FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

New Act

Creates the Utility Data Access Act. Requires the Illinois Commerce Commission to enact the following procedures: (1) a utility shall retain all consumption data for a period of not less than 2 years; (2) a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years; (3) a utility shall honor an account holder's request to transmit the account holder's covered usage data held by the utility to any entity designated by the account holder; (4) a qualified data recipient with respect to a qualified building or qualified property may request that a qualified utility provide aggregated usage data for the qualified building or qualified property; (5) a utility shall deliver requested data on a schedule set by the Commission; and (6) the account holder request process and utility delivery of requested data shall be convenient and secure. Establishes requirements for: the Commission's participation in a stakeholder process; the form and timeline in which covered usage data is provided to the data recipient; entry of data into the benchmarking tool; and the provision of covered usage data to recipients upon account holder authorization. Provides that, except in cases where the utility has not followed processes established by the Act or the utility is grossly negligent, the utility shall be held harmless for third-party misuse of data shared under the Act and no cause of action may be initiated against the utility for such subsequent misuse. Provides that prior to filing for cost recovery, a qualified utility must first demonstrate good faith efforts to secure federal, State, or other relevant funding options. Sets forth provisions regarding funding for the Commission to carry out its responsibilities under the Act and the Commission selecting and engaging outside consultants with experience in benchmarking and utility data access. States findings. Defines terms.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning utility data access, provides that the Illinois Commerce Commission shall enact procedures whereby a qualified utility shall retain, for a period of not less than 7 years, monthly consumption data that reflects consumption that occurred in or after 2022 and that was used for billing (rather than a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years). Provides that a qualified utility shall retain, for a period of not less than 15 years, monthly consumption data that reflects consumption that occurred in or after 2028 and that was used for billing. Provides that the account holder request process and utility delivery of requested data shall be convenient and secure, and, at the Commission's direction, requests to the utility may be submitted exclusively through an online portal (rather than only the request process shall be convenient and secure). Provides that data recipients may request and receive timely revisions correcting erroneous utility data. Removes provisions concerning the stakeholder process. Provides that, for any covered usage data that a utility provides to a data recipient must be available to be requested online, except that a nonqualified utility may provide only paper request forms upon a showing of hardship (rather than the covered usage data must be available to be requested online and in printable paper form). Makes other changes.

STATE MANDATES FISCAL NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only

for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

PENSION NOTE (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

FISCAL NOTE (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

CORRECTIONAL NOTE (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

205 ILCS 740/9.6 new

Amends the Collection Agency Act. Provides that a debtor is not liable for any coerced debt, as defined in the Act, and may assert that they have incurred a coerced debt by providing to a collection agency an oral or written Statement of Coerced Debt, as specified. Sets forth provisions concerning notice of coerced debt to a collection agency; duties of a collection agency upon receiving an incomplete statement of coerced debt; affirmative defenses

in collection actions or arbitration; civil liability; protections from perpetrators of coerced debt; restrictions on waivers; and liability of collection agencies for violations of the Act. Provides that, upon receiving the debtor's complete statement of coerced debt and specified supporting information, a collection agency shall review and consider all the information received from the debtor as well as any other information available in the collection agency's file or from the creditor related to the alleged coerced debt within 90 days after receipt of the statement of coerced debt. Requires a collection agency, within 5 days after receipt of the complete statement of coerced debt and supporting information, to cease any pre-judgment attempts to collect the coerced debt from the debtor, including refraining from filing any lawsuit or arbitration to collect the coerced debt, and notify any consumer reporting agency to which the collection agency or creditor furnished adverse information about the debtor that the debtor disputes the adverse information. Establishes additional requirements for a collection agency that reviews a statement of coerced debt. Provides that, within 180 days after the effective date of the Act, the Department of Financial and Professional Regulation may design and publish a model coerced debt and third party written verification form in English and any other language it determines, within its discretion, is the first language of a significant number of consumers in the State. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes to defined terms. Provides that a debtor may assert that the debtor has incurred a coerced debt by providing to a collection agency a written statement (rather than written or oral) of coerced debt. Makes changes to the contents required to be in the statement of coerced debt. Establishes requirements for delivery of the statement of coerced debt. Provides that, if a debtor notifies a collection agency orally that the debt it is pursuing is coerced debt or is partially coerced debt, the collection agency shall notify the debtor orally or in writing, within 14 days (rather than 10 business days) after receiving oral notice, that the debtor's claim must be in writing and refer the debtor to any model statement that is posted by the Department of Financial and Professional Regulation on its website (rather than the model statement). Provides that a debtor shall have 21 days after receipt that the statement is incomplete to respond with the additional information required, and the collection agency may resume collection activities if a complete statement of coerced debt has not been provided by the debtor to the collection agency on or before 30 days after notice of an incomplete statement of coerced debt was provided to the debtor. Provides that a qualified third party who fraudulently certifies that the debtor sought assistance from the qualified third party related to the coerced debt, abuse, exploitation, or human trafficking shall be liable to the collection agency for actual damages, court costs and reasonable attorney's fees. Provides that any statute of limitation that may apply to a debt that is alleged to be coerced debt shall be tolled for the duration of any time period during which the collection agency is temporarily prevented from commencing legal action related to the debt or any portion of the debt. Provides that a debtor who receives a good faith determination, as provided, that the debt or portion of the debt does not constitute coerced debt may not submit a second or subsequent statement of coerced debt to the collection agency for the same debt or portion of the debt prior to any lawsuit or arbitration to collect that debt and the collection agency is not required to respond to the debtor regarding the second or subsequent statement of coerced debt. Makes other changes.

Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Defines "domestic violence".

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

705 ILCS 405/2-18

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who

is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

- 20 ILCS 3855/1-10
- 220 ILCS 5/16-108
- 220 ILCS 5/16-111.5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the

In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Amends the Interagency Children's Behavioral Health Services Act. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that the training shall include how families and hospital staff can access BEACON, the process once a case is entered into BEACON, and State and community programs accessible through BEACON. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires a psychiatric hospital to contact a youth or the youth's parents, guardian, or caregiver about the BEACON portal (rather than the Family Support Program and the Specialized Family Support Program) prior to referring the youth to the Department of Children and Family Services because the youth was left at the psychiatric hospital beyond medical necessity. Amends the School Code. Requires the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, to report its work and make available resource materials, including model policies and guidance informed by a phased approach to implementing universal mental health screening in schools. Requires the State Board of Education to report its work by September 1, 2026. Provides that mental health screenings shall be offered by school districts to students enrolled in kindergarten through grade 12, at least once a year, beginning with the 2027-2028 school

year.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

PENSION NOTE (Government Forecasting & Accountability)

HB 3440, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

HB 3440 HA#1 states that psychiatric hospital shall assist in entering the youth's information into the BEACON portal. This would not have a fiscal cost to DHS because our State psychiatric hospitals do not serve individuals under 18.

Provides that all subsequent delinquency petitions pending against the minor respondent shall be adjudicated within 120 (rather than 160) days from the date on which a finding relative to the first petition prosecuted is rendered, or, if the trial upon the first petition is terminated without a finding and there is no subsequent trial, or adjudication after waiver of trial, on the first petition within a reasonable time, the minor shall receive a trial upon all of the remaining petitions within 120 (rather than 160) days from the date on which the trial, or finding after waiver of trial, on the first petition is concluded. Provides that if either such period of 120 (rather than 160) days expires without the commencement of trial, or adjudication after waiver of trial, of any of the remaining pending petitions, the petition or petitions shall be dismissed and barred for want of prosecution unless the delay is occasioned by any of the reasons described in this provision. Provides that when a petition has been filed alleging that the minor is a delinquent and the minor is in detention or shelter care, the trial shall be held within 30 calendar days after the date of the order directing detention or shelter care, or the earliest possible date in compliance with the service by summons or service by certified mail or publication provisions of the Act as to the custodial parent, guardian, or legal custodian but no later than 45 calendar days from the date of the order of the court directing detention or shelter care. Provides that this time includes any time a minor spends in custody on a release upon request to Department of Children and Family Services status. When the petition alleges the minor committed an offense that involves the death of or great bodily harm to a victim, the court may, upon motion of the State, continue the trial for not more than 70 calendar days after the date of the order directing detention or shelter care. Provides that the period in which a trial shall be held is tolled by: (1) delay occasioned by the minor; (2) a continuance allowed pursuant to the Code of Criminal Procedure of 1963 after the court's determination of the minor's incapacity for trial; (3) an interlocutory appeal; (4) an examination of fitness ordered pursuant to the Code of Criminal Procedure of 1963; (5) a fitness hearing; or (6) an adjudication of unfitness for trial.

New Act

Creates the Local Accessory Dwelling Unit Act. Provides that a unit of local government may not prohibit the building or usage of accessory dwelling units in the unit of local government. Provides that a unit of local government may provide reasonable regulations relating to the size and location of accessory dwelling units similar to other accessory structures unless a regulation would have the effect of prohibiting accessory dwelling units. Provides that, for the purposes of the Act, a regulation is considered to have the effect of prohibiting an accessory dwelling unit if it: (1) explicitly disallows the construction of accessory dwelling units; (2) imposes fees other than building permit review; (3) applies standards that would render such units inconsistent with other local land use laws; (4) imposes design, bulk, and density standards that would physically preclude the project; (5) requires off-street parking spaces; or (6) requires corrections of nonconformities of the principal dwelling unit. Provides that that a unit of local government shall approve or deny an application for a permit to create or serve an accessory dwelling unit by right and without discretionary review. Requires the unit of local government to either approve or deny the application to create or serve an accessory dwelling unit within 60 days from the date the unit of local government receives a completed application if there is an existing single-family or multi-family dwelling on the lot. Provides that, if the unit of local government has not approved or denied the completed application within 60 days, then the application shall be deemed approved unless the Act provides for additional time. Provides that, if a unit of local government denies an application for an accessory dwelling unit, then the unit of local government shall return a full set of comments to the applicant in writing with a list of items that are defective or deficient and a description of how the application can be remedied by the applicant. Provides that a unit of local government shall not deny an application for a permit to create an accessory dwelling unit due to the correction of nonconforming zoning conditions, building code violations, or unpermitted structures that do not present a threat to public health and safety and are not affected by the construction of the accessory dwelling unit. Defines terms. Limits home rule powers.

Amends the Illinois Insurance Code. Requires a group or individual policy of accident and health insurance or a managed care plan to provide coverage for at least one early egg allergen introduction dietary supplement and one early peanut allergen introduction dietary supplement. Provides that the required coverage shall be provided at no cost to a covered individual, including deductible payments and cost-sharing amounts charged once a deductible is met. 765 ILCS 705/35 new

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Provides that a landlord, lessor, sublessor, or grantor may charge a fee to reimburse costs associated with conducting a background check if the cumulative fee for a check is no more than the actual cost of the background check or \$20, whichever is less. Allows this fee if the potential tenant provides a copy of a background check conducted within the past 30 days. Prohibits a landlord from imposing a move-in fee. Unless provided by law elsewhere, a landlord may not demand any charge for the processing, reviewing, or accepting of an application, or demand any other payment, fee, or charge before or at the beginning of the tenancy. Exempts entrance fees charged by nursing homes as defined by Nursing Home Care Act or similar institutions. Prohibits a landlord from renaming a fee or charge to avoid application of these provisions. Limits fees for the late payment of rent in certain situations. Any provision of a lease, rental agreement, contract, or any similar document purporting to waive or limit these provisions is void and unenforceable as against public policy.

SENATE COMMITTEE AMENDMENT NO. 3

Deletes reference to:

815 ILCS 505/2HHHH new

Replaces everything after the enacting clause. Creates the Rental Fee Transparency and Fairness Act. Defines terms. Requires that all non-optional fees must be explicitly contained on the first page of a lease agreement, and a tenant is not liable for payment of these fees if a lease fails to do so. Requires that these fees must be disclosed with the total amount of rent. Requires that in a lease agreement disclosure or unit listing, the landlord must disclose whether utilities are included in rent. Prohibits a landlord or lease agreement from requiring specified types of fees or fines. Prohibits a landlord from charging both a security deposit and a fee for moving in or out. Makes changes to security deposits and fees for moving in or out. Provides a process for paying fees in installments and prohibits a landlord from imposing any fee, interest, or costs on a tenant because a tenant elects to pay in installments. Limits the concurrent exercise of home rule powers if inconsistent with the Act. Provides that a landlord may not rename a fee or charge to avoid application of the Act. Provides that the Act applies to all lease agreements entered into after the effective date of the Act, except that the Act does not apply to lease agreements entered into for dwelling units in owner-occupied premises containing 6 units or fewer.

New Act

Adds reference to:

765 ILCS 705/35 new

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Adds provisions concerning rental fee transparency by requiring all non-optional fees, regardless of whether they are one-time fees or recurring fees, to be explicitly contained on the first page of a lease agreement. Provides that a tenant shall not be liable for payment of any fee that is not explicitly contained on the first page of the lease agreement. Requires a landlord to disclose in the lease agreement or unit listing whether utilities are included in the rent. Prohibits certain fees including: (i) a fee for a rental application or background check in excess of \$50, with some exceptions; (ii) a fee or fine for modification or renewal of a lease agreement; (iii) a fee or fine for after-hours requests for maintenance service; (iv) a fee or fine for pest abatement or removal where the tenant has in no way contributed to the infestation; and other fees. Limits the concurrent exercise of home rule powers if inconsistent with the provisions of the amendatory Act. Provides that the amendatory Act applies to all lease agreements for residential rental property entered into after the effective date of the amendatory Act; and that a landlord may not rename a fee or charge to avoid application of the Act. Creates a civil action for any person alleging a violation of the rental fee transparency and fee ban provisions under the amendatory Act. Effective July 1, 2026.

SENATE FLOOR AMENDMENT NO. 8

Provides that non-optional fees must be disclosed in a clear and conspicuous manner in a listing of residential property or in an accompanying weblink at the time of the listing. Prohibits the imposition of a fee or fine ancillary to the application fee at the time of the application that is intended to duplicate the costs of tenant screening or to include costs unrelated to tenant screening but may not be construed to limit the ability of the landlord to

- charge an application fee to cover the costs of tenant screening.

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than

within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

New Act

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for

establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.

Amends the Unified Code of Corrections. Deletes provision that the Department of Central Management Services shall contract with the qualified vendor who proposes the lowest per minute rate not exceeding 7 cents per minute for debit, prepaid, collect calls and who does not bill to any party any tax, service charge, or additional fee exceeding the per minute rate, including, but not limited to, any per call surcharge, account set up fee, bill statement fee, monthly account maintenance charge, or refund fee as established by the Federal Communications Commission Order for state prisons in the Matter of Rates for Interstate Inmate Calling Services, Second Report and Order, WC Docket 12-375, FCC 15-136 (adopted Oct. 22, 2015). Provides that the Department of Central Management Services shall contract with a qualified vendor for telephone services in which the cost of the service is not based on the number of telephone calls made. Provides that a committed person is entitled to make free telephone calls from the correctional institution or facility. Provides that neither the Department of Corrections nor its agents may adopt rules that charge a committed person per telephone call made. Provides that the Department of Corrections shall adopt rules determining the length of each call made by a committed person, how many times each day a committed person may make telephone calls, and may prohibit calls for illegal purposes.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

House Bill 3773 as Amended by House Amendment1 would have no impact on the prison population, and result in no increase to the Illinois Department of Corrections costs over the span of the pilot program, providing the funds appropriated cover all program related Department costs.

New Act

Creates the Partial-Birth Abortion Ban Act of 2025. Provides that any person who knowingly performs a partial-birth abortion and thereby kills a human fetus or infant is guilty of a Class 4 felony. Provides that a person shall only perform or induce a partial-birth abortion on a viable fetus if: (i) the person is a physician; (ii) the person has a documented referral from another physician not legally or financially affiliated with the person performing or inducing the abortion; (iii) both physicians determine that the life of the mother is endangered by a physical disorder, physical illness, or physical injury; and (iv) there is no other medical procedure that would suffice for that purpose. Provides that the maternal grandparents of the fetus or infant, if the mother has not attained the age of 18 years at the time of the abortion, may obtain appropriate relief unless the pregnancy resulted from the plaintiff's criminal conduct or the plaintiff consented to the abortion. Provides that a woman on whom a partial-birth abortion is performed may not be prosecuted under the Act, for a conspiracy to violate the Act, or for an offense under Article 31 of the Criminal Code of 2012, nor may she be held accountable under Article 5 of the Criminal Code of 2012. 40 ILCS 5/1-110.18 new

Amends the General Provisions Article of the Illinois Pension Code. Provides that the amendatory Act may be referred to as the Fossil Fuel Divestment Act. With regard to the retirement systems established under the General Assembly, State Employees, State Universities, Downstate Teachers, or Judges Article of the Code and the Illinois State Board of Investment, prohibits direct investment of any additional pension assets in the stocks, securities, or other obligations of any fossil fuel company or any subsidiary, affiliate, or parent of a fossil fuel company. Provides that each board of trustees of a pension system shall ensure the pension system does not make further indirect investments unless, upon exercising due diligence, the board of trustees is satisfied that the investment vehicle is unlikely to have more than 2% of its assets invested in fossil fuel companies. Requires pension system trustees to identify the pension system's holdings, whether directly or indirectly invested, including private investments. Requires pension system trustees to identify holdings that are invested in the stocks, securities,

equities, fixed income, corporate bonds, prime commercial paper, or other obligations of fossil fuel companies. Requires pension systems to, in accordance with sound investment criteria and consistent with fiduciary obligations, divest any fossil fuel holdings, which must be completed by January 1, 2030. Requires pension systems to adopt an update to their written investment policies if necessary. Requires each pension system to disclose the analytic methods used, if any, in determining the climate-related financial risks posed by its fossil fuel investments (both publicly traded and private investments) and the results of the analysis. Sets forth provisions concerning definitions, de minimis exposure to fossil fuel securities, and annual reporting. Effective immediately.

House Rule 37.5 new

Adds a rule authorizing a member to designate a House Bill as a Priority Bill when filing it with the Clerk. Requires Chairpersons to make a good-faith effort to facilitate committee consideration of each Priority Bill at a time when the Principal Sponsor or the Principal Sponsor's designee, and their necessary witnesses, are available. Requires a Priority Bill posted for a particular hearing to be considered by the committee before consideration of legislative measures without that designation if the Principal Sponsor or designee consents to consideration at that time. Provides that, if the Principal Sponsor or the Principal Sponsor's designee fails to present the bill during the first or second hearing for which the bill was posted or if the Principal Sponsor or the Principal Sponsor's designee withdraws consent for consideration at the hearing, the committee may hear testimony and vote one time on a reporting motion for that bill without the consent of the Principal Sponsor or the Principal Sponsor's designee at the third or subsequent hearing for which the bill is posted. Authorizes only the Principal Sponsor or chief co-sponsor of a Priority Bill to offer a committee amendment to the bill. Provides that each Priority Bill that remains pending in any committee at 5:00 p.m. on April 1 shall be automatically discharged to the House and placed on the calendar on the order of Second Reading, unless a standing or special committee has provided an opportunity for public testimony on the bill at a posted hearing and taken a record vote on a motion to report the bill to the House. Declares that certain deadlines do not apply to Priority Bills. Requires the Journal and Legislative Digest to reference a Priority Bill in a manner that identifies that designation. Prohibits Priority Bill status from being revoked or transferred to another bill. Provides that a Chairperson who fails to implement and comply with these requirements may be subject to disciplinary action under the House rules. Prohibits the suspension of these rules.
