New Act

Creates the Parental Rights for the Blind Act. Contains statements of legislative findings and purpose. Defines terms. Provides that a person's blindness shall not serve as a basis for denial or restriction of parenting time, the allocation of parental responsibilities, participation in adoption proceedings, foster care placement, or guardianship appointment. Provides that the court may require that the supportive parenting services be put in place, with an opportunity to review the need for continuation of the services within a reasonable period of time. Provides that if a court determines that a blind person's parental rights should be denied or limited in any manner, the court shall make specific written findings stating the basis for such a determination and why the provision of supportive parenting services is not a reasonable accommodation that must be made to prevent such denial or limitation.

Requires State agencies to maintain certain records.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Children & Family Services)

The Department estimates that House Bill 2987 (H-AM 1) will not have any significant fiscal impact on the Department of Children and Family Services.

Fiscal Note, House Committee Amendment No. 1 (Dept of Juvenile Justice)

If passed, HB 2987 (H-AM 1) would mandate that state agencies notify the Department of Juvenile Justice regarding job openings for an intern or a student worker. The Department must notify the qualified applicants and maintain records detailing the number of applicants for the aforementioned positions. The Department has the capability to track youth currently on Aftercare. However, this legislation poses many issues for youth no longer in the Department's custody.

Because the implementation would be administrative in nature, the legislation has a minimal, if any, fiscal impact on the Department but would pose administrative burden on the Department of Juvenile Justice.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment 1. Replaces the term "formerly incarcerated youth" with "court-involved youth". Provides that the term "court-involved youth" means an individual who was committed to the custody of the Department of Juvenile Justice or a county juvenile detention center and has been released from that facility or discharged from custody. Removes provisions concerning recordkeeping. Makes other changes.

New Act

Creates the Social Services Contract Notice Act. Provides that the Act applies only to non-governmental service providers who deliver social services designed to ensure the health, safety, education, or welfare of Illinois residents on behalf of the State through grants, contracts, or agreements with State agencies; and applies regardless of the source of the funds with which the grants, contracts, or agreements are paid, including federal assistance moneys. Provides that the Act does not apply to: (i) grants, contracts, or agreements with State agencies for the primary purpose of delivering or producing goods on behalf of the State; (ii) contracts between the State and its political subdivisions or other governments or between State governmental bodies; or (iii) modifications to contractor payment by the State resulting from the generally accepted accounting principles (GAAP) reconciliation process, the Illinois Grant Funds Recovery Act, or the service provider's underutilization of contract value, as determined by the State. Provides that any contract between a State agency and an authorized service provider may be terminated, suspended, or reduced by either party to the contract upon 30 days prior written notice. Permits the State to immediately terminate a contract for social services if the authorized service provider has made material misrepresentations or material omissions explicitly prohibited under State contracting requirements. Provides that the provision applies to agreements or contracts executed on or after the effective date of the Act. Requires State agencies to notify the Governor and other specified persons in writing of their intention to suspend, terminate, or reduce one or more contracts for social services. Defines terms. Effective immediately.

Requires the Illinois Investment Policy Board to make its best efforts to identify all expatriate companies and include those companies in the list of restricted companies distributed to each retirement system and the Illinois State Board of Investment.

Fiscal Note (Dept. of Revenue)

This bill would have no impact on State income tax revenue. Since the Illinois Income Tax Act is already a territorial based taxing system, a corporate inversion transaction is not a State Income tax avoidance scheme. Under current law, the Illinois Income Tax Act taxes U.S. companies only on their domestic income derived from Illinois business activities but does not tax foreign income. As a result, the bill does not provide a remedy to any State income tax planning.

Provides that a defendant who directed the actions of a third party to violate a civil no contact order or stalking no contact order under the principles of accountability under the Criminal Code of 2012 as if the same had been personally done by the defendant, without regard to the mental state of the third party acting at the direction of the defendant. Provides that a petitioner or the State's Attorney on the petitioner's behalf may file a motion to vacate or modify a permanent stalking no contact order 2 years or more after the expiration of the defendant's sentence.
