## New Act

Creates the Partial-Birth Abortion Ban Act of 2025. Provides that any person who knowingly performs a partial-birth abortion and thereby kills a human fetus or infant is guilty of a Class 4 felony. Provides that a person shall only perform or induce a partial-birth abortion on a viable fetus if: (i) the person is a physician; (ii) the person has a documented referral from another physician not legally or financially affiliated with the person performing or inducing the abortion; (iii) both physicians determine that the life of the mother is endangered by a physical disorder, physical illness, or physical injury; and (iv) there is no other medical procedure that would suffice for that purpose. Provides that the maternal grandparents of the fetus or infant, if the mother has not attained the age of 18 years at the time of the abortion, may obtain appropriate relief unless the pregnancy resulted from the plaintiff's criminal conduct or the plaintiff consented to the abortion. Provides that a woman on whom a partial-birth abortion is performed may not be prosecuted under the Act, for a conspiracy to violate the Act, or for an offense under Article 31 of the Criminal Code of 2012, nor may she be held accountable under Article 5 of the Criminal Code of 2012. Effective immediately.

Condemns the practice of conversion therapy on any population as unethical and fraudulent. Asserts that no licensed professional operating in the State of Illinois should engage in this practice, whether with minors or adults, as it violates the ethical standards of professional behavioral healthcare. Condemns conversion therapy as described herein, regardless of the target population or how the service is marketed or titled. Acknowledges that conversion therapy is not a legitimate form of therapy but is a dangerous and discredited practice that has no place in a professional setting, and that any professional engaging in such practices is in violation of the ethical guidelines governing their licensure. Encourages the Illinois Department of Public Health to launch a statewide public awareness campaign to educate communities about the harms of conversion therapy and its fraudulent nature, to collaborate with the Department of Financial and Professional Regulation to investigate and hold accountable practitioners offering conversion therapy under false pretenses, to develop guidelines for healthcare professionals to recognize, report, and prevent practices associated with conversion therapy, and to support outreach initiatives to connect survivors of conversion therapy with affirming mental health resources.

## House Rule 37.5 new

Adds a rule authorizing a member to designate a House Bill as a Priority Bill when filing it with the Clerk. Requires Chairpersons to make a good-faith effort to facilitate committee consideration of each Priority Bill at a time when the Principal Sponsor or the Principal Sponsor's designee, and their necessary witnesses, are available. Requires a Priority Bill posted for a particular hearing to be considered by the committee before consideration of legislative measures without that designation if the Principal Sponsor or designee consents to consideration at that time. Provides that, if the Principal Sponsor or the Principal Sponsor's designee fails to present the bill during the first or second hearing for which the bill was posted or if the Principal Sponsor or the Principal Sponsor's designee withdraws consent for consideration at the hearing, the committee may hear testimony and vote one time on a reporting motion for that bill without the consent of the Principal Sponsor or the Principal Sponsor's designee at the third or subsequent hearing for which the bill is posted. Authorizes only the Principal Sponsor or chief co-sponsor of a Priority Bill to offer a committee amendment to the bill. Provides that each Priority Bill that remains pending in any committee at 5:00 p.m. on April 1 shall be automatically discharged to the House and placed on the calendar on the order of Second Reading, unless a standing or special committee has provided an opportunity for public testimony on the bill at a posted hearing and taken a record vote on a motion to report the bill to the House. Declares that certain deadlines do not apply to Priority Bills. Requires the Journal and Legislative Digest to reference a Priority Bill in a manner that identifies that designation. Prohibits Priority Bill status from being revoked or transferred to another bill. Provides that a Chairperson who fails to implement and comply with these requirements may be subject to disciplinary action under the House rules. Prohibits the suspension of these rules.

Acknowledges and condemns the historical injustice associated with the original creation of the Benin Bronzes, the subsequent British acquisition and distribution of the relics, and the current possession of the Benin Bronzes by museums and collectors who are unwilling to share the relics with the heirs of the enslaved people who paid for them with their lives and the heirs of the Benin Kingdom slave traders. Urges the following steps be taken in regard to the Benin Bronzes: (1) an official request for the return and sharing of the Benin Bronzes, (2) the establishment of the Repatriation Committee, (3) the formation of an inventory and comprehensive documentation, (4) the development of a decision-making process, (5) the development of a sharing framework, (6) the collection of resale royalties, (7) the allocation of adequate resources from museum exhibit, loan, and resale royalty fees, (8) the initiation of programs and initiatives to bring heirs of the enslaved and the Benin Kingdom together for healing and reconciliation, and (9) the cooperation of heirs.
