17 manner in which the pharmacy benefit manager has conducted
18 business on behalf of a health insurer or plan sponsor, then,
19 unless the health insurer or plan sponsor is included in the
20 examination and has been afforded the same opportunity to
21 request or participate in a hearing on the examination report,
22 the examination report shall not allege a violation by the
23 health insurer or plan sponsor and the Director's order based
24 on the report shall not impose any requirements, prohibitions,
25 or penalties on the health insurer or plan sponsor. Nothing in

1 this Section shall prevent the Director from using any
2 information obtained during the examination of an
3 administrator to examine, investigate, or take other
4 appropriate regulatory or legal action with respect to a
5 health insurer or plan sponsor.

6 (b) The examination requirement for the pharmacy benefit
7 manager to provide convenient and free access to all books and

11 Section 25. The Illinois Public Aid Code is amended by
12 changing Sections 5-5.12b and 5-36 as follows:

13 (305 ILCS 5/5-5.12b)

14 Sec. 5-5.12b. Critical access care pharmacy program.

15 (a) As used in this Section:

16 "Critical access care pharmacy" means an Illinois-based
17 brick and mortar retail pharmacy ~~that is~~ located in Illinois
18 that is owned by a person or entity with an ownership or
19 control interest in a county with fewer than 50,000 residents
20 ~~and that owns~~ fewer than 10 pharmacies, is either located in a
21 county with fewer than 50,000 residents or in a county with
22 50,000 or more residents and in an area within Illinois that is
23 designated as a Medically Underserved Area by the Health
24 Resources and Services Administration, an agency of the U.S.

1 Department of Health and Human Services and has attested and
2 been approved by the Department for participation in the
3 critical access care pharmacy program.

4 "Critical access care pharmacy program payment" means the
5 number of individual prescriptions a critical access care
6 pharmacy fills during that quarter multiplied by the lesser of
7 the individual payment amount or the dispensing reimbursement
8 rate made by the Department under the medical assistance
9 program as of April 1, 2018.

10 "Individual payment amount" means the dividend of 1/4 of
11 the annual amount appropriated for the critical access care
12 pharmacy program by the number of prescriptions filled by all
13 critical access care pharmacies reimbursed by Medicaid managed
14 care organizations that quarter.

15 "Ownership or control interest" has the meaning given to
16 "person with an ownership or control interest" in 42 CFR
17 455.101.

18 (b) Subject to appropriations and federal approval, the
19 Department shall establish a critical access care pharmacy
20 program to ensure the sustainability of critical access
21 pharmacies throughout the State of Illinois.

22 (c) The critical access care pharmacy program disbursed by
23 the managed care plans shall not exceed \$45,000,000
24 ~~\$10,000,000~~ annually and individual payment amounts per
25 prescription shall not exceed the brand name dispensing rate
26 that the Department would have reimbursed to a critical access

1 care pharmacy under the Medical Assistance Program as of July
2 1, 2024 ~~April 1, 2018~~.

3 (c-5) 340B pharmacies that are participants in the
4 critical access care pharmacy program shall only be reimbursed
5 for the actual acquisition costs of the 340B covered drugs
6 dispensed to participants in the State's medical assistance
7 program as defined in the Illinois Public Aid Code.

8 (d) Annually, beginning January 1, 2026 ~~Quarterly~~, the
9 Department shall determine the number of prescriptions filled
10 by critical access care pharmacies reimbursed by Medicaid
11 managed care organizations utilizing encounter data available
12 to the Department. The Department shall determine the
13 individual payment amount per prescription by dividing 1/4 of
14 the annual amount appropriated for the critical access care
15 pharmacy program by the number of prescriptions filled by all
16 critical access care pharmacies reimbursed by Medicaid managed
17 care organizations that quarter. If the individual payment
18 amount per prescription as calculated using quarterly
19 prescription amounts exceeds the reimbursement rate under the
20 medical assistance program as of April 1, 2018, then the
21 individual payment amount per prescription shall be the
22 dispensing reimbursement rate under the medical assistance
23 program as of April 1, 2018.

24 (e) Quarterly, the Department shall distribute to critical
25 access care pharmacies a critical access care pharmacy program
26 payment. The first payment shall be calculated utilizing the

1 encounter data from the last quarter of State fiscal year
2 2018. This payment shall sunset on December 31, 2025.

3 (f) Effective January 1, 2026, the Department shall issue
4 a quarterly directed critical access care pharmacy program
5 payment to critical access care pharmacies for any
6 prescription drug dispensed to a managed care client.

7 (g) ~~(f)~~ The Department may adopt rules necessary to
8 implement this Section. The rules may include, but are not
9 limited to, permitting an Illinois-based brick and mortar
10 pharmacy that owns fewer than 10 pharmacies to receive
11 critical access care pharmacy program payments in the same
12 manner as a critical access care pharmacy, regardless of
13 whether the pharmacy meets the other requirements of a
14 critical access care pharmacy in subsection (a) ~~is located in~~
15 ~~a county with a population of less than 50,000.~~

20 third party on a fee-for-service reimbursement model for the
21 purpose of administering pharmacy benefits as provided in this
22 Section for members not enrolled in a Medicaid managed care
23 organization; however, these services shall be approved by the
24 Department. The Department shall ensure coordination of care
25 between the third-party administrator and managed care

19 outpatient pharmacy services provided by a health care
20 facility registered as a covered entity pursuant to 42 U.S.C.

11 the Illinois Insurance Code to the extent that the provisions
12 do not prevent the application of any provision of this
13 Article or applicable federal law. Nothing in this Section
14 shall be construed to limit the authority of the Illinois
15 Department or the Inspector General to administer or enforce
16 any provisions of this Section or any other Section in the
17 Illinois Public Aid Code related to pharmacy benefit managers
18 or Medicaid managed care entity.

19 (c) On at least an annual basis, the Director of the
20 Department of Healthcare and Family Services shall submit a
21 report beginning no later than one year after January 1, 2020
22 (the effective date of Public Act 101-452) that provides an
23 update on any contract, contract issues, formulary, dispensing
24 fees, and maximum allowable cost concerns regarding a
25 third-party administrator and managed care. The requirement
26 for reporting to the General Assembly shall be satisfied by

1 filing copies of the report with the Speaker, the Minority
2 Leader, and the Clerk of the House of Representatives and with
3 the President, the Minority Leader, and the Secretary of the
4 Senate. The Department shall take care that no proprietary
5 information is included in the report required under this
6 Section.

7 (d) (Blank). ~~A pharmacy benefit manager shall notify the~~
8 ~~Department in writing of any activity, policy, or practice of~~
9 ~~the pharmacy benefit manager that directly or indirectly~~
10 ~~presents a conflict of interest that interferes with the~~

15 340B entity or 340B pharmacy by treating a 340B entity or
16 340B pharmacy differently than non-340B entities or
17 non-340B pharmacies for any reason relating to the
18 entity's participation in the 340B drug discount program.

19 A provision that violates this subsection in any contract
20 between a Medicaid managed care organization or its pharmacy
21 benefit manager and a 340B entity entered into, amended, or
22 renewed after July 1, 2022 shall be void and unenforceable.

23 In this subsection (h-5):

24 "340B entity" means a covered entity as defined in 42

17 pharmacy benefit manager and the pharmacy benefit manager's
18 activities shall be subject to Article XXXIIB of the Illinois
19 Insurance Code and the authority of the Director of Insurance
20 to enforce those provisions. The provider shall have all the

18 Substance Abuse (now the Department of Human Services),
19 the Department of Corrections shall develop a master plan
20 for the screening and evaluation of persons committed to
21 its custody who have alcohol or drug abuse problems, and
22 for making appropriate treatment available to such
23 persons; the Department shall report to the General
24 Assembly on such plan not later than April 1, 1987. The
25 maintenance and implementation of such plan shall be
26 contingent upon the availability of funds.

1 (b-1) To create and implement, on January 1, 2002, a
2 pilot program to establish the effectiveness of

24 the Department of Central Management Services to enter
25 into an agreement of the type described in subsection (d)
26 of Section 405-300 of the Department of Central Management

1 Services Law. The Department shall designate those
2 institutions which shall constitute the State Penitentiary
3 System. The Department of Juvenile Justice shall maintain
4 and administer all State youth centers pursuant to

17 less than the time needed to retire any revenue bonds used
18 to finance the project, but not to exceed 40 years. The
19 lease may grant to the State the option to purchase the
20 structure outright.

21 Upon receipt of the bids, the Department may certify
22 one or more of the bids and shall submit any such bids to
23 the General Assembly for approval. Upon approval of a bid
24 by a constitutional majority of both houses of the General

26 Central Management Services may enter into an agreement

1 with the county or municipality pursuant to such bid.

7 request of the Department of Transportation, shall furnish
8 such prisoners at least annually for a period to be agreed
9 upon between the Director of Corrections and the Secretary
10 of Transportation. The prisoners used on this program
11 shall be selected by the Director of Corrections on
12 whatever basis he deems proper in consideration of their
13 term, behavior and earned eligibility to participate in
14 such program - where they will be outside of the prison
15 facility but still in the custody of the Department of
16 Corrections. Prisoners convicted of first degree murder,

13 papers, and may examine under oath any witnesses who may
14 appear before it; to also investigate alleged violations
15 of a parolee's or releasee's conditions of parole or
16 release; and for this purpose it may issue subpoenas and
17 compel the attendance of witnesses and the production of
18 documents only if there is reason to believe that such
19 procedures would provide evidence that such violations
20 have occurred.

21 If any person fails to obey a subpoena issued under
22 this subsection, the Director may apply to any circuit
23 court to secure compliance with the subpoena. The failure
24 to comply with the order of the court issued in response
25 thereto shall be punishable as contempt of court.

26 (i) To appoint and remove the chief administrative

1 officers, and administer programs of training and
2 development of personnel of the Department. Personnel

8 for those purposes, and shall have the full power of peace
9 officers outside of the facilities of the Department in
10 the protection, arrest, retaking, and reconfining of
11 committed persons or where the exercise of such power is
12 necessary to the investigation of such misconduct or

15 Juvenile Court Act of 1987 on aftercare release.

20 violators and committed persons who have violated the
21 rules governing their conduct while in work release. This
22 program shall not apply to those persons who have
23 committed a new offense while serving on parole or
24 mandatory supervised release or while committed to work
25 release.

26 Elements of the program shall include, but shall not

1 be limited to, the following:

11 Director, with the seal of the Department affixed. The

19 safeguard the minor's life or health, the contract with the
20 pharmacy benefit manager and the pharmacy benefit manager's

22 Insurance Code and the authority of the Director of Insurance
23 to enforce those provisions. The provider shall have all the
24 rights of a plan sponsor under those provisions.

25 (4) When the Department lets bids for contracts for food
26 or commissary services to be provided to Department

2 services provider that has obtained an irrevocable letter of
3 credit or performance bond issued by a company whose bonds
4 have an investment grade or higher rating by a bond rating
5 organization.

6 (5) On and after the date 6 months after August 16, 2013
7 (the effective date of Public Act 98-488), as provided in the
8 Executive Order 1 (2012) Implementation Act, all of the
9 powers, duties, rights, and responsibilities related to State
10 healthcare purchasing under this Code that were transferred

18 resident in facilities operated by the Department of Juvenile
19 Justice are transferred to the Department of Juvenile Justice.

20 (6) The Department of Corrections shall provide lactation
21 or nursing mothers rooms for personnel of the Department. The
22 rooms shall be provided in each facility of the Department
23 that employs nursing mothers. Each individual lactation room

17 Section 40. The County Jail Act is amended by changing
18 Section 17 as follows:

19 (730 ILCS 125/17) (from Ch. 75, par. 117)

20 Sec. 17. Bedding, clothing, fuel, and medical aid;
21 reimbursement for medical expenses. The Warden of the jail
22 shall furnish necessary bedding, clothing, fuel, and medical
23 services for all committed persons under his charge, and keep
24 an accurate account of the same. When services that result in

1 qualified medical expenses are required by any person held in
2 custody, the county, private hospital, physician or any public
3 agency which provides such services shall be entitled to
4 obtain reimbursement from the county for the cost of such
5 services. The county board of a county may adopt an ordinance
6 or resolution providing for reimbursement for the cost of
7 those services at the Department of Healthcare and Family
8 Services' rates for medical assistance. To the extent that
9 such person is reasonably able to pay for such care, including
10 reimbursement from any insurance program or from other medical
11 benefit programs available to such person, he or she shall
12 reimburse the county or arresting authority. If such person
13 has already been determined eligible for medical assistance
14 under the Illinois Public Aid Code at the time the person is
15 detained, the cost of such services, to the extent such cost
16 exceeds \$500, shall be reimbursed by the Department of
17 Healthcare and Family Services under that Code. A
18 reimbursement under any public or private program authorized
19 by this Section shall be paid to the county or arresting
20 authority to the same extent as would have been obtained had
21 the services been rendered in a non-custodial environment.

22 The sheriff or his or her designee may cause an
23 application for medical assistance under the Illinois Public
24 Aid Code to be completed for an arrestee who is a hospital
25 inpatient. If such arrestee is determined eligible, he or she
26 shall receive medical assistance under the Code for hospital

1 inpatient services only. An arresting authority shall be
2 responsible for any qualified medical expenses relating to the
3 arrestee until such time as the arrestee is placed in the
4 custody of the sheriff. However, the arresting authority shall
5 not be so responsible if the arrest was made pursuant to a
6 request by the sheriff. When medical expenses are required by
7 any person held in custody, the county shall be entitled to
8 obtain reimbursement from the County Jail Medical Costs Fund
9 to the extent moneys are available from the Fund. To the extent
10 that the person is reasonably able to pay for that care,
11 including reimbursement from any insurance program or from
12 other medical benefit programs available to the person, he or
13 she shall reimburse the county.

14 For the purposes of this Section, "arresting authority"
15 means a unit of local government, other than a county, which
16 employs peace officers and whose peace officers have made the
17 arrest of a person. For the purposes of this Section,
18 "qualified medical expenses" include medical and hospital
19 services but do not include (i) expenses incurred for medical
20 care or treatment provided to a person on account of a
21 self-inflicted injury incurred prior to or in the course of an
22 arrest, (ii) expenses incurred for medical care or treatment
23 provided to a person on account of a health condition of that
24 person which existed prior to the time of his or her arrest, or
25 (iii) expenses for hospital inpatient services for arrestees
26 enrolled for medical assistance under the Illinois Public Aid

1 Code.

2 If a jail or a unit of local government operating the jail
3 has a contract with a pharmacy benefit manager or a contract
4 with an insurance company, health maintenance organization,
5 limited health service organization, administrative services
6 organization, or any other managed care organization or health
7 insurance issuer where a pharmacy benefit manager administers
8 coverage of, payment for, or formulary design for drugs
9 necessary to safeguard the life or health of any person in
10 custody, that contract and the pharmacy benefit manager's
11 activities shall be subject to Article XXXIIB of the Illinois
12 Insurance Code and the authority of the Director of Insurance
13 to enforce those provisions. The jail or unit of local
14 government shall have all the rights of a plan sponsor under
15 those provisions.

17 Section 99. Effective date. This Act takes effect on
18 January 1, 2026, except that this Section, Section 10, and the
19 changes to Sections 513b2 and 513b3 of the Illinois Insurance
20 Code take effect upon becoming law.
