1 AMENDMENT TO HOUSE BILL 3752

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 3752 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Nurse Practice Act is amended by adding  
5 Section 50-80 as follows:

6 (225 ILCS 65/50-80 new)

7 Sec. 50-80. Regulation of delegation in kidney disease  
8 treatment centers.

9 (a) Notwithstanding any provision of this Act or rule of  
10 the Department to the contrary, an individual working in a  
11 kidney disease treatment center as described in subsection (5)  
12 of Section 3 of the Illinois Health Facilities Planning Act  
13 shall be considered a licensed individual for the purposes of  
14 delegation under Section 50-75 of this Act. A person working  
15 to acquire the experience necessary to obtain certification  
16 under subsection (b) of this Section may practice in

1 accordance with this Section for a period of no more than 18  
2 months if the person's practice is in compliance with the  
3 experience standards set forth by the entities listed in  
4 subsection (b).

5 (b) Notwithstanding any provision of this Act or rule of  
6 the Department to the contrary, delegation under this Section,  
7 including, but not limited to, delegation of the performance  
8 of central venous catheter procedures in a kidney disease  
9 treatment center as described in subsection (5) of Section 3  
10 of the Illinois Health Facilities Planning Act (including  
11 providing dialysis through venous catheters, initiating and  
12 terminating dialysis via such catheters, connecting and  
13 disconnecting central venous catheter lines, and maintaining  
14 central venous catheters through dressing changes and other  
15 care), shall only be allowed if the individual receiving  
16 delegation is a licensed practical nurse or currently holds,  
17 or is in the process of acquiring, the necessary experience to  
18 apply for and obtain one of the following certifications:

19 (1) Certified Clinical Hemodialysis Technician by the  
20 Nephrology Nursing Certification Commission; or

21 (2) Certified Hemodialysis Technologist/Technician by  
22 the Board of Nephrology Examiners Nursing and Technology.

23 (c) Notwithstanding any provision of this Act or rule of  
24 the Department to the contrary, delegation under this Section  
25 shall not include medication administration except for the  
26 administration of heparin and saline for the purposes of

1 performing dialysis treatments and flushing lines and the  
2 application of topical anesthetics. All patient care provided  
3 by a certified dialysis technician practicing under this  
4 Section shall be under the direct and immediate on-site  
5 supervision of a licensed physician, advanced practice  
6 registered nurse, physician assistant, or registered nurse.

7 (d) Delegation under this Section shall comply with any  
8 rules adopted under the Illinois Health Facilities Planning  
9 Act and any other Illinois statute or rule regarding the  
10 operation of a kidney disease treatment center as described by  
11 this Section.

12 (e) Nothing in this Section shall be construed to apply to  
13 any other facility or practice setting. This Section shall not  
14 be construed as granting a license under this Act and shall not  
15 allow individuals receiving delegation under this Section to  
16 use any title regulated by this Act.

17 Section 99. Effective date. This Act takes effect upon  
18 becoming law."
