Provides that the coverage shall be provided without cost-sharing, except to the extent the cost-sharing limitation would cause a catastrophic plan to fail to be treated as a catastrophic plan under the Patient Protection and Affordable Care Act or would keep a high-deductible health plan from being treated as a high-deductible health

New Act

Creates the Educational Credit for Firefighting Experience Act. Provides that before June 1, 2027, each institution of higher education shall adopt a policy regarding its awarding of academic credit for firefighter training considered applicable to the requirements of a student's certificate or degree program. Requires the policy to apply to any individual who is enrolled in the institution of higher education and who has completed a firefighting training course or program that meets certain requirements. Provides that each institution of higher education shall develop a procedure for receiving the necessary documentation, provide a copy of its policy to certain applicants, and develop and maintain a list of qualifying firefighting training courses and programs. Provides that each institution of higher education shall submit its policy for awarding academic credit to the Board of Higher Education and the Illinois Community College Board, if applicable, before June 30, 2027 and before June 30 of each year thereafter. Provides that the Board of Higher Education shall collect data in the Illinois Higher Education Information System on students who are firefighters to assess enrollment and completion outcomes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Specifies that the institutions of higher education that have to adopt a policy under the Act are institutions of higher education with an applicable program that offers at least one course for credit hours recommended for equivalency by a national higher education association that provides credit recommendations for firefighting training courses and programs. Requires the policy to be submitted by March 31, 2027 and by March 31 of each year thereafter for the policy that is effective in the subsequent fall semester (rather than by June 30, 2027 and before June 30 of each year thereafter). Provides that the policy shall be incorporated into the institution's credit for prior learning policies required to be submitted pursuant to the Credit for Prior Learning Act. Removes language requiring the Board of Higher Education to collect data in the Illinois Higher Education Information System on students who are firefighters to assess enrollment and completion outcomes.

New Act

30 ILCS 540/1 from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the amount of any and all draw amounts submitted and approved under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract of the amount of any and all draw amounts submitted and approved under the terms of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

**HOUSE FLOOR AMENDMENT NO. 3**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes the provisions that amended the State Prompt Payment Act. Provides that "retainage" does not include moneys withheld from grants to entities for capital improvements to non-State property. Provides that, if the contractor or subcontractor has displayed unsatisfactory performance on previous State agency projects resulting in a low performance score or suspension of prequalification, the State agency may apply retainage from the beginning of the project. Provides that, notwithstanding any other provision of law, if a State agency has not withheld retainage from a payment to a contractor on a project, then that contractor may not withhold retainage from a payment to a subcontractor for the same project. Provides that, if a State agency has withheld retainage from a contractor under the Act, then the contractor may withhold retainage from a payment to a subcontractor, but only to the extent that the amount retained from payment to the contractor by the State agency is attributable to a failure on the part of the subcontractor to make satisfactory progress with respect to the subcontractor's contractual obligations. Specifies that the Act's limitations on retainage from subcontracts apply only to subcontracts that are entered into on or after the Act's effective date of the Act in connection with a State construction contract that is subject to the Act. Effective July 1, 2026.

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides,

however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

**HOUSE FLOOR AMENDMENT NO. 3**

Replaces everything after the enacting clause with the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Changes the short title to the

Emergency Contact and Caregiver Advise, Record, and Enable Act. Makes changes to defined terms. Provides that, following the patient's admission into the hospital as an inpatient, a hospital shall provide each patient or, if applicable, the patient's legal representative with an opportunity to designate a caregiver following the patient's admission into the hospital as an inpatient and prior to the patient's discharge (rather than only prior to the patient's discharge) to the patient's residence or transfer to another facility. Requires a hospital, as soon as practicable, to notify the emergency contact of the patient's death (rather than notify a patient's emergency contact of the patient's death or if the patient's condition has become life threatening) if a patient has authorized the hospital to share protected health information with an emergency contact that is not the patient's legal representative and the patient's legal representative does not object. Limits the liability of hospitals who attempt to contact an emergency contact. Removes provisions concerning failure to contact the patient's emergency contact. Provides that, if a patient fails to authorize the hospital to share the patient's protected health information or revokes such authorization, the hospital may contact the emergency contact only as otherwise allowed by law. New Act

Creates the Protecting Illinois Native Landscapes Act. Provides that a unit of local government may not enact or enforce an ordinance or resolution that prohibits or unreasonably restricts an owner, authorized agent, or authorized occupant of privately owned residential land or a premises from allowing Illinois native species to voluntarily grow within the landscape or to install and maintain Illinois native species within a managed native landscape. Provides that native landscaping that may not be prohibited includes small or large areas of native landscaping in the front, back, or side yard or in areas that do not fit a standard definition of yard, such as areas on farms, rural properties, corporate campuses, school campuses, and large estates. Excludes from the scope of the Act an ordinance or resolution of a unit of local government that prohibits plants, trees, or other landscaping from interfering with public transportation, vehicular traffic, or driveway or entrance road sight lines or from crossing sidewalks or property boundaries. Limits the concurrent exercise of home rule powers.

In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning non-emergency transportation services for medical assistance recipients, removes a requirement that facilities complete a Physician Certification Statement prior to ordering non-emergency transportation services for a patient. Instead, requires the Department of Healthcare and Family Services to develop, subject to federal approval, a Uniform Non-Emergency Transportation Certification Form (form) for non-emergency transportation. Provides that the form shall be the only form used by and required of all facilities, physicians, transportation providers, and transportation brokers whenever a patient or person covered by the medical assistance program is being transported from a facility or personal residence and requires non-emergency transportation. Makes corresponding changes to the Nursing Home Care Act and the Hospital Licensing Act. Further amends the Medical Assistance Article with a provision authorizing transportation brokers to use a network of independent driver providers for the delivery of covered transportation services. Provides that transportation brokers and participating independent driver providers shall be subject to the same driver credentialing and licensing standards and provider registration requirements as transportation network companies (TNC) and TNC drivers enrolled in the Impact Medicaid Program Advanced Cloud Technology system. With respect to the Department's Business Enterprise Program requirements for Medicaid managed care organizations (MCO), requires each MCO to submit only one Letter of Intent that consolidates and sets forth all pending transportation services from all BEP-certified transportation providers contracted with the MCO. Requires the Department to permit a MCO's transportation broker to attest to the accuracy of all claims for services provided by a

contracted transportation provider.

725 ILCS 5/110-6.1 from Ch. 38, par. 110-6.1

Amends the Code of Criminal Procedure of 1963. Provides that upon verified petition by the State, the court shall hold a hearing and may deny a defendant pretrial release if: (1) the defendant is charged with a felony offense (rather than specified felonies) and it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case; (2) the defendant is charged with a felony offense (rather than specific felonies) and has a high likelihood of willful flight to avoid prosecution; or (3) the defendant has been convicted of 2 or more of the same felonies or misdemeanors and either: (i) it is alleged that the defendant's pretrial release poses a real and present threat to the safety of any person or persons or the community, based on the specific articulable facts of the case; or (ii) the defendant has a high likelihood of willful flight to avoid prosecution. Changes the State's burden of proof in a pretrial detention hearing seeking the defendant's detention from clear and convincing evidence to a preponderance of the evidence.

Amends the Criminal Code of 2012. Provides that upon failure to comply with any condition of pretrial release, the court having jurisdiction at the time of such failure may, on its own motion or upon motion from the State, issue a warrant (instead of a summons or a warrant) for the arrest of the person on pretrial release (instead of at liberty on pretrial

release). Provides that the contents of such a warrant shall be the same as required for an arrest warrant issued upon complaint. Provides that when a defendant is on pretrial release on a felony charge and fails to appear in court as directed, the court shall issue a warrant for the arrest of such person. Provides that such warrant shall be noted with a directive to peace officers to arrest the person and hold such person without bail and to deliver such person before the court for further proceedings. Provides that a defendant who is arrested or surrenders within 30 days of the issuance of such warrant shall not be released on pretrial conditions in the case in question unless the defendant shows by the preponderance of the evidence that the defendant's failure to appear was not intentional. Makes conforming changes. Removes provisions concerning that for the purpose of any risk assessment or future evaluation of risk of willful flight or risk of failure to appear, a nonappearance in court cured by an appearance in response to a summons shall not be considered as evidence of future likelihood of appearance in court.

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

## HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. Makes other changes to the bill.

225 ILCS 65/60-5  
 225 ILCS 65/60-10

Amends the Nurse Practice Act. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. In provisions concerning nursing licensure by examination, removes the provision regarding the good standing period for professional nursing programs on probationary status.

**HOUSE FLOOR AMENDMENT NO. 1**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Preclicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action.

Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

815 ILCS 505/2HHHH new

Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice for any seller of accident insurance or health insurance to solicit individuals who are residents of a nursing home or long-term care facility or individuals who are over the age of 65, unless the seller: (1) does not require a purchasing decision in the first communication to the potential enrollee; (2) advises the potential enrollee of the benefit of examining the potential enrollee's current insurance plan and discussing any changes with a family member, friend, or other advisor before making any decisions; (3) provides a phone number that may be called if the potential enrollee or the potential enrollee's family members, friends, or other advisors have any questions; and (4) allows the potential enrollee to opt out of any future communications with the seller. Provides that it is also an unlawful practice for any seller or provider of accident insurance or health insurance to enter into or amend an insurance policy with a person who: (1) is over the age of 65 and who has executed a power of attorney to give another person authority over medical decisions; or (2) has a medical condition, such as dementia, that would reduce the person's capacity to make informed decisions independently. Provides that the provision does not apply to a new insurance policy or an amendment to an insurance policy that is agreed to by a person with a lawfully executed power of attorney relating to the enrollee or potential enrollee's health or financial matters.

Provides that if, after a hearing, the Director of Insurance determines that a person has violated either of these prohibitions, then the Director may declare void and unenforceable any agreement or policy of insurance solicited, entered into, or amended as a result of that violation. Amends the Consumer Fraud and Deceptive Business Practices Act. Makes it an unlawful practice for a nursing home or long-term care facility to make substantive changes likely to be disruptive to a resident or move a resident's place of living without prior approval from a family member, guardian, or power of attorney of the resident if the resident suffers from dementia or suffers from a medical condition that reduces the resident's capacity to make informed decisions independently.

70 ILCS 755/1

Amends the Beardstown Regional Flood Prevention District Act. Makes a technical change in a Section concerning the short title.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

- 70 ILCS 755/1
- Adds reference to:
  - 70 ILCS 2005/2 from Ch. 85, par. 6852
  - 70 ILCS 2005/3 from Ch. 85, par. 6853
  - 70 ILCS 2005/8 from Ch. 85, par. 6858

Replaces everything after the enacting clause. Amends the Emergency Services Districts Act. Provides that, if a fire protection district provides ambulance service, then an emergency services district formed and operated solely to provide ambulance service may be formed in part or in whole within that fire protection district as long as (i) the board of trustees of the fire protection district adopts a resolution to cease its tax levy for emergency ambulance service under specified provisions of the Fire Protection District Act and (ii) the emergency services district is operating an ambulance service that serves the portion of the emergency services district located in the fire protection district. In provisions concerning the notice of a petition to form an emergency services district, provides that the notice shall be published at least once each week for 2 successive weeks (rather than 2 weeks) in one or more newspapers of general circulation in the proposed district. Provides that, if there is no newspaper of general circulation in the proposed district, then a copy of the notice shall be posted in at least 10 of the most public places in the proposed district at least 10 days before the hearing (rather than requiring a copy of the notice to be posted in at least 10 of the most public places in the proposed district at least 10 days before the hearing in all circumstances). Provides that the hearing shall be held at a time that allows a referendum to create the proposed district to appear on the ballot of the next general election. Removes provisions requiring the boundaries of the proposed district to be fixed by the court at the hearing. Removes language requiring the hearing to be held within 20 days after the petition is filed with the circuit clerk. Provides that the board of trustees of an emergency services district may, among other things, provide ambulance services to the emergency services district; borrow money; mortgage, pledge, or grant a security interest in any real or personal property of the district; and buy, sell, and own real estate for the purpose associated with the operation of the emergency services district.

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act.

In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". Provides that a notice on a physical display shall be displayed on a placard and a notice displayed online shall be displayed in the form of a message on the farm's online sales interface at the point of sale.

In provisions regarding the electric vehicle rebate, provides that, beginning July 1, 2022, each eligible applicant shall be eligible to apply for a rebate (rather than beginning July 1, 2026, each income-eligible person shall be eligible to apply for a rebate). Deletes provisions requiring the Environmental Protection Agency to establish one rebate application cycle for each State fiscal year, with other requirements. Provides that, beginning July 1, 2025 (rather than 2026), there shall be a \$2,000 rebate for eligible applicants and that low-income applicants are eligible for an additional \$2,000 rebate for new or used vehicles (rather than \$2,000 rebate for new vehicles or \$1,500 for used vehicles). Requires a purchaser to purchase an electric vehicle in Illinois on or after July 1, 2022 (rather than July 1, 2026). Reinserts stricken provisions that require a purchaser to apply for the rebate within 180 (rather than 90) days, with certain other requirements. Requires a purchaser to apply for the rebate during an open rebate cycle and certify that the purchaser qualifies as an eligible applicant and a low-income applicant, if applicable. Provides that, for program auditing purposes, the Agency may request from a rebate recipient certain information for a rebate issued on or after July 1, 2025, and that the rebate recipient may be required to reimburse all or part of the rebate amount in certain circumstances. Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.
