LRB104 18528 LNS 36634 a

1 AMENDMENT TO HOUSE BILL 5107

2 AMENDMENT NO. _____. Amend House Bill 5107 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. This Act may be referred to as Alyssa's Law.

5 Section 5. The School Safety Drill Act is amended by
6 adding Section 42 as follows:

7 (105 ILCS 128/42 new)

8 Sec. 42. Mobile panic alert system.

9 (a) By no later than the beginning of the 2028-2029 school
10 year, school districts and private schools in this State shall
11 consider the use of a mobile panic alert system in the
12 development of their school emergency and crisis response
13 plans. If used, a mobile panic alert system that meets the
14 specifications of this Section shall be known as "Alyssa's
15 Alert" and shall be capable of connecting to diverse emergency

1 service technologies to ensure real-time coordination between
2 multiple first responder agencies. It shall also be capable of
3 integrating with local, Public Safety Answering Point (PSAP)
4 infrastructure for the transmission of 9-1-1 calls and mobile
5 activations. Such PSAP infrastructure shall also be capable of
6 receiving mobile panic alert notifications from a range of
7 technologies. A mobile panic alert system deployed pursuant to
8 this Section shall be integrated with the PSAP serving the
9 applicable facility's jurisdiction and shall, upon activation,
10 transmit an alert that is delivered to the PSAP's existing
11 infrastructure. A mobile panic alert system deployed pursuant
12 to this Section shall undergo at least annual testing in
13 coordination with the PSAP and first responder agencies.

14 (b) By March 1, 2027, the Illinois State Police, with
15 advice from the Statewide 9-1-1 Advisory Board and in
16 consultation with the State Board of Education and the
17 Illinois Emergency Management Agency and Office of Homeland
18 Security, shall develop rules for a mobile panic alert system
19 to qualify as an Alyssa's Alert and meet the specifications of
20 this Section. The rules may take into consideration the
21 following:

22 (1) the scalability of the mobile panic alert system
23 in relation to the possibility of school expansion;

24 (2) the reliability of the connection technology used,
25 including the capability of transmission across both
26 Internet and cellular networks, and how that technology

1 impacts the response time for first responders and other
2 school personnel;

3 (3) the ease of integration of a mobile panic alert
4 system with existing safety systems, including, but not
5 limited to, the extent to which:

6 (A) reliable communication is ensured with the
7 PSAP and first responders;

8 (B) all applicable safety protocols operate in a
9 coordinated and interoperable manner; and

10 (C) existing PSAP infrastructure can receive
11 mobile panic alert notifications from diverse
12 technologies;

13 (4) the efficiency of providing instant alerts and
14 notifications to first responders and other school
15 personnel;

16 (5) testing, training, and drill requirements that
17 include the PSAP and first responders agencies; and

18 (6) the interoperability with crisis response mapping
19 or other situational awareness tools.

20 (c) The Illinois State Police shall post information on
21 the rules developed under subsection (b) on its Internet
22 website. Anything posted by the Illinois State Police under
23 this subsection shall also be posted by the State Board of
24 Education on its website.

25 (d) Each school district and private school must
26 coordinate with its local 9-1-1 authority for integration

1 requirements prior to purchase and implementation under this
2 Section. Any expense to the PSAP for connectivity must be
3 covered by the school district or private school.".
