4 Section 1. Short title. This Act may be cited as the ICE

6 Section 5. Legislative intent. The General Assembly makes
7 the following findings:

8 (1) Federal law enforcement officers are using tear
9 gas and firing projectiles against peaceful protesters,
10 legal observers, volunteer street medics, and journalists
11 outside U.S. Immigration and Customs Enforcement detention
12 facilities in Illinois in excess of the force necessary to
13 control a crowd or for agents to fulfill their duties.

14 (2) All law enforcement officers have a duty to uphold
15 the United States Constitution and Illinois Constitution
16 and protect the due process rights of Illinois citizens.

17 (3) Therefore, it is essential for Illinois to protect
18 and prevent the violation of civil rights of its citizens
19 through a tracking system when rights are violated by
20 federal law enforcement officers. This is necessary to
21 promote transparency and hold law enforcement accountable
22 for their actions.

9 verify any reports of misconduct, wrongful detentions, and
10 civil right abuses by ICE or CBP personnel occurring in
11 Illinois.

12 (b) The reporting system must be available for the public
13 to submit a complaint via a public website. The report may
14 include the following:

15 (1) the name, address, contact information, and
16 attorney or representative of the person who files a
17 report;

23 and

24 (4) the reporting person's signature that the report
25 is true and accurate to the best of the reporter's

1 knowledge and belief and any documents attached are true
2 and accurate copies of the original.

4 General must do the following:

6 the public before publishing;

7 (2) regularly publish on its public website verified
