A BILL FOR

1 AN ACT concerning revenue.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Property Tax Code is amended by changing  
5 Section 15-170 as follows:

6 (35 ILCS 200/15-170)

7 Sec. 15-170. Senior citizens homestead exemption.

8 (a) An annual homestead exemption limited, except as  
9 described here with relation to cooperatives or life care  
10 facilities, to a maximum reduction set forth below from the  
11 property's value, as equalized or assessed by the Department,  
12 is granted for property that is occupied as a residence by a  
13 person 65 years of age or older who is liable for paying real  
14 estate taxes on the property and is an owner of record of the  
15 property or has a legal or equitable interest therein as  
16 evidenced by a written instrument, except for a leasehold  
17 interest, other than a leasehold interest of land on which a  
18 single family residence is located, which is occupied as a  
19 residence by a person 65 years or older who has an ownership  
20 interest therein, legal, equitable or as a lessee, and on  
21 which he or she is liable for the payment of property taxes.  
22 Before taxable year 2004, the maximum reduction shall be  
23 \$2,500 in counties with 3,000,000 or more inhabitants and

1     \$2,000 in all other counties. For taxable years 2004 through  
2     2005, the maximum reduction shall be \$3,000 in all counties.  
3     For taxable years 2006 and 2007, the maximum reduction shall  
4     be \$3,500. For taxable years 2008 through 2011, the maximum  
5     reduction is \$4,000 in all counties. For taxable year 2012,  
6     the maximum reduction is \$5,000 in counties with 3,000,000 or  
7     more inhabitants and \$4,000 in all other counties. For taxable  
8     years 2013 through 2016, the maximum reduction is \$5,000 in  
9     all counties. For taxable years 2017 through 2022, the maximum  
10    reduction is \$8,000 in counties with 3,000,000 or more  
11    inhabitants and \$5,000 in all other counties. For taxable  
12    years 2023 and thereafter, the maximum reduction is \$8,000 in  
13    counties with 3,000,000 or more inhabitants and counties that  
14    are contiguous to a county of 3,000,000 or more inhabitants  
15    and \$5,000 in all other counties.

16       (b) For land improved with an apartment building owned and  
17    operated as a cooperative, the maximum reduction from the  
18    value of the property, as equalized by the Department, shall  
19    be multiplied by the number of apartments or units occupied by  
20    a person 65 years of age or older who is liable, by contract  
21    with the owner or owners of record, for paying property taxes  
22    on the property and is an owner of record of a legal or  
23    equitable interest in the cooperative apartment building,  
24    other than a leasehold interest. For land improved with a life  
25    care facility, the maximum reduction from the value of the  
26    property, as equalized by the Department, shall be multiplied

1 by the number of apartments or units occupied by persons 65  
2 years of age or older, irrespective of any legal, equitable,  
3 or leasehold interest in the facility, who are liable, under a  
4 contract with the owner or owners of record of the facility,  
5 for paying property taxes on the property. In a cooperative or  
6 a life care facility where a homestead exemption has been  
7 granted, the cooperative association or the management firm of  
8 the cooperative or facility shall credit the savings resulting  
9 from that exemption only to the apportioned tax liability of  
10 the owner or resident who qualified for the exemption. Any  
11 person who willfully refuses to so credit the savings shall be  
12 guilty of a Class B misdemeanor. Under this Section and  
13 Sections 15-175, 15-176, and 15-177, "life care facility"  
14 means a facility, as defined in Section 2 of the Life Care  
15 Facilities Act, with which the applicant for the homestead  
16 exemption has a life care contract as defined in that Act.

17 (c) When a homestead exemption has been granted under this  
18 Section and the person qualifying subsequently becomes a  
19 resident of a facility licensed under the Assisted Living and  
20 Shared Housing Act, the Nursing Home Care Act, the Specialized  
21 Mental Health Rehabilitation Act of 2013, the ID/DD Community  
22 Care Act, or the MC/DD Act, the exemption shall continue so  
23 long as the residence continues to be occupied by the  
24 qualifying person's spouse if the spouse is 65 years of age or  
25 older, or if the residence remains unoccupied but is still  
26 owned by the person qualified for the homestead exemption.

1           (d) A person who will be 65 years of age during the current  
2           assessment year shall be eligible to apply for the homestead  
3           exemption during that assessment year. A person may apply for  
4           the homestead exemption under this Section if the person is 64  
5           years of age or older, as long as the person will be 65 years  
6           of age during the assessment year for which the exemption is  
7           sought. Application shall be made during the application  
8           period in effect for the county of his residence.

9           (e) Beginning with assessment year 2003, for taxes payable  
10          in 2004, property that is first occupied as a residence after  
11          January 1 of any assessment year by a person who is eligible  
12          for the senior citizens homestead exemption under this Section  
13          must be granted a pro-rata exemption for the assessment year.  
14          The amount of the pro-rata exemption is the exemption allowed  
15          in the county under this Section divided by 365 and multiplied  
16          by the number of days during the assessment year the property  
17          is occupied as a residence by a person eligible for the  
18          exemption under this Section. The chief county assessment  
19          officer must adopt reasonable procedures to establish  
20          eligibility for this pro-rata exemption.

21          (f) The assessor or chief county assessment officer may  
22          determine the eligibility of a life care facility to receive  
23          the benefits provided by this Section, by affidavit,  
24          application, visual inspection, questionnaire or other  
25          reasonable methods in order to ensure that the tax savings  
26          resulting from the exemption are credited by the management

1 firm to the apportioned tax liability of each qualifying  
2 resident. The assessor may request reasonable proof that the  
3 management firm has so credited the exemption.

4 (g) The chief county assessment officer of each county  
5 with less than 3,000,000 inhabitants shall provide to each  
6 person allowed a homestead exemption under this Section a form  
7 to designate any other person to receive a duplicate of any  
8 notice of delinquency in the payment of taxes assessed and  
9 levied under this Code on the property of the person receiving  
10 the exemption. The duplicate notice shall be in addition to  
11 the notice required to be provided to the person receiving the  
12 exemption, and shall be given in the manner required by this  
13 Code. The person filing the request for the duplicate notice  
14 shall pay a fee of \$5 to cover administrative costs to the  
15 supervisor of assessments, who shall then file the executed  
16 designation with the county collector. Notwithstanding any  
17 other provision of this Code to the contrary, the filing of  
18 such an executed designation requires the county collector to  
19 provide duplicate notices as indicated by the designation. A  
20 designation may be rescinded by the person who executed such  
21 designation at any time, in the manner and form required by the  
22 chief county assessment officer.

23 (h) The assessor or chief county assessment officer may  
24 determine the eligibility of residential property to receive  
25 the homestead exemption provided by this Section by  
26 application, visual inspection, questionnaire or other

1 reasonable methods. The determination shall be made in  
2 accordance with guidelines established by the Department.

3 (i) In counties with 3,000,000 or more inhabitants, for  
4 taxable years 2010 through 2018, each taxpayer who has been  
5 granted an exemption under this Section must reapply on an  
6 annual basis.

7 If a reapplication is required, then the chief county  
8 assessment officer shall mail the application to the taxpayer  
9 at least 60 days prior to the last day of the application  
10 period for the county.

11 For taxable years 2019 and thereafter, in counties with  
12 3,000,000 or more inhabitants, a taxpayer who has been granted  
13 an exemption under this Section need not reapply. However, if  
14 the property ceases to be qualified for the exemption under  
15 this Section in any year for which a reapplication is not  
16 required under this Section, then the owner of record of the  
17 property shall notify the chief county assessment officer that  
18 the property is no longer qualified. In addition, for taxable  
19 years 2019 and thereafter, the chief county assessment officer  
20 of a county with 3,000,000 or more inhabitants shall enter  
21 into an intergovernmental agreement with the county clerk of  
22 that county and the Department of Public Health, as well as any  
23 other appropriate governmental agency, to obtain information  
24 that documents the death of a taxpayer who has been granted an  
25 exemption under this Section. Notwithstanding any other  
26 provision of law, the county clerk and the Department of

1 Public Health shall provide that information to the chief  
2 county assessment officer. The Department of Public Health  
3 shall supply this information no less frequently than every  
4 calendar quarter. Information concerning the death of a  
5 taxpayer may be shared with the county treasurer. The chief  
6 county assessment officer shall also enter into a data  
7 exchange agreement with the Social Security Administration or  
8 its agent to obtain access to the information regarding deaths  
9 in possession of the Social Security Administration. The chief  
10 county assessment officer shall, subject to the notice  
11 requirements under subsection (m) of Section 9-275, terminate  
12 the exemption under this Section if the information obtained  
13 indicates that the property is no longer qualified for the  
14 exemption. In counties with 3,000,000 or more inhabitants, the  
15 assessor and the county clerk shall establish policies and  
16 practices for the regular exchange of information for the  
17 purpose of alerting the assessor whenever the transfer of  
18 ownership of any property receiving an exemption under this  
19 Section has occurred. When such a transfer occurs, the  
20 assessor shall mail a notice to the new owner of the property  
21 (i) informing the new owner that the exemption will remain in  
22 place through the year of the transfer, after which it will be  
23 canceled, and (ii) providing information pertaining to the  
24 rules for reapplying for the exemption if the owner qualifies.  
25 In counties with 3,000,000 or more inhabitants, the chief  
26 county assessment official shall conduct, by no later than

1 December 31 of the first year of each reassessment cycle, as  
2 determined by Section 9-220, a review of all exemptions  
3 granted under this Section for the preceding reassessment  
4 cycle under this Section. The review shall be designed to  
5 ascertain whether any senior homestead exemptions have been  
6 granted erroneously. If it is determined that a senior  
7 homestead exemption has been erroneously applied to a  
8 property, the chief county assessment officer shall make use  
9 of the appropriate provisions of Section 9-275 in relation to  
10 the property that received the erroneous homestead exemption.

11 (j) In counties with less than 3,000,000 inhabitants, the  
12 county board may by resolution provide that if a person has  
13 been granted a homestead exemption under this Section, the  
14 person qualifying need not reapply for the exemption. In  
15 counties in which the county board passes such a resolution,  
16 the chief county assessment official shall, prior to the  
17 submission of the final abstract for the first year of each  
18 reassessment cycle, as determined by Section 9-215, review all  
19 exemptions granted for the preceding reassessment cycle under  
20 this Section. The review shall be designed to ascertain  
21 whether any senior homestead exemptions have been granted  
22 erroneously.

23 In counties with less than 3,000,000 inhabitants, if the  
24 assessor or chief county assessment officer requires annual  
25 application for verification of eligibility for an exemption  
26 once granted under this Section, the application shall be

1 mailed to the taxpayer.

2 (l) The assessor or chief county assessment officer shall  
3 notify each person who qualifies for an exemption under this  
4 Section that the person may also qualify for deferral of real  
5 estate taxes under the Senior Citizens Real Estate Tax  
6 Deferral Act. The notice shall set forth the qualifications  
7 needed for deferral of real estate taxes, the address and  
8 telephone number of county collector, and a statement that  
9 applications for deferral of real estate taxes may be obtained  
10 from the county collector.

11 (m) Notwithstanding Sections 6 and 8 of the State Mandates  
12 Act, no reimbursement by the State is required for the  
13 implementation of any mandate created by this Section.
