Changes the definition of "financial institution". Provides that a majority of the appointed Board (rather than 5 members of the Board) constitutes a quorum for the transaction of business. Provides that the governing board and administrative body of the Port District is a Board of Commissioners consisting of up to 9 members (rather than 9 members). Provides that, if the chair of the Board objects to an ordinance or resolution, the objections can be overridden by a vote of at least two-thirds of the members (rather than 6 members). Allows funds to be withdrawn or paid out by Automated Clearing House transaction or other electronic means (rather than only by check or draft) and also removes the \$2,500 cap for allowing a Board member or any officer of the district to sign for the treasurer to pay an obligation. 70 ILCS 2005/8 from Ch. 85, par. 6858

Replaces everything after the enacting clause. Amends the Emergency Services Districts Act. Provides that, if a fire protection district provides ambulance service, then an emergency services district formed and operated solely to provide ambulance service may be formed in part or in whole within that fire protection district as long as (i) the board of trustees of the fire protection district adopts a resolution to cease its tax levy for emergency ambulance service under specified provisions of the Fire Protection District Act and (ii) the emergency services district is operating an ambulance service that serves the portion of the emergency services district located in the fire protection district. In provisions concerning the notice of a petition to form an emergency services district, provides that the notice shall be published at least once each week for 2 successive weeks (rather than 2 weeks) in one or more newspapers of general circulation in the proposed district. Provides that, if there is no newspaper of general circulation in the proposed district, then a copy of the notice shall be posted in at least 10 of the most public places in the proposed district at least 10 days before the hearing (rather than requiring a copy of the notice to be posted in at least 10 of the most public places in the proposed district at least 10 days before the hearing in all circumstances). Provides that the hearing shall be held at a time that allows a referendum to create the proposed district to appear on the ballot of the next general election. Removes provisions requiring the boundaries of the proposed district to be fixed by the court at the hearing. Removes language requiring the hearing to be held within 20 days after the petition is filed with the circuit clerk. Provides that the board of trustees of an emergency services district may, among other things, provide ambulance services to the emergency services district; borrow money; mortgage, pledge, or grant a security interest in any real or personal property of the district; and buy, sell, and own real estate for the purpose associated with the operation of the emergency services district.

Adds reference to:

225 ILCS 650/5 from Ch. 56 1/2, par. 305

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act. In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". Provides that a notice on a physical display shall be displayed on a placard and a notice displayed online shall be displayed in the form of a message on the farm's online sales interface at the point of sale.

Amends the Nurse Practice Act. Requires a purchaser to purchase an electric vehicle in Illinois on or after July 1, 2022 (rather than July 1, 2026). Reinserts stricken provisions that require a purchaser to apply for the rebate within 180 (rather than 90) days, with certain other requirements. Requires a purchaser to apply for the rebate during an open rebate cycle and certify that the purchaser qualifies as an eligible applicant and a low-income applicant, if applicable. Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if

the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.

Amends the Prior Authorization Reform Act and the Illinois Public Aid Code. Provides that a health insurance issuer, the fee-for-service medical assistance program, and a Medicaid managed care organization may not require prior authorization for the following prescription drug types and their therapeutic equivalents approved by the United States Food and Drug Administration: human immunodeficiency virus pre-exposure prophylaxis and post-exposure prophylaxis medication or human immunodeficiency virus treatment medication. Effective January 1, 2027.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:
215 ILCS 5/356z.60
305 ILCS 5/5-5.12

from Ch. 23, par. 5-5.12

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Illinois Public Aid Code. In provisions concerning utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

RACIAL IMPACT NOTE (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

Amends the Underserved Health Care Provider Workforce Act. Changes the definition of "designated shortage area" to mean an area designated as a medically underserved area or a health professional shortage area (rather than a physician shortage area, a medically underserved area, or a critical health manpower shortage area). Changes the term "eligible medical student" to "eligible student", and includes in the definition of that term a person who is studying optometry in an optometry college or institution located in Illinois and that a person may agree to practice full-time in a designated shortage area as an optometrist or anesthesiologist one year for each year he or she is a scholarship recipient. Includes a rural health center, a federally qualified health center, a federally qualified health center look alike, and an optometric office in the definition of "medical facility". Includes an optometrist in the definition of "eligible health care provider". Includes an obstetrician or gynecologist in the definition of "primary care physician". Includes loan repayment recipients in a provision regarding scholarship recipients who fail to fulfill specified obligations, and provides that the amounts paid by these scholarship or loan repayment recipients shall be deposited into the fund where the payment originated from (rather than the Community Health Center Care Fund). Repeals a different provision defining "primary care physician". Effective January 1, 2026.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that "eligible student" includes a person who, among other qualifications, agrees to practice full-time in a Designated Shortage Area as an ophthalmologist one year for each year he or she is a scholarship recipient. Provides that "eligible health care provider" and "primary care physician" include an ophthalmologist.

Changes the name of the offense of child pornography to child sexual abuse material. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent" and changes the definition of "family member" to include a sibling and an accused who has resided in the household for at least 3 (rather than 6) months. Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony. Provides that a defendant, in order to commit grooming, must be 5 years or more older than the groomed child, or hold a

Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. 105 ILCS 5/2-3.206 new

Amends the School Code. Requires the State Board of Education to analyze the use of grant fund requests for a consolidation analysis or consolidation expenses in relation to the School District Reorganization Feasibility Studies. Requires the State Board to create a list of overlapping or bordering school districts with the most similar operating tax rates and percentage of adequacy funding per pupil. Requires the State Board to communicate to the superintendents and school boards of those school districts on the list that the State Board's analysis makes the school district a good candidate for the grant funds. Requires the school board to hold a public hearing to review the State Board's written communication and decide whether to apply for the grant funds. Requires the State Board to report to the General Assembly as to whether the school districts on the list applied for the grant funds, whether a grant was awarded, and what, if any, State Board action was taken in response to the grant-funded consolidation analysis. Requires the State Board to also provide to interested school districts a list of neutral parties to conduct an independent consolidation analysis with the grant funds.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the School Code. Authorizes the State Board of Education to award grants to school districts in the State for the purpose of incentivizing those districts to conduct reorganization feasibility studies. Provides that, to be eligible for a grant under these provisions, the board of the school district that is applying for the grant shall (i) negotiate a proposed agreement to secure the services of a third-party consultant who will conduct the reorganization feasibility study; (ii) adopt a resolution that is signed by the board president of the district and calls for the initiation of a school district reorganization feasibility study in accordance with the terms of the proposed agreement and any rules adopted by the State Board of Education; and (iii) submit the completed agreement form, the signed board resolution, and such other information as the State Board of Education may, by administrative rule, require, to the regional office of education or the executive

director of the intermediate service center for the district for approval. Provides that, upon receipt of a complete application from a district, the regional office of education or the executive director of the intermediate service center shall either (i) approve the agreement and send the agreement to the State Board of Education or (ii) disapprove the agreement and return the agreement to the district with a letter of explanation. Authorizes the State Board of Education to award grants under these provisions to districts for which it receives an approved agreement. Requires the State Board of Education to annually notify each school district in the State of the availability of grant funds and to provide with that notice specified information. Provides that, every 2 years, each board that receives a notice may include the question of whether to pursue this grant funding as an action item on the agenda at one of its meetings. Authorizes the State Board of Education to provide a school district up to the maximum reimbursement amount set by the State Board of Education, for the purpose of covering all or part of the costs borne by the school district to conduct a reorganization feasibility study. Directs the State Board of Education, in awarding these grants, to prioritize districts that are contiguous with one another, districts that have similar property tax rates, districts with similar per-pupil adequacy funding, and, beginning in State fiscal year 2030, other districts that have been identified as priority districts by the State Board of Education pursuant to rules it adopts. Prohibits a school district from being awarded a grant under these provisions in any 2 consecutive award cycles. Allows the State Board of Education to adopt any rules it deems necessary to implement and administer this program of grant funding, including, but not limited to, rules establishing the criteria that must be met by the third-party consultants who will perform the feasibility studies, rules describing minimum criteria to be included in agreements executed with the third-party consultants who will perform the feasibility studies described in this Section, and, beginning in State fiscal year 2030, rules identifying additional types of school districts to be prioritized for grant funding under these provisions. Directs the State Board of Education, in State fiscal year 2035, and every 5 years thereafter, to reevaluate and, if necessary, amend the rules identifying additional types of school districts to be prioritized for grant funding. Defines terms. Effective immediately.

HB-2987 STUART - NESS, LILLY, HANSON, CHUNG, VELLA, KELLY, RYAN, AVELAR AND HUYNH.

New Act

Creates the Warehouse Tornado Preparedness Act. Provides that all operators of a warehouse within this State shall prepare a tornado safety plan for each warehouse they operate within 120 days after the effective date of the Act for each existing warehouse or, for warehouses opened on or after 120 days after the effective date of the Act, no later than 7 days after the warehouse becomes operational. Provides that each plan shall be specific to the warehouse it was prepared for and must be reviewed and updated at least once per year or upon any significant change to the operations of the warehouse that affects the applicability or accuracy of the information in the plan. Specifies what the plan must contain. Requires each warehouse facility to have designated or constructed sufficient shelter space for at least 125% of persons who regularly work in the warehouse at the same time, including persons who are at the warehouse temporarily, such as delivery drivers. Requires each warehouse to maintain specified emergency supplies in its tornado shelter. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 4

Adds reference to:

- 55 ILCS 5/5-1192 new
- 65 ILCS 5/11-31.1-1 from Ch. 24, par. 11-31.1-1
- 65 ILCS 5/11-31.1-1.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. In provisions concerning tornado safety plans, provides that the operator of a warehouse should coordinate with the warehouse's local emergency services and disaster agency and fire department or fire protection district to create plans that, when implemented, will be consistent with the local jurisdiction's response activities. Provides that copies of the plan and all updates made to the plan must be filed with the fire department or fire protection district in the jurisdiction in which the warehouse is located and the local emergency services and disaster agency in the jurisdiction in which the warehouse is located (instead of filed with the Office of the State Fire Marshal, the Illinois Emergency Management Agency and Office of Homeland Security, and the fire department, fire protection district, or local emergency services agency with primary responsibility for the warehouse). Provides that warehouse facilities constructed after the effective date of the Act must provide the means, through modification, installation, or demonstration via rational analysis, to meet a life-safety performance level for tornado loading that is equivalent to, or exceeds, the life-safety performance level for the most onerous of other building code-prescribed extreme environmental loading events. Sets forth provisions concerning that evaluation. Provides that, in lieu of a risk-targeted approach, the evaluating design professional may elect to follow prescriptive methods as outlined in the Federal Emergency Management Agency standard P-431, Tornado Protection: Selecting Refuge Areas in Buildings and the Best Available Refuge Area Checklist to ensure that shelter areas designated in tornado safety plans are qualified as the best available refuge areas. Removes provisions concerning tornado shelters and emergency supplies. Amends the Counties Code. Defines "building inspector". Requires a building inspector to hold a certification from the International Code Council in the area in which the inspector is inspecting or examining. Requires that the county keep on file a copy of the certifications of the persons doing inspections or examinations on its behalf. Provides that a building inspector may have a grace period of one year from the date of hire to acquire the certification required under these provisions. Amends the Illinois Municipal Code to add similar requirements for building inspectors. Effective immediately, except that provisions amending the Counties Code and the Illinois Municipal Code take effect January 1, 2027.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that "warehouse" means a building in which warehouse workers perform their duties and goods are stored in industries defined by specified North American Industry Classification System (NAICS) codes, however such building is denominated (instead of an establishment as defined by specified North American Industry Classification System (NAICS) codes, however such establishment is denominated).

Amends the Wildlife Code. Authorizes the taking of deer with a wildlife rifle (rather than a single shot centerfire rifle). Defines the term "wildlife rifle" as a centerfire rifle that can hold up to 3 rounds in the magazine and chamber combined. Defines the term "straight-walled centerfire cartridge" as a cartridge that is used as ammunition in a centerfire and that has a diameter that is the same across its length and a metallic casing that extends to the projectile. Repeals the definition of and references to "single shot".
