

AN ACT concerning regulation.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Public Utilities Act is amended by adding
Section 9-254 as follows:

(220 ILCS 5/9-254 new)

Sec. 9-254. Utility charge transparency website and
report.

(a) The Commission on Government Forecasting and
Accountability shall publish a report that contains a list of
any charges, either required or permitted by law or approved
by the Commission, that are charged by an electric utility on a
residential customer's monthly utility bill, other than
delivery or supply charges. The Commission on Government
Forecasting and Accountability shall include the following
information for any charge in the list:

(1) the statutory authority for the charge or the
Commission order approving the charge;

(2) the entity or fund to which the charge is
remitted;

(3) any programs or services supported by the charge;
and

(4) the full amount collected annually from the charge

in calendar year 2025.

(b) The Commission on Government Forecasting and Accountability shall deliver the report to the Commission, President of the Senate, Minority Leader of the Senate, Speaker of the House of Representatives, and Minority Leader of the House of Representatives no later than 12 months after the effective date of this amendatory Act of the 104th General Assembly. The Commission, the State Comptroller, the Department of Commerce and Economic Opportunity, and each electric utility in this State shall submit any information requested by the Commission on Government Forecasting and Accountability pursuant to this Section in a timely manner. The Commission shall maintain a website with a link to the completed report. The Commission may, in addition to a link to the completed report, provide a link on the website to other websites that contain similar information.
