10 (b) The determination by a court that a licensee is
11 subject to involuntary admission or judicial admission as
12 provided in the Mental Health and Developmental Disabilities
13 Code shall result in an automatic suspension of the licensee's
14 license. The suspension shall end upon a finding by a court
15 that the licensee is no longer subject to involuntary
16 admission or judicial admission and issues an order so finding
17 and discharging the patient, and upon the recommendation of
18 the Board to the Secretary that the licensee be allowed to
19 resume professional practice.

20 (c) The Department shall refuse to issue or renew or may
21 suspend the license of a person who (i) fails to file a tax

25 Department of Revenue, until the requirements of the tax Act
26 are satisfied or (ii) has failed to pay any court-ordered

1 child support as determined by a court order or by referral
2 from the Department of Healthcare and Family Services.

3 (c-1) The Department shall not revoke, suspend, place on
4 probation, reprimand, refuse to issue or renew, or take any
5 other disciplinary or non-disciplinary action against a
6 person's authorization to practice under this Act based solely
7 upon the person recommending, aiding, assisting, referring
8 for, or participating in any health care service, so long as
9 the care was not unlawful under the laws of this State,
10 regardless of whether the client was a resident of this State
11 or another state.

12 (c-2) The Department shall not revoke, suspend, place on
13 prohibition, reprimand, refuse to issue or renew, or take any
14 other disciplinary or non-disciplinary action against a
15 person's authorization to practice under this Act based upon
16 the person's license, registration, or permit being revoked or
17 suspended, or the person being otherwise disciplined, by any
18 other state if that revocation, suspension, or other form of
19 discipline was based solely on the person violating another
20 state's laws prohibiting the provision of, authorization of,
21 recommendation of, aiding or assisting in, referring for, or
22 participation in any health care service if that health care
23 service as provided would not have been unlawful under the
24 laws of this State and is consistent with the applicable
25 standard of conduct for a person practicing in Illinois under
26 this Act.

1 (c-3) The conduct specified in subsections (c-1) and (c-2)
2 shall not constitute grounds for suspension under Section 125.

3 (c-4) The Department shall not revoke, suspend, summarily
4 suspend, place on prohibition, reprimand, refuse to issue or
5 renew, or take any other disciplinary or non-disciplinary
6 action against a person's authorization to practice under this
7 Act based solely upon the person's license, registration, or
8 permit being revoked or suspended, or the person being
9 otherwise disciplined, by any other state or territory other
10 than Illinois for the referral for or having otherwise
11 participated in any health care service, if the revocation,
12 suspension, or disciplinary action was based solely on a
13 violation of the other state's law prohibiting such health
14 care services in the state, for a resident of the state, or in
15 any other state.

16 (d) In enforcing this Section, the Department, upon a
17 showing of a possible violation, may compel a person licensed
18 to practice under this Act, or who has applied for licensure
19 under this Act, to submit to a mental or physical examination,
20 or both, which may include a substance abuse or sexual
21 offender evaluation, as required by and at the expense of the
22 Department.

23 (1) The Department shall specifically designate the
24 examining physician licensed to practice medicine in all
25 of its branches or, if applicable, the multidisciplinary
26 team involved in providing the mental or physical

1 examination or both. The multidisciplinary team shall be
2 led by a physician licensed to practice medicine in all of
3 its branches and may consist of one or more or a
4 combination of physicians licensed to practice medicine in
5 all of its branches, licensed clinical psychologists,
6 licensed clinical professional counselors, and other
7 professional and administrative staff. Any examining
8 physician or member of the multidisciplinary team may
9 require any person ordered to submit to an examination
10 pursuant to this Section to submit to any additional
11 supplemental testing deemed necessary to complete any
12 examination or evaluation process, including, but not
13 limited to, blood testing, urinalysis, psychological
14 testing, or neuropsychological testing.

15 (2) The Department may order the examining physician
16 or any member of the multidisciplinary team to present
17 testimony concerning this mental or physical examination
18 of the licensee or applicant. No information, report,
19 record, or other documents in any way related to the
20 examination shall be excluded by reason of any common law
21 or statutory privilege relating to communications between
22 the licensee or applicant and the examining physician or
23 any member of the multidisciplinary team. No authorization
24 is necessary from the licensee or applicant ordered to
25 undergo an examination for the examining physician or any
26 member of the multidisciplinary team to provide

1 information, reports, records, or other documents or to
2 provide any testimony regarding the examination and
3 evaluation.

4 (3) The person to be examined may have, at the
5 person's own expense, another physician of the person's
6 choice present during all aspects of the examination.
7 However, that physician shall be present only to observe
8 and may not interfere in any way with the examination.

9 (4) The failure of any person to submit to a mental or
10 physical examination without reasonable cause, when
11 ordered, shall result in an automatic suspension of the
12 person's license until the person submits to the
13 examination.

14 (e) If the Department finds a person unable to practice
15 because of the reasons set forth in this Section, the
16 Department or Board may require that person to submit to care,
17 counseling, or treatment by physicians approved or designated
18 by the Department or Board, as a condition, term, or
19 restriction for continued, reinstated, or renewed licensure to
20 practice; or, in lieu of care, counseling, or treatment, the
21 Department may file, or the Board may recommend to the
22 Department to file, a complaint to immediately suspend,
23 revoke, or otherwise discipline the license of the person. Any
24 person whose license was granted, continued, reinstated,
25 renewed, disciplined, or supervised subject to the terms,
26 conditions, or restrictions, and who fails to comply with the

1 terms, conditions, or restrictions, shall be referred to the
2 Secretary for a determination as to whether the person shall
3 have the person's license suspended immediately, pending a
4 hearing by the Department.

5 (f) All fines imposed shall be paid within 60 days after
6 the effective date of the order imposing the fine or in
7 accordance with the terms set forth in the order imposing the
8 fine.

9 If the Secretary immediately suspends a person's license
10 under this subsection, a hearing on that person's license must
11 be convened by the Department within 30 days after the
12 suspension and completed without appreciable delay. The
13 Department and Board shall have the authority to review the
14 subject person's record of treatment and counseling regarding
15 the impairment, to the extent permitted by applicable federal
16 statutes and regulations safeguarding the confidentiality of
17 medical records.

18 A person licensed under this Act and affected under this
19 Section shall be afforded an opportunity to demonstrate to the
20 Department or Board that the person can resume practice in
21 compliance with acceptable and prevailing standards under the
22 provisions of the person's license.

23 (g) The Department may adopt rules to implement,
24 administer, and enforce this Section.

3 Sec. 70. Unlicensed practice; violation; civil penalty.

4 (a) Any person who practices, offers to practice, attempts
5 to practice, or holds oneself out to practice as a licensed
6 behavior analyst or licensed assistant behavior analyst
7 without being licensed or exempt under this Act shall, in
8 addition to any other penalty provided by law, pay a civil
9 penalty to the Department in an amount not to exceed \$10,000
10 for each offense, as determined by the Department. The civil
11 penalty shall be assessed by the Department after a hearing is
12 held in accordance with the provisions set forth in this Act
13 regarding the provision of a hearing for the discipline of a
14 licensee.

15 (a-5) Any member, partner, shareholder, director, officer,
16 holder of any other ownership interest, or agent of a business
17 organization that provides behavior analysis services who
18 makes clinical decisions regarding patient care without being
19 licensed or exempt under this Act shall be deemed to have
20 violated this Section.

21 (b) The Department may investigate any actual, alleged, or
22 suspected unlicensed activity.

23 (c) The civil penalty shall be paid within 60 days after
24 the effective date of the order imposing the civil penalty.
25 The order shall constitute a final judgment and may be filed
26 and execution had thereon in the same manner as any judgment

1 from any court of record.
