PRESENTATION OF RESOLUTIONS

SENATE RESOLUTION NO. 1749

Offered by Senator Bennett and all Senators:
Mourns the death of Flora E. Faraci of Champaign.

SENATE RESOLUTION NO. 1750

Offered by Senator Bennett and all Senators:
Mourns the death of Werner Baer.

By unanimous consent, the foregoing resolutions were referred to the Resolutions Consent Calendar.

Senator T. Cullerton offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 1751

WHEREAS, The State of Illinois is currently experiencing a fiscal crisis and is considering a multitude of options to solve the State's economic concerns; and

WHEREAS, A proposed tax on advertising and advertising-related services to generate revenue to balance the State's budget has been contemplated by some in the State's leadership; and

WHEREAS, A tax on advertising has proven to slow economic growth; no other state in the nation specifically applies a sales tax to advertising; and

[April 13, 2016]

WHEREAS, The State of Florida previously imposed a tax on advertising and advertising-related services, only to see a loss of jobs and personal income due to lost advertising revenue; Florida also saw ad purchases decrease by 12% and go to neighboring states, ultimately resulting in a loss of \$100 million in advertising revenue and a repeal of the tax 6 months later; and

WHEREAS, A tax on advertising in Illinois would cripple the ability of business owners, both large and small, to market goods and services and cause the businesses to inevitably lose customers; and

WHEREAS, A tax on advertising would devastate the advertising industry in Illinois, driving revenue and jobs to neighboring states and hurting Illinois' already fragile economy; and

WHEREAS, The advertising industry in Illinois helps generate 17.3% of Illinois' economic activity and produces over 900,000 jobs; and

WHEREAS, An additional tax on advertising is counterintuitive and goes against the pro-business, pro-jobs, pro-growth policies that should be under careful consideration as Illinois seeks to regain sound financial footing; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state our firm opposition to any additional taxes on advertising or advertising-related services; and be it further

RESOLVED, That we state our belief that Illinois' present fiscal crisis must be managed in other ways besides a new tax on business owners throughout the State.

Range be abolished?	

(4) At the consolidated election at which the proposition to abolish the offices of township treasurer and trustee of schools of a township is submitted to the electors of each elementary and unit school district that is subject to the jurisdiction and authority of the township treasurer and trustee of schools of that township, a majority of the electors voting on the proposition in each such elementary and unit school district votes in favor of the proposition as submitted to them.

If in each elementary and unit school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished a majority of the electors in each such district voting at the consolidated election on the proposition to abolish the offices of township treasurer and trustee of schools of that township votes in favor of the proposition as submitted to them, the proposition shall be deemed to have passed; but if in any such elementary or unit school district a majority of the electors voting on that proposition in that district fails to vote in favor of the proposition as submitted to them, then notwithstanding the vote of the electors in any other such elementary or unit school district on that proposition the proposition shall not be deemed to have passed in any of those elementary or unit school districts, and the offices of township treasurer and trustee of schools of the township in which those offices were sought to be abolished shall not be abolished, unless in each of those elementary and unit school districts remaining subject to the jurisdiction and

authority of the township treasurer and trustees of schools of that township proceedings are again initiated to abolish those offices and all of the proceedings and conditions prescribed in paragraphs (1) through (4) of this subsection are repeated and met in each of those elementary and unit school districts.

Notwithstanding the foregoing provisions of this Section or any other provision of the School Code, the offices of township treasurer and trustee of schools of a township that has a population of less than 200,000 and that contains a unit school district and is located in a Class II county school unit shall also be abolished as provided in this subsection if all of the conditions set forth in paragraphs (1), (2), and (3) of this subsection are met and if the following additional condition is met:

The electors in all of the school districts subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished shall vote at the consolidated election on the proposition to abolish the offices of township treasurer and trustee of schools of that township. If a majority of the electors in all of the school districts combined voting on the proposition vote in favor of the proposition, then the proposition shall be deemed to have passed; but if a majority of the electors voting on the proposition in all of the school district fails to vote in favor of the proposition as submitted to them, then the proposition shall not be deemed to have passed and the offices of township treasurer and trustee of schools of the township in which those offices were sought to be abolished shall not be abolished, unless and until the proceedings detailed in paragraphs (1) through (3) of this subsection and the conditions set forth in this paragraph are met.

If the proposition to abolish the offices of township treasurer and trustee of schools of a township is deemed to have passed at the consolidated election as provided in this subsection, those offices shall be deemed abolished by operation of law effective on January 1 of the calendar year immediately following the calendar year in which that consolidated election is held, provided that if after the election, the trustees of schools by resolution elect to abolish the offices of township treasurer and trustee of schools effective on July 1 immediately following the election, then the offices shall be abolished on July 1 immediately following the election. On the date that the offices of township treasurer and trustee of schools of a township are deemed abolished by operation of law, the school board of each elementary and unit school district and the school board of each high school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township at the time those offices are abolished: (i) shall appoint its own school treasurer as provided in Section 8-1; and (ii) unless the term of the contract of a township treasurer expires on the date that the office of township treasurer is abolished, shall pay to the former township treasurer its proportionate share of any aggregate compensation that, were the office of township treasurer not abolished at that time, would have been payable to the former township treasurer after that date over the remainder of the term of the contract of the former township treasurer that began prior to but ends after that date. In addition, on the date that the offices of township treasurer and trustee of schools of a township are deemed abolished as provided in this subsection, the school board of each elementary school, high school and unit school district that until that date is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township shall be deemed by operation of law to have agreed and assumed to pay and, when determined, shall pay to the Illinois Municipal Retirement Fund a proportionate share of the unfunded liability existing in that Fund at the time these offices are abolished in that calendar year for all annuities or other benefits then or thereafter to become payable from that Fund with respect to all periods of service performed prior to that date as a participating employee in that Fund by persons serving during those periods of service as a trustee of schools, township treasurer or regular employee in the office of the township treasurer of that township. That unfunded liability shall be actuarially determined by the board of trustees of the Illinois Municipal Retirement Fund, and the board of trustees shall thereupon notify each school board required to pay a proportionate share of that unfunded liability of the aggregate amount of the unfunded liability so determined. The amount so paid to the Illinois Municipal Retirement Fund by each of those school districts shall be credited to the account of the township in that Fund. For each elementary school, high school and unit school district under the jurisdiction and authority of a township treasurer and trustees of schools of a township in which those offices are abolished as provided in this subsection, each such district's proportionate share of the aggregate compensation payable to the former township treasurer as provided in this paragraph and each such district's proportionate share of the aggregate amount of the unfunded liability payable to the Illinois Municipal Retirement Fund as provided in this paragraph shall be computed in accordance with the ratio that the number of pupils in average daily attendance in each such district for the school year last ending prior to the date on which the offices of township treasurer and trustee of schools of that township are abolished bears to the aggregate number of pupils in average daily attendance in all of those districts as so reported for that school year.

Upon abolition of the offices of township treasurer and trustee of schools of a township as provided in this subsection: (i) the regional board of school trustees, in its corporate capacity, shall be deemed the successor in interest to the former trustees of schools of that township with respect to the common school lands and township loanable funds of the township; (ii) all right, title and interest existing or vested in the former trustees of schools of that township in the common school lands and township loanable funds of the township, and all records, moneys, securities and other assets, rights of property and causes of action pertaining to or constituting a part of those common school lands or township loanable funds, shall be transferred to and deemed vested by operation of law in the regional board of school trustees, which shall hold legal title to, manage and operate all common school lands and township loanable funds of the township, receive the rents, issues and profits therefrom, and have and exercise with respect thereto the same powers and duties as are provided by this Code to be exercised by regional boards of school trustees when acting as township land commissioners in counties having at least 220,000 but fewer than 2,000,000 inhabitants; (iii) the regional board of school trustees shall select to serve as its treasurer with respect to the common school lands and township loanable funds of the township a person from time to time also serving as the appointed school treasurer of any school district that was subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township at the time those offices were abolished, and the person selected to also serve as treasurer of the regional board of school trustees shall have his compensation for services in that capacity fixed by the regional board of school trustees, to be paid from the township loanable funds, and shall make to the regional board of school trustees the reports required to be made by treasurers of township land commissioners, give bond as required by treasurers of township land commissioners, and perform the duties and exercise the powers of treasurers of township land commissioners; (iv) the regional board of school trustees shall designate in the manner provided by Section 8-7, insofar as applicable, a depository for its treasurer, and the proceeds of all rents, issues and profits from the common school lands and township loanable funds of that township shall be deposited and held in the account maintained for those purposes with that depository and shall be expended and distributed therefrom as provided in Section 15-24 and other applicable provisions of this Code; and (v) whenever there is vested in the trustees of schools of a township at the time that office is abolished under this subsection the legal title to any school buildings or school sites used or occupied for school purposes by any elementary school, high school or unit school district subject to the jurisdiction and authority of those trustees of school at the time that office is abolished, the legal title to those school buildings and school sites shall be deemed transferred by operation of law to and invested in the school board of that school district, in its corporate capacity under Section 10-22.35B of this Code 7-28, the same to be held, sold, exchanged leased or otherwise transferred in accordance with applicable provisions of this Code.

Notwithstanding Section 2-3.25g of this Code, a waiver of a mandate established under this Section may not be requested.

(b) Any school district with a population of less than 5,000 residents or an enrollment of less than 750 students, as determined by the district's current fall housing report filed with the State Board of Education, shall be dissolved and its territory annexed as provided in Section 7-11 by the regional board of school trustees upon the filing with the regional board of school trustees of a petition adopted by resolution of the board of education or a petition signed by a majority of the legal resident registered voters of the district seeking such dissolution. regional board of school trustees of the region in which the regional superintendent of schools has supervision and control, as defined by Section 3-14.2 of this Code, of the school district being dissolved.

In such an event, the dissolution petition is dismissed on procedural grounds by operation of law and the regional board of school trustees shall have no further authority to consider the petition. A dissolution petition dismissed as the result of a valid opposition petition is not subject to the limitation on successive petitions as provided in Section 7-8 of this Code, and a new petition may be filed upon receipt of the regional board of school trustees' notice stating that the original petition was dismissed by operation of law.

For all petitions under this Section, the legal resident voters must be determined by the official voter registration lists as of the date the petition is filed. If no opposition petition is timely filed, the regional board of school trustees shall have no authority to deny dissolution requested in a proper petition for dissolution filed under this Section subsection (b), but shall exercise its discretion in accordance with Section 7-11 on the issue of annexing the territory of a district being dissolved, giving consideration to but not being bound by the wishes expressed by the residents of the various school districts that may be affected by such annexation.

When dissolution and annexation become effective for purposes of administration and attendance as determined pursuant to Section 7-11, the positions of teachers in contractual continued service in the district being dissolved are transferred to an annexing district or to annexing districts pursuant to the provisions of Section 24-12 relative to teachers having contractual continued service status whose positions are transferred from one board to the control of a different board, and those said provisions of Section 24-12 shall apply to said transferred teachers. In the event that the territory is added to 2 or more districts, the decision on which positions shall be transferred to which annexing districts shall be made giving consideration to the proportionate percent of pupils transferred and the annexing districts' staffing needs, and the transfer of specific individuals into such positions shall be based upon the request of those teachers in order of seniority in the dissolving district. The contractual continued service status of any teacher thereby transferred to an annexing district is not lost and the different board is subject to this Act with respect to such transferred teacher in the same manner as if such teacher was that district's employee and had been its employee during the time such teacher was actually employed by the board of the dissolving district from which the position was transferred.

The reports and maps submitted must be made a part of the record of the proceedings of the regional board of school trustees. A copy of the report and maps submitted must be sent by the secretary of the regional board of school trustees to the school board of each detaching or dissolving and annexing school district not less than 5 days prior to the day upon which the hearing is to be held. On such return day or on a day to which the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing shall continue the hearing or joint hearing the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing shall hear the petition but may adjourn the hearing or joint hearing from time to time or may continue the matter for want of sufficient notice or other good cause.

(h) On the hearing day or on a day to which the regional board of school trustees shall continue the hearing, the regional board of school trustees shall hear the petition but may adjourn the hearing from time to time or may continue the matter for want of sufficient notice or other good cause. Prior to the hearing or joint hearing the secretary of the regional board of school trustees shall submit to the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing maps showing the districts involved, a written report of financial and educational conditions of districts involved and the probable effect of the proposed changes. The reports and maps submitted shall be made a part of the record of the proceedings of the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing. A copy of the report and maps submitted shall be sent by the secretary of the regional board of school trustees to each board of the districts involved, not less than 5 days prior to the day upon which the hearing or joint hearing is to be held.

(h-5) Except for motions and briefs challenging the validity of a petition or otherwise challenging the jurisdiction of the regional board of school trustees to conduct a hearing on a petition and except for motions and briefs related to the type of evidence the regional board of school trustees may consider under subsection (i) of this Section, no other motions, pleadings, briefs, discovery requests, or other like documents may be filed with the regional board of school trustees or served on other parties, and the regional board of school trustees shall have no authority to consider such documents, except that if a legal

issue arises during a hearing, then the regional board of school trustees may, at its discretion, request briefs to be submitted to it on that issue.

(i) The regional board of school trustees shall hear evidence as to the school needs and conditions of the territory in the area within and adjacent thereto and the effect detachment will have on those needs and conditions and as to the ability of the districts affected to meet the standards of recognition as prescribed by the State Board of Education, shall take into consideration the division of funds and assets that will result from the change of boundaries, and shall determine whether it is in the best interests of the schools of the area and the direct educational welfare of the pupils that such change in boundaries be granted. If non-high school territory is contained in the petition, the normal high school attendance pattern of the pupils must be taken into consideration. If the non-high school territory overlies an elementary district, a part of which is in a high school district, such territory may be annexed to the high school district even though the territory is not contiguous to the high school district. However, upon resolution by the regional board of school trustees, the secretary thereof shall conduct the hearing upon any boundary petition and present a transcript of such hearing to the trustees, who shall base their decision upon the transcript, maps, and information and any presentation of counsel. The regional board of school trustees or regional boards of school trustees in cases of a joint hearing shall hear evidence as to the school needs and conditions of the territory in the area within and adjacent thereto and the effect detachment will have on those needs and conditions and as to the ability of the districts affected to meet the standards of recognition as prescribed by the State Board of Education, and shall take into consideration the division of funds and assets which will result from the change of boundaries and shall determine whether it is to the best interests of the schools of the area and the direct educational welfare of the pupils that such change in boundaries be granted, and in case non-high school territory is contained in the petition the normal high school attendance pattern of the children shall be taken into consideration. If the non-high school territory overlies an elementary district, a part of which is in a high school district, such territory may be annexed to such high school district even though not contiguous to the high school district. However, upon resolution by the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing the secretary or secretaries thereof shall conduct the hearing or joint hearing upon any boundary petition and present a transcript of such hearing to the trustees who shall base their decision upon the transcript, maps and information and any presentation of counsel. In the instance of a change of boundaries through detachment:

(1) When considering the effect the detachment will have on the direct educational welfare of the pupils, the regional board of school trustees ~~or the regional boards of school trustees~~ shall consider a comparison of the school report cards for the schools of the affected districts and the school district report cards for the affected districts only if there is no more than a 3% difference in the minority, low-income, and English learner student populations of the relevant schools of the districts.

(2) The community of interest of the petitioners and their children and the effect detachment will have on the whole child may be considered only if the regional board of school trustees ~~or the regional boards of school trustees~~ first determines determine that there would be a significant direct educational benefit to the petitioners' children if the change in boundaries were allowed.

(3) When petitioners cite an annexing district attendance center or centers in the petition or during testimony, the regional board of school trustees ~~or the regional boards of school trustees~~ may consider the difference in the distances from the detaching area to the current attendance centers and the cited annexing district attendance centers only if the difference is no less than 10 miles shorter to one of the cited annexing district attendance centers than it is to the corresponding current attendance center.

(4) The regional board of school trustees ~~or the regional boards of school trustees~~ may not grant a petition if doing so will

increase the percentage of minority or low-income students or English learners by more than 3% at the attendance center where students in the detaching territory currently attend, provided that if the percentage of any one of those groups also decreases at that attendance center, the regional board ~~or boards~~ may grant the petition upon consideration of other factors under this Section and this Article.

(5) The regional board of school trustees ~~or the regional boards of school trustees~~ may not consider whether changing the

boundaries will increase the property values of the petitioners' property.

The factors in subdivisions (1) through (5) of this subsection (i) are applicable whether or not there are children residing in the petitioning area at the time the hearing is conducted.

If the regional board of school trustees ~~or the regional boards of school trustees~~ grants a petition to change school district boundaries, then the annexing school district shall determine the attendance center or centers that children from the petitioning area shall attend.

(j) ~~At the hearing, or joint hearing any resident of the territory described in the petition or any resident in any detaching, dissolving, or annexing school district or any representative of a detaching, dissolving, or annexing school district affected by the proposed change of boundaries may appear in person or by an attorney in support of the petition or to object to the granting of the petition and may present evidence in support of his or her position through either oral or written testimony.~~

(k) ~~At the conclusion of the hearing, the regional superintendent of schools as secretary to the regional board of school trustees shall, within 30 days, enter an order either granting or denying the petition. The regional superintendent of schools shall deliver a certified copy of the order by certified mail, return receipt requested, to the petitioners or committee of petitioners, as applicable; the school board of each detaching or dissolving and annexing district; any person providing testimony in support of or opposition to the petition at the hearing; and any attorney who appears for a person. The regional superintendent of schools shall also deliver a copy of the order to the regional superintendent of schools who has supervision and control, as defined in Section 3-14.2 of this Code, of the annexing district if different from the regional superintendent of schools with whom the petition was filed. The regional superintendent of schools is not required to send a copy of the regional board of school trustees' order to those attending the hearing but not participating. The final order shall be in writing and include findings of fact, conclusions of law, and the decision to grant or deny the petition. At the conclusion of the hearing, other than a joint hearing, the regional superintendent of schools as ex officio member of the regional board of school trustees shall within 30 days enter an order either granting or denying the petition and shall deliver to the committee of petitioners, if any, and any person who has filed his appearance in writing at the hearing and any attorney who appears for any person and any objector who testifies at the hearing and the regional superintendent of schools a certified copy of its order.~~

(l) ~~Notwithstanding the foregoing provisions of this Section, if within 12 9 months after a petition is submitted under the provisions of Section 7-1 the petition is not approved or denied by the regional board of school trustees and the order approving or denying that petition entered and a copy thereof served as provided in this Section, petitioners the school boards or registered voters of the districts affected that submitted the petition (or the committee of 10, or an attorney acting on its behalf, if designated in the petition) may submit a copy of the petition directly to the State Superintendent of Education for approval or denial. The copy of the petition as so submitted shall be accompanied by a record of all proceedings had with respect to the petition up to the time the copy of the petition is submitted to the State Superintendent of Education (including a copy of any notice given or published, any certificate or other proof of publication, copies of any maps or written report of the financial and educational conditions of the school districts affected if furnished by the secretary of the regional board of school trustees, copies of any amendments to the petition and stipulations made, accepted or refused, a transcript of any hearing or part of a hearing held, continued or adjourned on the petition, and any orders entered with respect to the petition or any hearing held thereon). The petitioners school boards, registered voters or committee of 10 submitting the petition and record of proceedings to the State Superintendent of Education shall give written notice by certified mail, return receipt requested, to the regional board of school trustees and to the secretary of that board and to the detaching or dissolving and annexing school districts that the petition has been submitted to the State Superintendent of Education for approval or denial, and shall furnish a copy of the notice so given to the State Superintendent of Education. The cost of assembling the record of proceedings for submission to the State Superintendent of Education shall be the responsibility of the petitioners that submit school boards, registered voters or committee of 10 that submits the petition and record of proceedings to the State Superintendent of Education. When a petition is submitted to the State Superintendent of Education in accordance with the provisions of this paragraph:~~

(1) ~~The regional board of school trustees loses all jurisdiction over the petition and shall have no further authority to hear, approve, deny or otherwise act with respect to the petition.~~

(2) ~~All jurisdiction over the petition and the right and duty to hear, approve, deny or otherwise act with respect to the petition is transferred to and shall be assumed and exercised by the State Superintendent of Education.~~

(3) ~~The State Superintendent of Education shall not be required to repeat any proceedings that were conducted in accordance with the provisions of this Section prior to the time jurisdiction over the petition is transferred to him, but the State Superintendent of Education shall be required to give and publish any notices and hold or complete any hearings that were not given, held or completed by the regional board of school trustees or its secretary as required by this Section prior to the time jurisdiction over the petition is transferred to the State Superintendent of Education.~~

(4) ~~If so directed by the State Superintendent of Education, the regional superintendent of schools shall submit to the State Superintendent of Education and to such school boards as the State Superintendent of Education shall prescribe accurate maps and a written report of the financial and~~

educational conditions of the districts affected and the probable effect of the proposed boundary changes.

(5) The State Superintendent is authorized to conduct further hearings, or appoint a hearing officer to conduct further hearings, on the petition even though a hearing thereon was held as provided in this Section prior to the time jurisdiction over the petition is transferred to the State Superintendent of Education.

(6) The State Superintendent of Education or the hearing officer shall hear evidence and approve or deny the petition and shall enter an order to that effect and deliver and serve the same as required in other cases to be done by the regional board of school trustees and the regional superintendent of schools as secretary an ex-officio member of that board.

~~(m) (Blank). Within 10 days after the conclusion of a joint hearing required under the provisions of Section 7-2, each regional board of school trustees shall meet together and render a decision with regard to the joint hearing on the petition. If the regional boards of school trustees fail to enter a joint order either granting or denying the petition, the regional superintendent of schools for the educational service region in which the joint hearing is held shall enter an order denying the petition, and within 30 days after the conclusion of the joint hearing shall deliver a copy of the order denying the petition to the regional boards of school trustees of each region affected, to the committee of petitioners, if any, to any person who has filed his appearance in writing at the hearing and to any attorney who appears for any person at the joint hearing. If the regional boards of school trustees enter a joint order either granting or denying the petition, the regional superintendent of schools for the educational service region in which the joint hearing is held shall, within 30 days of the conclusion of the hearing, deliver a copy of the joint order to those same committees and persons as are entitled to receive copies of the regional superintendent's order in cases where the regional boards of school trustees have failed to enter a joint order.~~

~~(n) Within 10 days after service of a copy of the order granting or denying the petition, any person so served may petition for a rehearing and, upon sufficient cause being shown, a rehearing may be granted. The regional board of school trustees shall first determine whether there is sufficient cause for a rehearing. If so determined, then the regional board of school trustees shall allow the petition to be heard anew in its entirety in accordance with all procedures in this Article. The party requesting a rehearing shall pay the expenses of publishing the notice and of any transcript taken at the hearing. The filing of a petition for rehearing shall operate as a stay of enforcement until the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing, or State Superintendent of Education in cases determined under subsection (l) of this Section enters enter the final order on such petition for rehearing.~~

~~(o) If a petition filed under subsection (a) of Section 7-1 or under Section 7-2 is required under the provisions of subsection (b-5) of this Section 7-6 to request submission of a proposition at a regular scheduled election for the purpose of voting for or against the annexation of the territory described in the petition to the school district proposing to annex that territory, and if the petition is granted or approved by the regional board or regional boards of school trustees or by the State Superintendent of Education, the proposition shall be placed on the ballot at the next regular scheduled election.~~

The Department may, after notice and hearing as provided for by this Act, revoke, cancel or suspend the license of any distributor, secondary distributor, or retailer for the violation of any provision of this Act, or for noncompliance with any provision herein contained, or for any noncompliance with any lawful rule or regulation promulgated by the Department under Section 8 of this Act, or because the licensee is determined to be ineligible for a distributor's license for any one or more of the reasons provided for in Section 4 of this Act, or because the licensee is determined to be ineligible for a secondary distributor's license for any one or more of the reasons provided for in Section 4c of this Act, or because the licensee is determined to be ineligible for a retailer's license for any one or more of the reasons provided for in Section 4g of this Act. However, no such license shall be revoked, cancelled or suspended, except after a hearing by the Department with notice to the distributor, secondary distributor, or retailer, as aforesaid, and affording such distributor, secondary distributor, or retailer a reasonable opportunity to appear and defend, and any distributor, secondary distributor, or retailer aggrieved by any decision of the Department with respect thereto may have the determination of the Department judicially reviewed, as herein provided.

The Department may revoke, cancel, or suspend the license of any distributor for a violation of the Tobacco Product Manufacturers' Escrow Enforcement Act as provided in Section 30 of that Act. The Department may revoke, cancel, or suspend the license of any secondary distributor for a violation of subsection (e) of Section 15 of the Tobacco Product Manufacturers' Escrow Enforcement Act.

If the retailer has a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer for a fourth or subsequent violation of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a) of Section 2 of that Act. For the purposes of this Section, any violation of subsection (a) of Section 2 of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act occurring at the retailer's licensed location during a 24-month period shall be counted as a violation against the retailer.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer for a second violation of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 7 days the license of that retailer for a third violation of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 30 days the license of a retailer for a fourth or subsequent violation of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

A training program that facilitates compliance with minimum-age tobacco laws must include at least the following elements: (i) it must explain that only individuals displaying valid identification demonstrating that they are 21 18 years of age or older shall be eligible to purchase cigarettes or tobacco products and (ii) it must explain where a clerk can check identification for a date of birth. The training may be conducted electronically. Each retailer that has a training program shall require each employee who completes the training program to sign a form attesting that the employee has received and completed tobacco training. The form shall be kept in the employee's file and may be used to provide proof of training.

Any distributor, secondary distributor, or retailer aggrieved by any decision of the Department under this Section may, within 20 days after notice of the decision, protest and request a hearing. Upon receiving a request for a hearing, the Department shall give notice in writing to the distributor, secondary distributor, or retailer requesting the hearing that contains a statement of the charges preferred against the distributor, secondary distributor, or retailer and that states the time and place fixed for the hearing. The Department shall hold the hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to the distributor, secondary distributor, or retailer. In the absence of a protest and request for a hearing within 20 days, the Department's decision shall become final without any further determination being made or notice given.

No license so revoked, as aforesaid, shall be reissued to any such distributor, secondary distributor, or retailer within a period of 6 months after the date of the final determination of such revocation. No such license shall be reissued at all so long as the person who would receive the license is ineligible to receive a distributor's license under this Act for any one or more of the reasons provided for in Section 4 of this Act, is ineligible to receive a secondary distributor's license under this Act for any one or more of the

reasons provided for in Section 4c of this Act, or is determined to be ineligible for a retailer's license under the Act for any one or more of the reasons provided for in Section 4g of this Act.

The Department upon complaint filed in the circuit court may by injunction restrain any person who fails, or refuses, to comply with any of the provisions of this Act from acting as a distributor, secondary distributor, or retailer of cigarettes in this State.

For the purposes of this Section, any violation of subsection (a) of Section 2 of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act occurring at the retailer's licensed location, during a 24-month period, shall be counted as a violation against the retailer.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer for a second violation of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 7 days the license of that retailer for a third violation of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

The form shall be kept in the employee's file and may be used to provide proof of training.

(d) The Department may, by application to any circuit court, obtain an injunction restraining any person who engages in business as a distributor of tobacco products without a license (either because his or her license has been revoked, canceled, or suspended or because of a failure to obtain a license in the first instance) from engaging in that business until that person, as if that person were a new applicant for a license, complies with all of the conditions, restrictions, and requirements of Section 10-20 of this Act and qualifies for and obtains a license. Refusal or neglect to obey the order of the court may result in punishment for contempt.

(1) To receive applications and to issue licenses to manufacturers, foreign importers, importing distributors, distributors, non-resident dealers, on premise consumption retailers, off premise sale retailers, special event retailer licensees, special use permit licenses, auction liquor licenses, brew pubs, caterer retailers, non-beverage users, railroads, including owners and lessees of sleeping, dining

[April 13, 2016]

and cafe cars, airplanes, boats, brokers, and wine maker's premises licensees in accordance with the provisions of this Act, and to suspend or revoke such licenses upon the State commission's determination, upon notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation. Except in the case of an action taken pursuant to a violation of Section 6-3, 6-5, or 6-9, any action by the State Commission to suspend or revoke a licensee's license may be limited to the license for the specific premises where the violation occurred.

In lieu of suspending or revoking a license, the commission may impose a fine, upon the State commission's determination and notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation.

For the purpose of this paragraph (1), when determining multiple violations for the sale of alcohol to a person under the age of 21, a second or subsequent violation for the sale of alcohol to a person under the age of 21 shall only be considered if it was committed within 5 years after the date when a prior violation for the sale of alcohol to a person under the age of 21 was committed.

The fine imposed under this paragraph may not exceed \$500 for each violation. Each day that the activity, which gave rise to the original fine, continues is a separate violation. The maximum fine that may be levied against any licensee, for the period of the license, shall not exceed \$20,000. The maximum penalty that may be imposed on a licensee for selling a bottle of alcoholic liquor with a foreign object in it or serving from a bottle of alcoholic liquor with a foreign object in it shall be the destruction of that bottle of alcoholic liquor for the first 10 bottles so sold or served from by the licensee. For the eleventh bottle of alcoholic liquor and for each third bottle thereafter sold or served from by the licensee with a foreign object in it, the maximum penalty that may be imposed on the licensee is the destruction of the bottle of alcoholic liquor and a fine of up to \$50.

(2) To adopt such rules and regulations consistent with the provisions of this Act which shall be necessary to carry on its functions and duties to the end that the health, safety and welfare of the People of the State of Illinois shall be protected and temperance in the consumption of alcoholic liquors shall be fostered and promoted and to distribute copies of such rules and regulations to all licensees affected thereby.

(3) To call upon other administrative departments of the State, county and municipal governments, county and city police departments and upon prosecuting officers for such information and assistance as it deems necessary in the performance of its duties.

(4) To recommend to local commissioners rules and regulations, not inconsistent with the law, for the distribution and sale of alcoholic liquors throughout the State.

(5) To inspect, or cause to be inspected, any premises in this State where alcoholic liquors are manufactured, distributed, warehoused, or sold. Nothing in this Act authorizes an agent of the Commission to inspect private areas within the premises without reasonable suspicion or a warrant during an inspection. "Private areas" include, but are not limited to, safes, personal property, and closed desks.

(5.1) Upon receipt of a complaint or upon having knowledge that any person is engaged in business as a manufacturer, importing distributor, distributor, or retailer without a license or valid license, to notify the local liquor authority, file a complaint with the State's Attorney's Office of the county where the incident occurred, or initiate an investigation with the appropriate law enforcement officials.

(5.2) To issue a cease and desist notice to persons shipping alcoholic liquor into this State from a point outside of this State if the shipment is in violation of this Act.

(5.3) To receive complaints from licensees, local officials, law enforcement agencies, organizations, and persons stating that any licensee has been or is violating any provision of this Act or the rules and regulations issued pursuant to this Act. Such complaints shall be in writing, signed and sworn to by the person making the complaint, and shall state with specificity the facts in relation to the alleged violation. If the Commission has reasonable grounds to believe that the complaint substantially alleges a violation of this Act or rules and regulations adopted pursuant to this Act, it shall conduct an investigation. If, after conducting an investigation, the Commission is satisfied that the alleged violation did occur, it shall proceed with disciplinary action against the licensee as provided in this Act.

(6) To hear and determine appeals from orders of a local commission in accordance with the provisions of this Act, as hereinafter set forth. Hearings under this subsection shall be held in Springfield or Chicago, at whichever location is the more convenient for the majority of persons who are parties to the hearing.

(7) The commission shall establish uniform systems of accounts to be kept by all retail

licensees having more than 4 employees, and for this purpose the commission may classify all retail licensees having more than 4 employees and establish a uniform system of accounts for each class and prescribe the manner in which such accounts shall be kept. The commission may also prescribe the forms of accounts to be kept by all retail licensees having more than 4 employees, including but not limited to accounts of earnings and expenses and any distribution, payment, or other distribution of earnings or assets, and any other forms, records and memoranda which in the judgment of the commission may be necessary or appropriate to carry out any of the provisions of this Act, including but not limited to such forms, records and memoranda as will readily and accurately disclose at all times the beneficial ownership of such retail licensed business. The accounts, forms, records and memoranda shall be available at all reasonable times for inspection by authorized representatives of the State commission or by any local liquor control commissioner or his or her authorized representative. The commission, may, from time to time, alter, amend or repeal, in whole or in part, any uniform system of accounts, or the form and manner of keeping accounts.

(8) In the conduct of any hearing authorized to be held by the commission, to appoint, at the commission's discretion, hearing officers to conduct hearings involving complex issues or issues that will require a protracted period of time to resolve, to examine, or cause to be examined, under oath, any licensee, and to examine or cause to be examined the books and records of such licensee; to hear testimony and take proof material for its information in the discharge of its duties hereunder; to administer or cause to be administered oaths; for any such purpose to issue subpoena or subpoenas to require the attendance of witnesses and the production of books, which shall be effective in any part of this State, and to adopt rules to implement its powers under this paragraph (8).

Any Circuit Court may by order duly entered, require the attendance of witnesses and the production of relevant books subpoenaed by the State commission and the court may compel obedience to its order by proceedings for contempt.

(9) To investigate the administration of laws in relation to alcoholic liquors in this and other states and any foreign countries, and to recommend from time to time to the Governor and through him or her to the legislature of this State, such amendments to this Act, if any, as it may think desirable and as will serve to further the general broad purposes contained in Section 1-2 hereof.

(10) To adopt such rules and regulations consistent with the provisions of this Act which shall be necessary for the control, sale or disposition of alcoholic liquor damaged as a result of an accident, wreck, flood, fire or other similar occurrence.

(11) To develop industry educational programs related to responsible serving and selling, particularly in the areas of overserving consumers and illegal underage purchasing and consumption of alcoholic beverages.

(11.1) To license persons providing education and training to alcohol beverage sellers and servers for mandatory and non-mandatory training under the Beverage Alcohol Sellers and Servers Education and Training (BASSET) programs and to develop and administer a public awareness program in Illinois to reduce or eliminate the illegal purchase and consumption of alcoholic beverage products by persons under the age of 21. Application for a license shall be made on forms provided by the State Commission.

(12) To develop and maintain a repository of license and regulatory information.

(13) ~~(Blank). On or before January 15, 1994, the Commission shall issue a written report to the Governor and General Assembly that is to be based on a comprehensive study of the impact on and implications for the State of Illinois of Section 1926 of the Federal ADAMHA Reorganization Act of 1992 (Public Law 102-321). This study shall address the extent to which Illinois currently complies with the provisions of P.L. 102-321 and the rules promulgated pursuant thereto.~~

~~As part of its report, the Commission shall provide the following essential information:~~

- ~~(i) the number of retail distributors of tobacco products, by type and geographic area, in the State;~~
- ~~(ii) the number of reported citations and successful convictions, categorized by type and location of retail distributor, for violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act and the Smokeless Tobacco Limitation Act;~~
- ~~(iii) the extent and nature of organized educational and governmental activities that are intended to promote, encourage or otherwise secure compliance with any Illinois laws that prohibit the sale or distribution of tobacco products to minors; and~~
- ~~(iv) the level of access and availability of tobacco products to individuals under the age of 18.~~

~~To obtain the data necessary to comply with the provisions of P.L. 102-321 and the requirements of this report, the Commission shall conduct random, unannounced inspections of a geographically and scientifically representative sample of the State's retail tobacco distributors.~~

~~The Commission shall consult with the Department of Public Health, the Department of Human Services, the Illinois State Police and any other executive branch agency, and private organizations that may have information relevant to this report.~~

~~The Commission may contract with the Food and Drug Administration of the U.S. Department of Health and Human Services to conduct unannounced investigations of Illinois tobacco vendors to determine compliance with federal laws relating to the illegal sale of cigarettes and smokeless tobacco products to persons under the age of 18.~~

(14) On or before April 30, 2008 and every 2 years thereafter, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of the 95th General Assembly on the business of soliciting, selling, and shipping wine from inside and outside of this State directly to residents of this State. As part of its report, the Commission shall provide all of the following information:

(A) The amount of State excise and sales tax revenues generated.

(B) The amount of licensing fees received.

(C) The number of cases of wine shipped from inside and outside of this State directly to residents of this State.

(D) The number of alcohol compliance operations conducted.

(E) The number of winery shipper's licenses issued.

(F) The number of each of the following: reported violations; cease and desist notices issued by the Commission; notices of violations issued by the Commission and to the Department of Revenue; and notices and complaints of violations to law enforcement officials, including, without limitation, the Illinois Attorney General and the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(15) As a means to reduce the underage consumption of alcoholic liquors, the Commission shall conduct alcohol compliance operations to investigate whether businesses that are soliciting, selling, and shipping wine from inside or outside of this State directly to residents of this State are licensed by this State or are selling or attempting to sell wine to persons under 21 years of age in violation of this Act.

(16) The Commission shall, in addition to notifying any appropriate law enforcement agency, submit notices of complaints or violations of Sections 6-29 and 6-29.1 by persons who do not hold a winery shipper's license under this amendatory Act to the Illinois Attorney General and to the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(17) (A) A person licensed to make wine under the laws of another state who has a winery shipper's license under this amendatory Act and annually produces less than 25,000 gallons of wine or a person who has a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license under this Act and annually produces less than 25,000 gallons of wine may make application to the Commission for a self-distribution exemption to allow the sale of not more than 5,000 gallons of the exemption holder's wine to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, such person shall state (1) the date it was established; (2) its volume of production and sales for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its wine; and (5) that it will comply with the liquor and revenue laws of the United States, this State, and any other state where it is licensed.

(C) The Commission shall approve the application for a self-distribution exemption if such person: (1) is in compliance with State revenue and liquor laws; (2) is not a member of any affiliated group that produces more than 25,000 gallons of wine per annum or produces any other alcoholic liquor; (3) will not annually produce for sale more than 25,000 gallons of wine; and (4) will not annually sell more than 5,000 gallons of its wine to retail licensees.

(D) A self-distribution exemption holder shall annually certify to the Commission its production of wine in the previous 12 months and its anticipated production and sales for the next 12 months. The Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or liquor law of Illinois, exceeded production of 25,000 gallons of wine in any calendar year, or become part of an affiliated group producing more than 25,000 gallons of wine or any other alcoholic liquor.

(E) Except in hearings for violations of this Act or amendatory Act or a bona fide

investigation by duly sworn law enforcement officials, the Commission, or its agents, the Commission shall maintain the production and sales information of a self-distribution exemption holder as confidential and shall not release such information to any person.

(F) The Commission shall issue regulations governing self-distribution exemptions consistent with this Section and this Act.

(G) Nothing in this subsection (17) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois distributor.

(H) It is the intent of this subsection (17) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system it is necessary to create an exception for smaller makers of wine as their wines are frequently adjusted in varietals, mixes, vintages, and taste to find and create market niches sometimes too small for distributor or importing distributor business strategies. Limited self-distribution rights will afford and allow smaller makers of wine access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(18) (A) A class 1 brewer licensee, who must also be either a licensed brewer or licensed non-resident dealer and annually manufacture less than 930,000 gallons of beer, may make application to the State Commission for a self-distribution exemption to allow the sale of not more than 232,500 gallons of the exemption holder's beer to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, the class 1 brewer licensee shall state (1) the date it was established; (2) its volume of beer manufactured and sold for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its beer; and (5) that it will comply with the alcoholic beverage and revenue laws of the United States, this State, and any other state where it is licensed.

(C) Any application submitted shall be posted on the State Commission's website at least 45 days prior to action by the State Commission. The State Commission shall approve the application for a self-distribution exemption if the class 1 brewer licensee: (1) is in compliance with the State, revenue, and alcoholic beverage laws; (2) is not a member of any affiliated group that manufactures more than 930,000 gallons of beer per annum or produces any other alcoholic beverages; (3) shall not annually manufacture for sale more than 930,000 gallons of beer; (4) shall not annually sell more than 232,500 gallons of its beer to retail licensees; and (5) has relinquished any brew pub license held by the licensee, including any ownership interest it held in the licensed brew pub.

(D) A self-distribution exemption holder shall annually certify to the State Commission its manufacture of beer during the previous 12 months and its anticipated manufacture and sales of beer for the next 12 months. The State Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or alcoholic beverage law of Illinois, exceeded the manufacture of 930,000 gallons of beer in any calendar year or became part of an affiliated group manufacturing more than 930,000 gallons of beer or any other alcoholic beverage.

(E) The State Commission shall issue rules and regulations governing self-distribution exemptions consistent with this Act.

(F) Nothing in this paragraph (18) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois importing distributor or a distributor. If a self-distribution exemption holder enters into a distribution agreement and has assigned distribution rights to an importing distributor or distributor, then the self-distribution exemption holder's distribution rights in the assigned territories shall cease in a reasonable time not to exceed 60 days.

(G) It is the intent of this paragraph (18) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system, it is necessary to create an exception for smaller manufacturers in order to afford and allow such smaller manufacturers of beer access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(b) On or before April 30, 1999, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of 1998 on the business of soliciting, selling, and shipping alcoholic liquor from outside of this State directly to residents of this State.

As part of its report, the Commission shall provide the following information:

[April 13, 2016]

(i) the amount of State excise and sales tax revenues generated as a result of this amendatory Act of 1998;

(ii) the amount of licensing fees received as a result of this amendatory Act of 1998;

(iii) the number of reported violations, the number of cease and desist notices issued

by the Commission, the number of notices of violations issued to the Department of Revenue, and the number of notices and complaints of violations to law enforcement officials.

Sec. 6-16.1. Enforcement actions.

(a) A licensee or an officer, associate, member, representative, agent, or employee of a licensee may sell, give, or deliver alcoholic liquor to a person under the age of 21 years or authorize the sale, gift, or delivery of alcoholic liquor to a person under the age of 21 years pursuant to a plan or action to investigate, patrol, or otherwise conduct a "sting operation" or enforcement action against a person employed by the licensee or on any licensed premises if the licensee or officer, associate, member, representative, agent, or employee of the licensee provides written notice, at least 14 days before the "sting operation" or enforcement action, unless governing body of the municipality or county having jurisdiction sets a shorter period by ordinance, to the law enforcement agency having jurisdiction, the local liquor control commissioner, or both. Notice provided under this Section shall be valid for a "sting operation" or enforcement action conducted within 60 days of the provision of that notice, unless the governing body of the municipality or county having jurisdiction sets a shorter period by ordinance.

(b) A local liquor control commission or unit of local government that conducts alcohol and tobacco compliance operations shall establish a policy and standards for alcohol and tobacco compliance operations to investigate whether a licensee is furnishing (1) alcoholic liquor to persons under 21 years of age in violation of this Act or (2) tobacco to persons in violation of the Prevention of Tobacco Use by Persons under 21 Years of Age Minors and Sale and Distribution of Tobacco Products Act.

(c) The Illinois Law Enforcement Training Standards Board shall develop a model policy and guidelines for the operation of alcohol and tobacco compliance checks by local law enforcement officers. The Illinois Law Enforcement Training Standards Board shall also require the supervising officers of such compliance checks to have met a minimum training standard as determined by the Board. The Board shall have the right to waive any training based on current written policies and procedures for alcohol and tobacco compliance check operations and in-service training already administered by the local law enforcement agency, department, or office.

(d) The provisions of subsections (b) and (c) do not apply to a home rule unit with more than 2,000,000 inhabitants.

(e) A home rule unit, other than a home rule unit with more than 2,000,000 inhabitants, may not regulate enforcement actions in a manner inconsistent with the regulation of enforcement actions under this Section. This subsection (e) is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(f) A licensee who is the subject of an enforcement action or "sting operation" under this Section and is found, pursuant to the enforcement action, to be in compliance with this Act shall be notified by the enforcement agency action that no violation was found within 30 days after the finding.

Section 20. The Juvenile Court Act of 1987 is amended by changing Sections 5-615 and 5-710 as follows:

(705 ILCS 405/5-615)

Sec. 5-615. Continuance under supervision.

(1) The court may enter an order of continuance under supervision for an offense other than first degree murder, a Class X felony or a forcible felony:

(a) upon an admission or stipulation by the appropriate respondent or minor respondent of the facts supporting the petition and before the court makes a finding of delinquency, and in the absence of objection made in open court by the minor, his or her parent, guardian, or legal custodian, the minor's attorney or the State's Attorney; or

(b) upon a finding of delinquency and after considering the circumstances of the offense and the history, character, and condition of the minor, if the court is of the opinion that:

(i) the minor is not likely to commit further crimes;

(ii) the minor and the public would be best served if the minor were not to receive a criminal record; and

(iii) in the best interests of justice an order of continuance under supervision is more appropriate than a sentence otherwise permitted under this Act.

(2) (Blank).

(3) Nothing in this Section limits the power of the court to order a continuance of the hearing for the production of additional evidence or for any other proper reason.

(4) When a hearing where a minor is alleged to be a delinquent is continued pursuant to this Section, the period of continuance under supervision may not exceed 24 months. The court may terminate a continuance under supervision at any time if warranted by the conduct of the minor and the ends of justice or vacate the finding of delinquency or both.

(5) When a hearing where a minor is alleged to be delinquent is continued pursuant to this Section, the court may, as conditions of the continuance under supervision, require the minor to do any of the following:

(p) comply with curfew requirements as designated by the court;

(6) A minor whose case is continued under supervision under subsection (5) shall be given a certificate setting forth the conditions imposed by the court. Those conditions may be reduced, enlarged, or modified by the court on motion of the probation officer or on its own motion, or that of the State's Attorney, or, at the request of the minor after notice and hearing.

(7) If a petition is filed charging a violation of a condition of the continuance under supervision, the court shall conduct a hearing. If the court finds that a condition of supervision has not been fulfilled, the

court may proceed to findings, adjudication, and disposition or adjudication and disposition. The filing of a petition for violation of a condition of the continuance under supervision shall toll the period of continuance under supervision until the final determination of the charge, and the term of the continuance under supervision shall not run until the hearing and disposition of the petition for violation; provided where the petition alleges conduct that does not constitute a criminal offense, the hearing must be held within 30 days of the filing of the petition unless a delay shall continue the tolling of the period of continuance under supervision for the period of the delay.

(8) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the alleged violation or similar damage to property located in the municipality or county in which the alleged violation occurred. The condition may be in addition to any other condition.

(8.5) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 or paragraph (4) of subsection (a) of Section 21-1 or the Criminal Code of 2012 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The condition may be in addition to any other condition.

(9) When a hearing in which a minor is alleged to be a delinquent is continued under this Section, the court, before continuing the case, shall make a finding whether the offense alleged to have been committed either: (i) was related to or in furtherance of the activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (ii) is a violation of paragraph (13) of subsection (a) of Section 12-2 or paragraph (2) of subsection (c) of Section 12-2 of the Criminal Code of 1961 or the Criminal Code of 2012, a violation of any Section of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or a violation of any statute that involved the unlawful use of a firearm. If the court determines the question in the affirmative the court shall, as a condition of the continuance under supervision and as part of or in addition to any other condition of the supervision, require the minor to perform community service for not less than 30 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by an alleged violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 and similar damage to property located in the municipality or county in which the alleged violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(10) The court shall impose upon a minor placed on supervision, as a condition of the supervision, a fee of \$50 for each month of supervision ordered by the court, unless after determining the inability of the minor placed on supervision to pay the fee, the court assesses a lesser amount. The court may not impose the fee on a minor who is made a ward of the State under this Act while the minor is in placement. The fee shall be imposed only upon a minor who is actively supervised by the probation and court services department. A court may order the parent, guardian, or legal custodian of the minor to pay some or all of the fee on the minor's behalf.

(11) (Blank). If a minor is placed on supervision for a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (11):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of \$25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of \$50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a \$100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.

Sec. 5-710. Kinds of sentencing orders.

(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:

(i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

(iv) on and after the effective date of this amendatory Act of the 98th General Assembly and before January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 16 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. On and after January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 15 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 15 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts. The limitation that the minor shall only be placed in a juvenile detention home does not apply as follows:

Persons 18 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 18 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(A) the age of the person;

(B) any previous delinquent or criminal history of the person;

(C) any previous abuse or neglect history of the person;

(D) any mental health history of the person; and

(E) any educational history of the person;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended

for such time as determined by the court but only until he or she attains 18 years of age;

(viii) put on probation or conditional discharge and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law;

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body; or

(x) placed in electronic home detention under Part 7A of this Article.

(b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is at least 13 years and under 20 years of age, provided that the commitment to the Department of Juvenile Justice shall be made only if a term of imprisonment in the penitentiary system of the Department of Corrections is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The court shall include in the sentencing order any pre-custody credits the minor is entitled to under Section 5-4.5-100 of the Unified Code of Corrections. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall also be considered as time spent in custody.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act. The court shall include in the sentencing order a limitation on the period of confinement not to exceed the maximum period of imprisonment the court could impose under Article V of the Unified Code of Corrections.

(7.5) In no event shall a guilty minor be committed to the Department of Juvenile Justice or placed in detention when the act for which the minor was adjudicated delinquent would not be illegal if committed by an adult.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 or paragraph (4) of subsection (a) of Section 21-1 of the Criminal Code of 2012 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961 or the Criminal Code of 2012, a violation of any Section of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

(12) ~~(Blank). If a minor is found to be guilty of a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that~~

Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (12):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of \$25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of \$50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a \$100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.
