

AN ACT concerning revenue.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Property Tax Code is amended by changing Section 16-55 as follows:

(35 ILCS 200/16-55)

Sec. 16-55. Complaints. On written complaint that any property is overassessed or underassessed, the board shall review the assessment, and correct it, as appears to be just, but in no case shall the property be assessed at a higher percentage of fair cash value than other property in the assessment district prior to equalization by the board or the Department. The board shall include compulsory sales in reviewing and correcting assessments, including, but not limited to, those compulsory sales submitted by the taxpayer, if the board determines that those sales reflect the same property characteristics and condition as those originally used to make the assessment. The board shall also consider whether the compulsory sale would otherwise be considered an arm's length transaction. A complaint to affect the assessment for the current year ~~shall be filed on or before the 10th day of August in counties with less than 150,000 inhabitants and on or before the 10th day of September in counties with 150,000 or~~

~~more but less than 3,000,000 inhabitants, except if the assessment books containing the assessment complained of are not filed with the board of review by the 10th day of July in a county with fewer than 150,000 inhabitants or by the 10th day of August in a county with 150,000 or more but less than 3,000,000 inhabitants, then the complaint shall be filed on or before 30 calendar days after the date of publication of the assessment list under Section 12-10. The board may also, at any time before its revision of the assessments is completed in every year, increase, reduce or otherwise adjust the assessment of any property, making changes in the valuation as may be just, and shall have full power over the assessment of any person and may do anything in regard thereto that it may deem necessary to make a just assessment, but the property shall not be assessed at a higher percentage of fair cash value than the assessed valuation of other property in the assessment district prior to equalization by the board or the Department. No assessment shall be increased until the person to be affected has been notified and given an opportunity to be heard, except as provided below. Before making any reduction in assessments of its own motion, the board of review shall give notice to the assessor or chief county assessment officer who certified the assessment, and give the assessor or chief county assessment officer an opportunity to be heard thereon. All complaints of errors in assessments of property shall be in writing, and shall be filed by the complaining party with the board of~~

review, in duplicate. The duplicate shall be filed by the board of review with the assessor or chief county assessment officer who certified the assessment. In all cases where a change in assessed valuation of \$100,000 or more is sought, the board of review shall also serve a copy of the petition on all taxing districts as shown on the last available tax bill at least 14 days prior to the hearing on the complaint. All taxing districts shall have an opportunity to be heard on the complaint. Complaints shall be classified by townships or taxing districts by the clerk of the board of review. All classes of complaints shall be docketed numerically, each in its own class, in the order in which they are presented, in books kept for that purpose, which books shall be open to public inspection. Complaints shall be considered by townships or taxing districts until all complaints have been heard and passed upon by the board.
