

## 104TH GENERAL ASSEMBLY

### State of Illinois

2025 and 2026

HB3669

Introduced 2/18/2025, by Rep. Kimberly Du Buclet

#### SYNOPSIS AS INTRODUCED:

410 ILCS 240/4 new

Amends the Newborn Metabolic Screening Act. Requires the Department of Public Health to adopt rules requiring that every newborn be subjected to tests for each condition listed on the Recommended Uniform Screening Panel (RUSP) within 3 years of a condition being added to the RUSP. Requires the Department to submit an annual report to the Governor and the General Assembly on or before January 1 of each year that covers the implementation of this testing, including timelines and required funding.

LRB104 08120 BDA 18166 b

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Newborn Metabolic Screening Act is amended  
5 by adding Section 4 as follows:

6 (410 ILCS 240/4 new)

7 Sec. 4. Recommended Uniform Screening Panel.

8 (a) The Department shall adopt rules requiring that every  
9 newborn be subjected to tests for each condition listed on the  
10 Recommended Uniform Screening Panel (RUSP) developed by the  
11 Secretary of the United States Department of Health and Human  
12 Services and the Advisory Committee on Heritable Disorders of  
13 Newborns and Children within 3 years of a condition being  
14 added to the RUSP.

15 (b) The Department shall submit an annual report to the  
16 Governor and the General Assembly on or before January 1 of  
17 each year that covers (i) the implementation of the testing  
18 required under this Section, (ii) any timelines for  
19 implementation of future testing required under this Section,  
20 and (iii) any resources or funding required for the  
21 implementation of the testing required under this Section.
