The Commission on Government Forecasting & Accountability is a bipartisan legislative support service agency that is responsible for advising the Illinois General Assembly on economic and fiscal policy issues and for providing objective policy research for legislators and legislative staff. The Commission's board is comprised of twelve legislators-split evenly between the House and Senate and between Democrats and Republicans.

The Commission has three internal units--Revenue, Pensions, and Research, each of which has a staff of analysts and researchers who analyze policy proposals, legislation, state revenues & expenditures, and benefit programs, and who provide research services to members and staff of the General Assembly. The Commission's Revenue and Pension Units annually publish a number of statutorily mandated reports as well as on-demand reports in regard to Illinois' financial and economic condition, the annual operating and capital budgets, public employee retirement systems, and other policy issues. The Research Unit fulfills research requests from legislators, legislative committees, and partisan staffs. The staff's areas of expertise include law generally, science and technology, taxation, education, local government, economics and fiscal affairs, and the political and social history of Illinois. Additionally, the Research Unit publishes the *First Reading* newsletter, *Illinois Tax Handbook for Legislators*, *Federal Funds to State Agencies*, various reports detailing appointments to State Boards and Commission, and a number of other publications.

Expiration and Vacancy Report Governor

00658 Rehabilitation Advisory Council, State

Authority

20 ILCS 5/5-550

Terms

3 years. No members, other than vocational rehabilitation administrator and representative of the Client Assistance Program, shall serve for more than 2 consecutive terms as a representative of one of the 13 enumerated categories. If an individual, other than the vocation rehabilitation administrator and representative of the Client Assistance Program, has completed 2 consecutive terms and is eligible to seek an appointment as a representative of other categories, that individual may be appointed as a representative of one of those other categories after a meaningful break, as defined by the Council through its by-laws. Vacancies for unexpired terms shall be filled. Individuals appointed to fill an unexpired term shall complete remainder of the vacated term. When initial term is completed, the individual may be re-appointed for one more term. If an excessive number of expired terms and vacated terms combine to place an undue burden on the Council, the appointing authority may appoint members for terms of 1-3 years, with the numbers of terms expiring each year distributed as equally as possible.
