1 AN ACT concerning agriculture.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 3. Findings. The General Assembly finds that:

5 (1) Beginning in Fiscal Year 2021, the State of
6 Illinois appropriated funds to support socially
7 disadvantaged farmers, recognizing persistent barriers to
8 land access, capital, infrastructure, and market
9 participation.

10 (2) A portion of those appropriations has remained
11 unexpended across multiple fiscal years, limiting the
12 intended impact of those funds.

13 (3) Emerging and socially disadvantaged farmers
14 continue to face systemic and structural barriers that
15 constrain agricultural production, business viability, and
16 participation in local and regional food systems.

17 (4) Deploying these unexpended funds through a
18 flexible, accessible grant program administered by the
19 Illinois Department of Agriculture will strengthen
20 Illinois' agricultural economy, advance equity, and
21 improve food security across urban, suburban, and rural
22 communities.

23 Section 5. The Department of Agriculture Law of the Civil

1 Administrative Code of Illinois is amended by adding Section
2 205-455 as follows:

11 or aspiring farmer who has experienced, or whose farming

16 agricultural programs, on the basis of one or more of the

26 production, strengthening farm viability, and expanding access

1 to markets within the State.

2 (c) This Program is subject to appropriation, which may
3 include appropriations equivalent to the amounts that were
4 appropriated but not expended in Fiscal Years 2021, 2022,

24 (f) The Department shall adopt rules to implement and

26 verification through self-attestation or other reasonable

1 methods.

2 (g) The Department shall submit an annual report to the
3 General Assembly detailing grant awards, expenditures, and
4 program outcomes.

5 Section 99. Effective date. This Act takes effect July 1,
6 2026.
