Effective January 1, 2027.

**HOUSE COMMITTEE AMENDMENT NO. 1**

215 ILCS 5/356z.60

305 ILCS 5/5-5.12

from Ch. 23, par. 5-5.12

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Illinois Public Aid Code. In provisions concerning

utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

**JUDICIAL NOTE (Admin Office of the Illinois Courts)**

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

**BALANCED BUDGET NOTE (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

**PENSION NOTE (Government Forecasting & Accountability)**

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

**STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)**

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

**FISCAL NOTE (Dept. of Healthcare & Family Services)**

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

**RACIAL IMPACT NOTE (Dept. of Healthcare & Family Services)**

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

 625 ILCS 5/6-208 from Ch. 95 1/2, par. 6-208

Amends the Illinois Vehicle Code. Allows a person to request an informal hearing regarding a suspension, revocation, or denial of the issuance of a license, permit, registration, or certificate of title at a Secretary of State driver services facility. Provides that if a person is convicted of a specified offense and the use of alcohol or other drugs is stated as an element of the offense, the Secretary may issue to the person a restricted driving permit granting the privilege of driving a motor vehicle 6 days per week, 12 hours per day within a 200-mile radius of the person's residence for any legal purpose. In provisions regarding the mandatory revocation of a license or permit, the discretionary authority to suspend or revoke a license or permit, and the period of suspension, provides that some convictions may be based on a similar out-of-state offense or similar offense committed on a military installation. Allows the Secretary to grant an employment exception to the prohibition against driving a vehicle that is not equipped with an ignition interlock device if the person is operating an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

Makes other and conforming changes.

- 110 ILCS 935/3.05 rep.

Amends the Underserved Health Care Provider Workforce Act. Changes the definition of "designated shortage area" to mean an area designated as a medically underserved area or a health professional shortage area (rather than a physician shortage area, a medically underserved area, or a critical health manpower shortage area). Changes the term "eligible medical student" to "eligible student", and includes in the definition of that term a person who is studying optometry in an optometry college or institution located in Illinois and that a person may agree to practice full-time in a designated shortage area as an optometrist or anesthesiologist one year for each year he or she is a scholarship recipient. Includes a rural health center, a federally qualified health center, a federally qualified health center look alike, and an optometric office in the definition of "medical facility". Includes an optometrist in the definition of "eligible health care provider". Includes an obstetrician or gynecologist in the definition of "primary care physician". Includes loan repayment recipients in a provision regarding scholarship recipients who fail to fulfill specified obligations, and provides that the amounts paid by these scholarship or loan repayment recipients shall be deposited into the fund where the payment originated from (rather than the Community Health Center Care Fund). Repeals a different provision defining "primary care physician". Effective January 1, 2026.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Provides that "eligible student" includes a person who, among other qualifications, agrees to practice full-time in a Designated Shortage Area as an ophthalmologist one year for each year he or she is a scholarship recipient. Provides that "eligible health care provider" and "primary care physician" include an ophthalmologist.

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offense of child pornography to child sexual abuse material. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent" and changes the definition of "family member" to include a sibling and an accused who has resided in the household for at least 3 (rather than 6) months. Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony. Provides that a defendant, in order to commit grooming, must be 5 years or more older than the groomed child, or hold a position of trust, authority, or supervision in relation to the child at the time of the offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. HB 2856 mirrors HB 3765, as amended by HA 3, from the 103rd General Assembly. Two separate actuarial studies were conducted for this bill. According to Segal, HB 3765, as amended by HA 3, would increase total State contributions (nominal dollars) through 2045 by \$41 million for SERS and \$9 million for SURS, resulting in a \$50 million increase. A summary chart of the impact of a DROP plan on the cities of Aurora and Rock Falls along with the actuarial study from Segal and actuarial study from Foster & Foster is included in this pension impact note.

Provides that if a content test is determined to be non-uniform, the State Board shall: convene one or more committees to review the content, bias, and passing score requirements of that content test and recommend changes to improve uniformity; offer the most recent uniform content area test for the same license or endorsement as an option until the new assessment is determined to be uniform; provide an opportunity to attempt the most recent uniform content area test for the same license or endorsement to candidates who attempted but did not pass the most recent version of the content area test; and implement a process by which candidates

who attempted but did not pass the content test may apply for provisional licensure. Provides that if the State Board finds that the content area test forms available as of January 1, 2025 are not uniform in the level of difficulty as compared to previous forms of those exams, any candidate for licensure who attempted any content area test in the form that was available as of January 1, 2025, and whose best scores in each subsection of the same content area exam, taken across multiple attempts on the same form of the exam, equal or exceed the passing score for that content area exam as of January 1, 2025, shall be determined to have passed that content area exam.

Requires the State Board of Education to analyze the use of grant fund requests for a consolidation analysis or consolidation expenses in relation to the School District Reorganization Feasibility Studies. Requires the State Board to create a list of overlapping or bordering school districts with the most similar operating tax rates and percentage of adequacy funding per pupil. Requires the State Board to communicate to the superintendents and school boards of those school districts on the list that the State Board's analysis makes the school district a good candidate for the grant funds. Requires the school board to hold a public hearing to review the State Board's written communication and decide whether to apply for the grant funds. Requires the State Board to report to the General Assembly as to whether the school districts on the list applied for the grant funds, whether a grant was awarded, and what, if any, State Board action was taken in response to the grant-funded consolidation analysis. Requires the State Board to also provide to interested school districts a list of neutral parties to conduct an independent consolidation analysis with the grant funds.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the School Code. Authorizes the State Board of Education to award grants to school districts in the State for the purpose of incentivizing those districts to conduct reorganization feasibility studies. Provides that, to be eligible for a grant under these provisions, the board of the school district that is applying for the grant shall (i) negotiate a proposed agreement to secure the services of a third-party

consultant who will conduct the reorganization feasibility study; (ii) adopt a resolution that is signed by the board president of the district and calls for the initiation of a school district reorganization feasibility study in accordance with the terms of the proposed agreement and any rules adopted by the State Board of Education; and (iii) submit the completed agreement form, the signed board resolution, and such other information as the State Board of Education may, by administrative rule, require, to the regional office of education or the executive director of the intermediate service center for the district for approval. Provides that, upon receipt of a complete application from a district, the regional office of education or the executive director of the intermediate service center shall either (i) approve the agreement and send the agreement to the State Board of Education or (ii) disapprove the agreement and return the agreement to the district with a letter of explanation. Authorizes the State Board of Education to award grants under these provisions to districts for which it receives an approved agreement. Requires the State Board of Education to annually notify each school district in the State of the availability of grant funds and to provide with that notice specified information. Provides that, every 2 years, each board that receives a notice may include the question of whether to pursue this grant funding as an action item on the agenda at one of its meetings. Authorizes the State Board of Education to provide a school district up to the maximum reimbursement amount set by the State Board of Education, for the purpose of covering all or part of the costs borne by the school district to conduct a reorganization feasibility study. Directs the State Board of Education, in awarding these grants, to prioritize districts that are contiguous with one another, districts that have similar property tax rates, districts with similar per-pupil adequacy funding, and, beginning in State fiscal year 2030, other districts that have been identified as priority districts by the State Board of Education pursuant to rules it adopts. Prohibits a school district from being awarded a grant under these provisions in any 2 consecutive award cycles. Allows the State Board of Education to adopt any rules it deems necessary to implement and administer this program of grant funding, including, but not limited to, rules establishing the criteria that must be met by the third-party consultants who will perform the feasibility studies, rules describing minimum criteria to be included in agreements executed with the third-party consultants who will perform the feasibility studies described in this Section, and, beginning in State fiscal year 2030, rules identifying additional types of school districts to be prioritized for grant funding under these provisions. Directs the State Board of Education, in State fiscal year 2035, and every 5 years thereafter, to reevaluate and, if necessary, amend the rules identifying additional types of school districts to be prioritized for grant funding. Creates the Temporary Immunity for Child Welfare Agencies Act. Creates immunity from civil liability for a licensed child welfare agency that provides service for youth in foster care for a 2-year period unless the agency's acts or omissions constitute willful and wanton conduct. Provides that the immunity extends to the agency's employees, volunteers, and agents acting within the scope of their employment. Defines a "child welfare agency" to mean a public or private child care facility that receives a child or children for the purpose of placing or arranging for the placement or free care of the child or children in foster family homes, unlicensed pre-adoptive and adoptive homes, adoption-only homes, or other facilities for child care apart from the custody of the child's or children's parents. The term "child welfare agency" includes (i) all agencies established and maintained by a municipality or other political subdivision of the State to protect, guard, train or care for children outside their own homes; and (ii) all agencies, persons, groups of persons, organizations, corporations, institutions, centers, or group providing adoption services but does not include a circuit court, appointed juvenile probation officer, or youth counselor of the court who receive and place children under an order of the court. Creates the Child Welfare Agency Liability Task Force to develop and recommend a permanent solution to address the unavailability of liability insurance for child welfare agencies in the State. Requires that the Task Force submit its first report to the General Assembly no later than December 26, 2026. Effective immediately.

Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. New Act

Creates the Utility Data Access Act. Requires the Illinois Commerce Commission to enact the following procedures: (1) a utility shall retain all consumption data for a period of not less than 2 years; (2) a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years; (3) a utility shall honor an account holder's request to transmit the account holder's covered usage data held by the utility to any entity designated by the account holder; (4) a qualified data recipient with respect to a qualified building or qualified property may request that a qualified utility provide aggregated usage data for the qualified building or qualified property; (5) a utility shall deliver requested data on a schedule set by the Commission; and (6) the account holder request process and utility delivery of requested data shall be convenient and secure. Establishes requirements for: the Commission's participation in a stakeholder process; the form and timeline in which covered usage data is provided to the data recipient; entry of data into the benchmarking tool; and the provision of covered usage data to recipients upon account holder authorization. Provides that, except in cases where the utility has not followed processes established by the Act or the utility is grossly negligent, the utility shall be held harmless for third-party misuse of data shared under the Act and no cause of action may be initiated against the utility for such subsequent misuse. Provides that prior to filing for cost recovery, a qualified utility must first demonstrate good faith efforts to secure federal, State, or other relevant funding options. Sets forth provisions regarding funding for the Commission to carry out its responsibilities under the Act and the Commission selecting and engaging outside consultants with experience in benchmarking and utility data access. States findings. Defines terms.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning utility data access, provides that the Illinois Commerce Commission shall enact procedures whereby a qualified utility shall retain, for a period of not less than 7 years, monthly consumption data that reflects consumption that occurred in or after 2022 and that was used for billing (rather than a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years). Provides that the account holder request process and utility delivery of requested data shall be convenient and secure, and, at the Commission's direction, requests to the utility may be submitted exclusively through an online portal (rather than only the request process shall be convenient and secure). Provides that data recipients may request and receive timely revisions correcting erroneous utility data. Removes provisions concerning the stakeholder process. Provides that, for any covered usage data that a utility provides to a data recipient must be available to be requested online, except that a nonqualified utility may provide only paper request forms upon a showing of hardship (rather than the covered usage data must be available to be requested online and in printable paper form). Makes other changes.

STATE MANDATES FISCAL NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

PENSION NOTE (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

FISCAL NOTE (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

CORRECTIONAL NOTE (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

205 ILCS 740/9.6 new

Amends the Collection Agency Act. Provides that a debtor is not liable for any coerced

debt, as defined in the Act, and may assert that they have incurred a coerced debt by providing to a collection agency an oral or written Statement of Coerced Debt, as specified. Sets forth provisions concerning notice of coerced debt to a collection agency; duties of a collection agency upon receiving an incomplete statement of coerced debt; affirmative defenses in collection actions or arbitration; civil liability; protections from perpetrators of coerced debt; restrictions on waivers; and liability of collection agencies for violations of the Act. Provides that, upon receiving the debtor's complete statement of coerced debt and specified supporting information, a collection agency shall review and consider all the information received from the debtor as well as any other information available in the collection agency's file or from the creditor related to the alleged coerced debt within 90 days after receipt of the statement of coerced debt. Requires a collection agency, within 5 days after receipt of the complete statement of coerced debt and supporting information, to cease any pre-judgment attempts to collect the coerced debt from the debtor, including refraining from filing any lawsuit or arbitration to collect the coerced debt, and notify any consumer reporting agency to which the collection agency or creditor furnished adverse information about the debtor that the debtor disputes the adverse information. Establishes additional requirements for a collection agency that reviews a statement of coerced debt. Provides that, within 180 days after the effective date of the Act, the Department of Financial and Professional Regulation may design and publish a model coerced debt and third party written verification form in English and any other language it determines, within its discretion, is the first language of a significant number of consumers in the State. Makes other changes.

#### HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes to defined terms. Provides that a debtor may assert that the debtor has incurred a coerced debt by providing to a collection agency a written statement (rather than written or oral) of coerced debt. Makes changes to the contents required to be in the statement of coerced debt. Establishes requirements for delivery of the statement of coerced debt. Provides that, if a debtor notifies a collection agency orally that the debt it is pursuing is coerced debt or is partially coerced debt, the collection agency shall notify the debtor orally or in writing, within 14 days (rather than 10 business days) after receiving oral notice, that the debtor's claim must be in writing and refer the debtor to any model statement that is posted by the Department of Financial and Professional Regulation on its website (rather than the model statement). Provides that a debtor shall have 21 days after receipt that the statement is incomplete to respond with the additional information required, and the collection agency may resume collection activities if a complete statement of coerced debt has not been provided by the debtor to the collection agency on or before 30 days after notice of an incomplete statement of coerced debt was provided to the debtor. Provides that a qualified third party who fraudulently certifies that the debtor sought assistance from the qualified third party related to the coerced debt, abuse, exploitation, or human trafficking shall be liable to the collection agency for actual damages, court costs and reasonable attorney's fees. Provides that any statute of limitation that may apply to a debt that is alleged to be coerced debt shall be tolled for the duration of any time period during which the collection agency is temporarily prevented from commencing legal action related to the debt or any portion of the debt. Provides that a debtor who receives a good faith determination, as provided, that the debt or portion of the debt does not constitute coerced debt may not submit a second or subsequent statement of coerced debt to the collection agency for the same debt or portion of the debt prior to any lawsuit or arbitration to collect that debt and the collection agency is not required to respond to the debtor regarding the second or subsequent statement of coerced debt. Makes other changes.

from Ch. 46, par. 19-4

Amends the Election Code. Provides that an election authority may elect to mail a vote by mail ballot to all qualified voters instead of sending notices and applications for permanent vote by mail status. Requires the election authority to make a list of all voters to whom the vote by mail ballots will be sent, publicly post that list, and send the list to the State Board of Elections. Provides that a person who has never voted before may not be sent a vote by mail ballot under the provisions unless the person first provides the election authority with sufficient proof of identity and the election authority verifies the person's proof of identity. Provides that a person may request, in writing, to the election authority that the person not receive a ballot sent under the provisions. Provides that the election authority shall keep a record of a person who has made a request and, in all future elections following receipt of the request, shall instead send the person who made the request a notice and application for permanent vote by mail status.

- 705 ILCS 405/2-27 from Ch. 37, par. 802-27

Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Defines "domestic violence".

**HOUSE FLOOR AMENDMENT NO. 1**

- Deletes reference to:
- 705 ILCS 405/2-18
- Adds reference to:
- 325 ILCS 5/3 from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no

demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

Adds reference to:  
 20 ILCS 3855/1-10  
 220 ILCS 5/16-108  
 220 ILCS 5/16-111.5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable

resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. - 405 ILCS 165/35 new

Amends the Interagency Children's Behavioral Health Services Act. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that the training shall include how families and hospital staff can access BEACON, the process once a case is entered into BEACON, and State and community programs accessible through BEACON. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires a psychiatric hospital to contact a youth or the youth's parents, guardian, or caregiver about the BEACON portal (rather than the Family Support Program and the Specialized Family Support Program) prior to referring the youth to the Department of Children and Family Services because the youth was left at the psychiatric hospital beyond medical necessity. Amends the School Code. Requires the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, to report its work and make available resource materials, including model policies and guidance informed by a phased approach to implementing universal mental health screening in schools. Requires the State Board of Education to report its work by September 1, 2026. Provides that mental health screenings shall be offered by school districts to students enrolled in kindergarten through grade 12, at least once a year, beginning with the 2027-2028 school year.

**HOUSE COMMITTEE AMENDMENT NO. 1**

Further amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

**PENSION NOTE (Government Forecasting & Accountability)**  
 HB 3440, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

**FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)**

HB 3440 HA#1 states that psychiatric hospital shall assist in entering the youth's information into the BEACON portal. This would not have a fiscal cost to DHS because our State psychiatric hospitals do not serve individuals under 18.

In provisions regarding ethylene oxide emissions from nonnegligible ethylene oxide emissions sources, adds requirements for an Ambient Air Monitoring Plan that substantially mirror requirements in provisions regarding ethylene oxide emissions from ethylene oxide sterilization sources. Changes the definition of "nonnegligible ethylene oxide emissions source" to any ethylene oxide emissions source permitted by the Agency that currently emits more than 30 pounds of ethylene oxide, with certain other requirements (rather than an ethylene oxide emissions source permitted by the Agency that currently emits more than 150 pounds of ethylene oxide, with certain other requirements). Removes a provision in that definition that excludes facilities that are ethylene oxide sterilization sources or hospitals that are licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act.

725 ILCS 5/103-2.3 new

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides that at that time, the prosecution must tender any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and any other evidence the State intends to rely upon to determine the statement's reliability. Provides that before trial, a defendant may move to exclude a statement alleged to be unreliable. Provides that the defendant shall specifically identify the statement or statements alleged to be unreliable. Provides that at the hearing, it shall be the burden of the prosecutor to prove by a preponderance of the evidence that the statement is reliable. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement.

Creates the Local Accessory Dwelling Unit Act. Provides that a unit of local government may not prohibit the building or usage of accessory dwelling units in the unit of local government. Provides that a unit of local government may provide reasonable regulations relating to the size and location of accessory dwelling units similar to other accessory structures unless a regulation would have the effect of prohibiting accessory dwelling units. Provides that, for the purposes of the Act, a regulation is considered to have the effect of prohibiting an accessory dwelling unit if it: (1) explicitly disallows the construction of accessory dwelling units; (2) imposes fees other than building permit review; (3) applies standards that would render such units inconsistent with other local land use laws; (4) imposes design, bulk, and density standards that would physically preclude the project; (5) requires off-street parking spaces; or (6) requires corrections of nonconformities of the principal dwelling unit. Provides that that a unit of local government shall approve or deny an application for a permit to create or serve an accessory dwelling unit by right and without discretionary review. Requires the unit of local government to either approve or deny the application to create or serve an accessory dwelling unit within 60 days from the date the unit of local government receives a completed application if there is an existing single-family or multi-family dwelling on the lot. Provides that, if the unit of local government has not approved or denied the completed application within 60 days, then the application shall be deemed approved unless the Act provides for additional time. Provides that, if a unit of local government denies an application for an accessory dwelling unit, then the unit of local government shall return a full set of comments to the applicant in writing with a list of items that are defective or deficient and a description of how the application can be remedied by the applicant. Provides that a unit of local government shall not deny an application for a permit to create an accessory dwelling unit due to the correction of nonconforming zoning conditions, building code violations, or unpermitted structures that do not present a threat to public health and safety

and are not affected by the construction of the accessory dwelling unit. Defines terms. Limits home rule powers.

Provides that the required coverage shall be provided at no cost to a covered individual, including deductible payments and cost-sharing amounts charged once a deductible is met. Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

**HOUSE COMMITTEE AMENDMENT NO. 1**

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates

proportionally from each class of customer.

Provides that the Department of Professional and Financial Regulation shall not take any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based solely upon the person's involvement in any health care service, so long as the care was not unlawful under the laws of the State. Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an

##### **New Act**

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.

Amends the School Code. In provisions concerning radon testing, provides that every school building of a school district that is occupied or will be occupied shall be tested by January 1, 2029 and shall be retested every 5 years thereafter for radon (instead of recommending that every occupied school building of a school district be tested every 5 years for radon). Removes a provision allowing a person to perform radon screening tests without a license. Makes changes concerning the exemption. 405 ILCS 5/3-210 from Ch. 91 1/2, par. 3-210

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

HOUSE COMMITTEE AMENDMENT NO. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following addition: Provides that nothing in the amendatory Act is intended to include an employee of a hospital licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act or a hospital affiliate.
