820 ILCS 130/9

from Ch. 48, par. 39s-9

Amends the Prevailing Wage Act. Requires the Department of Labor to publish, by July 15 of each year on its official website, a prevailing wage schedule for each county in the State based upon the prevailing rate of wages investigated and ascertained by the Department during the month of June.

Correctional Note (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

Pension Note (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3044 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

House Floor Amendment No. 1

Provides for the prevailing wage rate schedule to be published no later than August 15, rather than July 15, of each year.

Authorizes the Department to publish rates more frequently than once per year. Effective immediately.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept of Labor)

This would create a fiscal impact on the agency's overtime costs. This would require the agency to mandate overtime for 15 days, to include a Holiday. Staff that would consist of 3 Administration, 2 DO IT, 12 Conciliators. Our cost is estimated in overtime to be \$60,000.00.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Sen. Kwame Raoul-Antonio Muñoz and Omar Aquino

(Rep. Jim Durkin-Jaime M. Andrade, Jr.-John M. Cabello-Patricia R. Bellock-David Harris, Tom Demmer, Barbara Wheeler, Michael P. McAuliffe and Brian W. Stewart)

New Act

Creates the Safe Neighborhoods Reform Act. Contains only a short title provision.

Fiscal Note, Senate Floor Amendment No. 2 (Illinois State Police)

The Department of Innovation & Technology estimates it would take 2,500 hours and based on a simple \$100 per hour, an estimated fiscal impact of \$250,000 to implement. This estimate is based on a collaboration with the Administrative Office of Illinois Courts.

Correctional Note, Senate Floor Amendment No. 2 (Dept of Corrections)

The total impact of SB 1722 (S-AM 2) would be a decrease of 1,471 offenders with \$61,932,100 in marginal cost savings over the first ten years after enactment. Population reductions and fiscal savings are based on limited data and Department estimates, and the use of discretion when imposing longer sentences for firearms offenses is difficult to predict throughout the State. Therefore, the full population and fiscal impacts on the Department of Corrections for SB 1722 (S-AM 2) are unknown.

Amends the Probate Act of 1975. Provides that for purposes of determining the rights to property passing upon the death of a decedent under any instrument or the intestacy rules of this State, unless a contrary intention is expressly stated in the instrument: (1) the decedent is a parent of a posthumous child in utero at the time of the decedent's death; and (2) if a decedent had consented in writing to be a parent of any child born of his or her gametes posthumously, and died before the insemination of the individual's gametes or embryo transfer, the decedent is a parent of any resulting child born within 36 months of the death of the decedent, but only if the holder of property subject to the instrument receives timely written notice, from a person to whom such consent applies that: (i) the decedent's gametes exist; and (ii) the person has the intent to use the gametes in a manner that could result in a child being born within 36 months of the death of the decedent. Provides that for purposes of the descent and distribution of property passing by intestate succession, a posthumous child of a decedent not in utero at the decedent's death is entitled to the same share of an estate as if the child had been born in wedlock during the decedent's lifetime only if specified conditions are met. Provides that the requirements impose no duty on the administrator of an estate to provide notice of death to any person and apply without regard to when any person receives notice of the decedent's death. Provides that for the purpose of determining the property rights of any person under any instrument: (1) a posthumous child of a decedent who is in utero at the decedent's death shall be treated as a child of the decedent unless the intent to exclude such child is demonstrated by the express terms of the instrument by clear and convincing evidence; and (2) a posthumous child of a decedent not in utero at the decedent's death shall not be treated as a child of the decedent unless specified conditions are met. Provides that the use in an instrument of terms such as "child", "children", "grandchild", "grandchildren", "descendants", and "issue", whether or not modified by phrases such as "biological", "genetic", "born to", or "of the body" shall not alone constitute clear and convincing evidence of an intent to include posthumous children not in utero at the decedent's death. Provides that an intent to exclude posthumous children not in utero at the decedent's death shall be presumed with respect to any instrument that does not address specifically how and when the class of posthumous children are to be determined with respect to each division or distribution provided for under the instrument as well as whose posthumous children are to be included and when a posthumous child has to be born to be considered a beneficiary with respect to a particular division or distribution. Provides that no fiduciary or other person shall be liable to any other person for any action taken or benefit received prior to the effective date of the amendatory Act that was based on a good faith interpretation of Illinois law regarding the right of posthumous children to take property by intestate succession or under an instrument.
