New Act

Creates the End-of-Life Options for Terminally Ill Patients Act. Authorizes a qualified patient with a terminal disease to request that a physician prescribe aid-in-dying medication that will allow the patient to end the patient's life in a peaceful manner. Contains provisions concerning: the procedures and forms to be used to request aid-in-dying medication; the responsibilities of attending and consulting physicians; the referral of patients for determinations of mental capacity; the residency of qualified patients; the safe disposal of unused medications; the obligations of health care entities; the immunities granted for actions taken in good faith reliance upon the Act; the reporting requirements of physicians; the effect of the Act on the construction of wills, contracts, and statutes; the effect of the Act on insurance policies and annuities; the procedures for the completion of death certificates; the liabilities and penalties provided by the Act; the construction of the Act; the definitions of terms used in the Act; and other matters. Effective 6 months after becoming law.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to

ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

Amends the School Code. In a provision regarding an optional alternative evaluative dismissal process for teacher evaluations, removes the definition of and references to "student growth components". Makes the following changes in the Evaluation of Certified Employees Article: Removes the definitions of and references to "implementation date", "Race to the Top Grant", and "School Improvement Grant". Provides that, beginning July 1, 2025, each school district may incorporate the use of data and indicators on student growth as a factor in rating

teaching performance into its evaluation plan for all teachers in contractual continued service and teachers not in contractual continued service (now, a school district is required to incorporate student growth data and indicators as a significant factor). Makes other changes concerning student growth. Changes the components of an evaluation plan for a teacher's performance. Makes changes concerning a principal's or assistant principal's evaluation. With respect to the types of rules the State Board of Education may adopt, removes the inclusion of rules that (i) define the term "significant" factor" for purposes of including consideration of student growth in performance ratings and (ii) establish a model evaluation plan for use by school districts in which student growth shall comprise 50% of the performance rating. Allows a school district (rather than only a school district with 500,000 or more inhabitants) to use an annual State assessment as a measure of student growth for purposes of teacher or principal evaluations. Removes and changes outdated provisions. Makes other and conforming changes. Effective July 1, 2025.

SENATE FLOOR AMENDMENT NO. 1

In the provisions regarding an optional alternative evaluative dismissal process for teacher evaluations, requires the school district, with respect to the hearing, to demonstrate that the "Unsatisfactory" performance evaluation rating that preceded remediation applied the teacher practice components and student growth components, if any (rather than only the teacher practice components). Provides that the evaluation of a principal or an assistant principal, when performed by an individual appointed by the school board, must be performed by an individual who holds a registered and active Professional Educator License with a principal endorsement or general administrative endorsement (rather than only a principal endorsement).

410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

HOUSE FLOOR AMENDMENT NO. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

New Act

30 ILCS 540/1 from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the approved estimated amount under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

220 ILCS 5/9-220.2

Amends the Public Utilities Act. Provides that 20% of the lesser of (rather than the lesser of): (i) the purchase price or (ii) the fair market value shall constitute the rate base associated with the water or sewer utility as acquired by and incorporated into the rate base of the district designated by the acquiring large public utility, subject to any adjustments that the Illinois Commerce Commission deems necessary to ensure such rate base reflects prudent and useful investments in the provision of public utility service. Provides that the difference between the rate base and the purchase price or fair market value shall be borne by the shareholders of the acquiring large public utility. In provisions concerning the acquisition of a water or sewer utility, provides that, at the next election following the public meeting and notice requirements, a referendum shall be placed on the ballot for all electors within the area the water or sewer utility operates. Provides that, if a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, then the acquisition may continue. Provides that, if less than a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, the Commission shall not approve the large public utility's acquisition of the water or sewer utility. Removes a provision that provides that the Commission may authorize a water or sewer utility to file a surcharge which adjusts rates and charges to provide for recovery of costs associated with an investment in qualifying infrastructure plant, independent of any other matters related to the utility's revenue requirement. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

In provisions concerning the acquisition of a water or sewer utility owned by the State or any political subdivision thereof by a large public utility, removes provisions requiring a

referendum before the Illinois Commerce Commission can approve an acquisition.

Provides that for minors in the guardianship of the Department, the court shall determine whether the respondent is fit, willing, and able to care for the minor and whether it is in the minor's best interest to return to the custody of the respondent. Restores a provision which states that if the court determines that the minor shall continue in the custody of the Department of Children and Family Services, the Department of Children and Family Services shall remain fiscally responsible for providing services to the minor. Provides that the provisions do not apply to: (1) a minor for whom the court has not yet completed an adjudicatory hearing and for whom a petition has been filed under the Act alleging that the minor is a neglected minor, other than a minor left at a psychiatric hospital beyond medical necessity, or an abused minor; or (2) a minor who the court has adjudicated under the Act as either (i) a neglected minor, unless the primary basis for the finding is that the respondent left the minor at a psychiatric hospital beyond medical necessity, or (ii) an abused minor.

Provides that on a motion by the moving party, the court may stay a hearing or motion involving another party, or discovery by another party, if the hearing or ruling on the motion would adjudicate, or the discovery would relate to, an issue material to the motion to dispose of a claim under the Act. Provides that rulemaking shall not delay full implementation of the amendatory Act. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment Number 1 with the following changes: Provides that any undergraduate program of study that serves low-income students (rather than any program of study) at a public institution of higher education improves employability and shall be considered equivalent to an acceptable SNAP Employment and Training (E&T) program component beginning March 1, 2026, unless prohibited by federal law. Provides that, on or before January 1, 2026, and every 3 years thereafter, the Illinois Board of Higher Education and the Illinois Community College Board shall provide to the Department of Human Services the percentage of students, by program of study, who received grants under the federal Pell Grant program and the State's Monetary Award Program (MAP) at each institution of higher education from which they collect MAP and Pell recipient data during the most recent academic year. Provides that, unless prohibited by federal law, a graduate program of study at a public institution of higher education shall be considered equivalent to an acceptable SNAP E&T program component if: (i) the public institution provides the Department of Human Services with specified data on the income status of students within each program of study; and (ii) the graduate program of study serves low-income students. Requires the public institution to submit such data to the Department on or

before January 1 of a given year and every 3 years thereafter for the program of study for low-income students to be considered equivalent to an acceptable SNAP E&T program component by March 1 of that year. Provides that, beginning March 1, 2026, the Department shall publish on its website an updated list of the programs of study that serve low-income students by institution of higher education. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment Number 2 with the following changes: Provides that beginning March 1, 2028 (rather than March 1, 2026) any undergraduate program of study that serves low-income students at a public institution of higher education shall be considered equivalent to an acceptable SNAP Employment and Training (E&T) program component, unless prohibited by federal law. In a provision requiring the Illinois Board of Higher Education and the Illinois Community College Board to submit to the Department of Human Services specified data on the percentage of students receiving Pell or Monetary Award Program grants, changes the reporting date to on or before January 1, 2028, and every year thereafter (rather than on or before January 1, 2026, and every 3 years thereafter). Changes the reporting date by which public colleges and universities may elect to submit specified data on the income status of graduate students to January 1 of a given year, and every year thereafter (rather than January 1 of a given year, and every 3 years thereafter). In a provision requiring the Department of Human Services to publish an updated list of the programs of study that serve low-income students at public colleges and universities, requires the Department to publish the list beginning March 1, 2028 (rather than March 1, 2026), and every March 1 thereafter. Provides that rulemaking shall not delay the full implementation of the amendatory changes. Effective immediately.

Amends the Juvenile Court Act of 1987. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that on or before September 1, 2026, the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, shall report its work and make available resource materials, including model procedures (rather than policies) and guidance informed by a phased approach to implementing universal mental health screening in schools. Provides that the model school district procedures (rather than policies) to facilitate the implementation of mental health screenings, shall include specified matters.
