1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Certified Community Behavioral
5 Health Clinics Act is amended by adding Section 3-10 as
6 follows:

7 (210 ILCS 34/3-10 new)

8 Sec. 3-10. Data collection, analysis, and reporting.

9 (a) The Department of Healthcare and Family Services shall
10 collect data related to the operation and performance of
11 certified community behavioral health clinics, including all
12 data required under federal Certified Community Behavioral
13 Health Clinic Demonstration criteria, federal and State
14 Medicaid requirements applicable to certified community
15 behavioral health clinics, State plan or waiver reporting
16 requirements, and any additional data elements established by
17 the Department. Such data shall include data received from
18 managed care organizations contracted with the Department.

19 (b) The Department of Healthcare and Family Services shall
20 contract with a statewide behavioral health association that
21 represents more than 75% of the certified community behavioral
22 health clinics operating within the State to serve as the
23 State's official entity responsible for analyzing and

1 reporting data collected by the Department pursuant to this
2 Section.

3 (c) The Department shall provide to the statewide
4 behavioral health association, subject to all applicable
5 federal and State privacy laws, all administrative data
6 necessary for comprehensive certified community behavioral
7 health clinic system analysis, including, but not limited to,
8 Medicaid claims and encounter data, certified community
9 behavioral health clinic prospective payment system rate and
10 cost reporting data, eligibility and enrollment data, quality
11 and performance measures, and relevant data obtained from
12 managed care organizations.

13 (d) The statewide behavioral health association shall
14 analyze and report on data provided by the Department of
15 Healthcare and Family Services for the purpose of evaluating
16 certified community behavioral health clinic performance,
17 identifying system trends, and informing policy and
18 programmatic decision making. The association shall not
19 independently collect data from certified community behavioral
20 health clinics and shall perform its duties solely using data
21 provided by the Department.

22 (e) The statewide behavioral health association shall
23 produce an annual Illinois Certified Community Behavioral
24 Health Clinic Statewide Performance Report, which shall
25 include, at a minimum:

26 (1) access and capacity metrics;

- 1 (2) crisis service utilization;
- 2 (3) quality and outcome measures;
- 3 (4) workforce and staffing data;
- 4 (5) financial and sustainability indicators;
- 5 (6) service utilization trends; and
- 6 (7) regional and statewide comparisons.

7 (f) The annual report shall be submitted to the General
8 Assembly, the Governor, and the Department of Healthcare and
9 Family Services and shall be made publicly available.

10 (g) Notwithstanding any other provision of this Section,
11 the statewide behavioral health association shall publish the
12 first Illinois Certified Community Behavioral Health Clinic
13 Statewide Performance Report no later than one year after the
14 effective date of this amendatory Act. All subsequent reports
15 shall be published annually thereafter.

16 (h) The Department shall provide sufficient funding under
17 the contract to enable the statewide behavioral health
18 association to fulfill its responsibilities under this
19 Section.

20 (i) The Department may adopt rules necessary to implement
21 this Section.

22 Section 99. Effective date. This Act takes effect upon
23 becoming law.
