

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

HB2398

Introduced 2/4/2025, by Rep. Lindsey LaPointe

SYNOPSIS AS INTRODUCED:

305 ILCS 5/5-5.12f

Amends the Medical Assistance Article of the Illinois Public Aid Code. In a provision prohibiting prior authorization mandates and utilization management controls under the fee-for-service and managed care medical assistance programs for FDA-approved prescription drugs that treat mental illness, requires the Department of Healthcare and Family Services and managed care organizations to report quarterly on compliance with the specified prohibitions beginning with dates of service on and after July 1, 2025. Requires the Department to post on its website a report on fee-for-service prescriptions and the reports from each managed care organization. Sets forth the information that must be contained in the quarterly reports, including, but not limited to: (i) the number of denied prescriptions and estimated net cost to the State for those covered prescriptions summarized by each of the allowed categories specified in the Code; (ii) the number of denied prescriptions and estimated net cost to the State for those prescriptions summarized by each of the non-allowed categories specified in the Code; and (iii) the number of denied prescriptions and estimated gross cost to the State for those prescriptions summarized by any other reason not specified in the Code. Requires the Department to sanction those managed care organizations that do not file the required reports. Effective immediately.

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Public Aid Code is amended by
5 changing Section 5-5.12f as follows:

6 (305 ILCS 5/5-5.12f)

7 Sec. 5-5.12f. Prescription drugs for mental illness; no
8 utilization or prior approval mandates.

9 (a) Notwithstanding any other provision of this Code to
10 the contrary, except as otherwise provided in subsection (b),
11 for the purpose of removing barriers to the timely treatment
12 of serious mental illnesses, prior authorization mandates and
13 utilization management controls shall not be imposed under the
14 fee-for-service and managed care medical assistance programs
15 on any FDA-approved prescription drug that is recognized by a
16 generally accepted standard medical reference as effective in
17 the treatment of conditions specified in the most recent
18 Diagnostic and Statistical Manual of Mental Disorders
19 published by the American Psychiatric Association if a
20 preferred or non-preferred drug is prescribed to an adult
21 patient to treat serious mental illness and one of the
22 following applies:

23 (1) the patient has changed providers, including, but

1 not limited to, a change from an inpatient to an
2 outpatient provider, and is stable on the drug that has
3 been previously prescribed, and received prior
4 authorization, if required;

5 (2) the patient has changed insurance coverage and is
6 stable on the drug that has been previously prescribed and
7 received prior authorization under the previous source of
8 coverage; or

9 (3) subject to federal law on maximum dosage limits
10 and safety edits adopted by the Department's Drug and
11 Therapeutics Board, including those safety edits and
12 limits needed to comply with federal requirements
13 contained in 42 CFR 456.703, the patient has previously
14 been prescribed and obtained prior authorization for the
15 drug and the prescription modifies the dosage, dosage
16 frequency, or both, of the drug as part of the same
17 treatment for which the drug was previously prescribed.

18 (b) The following safety edits shall be permitted for
19 prescription drugs covered under this Section:

20 (1) clinically appropriate drug utilization review
21 (DUR) edits, including, but not limited to, drug-to-drug,
22 drug-age, and drug-dose;

23 (2) generic drug substitution if a generic drug is
24 available for the prescribed medication in the same dosage
25 and formulation; and

26 (3) any utilization management control that is

1 necessary for the Department to comply with any current
2 consent decrees or federal waivers.

3 (c) As used in this Section, "serious mental illness"
4 means any one or more of the following diagnoses and
5 International Classification of Diseases, Tenth Revision,
6 Clinical Modification (ICD-10-CM) codes listed by the
7 Department of Human Services' Division of Mental Health, as
8 amended, on its official website:

10 this Section shall not be construed to conflict with Section
11 1927(a)(1) and (b)(1)(A) of the federal Social Security Act
12 and any implementing regulations and agreements.

13 (e) The Department and all managed care organizations are
14 required to report quarterly on compliance with the conditions
15 of this Section beginning with dates of service on and after
16 July 1, 2025. Reports are due 60 calendar days after the end of
17 the quarter to be reported. For example, for dates of services
18 occurring in the quarter ending September 30, 2025, reports
19 are due November 29, 2025. The Department may delay the due
20 date until the next business day if it falls on a
21 State-recognized holiday or a weekend. The Department must
22 post on its website a report on fee-for-service prescriptions
23 and the reports from each managed care organization. For all
24 prescription drugs described in subsection (a), the following
25 information must be reported:

26 (1) The number of denied prescriptions and estimated

1 net cost to the State for those prescriptions summarized
2 by each of the allowed categories specified in subsection
3 (b). This paragraph shall include the number of prior
4 authorization denials and step therapy exception requests.

5 (2) The number of denied prescriptions and estimated
6 net cost to the State for those prescriptions summarized
7 by each of the non-allowed categories specified in
8 subsection (a). This paragraph shall include the number of
9 prior authorization denials and step therapy exception
10 requests.

11 (3) The number of denied prescriptions and estimated
12 gross cost to the State for those prescriptions summarized
13 by any other reason not specified in subsection (a) or
14 (b). This paragraph shall include the number of prior
15 authorization denials, step therapy exception requests,
16 number of step edits for each medication, and any rebate
17 revenue associated with those prescriptions.

18 (4) The number of approved and paid prescriptions and
19 net cost to the State for those prescriptions summarized
20 by any other reason not specified in subsection (a) or
21 (b). This paragraph shall include the number of prior
22 authorization denials, step therapy exception requests,
23 number of step edits for each medication, and any rebate
24 revenue associated with those prescriptions.

25 (5) The number of complaints filed concerning denials
26 for prescriptions which meet the conditions specified in

1 subsection (a). This paragraph shall include the number of
2 prior authorization denials and step therapy exception
3 requests.

4 (6) The number of people using emergency room services
5 based on categories specified in subsection (c).

6 (7) The number of people who are admitted into the
7 hospital and hospital readmissions (7 or 30 days post
8 release) based on categories specified in subsection (c)
9 and the cost of care while receiving treatment.

10 The Department shall sanction managed care organizations
11 that do not file reports mandated by this subsection.
