Acknowledges and condemns the historical injustice associated with the original creation of the Benin Bronzes, the subsequent British acquisition and distribution of the relics, and the current possession of the Benin Bronzes by museums and collectors who are unwilling to share the relics with the heirs of the enslaved people who paid for them with their lives and the heirs of the Benin Kingdom slave traders. Urges the following steps be taken in regard to the Benin Bronzes: (1) an official request for the return and sharing of the Benin Bronzes, (2) the establishment of the Repatriation Committee, (3) the formation of an inventory and comprehensive documentation, (4) the development of a decision-making process, (5) the development of a sharing framework, (6) the collection of resale royalties, (7) the allocation of adequate resources from museum exhibit, loan, and resale royalty fees, (8) the initiation of programs and initiatives to bring heirs of the enslaved and the Benin Kingdom together for healing and reconciliation, and (9) the cooperation of heirs. Urges all nations, stakeholder museums, and collectors to support and adhere to this resolution, recognizing the importance of equitable sharing, redress, and healing in the context of the Benin Bronzes.

Recognizes and expresses gratitude to the Office of the Illinois Attorney General and Attorney General Kwame Raoul for their exceptional devotion, leadership, and perseverance in defending democracy and freedoms through the courts. Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Urges the Illinois State Board of Education (ISBE) to identify and publish a list of evidence-based, decision-making, and impulse-control curricula that have been demonstrated to reduce violence involvement, make at least one free or low-cost curriculum available statewide for optional integration into existing Social and Emotional Learning (SEL) instruction, encourage districts to implement these programs using existing resources and staff development, and develop, pilot, and rigorously test new school-based decision-making and violence-prevention curricula that can be easily adopted by ISBE and schools statewide if proven effective in reducing violence.
