Thank you, Mr. President. I move the Journals just read by the Secretary be approved, unless some Senator has additions or corrections to offer.

PRESIDENT ROCK:

You've heard the motion as placed by Senator Jacobs. Is there any discussion? If not, all in favor, indicate by saying Aye. All opposed. The Ayes have it. The motion carries, and it is so ordered. Senator Jacobs.

SENATOR WEAVER:

Thank you, Mr. President. I'd like to discharge Executive Committee from further consideration of House Joint Resolution 1-2-3.

PRESIDENT ROCK:

All right. Senator Weaver has moved to discharge the Committee on Executive from further consideration of House Joint Resolution 123, and asks that it be placed on the Order of Secretary's Desk, Resolutions, so that everybody can have a chance to read it. All in favor of the Motion to Discharge, indicate by saying Aye. All opposed. The Ayes have it. The motion carries. House Joint Resolution 123 will be placed on the Order of Secretary's Desk, Resolutions. All right. Ladies and Gentlemen, we will begin on Page 10 on the Calendar. There are a hundred and twelve items on concurrence and seven on non-concurrence. We will go through the Calendar once and come back tomorrow and finish what we haven't finished. Senate Bill 100. Senator Zito. Senate Bill 680. Senator Kelly. <sup>S</sup> On the Order of Secretary's Desk, Concurrence. Top of Page 10. Senate Bill 680, Madam Secretary.

PRESIDENT ROCK:

Senator Kelly.

SENATOR KELLY:

Thank you, Mr. President, Members of the Senate. Senate Bill 680 -- I move to concur in House Amendments No. 1, 2 and 4. Amendment No. 1 allows new school districts to be eligible for supplemental State aid. However, Senate Amendment No. 2 deleted everything, and it provides the State Superintendent can approve

new building plans and specifications if the regional superintendent does not act on these applications within three months. Amendment No. 3 merely added an immediate effective date. I don't know of any opposition per se, and I would appreciate your support, and be glad to answer any questions any Senators have.

PRESIDENT ROCK:

Discussion? Senator Mahar.

SENATOR MAHAR:

Thank you, Mr. President, Members. I stand in support of Senator Kelly's motion, and would add and advise the Members that the Superintendent of the State Board of Education is in support of this bill.

PRESIDENT ROCK:

Further discussion? Senator Weaver.

SENATOR WEAVER:

Thank you, Mr. President. Just a matter of inquiry. Is Senate Bill 680 -- what I'm asking: is it exempt from Rules because of -- it's an early bill, or is it...

PRESIDENT ROCK:

We have always treated those kinds of bills that came back here on the Order of Concurrence or were held over as just to be handled in the ordinary course. Yes.

SENATOR WEAVER:

Thank you.

PRESIDENT ROCK:

All right. Question is, shall the Senate concur in House Amendments 1, 2 and 4 to Senate Bill 680. Those in -- those in favor will vote Aye. Opposed, vote Nay. The voting is open. Have all voted who wish? Take the record. On that question, there are 51 Ayes, no Nays, none voting Present. Senate does concur in House Amendments 1, 2

SENATOR COLLINS:

I'm not on. Okay.

PRESIDENT ROCK:

Yes.

SENATOR COLLINS:

Yes. I move to non-concur and that a conference committee be appointed.

PRESIDENT ROCK:

All right. Senator Collins has moved to non-concur in House Amendment No. 1 to Senate Bill 1518. All in favor, indicate by saying Aye. All opposed. The Ayes have it. The motion carries, and the Secretary shall so inform the House. 1523. Senator Jones. On the Order of Secretary's Desk, Concurrence, top of Page 11, is Senate Bill 1523, Madam Secretary.

SECRETARY HAWKER:

House Amendments 1, 2, 3, 4, 5, 6 and 7 to Senate Bill 1523.

PRESIDENT ROCK:

Senator Jones.

SENATOR JONES:

Yes. Thank you, Mr. President, Members of the Senate. I move that the Senate concurs in -- in those amendments that the Clerk just announced. Amendment No. 1 amends the employment and scholarship repayment requirements for the nursing scholarship recipients. Amendment No. 2 provides for Peace Corps veterans to be placed as full-time teachers or teacher aide in public schools while attending their -- while obtaining their teaching certificates. Amendment No. 3 retains the bill and requires

drivers' education courses to be included -- include instructions on drunken driving, DUI. Amendment No. 4 expands the definition of "approved institutions" to include programs -- colleges and university approved by the Department of Professional Regulations. Amendment No. 5 provides for grants with teachers who are obtaining employment in the public or private sector to gain practical knowledge in subjects that they teach. And Amendment No. 6 requires that drivers education courses include instructions on the Organ Donor Program. And Amendment No. 7 -- sets up the per capita and area grant formula for cooperative public library systems from 1.435 to 1.52 per capita of population in the area served, and I moved the adoption of the Senate <sic> amendments.

PRESIDENT ROCK:

All right. Senator Jones has moved that the Senate concur in House Amendments 1, 2, 3, 4, 5, 6 and 7 to Senate Bill 1523. Discussion? Senator Maitland.

SENATOR MAITLAND:

Thank you, Mr. President, Members of the Senate. Question of the sponsor if -- if he will yield.

PRESIDENT ROCK:

Sponsor indicates he will yield. Senator Maitland.

SENATOR MAITLAND:

Senator Jones, did you speak to the fiscal impact of -- I guess it's Amendment No. 1?

PRESIDENT ROCK:

Senator Jones.

SENATOR JONES:

This amendment was an amendment requested by the Department of Public Health. I don't have any fiscal impact note, as such. It's just a clean-up amendment more or less. Amendment No. 1.

PRESIDENT ROCK:

Senator Maitland.

SENATOR MAITLAND:

How about Amendment No. 3?

PRESIDENT ROCK:

Senator Jones.

SENATOR JONES:

Amendment No. 3 doesn't have any fiscal impact. That deals with DUI instructions to be included. So that has no fiscal impact as such.

PRESIDENT ROCK:

Senator Maitland.

SENATOR MAITLAND:

That's -- just a new mandate. How about Amendment No. 5?

PRESIDENT ROCK:

Senator Jones.

SENATOR JONES:

In response to your previous remark, it's not a new mandate. All it does is do what most school districts do. We just require that it be done. On Amendment No. 5 -- there is no fiscal impact as such on that one either.

PRESIDENT ROCK:

All right. Further discussion? If I can have your attention -- WICS-Channel 20 has requested permission to shoot some videotape, and in addition, the Illinois Information Service is requesting permission to videotape some Senate footage from the gallery. The footage will be for their stock library use for use in documentaries or news stories. Without objection, leave is granted. The question is, shall the Senate concur in House Amendments 1, 2, 3, 4, 5, 6 and 7 to Senate Bill 1523. Those in favor will vote Aye. Opposed, vote Nay. The voting's open. Have all voted who wish? Take the record. On that question, there are

SECRETARY HAWKER:

House Amendment No. 1 to Senate Bill 1532.

PRESIDENT ROCK:

Senator Schaffer, for what purpose do you arise, sir?

SENATOR SCHAFFER:

Mr. President, it occurs to me that there are some interesting things going on, and maybe some our Members are still in the offices; they might want to come up on the Floor here.

PRESIDENT ROCK:

This is final action. I indicated that from the get-go. I suppose we could fool around and do congratulatory resolutions, but we don't have any. So -- yes, this is final action, or will be, upon the request of the sponsor. Senator Jones.

SENATOR JONES:

Thank you, Mr. President. I move the Senate not concur in Amendment No. 1 to Senate Bill 1532.

PRESIDENT ROCK:

All right. Senator Jones moves to non-concur in House Amendment No. 1 to Senate Bill 1532. All in favor, indicate by saying Aye. All opposed. The Ayes have it. The motion carries, and the Secretary shall so inform the House. 1556. Senator Maitland. Madam Secretary, 1556.

SECRETARY HAWKER:

House Amendment No. 1 to Senate Bill 1556.

Thank you, Mr. President. Will the sponsor yield for a question?

PRESIDENT ROCK:

Indicates he will yield, Senator Hawkinson.

SENATOR HAWKINSON:

Senator, would you please tell us what -- what bill we passed out of the Senate and the subject matter, please?

PRESIDENT ROCK:

Senator Jacobs.

SENATOR JACOBS:

It was House Bill -- oh, lordy -- 3153.

PRESIDENT ROCK:

Question is, shall the Senate concur in House Amendment No. 1 to Senate Bill 1571. Those in favor will vote Aye. Opposed, vote Nay. The voting's open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 48 Ayes, no Nays, none voting Present. The Senate does concur in House Amendment No. 1 to Senate Bill 1571, and the bill, having received the required constitutional majority, is declared passed. All right. With leave of the Body, Senator Sam, as I'm sure you're aware, is in the hospital down in Alton. We'll ask Senator Demuzio to handle 1588 and 89, with leave of the Body. Senate Bill 1588, Madam Secretary.

SECRETARY HAWKER:

House Amendment No. 1 to Senate Bill 1588.

PRESIDENT ROCK:

Senator -- Demuzio.

SENATOR DEMUZIO:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. What changes that were made in -- in the House with respect to

Amendment No. 1 was when the bill left here there was an agreement that there would be an expansion of the size of the Parkway Commission to include additional members in both Jersey and Madison County, moving the size from six to nine. It removed the name "Advisory" from the Advisory Commission, leaving it simply as a commission. It added institutions to the existing entities that were not to be adversely affected by the design of the Parkway. It allows for a willing seller basis with respect to scenic easements. We took out all the eminent domain provisions here in the Senate. And finally, it expanded the -- the width, with respect to easements, from three hundred to three hundred and thirty feet, which it was supposed to be originally. I don't know of any controversy with respect to it. I would ask for its concurrence.

PRESIDENT ROCK:

All right. The Gentleman has moved that the Senate concur with House Amendment No. 1. Discussion? Senator Donahue.

SENATOR DONAHUE:

Thank you, Mr. President. I have a question of the sponsor.

PRESIDENT ROCK:

Indicates he will yield, Senator Donahue.

SENATOR DONAHUE:

Senator Demuzio, I understand that you're carrying this bill for Senator Sam, but can you tell us if the power of eminent domain is in this bill or out of the bill?

PRESIDENT ROCK:

Senator Demuzio, for the second time.

SENATOR DEMUZIO:

Well, it is out of this bill. We took that out over here, if you recall correctly. The only thing that was added back -- we took out even -- even the scenic easements as the bill left the Senate. The House put back in the scenic easements which was --

PRESIDENT ROCK:

Further discussion? If not, the question is, shall the Senate concur in House Amendment No. 1 to Senate Bill 1588. Those in favor will vote Aye. Opposed, vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 47 Ayes, 2 Nays, 1 voting Present. SECRETARY HAWKER:

House Amendment No. 1 to Senate Bill 1589.

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Senate Bill 1589, as it left the Senate, provided for a one-million-dollar appropriation for this parkway. The House reduced it to a dollar. It's my understanding that there's a request to non-concur with this bill, move it to conference committee, and if something happens between now and Tuesday, Wednesday, Friday, or next year - whenever it's possible - there may be some provision for money at a later date. But I would move to non-concur with House Amendment No. 1.

PRESIDENT ROCK:

I'd be happy to answer any questions.

PRESIDENT ROCK:

Senator Donahue.

SENATOR DONAHUE:

Thank you, Mr. President, Ladies and Gentlemen. Senate Bill 1643 does not do anything -- what is mentioned in your Calendar. Senate Bill 1580 was amended onto this bill, and it deals with soil and water conservation districts and their boards -- their boards of directors and their trustees. It passed on the Agreed Bill List, and I would hope we could do it now. Thank you.

SENATOR DeANGELIS:

Thank you, Mr. President. Just a point of inquiry -- just to refresh the Body. On a bill on which one or more amendments are not concurred with and other amendments are concurred with, what is the status of that bill?

PRESIDENT ROCK:

It goes back to the House from whence it came, and the presumption being that if -- if indeed there is to be a conference committee, that the subject matter scope is limited to the extent that we've already agreed with the House on certain amendments and not on certain others. We afford the House an opportunity to recede from that one amendment that the Senate doesn't like or to refuse to recede. It is not, at that point, final action. We are still in flux, so to speak. Senator Netsch, for what purpose do you arise?

SENATOR NETSCH:

Thank you, Mr. President. Another procedural point, I wonder if the Members would at least refresh our recollection about the subject matter of a bill when they are moving for either -- especially for concurrence, because we're going pretty fast, and sometimes we cannot remember what it was, and if they just say, "I move to concur," then it's -- it doesn't help us very much. So if we could have at least a hint of what the subject matter is, that would be extremely helpful.

PRESIDENT ROCK:

That point is well taken. I would encourage the Members to please refresh our recollection. 1704. Senator Jacobs. Top of

SECRETARY HAWKER:

Excuse me. How about House Amendment No. 1 to Senate Bill 1736?

PRESIDENT ROCK:

Senator Holmberg.

SENATOR HOLMBERG:

Thank you, Mr. President. Senate Bill 1736, in its original form, stated that physicians who provide certain medical services at free medical clinics to medically indigent clients are not liable for civil damages. The House added an amendment stipulating that the person providing care at the free medical clinic may not receive a fee or compensation from that clinic, and then may be exempt from liability as a result of his acts or omissions. I move that we concur with House Amendment No. 1.

Senate. We are very honored today to have a very special guest who has come a long way to visit with us. He is the Whip of the Indian Parliament. He has come from New Delhi to be with us here. He is Mundakkal Matthew Jacob, and he has a phenomenal resume, but I think one of the most interesting things about him is -- is he is considered one of the most eloquent speakers of the Indian Parliament, and also too, since this is -- the world's largest democracy, it is said that when he speaks, the very rafters of the Indian Parliament shake. So we will see if that also occurs in Illinois today. Mr. Jacob was born in Ramapuram Kottayam District in Kerala in 1920. He has been a member of the Indian National Congress. He's gone on to become managing director of the Newspaper Veekshanam; it's the official organ of the Congress Party in Kerala. He is also a printer and publisher of The Congress Review, which is a monthly journal. He's been the Chairman of the Plantation Corporation of Kerala, the largest public sector planting company in the country. So those of you who are farmers I think will be able to relate. He has served as a director on the Governing Board of The Indian Overseas Bank. He's been involved in politics and in activism in India since -- since a youngster, and now he was elected a member of Parliament in July, 1982, reelected July, 1988. He has held positions in different parliamentary committees as a member of the General Purpose Committee, the Rajaya Sabha; he's been on the Business Advisory Committee of the Rajaya Sabha; he has been on the Committee on Rules, the Chairman Committee on Subordinate Legislation, and a host of other committees. He is certainly one of the most dynamic people, I think, that we have had available to come before us today, and I would hope that you would give a big Illinois welcome to Mundakkal Matthew Jacob, the Whip of the Indian Parliament. Mr. Jacob.

SENATOR TOPINKA:

Well, we certainly thank you, Mr. Jacob, and if you will have a charter plane ready tomorrow, I am sure that this Chamber will be at the airport ready to go to visit India firsthand, instead of doing what we're doing here today. I would be remiss if I did not also acknowledge others who are here on the Podium with me. Of course, our colleague, Senator DeAngelis, who is very well-known in the Indian community. Also to his left, Matthew Olickal, who is a member of the board of directors of the Niles Township Republican Organization and an activist in the Indo-American community; and also to my left, a most distinguished guest, the Consul General of India in Chicago, Mr. P.L. Santoshi, who comes to us - I'll have you know - via Rabat, Paris, Dacca, Singapore, Bangkok and Cairo and now Springfield. And we have a sizable delegation here today of Indo-Americans who have accompanied Mr. Jacob. They are in the galleries, and if you could all give them a big round of applause for coming out today. We certainly appreciate their participation. Thank you very much.

PRESIDENT ROCK:

Discussion? The Gentleman has moved concurrence in Amendments 2 and 5, and non-concurrence in Amendment 3. Discussion on the Motion to Concur? Senator Kelly.

SENATOR KELLY:

Thank you, Mr. President. I've got a question of the sponsor -- of the concurrence.

PRESIDENT ROCK:

Indicates he will yield, Senator Kelly.

SENATOR KELLY:

Senator Rea, can you tell me - on Amendment No. 2 - I read something about it would allow an individual to use a handgun to hunt deer during the shotgun season. Is that what the -- Amendment No. 2 does, or does it not do that?

PRESIDENT ROCK:

Senator Rea.

SENATOR REA:

Senator Kelly, that is correct. This would provide the opportunity to use a handgun that would be regulated by the Department of Conservation during the shotgun hunting season, and of course, this would be a -- this is a great sport. We do have too many deer; as many of you have traveled along the highways, you know that there needs to be more harvested. This has become a serious problem throughout the State, and -- but it does do exactly that.

PRESIDENT ROCK:

Senator Kelly.

SENATOR KELLY:

Thank you, Senator. I would rise, then, to oppose the concurrence of Amendment No. 2. I think that shooting deer with a handgun would increase the danger factor. You're lucky you can hit a target in target practice, let alone running around with handguns. I think it's a bad idea. It's been up before, and I think it should be stopped. So I would oppose concurring in Amendment No. 2.

PRESIDENT ROCK:

Further discussion? Senator Woodyard.

SENATOR WOODYARD:

Yes. Thank you, Mr. President, Members of the Senate. And Mr. President, I -- I hope the sponsor does agree with me, but I would like to ask for division of the question in separate votes. As Senator Kelly certainly indicated, and myself as the sponsor of -- of this legislation, Amendment No. 2 does allow handgun season for deer. Amendment No. 3, I believe it is, would prevent bow-hunting in Rock Cut, and that's a controversial issue. And then Amendment No. 5, it's my understanding, is a Department amendment that either was drafted wrongly or does need some additional attention. And I intend to support you, Senator Rea, on -- on some of these amendments very definitely, but I -- I think in fairness to the Body, that we might all be better served if -- if, Mr. President, if you could divide the question on those three amendments.

PRESIDENT ROCK:

That -- that request is in order. All right, Ladies and Gentlemen, on the question is Senate Bill 1838 -- we will take each House Amendment - 2, 3 and 5 - in order. Senator Rea has moved concurrence in House Amendment No. 2 to Senate Bill 1838. Further discussion? If not, the question is, shall the Senate concur in House Amendment No. 2 to Senate Bill 1838. Senate Bill 1864, the original contents was to let insurers having -- requiring insurance to make known to homeowners that they have availability of earthquake insurance in the New Madrid Seismic Zone. House Amendment No. 2 added the definition for the New Madrid Seismic Zone. Then House Amendment No. 3 was put on -- was probably Senate Bill 1954 -- Senator Jones' bill that got tied up. It would allow nursing homes owned and operated by a tax-exempt of local government to participate in and establish trust funds for the purpose of providing protection against risk. This is the same as we did last year for tax-exempt hospitals in the State of Illinois. It also adds an immediate effective date for this Section, and a January 1, 1991, effective date for the earthquake insurance. Thank you, Mr. President, Ladies and Gentlemen of the Senate. I do move -- I move we do concur with House Amendments 1, 2 and 3 to Senate Bill 1962. This is the Comprehensive Health Insurance Plan clean-up legislation. As now adopted by the House, it would have the effect of doing that which the board has recommended in terms of some specifics on ineligibility and waiting, and then now, more specifically, deals with the issue of dumping, and says basically that those would be ineligible for this plan if they have been removed from a group insurance coverage with a group where ten or more employees -- in an effort to dump them into the CHIP Plan and thereby cost the taxpayers out of General Revenue. I would answer any questions, and ask that we do concur in House Amendments 1, 2 and 3.

Senator Carroll, on the anti-dumping provision, do we recognize that in some instances that it's an ex post facto thing. In other words, do we have to wait till they actually get their insurance cancelled or not renewed before we can turn around and do anything?

PRESIDENT ROCK:

Senator Carroll.

SENATOR CARROLL:

If I understand the nature of the question, Senator DeAngelis, there are several areas where this takes effect. First of all, there is a waiting list. So a person who is dumped would fall in wherever they fell on the waiting list. They would not get immediate coverage anyway. There is a waiting list of about twelve hundred people or so. Secondly, we have limited that to group plans of employers of ten or more. There was an issue on the impact on small business who couldn't get coverage in the first place. Third, we've said that if the premium is paid by government agency or by a health care provider, that would not be eligible as well. And we restricted the eligibility waiver for the six-month preexistings so that we wouldn't have to catch up and pay back for someone who didn't have coverage and then suddenly comes in with an expensive bill and asks us to pay it. I am not sure I fully answered, but that's....

PRESIDENT ROCK:

Senator DeAngelis.

SENATOR DeANGELIS:

I don't know that you can, but do we have to wait for the company to lose its insurance before this occurs?

PRESIDENT ROCK:

Senator Carroll.

SENATOR CARROLL:

I think the answer would have to be yes, because in any case,

STATE OF ILLINOIS  
86th GENERAL ASSEMBLY  
REGULAR SESSION  
SENATE TRANSCRIPT

you are not eligible for CHIP unless and until you have been denied coverage or have a type of condition that would have made it a useless act to seek coverage. So the Comprehensive Health Insurance Plan in its first instance required you to either be ineligible for coverage because of a condition you have, or because you could not go out and get coverage anywhere else. So, it would -- I mean, you couldn't say in advance, "Hey, I think I am not going to have coverage anymore."
