible for medical assistance under this Article, as provided in Section 8A-8.

The eligibility of any person for medical assistance under this Article shall not be affected by the receipt by the person of donations or benefits from fundraisers held for the person

in cases of serious illness, as long as neither the person nor members of the person's family have actual control over the donations or benefits or the disbursement of the donations or benefits.

(305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

(Text of Section before amendment by P.A. 96-806)

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10),

"dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician

has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

The Department of Healthcare and Family Services shall provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for

women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after July 1, 2008, screening and diagnostic mammography shall be reimbursed at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards. Based on these quality standards, the

Department shall provide for bonus payments to mammography facilities meeting the standards for screening and diagnosis. The bonus payments shall be at least 15% higher than the Medicare rates for mammography.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the

pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department

of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the

sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These

qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All

dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor that provides non-emergency medical transportation, defined by the Department by rule, shall be conditional for 180 days. During that time, the Department of

Healthcare and Family Services may terminate the vendor's eligibility to participate in the medical assistance program without cause. That termination of eligibility is not subject to the Department's hearing process.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients without medical authorization; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State

where they are not currently available or are undeveloped.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;
- (b) actual statistics and trends in the provision of the various medical services by medical vendors;
- (c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
- (d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with

the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Rulemaking authority to implement Public Act 95-1045 ~~this amendatory Act of the 95th General Assembly~~, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home,

or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a

physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order

documentation.

The Department of Healthcare and Family Services shall provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical

assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after July 1, 2008, screening and diagnostic

mammography shall be reimbursed at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards. Based on these quality standards, the Department shall provide for bonus payments to mammography facilities meeting the standards for screening and diagnosis. The bonus payments shall be at least 15% higher than the Medicare rates for mammography.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug

Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

Notwithstanding any other provision of law, a health care

provider under the medical assistance program may elect, in lieu of receiving direct payment for services provided under that program, to participate in the State Employees Deferred Compensation Plan adopted under Article 24 of the Illinois Pension Code. A health care provider who elects to participate in the plan does not have a cause of action against the State for any damages allegedly suffered by the provider as a result of any delay by the State in crediting the amount of any contribution to the provider's plan account.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients

in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of

choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany

each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical

Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor that provides non-emergency medical transportation, defined by the Department by rule, shall be conditional for 180 days. During that time, the Department of Healthcare and Family Services may terminate the vendor's eligibility to participate in the medical assistance program without cause. That termination of eligibility is not subject to the Department's hearing process.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or

replacement of such devices by recipients without medical authorization; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the

General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

(a) actual statistics and trends in utilization of medical services by public aid recipients;

(b) actual statistics and trends in the provision of the various medical services by medical vendors;

(c) current rate structures and proposed changes in those rate structures for the various medical vendors; and

(d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Rulemaking authority to implement Public Act 95-1045 ~~this amendatory Act of the 95th General Assembly~~, if any, is conditioned on the rules being adopted in accordance with all

provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Sec. 5-5.4. Standards of Payment - Department of Healthcare and Family Services. The Department of Healthcare and Family Services shall develop standards of payment of skilled nursing and intermediate care services in facilities providing such services under this Article which:

(1) Provide for the determination of a facility's payment for skilled nursing and intermediate care services on a prospective basis. The amount of the payment rate for all nursing facilities certified by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities, Long Term Care for Under Age 22 facilities, Skilled Nursing facilities, or Intermediate Care facilities under the medical assistance program shall be prospectively established annually on the basis of historical, financial, and statistical data reflecting actual costs from prior years, which shall be applied to the current rate year

and updated for inflation, except that the capital cost element for newly constructed facilities shall be based upon projected budgets. The annually established payment rate shall take effect on July 1 in 1984 and subsequent years. No rate increase and no update for inflation shall be provided on or after July 1, 1994 and before July 1, 2010, unless specifically provided for in this Section. The changes made by Public Act 93-841 extending the duration of the prohibition against a rate increase or update for inflation are effective retroactive to July 1, 2004.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1998 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1998 shall include an increase of 3% plus \$1.10 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2006 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the

Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2009 shall include an increase sufficient to provide a \$0.50 per hour wage increase for non-executive staff.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% plus \$3.00 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% and, for services provided on or after October 1, 1999, shall be increased by \$4.00 per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, a new payment methodology must be implemented for the nursing component of the rate effective July 1, 2003. The Department of Public Aid (now Healthcare and Family Services) shall develop the new payment methodology using the Minimum Data Set (MDS) as the instrument to collect information concerning nursing home resident condition necessary to compute the rate. The Department shall develop the new payment methodology to meet the unique needs of Illinois nursing home residents while remaining subject to the appropriations provided by the General Assembly. A transition period from the payment methodology in effect on June 30, 2003 to the payment methodology in effect on July 1, 2003 shall be provided for a period not exceeding 3 years and 184 days after implementation of the new payment methodology as follows:

(A) For a facility that would receive a lower nursing component rate per patient day under the new system than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be held at the level in effect on the date immediately preceding the date that the Department implements the new payment methodology until a higher nursing component rate of reimbursement is achieved by that facility.

(B) For a facility that would receive a higher nursing component rate per patient day under the payment methodology in effect on July 1, 2003 than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be adjusted.

(C) Notwithstanding paragraphs (A) and (B), the nursing component rate per patient day for the facility shall be adjusted subject to appropriations provided by the General Assembly.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on March 1, 2001 shall include a statewide increase of 7.85%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the numerator of the ratio used by the Department of Healthcare and Family Services to compute the rate payable under this Section using the Minimum Data Set (MDS) methodology shall incorporate the following annual amounts as the additional funds appropriated to the Department specifically to pay for rates based on the MDS nursing

component methodology in excess of the funding in effect on December 31, 2006:

(i) For rates taking effect January 1, 2007, \$60,000,000.

(ii) For rates taking effect January 1, 2008, \$110,000,000.

(iii) For rates taking effect January 1, 2009, \$194,000,000.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the support component of the rates taking effect on January 1, 2008 shall be computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on April 1, 2002 shall include a statewide increase of 2.0%, as defined by the Department. This increase terminates on July 1, 2002; beginning July 1, 2002 these rates are reduced to the level of the rates in effect on March 31, 2002, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities

or intermediate care facilities, the rates taking effect on July 1, 2001 shall be computed using the most recent cost reports on file with the Department of Public Aid no later than April 1, 2000, updated for inflation to January 1, 2001. For rates effective July 1, 2001 only, rates shall be the greater of the rate computed for July 1, 2001 or the rate effective on June 30, 2001.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the Illinois Department shall determine by rule the rates taking effect on July 1, 2002, which shall be 5.9% less than the rates in effect on June 30, 2002.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, if the payment methodologies required under Section 5A-12 and the waiver granted under 42 CFR 433.68 are approved by the United States Centers for Medicare and Medicaid Services, the rates taking effect on July 1, 2004 shall be 3.0% greater than the rates in effect on June 30, 2004. These rates shall take effect only upon approval and implementation of the payment methodologies required under Section 5A-12.

Notwithstanding any other provisions of this Section, for

facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on January 1, 2005 shall be 3% more than the rates in effect on December 31, 2004.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2009, the per diem support component of the rates effective on January 1, 2008, computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006, shall be increased to the amount that would have been derived using standard Department of Healthcare and Family Services methods, procedures, and inflators.

Notwithstanding any other provisions of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as intermediate care facilities that are federally defined as Institutions for Mental Disease, a socio-development component rate equal to 6.6% of the facility's nursing component rate as of January 1, 2006 shall be established and paid effective July 1, 2006. The socio-development component of the rate shall be increased by a factor of 2.53 on the first day of the month that begins at least 45 days after January 11, 2008 (the effective date of

Public Act 95-707). As of August 1, 2008, the socio-development component rate shall be equal to 6.6% of the facility's nursing component rate as of January 1, 2006, multiplied by a factor of 3.53. The Illinois Department may by rule adjust these socio-development component rates, but in no case may such rates be diminished.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or as long-term care facilities for residents under 22 years of age, the rates taking effect on July 1, 2003 shall include a statewide increase of 4%, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 95th General Assembly shall include a statewide increase of 2.5%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2005, facility rates shall be increased by the difference between (i) a facility's per diem property, liability, and malpractice

insurance costs as reported in the cost report filed with the Department of Public Aid and used to establish rates effective July 1, 2001 and (ii) those same costs as reported in the facility's 2002 cost report. These costs shall be passed through to the facility without caps or limitations, except for adjustments required under normal auditing procedures.

Rates established effective each July 1 shall govern payment for services rendered throughout that fiscal year, except that rates established on July 1, 1996 shall be increased by 6.8% for services provided on or after January 1, 1997. Such rates will be based upon the rates calculated for the year beginning July 1, 1990, and for subsequent years thereafter until June 30, 2001 shall be based on the facility cost reports for the facility fiscal year ending at any point in time during the previous calendar year, updated to the midpoint of the rate year. The cost report shall be on file with the Department no later than April 1 of the current rate year. Should the cost report not be on file by April 1, the Department shall base the rate on the latest cost report filed by each skilled care facility and intermediate care facility, updated to the midpoint of the current rate year. In determining rates for services rendered on and after July 1, 1985, fixed time shall not be computed at less than zero. The Department shall not make any alterations of regulations which would reduce any component of the Medicaid rate to a level below what that component would have been utilizing in the rate

effective on July 1, 1984.

(2) Shall take into account the actual costs incurred by facilities in providing services for recipients of skilled nursing and intermediate care services under the medical assistance program.

(3) Shall take into account the medical and psycho-social characteristics and needs of the patients.

(4) Shall take into account the actual costs incurred by facilities in meeting licensing and certification standards imposed and prescribed by the State of Illinois, any of its political subdivisions or municipalities and by the U.S. Department of Health and Human Services pursuant to Title XIX of the Social Security Act.

The Department of Healthcare and Family Services shall develop precise standards for payments to reimburse nursing facilities for any utilization of appropriate rehabilitative personnel for the provision of rehabilitative services which is authorized by federal regulations, including reimbursement for services provided by qualified therapists or qualified assistants, and which is in accordance with accepted professional practices. Reimbursement also may be made for utilization of other supportive personnel under appropriate supervision.

Sec. 5-5.4. Standards of Payment - Department of Healthcare and Family Services. The Department of Healthcare and Family Services shall develop standards of payment of skilled nursing and intermediate care services in facilities providing such services under this Article which:

(1) Provide for the determination of a facility's payment for skilled nursing and intermediate care services on a prospective basis. The amount of the payment rate for all nursing facilities certified by the Department of Public Health under the MR/DD Community Care Act or the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities, Long Term Care for Under Age 22 facilities, Skilled Nursing facilities, or Intermediate Care facilities under the medical assistance program shall be prospectively established annually on the basis of historical, financial, and statistical data reflecting actual costs from prior years, which shall be applied to the current rate year and updated for inflation, except that the capital cost element for newly constructed facilities shall be based upon projected budgets. The annually established payment rate shall take effect on July 1 in 1984 and subsequent years. No rate increase and no update for inflation shall be provided on or after July 1, 1994 and before July 1, 2010, unless specifically provided for in this Section. The changes made by Public Act 93-841 extending the duration of the prohibition against a rate increase or update for inflation

are effective retroactive to July 1, 2004.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1998 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1998 shall include an increase of 3% plus \$1.10 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2006 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2009 shall include an increase sufficient to provide a \$0.50 per hour wage increase for non-executive staff.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% plus \$3.00 per resident-day,

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, a new payment methodology must be implemented for the nursing component of the rate effective July 1, 2003. The Department of Public Aid (now Healthcare and Family Services) shall develop the new payment methodology using the Minimum Data Set (MDS) as the instrument to collect information concerning nursing home resident condition necessary to compute the rate. The Department shall develop the

new payment methodology to meet the unique needs of Illinois nursing home residents while remaining subject to the appropriations provided by the General Assembly. A transition period from the payment methodology in effect on June 30, 2003 to the payment methodology in effect on July 1, 2003 shall be provided for a period not exceeding 3 years and 184 days after implementation of the new payment methodology as follows:

(A) For a facility that would receive a lower nursing component rate per patient day under the new system than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be held at the level in effect on the date immediately preceding the date that the Department implements the new payment methodology until a higher nursing component rate of reimbursement is achieved by that facility.

(B) For a facility that would receive a higher nursing component rate per patient day under the payment methodology in effect on July 1, 2003 than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be adjusted.

(C) Notwithstanding paragraphs (A) and (B), the nursing component rate per patient day for the facility

shall be adjusted subject to appropriations provided by the General Assembly.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on March 1, 2001 shall include a statewide increase of 7.85%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the numerator of the ratio used by the Department of Healthcare and Family Services to compute the rate payable under this Section using the Minimum Data Set (MDS) methodology shall incorporate the following annual amounts as the additional funds appropriated to the Department specifically to pay for rates based on the MDS nursing component methodology in excess of the funding in effect on December 31, 2006:

(i) For rates taking effect January 1, 2007, \$60,000,000.

(ii) For rates taking effect January 1, 2008, \$110,000,000.

(iii) For rates taking effect January 1, 2009, \$194,000,000.

Notwithstanding any other provision of this Section, for

facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the support component of the rates taking effect on January 1, 2008 shall be computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on April 1, 2002 shall include a statewide increase of 2.0%, as defined by the Department. This increase terminates on July 1, 2002; beginning July 1, 2002 these rates are reduced to the level of the rates in effect on March 31, 2002, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on July 1, 2001 shall be computed using the most recent cost reports on file with the Department of Public Aid no later than April 1, 2000, updated for inflation to January 1, 2001. For rates effective July 1, 2001 only, rates shall be the greater of the rate computed for July 1, 2001 or the rate effective on June 30, 2001.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under

the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the Illinois Department shall determine by rule the rates taking effect on July 1, 2002, which shall be 5.9% less than the rates in effect on June 30, 2002.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, if the payment methodologies required under Section 5A-12 and the waiver granted under 42 CFR 433.68 are approved by the United States Centers for Medicare and Medicaid Services, the rates taking effect on July 1, 2004 shall be 3.0% greater than the rates in effect on June 30, 2004. These rates shall take effect only upon approval and implementation of the payment methodologies required under Section 5A-12.

Notwithstanding any other provisions of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on January 1, 2005 shall be 3% more than the rates in effect on December 31, 2004.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2009, the

per diem support component of the rates effective on January 1, 2008, computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006, shall be increased to the amount that would have been derived using standard Department of Healthcare and Family Services methods, procedures, and inflators.

Notwithstanding any other provisions of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as intermediate care facilities that are federally defined as Institutions for Mental Disease, a socio-development component rate equal to 6.6% of the facility's nursing component rate as of January 1, 2006 shall be established and paid effective July 1, 2006. The socio-development component of the rate shall be increased by a factor of 2.53 on the first day of the month that begins at least 45 days after January 11, 2008 (the effective date of Public Act 95-707). As of August 1, 2008, the socio-development component rate shall be equal to 6.6% of the facility's nursing component rate as of January 1, 2006, multiplied by a factor of 3.53. The Illinois Department may by rule adjust these socio-development component rates, but in no case may such rates be diminished.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or as long-term care

facilities for residents under 22 years of age, the rates taking effect on July 1, 2003 shall include a statewide increase of 4%, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 95th General Assembly shall include a statewide increase of 2.5%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2005, facility rates shall be increased by the difference between (i) a facility's per diem property, liability, and malpractice insurance costs as reported in the cost report filed with the Department of Public Aid and used to establish rates effective July 1, 2001 and (ii) those same costs as reported in the facility's 2002 cost report. These costs shall be passed through to the facility without caps or limitations, except for adjustments required under normal auditing procedures.

Rates established effective each July 1 shall govern payment for services rendered throughout that fiscal year, except that rates established on July 1, 1996 shall be

increased by 6.8% for services provided on or after January 1, 1997. Such rates will be based upon the rates calculated for the year beginning July 1, 1990, and for subsequent years thereafter until June 30, 2001 shall be based on the facility cost reports for the facility fiscal year ending at any point in time during the previous calendar year, updated to the midpoint of the rate year. The cost report shall be on file with the Department no later than April 1 of the current rate year. Should the cost report not be on file by April 1, the Department shall base the rate on the latest cost report filed by each skilled care facility and intermediate care facility, updated to the midpoint of the current rate year. In determining rates for services rendered on and after July 1, 1985, fixed time shall not be computed at less than zero. The Department shall not make any alterations of regulations which would reduce any component of the Medicaid rate to a level below what that component would have been utilizing in the rate effective on July 1, 1984.

(2) Shall take into account the actual costs incurred by facilities in providing services for recipients of skilled nursing and intermediate care services under the medical assistance program.

(3) Shall take into account the medical and psycho-social characteristics and needs of the patients.

(4) Shall take into account the actual costs incurred by facilities in meeting licensing and certification standards

imposed and prescribed by the State of Illinois, any of its political subdivisions or municipalities and by the U.S. Department of Health and Human Services pursuant to Title XIX of the Social Security Act.

The Department of Healthcare and Family Services shall develop precise standards for payments to reimburse nursing facilities for any utilization of appropriate rehabilitative personnel for the provision of rehabilitative services which is authorized by federal regulations, including reimbursement for services provided by qualified therapists or qualified assistants, and which is in accordance with accepted professional practices. Reimbursement also may be made for utilization of other supportive personnel under appropriate supervision.

Sec. 12-4.11. Grant amounts. The Department, with due regard for and subject to budgetary limitations, shall establish grant amounts for each of the programs, by regulation. The grant amounts may vary by program, size of assistance unit and geographic area.

Aid payments shall not be reduced except: (1) for changes in the cost of items included in the grant amounts, or (2) for

changes in the expenses of the recipient, or (3) for changes in the income or resources available to the recipient, or (4) for changes in grants resulting from adoption of a consolidated grant amount. ~~Beginning July 1, 2008, the Department of Human Services shall increase TANF grant amounts in effect on June 30, 2008 by 9%.~~

Subject to appropriation, beginning on July 1, 2008, the Department of Human Services shall increase TANF grant amounts in effect on June 30, 2008 by 15%. The Department is authorized to administer this increase but may not otherwise adopt any rule to implement this increase.

In fixing standards to govern payments or reimbursements for funeral and burial expenses, the Department shall establish a minimum allowable amount of not less than \$1,000 for Department payment of funeral services and not less than \$500 for Department payment of burial or cremation services. On January 1, 2006, July 1, 2006, and July 1, 2007, the Department shall increase the minimum reimbursement amount for funeral and burial expenses under this Section by a percentage equal to the percentage increase in the Consumer Price Index for All Urban Consumers, if any, during the 12 months immediately preceding that January 1 or July 1. In establishing the minimum allowable amount, the Department shall take into account the services essential to a dignified, low-cost (i) funeral and (ii) burial or cremation, including reasonable amounts that may be necessary for burial space and cemetery charges, and any

applicable taxes or other required governmental fees or charges. If no person has agreed to pay the total cost of the (i) funeral and (ii) burial or cremation charges, the Department shall pay the vendor the actual costs of the (i) funeral and (ii) burial or cremation, or the minimum allowable amount for each service as established by the Department, whichever is less, provided that the Department reduces its payments by the amount available from the following sources: the decedent's assets and available resources and the anticipated amounts of any death benefits available to the decedent's estate, and amounts paid and arranged to be paid by the decedent's legally responsible relatives. A legally responsible relative is expected to pay (i) funeral and (ii) burial or cremation expenses unless financially unable to do so.

Nothing contained in this Section or in any other Section of this Code shall be construed to prohibit the Illinois Department (1) from consolidating existing standards on the basis of any standards which are or were in effect on, or subsequent to July 1, 1969, or (2) from employing any consolidated standards in determining need for public aid and the amount of money payment or grant for individual recipients or recipient families.

Sec. 12-4.37. Children's Healthcare Partnership Pilot Program.

(a) The Department of Healthcare and Family Services, in cooperation with the Department of Human Services, shall establish a Children's Healthcare Partnership Pilot Program in Sangamon County to fund the provision of various health care services by a single provider, or a group of providers that have entered into an agreement for that purpose, at a single location in the county. Services covered under the pilot program shall include, but need not be limited to, family practice, pediatric, nursing (including advanced practice nursing), psychiatric, dental, and vision services. The Departments shall fund the provision of all services provided under the pilot program using a rate structure that is cost-based. To be selected by the Departments as the provider of health care services under the pilot program, a provider or group of providers must serve a disproportionate share of low-income or indigent patients, including recipients of medical assistance under Article V of this Code. The Departments shall adopt rules as necessary to implement this Section.

(b) Implementation of this Section is contingent on federal approval. The Department of Healthcare and Family Services shall take appropriate action by January 1, 2010 to seek federal approval.

(c) This Section is inoperative if the provider of health care services under the pilot program receives designation as a Federally Qualified Health Center (FQHC) or FQHC Look-Alike.

Sec. 12-4.39 ~~12-4.37~~. Dental clinic grant program.

(a) Grant program. Subject to funding availability, the Department of Healthcare and Family Services shall administer a grant program. The purpose of this grant program shall be to build the public infrastructure for dental care and to make grants to local health departments, federally qualified health clinics (FQHCs), and rural health clinics (RHCs) for development of comprehensive dental clinics for dental care services. The primary purpose of these new dental clinics will be to increase dental access for low-income and Department of Healthcare and Family Services clients who have no dental arrangements with a dental provider in a project's service area. The dental clinic must be willing to accept out-of-area clients who need dental services, including emergency services for adults and Early and Periodic Screening, Diagnosis and Treatment (EPSDT)-referral children. Medically Underserved Areas (MUAs) and Health Professional Shortage Areas (HPSAs) shall receive special priority for grants under this program.

(b) Eligible applicants. The following entities are eligible to apply for grants:

- (1) Local health departments.
- (2) Federally Qualified Health Centers (FQHCs).
- (3) Rural health clinics (RHCs).

(c) Use of grant moneys. Grant moneys must be used to support projects that develop dental services to meet the dental health care needs of Department of Healthcare and Family Services Dental Program clients. Grant moneys must be used for operating expenses, including, but not limited to: insurance; dental supplies and equipment; dental support services; and renovation expenses. Grant moneys may not be used to offset existing indebtedness, supplant existing funds, purchase real property, or pay for personnel service salaries for dental employees.

(d) Application process. The Department shall establish procedures for applying for dental clinic grants.

(305 ILCS 5/12-4.201)

Sec. 12-4.201. ~~(a)~~ Data warehouse concerning medical and related services.

(a) The Department of Healthcare and Family Services may purchase services and materials associated with the costs of developing and implementing a data warehouse comprised of management and decision making information in regard to the liability associated with, and utilization of, medical and related services, out of moneys available for that purpose.

(b) The Department of Healthcare and Family Services shall perform all necessary administrative functions to expand its linearly-scalable data warehouse to encompass other healthcare data sources at both the Department of Human Services and the Department of Public Health. The Department of Healthcare and Family Services shall leverage the inherent capabilities of the data warehouse to accomplish this expansion with marginal additional technical administration. The purpose of this expansion is to allow for programmatic review and analysis including the interrelatedness among the various healthcare programs in order to ascertain effectiveness toward, and ultimate impact on, clients. Beginning July 1, 2005, the Department of Healthcare and Family Services (formerly Department of Public Aid) shall supply quarterly reports to the Commission on Government Forecasting and Accountability detailing progress toward this mandate.

(c) The Department of Healthcare and Family Services (HFS), the Illinois Department of Public Health, the Illinois Department of Human Services, and the Division of Specialized Care for Children, University of Illinois at Chicago, with necessary support from the Department of Central Management Services, shall integrate into the medical data warehouse individual record level data owned by one of these agencies that pertains to maternal and child health, including the following data sets:

(1) Vital Records as they relate to births, birth

outcomes, and deaths.

(2) Adverse Pregnancy Outcomes Reporting System (APORS).

(3) Genetics/Newborn Screenings/SIDS.

(4) Cornerstone (WIC, FCM, Teen Parents, Immunization).

(5) HFS medical claims data.

(6) I-CARE.

(7) Children with Special Healthcare Needs Data.

By September 1, 2009, the departments of Healthcare and Family Services, Public Health, and Human Services and the Division of Specialized Care for Children shall jointly prepare a work plan for fully integrating these data sets into the medical data warehouse. The work plan shall provide an overall project design, including defining a mutually acceptable transfer format for each discrete data set, the data update frequency, and a single method of data transfer for each data set. By October 1, 2009, the Department of Public Health shall grant to the Department of Healthcare and Family Services complete access to all vital records data. The Department of Public Health shall prepare a report detailing that this task has been accomplished and submit this report to the Commission on Government Forecasting and Accountability by October 15, 2009. By March 1, 2010, the data sets shall be completely loaded into the medical data warehouse. By July 1, 2010, data from the various sources shall be processed so as to be

compatible with other data in the medical data warehouse and available for analysis in an integrated manner.

With the cooperation of the other agencies, HFS shall submit status reports on the progress of these efforts to the Governor and the General Assembly no later than October 1, 2009 and April 1, 2010, with a final report due no later than November 1, 2010.

On an ongoing basis, the 4 agencies shall review the feasibility of adding data from additional sources to the warehouse. Such review may take into account the cost effectiveness of adding the data, the utility of adding data that is not available as identifiable individual record level data, the requirements related to adding data owned by another entity or not available in electronic form, whether sharing of the data is otherwise prohibited by law and the resources required and available for effecting the addition.

The departments shall use analysis of the data in the medical data warehouse to improve maternal and child health outcomes, and in particular improve birth outcomes, and to reduce racial health disparities in this area.

All access and use of the data shall be in compliance with all applicable federal and State laws, regulations, and mandates.

Notwithstanding anything in this Section, data incorporated into the data warehouse shall remain subject to the same provisions of law regarding confidentiality and use

restrictions as they are subject to in the control of the contributing agency. The Department of Healthcare and Family Services shall develop measures to ensure that the interplay of the several data sets contributed to the data warehouse does not lead to the use or release of data from the data warehouse that would not otherwise be subject to use or release under State or federal law.

Section 505. The Energy Assistance Act is amended by changing Sections 6 and 13 as follows:

(305 ILCS 20/6) (from Ch. 111 2/3, par. 1406)

Sec. 6. Eligibility, Conditions of Participation, and Energy Assistance.

(a) Any person who is a resident of the State of Illinois and whose household income is not greater than an amount determined annually by the Department, in consultation with the Policy Advisory Council, may apply for assistance pursuant to this Act in accordance with regulations promulgated by the Department. In setting the annual eligibility level, the Department shall consider the amount of available funding and may not set a limit higher than 150% of the federal nonfarm poverty level as established by the federal Office of Management and Budget; except that for the period ending June

30, 2012, or until the expenditure of federal resources allocated for energy assistance programs by the American Recovery and Reinvestment Act, whichever occurs first, the Department may not establish limits higher than 200% of that poverty level.

(b) Applicants who qualify for assistance pursuant to subsection (a) of this Section shall, subject to appropriation from the General Assembly and subject to availability of funds to the Department, receive energy assistance as provided by this Act. The Department, upon receipt of monies authorized pursuant to this Act for energy assistance, shall commit funds for each qualified applicant in an amount determined by the Department. In determining the amounts of assistance to be provided to or on behalf of a qualified applicant, the Department shall ensure that the highest amounts of assistance go to households with the greatest energy costs in relation to household income. The Department shall include factors such as energy costs, household size, household income, and region of the State when determining individual household benefits. In setting assistance levels, the Department shall attempt to provide assistance to approximately the same number of households who participated in the 1991 Residential Energy Assistance Partnership Program. Such assistance levels shall be adjusted annually on the basis of funding availability and energy costs. In promulgating rules for the administration of this Section the Department shall assure that a minimum of 1/3

of funds available for benefits to eligible households with the lowest incomes and that elderly and disabled households are offered a priority application period.

(c) If the applicant is not a customer of record of an energy provider for energy services or an applicant for such service, such applicant shall receive a direct energy assistance payment in an amount established by the Department for all such applicants under this Act; provided, however, that such an applicant must have rental expenses for housing greater than 30% of household income.

(c-1) This subsection shall apply only in cases where: (1) the applicant is not a customer of record of an energy provider because energy services are provided by the owner of the unit as a portion of the rent; (2) the applicant resides in housing subsidized or developed with funds provided under the Rental Housing Support Program Act or under a similar locally funded rent subsidy program, or is the voucher holder who resides in a rental unit within the State of Illinois and whose monthly rent is subsidized by the tenant-based Housing Choice Voucher Program under Section 8 of the U.S. Housing Act of 1937; and (3) the rental expenses for housing are no more than 30% of household income. In such cases, the household may apply for an energy assistance payment under this Act and the owner of the housing unit shall cooperate with the applicant by providing documentation of the energy costs for that unit. Any compensation paid to the energy provider who supplied energy

services to the household shall be paid on behalf of the owner of the housing unit providing energy services to the household. The Department shall report annually to the General Assembly on the number of households receiving energy assistance under this subsection and the cost of such assistance. The provisions of this subsection (c-1), other than this sentence, are inoperative after August 31, 2012.

(d) If the applicant is a customer of an energy provider, such applicant shall receive energy assistance in an amount established by the Department for all such applicants under this Act, such amount to be paid by the Department to the energy provider supplying winter energy service to such applicant. Such applicant shall:

(i) make all reasonable efforts to apply to any other appropriate source of public energy assistance; and

(ii) sign a waiver permitting the Department to receive income information from any public or private agency providing income or energy assistance and from any employer, whether public or private.

(e) Any qualified applicant pursuant to this Section may receive or have paid on such applicant's behalf an emergency assistance payment to enable such applicant to obtain access to winter energy services. Any such payments shall be made in accordance with regulations of the Department.

(f) The Department may, if sufficient funds are available, provide additional benefits to certain qualified applicants:

(i) for the reduction of past due amounts owed to energy providers; and

(ii) to assist the household in responding to excessively high summer temperatures or energy costs. Households containing elderly members, children, a person with a disability, or a person with a medical need for conditioned air shall receive priority for receipt of such benefits.

(305 ILCS 20/13)

(Section scheduled to be repealed on December 31, 2013)

Sec. 13. Supplemental Low-Income Energy Assistance Fund.

(a) The Supplemental Low-Income Energy Assistance Fund is hereby created as a special fund in the State Treasury. The Supplemental Low-Income Energy Assistance Fund is authorized to receive moneys from voluntary donations from individuals, foundations, corporations, and other sources, moneys received pursuant to Section 17, and, by statutory deposit, the moneys collected pursuant to this Section. The Fund is also authorized to receive voluntary donations from individuals, foundations, corporations, and other sources, as well as contributions made in accordance with Section 507MM of the Illinois Income Tax Act. Subject to appropriation, the Department shall use moneys from the Supplemental Low-Income Energy Assistance Fund for

payments to electric or gas public utilities, municipal electric or gas utilities, and electric cooperatives on behalf of their customers who are participants in the program authorized by Sections 4 and 18 of this Act, for the provision of weatherization services and for administration of the Supplemental Low-Income Energy Assistance Fund. The yearly expenditures for weatherization may not exceed 10% of the amount collected during the year pursuant to this Section. The yearly administrative expenses of the Supplemental Low-Income Energy Assistance Fund may not exceed 10% of the amount collected during that year pursuant to this Section.

(b) Notwithstanding the provisions of Section 16-111 of the Public Utilities Act but subject to subsection (k) of this Section, each public utility, electric cooperative, as defined in Section 3.4 of the Electric Supplier Act, and municipal utility, as referenced in Section 3-105 of the Public Utilities Act, that is engaged in the delivery of electricity or the distribution of natural gas within the State of Illinois shall, effective January 1, 1998, assess each of its customer accounts a monthly Energy Assistance Charge for the Supplemental Low-Income Energy Assistance Fund. The delivering public utility, municipal electric or gas utility, or electric or gas cooperative for a self-assessing purchaser remains subject to the collection of the fee imposed by this Section. The monthly charge shall be as follows:

- (1) \$0.48 per month on each account for residential

electric service;

(2) \$0.48 per month on each account for residential gas service;

(3) \$4.80 per month on each account for non-residential electric service which had less than 10 megawatts of peak demand during the previous calendar year;

(4) \$4.80 per month on each account for non-residential gas service which had distributed to it less than 4,000,000 therms of gas during the previous calendar year;

(5) \$360 per month on each account for non-residential electric service which had 10 megawatts or greater of peak demand during the previous calendar year; and

(6) \$360 per month on each account for non-residential gas service which had 4,000,000 or more therms of gas distributed to it during the previous calendar year.

The incremental change to such charges imposed by this amendatory Act of the 96th General Assembly shall not (i) be used for any purpose other than to directly assist customers and (ii) be applicable to utilities serving less than 100,000 customers in Illinois on January 1, 2009.

In addition, electric and gas utilities have committed, and shall contribute, a one-time payment of \$22 million to the Fund, within 10 days after the effective date of the tariffs established pursuant to Sections 16-111.8 and 19-145 of the Public Utilities Act to be used for the Department's cost of implementing the programs described in Section 18 of this

amendatory Act of the 96th General Assembly, the Arrearage Reduction Program described in Section 18, and the programs described in Section 8-105 of the Public Utilities Act. If a utility elects not to file a rider within 90 days after the effective date of this amendatory Act of the 96th General Assembly, then the contribution from such utility shall be made no later than February 1, 2010.

(c) For purposes of this Section:

(1) "residential electric service" means electric utility service for household purposes delivered to a dwelling of 2 or fewer units which is billed under a residential rate, or electric utility service for household purposes delivered to a dwelling unit or units which is billed under a residential rate and is registered by a separate meter for each dwelling unit;

If a customer makes a partial payment, a

public utility, municipal utility, or electric cooperative may elect either: (i) to apply such partial payments first to amounts owed to the utility or cooperative for its services and then to payment for the Energy Assistance Charge or (ii) to apply such partial payments on a pro-rata basis between amounts owed to the utility or cooperative for its services and to payment for the Energy Assistance Charge.

If a municipal electric or gas utility or an electric cooperative makes an affirmative decision to impose the charge provided by this Section, the municipal electric or gas utility or electric cooperative shall inform the Department of Revenue in writing of such decision when it begins to impose the charge. If a municipal electric or gas utility or electric or gas cooperative does not assess this charge, the Department may not use funds from the Supplemental Low-Income Energy Assistance Fund to provide benefits to its customers under the program authorized by Section 4 of this Act.

In its use of federal funds under this Act, the Department may not cause a disproportionate share of those federal funds to benefit customers of systems which do not assess the charge provided by this Section.

This Section is repealed effective December 31, 2013 unless renewed by action of the General Assembly. The General Assembly shall consider the results of the evaluations described in Section 8 in its deliberations.

Subject to the availability of funding, the restructuring shall include, but not be limited to, the following:

(1) Planning. The Department on Aging and the Departments of Public Health and Healthcare and Family Services shall develop a plan to restructure the State's service delivery system for older adults pursuant to this Act no later than September 30, 2010. The plan shall include a schedule for the implementation of the initiatives outlined in this Act and all other initiatives identified by the participating agencies to fulfill the purposes of this Act and shall protect the rights of all older Illinoisans to services based on their health circumstances and functioning level, regardless of whether they receive their care in their homes, in a community setting, or in a residential facility. nursing home residents. The plan shall also identify potential impediments to delivery system restructuring and include any known regulatory or statutory barriers.

(2) Comprehensive case management. The Department shall implement a statewide system of holistic comprehensive case management. The system shall include the identification and implementation of a universal, comprehensive assessment tool to be used statewide to determine the level of functional, cognitive, socialization, and financial needs of older adults. This tool shall be supported by an electronic intake, assessment, and care planning system linked to a central location. "Comprehensive case management" includes services and coordination such as (i) comprehensive assessment of the older adult (including the physical, functional, cognitive, psycho-social, and social needs of the individual); (ii) development and implementation of a service plan with the older adult to mobilize the formal and family resources and services identified in the assessment to meet the needs of the older adult, including coordination of the resources and services with any other plans that exist for various formal services, such as hospital discharge plans, and with the information and assistance services; (iii) coordination and monitoring of formal and family service delivery, including coordination and monitoring to ensure that services specified in the plan are being provided; (iv) periodic reassessment and revision of the status of the older adult with the older adult or, if

necessary, the older adult's designated representative; and (v) in accordance with the wishes of the older adult, advocacy on behalf of the older adult for needed services or resources.

(3) Coordinated point of entry. The Department shall implement and publicize a statewide coordinated point of entry using a uniform name, identity, logo, and toll-free number.

(4) Public web site. The Department shall develop a public web site that provides links to available services, resources, and reference materials concerning caregiving, diseases, and best practices for use by professionals, older adults, and family caregivers.

(5) Expansion of older adult services. The Department shall expand older adult services that promote independence and permit older adults to remain in their own homes and communities.

(6) Consumer-directed home and community-based services. The Department shall expand the range of service options available to permit older adults to exercise maximum choice and control over their care.

(7) Comprehensive delivery system. The Department shall expand opportunities for older adults to receive services in systems that integrate acute and chronic care.

(8) Enhanced transition and follow-up services. The Department shall implement a program of transition from one residential setting to another and follow-up services, regardless of residential setting, pursuant to rules with

respect to (i) resident eligibility, (ii) assessment of the resident's health, cognitive, social, and financial needs, (iii) development of transition plans, and (iv) the level of services that must be available before transitioning a resident from one setting to another.

(9) Family caregiver support. The Department shall develop strategies for public and private financing of services that supplement and support family caregivers.

(10) Quality standards and quality improvement. The Department shall establish a core set of uniform quality standards for all providers that focus on outcomes and take into consideration consumer choice and satisfaction, and the Department shall require each provider to implement a continuous quality improvement process to address consumer issues. The continuous quality improvement process must benchmark performance, be person-centered and data-driven, and focus on consumer satisfaction.

(11) Workforce. The Department shall develop strategies to attract and retain a qualified and stable worker pool, provide living wages and benefits, and create a work environment that is conducive to long-term employment and career development. Resources such as grants, education, and promotion of career opportunities may be used.

(12) Coordination of services. The Department shall identify methods to better coordinate service networks to maximize resources and minimize duplication of services and

ease of application.

(13) Barriers to services. The Department shall identify barriers to the provision, availability, and accessibility of services and shall implement a plan to address those barriers. The plan shall: (i) identify barriers, including but not limited to, statutory and regulatory complexity, reimbursement issues, payment issues, and labor force issues; (ii) recommend changes to State or federal laws or administrative rules or regulations; (iii) recommend application for federal waivers to improve efficiency and reduce cost and paperwork; (iv) develop innovative service delivery models; and (v) recommend application for federal or private service grants.

(14) Reimbursement and funding. The Department shall investigate and evaluate costs and payments by defining costs to implement a uniform, audited provider cost reporting system to be considered by all Departments in establishing payments. To the extent possible, multiple cost reporting mandates shall not be imposed.

(15) Medicaid nursing home cost containment and Medicare utilization. The Department of Healthcare and Family Services (formerly Department of Public Aid), in collaboration with the Department on Aging and the Department of Public Health and in consultation with the Advisory Committee, shall propose a plan to contain Medicaid nursing home costs and maximize Medicare utilization. The plan must not impair the ability of an older adult to choose among available services. The plan shall

include, but not be limited to, (i) techniques to maximize the use of the most cost-effective services without sacrificing quality and (ii) methods to identify and serve older adults in need of minimal services to remain independent, but who are likely to develop a need for more extensive services in the absence of those minimal services.

(16) Bed reduction. The Department of Public Health shall implement a nursing home conversion program to reduce the number of Medicaid-certified nursing home beds in areas with excess beds. The Department of Healthcare and Family Services shall investigate changes to the Medicaid nursing facility reimbursement system in order to reduce beds. Such changes may include, but are not limited to, incentive payments that will enable facilities to adjust to the restructuring and expansion of services required by the Older Adult Services Act, including adjustments for the voluntary closure or layaway of nursing home beds certified under Title XIX of the federal Social Security Act. Any savings shall be reallocated to fund home-based or community-based older adult services pursuant to Section 20.

(17) Financing. The Department shall investigate and evaluate financing options for older adult services and shall make recommendations in the report required by Section 15 concerning the feasibility of these financing arrangements. These arrangements shall include, but are not limited to:

(A) private long-term care insurance coverage for

older adult services;

(B) enhancement of federal long-term care financing initiatives;

(C) employer benefit programs such as medical savings accounts for long-term care;

(D) individual and family cost-sharing options;

(E) strategies to reduce reliance on government programs;

(F) fraudulent asset divestiture and financial planning prevention; and

(G) methods to supplement and support family and community caregiving.

(18) Older Adult Services Demonstration Grants. The Department shall implement a program of demonstration grants that will assist in the restructuring of the older adult services delivery system, and shall provide funding for innovative service delivery models and system change and integration initiatives pursuant to subsection (g) of Section 20.

(19) Bed need methodology update. For the purposes of determining areas with excess beds, the Departments shall provide information and assistance to the Health Facilities and Services Review Board to update the Bed Need Methodology for Long-Term Care to update the assumptions used to establish the methodology to make them consistent with modern older adult services.

(20) Affordable housing. The Departments shall utilize the recommendations of Illinois' Annual Comprehensive Housing Plan, as developed by the Affordable Housing Task Force through the Governor's Executive Order 2003-18, in their efforts to address the affordable housing needs of older adults.

The Older Adult Services Advisory Committee shall investigate innovative and promising practices operating as demonstration or pilot projects in Illinois and in other states. The Department on Aging shall provide the Older Adult Services Advisory Committee with a list of all demonstration or pilot projects funded by the Department on Aging, including those specified by rule, law, policy memorandum, or funding arrangement. The Committee shall work with the Department on Aging to evaluate the viability of expanding these programs into other areas of the State.

Sec. 30. Nursing home conversion program.

(a) The Department of Public Health, in collaboration with the Department on Aging and the Department of Healthcare and Family Services, shall establish a nursing home conversion program. Start-up grants, pursuant to subsections (l) and (m) of this Section, shall be made available to nursing homes as appropriations permit as an incentive to reduce certified beds,

retrofit, and retool operations to meet new service delivery expectations and demands.

(b) Grant moneys shall be made available for capital and other costs related to: (1) the conversion of all or a part of a nursing home to an assisted living establishment or a special program or unit for persons with Alzheimer's disease or related disorders licensed under the Assisted Living and Shared Housing Act or a supportive living facility established under Section 5-5.01a of the Illinois Public Aid Code; (2) the conversion of multi-resident bedrooms in the facility into single-occupancy rooms; and (3) the development of any of the services identified in a priority service plan that can be provided by a nursing home within the confines of a nursing home or transportation services. Grantees shall be required to provide a minimum of a 20% match toward the total cost of the project.

(c) Nothing in this Act shall prohibit the co-location of services or the development of multifunctional centers under subsection (f) of Section 20, including a nursing home offering community-based services or a community provider establishing a residential facility.

(d) A certified nursing home with at least 50% of its resident population having their care paid for by the Medicaid program is eligible to apply for a grant under this Section.

(e) Any nursing home receiving a grant under this Section shall reduce the number of certified nursing home beds by a number equal to or greater than the number of beds being

converted for one or more of the permitted uses under item (1) or (2) of subsection (b). The nursing home shall retain the Certificate of Need for its nursing and sheltered care beds that were converted for 15 years. If the beds are reinstated by the provider or its successor in interest, the provider shall pay to the fund from which the grant was awarded, on an amortized basis, the amount of the grant. The Department shall establish, by rule, the bed reduction methodology for nursing homes that receive a grant pursuant to item (3) of subsection (b).

(f) Any nursing home receiving a grant under this Section shall agree that, for a minimum of 10 years after the date that the grant is awarded, a minimum of 50% of the nursing home's resident population shall have their care paid for by the Medicaid program. If the nursing home provider or its successor in interest ceases to comply with the requirement set forth in this subsection, the provider shall pay to the fund from which the grant was awarded, on an amortized basis, the amount of the grant.

(g) Before awarding grants, the Department of Public Health shall seek recommendations from the Department on Aging and the Department of Healthcare and Family Services. The Department of Public Health shall attempt to balance the distribution of grants among geographic regions, and among small and large nursing homes. The Department of Public Health shall develop, by rule, the criteria for the award of grants based upon the

following factors:

(1) the unique needs of older adults (including those with moderate and low incomes), caregivers, and providers in the geographic area of the State the grantee seeks to serve;

(2) whether the grantee proposes to provide services in a priority service area;

(3) the extent to which the conversion or transition will result in the reduction of certified nursing home beds in an area with excess beds;

(4) the compliance history of the nursing home; and

(5) any other relevant factors identified by the Department, including standards of need.

(h) A conversion funded in whole or in part by a grant under this Section must not:

(1) diminish or reduce the quality of services available to nursing home residents;

(2) force any nursing home resident to involuntarily accept home-based or community-based services instead of nursing home services;

(3) diminish or reduce the supply and distribution of nursing home services in any community below the level of need, as defined by the Department by rule; or

(4) cause undue hardship on any person who requires nursing home care.

(i) The Department shall prescribe, by rule, the grant

application process. At a minimum, every application must include:

- (1) the type of grant sought;
- (2) a description of the project;
- (3) the objective of the project;
- (4) the likelihood of the project meeting identified needs;
- (5) the plan for financing, administration, and evaluation of the project;
- (6) the timetable for implementation;
- (7) the roles and capabilities of responsible individuals and organizations;
- (8) documentation of collaboration with other service providers, local community government leaders, and other stakeholders, other providers, and any other stakeholders in the community;
- (9) documentation of community support for the project, including support by other service providers, local community government leaders, and other stakeholders;
- (10) the total budget for the project;
- (11) the financial condition of the applicant; and
- (12) any other application requirements that may be established by the Department by rule.

(j) A conversion project funded in whole or in part by a grant under this Section is exempt from the requirements of the

Illinois Health Facilities Planning Act. The Department of Public Health, however, shall send to the Health Facilities and Services Review Board a copy of each grant award made under this Section.

(k) Applications for grants are public information, except that nursing home financial condition and any proprietary data shall be classified as nonpublic data.

(l) The Department of Public Health may award grants from the Long Term Care Civil Money Penalties Fund established under Section 1919(h) (2) (A) (ii) of the Social Security Act and 42 CFR 488.422(g) if the award meets federal requirements.

(m) The Nursing Home Conversion Fund is created as a special fund in the State treasury. Moneys appropriated by the General Assembly or transferred from other sources for the purposes of this Section shall be deposited into the Fund. All interest earned on moneys in the fund shall be credited to the fund. Moneys contained in the fund shall be used to support the purposes of this Section.

Sec. 4.6. Closure and sale of State mental health or developmental disabilities facility.

(a) Whenever a State mental health facility operated by the Department of Human Services is closed and the real estate on which the facility is located is sold by the State, then, to the extent that net proceeds are realized from the sale of that real estate, those net proceeds must be directed toward providing other services and supports for persons with mental health needs. (c) In determining whether any net proceeds are realized from a sale of real estate described in subsection (a) or (b), the Division of Developmental Disabilities and the Division of Mental Health of the Department of Human Services shall each determine the money, if any, that shall be made available to ensure that life, safety, and care concerns, including infrastructure, are addressed so as to provide for persons with developmental disabilities or mental illness at the remaining respective State-operated facilities that will be expected to serve the individuals previously served at the closed facility.

Section 540. The Vital Records Act is amended by changing Sections 12 and 18 as follows:

(410 ILCS 535/12)

Sec. 12. Live births; place of registration.

(1) Each live birth which occurs in this State shall be registered with the local or subregistrar of the district in which the birth occurred as provided in this Section, within 7 days after the birth. When a birth occurs on a moving conveyance, the city, village, township, or road district in which the child is first removed from the conveyance shall be considered the place of birth and a birth certificate shall be filed in the registration district in which the place is located.

(2) When a birth occurs in an institution, the person in charge of the institution or his designated representative shall obtain and record all the personal and statistical particulars relative to the parents of the child that are required to properly complete the live birth certificate; shall secure the required personal signatures on the hospital worksheet; shall prepare the certificate from this worksheet; and shall file the certificate with the local registrar. The institution shall retain the hospital worksheet permanently or as otherwise specified by rule. The physician in attendance shall verify or provide the date of birth and medical information required by the certificate, within 24 hours after the birth occurs.

(3) When a birth occurs outside an institution, the certificate shall be prepared and filed by one of the following in the indicated order of priority:

(a) The physician in attendance at or immediately after

the birth, or in the absence of such a person,

(b) Any other person in attendance at or immediately after the birth, or in the absence of such a person,

(c) The father, the mother, or in the absence of the father and the inability of the mother, the person in charge of the premises where the birth occurred.

(4) Unless otherwise provided in this Act, if the mother was not married to the father of the child at either the time of conception or the time of birth, the name of the father shall be entered on the child's birth certificate only if the mother and the person to be named as the father have signed an acknowledgment of parentage in accordance with subsection (5).

Unless otherwise provided in this Act, if the mother was married at the time of conception or birth and the presumed father (that is, the mother's husband) is not the biological father of the child, the name of the biological father shall be entered on the child's birth certificate only if, in accordance with subsection (5), (i) the mother and the person to be named as the father have signed an acknowledgment of parentage and (ii) the mother and presumed father have signed a denial of paternity.

(5) Upon the birth of a child to an unmarried woman, or upon the birth of a child to a woman who was married at the time of conception or birth and whose husband is not the biological father of the child, the institution at the time of birth and the local registrar or county clerk after the birth shall do

the following:

(a) Provide (i) an opportunity for the child's mother and father to sign an acknowledgment of parentage and (ii) if the presumed father is not the biological father, an opportunity for the mother and presumed father to sign a denial of paternity. The signing and witnessing of the acknowledgment of parentage or, if the presumed father of the child is not the biological father, the acknowledgment of parentage and denial of paternity conclusively establishes a parent and child relationship in accordance with Sections 5 and 6 of the Illinois Parentage Act of 1984.

The Department of Healthcare and Family Services shall furnish the acknowledgment of parentage and denial of paternity form to institutions, county clerks, and State and local registrars' offices. The form shall include instructions to send the original signed and witnessed acknowledgment of parentage and denial of paternity to the Department of Healthcare and Family Services. The acknowledgement of paternity and denial of paternity form shall also include a statement informing the mother, the alleged father, and the presumed father, if any, that they have the right to request deoxyribonucleic acid (DNA) tests regarding the issue of the child's paternity and that by signing the form, they expressly waive such tests. The statement shall be set forth in bold-face ~~boldface~~ capital

letters not less than 0.25 inches in height.

(b) Provide the following documents, furnished by the Department of Healthcare and Family Services, to the child's mother, biological father, and (if the person presumed to be the child's father is not the biological father) presumed father for their review at the time the opportunity is provided to establish a parent and child relationship:

(i) An explanation of the implications of, alternatives to, legal consequences of, and the rights and responsibilities that arise from signing an acknowledgment of parentage and, if necessary, a denial of paternity, including an explanation of the parental rights and responsibilities of child support, visitation, custody, retroactive support, health insurance coverage, and payment of birth expenses.

(ii) An explanation of the benefits of having a child's parentage established and the availability of parentage establishment and child support enforcement services.

(iii) A request for an application for child support enforcement services from the Department of Healthcare and Family Services.

(iv) Instructions concerning the opportunity to speak, either by telephone or in person, with staff of the Department of Healthcare and Family Services who

are trained to clarify information and answer questions about paternity establishment.

(v) Instructions for completing and signing the acknowledgment of parentage and denial of paternity.

(c) Provide an oral explanation of the documents and instructions set forth in subdivision (5) (b), including an explanation of the implications of, alternatives to, legal consequences of, and the rights and responsibilities that arise from signing an acknowledgment of parentage and, if necessary, a denial of paternity. The oral explanation may be given in person or through the use of video or audio equipment.

(6) The institution, State or local registrar, or county clerk shall provide an opportunity for the child's father or mother to sign a rescission of parentage. The signing and witnessing of the rescission of parentage voids the acknowledgment of parentage and nullifies the presumption of paternity if executed and filed with the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) within the time frame contained in Section 5 of the Illinois Parentage Act of 1984. The Department of Healthcare and Family Services shall furnish the rescission of parentage form to institutions, county clerks, and State and local registrars' offices. The form shall include instructions to send the original signed and witnessed rescission of parentage to the Department of Healthcare and Family Services.

(7) An acknowledgment of paternity signed pursuant to Section 6 of the Illinois Parentage Act of 1984 may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenging party. Pending outcome of a challenge to the acknowledgment of paternity, the legal responsibilities of the signatories shall remain in full force and effect, except upon order of the court upon a showing of good cause.

(8) When the process for acknowledgment of parentage as provided for under subsection (5) establishes the paternity of a child whose certificate of birth is on file in another state, the Department of Healthcare and Family Services shall forward a copy of the acknowledgment of parentage, the denial of paternity, if applicable, and the rescission of parentage, if applicable, to the birth record agency of the state where the child's certificate of birth is on file.

(9) In the event the parent-child relationship has been established in accordance with subdivision (a)(1) of Section 6 of the Parentage Act of 1984, the names of the biological mother and biological father so established shall be entered on the child's birth certificate, and the names of the surrogate mother and surrogate mother's husband, if any, shall not be on the birth certificate.

(a) For the purposes of this Section, if the place of death is unknown, a death certificate shall be filed in the registration district in which a dead body is found, which shall be considered the place of death.

(b) When a death occurs on a moving conveyance, the place where the body is first removed from the conveyance shall be considered the place of death and a death certificate shall be filed in the registration district in which such place is located.

(c) The funeral director who first assumes custody of a dead body shall be responsible for filing a completed death certificate. He shall obtain the personal data from the next of kin or the best qualified person or source available; he shall enter on the certificate the name, relationship, and address of his informant; he shall enter the date, place, and method of final disposition; he shall affix his own signature and enter his address; and shall

In the absence of the physician or with his approval, the medical certificate may be completed and signed by his associate physician, the chief medical officer of the institution in which death occurred or by the physician who performed an autopsy upon the decedent.

(3) When a death occurs without medical attendance, or when it is otherwise subject to the coroner's or medical examiner's investigation, the coroner or medical examiner shall be responsible for the completion of a coroner's or medical examiner's certificate of death and shall sign the medical certification within 48 hours after death, except as provided by regulation in special problem cases. If the decedent was under the age of 18 years at the time of his or her death, and the death was due to injuries suffered as a result of a motor vehicle backing over a child, or if the death occurred due to the power window of a motor vehicle, the coroner or medical examiner must send a copy of the medical certification, with information documenting that the death was due to a vehicle backing over the child or that the death was caused by a power window of a vehicle, to the Department of Children and Family

Services. The Department of Children and Family Services shall (i) collect this information for use by Child Death Review Teams and (ii) compile and maintain this information as part of its Annual Child Death Review Team Report to the General Assembly.

(3.5) The medical certification of cause of death shall expressly provide an opportunity for the person completing the certification to indicate that the death was caused in whole or in part by a dementia-related disease, Parkinson's Disease, or Parkinson-Dementia Complex.

(4) When the deceased was a veteran of any war of the United States, the funeral director shall prepare a "Certificate of Burial of U. S. War Veteran", as prescribed and furnished by the Illinois Department of Veterans' ~~Veterans~~ Affairs, and submit such certificate to the Illinois Department of Veterans' ~~Veterans~~ Affairs monthly.

(5) When a death is presumed to have occurred in this State but the body cannot be located, a death certificate may be prepared by the State Registrar upon receipt of an order of a court of competent jurisdiction which includes the finding of facts required to complete the death certificate. Such death certificate shall be marked "Presumptive" and shall show on its face the date of the registration and shall identify the court and the date of the judgment.

(e) The State's Attorney of the county in which the violation occurred, or the Attorney General, may, at the request of the Agency or on his own motion, institute a civil action for an injunction, prohibitory or mandatory, to restrain violations of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order, or to require such other actions as may be necessary to address violations of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order.

(f) The State's Attorney of the county in which the violation occurred, or the Attorney General, shall bring such actions in the name of the people of the State of Illinois. Without limiting any other authority which may exist for the awarding of attorney's fees and costs, the Board or a court of competent jurisdiction may award costs and reasonable attorney's fees, including the reasonable costs of expert witnesses and consultants, to the State's Attorney or the Attorney General in a case where he has prevailed against a person who has committed a wilful, knowing or repeated

violation of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order.

Any funds collected under this subsection (f) in which the Attorney General has prevailed shall be deposited in the Hazardous Waste Fund created in Section 22.2 of this Act. Any funds collected under this subsection (f) in which a State's Attorney has prevailed shall be retained by the county in which he serves.

(g) All final orders imposing civil penalties pursuant to this Section shall prescribe the time for payment of such penalties. If any such penalty is not paid within the time prescribed, interest on such penalty at the rate set forth in subsection (a) of Section 1003 of the Illinois Income Tax Act, shall be paid for the period from the date payment is due until the date payment is received. However, if the time for payment is stayed during the pendency of an appeal, interest shall not accrue during such stay.

(h) In determining the appropriate civil penalty to be imposed under subdivisions (a), (b)(1), (b)(2), (b)(3), or (b)(5) of this Section, the Board is authorized to consider any matters of record in mitigation or aggravation of penalty, including but not limited to the following factors:

- (1) the duration and gravity of the violation;
- (2) the presence or absence of due diligence on the part of the respondent in attempting to comply with

requirements of this Act and regulations thereunder or to secure relief therefrom as provided by this Act;

(3) any economic benefits accrued by the respondent because of delay in compliance with requirements, in which case the economic benefits shall be determined by the lowest cost alternative for achieving compliance;

(4) the amount of monetary penalty which will serve to deter further violations by the respondent and to otherwise aid in enhancing voluntary compliance with this Act by the respondent and other persons similarly subject to the Act;

(5) the number, proximity in time, and gravity of previously adjudicated violations of this Act by the respondent;

(6) whether the respondent voluntarily self-disclosed, in accordance with subsection (i) of this Section, the non-compliance to the Agency; and

(7) whether the respondent has agreed to undertake a "supplemental environmental project," which means an environmentally beneficial project that a respondent agrees to undertake in settlement of an enforcement action brought under this Act, but which the respondent is not otherwise legally required to perform.

In determining the appropriate civil penalty to be imposed under subsection (a) or paragraph (1), (2), (3), or (5) of subsection (b) of this Section, the Board shall ensure, in all cases, that the penalty is at least as great as the economic

benefits, if any, accrued by the respondent as a result of the violation, unless the Board finds that imposition of such penalty would result in an arbitrary or unreasonable financial hardship. However, such civil penalty may be off-set in whole or in part pursuant to a supplemental environmental project agreed to by the complainant and the respondent.

(i) A person who voluntarily self-discloses non-compliance to the Agency, of which the Agency had been unaware, is entitled to a 100% reduction in the portion of the penalty that is not based on the economic benefit of non-compliance if the person can establish the following:

(1) that the non-compliance was discovered through an environmental audit or a compliance management system documented by the regulated entity as reflecting the regulated entity's due diligence in preventing, detecting, and correcting violations;

(2) that the non-compliance was disclosed in writing within 30 days of the date on which the person discovered it;

(3) that the non-compliance was discovered and disclosed prior to:

(i) the commencement of an Agency inspection, investigation, or request for information;

(ii) notice of a citizen suit;

(iii) the filing of a complaint by a citizen, the Illinois Attorney General, or the State's Attorney of

the county in which the violation occurred;

(iv) the reporting of the non-compliance by an employee of the person without that person's knowledge; or

(v) imminent discovery of the non-compliance by the Agency;

(4) that the non-compliance is being corrected and any environmental harm is being remediated in a timely fashion;

(5) that the person agrees to prevent a recurrence of the non-compliance;

(6) that no related non-compliance events have occurred in the past 3 years at the same facility or in the past 5 years as part of a pattern at multiple facilities owned or operated by the person;

(7) that the non-compliance did not result in serious actual harm or present an imminent and substantial endangerment to human health or the environment or violate the specific terms of any judicial or administrative order or consent agreement;

(8) that the person cooperates as reasonably requested by the Agency after the disclosure; and

(9) that the non-compliance was identified voluntarily and not through a monitoring, sampling, or auditing procedure that is required by statute, rule, permit, judicial or administrative order, or consent agreement.

If a person can establish all of the elements under this

subsection except the element set forth in paragraph (1) of this subsection, the person is entitled to a 75% reduction in the portion of the penalty that is not based upon the economic benefit of non-compliance.

(j) In addition to an other remedy or penalty that may apply, whether civil or criminal, any person who violates Section 22.52 of this Act shall be liable for an additional civil penalty of up to 3 times the gross amount of any pecuniary gain resulting from the violation.

(625 ILCS 5/11-208.3) (from Ch. 95 1/2, par. 11-208.3)

Sec. 11-208.3. Administrative adjudication of violations of traffic regulations concerning the standing, parking, or condition of vehicles and automated traffic law violations.

(a) Any municipality may provide by ordinance for a system of administrative adjudication of vehicular standing and

parking violations and vehicle compliance violations as defined in this subsection and automated traffic law violations as defined in Section 11-208.6 or 11-1201.1. The administrative system shall have as its purpose the fair and efficient enforcement of municipal regulations through the administrative adjudication of automated traffic law violations and violations of municipal ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal wheel tax licenses within the municipality's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of \$500 or requiring the completion of a traffic education program, or both, that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal regulation governing the condition or use of equipment on a vehicle or governing the display of a municipal wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute and process parking, compliance, and automated traffic law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance

ordinances and automated traffic law violations, and operate an administrative adjudication system. The traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5.

(2) A parking, standing, compliance, or automated traffic law violation notice that shall specify the date, time, and place of violation of a parking, standing, compliance, or automated traffic law regulation; the particular regulation violated; any requirement to complete a traffic education program; the fine and any penalty that may be assessed for late payment or failure to complete a required traffic education program, or both, when so provided by ordinance; the vehicle make and state registration number; and the identification number of the person issuing the notice. With regard to automated traffic law violations, vehicle make shall be specified on the automated traffic law violation notice if the make is available and readily discernible. With regard to municipalities with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the completion of any required traffic education program, the payment of any indicated fine, and the payment of any applicable penalty for late payment or failure to complete a required traffic education program, or both, shall

operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of the parking, standing, or compliance violation notice by affixing the original or a facsimile of the notice to an unlawfully parked vehicle or by handing the notice to the operator of a vehicle if he or she is present and service of an automated traffic law violation notice by mail to the address of the registered owner of the cited vehicle as recorded with the Secretary of State within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician

employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6 or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, or automated traffic law violation notice issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, or automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of

evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The

notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make and state registration number, any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any incomplete traffic

education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality.

(ii) A notice of final determination of parking, standing, compliance, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine or penalty due and owing the municipality, or both, within the time specified may result in the municipality's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by this Section, or may result in suspension of the person's drivers license for failure to complete a traffic education program or to pay fines or penalties, or both, for 10 or more parking violations under Section 6-306.5 or 5 or more automated traffic law violations under Section 11-208.6.

(6) A notice of impending drivers license suspension. This notice shall be sent to the person liable for failure to complete a required traffic education program or to pay any fine or penalty that remains due and owing, or both, on 10 or more parking violations or 5 or more unpaid automated traffic law violations. The notice shall state that failure to complete a required traffic education program or to pay the fine or penalty owing, or both, within 45 days of the notice's date will result in the municipality notifying the Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self addressed, stamped envelope to the municipality along with a request for the photostatic copy. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to complete the required traffic education program or to pay the fine or penalty, or both, after a hearing officer's determination of violation

liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. A petition to set aside a determination of liability may also be filed by a person required to complete a traffic education program. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities with a population of 1 million or more, it shall be grounds for dismissal of a

parking violation if the state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines or failure to complete required traffic education programs, provided, however, that the total amount of the fine and penalty for any one violation shall not exceed \$250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(c) Any municipality establishing vehicular standing, parking, compliance, or automated traffic law regulations under this Section may also provide by ordinance for a program

of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible for immobilization. A vehicle shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability, or both, as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability, or both, listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, or automated traffic law violations, or both, for which final determinations have been issued.

An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.

(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education program, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality and, as such, may be collected in accordance with applicable law. Completion of any required traffic education program and payment in full of any fine or penalty resulting from a standing, parking, compliance, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, or automated traffic law

violation, the municipality may commence a proceeding in the Circuit Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a municipality from consolidating multiple final determinations of parking, standing, compliance, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality shall file a certified copy or record of the final determination of parking, standing, compliance, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, or automated traffic law violations does not exceed \$2500. If the court is satisfied that the final determination of parking, standing, compliance, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality and against

the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(g) The fee for participating in a traffic education program under this Section shall not exceed \$25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

Sec. 11-1301.2. Special decals for parking; persons ~~a person~~ with disabilities ~~parking~~.

(a) The Secretary of State shall provide for, by administrative rules, the design, size, color, and placement of a person with disabilities motorist decal or device and shall provide for, by administrative rules, the content and form of an application for a person with disabilities motorist decal or device, which shall be used by local authorities in the issuance thereof to a person with temporary disabilities, provided that the decal or device is valid for no more than 90 days, subject to renewal for like periods based upon continued disability, and further provided that the decal or device clearly sets forth the date that the decal or device expires. The application shall include the requirement of an Illinois

Identification Card number or a State of Illinois driver's license number. This decal or device may be used by the authorized holder to designate and identify a vehicle not owned or displaying a registration plate as provided in Sections 3-609 and 3-616 of this Act to designate when the vehicle is being used to transport said person or persons with disabilities, and thus is entitled to enjoy all the privileges that would be afforded a person with disabilities licensed vehicle. Person with disabilities decals or devices issued and displayed pursuant to this Section shall be recognized and honored by all local authorities regardless of which local authority issued such decal or device.

The decal or device shall be issued only upon a showing by adequate documentation that the person for whose benefit the decal or device is to be used has a temporary disability as defined in Section 1-159.1 of this Code.

(b) The local governing authorities shall be responsible for the provision of such decal or device, its issuance and designated placement within the vehicle. The cost of such decal or device shall be at the discretion of such local governing authority.

(c) The Secretary of State may, pursuant to Section 3-616(c), issue a person with disabilities parking decal or device to a person with disabilities as defined by Section 1-159.1. Any person with disabilities parking decal or device issued by the Secretary of State shall be registered to that

person with disabilities in the form to be prescribed by the Secretary of State. The person with disabilities parking decal or device shall not display that person's address. One additional decal or device may be issued to an applicant upon his or her written request and with the approval of the Secretary of State. The written request must include a justification of the need for the additional decal or device.

(d) Replacement decals or devices may be issued for lost, stolen, or destroyed decals upon application and payment of a \$10 fee. The replacement fee may be waived for individuals that have claimed and received a grant under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act.

(625 ILCS 5/11-1301.3) (from Ch. 95 1/2, par. 11-1301.3)

Sec. 11-1301.3. Unauthorized use of parking places reserved for persons with disabilities.

(a) It shall be prohibited to park any motor vehicle which is not properly displaying registration plates or decals issued to a person with disabilities, as defined by Section 1-159.1, pursuant to Sections 3-616, 11-1301.1 or 11-1301.2, or to a disabled veteran pursuant to Section 3-609 of this Act, as evidence that the vehicle is operated by or for a person with disabilities or disabled veteran, in any parking place,

including any private or public offstreet parking facility, specifically reserved, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. It shall be prohibited to park any motor vehicle in a designated access aisle adjacent to any parking place specifically reserved for persons with disabilities, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. When using the parking privileges for persons with disabilities, the parking decal or device must be displayed properly in the vehicle where it is clearly visible to law enforcement personnel, either hanging from the rearview mirror or placed on the dashboard of the vehicle in clear view. Disability license plates and parking decals and devices are not transferable from person to person. Proper usage of the disability license plate or parking decal or device requires the authorized holder to be present and enter or exit the vehicle at the time the parking privileges are being used. It is a violation of this Section to park in a space reserved for a person with disabilities if the authorized holder of the disability license plate or parking decal or device does not enter or exit the vehicle at the time the parking privileges are being used. Any motor vehicle properly displaying a disability license plate or a parking decal or device containing the International symbol of access issued to persons with disabilities by any local authority, state, district,

territory or foreign country shall be recognized by State and local authorities as a valid license plate or device and receive the same parking privileges as residents of this State.

(a-1) An individual with a vehicle displaying disability license plates or a parking decal or device issued to a qualified person with a disability under Sections 3-616, 11-1301.1, or 11-1301.2 or to a disabled veteran under Section 3-609 is in violation of this Section if (i) the person using the disability license plate or parking decal or device is not the authorized holder of the disability license plate or parking decal or device or is not transporting the authorized holder of the disability license plate or parking decal or device to or from the parking location and (ii) the person uses the disability license plate or parking decal or device to exercise any privileges granted through the disability license plate or parking decals or devices under this Code.

(b) Any person or local authority owning or operating any public or private offstreet parking facility may, after notifying the police or sheriff's department, remove or cause to be removed to the nearest garage or other place of safety any vehicle parked within a stall or space reserved for use by a person with disabilities which does not display person with disabilities registration plates or a special decal or device as required under this Section.

(c) Any person found guilty of violating the provisions of subsection (a) shall be fined \$250 in addition to any costs or

charges connected with the removal or storage of any motor vehicle authorized under this Section; but municipalities by ordinance may impose a fine up to \$350 and shall display signs indicating the fine imposed. If the amount of the fine is subsequently changed, the municipality shall change the sign to indicate the current amount of the fine. It shall not be a defense to a charge under this Section that either the sign posted pursuant to this Section or the intended accessible parking place does not comply with the technical requirements of Section 11-301, Department regulations, or local ordinance if a reasonable person would be made aware by the sign or notice on or near the parking place that the place is reserved for a person with disabilities.

(c-1) Any person found guilty of violating the provisions of subsection (a-1) a first time shall be fined \$500. Any person found guilty of violating subsection (a-1) a second time shall be fined \$750, and the Secretary of State may revoke the person's driving privileges or suspend those privileges for a period of time to be determined by the Secretary. Any person found guilty of violating subsection (a-1) a third or subsequent time shall be fined \$1,000. The circuit clerk shall distribute 50% of the fine imposed on any person who is found guilty of or pleads guilty to violating this Section, including any person placed on court supervision for violating this Section, to the law enforcement agency that issued the citation or made the arrest. If more than one law enforcement agency is

responsible for issuing the citation or making the arrest, the 50% of the fine imposed shall be shared equally. If an officer of the Secretary of State Department of Police arrested a person for a violation of this Section, 50% of the fine imposed shall be deposited into the Secretary of State Police Services Fund.

(d) Local authorities shall impose fines as established in subsections (c) and (c-1) for violations of this Section.

(e) As used in this Section, "authorized holder" means an individual issued a disability license plate under Section 3-616 of this Code, an individual issued a parking decal or device under Section 11-1301.2 of this Code, or an individual issued a disabled veteran's license plate under Section 3-609 of this Code.

(f) Any person who commits a violation of subsection (a-1) may have his or her driving privileges suspended or revoked by the Secretary of State for a period of time determined by the Secretary of State. The Secretary of State may also suspend or revoke the disability license plates or parking decal or device for a period of time determined by the Secretary of State.

(g) Any police officer may seize the parking decal or device from any person who commits a violation of this Section. Any police officer may seize the disability license plate upon authorization from the Secretary of State. Any police officer may request that the Secretary of State revoke the parking decal or device or the disability license plate of any person

who commits a violation of this Section.

(a) No person shall drive a motor vehicle with any sign, poster, window application, reflective material, nonreflective material or tinted film upon the front windshield, except that a nonreflective tinted film may be used along the uppermost portion of the windshield if such material does not extend more than 6 inches down from the top of the windshield.

(a-5) No window treatment or tinting shall be applied to the windows immediately adjacent to each side of the driver, except:

(1) on vehicles where none of the windows to the rear of the driver's seat are treated in a manner that allows less than 30% light transmittance, a nonreflective tinted film that allows at least 50% light transmittance, with a 5% variance observed by any law enforcement official metering the light transmittance, may be used on the side windows immediately adjacent to each side of the driver.

(2) on vehicles where none of the windows to the rear of the driver's seat are treated in a manner that allows

less than 35% light transmittance, a nonreflective tinted film that allows at least 35% light transmittance, with a 5% variance observed by any law enforcement official metering the light transmittance, may be used on the side windows immediately adjacent to each side of the driver.

(3) on multipurpose passenger vehicles, as defined by Section 1-148.3b of this Code, a nonreflective tinted film originally applied by the manufacturer, that allows at least 50% light transmittance, with a 5% variance observed by any law enforcement official metering the light transmittance, may be used on the side windows immediately adjacent to each side of the driver.

(a-10) ~~(a-5)~~ No person shall install or repair any material prohibited by subsection (a) of this Section.

(1) Nothing in this subsection shall prohibit a person from removing or altering any material prohibited by subsection (a) to make a motor vehicle comply with the requirements of this Section.

(2) Nothing in this subsection shall prohibit a person from installing window treatment for a person with a medical condition described in subsection (g) of this Section. An installer who installs window treatment for a person with a medical condition described in subsection (g) must obtain a copy of the certified statement or letter written by a physician described in subsection (g) from the person with the medical condition prior to installing the

window treatment. The copy of the certified statement or letter must be kept in the installer's permanent records.

(b) On motor vehicles where window treatment has not been applied to the windows immediately adjacent to each side of the driver, the use of a nonreflective, smoked or tinted glass, nonreflective film, perforated window screen or other decorative window application on windows to the rear of the driver's seat shall be allowed, except that any motor vehicle with a window to the rear of the driver's seat treated in this manner shall be equipped with a side mirror on each side of the motor vehicle which are in conformance with Section 12-502.

(c) No person shall drive a motor vehicle with any objects placed or suspended between the driver and the front windshield, rear window, side wings or side windows immediately adjacent to each side of the driver which materially obstructs the driver's view.

(d) Every motor vehicle, except motorcycles, shall be equipped with a device, controlled by the driver, for cleaning rain, snow, moisture or other obstructions from the windshield; and no person shall drive a motor vehicle with snow, ice, moisture or other material on any of the windows or mirrors, which materially obstructs the driver's clear view of the highway.

(e) No person shall drive a motor vehicle when the windshield, side or rear windows are in such defective condition or repair as to materially impair the driver's view

to the front, side or rear. A vehicle equipped with a side mirror on each side of the vehicle which are in conformance with Section 12-502 will be deemed to be in compliance in the event the rear window of the vehicle is materially obscured.

(f) Paragraphs (a), (a-5), and (b) of this Section shall not apply to:

(g) Paragraphs (a) and (a-5) of this Section shall not apply to window treatment, including but not limited to a window application, nonreflective material, or tinted film, applied or affixed to a motor vehicle for which distinctive license plates or license plate stickers have been issued pursuant to subsection (k) of Section 3-412 of this Code, and which:

(1) is owned and operated by a person afflicted with or suffering from a medical disease, including but not limited to systemic or discoid lupus erythematosus, disseminated superficial actinic porokeratosis, or albinism, which would require that person to be shielded from the direct rays of the sun; or

(2) is used in transporting a person when the person resides at the same address as the registered owner of the vehicle and the person is afflicted with or suffering from a medical disease which would require the person to be

shielded from the direct rays of the sun, including but not limited to systemic or discoid lupus erythematosus, disseminated superficial actinic porokeratosis, or albinism.

The owner must obtain a certified statement or letter written by a physician licensed to practice medicine in Illinois that such person owning and operating or being transported in a motor vehicle is afflicted with or suffers from such disease, including but not limited to systemic or discoid lupus erythematosus, disseminated superficial actinic porokeratosis, or albinism. However, no exemption from the requirements of subsection (a-5) shall be granted for any condition, such as light sensitivity, for which protection from the direct rays of the sun can be adequately obtained by the use of sunglasses or other eye protective devices.

Such certification must be carried in the motor vehicle at all times. The certification shall be legible and shall contain the date of issuance, the name, address and signature of the attending physician, and the name, address, and medical condition of the person requiring exemption. The information on the certificate for a window treatment must remain current and shall be renewed annually by the attending physician. The owner shall also submit a copy of the certification to the Secretary of State. The Secretary of State may forward notice of certification to

A second or subsequent violation of paragraphs (a), (a-5), (a-10), (b), or (g-7) of this Section shall be treated as a Class C misdemeanor and the violator fined no less than \$100 nor more than \$500. Any person convicted under paragraphs (a), (a-5), or (b) of this Section shall be ordered to alter any nonconforming windows into compliance with this Section.

(k) Nothing in this Section shall create a cause of action on behalf of a buyer against a vehicle dealer or manufacturer who sells a motor vehicle with a window which is in violation

of this Section.

Sec. 15-102. Width of Vehicles.

(a) On Class III and non-designated State and local highways, the total outside width of any vehicle or load thereon shall not exceed 8 feet 6 inches.

(b) Except during those times when, due to insufficient light or unfavorable atmospheric conditions, persons and vehicles on the highway are not clearly discernible at a distance of 1000 feet, the following vehicles may exceed the 8 feet 6 inch limitation during the period from a half hour

(A) The driver of a vehicle transporting an implement of husbandry that exceeds 8 feet 6 inches in width shall obey all traffic laws and shall check the roadways prior to making a movement in order to ensure that adequate clearance is available for the movement. It is prima facie evidence that the driver of a vehicle transporting an implement of husbandry has failed to check the roadway prior to making a movement if the vehicle is involved in a collision with a bridge, overpass, fixed structure, or properly placed traffic control device or if the vehicle blocks traffic due to its inability to proceed because of a bridge, overpass, fixed structure, or properly placed traffic control device.

(B) Flags shall be displayed so as to wave freely at the extremities of overwidth objects and at the

(2) The escort vehicle driver must be properly licensed to operate the vehicle.

(3) While in use, the escort vehicle must be equipped with illuminated rotating, oscillating,

Section 590. The Juvenile Court Act of 1987 is amended by changing Sections 2-23 and 5-710 as follows:

(705 ILCS 405/2-23) (from Ch. 37, par. 802-23)

Sec. 2-23. Kinds of dispositional orders.

(1) The following kinds of orders of disposition may be made in respect of wards of the court:

(a) A minor under 18 years of age found to be neglected or abused under Section 2-3 or dependent under Section 2-4 may be (1) continued in the custody of his or her parents, guardian or legal custodian; (2) placed in accordance with Section 2-27; (3) restored to the custody of the parent, parents, guardian, or legal custodian, provided the court shall order the parent, parents, guardian, or legal custodian to cooperate with the Department of Children and Family Services and comply with the terms of an after-care plan or risk the loss of custody of the child and the possible termination of their parental rights; or (4) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act.

However, in any case in which a minor is found by the court to be neglected or abused under Section 2-3 of this Act, custody of the minor shall not be restored to any parent, guardian or legal custodian whose acts or omissions or both have been identified, pursuant to subsection (1) of Section 2-21, as forming the basis for the court's finding of abuse or neglect, until such time as a hearing is held on the issue of the best interests of the minor and the fitness of such parent, guardian or legal custodian to care for the minor without endangering the minor's health or safety, and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(b) A minor under 18 years of age found to be dependent under Section 2-4 may be (1) placed in accordance with Section 2-27 or (2) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act.

However, in any case in which a minor is found by the court to be dependent under Section 2-4 of this Act, custody of the minor shall not be restored to any parent, guardian or legal custodian whose acts or omissions or both have been identified, pursuant to subsection (1) of Section 2-21, as forming the basis for the court's finding of dependency, until such time as a hearing is held on the issue of the fitness of such parent, guardian or legal custodian to care for the minor without endangering the

minor's health or safety, and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(b-1) A minor between the ages of 18 and 21 may be placed pursuant to Section 2-27 of this Act if (1) the court has granted a supplemental petition to reinstate wardship of the minor pursuant to subsection (2) of Section 2-33, or (2) the court has adjudicated the minor a ward of the court, permitted the minor to return home under an order of protection, and subsequently made a finding that it is in the minor's best interest to vacate the order of protection and commit the minor to the Department of Children and Family Services for care and service.

(c) When the court awards guardianship to the Department of Children and Family Services, the court shall order the parents to cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

(2) Any order of disposition may provide for protective supervision under Section 2-24 and may include an order of protection under Section 2-25.

Unless the order of disposition expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification, not inconsistent with Section

2-28, until final closing and discharge of the proceedings under Section 2-31.

(3) The court also shall enter any other orders necessary to fulfill the service plan, including, but not limited to, (i) orders requiring parties to cooperate with services, (ii) restraining orders controlling the conduct of any party likely to frustrate the achievement of the goal, and (iii) visiting orders. Unless otherwise specifically authorized by law, the court is not empowered under this subsection (3) to order specific placements, specific services, or specific service providers to be included in the plan. If, after receiving evidence, the court determines that the services contained in the plan are not reasonably calculated to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court also shall enter an order for the Department to develop and implement a new service plan or to implement changes to the current service plan consistent with the court's findings. The new service plan shall be filed with the court and served on all parties within 45 days after the date of the order. The court shall continue the matter until the new service plan is filed. Unless otherwise specifically authorized by law, the court is not empowered under this subsection (3) or under subsection (2) to order specific placements, specific services, or specific service providers to be included in the

plan.

(4) In addition to any other order of disposition, the court may order any minor adjudicated neglected with respect to his or her own injurious behavior to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentence hearing" referred to therein shall be the dispositional hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may pay some or all of such restitution on the minor's behalf.

(5) Any order for disposition where the minor is committed or placed in accordance with Section 2-27 shall provide for the parents or guardian of the estate of such minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. Such payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the order of disposition requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) The court may terminate the parental rights of a parent at the initial dispositional hearing if all of the conditions in subsection (5) of Section 2-21 are met.

(705 ILCS 405/5-710)

Sec. 5-710. Kinds of sentencing orders.

(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:

(i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

(iv) placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 15 years of age or, pursuant

to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 15 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in

detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

(viii) put on probation or conditional discharge and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law;

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body; or

(x) placed in electronic home detention under Part 7A of this Article.

(b) A minor found to be guilty may be committed to the

Department of Juvenile Justice under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Juvenile Justice shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order

any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which

educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by

this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's

parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to,

the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license

at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

(12) If a minor is found to be guilty of a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time-credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the

health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (12):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of \$25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of \$50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a \$100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.

(b) As used in this Section, "Gold Star and Fallen Heroes Family" means the family members of an individual who was killed in the line of duty and who was employed or serving in a capacity defined in Section 2 of the Illinois Line of Duty Compensation Act.

(c) Toll-free helpline. The Gold Star and Fallen Heroes Families Assistance Program shall include a toll-free helpline dedicated to families seeking information about the Line of Duty Compensation Act, including, but not limited to, the status of claims filed pursuant to that Act. The helpline phone number and information about the Gold Star and Fallen Heroes Families Assistance Program shall be provided to each person filing a claim under the Line of Duty Compensation Act.

(d) On or before January 1 of each year, the Court of Claims shall report to the Governor, both houses of the General Assembly, and the Illinois Department of Veterans' Affairs the following information:

Section 600. The Criminal Code of 1961 is amended by changing Sections 9-1.2, 10-5, 10-5.5, 10-9, 11-9.4, 11-20.1, 11-20.3, 12-2, 12-3.3, 12-4, 12-7.5, 14-3, 16-1, 16D-2, 16D-3, 17-24, 17-26, 24-1, 24-2, 25-5, 26-1, 26-5, 29B-1, 29D-25, and 36-1 as follows:

(720 ILCS 5/9-1.2) (from Ch. 38, par. 9-1.2)

Sec. 9-1.2. Intentional Homicide of an Unborn Child.

(a) A person commits the offense of intentional homicide of an unborn child if, in performing acts which cause the death of an unborn child, he without lawful justification:

(1) either intended to cause the death of or do great bodily harm to the pregnant woman or her unborn child or knew that such acts would cause death or great bodily harm

to the pregnant woman or her unborn child; or

(2) ~~he~~ knew that his acts created a strong probability of death or great bodily harm to the pregnant woman or her unborn child; and

(3) ~~he~~ knew that the woman was pregnant.

(b) For purposes of this Section, (1) "unborn child" shall mean any individual of the human species from fertilization until birth, and (2) "person" shall not include the pregnant woman whose unborn child is killed.

(c) This Section shall not apply to acts which cause the death of an unborn child if those acts were committed during any abortion, as defined in Section 2 of the Illinois Abortion Law of 1975, as amended, to which the pregnant woman has consented. This Section shall not apply to acts which were committed pursuant to usual and customary standards of medical practice during diagnostic testing or therapeutic treatment.

(d) Penalty. The sentence for intentional homicide of an unborn child shall be the same as for first degree murder, except that:

(1) the death penalty may not be imposed;

(2) if the person committed the offense while armed with a firearm, 15 years shall be added to the term of imprisonment imposed by the court;

(3) if, during the commission of the offense, the person personally discharged a firearm, 20 years shall be added to the term of imprisonment imposed by the court;

(4) if, during the commission of the offense, the person personally discharged a firearm that proximately caused great bodily harm, permanent disability, permanent disfigurement, or death to another person, 25 years or up to a term of natural life shall be added to the term of imprisonment imposed by the court.

(e) The provisions of this Act shall not be construed to prohibit the prosecution of any person under any other provision of law.

(720 ILCS 5/10-5) (from Ch. 38, par. 10-5)

Sec. 10-5. Child abduction.

(a) For purposes of this Section, the following terms have the following meanings:

(1) "Child" means a person who, at the time the alleged violation occurred, was under the age of 18 or severely or profoundly mentally retarded.

(2) "Detains" means taking or retaining physical custody of a child, whether or not the child resists or objects.

(3) "Lawful custodian" means a person or persons granted legal custody of a child or entitled to physical possession of a child pursuant to a court order. It is presumed that, when the parties have never been married to each other, the mother has legal custody of the child

unless a valid court order states otherwise. If an adjudication of paternity has been completed and the father has been assigned support obligations or visitation rights, such a paternity order should, for the purposes of this Section, be considered a valid court order granting custody to the mother.

(4) "Putative father" means a man who has a reasonable belief that he is the father of a child born of a woman who is not his wife.

(b) A person commits the offense of child abduction when he or she does any one of the following:

(1) Intentionally violates any terms of a valid court order granting sole or joint custody, care, or possession to another by concealing or detaining the child or removing the child from the jurisdiction of the court.

(2) Intentionally violates a court order prohibiting the person from concealing or detaining the child or removing the child from the jurisdiction of the court.

(3) Intentionally conceals, detains, or removes the child without the consent of the mother or lawful custodian of the child if the person is a putative father and either: (A) the paternity of the child has not been legally established or (B) the paternity of the child has been legally established but no orders relating to custody have been entered. Notwithstanding the presumption created by paragraph (3) of subsection (a), however, a mother commits

child abduction when she intentionally conceals or removes a child, whom she has abandoned or relinquished custody of, from an unadjudicated father who has provided sole ongoing care and custody of the child in her absence.

(4) Intentionally conceals or removes the child from a parent after filing a petition or being served with process in an action affecting marriage or paternity but prior to the issuance of a temporary or final order determining custody.

(5) At the expiration of visitation rights outside the State, intentionally fails or refuses to return or impedes the return of the child to the lawful custodian in Illinois.

(6) Being a parent of the child, and if the parents of that child are or have been married and there has been no court order of custody, knowingly conceals the child for 15 days, and fails to make reasonable attempts within the 15-day period to notify the other parent as to the specific whereabouts of the child, including a means by which to contact the child, or to arrange reasonable visitation or contact with the child. It is not a violation of this Section for a person fleeing domestic violence to take the child with him or her to housing provided by a domestic violence program.

(7) Being a parent of the child, and if the parents of the child are or have been married and there has been no

court order of custody, knowingly conceals, detains, or removes the child with physical force or threat of physical force.

(8) Knowingly conceals, detains, or removes the child for payment or promise of payment at the instruction of a person who has no legal right to custody.

(9) Knowingly retains in this State for 30 days a child removed from another state without the consent of the lawful custodian or in violation of a valid court order of custody.

(10) Intentionally lures or attempts to lure a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place without the consent of the child's parent or lawful custodian for other than a lawful purpose. For the purposes of this item (10), the luring or attempted luring of a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place without the consent of the child's parent or lawful custodian is prima facie evidence of other than a lawful purpose.

(11) With the intent to obstruct or prevent efforts to locate the child victim of a child abduction, knowingly destroys, alters, conceals, or disguises physical evidence or furnishes false information.

(c) It is an affirmative defense to subsections (b) (1) through (b) (10) of this Section that:

(1) the person had custody of the child pursuant to a court order granting legal custody or visitation rights that existed at the time of the alleged violation;

(2) the person had physical custody of the child pursuant to a court order granting legal custody or visitation rights and failed to return the child as a result of circumstances beyond his or her control, and the person notified and disclosed to the other parent or legal custodian the specific whereabouts of the child and a means by which the child could be contacted or made a reasonable attempt to notify the other parent or lawful custodian of the child of those circumstances and made the disclosure within 24 hours after the visitation period had expired and returned the child as soon as possible;

(3) the person was fleeing an incidence or pattern of domestic violence; or

(4) the person lured or attempted to lure a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place for a lawful purpose in prosecutions under paragraph (10) of subsection (b).

(d) A person convicted of child abduction under this Section is guilty of a Class 4 felony. A person convicted of a second or subsequent violation of paragraph (10) of subsection (b) of this Section is guilty of a Class 3 felony. It is a factor in aggravation under subsections (b)(1) through (b)(10) of this Section for which a court may impose a more severe

sentence under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V of the Unified Code of Corrections if, upon sentencing, the court finds evidence of any of the following aggravating factors:

(1) that the defendant abused or neglected the child following the concealment, detention, or removal of the child;

(2) that the defendant inflicted or threatened to inflict physical harm on a parent or lawful custodian of the child or on the child with intent to cause that parent or lawful custodian to discontinue criminal prosecution of the defendant under this Section;

(3) that the defendant demanded payment in exchange for return of the child or demanded that he or she be relieved of the financial or legal obligation to support the child in exchange for return of the child;

(4) that the defendant has previously been convicted of child abduction;

(5) that the defendant committed the abduction while armed with a deadly weapon or the taking of the child resulted in serious bodily injury to another; or

(6) that the defendant committed the abduction while in a school, regardless of the time of day or time of year; in a playground; on any conveyance owned, leased, or contracted by a school to transport students to or from school or a school related activity; on the real property

of a school; or on a public way within 1,000 feet of the real property comprising any school or playground. For purposes of this paragraph (6), "playground" means a piece of land owned or controlled by a unit of local government that is designated by the unit of local government for use solely or primarily for children's recreation; and "school" means a public or private elementary or secondary school, community college, college, or university.

(e) The court may order the child to be returned to the parent or lawful custodian from whom the child was concealed, detained, or removed. In addition to any sentence imposed, the court may assess any reasonable expense incurred in searching for or returning the child against any person convicted of violating this Section.

(f) Nothing contained in this Section shall be construed to limit the court's contempt power.

(g) Every law enforcement officer investigating an alleged incident of child abduction shall make a written police report of any bona fide allegation and the disposition of that investigation. Every police report completed pursuant to this Section shall be compiled and recorded within the meaning of Section 5.1 of the Criminal Identification Act.

(h) Whenever a law enforcement officer has reasons to believe a child abduction has occurred, she or he shall provide the lawful custodian a summary of her or his rights under this Code, including the procedures and relief available to her or

him.

(i) If during the course of an investigation under this Section the child is found in the physical custody of the defendant or another, the law enforcement officer shall return the child to the parent or lawful custodian from whom the child was concealed, detained, or removed, unless there is good cause for the law enforcement officer or the Department of Children and Family Services to retain temporary protective custody of the child pursuant to the Abused and Neglected Child Reporting Act.

(720 ILCS 5/10-5.5)

Sec. 10-5.5. Unlawful visitation or parenting time interference.

(a) As used in this Section, the terms "child", "detain", and "lawful custodian" have the meanings ascribed to them in Section 10-5 of this Code.

(b) Every person who, in violation of the visitation, parenting time, or custody time provisions of a court order relating to child custody, detains or conceals a child with the intent to deprive another person of his or her rights to visitation, parenting time, or custody time commits the offense of unlawful visitation or parenting time interference.

(c) A person committing unlawful visitation or parenting

time interference is guilty of a petty offense. Any person violating this Section after 2 prior convictions of unlawful visitation interference or unlawful visitation or parenting time interference, however, is guilty of a Class A misdemeanor.

(d) Any law enforcement officer who has probable cause to believe that a person has committed or is committing an act in violation of this Section shall issue to that person a notice to appear.

(e) The notice shall:

- (1) be in writing;
- (2) state the name of the person and his or her address, if known;
- (3) set forth the nature of the offense;
- (4) be signed by the officer issuing the notice; and
- (5) request the person to appear before a court at a certain time and place.

(f) Upon failure of the person to appear, a summons or warrant of arrest may be issued.

(g) It is an affirmative defense that:

- (1) a person or lawful custodian committed the act to protect the child from imminent physical harm, provided that the defendant's belief that there was physical harm imminent was reasonable and that the defendant's conduct in withholding visitation rights, parenting time, or custody time was a reasonable response to the harm believed imminent;

(2) the act was committed with the mutual consent of all parties having a right to custody and visitation of the child or parenting time with the child; or

(3) the act was otherwise authorized by law. ~~or parenting time, parenting time, or custody time~~

(720 ILCS 5/10-9)

(7) "Obtain" means, in relation to labor or services, to secure performance thereof.

(8) "Services" means activities resulting from a relationship between a person and the actor in which the person performs activities under the supervision of or for the benefit of the actor. prostitution.

(10) "Trafficking victim" means a person subjected to the practices set forth in subsection (b), (c), or (d).

(2) Number of victims. In determining sentences within statutory maximums, the sentencing court should take into account the number of victims, and may provide for

substantially increased sentences in cases involving more than 10 victims.

(g) Restitution. Restitution is mandatory under this Section. In addition to any other amount of loss identified, the court shall order restitution including the greater of (1) the gross income or value to the defendant of the victim's labor or services or (2) the value of the victim's labor as guaranteed under the Minimum Wage Law and overtime provisions of the Fair Labor Standards Act (FLSA) or the Minimum Wage Law, whichever is greater.

Cooperation with law enforcement shall not be

required of victims of a crime described in this Section who are under 18 years of age. This certification shall be made available to the victim and his or her designated legal representative.

(j) A person who commits the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services under subsection (b), (c), or (d) of this Section is subject to the property forfeiture provisions set forth in Article 124B of the Code of Criminal Procedure of 1963. ~~shall forfeit to the State of Illinois any profits or proceeds and any interest or property he or she has acquired or maintained in violation of subsection (b), (c), or (d) of this Section that the sentencing court determines, after a forfeiture hearing, to have been acquired or maintained as a result of maintaining a person in involuntary servitude or participating in trafficking in persons for forced labor or services.~~

~~Upon petition by the Attorney General or State's Attorney at any time following sentencing, the court shall conduct a hearing to determine whether any property or property interest is subject to forfeiture under this Section. At the forfeiture hearing the People have the burden of establishing, by a preponderance of the evidence, that property or property interests are subject to forfeiture under this Section.~~

~~In any action brought by the People of the State of Illinois under this Section, in which a restraining order,~~

~~injunction, or prohibition or any other action in connection with any property or interest subject to forfeiture under this Section is sought, the circuit court presiding over the trial of the person or persons charged with involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services shall first determine whether there is probable cause to believe that the person or persons so charged have committed the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services and whether the property or interest is subject to forfeiture under this Section. In order to make that determination, prior to entering any such order, the court shall conduct a hearing without a jury, in which the People shall establish that there is: (i) probable cause that the person or persons so charged have committed the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services and (ii) probable cause that any property or interest may be subject to forfeiture under this Section. The hearing may be conducted simultaneously with a preliminary hearing, if the prosecution is commenced by information or complaint, or by motion of the People, at any stage in the proceedings. The court may accept a finding of probable cause at a preliminary hearing following the filing of an information charging the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in~~

~~persons for forced labor or services or the return of an indictment by a grand jury charging the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services as sufficient evidence of probable cause as provided in item (i) of this paragraph. Upon a finding, the circuit court shall enter the restraining order, injunction, or prohibition, or shall take such other action in connection with any such property or other interest subject to forfeiture, as is necessary to ensure that the property is not removed from the jurisdiction of the court, concealed, destroyed, or otherwise disposed of by the owner of that property or interest prior to a forfeiture hearing under this Section. The Attorney General or State's Attorney shall file a certified copy of the restraining order, injunction, or other prohibition with the recorder or registrar of titles of each county where any such property of the defendant may be located. No such injunction, restraining order, or other prohibition shall affect the rights of any bona fide purchaser, mortgagee, judgment creditor, or other lien holder arising prior to the date of that filing. At any time, upon verified petition by the defendant or an innocent owner or innocent bona fide third party lien holder who neither had knowledge of, nor consented to, the illegal act or omission, the court may conduct a hearing to release all or portions of any such property or interest that the court previously determined to be subject to forfeiture or subject to~~

~~any restraining order, injunction, or prohibition or other action. The court may release that property to the defendant or innocent owner or innocent bona fide third party lien holder who neither had knowledge of nor consented to the illegal act or omission for good cause shown and within the sound discretion of the court.~~

~~Upon conviction of a person of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services, the court shall authorize the Attorney General to seize all property or other interest declared forfeited under this Section upon terms and conditions the court deems proper.~~

~~All moneys forfeited and the sale proceeds of all other property forfeited and seized under this Section shall be distributed as follows:~~

~~(1) one half shall be divided equally between all State agencies and units of local government whose officers or employees conducted the investigation that resulted in the forfeiture; and~~

~~(2) one half shall be deposited into the Violent Crime Victims Assistance Fund and targeted to services for victims of the offenses of involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons for forced labor or services.~~

(f) Definitions. For the purposes of this Section:

(1) "Disseminate" means (i) to sell, distribute, exchange or transfer possession, whether with or without consideration or (ii) to make a depiction by computer available for distribution or downloading through the facilities of any telecommunications network or through any other means of transferring computer programs or data to a computer.

(4) "Depict by computer" means to generate or create, or cause to be created or generated, a computer program or data that, after being processed by a computer either alone or in conjunction with one or more computer programs, results in a visual depiction on a computer monitor,

screen, or display.

(5) "Depiction by computer" means a computer program or data that, after being processed by a computer either alone or in conjunction with one or more computer programs, results in a visual depiction on a computer monitor, screen, or display.

(6) "Computer", "computer program", and "data" have the meanings ascribed to them in Section 16D-2 of this Code.

(7) "Child" includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is, or appears to be, that of a person, either in part, or in total, under the age of 18, regardless of the method by which the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is created, adopted, or modified to appear as such. "Child" also includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is advertised, promoted, presented, described, or distributed in such a manner that conveys the impression that the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is of a person under the age of 18.

(8) "Sexual penetration" and "sexual conduct" have the meanings ascribed to them in Section 12-12 of this Code.

(g) Re-enactment; findings; purposes.

(1) The General Assembly finds and declares that:

(i) Section 50-5 of Public Act 88-680, effective January 1, 1995, contained provisions amending the child pornography statute, Section 11-20.1 of the Criminal Code of 1961. Section 50-5 also contained other provisions.

(ii) In addition, Public Act 88-680 was entitled "AN ACT to create a Safe Neighborhoods Law". (A) Article 5 was entitled JUVENILE JUSTICE and amended the Juvenile Court Act of 1987. (B) Article 15 was entitled GANGS and amended various provisions of the Criminal Code of 1961 and the Unified Code of Corrections. (C) Article 20 was entitled ALCOHOL ABUSE and amended various provisions of the Illinois Vehicle Code. (D) Article 25 was entitled DRUG ABUSE and amended the Cannabis Control Act and the Illinois Controlled Substances Act. (E) Article 30 was entitled FIREARMS and amended the Criminal Code of 1961 and the Code of Criminal Procedure of 1963. (F) Article 35 amended the Criminal Code of 1961, the Rights of Crime Victims and Witnesses Act, and the Unified Code of Corrections. (G) Article 40 amended the Criminal Code of 1961 to increase the penalty for compelling organization membership of persons. (H) Article 45 created the Secure Residential Youth Care Facility Licensing Act

and amended the State Finance Act, the Juvenile Court Act of 1987, the Unified Code of Corrections, and the Private Correctional Facility Moratorium Act. (I) Article 50 amended the WIC Vendor Management Act, the Firearm Owners Identification Card Act, the Juvenile Court Act of 1987, the Criminal Code of 1961, the Wrongs to Children Act, and the Unified Code of Corrections.

(iii) On September 22, 1998, the Third District Appellate Court in *People v. Dainty*, 701 N.E. 2d 118, ruled that Public Act 88-680 violates the single subject clause of the Illinois Constitution (Article IV, Section 8 (d)) and was unconstitutional in its entirety. As of the time this amendatory Act of 1999 was prepared, *People v. Dainty* was still subject to appeal.

(iv) Child pornography is a vital concern to the people of this State and the validity of future prosecutions under the child pornography statute of the Criminal Code of 1961 is in grave doubt.

(2) It is the purpose of this amendatory Act of 1999 to prevent or minimize any problems relating to prosecutions for child pornography that may result from challenges to the constitutional validity of Public Act 88-680 by re-enacting the Section relating to child pornography that was included in Public Act 88-680.

(3) This amendatory Act of 1999 re-enacts Section 11-20.1 of the Criminal Code of 1961, as it has been amended. This re-enactment is intended to remove any question as to the validity or content of that Section; it is not intended to supersede any other Public Act that amends the text of the Section as set forth in this amendatory Act of 1999. The material is shown as existing text (i.e., without underscoring) because, as of the time this amendatory Act of 1999 was prepared, *People v. Dainty* was subject to appeal to the Illinois Supreme Court.

(4) The re-enactment by this amendatory Act of 1999 of Section 11-20.1 of the Criminal Code of 1961 relating to child pornography that was amended by Public Act 88-680 is not intended, and shall not be construed, to imply that Public Act 88-680 is invalid or to limit or impair any legal argument concerning whether those provisions were substantially re-enacted by other Public Acts.

The motion must expressly set forth the purpose for viewing the material. (6) In a prosecution under clause (a) (1.5) (B) (ii) of this Section, the sentences are as follows:

(D) Laundering of property of a value exceeding \$500,000 is a Class 1 non-probationable felony.

(d) Evidence. In a prosecution under this Article, either party may introduce the following evidence pertaining to the issue of whether the property or proceeds were known to be some

form of criminally derived property or from some form of unlawful activity:

(1) A financial transaction was conducted or structured or attempted in violation of the reporting requirements of any State or federal law; or

(2) A financial transaction was conducted or attempted with the use of a false or fictitious name or a forged instrument; or

(8) A person engages in a transaction involving one or more monetary instruments, where the physical condition or form of the monetary instrument or instruments makes it apparent that they are not the product of bona fide business or financial transactions.

(e) Duty to enforce this Article.

(1) It is the duty of the Department of State Police, and its agents, officers, and investigators, to enforce all provisions of this Article, except those specifically delegated, and to cooperate with all agencies charged with the enforcement of the laws of the United States, or of any state, relating to money laundering. Only an agent, officer, or investigator designated by the Director may be authorized in accordance with this Section to serve seizure notices, warrants, subpoenas, and summonses under the authority of this State.

(2) Any agent, officer, investigator, or peace officer designated by the Director may: (A) make seizure of property pursuant to the provisions of this Article; and (B) perform such other law enforcement duties as the Director designates. It is the duty of all State's Attorneys to prosecute violations of this Article and

institute legal proceedings as authorized under this Article.

(f) Protective orders.

(1) Upon application of the State, the court may enter a restraining order or injunction, require the execution of a satisfactory performance bond, or take any other action to preserve the availability of property described in subsection (h) for forfeiture under this Article:

(A) upon the filing of an indictment, information, or complaint charging a violation of this Article for which forfeiture may be ordered under this Article and alleging that the property with respect to which the order is sought would be subject to forfeiture under this Article; or

(B) prior to the filing of such an indictment, information, or complaint, if, after notice to persons appearing to have an interest in the property and opportunity for a hearing, the court determines that:

(i) there is probable cause to believe that the State will prevail on the issue of forfeiture and that failure to enter the order will result in the property being destroyed, removed from the jurisdiction of the court, or otherwise made unavailable for forfeiture; and

(ii) the need to preserve the availability of the property through the entry of the requested

order outweighs the hardship on any party against whom the order is to be entered.

Provided, however, that an order entered pursuant to subparagraph (B) shall be effective for not more than 90 days, unless extended by the court for good cause shown or unless an indictment, information, complaint, or administrative notice has been filed.

(2) A temporary restraining order under this subsection may be entered upon application of the State without notice or opportunity for a hearing when an indictment, information, complaint, or administrative notice has not yet been filed with respect to the property, if the State demonstrates that there is probable cause to believe that the property with respect to which the order is sought would be subject to forfeiture under this Section and that provision of notice will jeopardize the availability of the property for forfeiture. Such a temporary order shall expire not more than 30 days after the date on which it is entered, unless extended for good cause shown or unless the party against whom it is entered consents to an extension for a longer period. A hearing requested concerning an order entered under this paragraph shall be held at the earliest possible time and prior to the expiration of the temporary order.

(3) The court may receive and consider, at a hearing held pursuant to this subsection (f), evidence and

information that would be inadmissible under the Illinois rules of evidence.

(4) Order to repatriate and deposit.

(A) In general. Pursuant to its authority to enter a pretrial restraining order under this Section, the court may order a defendant to repatriate any property that may be seized and forfeited and to deposit that property pending trial with the Illinois State Police or another law enforcement agency designated by the Illinois State Police.

(B) Failure to comply. Failure to comply with an order under this subsection (f) is punishable as a civil or criminal contempt of court.

(g) Warrant of seizure. The State may request the issuance of a warrant authorizing the seizure of property described in subsection (h) in the same manner as provided for a search warrant. If the court determines that there is probable cause to believe that the property to be seized would be subject to forfeiture, the court shall issue a warrant authorizing the seizure of such property.

(h) Forfeiture.

(1) The following are subject to forfeiture:

(A) any property, real or personal, constituting, derived from, or traceable to any proceeds the person obtained directly or indirectly, as a result of a violation of this Article;

(B) any of the person's property used, or intended to be used, in any manner or part, to commit, or to facilitate the commission of, a violation of this Article;

(C) all conveyances, including aircraft, vehicles or vessels, which are used, or intended for use, to transport, or in any manner to facilitate the transportation, sale, receipt, possession, or concealment of property described in subparagraphs (A) and (B), but:

(i) no conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this Section unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this Article;

(ii) no conveyance is subject to forfeiture under this Section by reason of any act or omission which the owner proves to have been committed or omitted without his or her knowledge or consent;

(iii) a forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if he or she neither had knowledge of nor consented to the act or omission;

(D) all real property, including any right, title,

and interest (including, but not limited to, any leasehold interest or the beneficial interest in a land trust) in the whole of any lot or tract of land and any appurtenances or improvements, which is used or intended to be used, in any manner or part, to commit, or in any manner to facilitate the commission of, any violation of this Article or that is the proceeds of any violation or act that constitutes a violation of this Article.

(2) Property subject to forfeiture under this Article may be seized by the Director or any peace officer upon process or seizure warrant issued by any court having jurisdiction over the property. Seizure by the Director or any peace officer without process may be made:

(A) if the seizure is incident to a seizure warrant;

(B) if the property subject to seizure has been the subject of a prior judgment in favor of the State in a criminal proceeding, or in an injunction or forfeiture proceeding based upon this Article;

(C) if there is probable cause to believe that the property is directly or indirectly dangerous to health or safety;

(D) if there is probable cause to believe that the property is subject to forfeiture under this Article and the property is seized under circumstances in which

a warrantless seizure or arrest would be reasonable; or

(E) in accordance with the Code of Criminal Procedure of 1963.

(3) In the event of seizure pursuant to paragraph (2), forfeiture proceedings shall be instituted in accordance with subsections (i) through (r).

(4) Property taken or detained under this Section shall not be subject to replevin, but is deemed to be in the custody of the Director subject only to the order and judgments of the circuit court having jurisdiction over the forfeiture proceedings and the decisions of the State's Attorney under this Article. When property is seized under this Article, the seizing agency shall promptly conduct an inventory of the seized property and estimate the property's value and shall forward a copy of the inventory of seized property and the estimate of the property's value to the Director. Upon receiving notice of seizure, the Director may:

(A) place the property under seal;

(B) remove the property to a place designated by the Director;

(C) keep the property in the possession of the seizing agency;

(D) remove the property to a storage area for safekeeping or, if the property is a negotiable instrument or money and is not needed for evidentiary

purposes, deposit it in an interest bearing account;

(E) place the property under constructive seizure by posting notice of pending forfeiture on it, by giving notice of pending forfeiture to its owners and interest holders, or by filing notice of pending forfeiture in any appropriate public record relating to the property; or

(F) provide for another agency or custodian, including an owner, secured party, or lienholder, to take custody of the property upon the terms and conditions set by the Director.

(5) When property is forfeited under this Article, the Director shall sell all such property unless such property is required by law to be destroyed or is harmful to the public, and shall distribute the proceeds of the sale, together with any moneys forfeited or seized, in accordance with paragraph (6). However, upon the application of the seizing agency or prosecutor who was responsible for the investigation, arrest or arrests and prosecution which lead to the forfeiture, the Director may return any item of forfeited property to the seizing agency or prosecutor for official use in the enforcement of laws, if the agency or prosecutor can demonstrate that the item requested would be useful to the agency or prosecutor in its enforcement efforts. When any real property returned to the seizing agency is sold by the agency or its unit of government, the

proceeds of the sale shall be delivered to the Director and distributed in accordance with paragraph (6).

(6) All monies and the sale proceeds of all other property forfeited and seized under this Article shall be distributed as follows:

(A) 65% shall be distributed to the metropolitan enforcement group, local, municipal, county, or State law enforcement agency or agencies which conducted or participated in the investigation resulting in the forfeiture. The distribution shall bear a reasonable relationship to the degree of direct participation of the law enforcement agency in the effort resulting in the forfeiture, taking into account the total value of the property forfeited and the total law enforcement effort with respect to the violation of the law upon which the forfeiture is based. Amounts distributed to the agency or agencies shall be used for the enforcement of laws.

(B) (i) 12.5% shall be distributed to the Office of the State's Attorney of the county in which the prosecution resulting in the forfeiture was instituted, deposited in a special fund in the county treasury and appropriated to the State's Attorney for use in the enforcement of laws. In counties over 3,000,000 population, 25% shall be distributed to the Office of the State's Attorney for use in the

enforcement of laws. If the prosecution is undertaken solely by the Attorney General, the portion provided hereunder shall be distributed to the Attorney General for use in the enforcement of laws.

(ii) 12.5% shall be distributed to the Office of the State's Attorneys Appellate Prosecutor and deposited in the Narcotics Profit Forfeiture Fund of that office to be used for additional expenses incurred in the investigation, prosecution and appeal of cases arising under laws. The Office of the State's Attorneys Appellate Prosecutor shall not receive distribution from cases brought in counties with over 3,000,000 population.

(C) 10% shall be retained by the Department of State Police for expenses related to the administration and sale of seized and forfeited property.

(i) Notice to owner or interest holder.

(1) Whenever notice of pending forfeiture or service of an in rem complaint is required under the provisions of this Article, such notice or service shall be given as follows:

(A) If the owner's or interest holder's name and current address are known, then by either personal service or mailing a copy of the notice by certified mail, return receipt requested, to that address. For

purposes of notice under this Section, if a person has been arrested for the conduct giving rise to the forfeiture, then the address provided to the arresting agency at the time of arrest shall be deemed to be that person's known address. Provided, however, if an owner or interest holder's address changes prior to the effective date of the notice of pending forfeiture, the owner or interest holder shall promptly notify the seizing agency of the change in address or, if the owner or interest holder's address changes subsequent to the effective date of the notice of pending forfeiture, the owner or interest holder shall promptly notify the State's Attorney of the change in address; or

(B) If the property seized is a conveyance, to the address reflected in the office of the agency or official in which title or interest to the conveyance is required by law to be recorded, then by mailing a copy of the notice by certified mail, return receipt requested, to that address; or

(C) If the owner's or interest holder's address is not known, and is not on record as provided in paragraph (B), then by publication for 3 successive weeks in a newspaper of general circulation in the county in which the seizure occurred.

(2) Notice served under this Article is effective upon

personal service, the last date of publication, or the mailing of written notice, whichever is earlier.

(j) Notice to State's Attorney. The law enforcement agency seizing property for forfeiture under this Article shall, within 90 days after seizure, notify the State's Attorney for the county, either where an act or omission giving rise to the forfeiture occurred or where the property was seized, of the seizure of the property and the facts and circumstances giving rise to the seizure and shall provide the State's Attorney with the inventory of the property and its estimated value. When the property seized for forfeiture is a vehicle, the law enforcement agency seizing the property shall immediately notify the Secretary of State that forfeiture proceedings are pending regarding such vehicle.

(k) Non-judicial forfeiture. If non-real property that exceeds \$20,000 in value excluding the value of any conveyance, or if real property is seized under the provisions of this Article, the State's Attorney shall institute judicial in rem forfeiture proceedings as described in subsection (l) of this Section within 45 days from receipt of notice of seizure from the seizing agency under subsection (j) of this Section. However, if non-real property that does not exceed \$20,000 in value excluding the value of any conveyance is seized, the following procedure shall be used:

(1) If, after review of the facts surrounding the seizure, the State's Attorney is of the opinion that the

seized property is subject to forfeiture, then within 45 days after the receipt of notice of seizure from the seizing agency, the State's Attorney shall cause notice of pending forfeiture to be given to the owner of the property and all known interest holders of the property in accordance with subsection (i) of this Section.

(2) The notice of pending forfeiture must include a description of the property, the estimated value of the property, the date and place of seizure, the conduct giving rise to forfeiture or the violation of law alleged, and a summary of procedures and procedural rights applicable to the forfeiture action.

(3) (A) Any person claiming an interest in property which is the subject of notice under paragraph (1) of this subsection (k), must, in order to preserve any rights or claims to the property, within 45 days after the effective date of notice as described in subsection (i) of this Section, file a verified claim with the State's Attorney expressing his or her interest in the property. The claim must set forth:

(i) the caption of the proceedings as set forth on the notice of pending forfeiture and the name of the claimant;

(ii) the address at which the claimant will accept mail;

(iii) the nature and extent of the claimant's

interest in the property;

(iv) the date, identity of the transferor, and circumstances of the claimant's acquisition of the interest in the property;

(v) the name and address of all other persons known to have an interest in the property;

(vi) the specific provision of law relied on in asserting the property is not subject to forfeiture;

(vii) all essential facts supporting each assertion; and

(viii) the relief sought.

(B) If a claimant files the claim and deposits with the State's Attorney a cost bond, in the form of a cashier's check payable to the clerk of the court, in the sum of 10% of the reasonable value of the property as alleged by the State's Attorney or the sum of \$100, whichever is greater, upon condition that, in the case of forfeiture, the claimant must pay all costs and expenses of forfeiture proceedings, then the State's Attorney shall institute judicial in rem forfeiture proceedings and deposit the cost bond with the clerk of the court as described in subsection (1) of this Section within 45 days after receipt of the claim and cost bond. In lieu of a cost bond, a person claiming interest in the seized property may file, under penalty of perjury, an indigency affidavit which has been approved by a circuit court judge.

(C) If none of the seized property is forfeited in the judicial in rem proceeding, the clerk of the court shall return to the claimant, unless the court orders otherwise, 90% of the sum which has been deposited and shall retain as costs 10% of the money deposited. If any of the seized property is forfeited under the judicial forfeiture proceeding, the clerk of the court shall transfer 90% of the sum which has been deposited to the State's Attorney prosecuting the civil forfeiture to be applied to the costs of prosecution and the clerk shall retain as costs 10% of the sum deposited.

(4) If no claim is filed or bond given within the 45 day period as described in paragraph (3) of this subsection (k), the State's Attorney shall declare the property forfeited and shall promptly notify the owner and all known interest holders of the property and the Director of State Police of the declaration of forfeiture and the Director shall dispose of the property in accordance with law.

(1) Judicial in rem procedures. If property seized under the provisions of this Article is non-real property that exceeds \$20,000 in value excluding the value of any conveyance, or is real property, or a claimant has filed a claim and a cost bond under paragraph (3) of subsection (k) of this Section, the following judicial in rem procedures shall apply:

(1) If, after a review of the facts surrounding the seizure, the State's Attorney is of the opinion that the

seized property is subject to forfeiture, then within 45 days of the receipt of notice of seizure by the seizing agency or the filing of the claim and cost bond, whichever is later, the State's Attorney shall institute judicial forfeiture proceedings by filing a verified complaint for forfeiture and, if the claimant has filed a claim and cost bond, by depositing the cost bond with the clerk of the court. When authorized by law, a forfeiture must be ordered by a court on an action in rem brought by a State's Attorney under a verified complaint for forfeiture.

(2) During the probable cause portion of the judicial in rem proceeding wherein the State presents its case-in-chief, the court must receive and consider, among other things, all relevant hearsay evidence and information. The laws of evidence relating to civil actions apply to all other portions of the judicial in rem proceeding.

(3) Only an owner of or interest holder in the property may file an answer asserting a claim against the property in the action in rem. For purposes of this Section, the owner or interest holder shall be referred to as claimant. Upon motion of the State, the court shall first hold a hearing, wherein any claimant must establish by a preponderance of the evidence, that he or she has a lawful, legitimate ownership interest in the property and that it was obtained through a lawful source.

(4) The answer must be signed by the owner or interest holder under penalty of perjury and must set forth:

(A) the caption of the proceedings as set forth on the notice of pending forfeiture and the name of the claimant;

(B) the address at which the claimant will accept mail;

(C) the nature and extent of the claimant's interest in the property;

(D) the date, identity of transferor, and circumstances of the claimant's acquisition of the interest in the property;

(E) the name and address of all other persons known to have an interest in the property;

(F) all essential facts supporting each assertion;
and

(G) the precise relief sought.

(5) The answer must be filed with the court within 45 days after service of the civil in rem complaint.

(6) The hearing must be held within 60 days after filing of the answer unless continued for good cause.

(7) The State shall show the existence of probable cause for forfeiture of the property. If the State shows probable cause, the claimant has the burden of showing by a preponderance of the evidence that the claimant's interest in the property is not subject to forfeiture.

(8) If the State does not show existence of probable cause, the court shall order the interest in the property returned or conveyed to the claimant and shall order all other property forfeited to the State. If the State does show existence of probable cause, the court shall order all property forfeited to the State.

(9) A defendant convicted in any criminal proceeding is precluded from later denying the essential allegations of the criminal offense of which the defendant was convicted in any proceeding under this Article regardless of the pendency of an appeal from that conviction. However, evidence of the pendency of an appeal is admissible.

(10) An acquittal or dismissal in a criminal proceeding does not preclude civil proceedings under this Article; however, for good cause shown, on a motion by the State's Attorney, the court may stay civil forfeiture proceedings during the criminal trial for a related criminal indictment or information alleging a money laundering violation. Such a stay shall not be available pending an appeal. Property subject to forfeiture under this Article shall not be subject to return or release by a court exercising jurisdiction over a criminal case involving the seizure of such property unless such return or release is consented to by the State's Attorney.

(11) All property declared forfeited under this Article vests in this State on the commission of the

conduct giving rise to forfeiture together with the proceeds of the property after that time. Any such property or proceeds subsequently transferred to any person remain subject to forfeiture and thereafter shall be ordered forfeited.

(12) A civil action under this Article must be commenced within 5 years after the last conduct giving rise to forfeiture became known or should have become known or 5 years after the forfeitable property is discovered, whichever is later, excluding any time during which either the property or claimant is out of the State or in confinement or during which criminal proceedings relating to the same conduct are in progress.

(m) Stay of time periods. If property is seized for evidence and for forfeiture, the time periods for instituting judicial and non-judicial forfeiture proceedings shall not begin until the property is no longer necessary for evidence.

(n) Settlement of claims. Notwithstanding other provisions of this Article, the State's Attorney and a claimant of seized property may enter into an agreed-upon settlement concerning the seized property in such an amount and upon such terms as are set out in writing in a settlement agreement.

(o) Property constituting attorney fees. Nothing in this Article applies to property which constitutes reasonable bona fide attorney's fees paid to an attorney for services rendered or to be rendered in the forfeiture proceeding or criminal

proceeding relating directly thereto where such property was paid before its seizure, before the issuance of any seizure warrant or court order prohibiting transfer of the property and where the attorney, at the time he or she received the property did not know that it was property subject to forfeiture under this Article.

(p) Construction. It is the intent of the General Assembly that the forfeiture provisions of this Article be liberally construed so as to effect their remedial purpose. The forfeiture of property and other remedies hereunder shall be considered to be in addition to, and not exclusive of, any sentence or other remedy provided by law.

(q) Judicial review. If property has been declared forfeited under subsection (k) of this Section, any person who has an interest in the property declared forfeited may, within 30 days after the effective date of the notice of the declaration of forfeiture, file a claim and cost bond as described in paragraph (3) of subsection (k) of this Section. If a claim and cost bond is filed under this Section, then the procedures described in subsection (l) of this Section apply.

(r) Burden of proof of exemption or exception. It is not necessary for the State to negate any exemption or exception in this Article in any complaint, information, indictment or other pleading or in any trial, hearing, or other proceeding under this Article. The burden of proof of any exemption or exception is upon the person claiming it.

(s) Review of administrative decisions. All administrative findings, rulings, final determinations, findings, and conclusions of the State's Attorney's Office under this Article are final and conclusive decisions of the matters involved. Any person aggrieved by the decision may obtain review of the decision pursuant to the provisions of the Administrative Review Law and the rules adopted pursuant to that Law. Pending final decision on such review, the administrative acts, orders, and rulings of the State's Attorney's Office remain in full force and effect unless modified or suspended by order of court pending final judicial decision. Pending final decision on such review, the acts, orders, and rulings of the State's Attorney's Office remain in full force and effect, unless stayed by order of court. However, no stay of any decision of the administrative agency shall issue unless the person aggrieved by the decision establishes by a preponderance of the evidence that good cause exists for the stay. In determining good cause, the court shall find that the aggrieved party has established a substantial likelihood of prevailing on the merits and that granting the stay will not have an injurious effect on the general public.

Within 15 days after such delivery the sheriff shall give notice of seizure to each person according to the following method: Upon each such person whose right, title or interest is of record in the office of the Secretary of State, the Secretary of Transportation, the Administrator of the Federal Aviation Agency, or any other Department of this State, or any other state of the United States if such vessel, vehicle or aircraft is required to be so registered, as the case may be, by mailing a copy of the notice by certified mail to the address as given upon the records of the Secretary of State, the Department of Aeronautics, Department of Public Works and Buildings or any other Department of this State or the United States if such vessel, vehicle or aircraft is required to be so registered. Within that 15 day period the sheriff shall also notify the State's Attorney of the county of seizure about the seizure.

In addition, any mobile or portable equipment used in the commission of an act which is in violation of Section 7g of the Metropolitan Water Reclamation District Act shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vessels, vehicles and aircraft, and any such equipment shall be deemed a vessel, vehicle or aircraft for purposes of this Article.

A written declaration of forfeiture of a vehicle under this Section shall be sufficient cause for the title to be transferred to the spouse or family member. The provisions of this paragraph shall apply only to one forfeiture per vehicle. If the vehicle is the subject of a subsequent forfeiture proceeding by virtue of a subsequent conviction of either spouse or the family member, the spouse or family member to whom the vehicle was forfeited under the first forfeiture proceeding may not utilize the provisions of this

paragraph in another forfeiture proceeding. If the owner of the vehicle seized owns more than one vehicle, the procedure set out in this paragraph may be used for only one vehicle.

(b) No release date under this Section shall be set for any

person sentenced to an indeterminate sentence under the law in effect prior to the effective date of this amendatory Act of 1977 in which the minimum term of such sentence is 20 years or more.

(c) The Prisoner Review Board shall notify each eligible offender of his or her release date in a form substantially as follows:

Date of Notice

"To (Name of offender):

Under a recent change in the law you are provided with this choice:

(1) You may remain under your present indeterminate sentence and continue to be eligible for parole; or (2) you may waive your right to parole and accept the release date which has been set for you. From this release date will be deducted any good conduct credit you may earn.

If you accept the release date established by the Board, you will no longer be eligible for parole.

Your release date from prison has been set for: (release date) , subject to a term of mandatory supervised release as provided by law.

If you accumulate the maximum amount of good conduct credit as allowed by law recently enacted, you can be released on: , subject to a term of mandatory supervised release as provided by law.

Should you choose not to accept the release date, your next

parole hearing will be:

The Board has based its determination of your release date on the following:

(1) The material that normally would be examined in connection with your parole hearing, as set forth in paragraph (d) of Section 3-3-4 of the Unified Code of Corrections:

(2) the intent of the court in imposing sentence on you;

(3) the present schedule of sentences for similar offenses provided by Articles 4.5 and 5 of Chapter V of the Unified Code of Corrections, as amended;

(4) the factors in mitigation and aggravation provided by Sections 5-5-3.1 and 5-5-3.2 of the Unified Code of Corrections, as amended;

(5) The rate of accumulating good conduct credits provided by Section 3-6-3 of the Unified Code of Corrections, as amended;

(6) your behavior since commitment.

You now have 60 days in which to decide whether to remain under your indeterminate sentence and continue to be eligible for parole or waive your right to parole and accept the release date established for you by the Board. If you do nothing within 60 days, you will remain under the parole system.

If you accept the release date, you may accumulate good conduct credit at the maximum rate provided under the law

recently enacted.

If you feel that the release date set for you is unfair or is not based on complete information required to be considered by the Board, you may request that the Board reconsider the date. In your request you must set forth specific reasons why you feel the Board's release date is unfair and you may submit relevant material in support of your request.

The Department of Corrections is obligated to assist you in that effort, if you ask it to do so.

The Board will notify you within 60 days whether or not it will reconsider its decision. The Board's decision with respect to reconsidering your release date is final and cannot be appealed to any court.

If the Board decides not to reconsider your case you will have 60 days in which to decide whether to accept the release date and waive your right to parole or to continue under the parole system. If you do nothing within 60 days after you receive notification of the Board's decision you will remain under the parole system.

If the Board decides to reconsider its decision with respect to your release date, the Board will schedule a date for reconsideration as soon as practicable, but no later than 60 days from the date it receives your request, and give you at least 30 days notice. You may submit material to the Board which you believe will be helpful in deciding a proper date for your release. The Department of Corrections is obligated to

assist you in that effort, if you ask it to do so.

Neither you nor your lawyer has the right to be present on the date of reconsideration, nor the right to call witnesses. However, the Board may ask you or your lawyer to appear or may ask to hear witnesses. The Board will base its determination on the same data on which it made its earlier determination, plus any new information which may be available to it.

When the Board has made its decision you will be informed of the release date. In no event will it be longer than the release date originally determined. From this date you may continue to accumulate good conduct credits at the maximum rate. You will not be able to appeal the Board's decision to a court.

Following the Board's reconsideration and upon being notified of your release date you will have 60 days in which to decide whether to accept the release date and waive your right to parole or to continue under the parole system. If you do nothing within 60 days after notification of the Board's decision you will remain under the parole system."

(d) The Board shall provide each eligible offender with a form substantially as follows:

"I (name of offender) am fully aware of my right to choose between parole eligibility and a fixed release date. I know that if I accept the release date established, I will give up my right to seek parole. I have read and understood the Prisoner Review Board's letter, and I know how and under what

circumstances the Board has set my release date. I know that I will be released on that date and will be released earlier if I accumulate good conduct credit. I know that the date set by the Board is final, and can't be appealed to a court.

Fully aware of all the implications, I expressly and knowingly waive my right to seek parole and accept the release date as established by the Prisoner Review Board."

(6) The offender's behavior since commitment to the Department.

(f) After the release date is set by the Board, the offender can accumulate good conduct credits in accordance with Section 3-6-3 of this Code.

(h) (1) Except as provided in subsection (b), each prisoner appearing at his next parole hearing subsequent to the effective date of the amendatory Act of 1977, shall be notified within 7 days of the hearing that he will either be released on parole or that a release date has been set by the Board. A written statement of the basis for the decision with regard to the release date set shall be given to such prisoners no later than 14 days following the parole hearing.

(2) Each prisoner upon notification of his release date shall have 60 days to choose whether to remain under the parole system or to accept the release date established by the Board. No release date shall be effective unless the prisoner waives his right to parole in writing. If no choice is made by such prisoner within 60 days from the date of his notification of a release date, such prisoner shall remain under the parole system.

(C) When the Board has made its decision, the prisoner shall be informed of the release date as provided for in subsection (c) no later than 7 days following the reconsideration. In no event shall such release date be longer than the release date originally determined. The decision of the Board is final. No court shall have jurisdiction to review the Board's decision.

Following the Board's reconsideration and its notification to the prisoner of his or her release date, such prisoner shall have 60 days from the date of such notice in which to decide whether to accept the release date and waive his or her right to parole or to continue under the parole system. If such prisoner does nothing within 60 days after notification of the Board's decision, he or she shall remain under the parole system.

(730 ILCS 5/5-6-1) (from Ch. 38, par. 1005-6-1)

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of

probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply

to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) a felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

(1) the offender is not likely to commit further crimes;

(2) the defendant and the public would be best served

if the defendant were not to receive a criminal record; and

(3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(c-5) Subsections (a), (b), and (c) of this Section do not apply to a defendant charged with a second or subsequent violation of Section 6-303 of the Illinois Vehicle Code committed while his or her driver's license, permit or privileges were revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance when the defendant has previously been:

(3) pleaded guilty to or stipulated to the facts supporting a charge or a finding of guilty to a violation

of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state, and the plea or stipulation was the result of a plea agreement.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

The accused shall be responsible for payment of any traffic safety program fees. If the accused fails to file a certificate of successful completion on or before the termination date of the supervision order, the supervision shall be summarily revoked and conviction entered. (d) An offender sentenced to probation or to conditional discharge shall be given a certificate setting forth the conditions thereof.

(e) Except where the offender has committed a fourth or subsequent violation of subsection (c) of Section 6-303 of the Illinois Vehicle Code, the court shall not require as a condition of the sentence of probation or conditional discharge

This amendatory Act of the 93rd General Assembly deletes the \$10 increase in the fee under this subsection that was imposed by Public Act 93-616. This deletion is intended to control over any other Act of the 93rd General Assembly that retains or incorporates that fee increase.

(b) The period of supervision shall be reasonable under all of the circumstances of the case, but may not be longer than 2 years, unless the defendant has failed to pay the assessment required by Section 10.3 of the Cannabis Control Act, Section 411.2 of the Illinois Controlled Substances Act, or Section 80 of the Methamphetamine Control and Community Protection Act, in which case the court may extend supervision beyond 2 years. Additionally, the court shall order the defendant to perform no less than 30 hours of community service and not more than 120 hours of community service, if community service is available

Where possible and reasonable, the community service should be performed in the offender's neighborhood.

For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(c) The court may in addition to other reasonable conditions relating to the nature of the offense or the rehabilitation of the defendant as determined for each defendant in the proper discretion of the court require that the person:

(10) perform some reasonable public or community service;

(11) comply with the terms and conditions of an order of protection issued by the court pursuant to the Illinois Domestic Violence Act of 1986 or an order of protection issued by the court of another state, tribe, or United States territory. If the court has ordered the defendant to make a report and appear in person under paragraph (1) of this subsection, a copy of the order of protection shall be transmitted to the person or agency so designated by the court;

(12) reimburse any "local anti-crime program" as defined in Section 7 of the Anti-Crime Advisory Council Act for any reasonable expenses incurred by the program on the offender's case, not to exceed the maximum amount of the fine authorized for the offense for which the defendant was sentenced;

(13) contribute a reasonable sum of money, not to exceed the maximum amount of the fine authorized for the offense for which the defendant was sentenced, (i) to a "local anti-crime program", as defined in Section 7 of the Anti-Crime Advisory Council Act, or (ii) for offenses under the jurisdiction of the Department of Natural Resources, to

the fund established by the Department of Natural Resources for the purchase of evidence for investigation purposes and to conduct investigations as outlined in Section 805-105 of the Department of Natural Resources (Conservation) Law;

(17) refrain from operating any motor vehicle not equipped with an ignition interlock device as defined in Section 1-129.1 of the Illinois Vehicle Code; under this condition the court may allow a defendant who is not self-employed to operate a vehicle owned by the defendant's

employer that is not equipped with an ignition interlock device in the course and scope of the defendant's employment; and

(18) if placed on supervision for a sex offense as defined in subsection (a-5) of Section 3-1-2 of this Code, unless the offender is a parent or guardian of the person under 18 years of age present in the home and no non-familial minors are present, not participate in a holiday event involving children under 18 years of age, such as distributing candy or other items to children on Halloween, wearing a Santa Claus costume on or preceding Christmas, being employed as a department store Santa Claus, or wearing an Easter Bunny costume on or preceding Easter.

(e) At the conclusion of the period of supervision, if the court determines that the defendant has successfully complied with all of the conditions of supervision, the court shall discharge the defendant and enter a judgment dismissing the charges.

(f) Discharge and dismissal upon a successful conclusion of a disposition of supervision shall be deemed without adjudication of guilt and shall not be termed a conviction for purposes of disqualification or disabilities imposed by law upon conviction of a crime. Two years after the discharge and

dismissal under this Section, unless the disposition of supervision was for a violation of Sections 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Sections 12-3.2 or 16A-3 of the Criminal Code of 1961, in which case it shall be 5 years after discharge and dismissal, a person may have his record of arrest sealed or expunged as may be provided by law. However, any defendant placed on supervision before January 1, 1980, may move for sealing or expungement of his arrest record, as provided by law, at any time after discharge and dismissal under this Section. A person placed on supervision for a sexual offense committed against a minor as defined in clause (a)(1)(L) of Section 5.2 of the Criminal Identification Act or for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not have his or her record of arrest sealed or expunged.

(g) A defendant placed on supervision and who during the period of supervision undergoes mandatory drug or alcohol testing, or both, or is assigned to be placed on an approved electronic monitoring device, shall be ordered to pay the costs incidental to such mandatory drug or alcohol testing, or both, and costs incidental to such approved electronic monitoring in accordance with the defendant's ability to pay those costs. The county board with the concurrence of the Chief Judge of the judicial circuit in which the county is located shall establish

The county treasurer shall deposit the fees collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be.

(h) A disposition of supervision is a final order for the purposes of appeal.

(i) The court shall impose upon a defendant placed on supervision after January 1, 1992 or to community service under the supervision of a probation or court services department after January 1, 2004, as a condition of supervision or supervised community service, a fee of \$50 for each month of supervision or supervised community service ordered by the court, unless after determining the inability of the person placed on supervision or supervised community service to pay the fee, the court assesses a lesser fee. The court may not impose the fee on a minor who is made a ward of the State under the Juvenile Court Act of 1987 while the minor is in placement.

The fee shall be imposed only upon a defendant who is actively supervised by the probation and court services department. The fee shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer for deposit in the probation and court services fund pursuant to Section 15.1 of the Probation and Probation Officers Act.

A circuit court may not impose a probation fee in excess of \$25 per month unless: (1) the circuit court has adopted, by administrative order issued by the chief judge, a standard probation fee guide determining an offender's ability to pay, under guidelines developed by the Administrative Office of the Illinois Courts; and (2) the circuit court has authorized, by administrative order issued by the chief judge, the creation of a Crime Victim's Services Fund, to be administered by the Chief Judge or his or her designee, for services to crime victims and their families. (k) A defendant at least 17 years of age who is placed on supervision for a misdemeanor in a county of 3,000,000 or more inhabitants and who has not been previously convicted of a misdemeanor or felony may as a condition of his or her supervision be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing the high school level Test of General Educational Development (GED) or to work toward completing a vocational training program approved by the court. The court shall revoke the supervision of a person who wilfully fails to comply with this subsection (k). The proof shall be limited to a single action per arrest and may not be affected by any post-sentence disposition. The Secretary of State shall suspend the driver's license of any person determined by the Secretary to be in violation of this subsection.

(n) Any offender placed on supervision for any offense that

the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

For purposes of this subsection (p), "Internet" has the meaning ascribed to it in Section 16J-5 of the Criminal Code of 1961; and a person is not related to

(730 ILCS 5/5-8-4) (from Ch. 38, par. 1005-8-4)

Sec. 5-8-4. Concurrent and consecutive terms of imprisonment.

(a) Concurrent terms; multiple or additional sentences. When an Illinois court (i) imposes multiple sentences of imprisonment on a defendant at the same time or (ii) imposes a sentence of imprisonment on a defendant who is already subject to a sentence of imprisonment imposed by an Illinois court, a court of another state, or a federal court, then the sentences shall run concurrently unless otherwise determined by the Illinois court under this Section.

(b) Concurrent terms; misdemeanor and felony. A defendant serving a sentence for a misdemeanor who is convicted of a felony and sentenced to imprisonment shall be transferred to the Department of Corrections, and the misdemeanor sentence shall be merged in and run concurrently with the felony sentence.

(c) Consecutive terms; permissive. The court may impose consecutive sentences in any of the following circumstances:

(1) If, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is the opinion of the court that consecutive sentences are required to protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

(2) If one of the offenses for which a defendant was convicted was a violation of Section 32-5.2 (aggravated false personation of a peace officer) of the Criminal Code of 1961 (720 ILCS 5/32-5.2) and the offense was committed in attempting or committing a forcible felony.

(d) Consecutive terms; mandatory. The court shall impose consecutive sentences in each of the following circumstances:

(1) One of the offenses for which the defendant was convicted was first degree murder or a Class X or Class 1 felony and the defendant inflicted severe bodily injury.

(2) The defendant was convicted of a violation of Section 12-13 (criminal sexual assault), 12-14 (aggravated criminal sexual assault), or 12-14.1 (predatory criminal sexual assault of a child) of the Criminal Code of 1961 (720 ILCS 5/12-13, 5/12-14, or 5/12-14.1).

(3) The defendant was convicted of armed violence based upon the predicate offense of any of the following: solicitation of murder, solicitation of murder for hire,

heinous battery, aggravated battery of a senior citizen, criminal sexual assault, a violation of subsection (g) of Section 5 of the Cannabis Control Act (720 ILCS 550/5), cannabis trafficking, a violation of subsection (a) of Section 401 of the Illinois Controlled Substances Act (720 ILCS 570/401), controlled substance trafficking involving a Class X felony amount of controlled substance under Section 401 of the Illinois Controlled Substances Act (720 ILCS 570/401), a violation of the Methamphetamine Control and Community Protection Act (720 ILCS 646/), calculated criminal drug conspiracy, or streetgang criminal drug conspiracy.

(4) The defendant was convicted of the offense of leaving the scene of a motor vehicle accident involving death or personal injuries under Section 11-401 of the Illinois Vehicle Code (625 ILCS 5/11-401) and either: (A) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof under Section 11-501 of the Illinois Vehicle Code (625 ILCS 5/11-501), (B) reckless homicide under Section 9-3 of the Criminal Code of 1961 (720 ILCS 5/9-3), or (C) both an offense described in item (A) and an offense described in item (B).

(5) The defendant was convicted of a violation of Section 9-3.1 (concealment of homicidal death) or Section 12-20.5 (dismembering a human body) of the Criminal Code of

1961 (720 ILCS 5/9-3.1 or 5/12-20.5). ~~or~~

(5.5) The ~~(vi)~~ the defendant was convicted of a violation of Section 24-3.7 (use of a stolen firearm in the commission of an offense) of the Criminal Code of 1961. 7

(6) If the defendant was in the custody of the Department of Corrections at the time of the commission of the offense, the sentence shall be served consecutive to the sentence under which the defendant is held by the Department of Corrections. If, however, the defendant is sentenced to punishment by death, the sentence shall be executed at such time as the court may fix without regard to the sentence under which the defendant may be held by the Department.

(7) A sentence under Section 3-6-4 (730 ILCS 5/3-6-4) for escape or attempted escape shall be served consecutive to the terms under which the offender is held by the Department of Corrections.

(8) If a person charged with a felony commits a separate felony while on pretrial release or in pretrial detention in a county jail facility or county detention facility, then the sentences imposed upon conviction of these felonies shall be served consecutively regardless of the order in which the judgments of conviction are entered.

(8.5) If a person commits a battery against a county correctional officer or sheriff's employee while serving a sentence or in pretrial detention in a county jail

facility, then the sentence imposed upon conviction of the battery shall be served consecutively with the sentence imposed upon conviction of the earlier misdemeanor or felony, regardless of the order in which the judgments of conviction are entered.

(9) If a person admitted to bail following conviction of a felony commits a separate felony while free on bond or if a person detained in a county jail facility or county detention facility following conviction of a felony commits a separate felony while in detention, then any sentence following conviction of the separate felony shall be consecutive to that of the original sentence for which the defendant was on bond or detained.

(10) If a person is found to be in possession of an item of contraband, as defined in clause (c) (2) of Section 31A-1.1 of the Criminal Code of 1961, while serving a sentence in a county jail or while in pre-trial detention in a county jail, the sentence imposed upon conviction for the offense of possessing contraband in a penal institution shall be served consecutively to the sentence imposed for the offense in which the person is serving sentence in the county jail or serving pretrial detention, regardless of the order in which the judgments of conviction are entered.

(e) Consecutive terms; subsequent non-Illinois term. If an Illinois court has imposed a sentence of imprisonment on a defendant and the defendant is subsequently sentenced to a term

of imprisonment by a court of another state or a federal court, then the Illinois sentence shall run consecutively to the sentence imposed by the court of the other state or the federal court. That same Illinois court, however, may order that the Illinois sentence run concurrently with the sentence imposed by the court of the other state or the federal court, but only if the defendant applies to that same Illinois court within 30 days after the sentence imposed by the court of the other state or the federal court is finalized.

(f) Consecutive terms; aggregate maximums and minimums. The aggregate maximum and aggregate minimum of consecutive sentences shall be determined as follows:

(1) For sentences imposed under law in effect prior to February 1, 1978, the aggregate maximum of consecutive sentences shall not exceed the maximum term authorized under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V for the 2 most serious felonies involved. The aggregate minimum period of consecutive sentences shall not exceed the highest minimum term authorized under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V for the 2 most serious felonies involved. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(2) For sentences imposed under the law in effect on or after February 1, 1978, the aggregate of consecutive

sentences for offenses that were committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective shall not exceed the sum of the maximum terms authorized under Section 5-8-2 (730 ILCS 5/5-8-2) for the 2 most serious felonies involved, but no such limitation shall apply for offenses that were not committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(g) Consecutive terms; manner served. In determining the manner in which consecutive sentences of imprisonment, one or more of which is for a felony, will be served, the Department of Corrections shall treat the defendant as though he or she had been committed for a single term subject to each of the following:

(1) The maximum period of a term of imprisonment shall consist of the aggregate of the maximums of the imposed indeterminate terms, if any, plus the aggregate of the imposed determinate sentences for felonies, plus the aggregate of the imposed determinate sentences for misdemeanors, subject to subsection (f) of this Section.

(2) The parole or mandatory supervised release term shall be as provided in paragraph (e) of Section 5-4.5-50

(730 ILCS 5/5-4.5-50) for the most serious of the offenses involved.

(3) The minimum period of imprisonment shall be the aggregate of the minimum and determinate periods of imprisonment imposed by the court, subject to subsection (f) of this Section.

(4) The defendant shall be awarded credit against the aggregate maximum term and the aggregate minimum term of imprisonment for all time served in an institution since the commission of the offense or offenses and as a consequence thereof at the rate specified in Section 3-6-3 (730 ILCS 5/3-6-3).

Section 625. The Code of Civil Procedure is amended by changing Section 15-1701 as follows:

(735 ILCS 5/15-1701) (from Ch. 110, par. 15-1701)

Sec. 15-1701. Right to possession.

(a) General. The provisions of this Article shall govern the right to possession of the mortgaged real estate during

foreclosure. Possession under this Article includes physical possession of the mortgaged real estate to the same extent to which the mortgagor, absent the foreclosure, would have been entitled to physical possession. For the purposes of Part 17, real estate is residential real estate only if it is residential real estate at the time the foreclosure is commenced.

(b) Pre-Judgment. Prior to the entry of a judgment of foreclosure:

(1) In the case of residential real estate, the mortgagor shall be entitled to possession of the real estate except if (i) the mortgagee shall object and show good cause, (ii) the mortgagee is so authorized by the terms of the mortgage or other written instrument, and (iii) the court is satisfied that there is a reasonable probability that the mortgagee will prevail on a final hearing of the cause, the court shall upon request place the mortgagee in possession. If the residential real estate consists of more than one dwelling unit, then for the purpose of this Part residential real estate shall mean only that dwelling unit or units occupied by persons described in clauses (i), (ii) and (iii) of Section 15-1219.

(2) In all other cases, if (i) the mortgagee is so authorized by the terms of the mortgage or other written instrument, and (ii) the court is satisfied that there is a

reasonable probability that the mortgagee will prevail on a final hearing of the cause, the mortgagee shall upon request be placed in possession of the real estate, except that if the mortgagor shall object and show good cause, the court shall allow the mortgagor to remain in possession.

(c) Judgment Through 30 Days After Sale Confirmation. After the entry of a judgment of foreclosure and through the 30th day after a foreclosure sale is confirmed:

(1) Subsection (b) of Section 15-1701 shall be applicable, regardless of the provisions of the mortgage or other instrument, except that after a sale pursuant to the judgment the holder of the certificate of sale (or, if none, the purchaser at the sale) shall have the mortgagee's right to be placed in possession, with all rights and duties of a mortgagee in possession under this Article.

(2) Notwithstanding paragraph (1) of subsection (b) and paragraph (1) of subsection (c) of Section 15-1701, upon request of the mortgagee, a mortgagor of residential real estate shall not be allowed to remain in possession between the expiration of the redemption period and through the 30th day after sale confirmation unless (i) the mortgagor pays to the mortgagee or such holder or purchaser, whichever is applicable, monthly the lesser of the interest due under the mortgage calculated at the mortgage rate of interest applicable as if no default had occurred or the fair rental value of the real estate, or

(ii) the mortgagor otherwise shows good cause. Any amounts paid by the mortgagor pursuant to this subsection shall be credited against the amounts due from the mortgagor.

(d) After 30 Days After Sale Confirmation. The holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, except to the extent the holder or purchaser may consent otherwise, shall be entitled to possession of the mortgaged real estate, as of the date 30 days after the order confirming the sale is entered, against those parties to the foreclosure whose interests the court has ordered terminated, without further notice to any party, further order of the court, or resort to proceedings under any other statute other than this Article. This right to possession shall be limited by the provisions governing entering and enforcing orders of possession under subsection (g) of Section 15-1508. If the holder or purchaser determines that there are occupants of the mortgaged real estate who have not been made parties to the foreclosure and had their interests terminated therein, the holder or purchaser may bring a proceeding under subsection (h) of this Section or under Article 9 of this Code to terminate the rights of possession of any such occupants. The holder or purchaser shall not be entitled to proceed against any such occupant under Article 9 of this Code until after 30 days after the order confirming the sale is entered.

(e) Termination of Leases. A lease of all or any part of

the mortgaged real estate shall not be terminated automatically solely by virtue of the entry into possession by (i) a mortgagee or receiver prior to the entry of an order confirming the sale, (ii) the holder of the certificate of sale, (iii) the holder of the deed issued pursuant to that certificate, or (iv) if no certificate or deed was issued, the purchaser at the sale.

(f) Other Statutes; Instruments. The provisions of this Article providing for possession of mortgaged real estate shall supersede any other inconsistent statutory provisions. In particular, and without limitation, whenever a receiver is sought to be appointed in any action in which a foreclosure is also pending, a receiver shall be appointed only in accordance with this Article. Except as may be authorized by this Article, no mortgage or other instrument may modify or supersede the provisions of this Article.

(g) Certain Leases. Leases of the mortgaged real estate entered into by a mortgagee in possession or a receiver and approved by the court in a foreclosure shall be binding on all parties, including the mortgagor after redemption, the purchaser at a sale pursuant to a judgment of foreclosure and any person acquiring an interest in the mortgaged real estate after entry of a judgment of foreclosure in accordance with Sections 15-1402 and 15-1403.

(h) Proceedings Against Certain Occupants.

(1) The mortgagee-in-possession of the mortgaged real

estate under Section 15-1703, a receiver appointed under Section 15-1704, a holder of the certificate of sale or deed, or the purchaser may, at any time during the pendency of the foreclosure and up to 90 days after the date of the order confirming the sale, file a supplemental petition for possession against a person not personally named as a party to the foreclosure. The supplemental petition for possession shall name each such occupant against whom possession is sought and state the facts upon which the claim for relief is premised.

(2) The petitioner shall serve upon each named occupant the petition, a notice of hearing on the petition, and, if any, a copy of the certificate of sale or deed. The proceeding for the termination of such occupant's possessory interest, including service of the notice of the hearing and the petition, shall in all respects comport with the requirements of Article 9 of this Code, except as otherwise specified in this Section. The hearing shall be no less than 21 days from the date of service of the notice.

(3) The supplemental petition shall be heard as part of the foreclosure proceeding and without the payment of additional filing fees. An order for possession obtained under this Section shall name each occupant whose interest has been terminated, shall recite that it is only effective as to the occupant so named and those holding under them,

and shall be enforceable for no more than 120 days after its entry, except that the 120-day period may be extended to the extent and in the manner provided in Section 9-117 of Article 9 and except as provided in item (4) of this subsection (h).

(4) In a case of foreclosure where the occupant is current on his or her rent, or where timely written notice of to whom and where the rent is to be paid has not been provided to the occupant, or where the occupant has made good-faith efforts to make rental payments in order to keep current, any order of possession must allow the occupant to retain possession of the property covered in his or her rental agreement (i) for 120 days following the notice of the hearing on the supplemental petition that has been properly served upon the occupant, or (ii) through the duration of his or her lease, whichever is shorter, provided that if the duration of his or her lease is less than 30 days from the date of the order, the order shall allow the occupant to retain possession for 30 days from the date of the order. A mortgagee in possession, receiver, holder of a certificate of sale or deed, or purchaser at the judicial sale, who asserts that the occupant is not current in rent, shall file an affidavit to that effect in the supplemental petition proceeding. If the occupant has been given timely written notice of to whom and where the rent is to be paid, this item (4) shall only apply if the

occupant continues to pay his or her rent in full during the 120-day period or has made good-faith efforts to pay the rent in full during that period. (740 ILCS 10/7.2) (from Ch. 38, par. 60-7.2)

Sec. 7.2. (1) Whenever it appears to the Attorney General

that any person has engaged in, is engaging in, or is about to engage in any act or practice prohibited by this Act, or that any person has assisted or participated in any agreement or combination of the nature described herein, he may, in his discretion, conduct an investigation as he deems necessary in connection with the matter and has the authority prior to the commencement of any civil or criminal action as provided for in the Act to subpoena witnesses, and pursuant to a subpoena (i) compel their attendance for the purpose of examining them under oath, (ii) require the production of any books, documents, records, writings or tangible things hereafter referred to as "documentary material" which the Attorney General deems relevant or material to his investigation, for inspection, reproducing or copying under such terms and conditions as hereafter set forth, (iii) require written answers under oath to written interrogatories, or (iv) require compliance with a combination of the foregoing. Any subpoena issued by the Attorney General shall contain the following information:

(a) The statute and section thereof, the alleged violation of which is under investigation and the general subject matter of the investigation.

(b) The date and place at which time the person is required to appear or produce documentary material in his possession, custody or control or submit answers to interrogatories in the office of the Attorney General located in Springfield or Chicago. Said date shall not be

less than 10 days from date of service of the subpoena.

(c) Where documentary material is required to be produced, the same shall be described by class so as to clearly indicate the material demanded.

The Attorney General is hereby authorized, and may so elect, to require the production, pursuant to this section, of documentary material or interrogatory answers prior to the taking of any testimony of the person subpoenaed. Said documentary material shall be made available for inspection and copying during normal business hours at the principal place of business of the person served, or at such other time and place, as may be agreed upon by the person served and the Attorney General. When documentary material is demanded by subpoena, said subpoena shall not:

(i) contain any requirement which would be unreasonable or improper if contained in a subpoena duces tecum issued by a court of this State; or

(ii) require the disclosure of any documentary material which would be privileged, or which for any other reason would not be required by a subpoena duces tecum issued by a court of this State.

(2) ~~(d)~~ The production of documentary material in response to a subpoena served pursuant to this Section shall be made under a sworn certificate, in such form as the subpoena designates, by the person, if a natural person, to whom the demand is directed or, if not a natural person, by a person or

persons having knowledge of the facts and circumstances relating to such production, to the effect that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the custodian. Answers to interrogatories shall be accompanied by a statement under oath attesting to the accuracy of the answers.

While in the possession of the Attorney General and under such reasonable terms and conditions as the Attorney General shall prescribe: (A) documentary material shall be available for examination by the person who produced such material or by any duly authorized representative of such person, (B) transcript of oral testimony shall be available for examination by the person who produced such testimony, or his or her counsel and (C) answers to interrogatories shall be available for examination by the person who swore to their accuracy.

Except as otherwise provided in this Section, no documentary material, transcripts of oral testimony, or answers to interrogatories, or copies thereof, in the possession of the Attorney General shall be available for examination by any individual other than an authorized employee of the Attorney General or other law enforcement officials, federal, State, or local, without the consent of the person who produced such material, transcripts, or interrogatory answers.

For purposes of this Section, all documentary materials, transcripts of oral testimony, or answers to interrogatories

obtained by the Attorney General from other law enforcement officials shall be treated as if produced pursuant to a subpoena served pursuant to this Section for purposes of maintaining the confidentiality of such information.

(3) ~~(e)~~ No person shall, with intent to avoid, evade, prevent, or obstruct compliance in whole or in part by any person with any duly served subpoena of the Attorney General under this Act, knowingly remove from any place, conceal, withhold, destroy, mutilate, alter, or by any other means falsify any documentary material that is the subject of such subpoena. A violation of this subsection is a Class A misdemeanor. The Attorney General, with such assistance as he may from time to time require of the State's Attorneys in the several counties, shall investigate suspected violations of this subsection and shall commence and try all prosecutions under this subsection.

(765 ILCS 605/18.4) (from Ch. 30, par. 318.4)

Sec. 18.4. Powers and Duties of Board of Managers. The board of managers shall exercise for the association all powers, duties and authority vested in the association by law or the condominium instruments except for such powers, duties and authority reserved by law to the members of the association. The powers and duties of the board of managers shall include, but shall not be limited to, the following:

(a) To provide for the operation, care, upkeep, maintenance, replacement and improvement of the common elements. Nothing in this subsection (a) shall be deemed to invalidate any provision in a condominium instrument placing limits on expenditures for the common elements, provided, that such limits shall not be applicable to expenditures for repair, replacement, or restoration of existing portions of the common elements. The term "repair, replacement or restoration" means expenditures to deteriorated or damaged portions of the property related to the existing decorating, facilities, or structural or mechanical components, interior or exterior surfaces, or

energy systems and equipment with the functional equivalent of the original portions of such areas. Replacement of the common elements may result in an improvement over the original quality of such elements or facilities; provided that, unless the improvement is mandated by law or is an emergency as defined in item (iv) of subparagraph (8) of paragraph (a) of Section 18, if the improvement results in a proposed expenditure exceeding 5% of the annual budget, the board of managers, upon written petition by unit owners with 20% of the votes of the association delivered to the board within 14 days of the board action to approve the expenditure, shall call a meeting of the unit owners within 30 days of the date of delivery of the petition to consider the expenditure. (b) To prepare, adopt and distribute the annual budget for the property.

(c) To levy and expend assessments.

(d) To collect assessments from unit owners.

(e) To provide for the employment and dismissal of the personnel necessary or advisable for the maintenance and operation of the common elements.

(f) To obtain adequate and appropriate kinds of insurance.

(g) To own, convey, encumber, lease, and otherwise deal with units conveyed to or purchased by it.

(h) To adopt and amend rules and regulations covering the details of the operation and use of the property, after a meeting of the unit owners called for the specific purpose of discussing the proposed rules and regulations. Notice of the meeting shall contain the full text of the proposed rules and regulations, and the meeting shall conform to the requirements of Section 18(b) of this Act, except that no quorum is required at the meeting of the unit owners unless the declaration, bylaws or other condominium instrument expressly provides to the contrary. However, no rule or regulation may impair any rights guaranteed by the First Amendment to the Constitution of the United States or Section 4 of Article I of the Illinois Constitution including, but not limited to, the free exercise of religion, nor may any rules or regulations conflict with the provisions of this Act or the condominium instruments. No rule or regulation shall prohibit any reasonable accommodation for religious practices, including the attachment of religiously mandated objects to the front-door area of a condominium unit.

(i) To keep detailed, accurate records of the receipts and expenditures affecting the use and operation of the property.

(j) To have access to each unit from time to time as

may be necessary for the maintenance, repair or replacement of any common elements or for making emergency repairs necessary to prevent damage to the common elements or to other units.

(k) To pay real property taxes, special assessments, and any other special taxes or charges of the State of Illinois or of any political subdivision thereof, or other lawful taxing or assessing body, which are authorized by law to be assessed and levied upon the real property of the condominium.

(l) To impose charges for late payment of a unit owner's proportionate share of the common expenses, or any other expenses lawfully agreed upon, and after notice and an opportunity to be heard, to levy reasonable fines for violation of the declaration, by-laws, and rules and regulations of the association.

(m) Unless the condominium instruments expressly provide to the contrary, by a majority vote of the entire board of managers, to assign the right of the association to future income from common expenses or other sources, and to mortgage or pledge substantially all of the remaining assets of the association.

(n) To record the dedication of a portion of the common elements to a public body for use as, or in connection with, a street or utility where authorized by the unit owners under the provisions of Section 14.2.

(o) To record the granting of an easement for the laying of cable television cable where authorized by the unit owners under the provisions of Section 14.3; to obtain, if available and determined by the board to be in the best interests of the association, cable television service for all of the units of the condominium on a bulk identical service and equal cost per unit basis; and to assess and recover the expense as a common expense and, if so determined by the board, to assess each and every unit on the same equal cost per unit basis.

(p) To seek relief on behalf of all unit owners when authorized pursuant to subsection (c) of Section 10 from or in connection with the assessment or levying of real property taxes, special assessments, and any other special taxes or charges ~~changes~~ of the State of Illinois or of any political subdivision thereof or of any lawful taxing or assessing body.

(q) To reasonably accommodate the needs of a handicapped unit owner as required by the federal Civil Rights Act of 1968, the Human Rights Act and any applicable local ordinances in the exercise of its powers with respect to the use of common elements or approval of modifications in an individual unit.

(r) To accept service of a notice of claim for purposes of the Mechanics Lien Act on behalf of each respective member of the Unit Owners' Association with respect to

improvements performed pursuant to any contract entered into by the Board of Managers or any contract entered into prior to the recording of the condominium declaration pursuant to this Act, for a property containing more than 8 units, and to distribute the notice to the unit owners within 7 days of the acceptance of the service by the Board of Managers. The service shall be effective as if each individual unit owner had been served individually with notice.

In the performance of their duties, the officers and members of the board, whether appointed by the developer or elected by the unit owners, shall exercise the care required of a fiduciary of the unit owners.

The collection of assessments from unit owners by an association, board of managers or their duly authorized agents shall not be considered acts constituting a collection agency for purposes of the Collection Agency Act.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument that fails to contain the provisions required by this Section shall be deemed to incorporate such provisions by operation of law.

As a condition of payment under items (b)(2) through (b)(6), the motor vehicle dealer must comply with all reasonable requirements provided by the manufacturer, distributor, or wholesaler regarding the return of inventory.

If a manufacturer, distributor, or wholesaler does not reimburse the motor vehicle dealer for the amounts required under items (b)(2) through (b)(6) by the deadlines under this subsection (c), and the Board or, if agreed to under Section 12, the arbitrator, finds the manufacturer, distributor, or wholesaler in violation of this subsection, then the manufacturer, distributor, or wholesaler shall, in addition to any other amounts due, pay the motor vehicle dealer:

(1) interest on the amount due at a rate reasonable in light of commercial practices, determined by the Board or arbitrator; and

(2) reasonable attorney's fees and costs.

~~(3) reasonable attorney's fees and costs.~~

Section 685. The Beer Industry Fair Dealing Act is amended by changing Section 5 as follows:

(815 ILCS 720/5) (from Ch. 43, par. 305)

Sec. 5. Prohibited conduct. No brewer shall:

(1) Induce or coerce, or attempt to induce or coerce, any wholesaler to engage in any illegal act or course of conduct either by threatening to amend, modify, cancel, terminate, or refuse to renew any agreement existing between the brewer and the wholesaler, or by any other means.

(2) Require a wholesaler to assent to any unreasonable requirement, condition, understanding or term or an agreement prohibiting a wholesaler from selling the product of any other brewer or brewers.

(3) Directly or indirectly fix or maintain the price at which a wholesaler may resell beer.

(4) Fail to provide to each wholesaler of its brands a written contract which embodies the brewer's agreement with its wholesalers and conforms to the provisions of this Act.

(5) Require any wholesaler to accept delivery of any beer, signs, advertising materials, or any other item or commodity which has not been ordered by the wholesaler, or require any wholesaler to accept a common carrier for delivery of beer into this State unless the wholesaler consents to the common carrier. In the event a brewer adopts a uniform practice of delivering beer into this State to the premises of all licensed wholesalers, the brewer may select the common carrier in this State.

(6) Require a wholesaler without the wholesaler's approval to participate in an arrangement for the payment or crediting by an electronic fund transfer transaction for any item or commodity other than beer or to access a wholesaler's account for any item or commodity other than beer.

(7) Require a wholesaler to assent to any requirement

prohibiting the wholesaler from disposing, after notice to the brewer, of a product which has been deemed salvageable by a local or State health authority. Nothing herein shall prohibit the brewer from having the first right to purchase the salvageable product from the wholesaler at a price not to exceed the original cost of the product or to subsequently repurchase the product from the insurance company or salvage company.

(8) Refuse to approve or require a wholesaler to terminate a manager or successor manager without good cause. A brewer has good cause only if the person designated as manager or successor manager by the wholesaler fails to meet reasonable standards and qualifications.

(9) Present an agreement to a wholesaler that attempts to waive compliance with any provision of this Act or that requires the wholesaler to waive compliance with any provision of this Act. A wholesaler entering into an agreement containing provisions in conflict with this Act shall not be deemed to waive compliance with any provision of this Act. No brewer shall induce or coerce, or attempt to induce or coerce, any wholesaler to assent to any agreement, amendment, renewal, or replacement agreement that does not comply with this Act and the laws of this State.

(10) Terminate or attempt to terminate an agreement on

the basis that the wholesaler refuses to purchase signs or advertising materials or any quantity or types thereof.

(11) Discriminate against a wholesaler who has entered into a contract relative to signs or advertising materials by not making signs or advertising materials or any quantity or types thereof available to the wholesaler when the brewer makes available such signs or advertising materials to other similarly situated wholesalers in this State.

(12) Present an agreement requiring the wholesaler to arbitrate all disputes without offering the wholesaler in writing the opportunity to reject arbitration and elect to resolve all disputes by maintaining a civil suit in accordance with this Act.

(13) Fail to assign brand extensions to a wholesaler who has been granted the territory to the brand from which the brand extension resulted and agrees to accept the brand extension; however, this requirement does not apply if the wholesaler is not in compliance with the agreement at the time the brewer offers the brand extension to the wholesaler.

(14) Terminate, cancel, or non-renew or attempt to terminate, cancel, or non-renew an agreement on the basis that the wholesaler fails to agree or consent to an amendment at the time such amendment is presented to the wholesaler. A brewer may amend an agreement including

operating standards at any time without the wholesaler's consent if such amendment does not materially, substantially, and adversely affect the wholesaler and such amendment is effective as to all wholesalers of the brewer in the State.

(15) Coerce or attempt to coerce a transferring wholesaler to sign a renewal agreement, replacement agreement, or an amendment to an agreement by threatening to refuse to approve or delay issuing an approval for the sale or transfer of a wholesaler's business.

The agreement must provide in substance that the agreement shall be governed by all applicable provisions of State law, and that such State law is incorporated into the agreement, shall be deemed to be a part thereof, and shall supersede ~~supersede~~ any provision of the agreement in conflict with such State law. If an agreement presented to the wholesaler does not provide this provision in substance the brewer must furnish an executed Illinois addendum to the wholesaler stating that the agreement shall be governed by all applicable provisions of State law, and that such State law is incorporated into the agreement, shall be deemed to be a part hereof, shall supersede ~~supersede~~ any provision of the agreement in conflict with such State law, and shall govern and control.

No brewer who, pursuant to an agreement with a wholesaler which does not violate antitrust laws, has designated a sales territory for which the wholesaler is exclusively responsible

or in which the wholesaler is required to concentrate its efforts, shall enter into an agreement with any other wholesaler for the purpose of establishing an additional wholesaler for the brewer's brand, brands, or brand extension in the territory.

No wholesaler who, pursuant to an agreement is granted a sales territory for which it shall be exclusively responsible or in which it is required to concentrate its efforts, shall make any sale or delivery of beer to any retail licensee whose place of business is not within the territory granted to the wholesaler.

Section 690. The Right to Privacy in the Workplace Act is amended by changing Section 12 as follows:

(820 ILCS 55/12)

Sec. 12. Use of Employment Eligibility Verification Systems.

(a) Prior to choosing to voluntarily enroll in any Electronic Employment Verification System, including the E-Verify program and the Basic Pilot program, as authorized by 8 U.S.C. 1324a, Notes, Pilot Programs for Employment Eligibility Confirmation (enacted by P.L. 104-208, div. C, title IV, subtitle A), employers are urged to consult the

Illinois Department of Labor's website for current information on the accuracy of E-Verify and to review and understand an employer's legal responsibilities relating to the use of the voluntary E-Verify program.

(a-1) The Illinois Department of Labor (IDOL) shall post on its website information or links to information from the United States Government Accountability Office, Westat, or a similar reliable source independent of the Department of Homeland Security regarding: (1) the accuracy of the E-Verify databases; (2) the approximate financial burden and expenditure of time that use of E-Verify requires from employers; and (3) an overview of an employer's responsibilities under federal and state law relating to the use of E-Verify.

(b) Upon initial enrollment in an Employment Eligibility Verification System or within 30 days after the effective date of this amendatory Act of the 96th General Assembly, an employer enrolled in E-Verify or any other Employment Eligibility Verification System must attest, under penalty of perjury, on a form prescribed by the IDOL available on the IDOL website:

(1) that the employer has received the Basic Pilot or E-Verify training materials from the Department of Homeland Security (DHS), and that all employees who will administer the program have completed the Basic Pilot or E-Verify Computer Based Tutorial (CBT); and

(2) that the employer has posted the notice from DHS

indicating that the employer is enrolled in the Basic Pilot or E-Verify program and the anti-discrimination notice issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice in a prominent place that is clearly visible to both prospective and current employees. The employer must maintain the signed original of the attestation form prescribed by the IDOL, as well as all CBT certificates of completion and make them available for inspection or copying by the IDOL at any reasonable time.

(c) It is a violation of this Act for an employer enrolled in an Employment Eligibility Verification System, including the E-Verify program and the Basic Pilot program:

(1) to fail to display the notices supplied by DHS and OSC in a prominent place that is clearly visible to both prospective and current employees;

(2) to allow any employee to use an Employment Eligibility Verification System prior to having completed CBT;

(3) to fail to take reasonable steps to prevent an employee from circumventing the requirement to complete the CBT by assuming another employee's E-Verify or Basic Pilot user identification or password;

(4) to use the Employment Eligibility Verification System to verify the employment eligibility of job

applicants prior to hiring or to otherwise use the Employment Eligibility Verification System to screen individuals prior to hiring and prior to the completion of a Form I-9;

(5) to terminate an employee or take any other adverse employment action against an individual prior to receiving a final nonconfirmation notice from the Social Security Administration or the Department of Homeland Security;

(6) to fail to notify an individual, in writing, of the employer's receipt of a tentative nonconfirmation notice, of the individual's right to contest the tentative nonconfirmation notice, and of the contact information for the relevant government agency or agencies that the individual must contact to resolve the tentative nonconfirmation notice;

(7) to fail to safeguard the information contained in the Employment Eligibility Verification System, and the means of access to the system (such as passwords and other privacy protections). An employer shall ensure that the System is not used for any purpose other than employment verification of newly hired employees and shall ensure that the information contained in the System and the means of access to the System are not disseminated to any person other than employees who need such information and access to perform the employer's employment verification responsibilities. +

(c-1) Any claim that an employer refused to hire, segregated, or acted with respect to recruitment, hiring, promotion, renewal or employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges, or conditions of employment without following the procedures of the Employment Eligibility Verification System, including the Basic Pilot and E-Verify programs, may be brought under paragraph (G) (2) of Section 2-102 of the Illinois Human Rights Act.

(c-2) It is a violation of this Section for an individual to falsely pose as an employer in order to enroll in an Employment Eligibility Verification System or for an employer to use an Employment Eligibility Verification System to access information regarding an individual who is not an employee of the employer.

(d) Preemption. Neither the State nor any of its political subdivisions, nor any unit of local government, including a home rule unit, may require any employer to use an Employment Eligibility Verification System, including under the following circumstances:

- (1) as a condition of receiving a government contract;
- (2) as a condition of receiving a business license; or
- (3) as penalty for violating licensing or other similar laws.

This subsection (d) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of

Article VII of the Illinois Constitution.

Section 695. The Prevailing Wage Act is amended by changing Section 2 as follows:

(820 ILCS 130/2) (from Ch. 48, par. 39s-2)

Sec. 2. This Act applies to the wages of laborers, mechanics and other workers employed in any public works, as hereinafter defined, by any public body and to anyone under contracts for public works. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented.

As used in this Act, unless the context indicates otherwise:

"Public works" means all fixed works constructed or demolished by any public body, or paid for wholly or in part out of public funds. "Public works" as defined herein includes all projects financed in whole or in part with bonds, grants, loans, or other funds made available by or through the State or any of its political subdivisions, including but not limited to: bonds issued under the Industrial Project Revenue Bond Act (Article 11, Division 74 of the Illinois Municipal Code), the Industrial Building Revenue Bond Act, the Illinois Finance Authority Act, the Illinois Sports Facilities Authority Act, or

the Build Illinois Bond Act; loans or other funds made available pursuant to the Build Illinois Act; or funds from the Fund for Illinois' Future under Section 6z-47 of the State Finance Act, funds for school construction under Section 5 of the General Obligation Bond Act, funds authorized under Section 3 of the School Construction Bond Act, funds for school infrastructure under Section 6z-45 of the State Finance Act, and funds for transportation purposes under Section 4 of the General Obligation Bond Act. "Public works" also includes all projects financed in whole or in part with funds from the Department of Commerce and Economic Opportunity under the Illinois Renewable Fuels Development Program Act for which there is no project labor agreement. "Public works" also includes all projects at leased facility property used for airport purposes under Section 35 of the Local Government Facility Lease Act. "Public works" also includes the construction of a new wind power facility by a business designated as a High Impact Business under Section 5.5(a)(3)(E) of the Illinois Enterprise Zone Act. "Public works" does not include work done directly by any public utility company, whether or not done under public supervision or direction, or paid for wholly or in part out of public funds. "Public works" does not include projects undertaken by the owner at an owner-occupied single-family residence or at an owner-occupied unit of a multi-family residence.

"Construction" means all work on public works involving

laborers, workers or mechanics. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented.

"Locality" means the county where the physical work upon public works is performed, except (1) that if there is not available in the county a sufficient number of competent skilled laborers, workers and mechanics to construct the public works efficiently and properly, "locality" includes any other county nearest the one in which the work or construction is to be performed and from which such persons may be obtained in sufficient numbers to perform the work and (2) that, with respect to contracts for highway work with the Department of Transportation of this State, "locality" may at the discretion of the Secretary of the Department of Transportation be construed to include two or more adjacent counties from which workers may be accessible for work on such construction.

"Public body" means the State or any officer, board or commission of the State or any political subdivision or department thereof, or any institution supported in whole or in part by public funds, and includes every county, city, town, village, township, school district, irrigation, utility, reclamation improvement or other district and every other political subdivision, district or municipality of the state whether such political subdivision, municipality or district operates under a special charter or not.

The terms "general prevailing rate of hourly wages",

"general prevailing rate of wages" or "prevailing rate of wages" when used in this Act mean the hourly cash wages plus fringe benefits for training and apprenticeship programs approved by the U.S. Department of Labor, Bureau of Apprenticeship and Training, health and welfare, insurance, vacations and pensions paid generally, in the locality in which the work is being performed, to employees engaged in work of a similar character on public works.

Section 995. No acceleration or delay. Where this Act makes changes in a statute that is represented in this Act by text that is not yet or no longer in effect (for example, a Section represented by multiple versions), the use of that text does not accelerate or delay the taking effect of (i) the changes made by this Act or (ii) provisions derived from any other Public Act.
