Amends the Real Estate Appraiser Licensing Act of 2002 and Appraisal Management Company Registration Act. Provides that the Secretary of Financial and Professional Regulation may require participation in a third-party, multi-state licensing system for the licensing of certified general real estate appraisers, certified residential real estate appraisers, associate real estate trainee appraisers, and real estate appraisal education providers; and registration of appraisal management companies. Makes corresponding changes in both Acts. Provides that the multi-state licensing system may share regulatory information and maintain records in compliance with the provisions of the Acts. Provides that the multi-state licensing system may charge an applicant an administration fee that shall be paid directly to the system. Defines "multi-state licensing system". In provisions of the Real Estate Appraiser Licensing Act of 2002 concerning criminal history record checks, provides that the Secretary may designate a multi-state licensing system to perform the checks. Effective immediately.

Amends the Illinois Vehicle Code. Deletes language allowing the Department of Transportation to designate streets or highways in the system of State highways as Class III highways. Provides that non-designated highways include highways that have lane widths of less than 11 feet, State highways not designated as Class I or II, and local highways which are part of any county, township, municipal, or district road system not designated as Class II. Deletes language regarding: the maximum length of vehicles on all non-State highways; and the highways that vehicles not exceeding 65 feet in overall length are allowed to access. Provides that combinations of vehicles over 65 feet in length with no overall length limitation are allowed certain access if there is no sign prohibiting access and the route is not being used as a thoroughfare between Class I or Class II highways. Provides that the maximum length limitation on non-designated highways for a truck tractor in combination with a semitrailer is 65 feet overall dimension and 60 feet overall dimension for a truck tractor-semitrailer-trailer or truck tractor semitrailer-semitrailer. Provides that length limitations do not apply on legal holidays and for a tow truck in combination with a disabled vehicle or combination of disabled vehicles. Provides that a unit of local government shall affirm to the Department if it has no Class II designated truck routes. Provides that units of local government shall report to the Department, and the Department shall post on its website, any limitations prohibiting the operation of vehicles imposed by ordinance or resolution in the unit of local government's non-designated highway system. Provides that, to be effective, an ordinance or resolution passed to designate a Class II roadway need not be signed, but shall be reported to the Department. Repeals a provision that requires local units of government to report to the Department all preferred truck routes, designated truck route networks, or whether there are no such truck routes.

770 ILCS 60/34.5 new

Amends the Counties Code. Creates a mechanics lien demand and referral pilot program. Provides that in counties with a code hearing unit, a recorder may adopt rules establishing a mechanics lien demand and referral process for residential property after a public hearing. Provides that if a recorder determines that a mechanics lien recorded in the grantor's index or the grantee's index is a defective lien, the recorder shall serve a Notice of Defective Lien by certified mail to the last known address of the owner. Provides that if the owner or legal representative of the owner of the residential property confirms in writing that the lien is not involved in pending litigation, the owner may request that the recorder refer the defective mechanics lien to the county's code hearing department for adjudication or serve a Demand to Commence Suit forcing the lienholder to either file suit, respond to the Demand, or forfeit the lien. Provides how the recorder is to serve a Demand to Commence Suit or file a Notice of Referral with the code hearing unit. Provides that if the mechanics lien is referred to the code hearing unit, the code hearing unit will set a hearing and notify the applicable parties. Provides if the recorder shows by clear and convincing evidence that the lien in question is a defective lien, the administrative law judge shall rule the lien is forfeited and that the lien no longer affects the chain of title of the property in any way. Limits liability. Includes other provisions. Repeals the provisions on January 1, 2022. Further amends the Counties Code making conforming changes in county code hearing unit provisions. Amends the Mechanics Lien Act making conforming changes.
