

AN ACT concerning identification.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Illinois Identification Card Act is amended by changing Sections 4, 5, and 12 as follows:

(15 ILCS 335/4) (from Ch. 124, par. 24)

Sec. 4. Identification Card.

(a) The Secretary of State shall issue a standard Illinois Identification Card to any natural person who is a resident of the State of Illinois who applies for such card, or renewal thereof, or who applies for a standard Illinois Identification Card upon release as a committed person on parole, mandatory supervised release, final discharge, or pardon from the Department of Corrections by submitting an identification card issued by the Department of Corrections under Section 3-14-1 of the Unified Code of Corrections, together with the prescribed fees. No identification card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The card shall be prepared and supplied by the Secretary of State and shall include a photograph and signature or mark of the applicant. The Illinois Identification Card may

be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(a-5) If an applicant for an identification card has a current driver's license or instruction permit issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Disabled Person Identification Card, to any natural person who is a resident of the State of Illinois, who is a disabled person as defined in Section 4A of this Act, who applies for such card, or renewal thereof. No Disabled Person Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the

Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Disabled Person Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Disabled Person Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Disabled Person Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant who has been delegated the authority to make this determination by his or her supervising physician, a determination of disability from an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to make this determination, or any other documentation of disability whenever any State law

requires that a disabled person provide such documentation of disability, however an Illinois Disabled Person Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Disabled Person Identification Card, or evidence that the Secretary of State has issued an Illinois Disabled Person Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a disabled person or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

An optometrist's determination of a visual disability under Section 4A of this Act is acceptable as documentation for the purpose of issuing an Illinois Disabled Person Identification Card.

When medical information is contained on an Illinois Disabled Person Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) Beginning January 1, 1986, the Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Disabled Person Identification Card issued to a person under the age of 21, shall be of a distinct nature from those Illinois Identification Cards or Illinois Disabled

Person Identification Cards issued to individuals 21 years of age or older. The color designated for Illinois Identification Cards or Illinois Disabled Person Identification Cards for persons under the age of 21 shall be at the discretion of the Secretary of State.

(c-1) Beginning January 1, 2003, each original or renewal Illinois Identification Card or Illinois Disabled Person Identification Card issued to a person under the age of 21 shall display the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(d) The Secretary of State may issue a Senior Citizen discount card, to any natural person who is a resident of the State of Illinois who is 60 years of age or older and who applies for such a card or renewal thereof. The Secretary of State shall charge no fee to issue such card. The card shall be issued in every county and applications shall be made available at, but not limited to, nutrition sites, senior citizen centers and Area Agencies on Aging. The applicant, upon receipt of such card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark.

(e) The Secretary of State, in his or her discretion, may designate on each Illinois Identification Card or Illinois Disabled Person Identification Card a space where the card holder may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall

indicate in appropriate language that the card holder has renewed his or her Illinois Identification Card or Illinois Disabled Person Identification Card.

Sec. 5. Applications. Any natural person who is a resident of the State of Illinois, may file an application for an identification card or for the renewal thereof, in a manner prescribed by the Secretary. Each original application shall be completed by the applicant in full and shall set forth the legal name, residence address and zip code, social security number, birth date, sex and a brief description of the applicant. The applicant shall be photographed and he shall also submit any other information as the Secretary may deem necessary or such documentation as the Secretary may require to determine the identity of the applicant. In addition to the residence address, the Secretary may allow the applicant to provide a mailing address. An applicant for a disabled persons card must also submit with each original or renewal application, on forms prescribed by the Secretary, such documentation as the Secretary may require, establishing that the applicant is a "disabled person" as defined in Section 4A of this Act, and setting forth the applicant's type and class of disability as set forth in Section 4A of this Act.

Section 10. The Illinois Vehicle Code is amended by changing Sections 6-106, 6-109, 6-110, and 6-118 as follows:

(625 ILCS 5/6-106) (from Ch. 95 1/2, par. 6-106)

Sec. 6-106. Application for license or instruction permit.

(a) Every application for any permit or license authorized to be issued under this Act shall be made upon a form furnished by the Secretary of State. Every application shall be accompanied by the proper fee and payment of such fee shall entitle the applicant to not more than 3 attempts to pass the examination within a period of 1 year after the date of application.

(b) Every application shall state the legal name, social security number, zip code, date of birth, sex, and residence address of the applicant; briefly describe the applicant; state whether the applicant has theretofore been licensed as a driver, and, if so, when and by what state or country, and

whether any such license has ever been cancelled, suspended, revoked or refused, and, if so, the date and reason for such cancellation, suspension, revocation or refusal; shall include an affirmation by the applicant that all information set forth is true and correct; and shall bear the applicant's signature. In addition to the residence address, the Secretary may allow the applicant to provide a mailing address. The application form may also require the statement of such additional relevant information as the Secretary of State shall deem necessary to determine the applicant's competency and eligibility. The Secretary of State may in his discretion substitute a federal tax number in lieu of a social security number, or he may instead assign an additional distinctive number in lieu thereof, where an applicant is prohibited by bona fide religious convictions from applying or is exempt from applying for a social security number. The Secretary of State shall, however, determine which religious orders or sects have such bona fide religious convictions. The Secretary of State may, in his discretion, by rule or regulation, provide that an application for a drivers license or permit may include a suitable photograph of the applicant in the form prescribed by the Secretary, and he may further provide that each drivers license shall include a photograph of the driver. The Secretary of State may utilize a photograph process or system most suitable to deter alteration or improper reproduction of a drivers license and to prevent substitution of another photo

thereon.

(c) The application form shall include a notice to the applicant of the registration obligations of sex offenders under the Sex Offender Registration Act. The notice shall be provided in a form and manner prescribed by the Secretary of State. For purposes of this subsection (c), "sex offender" has the meaning ascribed to it in Section 2 of the Sex Offender Registration Act.

(d) Any male United States citizen or immigrant who applies for any permit or license authorized to be issued under this Act or for a renewal of any permit or license, and who is at least 18 years of age but less than 26 years of age, must be registered in compliance with the requirements of the federal Military Selective Service Act. The Secretary of State must forward in an electronic format the necessary personal information regarding the applicants identified in this subsection (d) to the Selective Service System. The applicant's signature on the application serves as an indication that the applicant either has already registered with the Selective Service System or that he is authorizing the Secretary to forward to the Selective Service System the necessary information for registration. The Secretary must notify the applicant at the time of application that his signature constitutes consent to registration with the Selective Service System, if he is not already registered.

(625 ILCS 5/6-109) (from Ch. 95 1/2, par. 6-109)

Sec. 6-109. Examination of Applicants.

(a) The Secretary of State shall examine every applicant for a driver's license or permit who has not been previously licensed as a driver under the laws of this State or any other state or country, or any applicant for renewal of such driver's license or permit when such license or permit has been expired for more than one year. The Secretary of State shall, subject to the provisions of paragraph (c), examine every licensed driver at least every 8 years, and may examine or re-examine any other applicant or licensed driver, provided that during the years 1984 through 1991 those drivers issued a license for 3 years may be re-examined not less than every 7 years or more than every 10 years.

The Secretary of State shall require the testing of the eyesight of any driver's license or permit applicant who has not been previously licensed as a driver under the laws of this State and shall promulgate rules and regulations to provide for the orderly administration of all the provisions of this Section.

(b) Except as provided for those applicants in paragraph (c), such examination shall include a test of the applicant's eyesight, his ability to read and understand official traffic control devices, his knowledge of safe driving practices and the traffic laws of this State, and may include an actual

demonstration of the applicant's ability to exercise ordinary and reasonable control of the operation of a motor vehicle, and such further physical and mental examination as the Secretary of State finds necessary to determine the applicant's fitness to operate a motor vehicle safely on the highways, except the examination of an applicant 75 years of age or older shall include an actual demonstration of the applicant's ability to exercise ordinary and reasonable control of the operation of a motor vehicle. All portions of written and verbal examinations under this Section, excepting where the English language appears on facsimiles of road signs, may be given in the Spanish language and, at the discretion of the Secretary of State, in any other language as well as in English upon request of the examinee. Deaf persons who are otherwise qualified are not prohibited from being issued a license, other than a commercial driver's license, under this Code.

(c) Re-examination for those applicants who at the time of renewing their driver's license possess a driving record devoid of any convictions of traffic violations or evidence of committing an offense for which mandatory revocation would be required upon conviction pursuant to Section 6-205 at the time of renewal shall be in a manner prescribed by the Secretary in order to determine an applicant's ability to safely operate a motor vehicle, except that every applicant for the renewal of a driver's license who is 75 years of age or older must prove, by an actual demonstration, the applicant's ability to exercise

reasonable care in the safe operation of a motor vehicle.

(d) In the event the applicant is not ineligible under the provisions of Section 6-103 to receive a driver's license, the Secretary of State shall make provision for giving an examination, either in the county where the applicant resides or at a place adjacent thereto reasonably convenient to the applicant, within not more than 30 days from the date said application is received.

(e) The Secretary of State may adopt rules regarding the use of foreign language interpreters during the application and examination process.

Licenses issued shall also indicate the classification and the restrictions under Section 6-104 of this Code.

In lieu of the social security number, the Secretary may in his discretion substitute a federal tax number or other distinctive number.

A driver's license issued may, in the discretion of the

Secretary, include a suitable photograph of a type prescribed by the Secretary.

(a-1) If the licensee is less than 18 years of age, unless one of the exceptions in subsection (a-2) apply, the license shall, as a matter of law, be invalid for the operation of any motor vehicle during the following times:

(a-2.5) The driver's license of a person who is 17 years of age and has been licensed for at least 12 months is not invalid as described in subsection (a-1) of this Section while the licensee is participating as an assigned driver in a Safe Rides program that meets the following criteria:

(1) the program is sponsored by the Boy Scouts of America or another national public service organization; and

(2) the sponsoring organization carries liability insurance covering the program.

(a-3) If a graduated driver's license holder over the age of 18 committed an offense against traffic regulations governing the movement of vehicles or any violation of Section 6-107 or Section 12-603.1 of this Code in the 6 months prior to the graduated driver's license holder's 18th birthday, and was subsequently convicted of the offense, the provisions of subsection (a-1) shall continue to apply until such time as a period of 6 consecutive months has elapsed without an

additional violation and subsequent conviction of an offense against traffic regulations governing the movement of vehicles or Section 6-107 or Section 12-603.1 of this Code.

(a-4) If an applicant for a driver's license or instruction permit has a current identification card issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(b) Until the Secretary of State establishes a First Person Consent organ and tissue donor registry under Section 6-117 of this Code, the Secretary of State shall provide a format on the reverse of each driver's license issued which the licensee may use to execute a document of gift conforming to the provisions of the Illinois Anatomical Gift Act. The format shall allow the licensee to indicate the gift intended, whether specific organs, any organ, or the entire body, and shall accommodate the signatures of the donor and 2 witnesses. The Secretary shall also inform each applicant or licensee of this format, describe the procedure for its execution, and may offer the necessary witnesses; provided that in so doing, the Secretary shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift. A brochure explaining this method of executing an anatomical gift document shall be given to each applicant or licensee. The brochure

shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift, and that he or she may wish to consult with family, friends or clergy before doing so. The Secretary of State may undertake additional efforts, including education and awareness activities, to promote organ and tissue donation.

(c) The Secretary of State shall designate on each driver's license issued a space where the licensee may place a sticker or decal of the uniform size as the Secretary may specify, which sticker or decal may indicate in appropriate language that the owner of the license carries an Emergency Medical Information Card.

The sticker may be provided by any person, hospital, school, medical group, or association interested in assisting in implementing the Emergency Medical Information Card, but shall meet the specifications as the Secretary may by rule or regulation require.

(d) The Secretary of State shall designate on each driver's license issued a space where the licensee may indicate his blood type and RH factor.

(e) The Secretary of State shall provide that each original or renewal driver's license issued to a licensee under 21 years of age shall be of a distinct nature from those driver's licenses issued to individuals 21 years of age and older. The color designated for driver's licenses for licensees under 21 years of age shall be at the discretion of the Secretary of

State.

(e-1) The Secretary shall provide that each driver's license issued to a person under the age of 21 displays the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(f) The Secretary of State shall inform all Illinois licensed commercial motor vehicle operators of the requirements of the Uniform Commercial Driver License Act, Article V of this Chapter, and shall make provisions to insure that all drivers, seeking to obtain a commercial driver's license, be afforded an opportunity prior to April 1, 1992, to obtain the license. The Secretary is authorized to extend driver's license expiration dates, and assign specific times, dates and locations where these commercial driver's tests shall be conducted. Any applicant, regardless of the current expiration date of the applicant's driver's license, may be subject to any assignment by the Secretary. Failure to comply with the Secretary's assignment may result in the applicant's forfeiture of an opportunity to receive a commercial driver's license prior to April 1, 1992.

(g) The Secretary of State shall designate on a driver's license issued, a space where the licensee may indicate that he or she has drafted a living will in accordance with the Illinois Living Will Act or a durable power of attorney for health care in accordance with the Illinois Power of Attorney Act.

(g-1) The Secretary of State, in his or her discretion, may designate on each driver's license issued a space where the licensee may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the owner of the license has renewed his or her driver's license.
