1 AMENDMENT TO HOUSE BILL 1360

2 AMENDMENT NO. _____. Amend House Bill 1360 on page 6,
3 immediately below line 20, by inserting the following:

4 "Nothing in this Section prohibits a group or individual
5 policy of accident and health insurance or managed care plan,
6 by contract, written policy, procedure, or any other agreement
7 or course of conduct, from requiring a pharmacist to effect
8 substitutions of prescription drugs consistent with Section
9 19.5 of the Pharmacy Practice Act, under which a pharmacist
10 may substitute an interchangeable biologic for a prescribed
11 biologic product, and Section 25 of the Pharmacy Practice Act,
12 under which a pharmacist may select a generic drug determined
13 to be therapeutically equivalent by the United States Food and
14 Drug Administration and in accordance with the Illinois Food,
15 Drug and Cosmetic Act."
