44 An application for an iGROW award must be submitted annually, and an a) 45 applicant must also complete the FAFSA®. Inin order to receive priority consideration for an award, an ISAC application and the federal FAFSA must be 46 47 completed and received by a date established each year by the Commission and 48 posted on the ISAC website, preceding the academic year for which the 49 scholarship is being requested. No applications will be considered for processing 50 if received after the published date unless funds remain available for 51 disbursement. 52 53 1) Applications are available on ISAC's website (isac.org). 54 55 2) If the application is incomplete, ISAC will notify the applicant, who will have an opportunity to furnish the missing information. The application 56 57 will only be considered for processing as of the date the application is 58 complete and received at ISAC's Deerfield office. 59 60 b) Scholarship assistance is limited to the full-time enrollment equivalent of 8 61 semesters or 12 quarters of payment for undergraduate study. 62 63 ISAC will annually determine a maximum award amount. Award funds may not c) 64 exceedshall be applicable only up to and including to the full costs of tuition and fees, and room and board in the amount of the standard housing and food 65 allowance used for all undergraduate students, at a public institution. [110 ILCS 66 67 947.65/120] For recipients at private institutions, the award may not exceed the maximum amount payable to a student enrolled in the most expensive comparable 68 program of study at a public institution. 69 70 71 Awards are payable only for two semesters or three quarters in an academic year. d) 72 73 ISAC shall select the recipients from among those who have submitted complete e) 74 applications and have supplied required information, including qualified and 75 timely new and renewal applicants. 76 77 f) Awarding priority shall be given to renewal applicants who continue to meet the eligibility requirements; then those applicants who demonstrate academic 78 79 excellence, demonstrate financial need or minority applicants. Once renewal 80 applicants have been awarded, the awarding methodology shall consider academic excellence, financial need and minority status as evenly-weighted separate values 81 82 that will be summed to determine an overall priority score. 83 84 The total number of awards in a given fiscal year is contingent upon available g) funding. If funding is insufficient to pay all eligible applicants, awarding will be 85

based on the date the completed application is received in ISAC's Deerfield office. Prior to receiving the scholarship will be notified as well.
h) Each qualified applicant who is selected to receive a scholarship shall be notified by ISAC. Applicants not receiving the scholarship will be notified as well. 10
h) Each qualified applicant who is selected to receive a scholarship shall be notified by ISAC. Applicants not receiving the scholarship will be notified as well. i) The total amount of funds awarded to a qualified recipient in a given academic year, when added to other financial aid available to the qualified recipient for that year, shall not exceed the cost of attendance. If the amount of financial aid to be awarded to a qualified student exceeds the institution's cost of attendance, the iGROW Tech Scholarship shall be reduced by the amount by which the cost of attendance is exceeded. [110 ILCS 947.65/120] j) If the recipient receives other assistance targeted specifically for tuition, fees, and room and board expenses, the combined assistance shall not exceed the total tuition, fees, and room and board expenses incurred by the student, and if it does, the institution shall reduce one of the awards accordingly. k) If the recipient is eligible for assistance under MAP, the recipient may not be eligible for a full iGROW award because MAP must be factored into the financial aid package prior to receiving iGROW assistance. The institution, however, may request an iGROW award to finance tuition and fees expenses not paid by MAP. Is ISAC pays scholarship funds directly to the institution of record in the name of the recipient. Prior to receiving scholarship assistance under this Part, the qualified applicant must sign an Agreement/Promissory Note that is submitted to ISAC. The Agreement/Promissory Note shall include the following stipulations: 1) for each year of scholarship assistance received, the recipient pledges to work in Illinois in a qualifying job for a period of not less than one year,
by ISAC. Applicants not receiving the scholarship will be notified as well. The total amount of funds awarded to a qualified recipient in a given academic year, when added to other financial aid available to the qualified recipient for that year, shall not exceed the cost of attendance. If the amount of financial aid to be awarded to a qualified student exceeds the institution's cost of attendance, the iGROW Tech Scholarship shall be reduced by the amount by which the cost of attendance is exceeded. [110 ILCS 947.65/120] If the recipient receives other assistance targeted specifically for tuition, fees, and room and board expenses, the combined assistance shall not exceed the total tuition, fees, and room and board expenses incurred by the student, and if it does, the institution shall reduce one of the awards accordingly. If the recipient is eligible for assistance under MAP, the recipient may not be eligible for a full iGROW award because MAP must be factored into the financial aid package prior to receiving iGROW assistance. The institution, however, may request an iGROW award to finance tuition and fees expenses not paid by MAP. Is ISAC pays scholarship funds directly to the institution of record in the name of the recipient. Prior to receiving scholarship assistance under this Part, the qualified applicant must sign an Agreement/Promissory Note that is submitted to ISAC. The Agreement/Promissory Note shall include the following stipulations: 1) for each year of scholarship assistance received, the recipient pledges to work in Illinois in a qualifying job for a period of not less than one year,
i) The total amount of funds awarded to a qualified recipient in a given academic year, when added to other financial aid available to the qualified recipient for that year, shall not exceed the cost of attendance. If the amount of financial aid to be awarded to a qualified student exceeds the institution's cost of attendance, the iGROW Tech Scholarship shall be reduced by the amount by which the cost of attendance is exceeded. [110 ILCS 947.65/120] If the recipient receives other assistance targeted specifically for tuition, fees, and room and board expenses, the combined assistance shall not exceed the total tuition, fees, and room and board expenses incurred by the student, and if it does, the institution shall reduce one of the awards accordingly. If the recipient is eligible for assistance under MAP, the recipient may not be eligible for a full iGROW award because MAP must be factored into the financial aid package prior to receiving iGROW assistance. The institution, however, may request an iGROW award to finance tuition and fees expenses not paid by MAP. Ij) ISAC pays scholarship funds directly to the institution of record in the name of the recipient. Index Prior to receiving scholarship assistance under this Part, the qualified applicant must sign an Agreement/Promissory Note that is submitted to ISAC.
