Creates the Chicago Casino Development Authority Act. Provides for the creation of the Chicago Casino Development Authority, whose duties include promotion and maintenance of a casino. Amends the Illinois Horse Racing Act of 1975 and the Riverboat Gambling Act to authorize electronic gaming at race tracks (and makes conforming changes in various Acts). Further amends the Illinois Horse Racing Act of 1975. Makes various changes concerning Board members. Indefinitely extends the authorization for advance deposit wagering. Contains provisions concerning testing of horses at county fairs and standardbred horses. Further amends the Riverboat Gambling Act. Changes the short title to the Illinois Gambling Act and changes corresponding references to the Act. Adds additional owners licenses, one of which authorizes the conduct of casino gambling in the City of Chicago. Makes changes in provisions concerning the admission tax and privilege tax. Makes other changes. Contains a severability provision. Effective immediately, but does not take effect at all unless Senate Bills 1, 2, 3, 4, 5, 6, 8, 9, 10, 11, 12, and 13 of the 100th General Assembly become law.

Senate Floor Amendment No. 3

SB 00007 (CONTINUED)

Removes provisions requiring that the Chicago Casino Development Authority board select the casino operator by a competitive sealed bidding process. Requires the proposed casino operator to pay a fee of \$50,000,000, to be deposited into the Gaming Facilities Fee Revenue Fund. Allows the Chicago Casino Development Authority to conduct gaming operations in an airport under the administration or control of the Chicago Department of Aviation under specified conditions. Provides that revenues in the Gaming Facilities Fee Revenue Fund shall be used, subject to appropriation, by the Comptroller for the purpose of providing appropriations to the Illinois Gaming Board for the administration and enforcement of the Illinois Gambling Act and the applicable provisions of the Chicago Casino Development Authority Act, with any remaining amounts being transferred to the General Revenue Fund (rather than the Comptroller using the remainder for the payment of vouchers that are outstanding for more than 60 days). Removes provisions amending the State Officials and Employees Ethics Act to create an Executive Inspector General for gaming activities. In provisions amending the Illinois Horse Racing Act of 1975, makes changes concerning the award of racing dates and the pari-mutuel tax credit based on real estate taxes. Removes the authorization to pay certain expenditures from the Illinois Standardbred Breeders Fund. Makes changes to the wagering tax provisions of the Riverboat Gambling Act (the short title of which is changed to the Illinois Gambling Act by the introduced bill). Further amends the Riverboat Gambling Act. Requires that applications for the new licenses be submitted to the Illinois Gaming Board no later than 120 days (rather than 6 months) after the effective date of the amendatory Act. Removes language requiring unused gaming positions to be allocated through a competitive bidding process. In order to expedite the application process, allows the Illinois Gaming Board to establish rules allowing applicants to acquire criminal background checks and financial integrity reviews as part of the initial application process from a list of vendors approved by the Board. Authorizes the operation of a wide area progressive system. Defines "wide area progressive system". Provides that the Administrator of the Illinois Gaming Board shall have regulatory oversight of wide area progressive systems. Provides how jackpots are to be calculated and how payment is to be made. Requires wide area progressive system providers to maintain reserves. Further amends the Video Gaming Act. Provides that licensed establishments, licensed truck stop establishments, licensed veterans establishments, and licensed fraternal establishments may operate one or more wide area progressive systems per establishment. Increases the maximum bet from \$2 to \$4 and the maximum cash award for a maximum wager from \$500 to \$1199, except for wide area progressive systems, which shall have no limits on cash awards. Provides that wide area progressive system providers must submit approved policies to the Illinois Gaming Board before establishing a system. Makes other changes.

In the Chicago Municipal Article, makes changes to the definition of "employee" and provides that a person who first becomes a city officer on or after the effective date of the amendatory Act shall not be eligible for the alternative annuity or alternative disability benefits. Makes other changes. Contains inseparability and severability provisions. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB14 makes several changes to city contribution rates for the Municipal Employees' Annuity and Benefit Fund and Laborers' Annuity and Benefit Fund. Such changes include defined maximums for tax levies on the city's taxable property for years 2018 through 2022, and a new method for calculating maximums for years following 2022. The bill also offers increased employee contribution rates to Tier 2 employees who opt for reduced retirement ages. This bill also introduces an annuity for Tier 3 members, and all new city officers who are members of the Municipal Employees' Annuity and Benefit Fund will not be eligible for alternative annuity or alternative disability benefits. There are several factors in this bill that will likely make a significant fiscal impact on both the Municipal Employees' and Laborers' Fund. At this time, no actuarial cost study has been made available to CGFA, thus the long-term fiscal impact cannot be determined. An updated impact note will be issued when an actuarial cost study has been obtained from the affected pension funds.

Fiscal Note (Government Forecasting & Accountability)

SB 14 will not have a fiscal impact on the Commission on Government Forecasting and Accountability.

Correctional Note (Dept of Corrections)

SB 14 has no fiscal or population impact on the Department of Corrections

State Debt Impact Note (Government Forecasting & Accountability)

SB 14 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

SB 00014 (CONTINUED)

This legislation would neither increase nor decrease the number of judges needed in the State.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Amends the Illinois Human Rights Act. Provides that for specified types of charges pending before the Department of Human Rights, if the charging party has initiated litigation for the purpose of seeking final relief in a State or federal court or before an administrative law judge or hearing officer in an administrative proceeding before a local government administrative agency, and if a final decision on the merits in that litigation or administrative hearing would preclude the charging party from bringing another action based on the pending charge, the Department shall cease its investigation and dismiss the pending charge by order of the Director, who shall provide the charging party notice of his or her right to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. Provides that the Director shall also provide the charging party notice of his or her right to seek review of the dismissal order before the Human Rights Commission. Provides that any review by the Commission of the dismissal shall be limited to the question of whether the charge was properly dismissed under the new provisions. Provides that the Department may continue to investigate an allegation in a charge that is unique to the Act or otherwise could not have been included in the litigation or administrative proceeding. Provides that for charges relating to real estate transactions, the Department may administratively close a charge pending before the Department if the issues that are the basis of the charge are being litigated in a State or federal court proceeding. Deletes language providing that the Department shall stay any administrative proceedings after the filing of a civil action by or on behalf of the aggrieved party under any federal or State law seeking relief with respect to the alleged civil rights violation. Makes other changes.

Senate Floor Amendment No. 2

SB 00309 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes: Provides that for hospitals, alternative health care models, Community Living Facilities, long-term care facilities, MC/DD facilities, ID/DD facilities, specialized mental health rehabilitation facilities, and community-integrated living arrangements, reasonable efforts must be made to have activated at all times (rather than providing that closed captioning must be activated at all times) the closed captioning feature on a television in a common area (rather than waiting room) provided for use by the general public or in a patient, resident, or consumer's room or to enable the closed captioning feature when requested to do so by a member of the general public or a patient if the television includes a closed captioning feature. Provides that it is not a violation if a staff member deactivates a closed captioning feature unless the deactivation was done so knowingly or intentionally. Removes language requiring that reasonable efforts be made to prevent members of the general public and individuals using or requesting services from independently deactivating a closed captioning feature. Provides that it is not a violation if the closed captioning feature is deactivated by a member of the general public; a patient, resident, or consumer; or member of the staff if done so at a patient, resident, or consumer's request. Removes language providing that it is not a violation if the closed captioning feature is deactivated so long as the closed captioning is reactivated as soon as is practicable by a staff member upon knowledge of the deactivation. Requires that, if there is not a television with a closed captioning feature available, then it must be ensured that all televisions obtained for common areas and patient rooms after the effective date of the amendatory Act include a closed captioning feature (rather than then a sufficient number of televisions that include a captioning feature must be obtained as soon as is practicable). Provides that nothing in the provisions of the Community Living Facilities Licensing Act, Nursing Home Care Act, MC/DD Act, ID/DD Community Care Act, and Community-Integrated Living Arrangements Licensure and Certification Act concerning closed captioning shall apply to televisions that are privately owned by a resident or third party and not owned by the Community Living Facility, long-term care facility, MC/DD facility, ID/DD facility, or community-integrated living arrangement. Removes movie screens from the definition of "closed captioning". Makes other changes.

20 ILCS 1705/55.5 new

305 ILCS 5/5-5.4i new

Amends the Mental Health and Developmental Disabilities Administrative Act and the Illinois Public Aid Code. Provides that the Department of Human Services shall establish reimbursement rates which build toward livable wages for front-line personnel in residential and day programs and service coordination agencies serving persons with intellectual and developmental disabilities, including, but not limited to, intermediate care facilities for persons with developmental disabilities, community integrated living arrangements, developmental training programs, employment, and other residential and day programs for persons with intellectual and developmental disabilities supported by State funds or funding under Title XIX of the federal Social Security Act. Provides that the Department shall increase rates and reimbursements so that direct support persons earn a base wage of not less than \$15 per hour and so that other front-line personnel earn a commensurate wage. Defines "front-line personnel". Effective immediately.

Fiscal Note (Dept. of Human Services)

The proposal would increase front-line staff rates to a minimum of \$15 per hour, approximately 40%. Currently, the Department provides an hourly rate of \$10.71 for Community Integrated Living Arrangements (CIL) rate model for DSPs and \$11.05 for Intermediate Care Facilities for Persons with Developmental Disabilities (ICF/DD). The increase also assumes that other categories of staff, such as front-line supervisors, qualified intellectual disabilities professionals, and nurses, will also receive a commensurate wage increase of 40%. Estimated fiscal cost would be \$317 million.

The value of the property before encumbering is \$35,750 and the value after encumbrance is \$5,750. The value of the easement is approximately \$30,000 or roughly \$2,600 per acre. This would represent a loss in value of property of approximately 84% which would be similar to what the Department of Natural Resources has seen in other areas of the State due to WRP type easements.

65 ILCS 5/8-11-6b

Amends the Illinois Municipal Code. Makes a technical change in a Section concerning taxes on soft drinks imposed by home rule municipalities.

Senate Committee Amendment No. 1

Deletes reference to:

65 ILCS 5/8-11-6b

Adds reference to:

55 ILCS 5/5-1062.2

Replaces everything after the enacting clause. Amends the Counties Code. Authorizes all counties (currently, only specified counties) to adopt stormwater management plans.

Senate Floor Amendment No. 2

Adds reference to:

55 ILCS 5/5-1062.3

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1 with the following changes: Further amends the Counties Code. Changes the application of provisions concerning allowing management and mitigation of the effects of urbanization on stormwater drainage in metropolitan counties located in the area served by the Northeastern Illinois Planning Commission to those located in the area served by the Chicago Metropolitan Agency for Planning. Authorizes counties containing all or a part of an urbanized area (currently, only specified counties) to adopt stormwater management plans and any other county by referendum. Provides for drainage districts and soil and water conservation districts to be represented on the stormwater management planning committee in specified counties. Provides that counties' minimum standards for floodplain and stormwater management should have an emphasis on the use of cost-effective solutions to flooding problems. Provides that the stormwater management plans shall evaluate flooding problems caused by urban flooding. Provides that a stormwater management planning committee may make grants to units of local government, not-for-profit organization, and landowners under specified conditions. Provides that a municipality receiving grant moneys must have adopted an ordinance requiring actions consistent with the stormwater management plan. Provides that questions for the levy of an annual tax for stormwater management purposes shall be held at a general election. Defines "urban flooding" as the flooding of public and private land in urban areas that results from stormwater or snowmelt runoff overwhelming the existing drainage infrastructure, unrelated to the overflow of any river or lake, whether or not that land is located in or near a floodplain. Makes similar changes to provisions regarding DuPage and Peoria counties.

Senate Floor Amendment No. 4

Provides that the county board may adopt a schedule of fees as may be reasonable and necessary (rather than as may be necessary) to mitigate the effects of increased stormwater runoff resulting from new development. Provides that, before a county that establishes a stormwater management planning council after submission of the question to the electors of the county may submit a referendum question to the electors of the county for an annual tax, the county shall adopt and enforce a floodplain management ordinance or a stormwater management ordinance that has been approved by the Office of Water Resources of the Department of Natural Resources and designate a Certified Floodplain Manager who has been certified by the Association of State Floodplain Managers (but does not require a county to create a new position or designate another individual if the county already has a Certified Floodplain Manager on staff). Provides that if a county fails to continually meet any of these conditions after approval of a referendum question for an annual tax, the county may not levy the tax until they are in full compliance with these conditions.

New Act

55 ILCS 5/5-12001.2

Creates the Small Wireless Facilities Deployment Act. Provides for legislative intent for the Act and definitions. Provides that an authority (a unit of local government with control over rights-of-way) may not prohibit, regulate, or charge for the collocation of small wireless facilities (the installation, mounting, maintaining, modifying, operating, or replacement of small wireless facilities on or adjacent to a wireless support structure or utility pole). Provides that small wireless facilities shall be classified as permitted uses and not subject to zoning review and approval under specified circumstances. Provides requirements for applications, fees, application review, and issuance of permits for collocation of small wireless facilities. Provides that an authority may not require applications for routine maintenance or replacement of wireless facilities with wireless facilities that are substantially similar, of the same size, or smaller. Requires authorities to allow the collocation of small wireless facilities on authority utility poles under specified circumstances. Prohibits authorities from regulating the design, engineering, construction, installation, or operation of any small wireless facility in specified circumstances. Provides that a circuit court has jurisdiction to resolve all disputes arising under the Act. Prohibits an authority from requiring a wireless provider to indemnify the authority or its officers or employees and from naming the authority on a wireless provider's insurance policy. Limits home rule powers. Amends the Counties Code making conforming changes.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the Act does not apply to a municipality with a population of 1,000,000 or more or to electric or gas public utilities or those utilities' wireless facilities if the facilities are being used, developed, and maintained for use in providing delivery services and Smart Grid functionality or application to retail customers. Modifies several definitions and adds a definition for "micro wireless facility". Provides that small wireless facilities shall be classified as permitted uses and not subject to zoning review or approval if they are collocated outside rights-of-way in property not zoned primarily for residential use (rather than exclusively for single family residential use). Provides that an authority may reserve space on an authority's utility poles for future public safety uses or electric utility uses under specified conditions. Provides that an authority may require a wireless provider to provide on an application specific structural integrity and make-ready analysis, the location where a small wireless facility or utility pole would be installed, photographs of the location and its immediate surroundings, specifications and drawings for each proposed small wireless facility, a proposed schedule for the installation and completion of each small wireless facility, and certification that the collocation is in compliance with specified regulations. Inserts new provisions concerning requirements and standards for small wireless facilities including: collocation on new or existing utility poles or alternate structures (both public and private); height and spacing of small wireless facilities; interference with frequencies used by the authority's public safety communications or other electrical or transmissions systems; compliance with local code and zoning provisions; installation in rights-of-way; replacement of authority utility poles; maintenance of existing and removal of abandoned small wireless facilities; and insurance. Modifies provisions regarding rates for collocation on an authority utility pole and submission, fees, supporting documentation, processing, tolling, approval, and denial of applications. Provides for the combination of multiple requests to collocate small wireless facilities on the same application. Provides that collocation for which a permit is granted shall be completed within 180 days (rather than one year) after issuance of the permit. Provides that permits for operation of the facilities shall be a duration of not less than 10 years and must be renewed for equivalent durations. Adds provisions concerning installation of small wireless facilities on property controlled by a park district, forest preserve district, or conservation district. Changes provisions concerning indemnification. Provides that an authority may require a wireless provider to carry, at the wireless provider's cost and expense, specified insurance. Provides for repeal of the Act on June 1, 2020. Makes other changes.

Senate Floor Amendment No. 4

Removes language providing that any permits for work within rights-of-way shall be subject to the requirements in provisions of the Small Wireless Facilities Deployment Act concerning regulation of small wireless facilities. Provides that nothing set forth in the Small Wireless Facilities Deployment Act shall be construed to relieve any person from specified requirements, other than small wireless facilities subject to the Act. In provisions of the Small Wireless Facilities Deployment Act concerning insurance, adds an exception for a wireless provider with an existing franchise to occupy and operate in a right-of-way. Makes other changes.

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

SB 01451 (CONTINUED)

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

Fiscal Note (Dept. of Central Management Services)

This legislation has no fiscal impact to the Department of Central Management Services. CMS does recommend that a fiscal note be prepared by the Department of Innovation and Technology (DoIT).

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

New Act

Creates the Right to Know Act. Provides that an operator of a commercial website or online service that collects personally identifiable information through the internet about individual customers residing in Illinois who use or visit its commercial website or online service shall notify those customers of certain specified information pertaining to its personal information sharing practices. Requires an operator to make available certain specified information upon disclosing a customer's personal information to a third party, and to provide an e-mail address or toll-free telephone number whereby customers may request or obtain that information. Provides for a right of action to customers whose rights are violated under the Act. Provides that any waiver of the provisions of the Act or any agreement that does not comply with the applicable provisions of the Act shall be void and unenforceable. Provides that no provision of the Act shall be construed to conflict with or apply to certain specified provisions of federal law or certain interactions with State or local government. Provides findings and purpose. Defines terms.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced with changes. Provides that the parent or legal guardian of a customer under the age of 18 may submit a request for specified information on behalf of that customer. Provides that an operator shall not be required to respond to a request made by the same customer more than once within a given 12-month period. Modifies the term "operator" to mean any person or entity that owns a website located on the Internet or an online service that collects and maintains personal information (rather than personally identifiable information) from a customer residing in Illinois. Modifies a Section concerning a right of action for a violation of the Act to specify that a violation of the Act constitutes a violation of the Consumer Fraud and Deceptive Business Practices Act. Provides that any person whose rights under the Act are violated shall also have, in addition to any rights under the Consumer Fraud and Deceptive Business Practices Act, a right of action against an offending party to seek injunctive relief, if appropriate. Removes language concerning liquidated damages and recovery of reasonable attorneys' fees, costs, and expenses. Makes conforming changes.

Senate Floor Amendment No. 3

Provides that nothing in the Section concerning violation and right of action under the Act shall prevent a person from seeking a right of action for a violation of the Biometric Information Privacy Act or otherwise seeking relief under the Code of Civil Procedure. Provides that nothing in the Act shall be construed to apply to any State agency, federal agency, unit of local government, or any contractor, subcontractor, or agent thereof. Provides that nothing in the Act shall be construed to apply to any entity recognized as a tax-exempt organization under 501(c)(3) and 501(c)(4) of the Internal Revenue Code of 1986.

Senate Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment #2 with changes. Changes the title of the Act to the Illinois Right to Know Data Transparency and Privacy Protection Act (rather than the Right to Know Act). Modifies the term "operator" to not include businesses having 10 (rather than 5) or fewer employees. Allows operators to provide required specified information in a conspicuous location on its website or online service platform where similar notices are customarily posted. Removes requirement that operators shall identify all categories of third party persons or entities with whom the operator may disclose personal information. Modifies a Section concerning information availability to further specify operator requirements for providing requested information to customers. Provides that the Office of the Attorney General or the appropriate State's Attorney's Office shall have sole enforcement authority of the provisions of the Act and may enforce a violation of the Act as an unlawful practice under the Consumer Fraud and Deceptive Business Practices Act. Provides that nothing in the Section concerning violations shall prevent a person from seeking a right of action for a violation of the Biometric Information Privacy Act or otherwise seeking relief under the Code of Civil Procedure. Removes a provision exempting the applicability of the Act's provisions from certain persons or entities under the federal Communications Act of 1934. Provides that nothing in the Act shall be construed to apply to any State agency, federal agency, unit of local government, or any contractor, subcontractor, or agent thereof. Provides that nothing in the Act shall be construed to apply to any entity recognized as a tax-exempt organization under 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986. Provides that nothing in the Act shall be construed to apply to a public utility, an alternative retail electric supplier, or an alternative gas supplier, as those terms are defined under the Public Utilities Act. Makes conforming changes.

House Committee Amendment No. 1

SB 01502 (CONTINUED)

Modifies the definition of "designated request address" to include a webform whereby customers may request or obtain the information required to be provided under the Act. Removes language under the definition of "disclose" requiring a private entity to enforce certain provisions in connection with disclosure of personal information. Modifies the definition of "disclose" to not include disclosure of personal information by a private entity to a transportation network company driver under the Transportation Network Providers Act. Modifies requirements concerning disclosure of a customer's personal information to a third party. Provides that an operator in violation of the Act shall have 15 days after being notified of a violation to rectify that violation before the Attorney General or appropriate State's Attorney's Office seek an enforcement action against that operator. Provides that nothing in the Act shall be construed to apply to: (i) internet, wireless, or telecommunications service providers; or (ii) a public utility, an alternative retail electric supplier, or an alternative gas supplier, as those terms are defined under the Public Utilities Act, or an electric cooperative, as defined under the Electric Supplier Act. Provides that nothing in the Act shall be construed to apply to: (i) a hospital operated under the Hospital Licensing Act; (ii) a hospital affiliate, as defined under the Hospital Licensing Act; or (iii) a hospital operated under the University of Illinois Hospital Act. Makes a conforming change.

775 ILCS 5/7B-102 from Ch. 68, par. 7B-102

Amends the Illinois Human Rights Act. In provisions governing the notice and response in a case involving types of charges other than those pertaining to real estate transactions, removes the requirement that a response be verified. Provides that the charging party and the respondent may each file a position statement and other materials with the Department of Human Rights regarding the charge of alleged discrimination within 60 days of receipt of the request by the Department (instead of "within 60 days of receipt of notice of the charge"). Provides that the Department may (instead of "shall") require the respondent to file a response to the allegations contained in the charge within 60 days of receipt of the notice of the charge. Provides that all allegations contained in the charge not timely denied by the respondent may (instead of "shall") be deemed admitted, unless the respondent states that it is without sufficient information to form a belief with respect to the allegation. Provides that within 30 days of receipt of the respondent's response, the complainant may file a reply to the response and may (instead of "shall") serve a copy of the reply on the respondent or the respondent's representative. Provides that a party may (instead of "shall have the right to") supplement the response or reply at any time that the investigation of the charge is pending. Makes similar changes in provisions governing the notice and response in other types of charges arising under the Act. Makes other changes. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. In provisions governing the notice and response, removes the requirement that a response be verified. Provides that the Department of Human Rights may (instead of shall) require the respondent to file a response to the allegations contained in the charge. Provides that all allegations contained in the charge not timely denied by the respondent may (instead of shall) be deemed admitted. Provides that the Department shall conduct an investigation sufficient to determine whether the allegations set forth in the charge are supported by substantial evidence (instead of "after the respondent has been notified, the Department shall conduct a full investigation of the allegations set forth in the charge"). In provisions governing procedures concerning charges related to real estate transactions, provides that the Department may issue a notice of default directed to any respondent who fails to file a response to a charge within 30 days of the Department's request (instead of the date on which the charge was filed). Effective immediately.

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Defines "applicant", "email address of record", "license", and "licensee". Provides that the Department of Financial and Professional Regulation shall require all applicants and licensees to provide a valid address and email address, which shall serve as the address and email address of record, and to inform the Department of any change of address or email address through specified means. Provides that the Department shall provide notice of a suspension to the licensee by mailing a copy of the Department's order to the licensee's address of record or emailing a copy of the order to the licensee's email address of record (rather than mailing a copy of the order by certified and regular mail to the licensee's last known address as registered with the Department). SB 01606 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions creating the Department of Innovation and Technology Act: Adds a definition of "State agency" and "legacy information technology division". Provides that the status and rights of the employees and the State of Illinois, or its transferring agencies, under the Illinois Public Labor Relations Act shall not be affected by the Act. Provides that under the direction of the Governor, the Secretary, in consultation with the transferring agencies and labor organizations representing the affected employees, shall identify each position and employee who is engaged in the performance of functions transferred to the Department, or engaged in the administration of a law the administration of which is transferred to the Department, to be transferred to the Department. Provides that an employee engaged primarily in providing administrative support to a legacy information technology division or information technology personnel may be considered engaged in the performance of functions transferred to the Department. Deletes language that provides that to the extent that an employee performs duties for the dedicated unit, information technology functions, and duties for the transferring agency itself or any other division or agency within the transferring agency that are dedicated to non-information technology functions, that employee shall be transferred at the Governor's discretion. Provides that the Department shall, when requested and when in the best interest of the State, provide for, coordinate, and establish charges for information technology for State constitutional offices. Excludes State constitutional offices from a provision relating to the Department providing for and coordinating communications services. Further amends the Illinois Century Network Act. Makes additional legislative findings. Provides that the Network may (rather than shall) build on existing investments. Requires the Department to perform a comprehensive review of the Network by July 1, 2018. Defines "anchor institutions". In the State Finance Act, restores language pertaining to transfers from the Secretary of State Special Services Fund to the Statistical Services Revolving Fund and changes a reference from "Statistical Services Revolving Fund" to "Technology Management Revolving Fund". Amends the Illinois Procurement Code. Provides that the Department may enter into leases for dark fiber networks for any period of time deemed to be in the best interests of the State but not exceeding 20 years inclusive. 720 ILCS 570/316

Amends the Illinois Controlled Substances Act. Makes a technical change in a Section concerning the prescription monitoring program.

Senate Committee Amendment No. 1

Adds reference to:

720 ILCS 570/314.5

Replaces everything after the enacting clause. Amends the Illinois Controlled Substances Act. Before issuing a prescription for a Schedule II, III, IV, or V controlled substance, a prescriber or his or her designee shall access the prescription monitoring program to determine compliance with the pharmacy and medication shopping provisions of the Act. Provides that within one year of the effective date of the bill, the Department shall adopt rules requiring all Electronic Health Records Systems to interface with the Prescription Monitoring Program application program on or before January 1, 2021 to ensure that all providers have access to specific patient records during the treatment of their patients. These rules shall also address the electronic integration of pharmacy records with the Prescription Monitoring Program to allow for faster transmission of the information required under the Act. Provides that the Department shall establish actions to be taken if a prescriber's Electronic Health Records System does not effectively interface with the Prescription Monitoring Program within the required timeline. Provides that the Department of Human Services, in consultation with the Advisory Committee, shall adopt rules allowing licensed prescribers or pharmacists who have registered to access the Prescription Monitoring Program to authorize a designee to consult the Prescription Monitoring Program on their behalf. The rules shall include reasonable parameters concerning a practitioner's authority to authorize a designee, and the eligibility of a person to be selected as a designee.

Senate Floor Amendment No. 2

Restores language of the law that when a person has been identified as having 3 or more prescribers or 3 or more pharmacies, or both, that do not utilize a common electronic file for controlled substances within the course of a continuous 30-day period, the Prescription Monitoring Program may (rather than shall) issue an unsolicited report to the prescribers, dispensers, and their designees informing them of the potential medication shopping.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Amends the Illinois Controlled Substances Act. Reinserts the provisions of the bill as amended by Senate Amendments Nos. 1 and 2. Deletes provision that a prescriber who receives the report from the Prescription Monitoring Program concerning a person who has been identified as having 3 or more prescribers or 3 or more pharmacies, or both, either personally or through an agent at his or her place of practice, shall be prohibited from issuing a controlled substance to that same person unless the prescriber signs a statement on the prescription acknowledging receipt of the report. Deletes that if a pharmacy or pharmacist receives a prescription for a person he or she knows or should know to be the subject of the report, and the prescriber fails to provide the required acknowledgement, the pharmacy or pharmacist must contact the prescriber and obtain a signature on the acknowledgement before filling the prescription. Provides that if an unsolicited report is issued to a prescriber or prescribers, then the report must also be sent to the applicable dispensing pharmacy. Restores provision that nothing in this provision shall be construed to create a requirement that any prescriber, dispenser, or pharmacist report any patient activity, or prescribe or refuse to prescribe or dispense any medications. Also provides that a prescriber who prescribes a Schedule II, III, IV, or V controlled substance in the course of oncology treatment, a condition associated with oncology, or hospice care is exempt from having to check the Prescription Monitoring Program prior to prescribing the controlled substance.

215 ILCS 155/8 from Ch. 73, par. 1408

Amends the Title Insurance Act. In provisions concerning reinsurance, provides that a title insurance company may obtain reinsurance for all or any part of its liability under one or more of its title insurance policies from an assuming insurer with a financial strength rating of A- or better from A.M. Best Company, Inc., or with an alternative rating the Department of Insurance may approve that the Department determines is an equivalent rating by another recognized rating organization. In provisions concerning retained liability, provides that the net retained liability of a title insurance company for a single risk on property located in the State, whether assumed directly or as reinsurance, may not exceed the total surplus (rather than 50% of the total surplus) to policyholders as shown in the most recent annual statement of the title insurance company on file with the Department. Provides that each title insurance company shall file annually with the Department a notice describing its professional reinsurance business, if any, and describing how risks are placed through reinsurance outside of the title insurance industry.

Senate Committee Amendment No. 1

35 ILCS 5/205 from Ch. 120, par. 2-205

Amends the Illinois Income Tax. Imposes a privilege tax at a rate of 20% on partnerships and S corporations engaged in the business of conducting investment management services, until such time as a federal law with an identical effect has been enacted. Provides for the determination of the tax due, defines "investment management services". Effective immediately, but this Act does not take effect at all unless the states of Connecticut, New Jersey, and New York enact laws having an effect identical to this Act.

Senate Committee Amendment No. 1

Provides that the privilege tax shall be imposed beginning on July 1, 2017. Provides that the tax shall be imposed at the rate of 20% of the fees earned from the investment strategy of the investment manager and not from the investment itself (in the introduced bill, at the rate of 20%). Removes the bill's immediate effective date and the bill's effective date contingent upon the states of Connecticut, New Jersey, and New York enacting laws having an effect identical to the bill.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the privilege tax shall be imposed beginning on July 1, 2017. Provides that the tax shall be imposed at the rate of 20% of the fees calculated by reference to the performance of the investment portfolio funds and not from the investment itself (in the introduced bill, at the rate of 20% until such time as the United States Congress has passed and the President of the United States has signed legislation having an identical effect). Provides that the tax shall not be imposed on fees calculated by reference to the total assets under management of the business engaged in investment management services. Removes the bill's immediate effective date and the bill's effective date contingent upon the states of Connecticut, New Jersey, and New York enacting laws having an effect identical to the bill.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Pension Note (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Fiscal Note (Dept. of Revenue)

When applied to the \$107 billion in assets, the total annual return for Illinois-based hedge funds is \$5.17 billion. Assuming that hedge funds apply the "two and twenty" fee structure, performance fees earned by asset managers would be \$1.03 billion. By applying a surcharge rate of 20 percent to this amount, we arrive at a revenue estimate of \$206 million. There are several significant risks to this estimate that deserve attention. First, as noted above, we would expect such a high tax rate to elicit a strong behavioral response by asset managers to shield income from taxation. Other states with similar legislative proposals have recognized this risk and addressed it by inserting language into the bill so that the tax would only take effect if several other states with substantial hedge fund industries were to pass similar legislation. Second, the volatility in the performance of hedge fund portfolios would result in this being a highly volatile revenue source. Consequently, forecasts for this revenue source would be unreliable. Finally, as addressed by Department of Revenue legal staff, constitutional issues may prevent the state from collecting any new revenue from the surcharge.

Amends the Illinois Insurance Code in provisions concerning credit allowed a domestic ceding insurer. Provides that the assuming insurer shall provide or make certain information to be reported to the Director of Insurance available to the ceding insurer and that the assuming insurer may decline to release trade secrets or commercially sensitive information that would qualify as exempt from disclosure under the Freedom of Information Act. With regard to an assuming insurer's trust fund, provides that not later than February 28 of each year, the assuming insurer's chief executive officer or chief financial officer shall certify to the Director that the trust fund contains funds in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers, and in addition, a trustee surplus of not less than \$20,000,000. Permits a reduction in the required trustee surplus in specified circumstances. Provides that in the event that the provision concerning the reduction in the required trustee surplus applies to the trust, the assuming insurer's chief executive officer or chief financial officer shall then certify to the Director that the trust fund contains funds in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers, and in addition, a reduced trustee surplus of not less than the amount that has been authorized by the regulatory authority having principal regulatory oversight of the trust. Makes changes to provisions concerning financial strength ratings. Sets forth provisions concerning downgrades by rating agencies, the Director's authority, upgrading the rating of a certified reinsurer, and the revocation of the certification of a certified reinsurer. 725 ILCS 5/115-21

Amends the Code of Criminal Procedure of 1963. Provides in cases in which the prosecution attempts to introduce evidence of incriminating statements made by the accused to or overheard by an informant, the prosecution shall disclose at least 30 days prior to any relevant evidentiary hearing or trial (rather than timely disclose in discovery): (1) the complete criminal history of the informant; (2) any deal, promise, inducement, or benefit that the offering party has made or will make in the future to the informant; (3) the statements made by the accused; (4) the time and place of the statements, the time and place of their disclosure to law enforcement officials, and the names of all persons who were present when the statements were made; whether at any time the informant recanted that testimony or statement and, if so, the time and place of the recantation, the nature of the recantation, and the names of the persons who were present at the recantation; (6) other cases in which the informant testified, provided that the existence of such testimony can be ascertained through reasonable inquiry and whether the informant received any promise, inducement, or benefit in exchange for or subsequent to that testimony or statement; and (7) any other information relevant to the informant's credibility. Provides that if, at any time, a law enforcement or prosecutorial official has reason to believe that a previous statement or testimony proffered by an individual acting as an in-custody informant may be untruthful or unreliable, this information shall be disclosed through notification to the defendant, his or her attorney of record or the public defender's office, the prosecutor's office, and the court for all cases in which the informant offered statements or testimony. Provides that this provision applies to any criminal proceeding for first degree murder, intentional homicide of an unborn child, second degree murder, voluntary manslaughter of an unborn child, involuntary manslaughter and reckless homicide, involuntary manslaughter and reckless homicide of an unborn child, drug-induced homicide, aggravated criminal sexual assault, predatory criminal sexual assault of a child, or aggravated arson (rather than a capital case). Makes other changes.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Amends the Code of Criminal Procedure of 1963. Expands the informant testimony provisions from capital cases to first degree murder, intentional homicide of an unborn child, second degree murder, voluntary manslaughter of an unborn child, involuntary manslaughter and reckless homicide, involuntary manslaughter and reckless homicide of an unborn child, drug-induced homicide, aggravated criminal sexual assault, predatory criminal sexual assault of a child, or aggravated arson. Provides that the court may permit the prosecution to disclose its intent to introduce the testimony of an informant with less notice than the 30-day notice period required, if the court finds that the informant was not known prior to the 30-day notice period and could not have been discovered or obtained by the exercise of due diligence by the prosecution prior to the 30-day notice period. Provides that upon good cause shown, the court may set a reasonable notice period under the circumstances or may continue the trial on its own motion to allow for a reasonable notice period, which motion shall toll the speedy trial period for the period of the continuance. Provides that if a lawful recording of an incriminating statement is made of an accused to an informant or of a statement made by an informant to law enforcement or the prosecution, including any deal, promise, inducement, or other benefit offered to the informant, the accused may request a reliability hearing and the prosecution shall be subject to the disclosure requirements. Deletes language in the introduced bill providing that if, at any time, a law enforcement or prosecutorial official has reason to believe that a previous statement or testimony proffered by an individual acting as an in-custody informant may be untruthful or unreliable, this information shall be disclosed through notification to the defendant, his or her attorney of record or the public defender's office, the prosecutor's office, and the court for all cases in which the informant offered statements or testimony. Deletes language in the introduced bill providing that if there is an adverse finding with respect to the reliability of the in-custody informant, the relevant State entity has an obligation to notify the defendant, his or her attorney of record or public defender's office, the prosecutor's office, and the court where the in-custody informant has testified.

(Rep. Emanuel Chris Welch)

325 ILCS 5/7.4 from Ch. 23, par. 2057.4

Amends the Abused and Neglected Child Reporting Act. Provides that the Department of Children and Family Services may implement a "differential response program" (rather than providing that beginning January 1, 2010, the Department may implement a 5-year demonstration of a "differential response program"). Removes a requirement that the Department arrange for an independent evaluation of the "differential response program" to determine whether it is meeting specified goals. Removes language providing that the demonstration shall become a permanent program on July 1, 2016, upon completion of the demonstration project period.

Senate Committee Amendment No. 1

Further amends the Abused and Neglected Child Reporting Act. In regard to the differential response program authorized under the Act, requires the Department of Children and Family Services to submit a report to the General Assembly by January 15, 2018 on the implementation progress and recommendations for additional needed legislative changes.

Senate Committee Amendment No. 2

Further amends the Abused and Neglected Child Reporting Act. Provides that if the Department of Children and Family Services implements a differential response program, the Department shall arrange for an independent evaluation of the program for at least the first 3 years of implementation to determine whether it is meeting certain goals in accordance with a specified provision of the Act.
