6 (105 ILCS 5/2-3.169)

7 Sec. 2-3.169. State Global Scholar Certification.

8 (a) The State Global Scholar Certification Program is
9 established to recognize ~~recognized~~ public and nonpublic high
10 school graduates who have attained global competence. State
11 Global Scholar Certification shall be awarded beginning with
12 the 2017-2018 school year. School district or nonpublic school
13 participation in this certification is voluntary.

14 (b) The purposes of State Global Scholar Certification are
15 as follows:

16 (1) To recognize the value of a global education.

17 (2) To certify attainment of global competence.

18 (3) To provide employers with a method of identifying
19 globally competent employees.

21 additional method to recognize applicants seeking
22 admission.

23 (5) To prepare students with 21st century skills.

1 (6) To encourage the development of a globally ready

3 and mathematics), manufacturing, agriculture, and service
4 sectors.

5 (c) State Global Scholar Certification confirms attainment
6 of global competence, sufficient for meaningful use in college
7 and a career, by a graduating public or nonpublic high school
8 student.

9 (d) The State Board of Education shall adopt such rules as
10 may be necessary to establish the criteria that students must
11 achieve to earn State Global Scholar Certification, which
12 shall minimally include attainment of 6 globally focused
13 courses, service learning experiences, global collaboration or
14 dialogue, and passage of a capstone project demonstrating
15 global competency, as approved by the participating school
16 district or nonpublic school for this purpose.

17 (e) The State Board of Education shall do both of the
18 following:

24 are designated as and qualify as globally focused coursework.

25 If the provider of the online course, micro-credential, or
26 digital badge determines and can demonstrate that a student

1 meets all of the criteria required to earn State Global
2 Scholar Certification, then the school district or nonpublic
3 school shall designate that the student has earned State
4 Global Scholar Certification on the student's diploma and
5 transcript.

6 A school district or nonpublic school shall provide, upon
7 the request of a student, evidence to the student that the
8 student has completed at least 6 globally focused courses
