

HB3598

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

HB3598

Introduced 2/18/2025, by Rep. Jackie Haas

SYNOPSIS AS INTRODUCED:

625 ILCS 5/12-205.1

from Ch. 95 1/2, par. 12-205.1

Amends the Illinois Vehicle Code. Prohibits an animal drawn vehicle, farm tractor, implement of husbandry, or special mobile equipment from operating on a public roadway in the State with a corn head attachment affixed to the animal drawn vehicle, farm tractor, implement of husbandry, or special mobile equipment.

LRB104 08901 LNS 18956 b

A BILL FOR

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Vehicle Code is amended by
5 changing Section 12-205.1 as follows:

6 (625 ILCS 5/12-205.1) (from Ch. 95 1/2, par. 12-205.1)

7 Sec. 12-205.1. Implements of husbandry or slow-moving
8 vehicles; display ~~Display~~ of amber signal lamp; corn head
9 attachment. Every animal drawn vehicle, farm tractor,
10 implement of husbandry, and special mobile equipment, except
11 when used for road construction or maintenance within the
12 limits of a construction or maintenance project where traffic
13 control devices are used in compliance with the applicable
14 provisions of the manual and specifications adopted under
15 Section 11-301 ~~of the Illinois Vehicle Code~~, when operated on
16 a highway during a time when lighted lamps are required by
17 Section 12-201 of this Chapter, shall display to the rear at
18 least one flashing amber signal lamp mounted as high as
19 practicable and of sufficient intensity to be visible for a
20 distance of at least 500 feet in normal sunlight; provided,
21 that only the rearmost vehicle of a combination of vehicles
22 coupled together need display such lamp. The flashing amber
23 signal lamp may be operated lighted during daylight hours when

1 other lamps are not required to be lighted when vehicles
2 authorized in this Section are operated on a highway.
3 Implements of husbandry manufactured on or after January 1,
4 2003 and operated on public roads between sunset and sunrise
5 shall display markings and lighting that meet or exceed the
6 design, performance, and mounting specifications adopted by
7 the American Society of Agricultural Engineers and published
8 by that body as ASAE S279.11 APR01.

9 No animal drawn vehicle, farm tractor, implement of
10 husbandry, or special mobile equipment shall operate on a
11 public roadway in this State with a corn head attachment
12 affixed to the animal drawn vehicle, farm tractor, implement
13 of husbandry, or special mobile equipment.
