

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 1. References to Act. This Act may be referred to as the Affordable Student Teaching Act.

Section 5. The School Code is amended by changing Sections 21B-20 and 24-8.5 as follows:

(105 ILCS 5/21B-20)

Sec. 21B-20. Types of licenses. The State Board of Education shall implement a system of educator licensure, whereby individuals employed in school districts who are required to be licensed must have one of the following licenses: (i) a professional educator license; (ii) an educator license with stipulations; (iii) a substitute teaching license; or (iv) until June 30, 2028, a short-term substitute teaching license. References in law regarding individuals certified or certificated or required to be certified or certificated under Article 21 of this Code shall also include individuals licensed or required to be licensed under this Article. The first year of all licenses ends on June 30 following one full year of the license being issued.

The State Board of Education, in consultation with the

State Educator Preparation and Licensure Board, may adopt such rules as may be necessary to govern the requirements for licenses and endorsements under this Section.

(1) Professional Educator License. Persons who (i) have successfully completed an approved educator preparation program and are recommended for licensure by the Illinois institution offering the educator preparation program, (ii) have successfully completed the required testing under Section 21B-30 of this Code, (iii) have successfully completed coursework on the psychology of, the identification of, and the methods of instruction for the exceptional child, including, without limitation, children with learning disabilities, (iv) have successfully completed coursework in methods of reading and reading in the content area, and (v) have met all other criteria established by rule of the State Board of Education shall be issued a Professional Educator License. All Professional Educator Licenses are valid until June 30 immediately following 5 years of the license being issued. The Professional Educator License shall be endorsed with specific areas and grade levels in which the individual is eligible to practice. For an early childhood education endorsement, an individual may satisfy the student teaching requirement of his or her early childhood teacher preparation program through placement in a setting with children from birth through grade 2, and the individual

may be paid and receive credit while student teaching. The student teaching experience must meet the requirements of and be approved by the individual's early childhood teacher preparation program. No institution of higher education shall establish or maintain any policy which requires student teaching for preservice teachers to be unpaid.

Individuals can receive subsequent endorsements on the Professional Educator License. Subsequent endorsements shall require a minimum of 24 semester hours of coursework in the endorsement area and passage of the applicable content area test, unless otherwise specified by rule.

(2) Educator License with Stipulations. An Educator License with Stipulations shall be issued an endorsement that limits the license holder to one particular position or does not require completion of an approved educator program or both.

An individual with an Educator License with Stipulations must not be employed by a school district or any other entity to replace any presently employed teacher who otherwise would not be replaced for any reason.

An Educator License with Stipulations may be issued with the following endorsements:

The career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed.

(ii) Has the ability to successfully communicate in English.

(iii) Either possessed, within 5 years previous to his or her applying for a transitional

bilingual educator endorsement, a valid and comparable teaching certificate or comparable authorization issued by a foreign country or holds a degree from an institution of higher learning in a foreign country that the State Educator Preparation and Licensure Board determines to be the equivalent of a bachelor's degree from a regionally accredited institution of higher learning in the United States.

A transitional bilingual educator endorsement shall be valid for prekindergarten through grade 12, is valid until June 30 immediately following 5 years of the endorsement being issued, and shall not be renewed.

Persons holding a transitional bilingual educator endorsement shall not be employed to replace any presently employed teacher who otherwise would not be replaced for any reason.

(H) Language endorsement. The chief school business official endorsement may also be affixed to the Educator License with Stipulations of any holder who qualifies by having a master's degree in business administration, finance, accounting, or public administration and who completes an additional 6 semester hours of internship in school business management from a regionally accredited institution of higher education and passes the applicable State tests, including an applicable content area test. This endorsement shall be required for any individual employed as a chief school business official.

The chief school business official endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed if the license holder completes renewal requirements as

Each employing school board and regional office of education shall provide verification, in writing, to the State Superintendent of Education at the time the application is submitted that no qualified teacher holding a Professional Educator License or an Educator License with Stipulations with a career and technical educator endorsement is available to teach and that actual circumstances require such issuance.

A provisional career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed.

An individual who holds a provisional career and technical educator endorsement on an Educator License with Stipulations may teach as a substitute teacher in career and technical education classrooms.

(3) Substitute Teaching License. A Substitute Teaching License may be issued to qualified applicants for substitute teaching in all grades of the public schools, prekindergarten through grade 12. Substitute Teaching Licenses are valid for 5 years.

Substitute Teaching Licenses are valid for substitute teaching in every county of this State. If an individual has had his or her Professional Educator License or Educator License with Stipulations suspended or revoked, then that individual is not eligible to obtain a Substitute Teaching License.

A substitute teacher may only teach in the place of a licensed teacher who is under contract with the employing board. If, however, there is no licensed teacher under contract because of an emergency situation, then a district may employ a substitute teacher for no longer than 30 calendar days per each vacant position in the district if the district notifies the appropriate regional office of education within 5 business days after the employment of the substitute teacher in that vacant position. A district may continue to employ that same substitute teacher in that same vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the expiration of the 30-calendar-day period then current, the district files a written request with the appropriate regional office of education for a 30-calendar-day extension on the basis that the position remains vacant and the district continues to actively seek qualified candidates and provides documentation that it has provided training specific to the position, including training on meeting the needs of students with disabilities and English learners if applicable. Each extension request shall be granted in writing by the regional office of education. An emergency situation is one in which an unforeseen vacancy has occurred and (i) a teacher is unexpectedly unable to fulfill his or her contractual duties or (ii) teacher

capacity needs of the district exceed previous indications or vacancies are unfilled due to a lack of qualified candidates, and the district is actively engaged in advertising to hire a fully licensed teacher for the vacant position.

There is no limit on the number of days that a substitute teacher may teach in a single school district, provided that no substitute teacher may teach for longer than 120 days beginning with the 2021-2022 school year through the 2022-2023 school year, otherwise 90 school days for any one licensed teacher under contract in the same school year. A substitute teacher who holds a Professional Educator License or Educator License with Stipulations shall not teach for more than 120 school days for any one licensed teacher under contract in the same school year. The limitations in this paragraph (3) on the number of days a substitute teacher may be employed do not apply to any school district operating under Article 34 of this Code.

A school district may not require an individual who holds a valid Professional Educator License or Educator License with Stipulations to seek or hold a Substitute Teaching License to teach as a substitute teacher.

(4) Short-Term Substitute Teaching License. Beginning on July 1, 2018 and until June 30, 2028, applicants may apply to the State Board of Education for issuance of a

Short-Term Substitute Teaching License. A Short-Term Substitute Teaching License may be issued to a qualified applicant for substitute teaching in all grades of the public schools, prekindergarten through grade 12. Short-Term Substitute Teaching Licenses are not eligible for endorsements. Applicants for a Short-Term Substitute Teaching License must hold an associate's degree or have completed at least 60 credit hours from a regionally accredited institution of higher education.

Short-Term Substitute Teaching Licenses are valid for substitute teaching in every county of this State. If an individual has had his or her Professional Educator License or Educator License with Stipulations suspended or revoked, then that individual is not eligible to obtain a Short-Term Substitute Teaching License.

The provisions of Sections 10-21.9 and 34-18.5 of this Code apply to short-term substitute teachers.

An individual holding a Short-Term Substitute Teaching License may teach no more than 15 consecutive days per licensed teacher who is under contract. For teacher absences lasting 6 or more days per licensed teacher who is under contract, a school district may not hire an individual holding a Short-Term Substitute Teaching License, unless the Governor has declared a disaster due to a public health emergency pursuant to Section 7 of the Illinois Emergency Management Agency Act. An individual

holding a Short-Term Substitute Teaching License must complete the training program under Section 10-20.67 or 34-18.60 of this Code to be eligible to teach at a public school. Short-Term Substitute Teaching Licenses under this Section are valid for 5 years.
