HOUSE JOINT RESOLUTION NO. 64

WHEREAS, Women have formally been part of the United States Armed Forces since the inception of the Army Nurse Corps in 1901 but have informally served since the inception of our nation's military; and

Senator Bennett offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 922

WHEREAS, 529 College Savings Plans are important tools for Illinois families who want to save for their children's college education; they offer a diverse range of investment options, tax-deferred growth, and withdrawals free of state and federal taxes when those withdrawals are used for qualified higher education expenses such as tuition, fees, books, certain room and board costs, computer equipment, and required supplies; and

WHEREAS, The enactment of Section 529 of the Internal Revenue Code by Congress in 1996 allowed states to create Qualified Tuition Programs; and

WHEREAS, The Office of the Illinois State Treasurer serves as the trustee and administrator for Illinois 529 College Savings Plans; and

WHEREAS, The Bright Start and Bright Directions College Savings Plans, established in Illinois in 2000 and 2005 respectively, were created to assist Illinois families with financing the costs associated with a college education; and

WHEREAS, Today, more than 800,000 Bright Start and Bright Directions accounts have been created, and over \$16 billion has been saved for higher education expenses; and

[March 22, 2022]

WHEREAS, The Bright Start and Bright Directions College Savings Plans have helped families meet their higher education goals with approximately \$1 billion withdrawn annually for qualified higher education expenses at colleges and universities in Illinois and throughout the United States; and

WHEREAS, In 2021, Morningstar announced that the Bright Start 529 College Savings Plan earned a gold rating for the fifth year in a row, making it one of only three 529 plans in the country to be rated gold by Morningstar and one of only two 529 plans in the country to have been rated gold each of the past five years; and

WHEREAS, According to the Federal Reserve Bank of New York, student loan debt has now reached \$1.6 trillion nationally, more than triple the amount owed in 2005; more than two million Illinois residents carry student loan debt, the average value of which is \$29,855; and

WHEREAS, In Illinois, the dream of achieving academic and professional success is being threatened by increasing tuition rates and decreasing financial aid; student loan debt has been found to delay home purchases, business start-ups, and other major economic investments; and

WHEREAS, Illinois' college savings plans help families limit or prevent future student loan debt by helping them save for future higher education expenses; and

WHEREAS, The investments that families make today pay off in the form of an increased earning potential for their children in the future, with a college graduate earning an average of \$1 million more than a high school graduate during their career, according to the U.S. Census Bureau; and

WHEREAS, May 29th is recognized nationally as 529 College Savings Day to help raise awareness across the country about the benefits of tax-advantaged college savings plans, known as 529 College Savings Plans, as important vehicles to save for college; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare May 29, 2022 as College Savings Day in the State of Illinois to help raise awareness of the escalating costs of higher education and the importance of saving for college with the help of 529 College Savings Plans; and be it further
