Fiscal Note, House Committee Amendment No. 1 (Office of the Attorney General)
The proposed legislation, HB 1633 (H-AM 1) would not have a significant fiscal impact on our Office as the new offenses established by this bill would primarily be handled by local county State's Attorney Offices. Fiscal impact: Minimal

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Illinois State Police)
If House Bill 1633 (H-AM 1) were to become law, there would be no additional fiscal impact to the Illinois State Police.

House Floor Amendment No. 3
Deletes reference to:
720 ILCS 5/8-2
Deletes language that provides that a business, corporation, or organization convicted of conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility shall, in addition to any other applicable penalty, be sentenced to a fine of not less than 10 times the minimum fine authorized for the offense. Deletes language that provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization intentionally sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses.

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)
The total impact of House Bill 1633, as amended, would result in an increase of 1 offender, with additional marginal costs of $96,200 over the first ten years after enactment. These calculations are based on limited accessible data and estimates may vary depending on how cases are prosecuted and plea bargained.

Home Rule Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

815 ILCS 530/1

Amends the Personal Information Protection Act. Makes a technical change in a Section concerning the short title.

House Committee Amendment No. 2
Deletes reference to:
815 ILCS 530/1
Adds reference to:
New Act

Replaces everything after the enacting clause. Creates the Data Transparency and Privacy Act. Finds that individuals have a right to privacy in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney General. Effective April 1, 2020.

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)

The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

State Mandates Fiscal Note, House Committee Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Fiscal Note, House Floor Amendment No. 3 (Office of the Attorney General)
The proposed legislation, HB 3358, as amended by House Amendment #3, may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys. Fiscal impact: Uncertain

Judicial Note, House Floor Amendment No. 3 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2
Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
Representative David McSweeney
HB 03888 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

(Sen. Elgie R. Sims, Jr.-Napoleon Harris, III-Jacqueline Y. Collins)

New Act

Creates the Student Athlete Endorsement Act. Prohibits (i) an institution of higher learning from upholding any rule, requirement, standard, or other limitation that prevents a student athlete of that institution from earning compensation as a result of the use of the student's name, image, or likeness and earning compensation from the use of a student athlete's name, image, or likeness from affecting the student's scholarship eligibility; (ii) an athletic association, conference, or other group or organization with authority over intercollegiate athletics from preventing a student athlete of an institution from earning compensation as a result of the use of the student's name, image, or likeness; (iii) an athletic association, conference, or other group or organization with authority over intercollegiate athletics from preventing an institution from participating in intercollegiate athletics as a result of the compensation of a student athlete for the use of the student's name, image, or likeness; and (iv) an institution, athletic association, conference, or other group or organization with authority over intercollegiate athletics from providing a prospective student athlete with compensation in relation to the athlete's name, image, or likeness. Sets forth provisions concerning professional representation and contracts. Effective January 1, 2023.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Changes the definition of "institution" to mean a publicly or privately operated college or university located in this State that offers baccalaureate degrees (rather than providing that "institution" has the meaning given to that term under the Higher Education Student Assistance Act). Provides that professional representation provided by an athlete agent to a student athlete shall be by a person licensed pursuant to the Illinois Athlete Agents Act. Effective January 1, 2023.

New Act
Representative Charles Meier  
HB 02511 (CONTINUED)  

740 ILCS 110/4 from Ch. 91 1/2, par. 804

Creates the Suicide Prevention Act. Provides that for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. Provides that except as otherwise prohibited by the federal Health Insurance Portability and Accountability Act of 1996, a therapist is not criminally or civilly liable for disclosing the recipient's therapy or for discussing the progress of the recipient toward mental health to a person designated under the Act. Defines various terms. Amends the Mental Health and Developmental Disabilities Confidentiality Act to make conforming changes.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, except provides that for a person 12 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist may share mental health information with family members, friends, or others involved in the recipient's care, if the recipient agrees or does not object, and the information is relevant to the family member, friend, or caregiver's involvement with the recipient's healthcare or the payment for that care (rather than for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year that may be extended by the therapist based on need and that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health). Provides that the therapist must: (1) ask the recipient's permission to share relevant information with family members, friends, or other caregivers; (2) tell the recipient he or she plans to discuss the information, (3) give the recipient an opportunity to agree or object; or may infer from the circumstances, using professional judgment, that the recipient does not object, and (4) determine that the sharing of relevant information is in the recipient's best interest. Provides that the family, friends, or caregivers may consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. In the amendatory provisions of the Mental Health and Developmental Disabilities Confidentiality Act, provides that the person designated by a therapist under the Suicide Prevention Act to be consulted on the progress of a recipient of mental health services who has attempted suicide may be consulted only to the extent the information is necessary for the family member, friend, or caregiver's involvement with the recipient's health care or the payment for that care and consistent with the therapist's professional judgment that the consultation is in the recipient's best interest.

Amends the School Code. With regard to criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Murderer and Violent Offender Against Youth Database, provides that if a criminal history records check or check of the Statewide Sex Offender Database or Statewide Murderer and Violent Offender Against Youth Database is performed by a regional superintendent for an applicant seeking employment as a substitute teacher with a school district, the regional superintendent may disclose to the State Board of Education whether the applicant has been issued a certificate based on those checks. Provides that if the State Board receives information on an applicant, then it must indicate in the Educator Licensure Information System for a 90-day period that the applicant has been issued or has not been issued a certificate. Makes other changes concerning the Statewide Murderer and Violent Offender Against Youth Database. Effective immediately.

Amends the Equal Pay Act of 2003. Provides that it is unlawful for an employer to require an employee to sign a contract or waiver that would prohibit the employee from disclosing or discussing the employee's wage or salary; however, an employer may prohibit a human resources employee, a supervisor, or any other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing such information without prior written consent from the employee whose information is sought or requested. Provides that it is unlawful for an employer to seek the wage or salary history of a prospective employee from the prospective employee or a current or former employer or to require that a prospective employee's prior wage or salary history meet certain criteria, with some exceptions. Provides that an employer against whom an action is brought alleging a violation of the Act's prohibition against gender-based wage differentials and who, within the previous 3 years and prior to the commencement of the action, has completed a self-evaluation of the employer's pay practices in good faith and can demonstrate that reasonable progress has been made toward eliminating wage differentials based on gender for the same or substantially similar work in accordance with that evaluation shall have an affirmative defense to liability. Provides that an employer who cannot demonstrate that the evaluation was reasonable in detail and scope shall not be entitled to an affirmative defense, but shall not be liable for any civil fine in excess of: (1) $500 per employee affected, if the employer has fewer than 4 employees; or (2) $2,500 per employee affected, if the employer has 4 or more employees. Provides that if an employee recovers unpaid wages under the Act and also files a complaint or brings a sex discrimination action under the federal Fair Labor Standards Act of 1938 that results in additional recovery under federal law for the same violation, the employee shall return to the employer the amounts recovered under State law or the amounts recovered under federal law, whichever is less.

Amends the Educator Licensure Article of the School Code. With regard to applicants seeking a Professional Educator License or an Educator License with Stipulations provides that all applicants completing Illinois-approved, teacher education or school service personnel preparation programs shall be required to pass the State Board of Education's recognized test of basic skills (rather than requiring passage of the test prior to starting their student teaching or starting the final semester of their internship). New Act

105 ILCS 5/27A-5

30 ILCS 805/8.43 new
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Makes a change to the legislative findings. Changes the definition of “delegated care aide” to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of “school employee” to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Committee Amendment No. 3

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Requires training for school employees and delegated care aides to include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

105 ILCS 5/34-18.5  from Ch. 122, par. 34-18.5

Amends the School Code. With regard to criminal history records checks and checks of the Statewide Sex Offender
Database and Statewide Murderer and Violent Offender Against Youth Database, provides that if a criminal history records check or
check of the Statewide Sex Offender Database or Statewide Murderer and Violent Offender Against Youth Database is performed by a
regional superintendent for an applicant seeking employment as a substitute teacher with a school district, the regional superintendent
may disclose to the State Board of Education whether the applicant has been issued a certificate based on those checks. Provides that if
the State Board receives information on an applicant, then it must indicate in the Educator Licensure Information System for a 90-day
period that the applicant has been issued or has not been issued a certificate. Provides that a school district seeking to employ the
substitute teacher may use the information in the Educator Licensure Information System rather than initiating its own criminal history
records check or check of the Statewide Sex Offender Database or Statewide Murderer and Violent Offender Against Youth Database.
Makes other changes concerning the Statewide Murderer and Violent Offender Against Youth Database. Effective immediately.

reviewed by the Department when the guardianship order was entered. Provides that any minor who is placed in the guardianship of
the Department of Children and Family Services under the Act while an application for the Family Support Program was pending

Represents everything after the enacting clause. Amends the Children and Family Services Act. Provides that whenever a child
is placed in the custody or guardianship of the Department of Children and Family Services or a child is returned to the custody of a
parent or guardian and the court continues jurisdiction of the case, the Department must ensure that the child is up to date on his or her
child's well-child visits, including age-appropriate immunizations, or that there is a document that religious or medical reason the child did not
receive the immunizations. Provides that whenever a child has been placed in foster or substitute care by court order and the court determines
that the child can return to the custody of his or her parent or guardian, the Department must complete, prior to the child's
discharge from foster or substitute care, a home safety checklist to ensure that the conditions of the child's home are sufficient to ensure
the child's safety and well-being, as defined in Department rules and procedures. Provides that at a minimum, the home safety checklist
shall be completed within 24 hours prior to the child's return home and completed again or recertified in the absence of any
environmental hazards within 5 working days after a child is returned home and every month thereafter until the child is closed pursuant to the Juvenile Court Act of 1987. Provides that when a court determines that a child should return to the custody or
guardianship of a parent or guardian, any aftercare services provided to the child and the child's family by the Department or if a
purchase of service agency shall commence on the date upon which the child is returned to the custody or guardianship of his or her
parent or guardian. If multiple children are returned at different times to the custody or guardianship of the parent or guardian, requires
aftercare services to commence on the date upon which the last child returns home. Amends the Abused and Neglected Child
Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established
under the Act and there is a prior indicated report of abuse or neglect and a prior open case involving any member of the household, the Department must, at a minimum, accept the report as a child welfare services referral. Requires a child protective
services investigation if the family refuses to cooperate or refuses access to the home or children and if the facts otherwise meet the
criteria to accept a report. Provides that beginning one year after the effective date of the amendatory Act, and every 2 years thereafter,
the Auditor General shall conduct a performance and compliance audit of the Department of Children and Family Services to
determine whether the Department is meeting the requirements under the amendatory Act. Provides that upon completion of each
audit, the Auditor General shall report its findings to the General Assembly. Requires the Auditor General's report to include any
issues or deficiencies and recommendations.

House Floor Amendment No. 2

Requires the Auditor General to commence a performance audit (rather than conduct a performance and compliance audit) of
the Department of Children and Family Services one year after the effective date of the amendatory Act (rather than one year after the
effective date of the amendatory Act and every 2 years thereafter) to determine whether the Department is meeting the requirements set
forth in the amendatory Act. Provides that within 2 years after the audit's release, the Auditor General shall commence a follow-up
performance audit to determine whether the Department has implemented the recommendations contained in the initial performance
audit. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly and the
Auditor General's reports shall include any issues or deficiencies and recommendations.

Senate Committee Amendment No. 1

Further amends the Children and Family Services Act. Provides that if children are returned to the custody of a parent at
different times, the Department of Children and Family Services or the purchase of service agency shall provide a minimum of 6
months of aftercare services to each child commencing on the date each individual child is returned home (rather than if multiple
children are returned at different times to the custody or guardianship of the parent or guardian, aftercare services shall commence on the
date upon which the last child returns home). Further amends the Abused and Neglected Child Reporting Act. Provides that when a
report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior
indicated report of abuse or neglect, or there is a prior open service case involving any member of the household (rather than there is a
prior indicated report of abuse or neglect and a prior open service case involving any member of the household), the Department of
Children and Family Services must, at a minimum, accept the report as a child welfare services referral.

New Act

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of “Average Student Enrollment” in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of “Average Student Enrollment” in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

States the belief that O'Hare International Airport's noise monitoring technology should be coupled with artificial-intelligence software to match the noises perceived by each station at each time to specific individual flight operations and the operations of individual airlines and to gauge the compliance of each individual airline firm with the guidelines set down in the Fly Quiet Program. Calls for a measurable improvement in Fly Quiet compliance no later than January 1, 2021, with further improvements to follow. Urges the Aviation Department of the City of Chicago to select a trusted third party that represents the interests of O'Hare International Airport's noise neighbors and to share the information enumerated in this resolution with this third party. Urges the Aviation Department and the trusted third party to collaborate to develop a rank-ordered chart of each airline firm's compliance with Fly Quiet Program guidelines. Urges the Aviation Department and the trusted third party to give the charts explicit and formal consideration as elements in any decisions made, subsequent to the start of the generation of this data and these charts, on the reallocation of departure gates and support facilities at O'Hare International Airport.

Amends the Illinois Dental Practice Act. Changes the definition of "public health dental hygienist." Provides that the requirement that a public health dental hygienist must have additional structured courses in dental hygiene in advanced areas specific to public health dentistry shall include emergency procedures for medically compromised patients, pharmacology, medical recordkeeping procedures, geriatric dentistry, pediatric dentistry, and pathology provided by an educational institution accredited by the Commission on Dental Accreditation, such as a dental school or dental hygiene program, or a statewide dental association, approved by the Department of Financial and Professional Regulation to provide continuing education, that has developed and conducted training programs for expanded functions for dental assistants and hygienists. Provides that the training program must include a minimum of 26 hours of didactic study; include 8 hours of in-person classroom experience with an outcome assessment examination that tests the competency of the didactic subjects required by the Act; require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist; issue a certificate of completion of the training program, which must be kept on file at the supervising dentist's office and which will be made available to the Department upon request; and operate in a public health setting pursuant to a written public health supervision agreement with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes that include the following. Specifies the number of hours of education required in certain advanced areas specific to public health dentistry and requires that the training program for a public health dental hygienist include a minimum of 29 hours of didactic study in those areas (instead of a minimum of 26 hours of didactic study). Provides that the education in advanced areas specific to public health dentistry may be provided by a statewide dental hygiene association that meets certain requirements. Provides that the didactic study may be taken in compliance with specified continued learning education requirements. Provides that the training program for a public health dental hygienist must require completion of 5 hours of didactic courses in the topic areas of special needs dentistry, teledentistry, nutritional needs of geriatric and low income patients, communication techniques with non-English speaking patients, cultural competency, and professional ethics. Provides that the training program must require completion of an 8 hour in-person classroom review (instead of classroom experience) that includes a comprehension exam on specified topics (instead of an outcome assessment examination) and submit certification of successful completion to the supervising dentist. Removes a requirement that the training program require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist. Makes grammatical and other changes.

House Floor Amendment No. 2

Further amends the Illinois Dental Practice Act. Provides that after completion of a training program for a public health dental hygienist, a public health dental hygienist may operate in a public health setting that meets specified requirements with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program.

Provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses. Provides that criminal damage to a critical infrastructure facility is a Class 3 felony (rather than a Class 1 felony). Provides exemptions. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (Office of the Attorney General)
The proposed legislation, HB 1633 (H-AM 1) would not have a significant fiscal impact on our Office as the new offenses established by this bill would primarily be handled by local county State's Attorney Offices. Fiscal impact: Minimal

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Illinois State Police)
If House Bill 1633 (H-AM 1) were to become law, there would be no additional fiscal impact to the Illinois State Police.

Replaces everything after the enacting clause. Amends the Counties Code. Provides that counties may impose a tax to be used exclusively for school facility purposes, school resources officers, or mental health professionals (rather than exclusively for school facility purposes). Adds referendum language to levy, reduce, or discontinue the tax. Amends the Innovation Development and Economy Act and the School Construction Law to make conforming changes. Amends the School Code to make conforming changes and to provide that if a school district having a population of less than 500,000 inhabitants determines that it is necessary for school security purposes and the related protection and safety of pupils and school staff to hire a school resource officer or that personnel costs for school counselors, mental health experts, or school resource officers are necessary, the district may levy a tax or issue bonds as provided under a provision in the Code authorizing a school board to levy a tax or to borrow money and issue bonds for fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes if funds are not needed for those other purposes. Amends the School Safety Drill Act. Requires each school district to implement a threat assessment procedure that may be part of a school board policy on targeted school violence and prevention and that must include the creation of a threat assessment team; provides for the team's membership. Requires each school district, at its annual meeting to review each school building's emergency and crisis response plans, protocols, and procedures, to review the procedures regarding its threat assessment team. Creates an exemption for the work of the threat assessment team in the Freedom of Information Act. Effective immediately.

Senate Committee Amendment No. 1

With regard to a school district's threat assessment procedure, removes a provision requiring the policy on targeted school violence and prevention that directs the implementation of a threat assessment procedure to be a public document and to be posted on the school district's website with other school district policies. Makes conforming changes.

Senate Floor Amendment No. 2

Provides that each school district must implement a threat assessment procedure that may be part of a school board policy on targeted school violence prevention (rather than school violence and prevention). Provides that a regional behavioral threat assessment and intervention team utilized by a school district must include mental health professionals and representatives from State, county, and local law enforcement agencies (rather than mental health professionals, a representative from the Illinois Law Enforcement Alarm System, a safety education officer from the Department of State Police, and local law enforcement representatives) and removes a provision requiring the members to complete the training courses offered by Western Illinois University's Office of Public Safety.

Amends the Downstate Firefighter Article of the Illinois Pension Code. Requires each municipality to establish a defined contribution plan that aggregates firefighter and employer contributions in individual accounts used for retirement. Provides that if a firefighter who has more than 10 years of creditable service in a fund enters active service with a different municipality, he or she may elect to participate in the defined contribution plan in lieu of the defined benefit plan. Provides that if a fire chief to whom a specified provision of the Illinois Municipal Code applies (i) first becomes a member on or after January 1, 2020, (ii) is receiving pension payments, and (iii) reenters active service with any municipality that has established a pension fund under the Article, that fire chief may continue to receive pension payments while he or she is in active service, but shall only participate in a defined contribution plan and may not establish creditable service in the pension fund established by that municipality or have his or her pension recomputed. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Requires a municipality that employs a fire chief who meets certain requirements (instead of each municipality) to establish a defined contribution plan. Makes a conforming change.

Provides that a municipality that employs a fire chief who participates in a defined contribution plan required to be established by the amendatory Act shall provide a disability insurance benefit to that fire chief that is at least equivalent to the disability benefit he or she would be provided if he or she was a participant in the defined benefit plan.

HB 00834

820 ILCS 112/10  
820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.  
Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specific provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2

Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

New Act

Creates the Partial-Birth Abortion Ban Act of 2020. Provides that any person who knowingly performs a partial-birth abortion and thereby kills a human fetus or infant is guilty of a Class 4 felony. Provides that a person shall only perform or induce a partial-birth abortion on a viable fetus if: (i) the person is a physician; (ii) the person has a documented referral from another physician not legally or financially affiliated with the person performing or inducing the abortion; (iii) both physicians determine that the life of the mother is endangered by a physical disorder, physical illness, or physical injury, including a life-endangering condition caused by or arising from the pregnancy itself; and (iv) there is no other medical procedure that would suffice for that purpose.
