35 ILCS 5/901

from Ch. 120, par. 9-901

Amends the Illinois Income Tax Act. Provides that, from February 1, 2017 through January 31, 2018, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2018 through January 31, 2019, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2019 through January 31, 2020, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2020, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although this bill would have no effect on total revenue, the Department of Revenue estimates that deposits into the General Revenue Fund for fiscal year 2017 would be reduced by \$30 million. Deposits into the General Revenue Fund for fiscal year 2018 would be reduced by \$100 million. Deposits into the General Revenue Fund for fiscal year 2019 would be reduced by \$175 million. Deposits into the General Revenue Fund for fiscal year 2020 would be reduced by \$258 million. Deposits into the General Revenue Fund for fiscal year 2121 would be reduced by \$314 million. After that, the amount of deposits into General Revenue Fund would be reduced increasingly, as individual income tax and corporate income tax revenue keep growing.

This estimate was calculated by multiplying the net corporate income tax and individual income tax revenue forecasts by the difference between actual Local Government Distributive Fund transfer percentages and proposed Local Government Distributive Fund transfer percentages.

Replaces everything after the enacting clause. Amends the Board of Higher Education Act. Requires the Board of Higher Education to establish and administer, subject to appropriation, an Illinois Excellence Program to incentivize the recruitment and retention of promising faculty throughout the Illinois system of higher education. Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to implement and administer a program beginning with the 2018-2019 academic year to award College Affordability grants to certain Illinois residents who have graduated from an approved high school with a cumulative grade point average of at least a 3.0 on a 4.0 scale and are seeking a degree from a public institution of higher education. Sets forth the grant amount. Sets forth the terms and conditions of the program, including requiring a 2-year residency obligation following termination of the academic program and requiring students awarded grants under the program to participate in a student loan counseling program through the Commission. Requires the Commission to implement and administer a program in which the Commission shall award work-study stipends to applicants who are grant recipients and who agree to work for 5 to 15 hours per week as peer mentors or tutors for other grant recipients. Requires the Commission to implement and administer a program in which the Commission shall buy-out the private student loans of any eligible participants. Sets forth eligibility requirements. Amends the State Finance Act to create the College Affordability Fund, Work-Study Fund, College Affordability Purchasing Fund, and Illinois Excellence Fund as special funds in the State treasury. Effective July 1, 2018, but provisions concerning the College Affordability grants are effective immediately.

Fiscal Note (Illinois Student Assistance Commission)

HB 01316 (CONTINUED)

This fiscal note discusses the three programs that would be administered by ISAC: (1) COLLEGE AFFORDABILITY GRANT: An estimated 100,000 students would immediately qualify for the College Affordability Grant program. If MAP and Pell grant funding is held constant, approximately \$300 million would be required to fully fund the new program in the first year (FY19). This cost would be expected to grow in subsequent years as additional students qualified for the grant; based on the current capacity of public institutions, these costs could rise to \$400 million annually; (2) Given the terms of the grant and their potential to convert to loans, the program could entail substantial start-up and on-going operational costs. ISAC preliminarily estimates that if the grant/loan program itself were fully funded, additional operational costs could total over \$10 million annually, particularly because the program requires tracking recipients from the time the grant is made until at least two years after graduation. In the case of recipients who enter repayment, the agency would be required to collect from them for at least a decade and longer in some cases, since some recipients will be unable to pay back the grants over 10 years; (3) WORK-STUDY: Each participant in the work-study program would be permitted to work 5-15 hours/week, or 150-450 hours in the average academic year. At the Illinois minimum wage of \$8.25 an hour, each recipient would need to be allocated a minimum of \$1,237.50 - \$3,712.50 annually. To double current work-study opportunities (the intent described by one bill sponsor) about 11,000 work- study recipients would be served at a cost of about \$18.1million annually; (4) PRIVATE STUDENT LOAN PURCHASING: Appropriators could allocate any amount to this program; ISAC estimates that Illinois public university graduates from the last ten years with GPAs at or above 3.0 may hold approximately \$500 million in private loan debt. The fiscal impact of this program would include both the amount needed to purchase the loans and the start-up and on-going operational costs to administer the new loan program. Even a relatively small pilot program would have to be run for more than 10 years. If \$50 million in outstanding private loans were to be purchased, ISAC estimates additional funding needs of approximately \$780,000 in the first year and a total of about \$6 million over the 10-year life of the new loans to cover program costs. Those include the one-time cost of originating the new loans, plus the on-going costs of servicing, reporting, monitoring, collection of delinquent loans, etc. In addition, some portion of the loans that become delinquent will ultimately be written off as uncollectible.

725 ILCS 5/116-2.2 new

Amends the Code of Criminal Procedure of 1963. Allows a motion to be filed with the trial court that entered the judgment of conviction in a defendant's case at any time following the entry of a guilty verdict or a finding of guilt for any offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance by the defendant provided: (1) the motion clearly states the penalty for the offense for which the defendant was found guilty or convicted has been amended or changed and became effective after his or her plea of guilty or conviction, which includes but is not limited to: (A) reduces the minimum or maximum sentence for the offense; (B) grants the court more discretion over the range of penalties for the offense; (C) the underlying conduct relating to the offense was decriminalized; or (D) other instances in which the penalties associated with the offense or conduct underlying the offense were reduced in any way; and (2) reasonable notice of the motion is served upon the State. If the court grants a motion under this Section, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances.

Fiscal Note (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides upon verified petition for resentencing by the defendant (in the introduced bill, by motion), the trial court that entered the judgment of conviction in a defendant's case may order resentencing at any time after 30 days have passed following the imposition of a sentence under a guilty verdict or a finding of guilt for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance provided: (1) the State's Attorney or other prosecuting attorney is given at least 30 day notice of the filing of the petition seeking resentencing; (2) the State's Attorney or other prosecuting attorney files a response indicating agreement with the petition and the defendant's request for resentencing (in the introduced bill, the motion is not objected to by a non-moving party); and (3) the petition clearly states the statutory penalty for the offense for which the defendant was found guilty or convicted has, since his or her plea of guilty or conviction, been subsequently reduced or altered in a manner that includes, but is not limited to, reducing the minimum or maximum sentence for the offense, granting the court more discretion over the range of penalties available for the offense, or changing the penalties associated with the offense or conduct underlying the offense in any way. Provides that if the court grants a petition, the court must resentence the defendant in a manner that is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed or the original sentence was imposed and the court may take any additional action it deems appropriate under the circumstances (in the introduced bill, if the court grants a motion, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances).

New Act

Creates the Health Insurance Rate Review Act. Creates the independent quasi-judicial Health Insurance Rate Review Board to ensure insurance rates are reasonable and justified. Sets forth duties and prohibited activities concerning the Board. Creates the Health Insurance Rate Review Board Nomination Panel to provide a list of nominees to the Governor for appointment to the Health Insurance Rate Review Board. Sets forth the procedures for nomination. Provides requirements and procedures for health carriers to file current and proposed rates and rate schedules with the Health Insurance Rate Review Board. Provides that the Board shall review and approve or disapprove all rates and rate schedules filed or used by a health carrier. Sets forth provisions concerning rate standards, public notice, hearings, and the disapproval and approval of rates and rate schedules.

Fiscal Note (Dept of Insurance)

As currently drafted it is difficult to quantify the fiscal impact associated with this legislation. However, the legislation would create an undue administrative burden to the Illinois Department of Insurance and is duplicative of the regulatory functions the Department performs.

Amends the Department of Natural Resources Act. Provides that only materials manufactured in Illinois may be sold on the property of the Illinois State Museum. Defines "materials manufactured in Illinois". Amends the State Parks Act. Provides that only materials manufactured in Illinois may be sold in gift shops or concession areas within State parks or parkways. Defines "materials manufactured in Illinois". Amends the Historic Preservation Agency Act. Provides that only materials manufactured in Illinois may be sold on the property of State Historic Sites, State Memorials, and the other properties over which the Historic Preservation Agency has jurisdiction. Defines "materials manufactured in Illinois".

Fiscal Note (Dept. of Natural Resources)

HB 2764 will severely impact operations at State Park Gift Shops and Visitors Centers as well as smaller Illinois Department of Natural Resources (IDNR) Concessions. Estimated inventory at only 6 sites is almost \$400k. At least seven of our State Parks contract vending through the Business Enterprise for the Blind. These vending machines provide snacks, water and soft drinks. While some of these products are manufactured in the United States, many are not. This legislation places a tremendous burden on the Vendor to stay competitive. IDNR's World Shooting and Recreational Complex would most likely lose the Grand American shoot. Since most of IDNR's Building Vendors would encounter the same difficulties stocking U.S.A. inventory, they may elect to sever their leases with IDNR. The smaller Concessions at IDNR State Parks are restaurants, boat/canoe rental and bait shops. These concessions sell sun screen, suntan lotions, bait and tackle (fishing lures, fishing line) etc. These inventories will be very limited if only United States products are allowed to be sold and possibly eliminate the availability of these types of services at IDNR State Parks.

Replaces everything after the enacting clause. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health may require certified local health departments with jurisdiction over areas with more than 500,000 residents and any facility licensed by the Department (currently, may require any facility licensed by the Department) to implement an influenza vaccination program that ensures that the health care personnel (rather than employees) of the facility are vaccinated against specified influenza viruses. Provides that nothing in provisions concerning an influenza vaccination program prohibits certified local health departments and any facility licensed by the Department from implementing more stringent influenza vaccination policies, strategies, or programs, including a mandatory health care personnel influenza vaccination program that contains measures to protect patients from potential exposure to influenza and improve health care personnel vaccination rates that are consistent with existing law and rules. Provides that the Department may adopt rules creating exceptions for personnel who may be exempt from the influenza program for medical or religious reasons. Contains additional provisions concerning the exemptions. Effective July 1, 2018.

215 ILCS 5/356z.8

Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance must provide coverage for medically necessary preventative physical therapy for insureds diagnosed with multiple sclerosis without any treatment limitation or calendar year maximum. Removes requirements that coverage under this provision be subject to the same waiting period, cost sharing limitation, treatment limitation, calendar year maximum, or other limitation as provided for other physical or rehabilitative therapy benefits.

Fiscal Note (Dept of Insurance)

HB 3223 has no projected fiscal impact on the Illinois Department of Insurance because it expands existing benefits and does not establish a new state mandate.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Removes language providing that coverage for medically necessary preventative physical therapy for insureds diagnosed with multiple sclerosis must be provided without any treatment limitation or calendar year maximum. Provides that the coverage required under the provisions shall be subject to the same deductible and coinsurance limitations as provided for other physical or rehabilitative therapy benefits covered by the policy. Provides that a group or individual policy of accident and health insurance shall offer an exception process from treatment limitations for individuals diagnosed with primary or secondary progressive multiple sclerosis. Provides requirements for the exception process and that a health insurer shall, within 72 hours after receiving an exception request, either approve or deny the request. Provides that coverage required by the provisions shall be subject to certain other general exclusions and limitations of the policy.

Amends the Illinois Municipal Code. Provides that a subdivider who has been assessed and paid impact fees on real estate in a municipality may not be assessed or charged real estate transfer taxes or fees on that same real estate. Limits home rule powers.

House Committee Amendment No. 2

Provides that the provisions prohibiting a home rule municipality from assessing or collecting a real estate transfer tax on certain deed or trust documents do not apply to the City of Chicago.

815 ILCS 513/10

815 ILCS 513/20

Amends the Home Repair and Remodeling Act. Provides that "residence" means a single-family home or dwelling or a multiple-family home or dwelling containing 6 or fewer apartments, condominiums, town houses, or dwelling units, used or intended to be used by the consumer as his or her dwelling place (instead of "by occupants as dwelling places"). In the home repair consumer rights pamphlet, replaces notice language concerning lien waivers with the following: "Illinois law requires that, before payment, your contractor give you a sworn statement which lists: (1) all the persons or companies your contractor hired to work on your home and their addresses; and (2) the amounts previously paid, the amounts about to be paid, and the total amount owed after the payment to these persons or companies. The sworn statement should be fully completed, signed, and notarized. When the contractor's sworn statement lists an amount due or to become due to a subcontractor, or when a subcontractor gives you notice of an amount due to the subcontractor, you must retain sufficient funds to pay that subcontractor. Subcontractors give the contractors lien waivers when they are paid. Ask your contractor for copies of these lien waivers. If your contractor tells you he or she needs a payment from you in order to pay subcontractors, you have the right to pay the subcontractors directly."

House Committee Amendment No. 1

Deletes reference to:

815 ILCS 513/10

Replaces everything after the enacting clause. Amends the Home Repair and Remodeling Act. In the home repair consumer rights pamphlet, replaces the revised notice language relating to lien waivers with the following: "Before you pay your contractor, understand that the Mechanics Lien Act requires that you shall request and the contractor shall give you a signed and notarized written statement (known as a "Sworn Statement") that lists all the persons or companies your contractor hired to work on your home, their addresses along with the amounts about to be paid, and the total amount owed after the payment to those persons or companies. Suppliers and subcontractors have a right to file a lien against your home if they do not get paid for their labor or materials. To protect yourself against liens, you should demand that your contractor provide you with a Sworn Statement before you pay the contractor. You should also obtain lien waivers from all contractors and subcontractors if appropriate. You should consult with an attorney to learn more about your rights and obligations under the Mechanics Lien Act." States that the pamphlet language is informational only and is not a substantive enforceable provision of the Home Repair and Remodeling Act and does not affect substantive law under the Mechanics Lien Act.

New Act

Creates the Frail Individual Family Visitation Protection Act. Provides that the Act may be referred to as the Kasem/Baksys Visitation Law. Defines "frail individual" and other terms. Provides that if a caregiver unreasonably prevents a family member of a frail individual from visiting the frail individual, the court, upon a verified petition by the family member, may order the caregiver to permit visitation between the frail individual and the family member if the court finds that the visitation is in the frail individual's best interests. Provides that in making its determination, the court shall consider the standards provided in the Probate Act of 1975. Provides that the caregiver shall provide a person awarded reasonable visitation with notice of the frail individual's hospitalization or transfer to a healthcare facility, relocation to another residence, and death.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Creates the Frail Elderly Individual Family Visitation Protection Act. Provides that the Act may be referred to as the Kasem/Baksys Visitation Law. Defines "family caregiver", "family member", "frail elderly individual", and "petitioner". Provides that if a family caregiver unreasonably prevents a family member from visiting the frail elderly individual, the court, upon a verified petition by the family member, may order the family caregiver to permit such visitation as the court deems reasonable and appropriate under the circumstances. Provides that in making its determination, the court shall consider specified factors. Provides that the court shall not allow visitation if the court finds that: (i) the frail elderly individual has capacity to evaluate and communicate decisions regarding visitation and expresses a desire to not have visitation with the petitioner; or (ii) visitation between the petitioner and the frail elderly individual is not in the best interests of the frail elderly individual. Adds provisions governing the appointment of a guardian ad litem for the frail elderly individual. Provides that if the court grants the petition of a family member for visitation, the court may also order the family caregiver to use reasonable efforts to notify the petitioner of the frail elderly individual's hospitalization, admission to a healthcare facility, change in permanent residence, or death. Adds procedural and notice requirements. Provides that the Act does not apply if: (i) the frail elderly individual is a person under guardianship; or (ii) the family caregiver is acting as agent under a power of attorney or acting at the direction of an agent under a power of attorney.

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health shall require every provider of mammography services to, if a patient's mammogram demonstrates dense breast tissue, provide notification to the patient in any summary of the mammography report sent to the patient pursuant to the federal Mammography Quality Standards Act that shall include, but not be limited to, certain information.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that if a patient's mammogram demonstrates dense breast tissue, the Department of Public Health shall require every provider of mammography services to include (rather than the Department shall require every provider of mammography services to, if a patient's mammogram demonstrates dense breast tissue, provide notification to the patient) in any summary of the mammography report sent to the patient in accordance with (rather than pursuant to) the federal Mammography Quality Standards Act a specified notice (rather than that shall include, but not be limited to, certain information). Makes changes to the language of the required notice (formerly, information). Provides that a facility that performs mammography may update the language in the specified notice to reflect advances in science and technology, as long as it continues to notify patients about dense breast tissue and its effect on the accuracy of mammograms and encourage patients to discuss the issue with their health care provider. Provides that these provisions do not create a duty of care or other legal obligation beyond the duty to provide notice as set forth in these provisions. Makes other changes.

60 ILCS 1/60-5

Amends the Township Code. Provides that if a vacant township supervisor office is filled by appointment, the appointed supervisor shall fulfill the bond requirement for township supervisors. Provides that the appointed supervisor may be a trustee appointed by a majority vote of the trustees and shall have one vote on any matter properly before the board. Provides for the appointment of a temporary deputy to perform the ministerial functions of a vacant township office until a person can be appointed to fill the vacant position for the remainder of the vacant term (rather than only allowing the appointment of a temporary deputy in a vacant township office due to a physical incapacity of a township officer). Provides that the temporary deputy, including a trustee appointed as a temporary deputy, shall be compensated at the same rate set by the board for the vacant position. Provides that if the appointed deputy is a trustee, his or her trustee compensation shall be suspended until he or she concludes his or her appointment as an appointed deputy upon the permanent appointment to fill the vacancy. Exempts the temporary deputy from the requirement to fill a vacant township office with a member of the same political party. Effective immediately.

House Committee Amendment No. 1

Provides that whenever any township or multi-township office becomes vacant or temporarily vacant due to the physical incapacity of a township officer, the township or multi-township board may temporarily appoint a deputy to perform the ministerial functions of the vacant office. Restores provisions allowing the physically incapacitated township officer to submit a written and sworn statement that he or she is physically able to perform his or her duty. Restores a provision allowing the appropriate board to determine the temporary deputy compensation (removing a new provision providing that the temporary deputy's compensation shall be the same as the compensation set by the board for the vacant position).

State Debt Impact Note (Government Forecasting & Accountability)

HB 4900 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 4900 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

This bill will have no corrections population or fiscal impact on the Department of Corrections.

20 ILCS 505/8

from Ch. 23, par. 5008

Amends the Children and Family Services Act. Makes post-secondary education tuition and fee waivers available to youth for whom the Department of Children and Family Services has court-ordered legal responsibility, youth who aged out of care at age 18 or older, or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement. Requires applicants to have earned a high school diploma from an accredited institution or a high school equivalency certificate or have met the State criteria for high school graduation before the start of the school year for which they are applying for the waivers. Limits the tuition and fee waivers to persons under the age of 26 and provides that waivers shall be available to a student for at least the first 5 years the student is enrolled in a community college, university, or college maintained by the State. Provides that the age requirement and 5-year cap on tuition and fee waivers shall be waived and eligibility extended for applicants or students who were unable to enroll in a qualifying post-secondary school or complete an academic term because the student: (i) was called into active duty with the United States Armed Forces; (ii) was deployed for service in the United States Public Health Service Commissioned Corps; or (iii) volunteered in the Peace Corps or the AmeriCorps. Permits the Department to provide the student with a stipend to cover maintenance and school expenses during the academic years to supplement the student's earnings. Requires the Department to develop outreach programs to ensure qualifying youths are aware of the availability of the tuition and fee waivers.

House Floor Amendment No. 1

Provides that qualifying youth shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education (rather than a waiver of all tuition and fees to attend and complete their post-secondary education). In provisions requiring an applicant to meet certain academic and age requirements, provides that the applicant must also apply for federal and State grant assistance by completing the Free Application for Federal Student Aid. Provides that the community college or public university that an applicant attends must waive any tuition and fee amounts that exceed the amounts paid to the applicant under the federal Pell Grant Program or the State's Monetary Award Program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Fiscal Note (Dept. of Children & Family Services)

If just 10% of the 11,000 eligible youth took advantage of the opportunity, the Department of Children and Family Services would be looking at an additional cost to the stipend program of \$562,000 per month and \$6,744,000 annually.

755 ILCS 40/25 from Ch. 110 1/2, par. 851-25

Amends the Juvenile Court Act of 1987. Provides that after the court has placed a minor in the care of a temporary custodian, any party may apply to the court to grant the temporary custodian the authority to serve as a surrogate decision maker for the minor under the Health Care Surrogate Act for purposes of making the decision whether to forgo life-sustaining treatment, if the court determines by clear and convincing evidence that it is in the best interests of the minor to grant the temporary custodian such authority. Provides that in making its determination, the court shall consider specified factors, the efforts made to engage the respondents in decision making on behalf of the child, evidence of the impact of a delay in decision making on the child, and any other factors the court deems relevant to a determination of the best interests of the minor. Provides that if the Department of Children and Family Services is the temporary custodian of the minor, in addition to specified requirements, the Department shall follow its rules and procedures in exercising authority granted under the new provisions. Amends the Health Care Surrogate Act. To the list of surrogate decision makers, adds the patient's temporary custodian appointed under the Juvenile Court Act of 1987 if the court has entered an order granting such authority.

House Committee Amendment No. 1

Removes language providing that any party may apply to the court to grant the temporary custodian the authority to serve as a surrogate decision maker for the minor if the court determines by clear and convincing evidence that it is in the best interests of the minor to grant the temporary custodian such authority. Provides instead that any party may apply, and the court may grant the motion if it determines by clear and convincing evidence that it is in the best interests of the minor to grant the temporary custodian such authority. Corrects a cross-reference.

Deletes language regarding: the maximum length of vehicles on all non-State highways; and the highways that vehicles not exceeding 65 feet in overall length are allowed to access. Provides that combinations of vehicles over 65 feet in length with no overall length limitation are allowed certain access if there is no sign prohibiting access and the route is not being used as a thoroughfare between Class I or Class II highways. Provides that the maximum length limitation on non-designated highways for a truck tractor in combination with a semitrailer is 65 feet overall dimension and 60 feet overall dimension for a truck tractor-semi-trailer-trailer or truck tractor semi-trailer-semi-trailer. Provides that length limitations do not apply on legal holidays and for a tow truck in combination with a disabled vehicle or combination of disabled vehicles. Provides that a unit of local government shall affirm to the Department if it has no Class II designated truck routes. Provides that units of local government shall report to the Department, and the Department shall post on its website, any limitations prohibiting the operation of vehicles imposed by ordinance or resolution in the unit of local government's non-designated highway system. Provides that, to be effective, an ordinance or resolution passed to designate a Class II roadway need not be signed, but shall be reported to the Department. Repeals a provision that requires local units of government to report to the Department all preferred truck routes, designated truck route networks, or whether there are no such truck routes.

House Floor Amendment No. 2

Provides that Class II highways include state highways and designated local roads (rather than major arterials) not built to interstate highways standards that have at least 11 feet lane widths. Deletes language providing that non-designated highways include highways that have lane widths of less than 11 feet. Provides that each unit of local government may (rather than shall) report to the Department of Transportation any limitations prohibiting the operation of vehicles imposed by ordinance or resolution in the unit of local government's non-designated highway system. Deletes language providing that to be effective, an ordinance or resolution passed to designate a Class II roadway need not be signed, but shall be reported to the Department. Provides instead that to be effective, an ordinance or resolution designating a Class II roadway need not require that signs be erected, but the designation shall be reported to the Department. Makes other changes.

Amends various Acts to conform statutes to the agency reorganization under Executive Order Number 1 (2017), which abolished the Historic Preservation Agency and transferred its powers, duties, and functions to the Department of Natural Resources, except for functions transferred by law from the Historic Preservation Agency to the Abraham Lincoln Presidential Library and Museum Agency. Effective immediately.

House Floor Amendment No. 2

Provides that the status and rights of the employees and the State of Illinois and its agencies under the Personnel Code, the Illinois Public Labor Relations Act, and applicable collective bargaining agreements or under any pension, retirement, or annuity plan, shall not be affected by the transfer of powers, duties, and functions to the Department of Natural Resources. Provides that the definition of "Director" for the purposes of the Illinois Historic Preservation Act and the Illinois State Agency Historic Resources Preservation Act means the Director of Natural Resources, or his or her designee. Removes reference about the Director serving as the State Historic Preservation Officer, since federal law requires appointment by the Governor.
