

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The School Code is amended by changing Section 21B-45 as follows:

(105 ILCS 5/21B-45)

Sec. 21B-45. Professional Educator License renewal.

(a) Individuals holding a Professional Educator License are required to complete the licensure renewal requirements as specified in this Section, unless otherwise provided in this Code.

Individuals holding a Professional Educator License shall meet the renewal requirements set forth in this Section, unless otherwise provided in this Code. If an individual holds a license endorsed in more than one area that has different renewal requirements, that individual shall follow the renewal requirements for the position for which he or she spends the majority of his or her time working.

(b) All Professional Educator Licenses not renewed as provided in this Section shall lapse on September 1 of that year. Notwithstanding any other provisions of this Section, if a license holder's electronic mail address is available, the State Board of Education shall send him or her notification

electronically that his or her license will lapse if not renewed, to be sent no more than 6 months prior to the license lapsing. Lapsed licenses may be immediately reinstated upon (i) payment to the State Board of Education by the applicant of a \$50 penalty or (ii) the demonstration of proficiency by completing 9 semester hours of coursework from a regionally accredited institution of higher education in the content area that most aligns with one or more of the educator's endorsement areas. Any and all back fees, including without limitation registration fees owed from the time of expiration of the license until the date of reinstatement, shall be paid and kept in accordance with the provisions in Article 3 of this Code concerning an institute fund and the provisions in Article 21B of this Code concerning fees and requirements for registration. Licenses not registered in accordance with Section 21B-40 of this Code shall lapse after a period of 6 months from the expiration of the last year of registration or on January 1 of the fiscal year following initial issuance of the license. An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and in a charter school. Any license or endorsement may be voluntarily surrendered by the license holder. A voluntarily surrendered license shall be treated as a revoked license. An Educator License with Stipulations with only a paraprofessional endorsement does not lapse.

(c) From July 1, 2013 through June 30, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee with an administrative endorsement who is working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, per fiscal year.

(c-5) All licenses issued by the State Board of Education under this Article that expire on June 30, 2020 and have not been renewed by the end of the 2020 renewal period shall be extended for one year and shall expire on June 30, 2021.

(d) Beginning July 1, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee may create a professional development plan each year. The plan shall address one or more of the endorsements that are required of his or her educator position if the licensee is employed and performing services in an Illinois public or State-operated school or cooperative. If the licensee is employed in a charter school, the plan shall address that endorsement or those endorsements most closely related to his or her educator position. Licensees employed and performing services in any other Illinois schools may participate in the renewal requirements by adhering to the same process.

Except as otherwise provided in this Section, the licensee's professional development activities shall align

with one or more of the following criteria:

(1) activities are of a type that engages participants over a sustained period of time allowing for analysis, discovery, and application as they relate to student learning, social or emotional achievement, or well-being;

(2) professional development aligns to the licensee's performance;

(3) outcomes for the activities must relate to student growth or district improvement;

(4) activities align to State-approved standards; and

(5) higher education coursework.

(e) For each renewal cycle, each professional educator licensee shall engage in professional development activities. Prior to renewal, the licensee shall enter electronically into the Educator Licensure Information System (ELIS) the name, date, and location of the activity, the number of professional development hours, and the provider's name. The following provisions shall apply concerning professional development activities:

- (1) Each licensee shall complete a total of 120 hours of professional development per 5-year renewal cycle in order to renew the license, except as otherwise provided in this Section.
- (2) Beginning with his or her first full 5-year cycle, any licensee with an administrative endorsement who is not working in a position requiring such endorsement is not

required to complete Illinois Administrators' Academy courses, as described in Article 2 of this Code. Such licensees must complete one Illinois Administrators' Academy course within one year after returning to a position that requires the administrative endorsement.

(3) Any licensee with an administrative endorsement who is working in a position requiring such endorsement or an individual with a Teacher Leader endorsement serving in an administrative capacity at least 50% of the day shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, each fiscal year in addition to 100 hours of professional development per 5-year renewal cycle in accordance with this Code. However, for the 2021-2022 school year only, a licensee under this paragraph (3) is not required to complete an Illinois Administrators' Academy course.

(4) Any licensee holding a current National Board for Professional Teaching Standards (NBPTS) master teacher designation shall complete a total of 60 hours of professional development per 5-year renewal cycle in order to renew the license.

(5) Licensees working in a position that does not require educator licensure or working in a position for less than 50% for any particular year are considered to be exempt and shall be required to pay only the registration fee in order to renew and maintain the validity of the

license.

(6) Licensees who are retired and qualify for benefits from a State of Illinois retirement system shall be listed as retired, and the license shall be maintained in retired status. For any renewal cycle in which a licensee retires during the renewal cycle, the licensee must complete professional development activities on a prorated basis depending on the number of years during the renewal cycle the educator held an active license. If a licensee retires during a renewal cycle, the license status must be updated using ELIS indicating that the licensee wishes to maintain the license in retired status and the licensee must show proof of completion of professional development activities on a prorated basis for all years of that renewal cycle for which the license was active. An individual with a license in retired status shall not be required to complete professional development activities until returning to a position that requires educator licensure. Upon returning to work in a position that requires the Professional Educator License, the license status shall immediately be updated using ELIS and the licensee shall complete renewal requirements for that year. A retired teacher, even if returning to a position that requires educator licensure, shall not be required to pay registration fees. A license in retired status cannot lapse. Beginning on January 6, 2017 (the effective date of Public Act 99-920) through

December 31, 2017, any licensee who has retired and whose license has lapsed for failure to renew as provided in this Section may reinstate that license and maintain it in retired status upon providing proof to the State Board of Education using ELIS that the licensee is retired and is not working in a position that requires a Professional Educator License.

(7) For any renewal cycle in which professional development hours were required, but not fulfilled, the licensee shall complete any missed hours to total the minimum professional development hours required in this Section prior to September 1 of that year. Professional development hours used to fulfill the minimum required hours for a renewal cycle may be used for only one renewal cycle. For any fiscal year or renewal cycle in which an Illinois Administrators' Academy course was required but not completed, the licensee shall complete any missed Illinois Administrators' Academy courses prior to September 1 of that year. The licensee may complete all deficient hours and Illinois Administrators' Academy courses while continuing to work in a position that requires that license until September 1 of that year.

(8) Any licensee who has not fulfilled the professional development renewal requirements set forth in this Section at the end of any 5-year renewal cycle is ineligible to register his or her license and may submit

an appeal to the State Superintendent of Education for reinstatement of the license.

(9) If professional development opportunities were unavailable to a licensee, proof that opportunities were unavailable and request for an extension of time beyond August 31 to complete the renewal requirements may be submitted from April 1 through June 30 of that year to the State Educator Preparation and Licensure Board. If an extension is approved, the license shall remain valid during the extension period.

(10) Individuals who hold exempt licenses prior to December 27, 2013 (the effective date of Public Act 98-610) shall commence the annual renewal process with the first scheduled registration due after December 27, 2013 (the effective date of Public Act 98-610).

(11) Notwithstanding any other provision of this subsection (e), if a licensee earns more than the required number of professional development hours during a renewal cycle, then the licensee may carry over any hours earned from April 1 through June 30 of the last year of the renewal cycle. Any hours carried over in this manner must be applied to the next renewal cycle. Illinois Administrators' Academy courses or hours earned in those courses may not be carried over.

(e-5) The number of professional development hours required under subsection (e) is reduced by 20% for any

renewal cycle that includes the 2021-2022 school year.

(f) At the time of renewal, each licensee shall respond to the required questions under penalty of perjury.

(f-5) The State Board of Education shall conduct random audits of licensees to verify a licensee's fulfillment of the professional development hours required under this Section. Upon completion of a random audit, if it is determined by the State Board of Education that the licensee did not complete the required number of professional development hours or did not provide sufficient proof of completion, the licensee shall be notified that his or her license has lapsed. A license that has lapsed under this subsection may be reinstated as provided in subsection (b).

(1) The State Board of Education.

(j) The State Board of Education shall conduct annual audits of a subset of approved providers, except for school districts, which shall be audited by regional offices of education and intermediate service centers. The State Board of Education shall ensure that each approved provider, except for a school district, is audited at least once every 5 years. The State Board of Education may conduct more frequent audits of providers if evidence suggests the requirements of this Section or administrative rules are not being met.

(1) (Blank).

(2) Approved providers shall comply with the requirements in subsections (h) and (i) of this Section by annually submitting data to the State Board of Education demonstrating how the professional development activities impacted one or more of the following:

(3) The State Superintendent of Education shall review the data collected by the State Board of Education, regional offices of education, and intermediate service centers in audits conducted under this subsection (j) to determine if the approved provider has met the criteria and should continue to be an approved provider or if further action should be taken as provided in rules.

(k) Registration fees shall be paid for the next renewal cycle between April 1 and June 30 in the last year of each 5-year renewal cycle using ELIS. If all required professional development hours for the renewal cycle have been completed and entered by the licensee, the licensee shall pay the registration fees for the next cycle using a form of credit or debit card.

(l) Any professional educator licensee endorsed for school support personnel who is employed and performing services in Illinois public schools and who holds an active and current professional license issued by the Department of Financial and Professional Regulation or a national certification board, as approved by the State Board of Education, related to the endorsement areas on the Professional Educator License shall be deemed to have satisfied the continuing professional development requirements provided for in this Section.
