Provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses. Provides that criminal damage to a critical infrastructure facility is a Class 3 felony (rather than a Class 1 felony). Provides exemptions. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (Office of the Attorney General)

The proposed legislation, HB 1633 (H-AM 1) would not have a significant fiscal impact on our Office as the new offenses established by this bill would primarily be handled by local county State's Attorney Offices. Fiscal impact: Minimal

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Illinois State Police)

If House Bill 1633 (H-AM 1) were to become law, there would be no additional fiscal impact to the Illinois State Police.

House Floor Amendment No. 3

Deletes reference to:
720 ILCS 5/8-2
HB 01633 (CONTINUED)

Deletes language that provides that a business, corporation, or organization convicted of conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility shall, in addition to any other applicable penalty, be sentenced to a fine of not less than 10 times the minimum fine authorized for the offense. Deletes language that provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization intentionally sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses.

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)

The total impact of House Bill 1633, as amended, would result in an increase of 1 offender, with additional marginal costs of $96,200 over the first ten years after enactment. These calculations are based on limited accessible data and estimates may vary depending on how cases are prosecuted and plea bargained.

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate
Fiscal Note (State Board of Education)
HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

House Floor Amendment No. 4
Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial renew under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

Amends the State Finance Act and the School Code. Creates the Roundtable on Educational Opportunity and Development. Contains provisions concerning the members of the Roundtable, meetings of the Roundtable, administrative support to the Roundtable, and annual reports to the General Assembly. Provides that the Roundtable shall study ways to expand educational opportunities and develop sources of private funding for students in primary and secondary education in the areas of (i) developing a business ethics curriculum, (ii) promoting and funding the arts, (iii) establishing and funding global travel programs, and (iv) funding trips to museums. Requires the Roundtable to study ways to secure private donations and public funding in order to help expand opportunities for students and implement Roundtable recommendations. Provides that funding for programs recommended by the Roundtable must prioritize low-income students. Requires the State Board of Education, in consultation with the Roundtable, to provide administrative support to all school districts and their students wishing to utilize these opportunities. Creates the Educational Opportunity and Development Fund as a special fund in the State treasury to accept private donations and public funding. Provides that all money in the Fund shall be used, subject to appropriation, by the State Board of Education for the purposes of implementing the priorities and recommendations of the Roundtable. Effective immediately.

House Committee Amendment No. 1

Requires the Roundtable on Educational Opportunity and Development to, in addition to other areas, study the ways to expand educational opportunities and sources of private funding for students by (i) developing a before-school, in-school, or after-school drama therapy program that is designed for vulnerable youth with histories of exposure to familial and community violence, school bullying, intolerance or hate crimes, maltreatment or neglect, disrupted caregiving, or any other life adversities and that focuses on the core components of complex trauma intervention, including, but not limited to, a student's safety, self-regulation, healthy attachments, discovery and development of his or her identity, self-worth, esteem, and competency and (ii) developing a school model for students in kindergarten through grade 6 that integrates an identity-affirming pedagogy with a rigorous, intentional curriculum that utilizes a no-nonsense nurturing framework and prioritizes an arts education.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

House Bill 2549, with House Amendment 1, is estimated to have a fiscal impact of up to $1.1 million on the Illinois State Board of Education's (ISBE) budget. ISBE estimates that approximately $100,000 will be needed for administrative costs to fund one staff person to support and assist the Roundtable on Educational Opportunity and Development and all school districts and students wishing to utilize these opportunities. For purposes of this fiscal note, it is assumed that $1.1 million will be deposited into the new Educational Opportunity and Development Fund to promote and share opportunities through regional programming and professional learning supports to all school districts based on recommendations and priorities established by the Roundtable including the $100,000 in administrative costs.

HB 02562

(Sen. John F. Curran)

55 ILCS 5/3-4013 new

Amends the Public Defender and Appointed Counsel Division of the Counties Code. Creates the Public Defender Quality Defense Task Force. Provides that the Task Force is established to: (i) examine the current caseload and determine the optimal caseload for public defenders in the State; (ii) examine the quality of legal services being offered to defendants by public defenders of the State; and (iii) make recommendations to improve the caseload of public defenders and quality of legal services offered by public defenders. Provides that the Task Force shall hold a minimum of 2 public hearings and at other times of its choosing. Provides that the Task Force shall prepare a report that summarizes its work and makes recommendations resulting from its study to the General Assembly and Governor no later than December 31, 2020. Repeals the provisions on December 31, 2021. Effective immediately.

Fiscal Note (Office of the State Appellate Defender)

If the only responsibility to the Agency would be to provide space for meetings, the cost would be minimal because meetings could be held in our Chicago or Springfield office. If the Agency was responsible for administrative costs, travel reimbursement for board members, preparation of meeting materials or research and analysis, the cost could be significantly more.

House Floor Amendment No. 1

Removes a requirement that the Governor appoint at least one Task Force member from the Legal Resources Division of the Office of the Cook County Public Defender. Provides that the Governor shall appoint 5 (rather than 3) public defenders or assistant public defenders to the Task Force from 5 (rather than 3) counties other than Cook County.

520 ILCS 5/2.26 from Ch. 61, par. 2.26

Amends the Wildlife Code. Provides that deer hunting permits for youth hunters shall be open statewide and not limited to one specific county.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Wildlife Code. Provides that the Department of Natural Resources shall create a pilot program for youth deer hunters statewide. Provides that under the pilot program, the Department shall issue 1,500 youth deer licenses annually. Grants the Department rulemaking authority to implement the program. Provides for the sunset of the provision on January 1, 2023.
HB 02582
Rep. Michael J. Zalewski
(Sen. John F. Curran)

40 ILCS 5/13-208 from Ch. 108 1/2, par. 13-208

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Provides that "average final salary" means the highest average monthly (instead of annual) salary as calculated by accumulating the salary for the highest 520 consecutive paid days of service (instead of 52 consecutive pay periods) within the last 10 years of service immediately preceding the date of retirement and dividing by 24 (instead of 2). Provides that if the employee is paid for any portion of a work day, the fraction of the day worked and the salary for that fraction of the day shall be counted in accordance with the Fund's administrative rules. Effective immediately.
Amends the School Code. Requires the State Board of Education to develop child opportunity zones as a means to deliver comprehensive and coordinated social services at or near schools in this State that are related to specific community needs and that will ultimately increase student performance in schools in the community; defines "child opportunity zone". Provides that a child opportunity zone must provide a means to integrate education, health, and social services into schools and link families to school and community resources. Provides that on or before August 1, 2020, and on or before each August 1 thereafter, the State Board must submit a report to the General Assembly on the number of children and families served by a child opportunity zone program and any other outcome data for each program. Requires the State Board to adopt rules.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "child opportunity zone" to mean a coordinated system of early childhood education (rather than a site at or near a school that provides early childhood education). Provides that, subject to appropriation, the State Board of Education, in cooperation with regional superintendents of schools, school districts, and other State and community agencies (rather than only the State Board), must develop child opportunity zones as a means to deliver comprehensive and coordinated social services in this State (rather than delivering them at or near schools in this State) that are related to specific community needs and that will ultimately increase student performance in schools in the community. Provides that in addition to funds appropriated by the General Assembly, the State Board may use funds appropriated by the General Assembly for other grant programs to implement child opportunity zone programs. Makes other changes.

Fiscal Note (State Board of Education)

HB 2668 is estimated to have a fiscal impact of $15.1 million on the General Revenue Fund budget for the Illinois State Board of Education. This assumes approximately $80,000 to $100,000 in operational costs for one position to coordinate the child opportunity zone functions with school districts, community-based providers, other state agencies, local officials, community colleges, and other adult education and workforce training providers. The position would also complete required reporting. It also assumes $15 million in grant funds would be appropriated to the Illinois State Board of Education to make funding available to provide assistance and supports to the child opportunity zones.
